Challenge:
Design a Solar
Oven for
S'mores

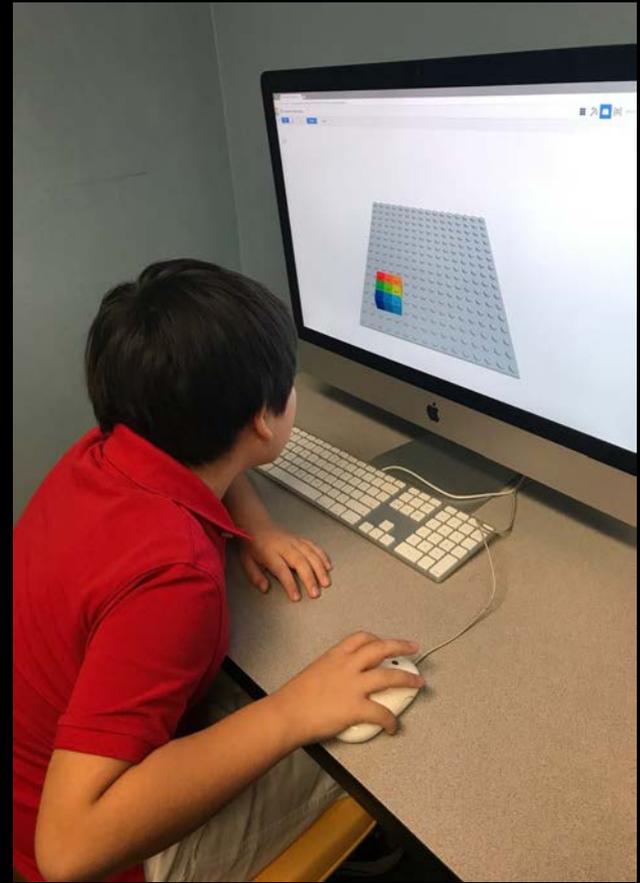

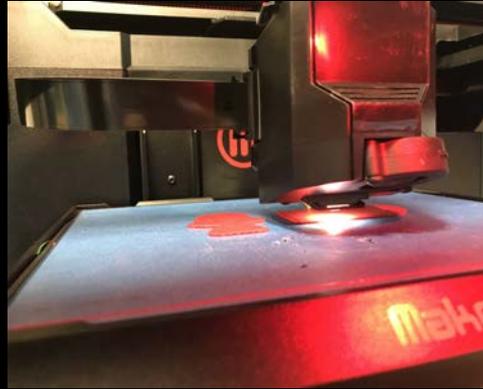

Code a CUE
Robot

3D
Printing

Depth and Complexity & Scholarly Attributes

- Prompts used to enhance a student's ability to think critically, dig deeper into concepts, and understand concepts with greater complexity.
- Strategies and behaviors essential to being a good scholar.

Student Engagement

Celebrate Success

Friends

Field Trips

Solar Eclipse Fun

CGI Math

Spirit Days

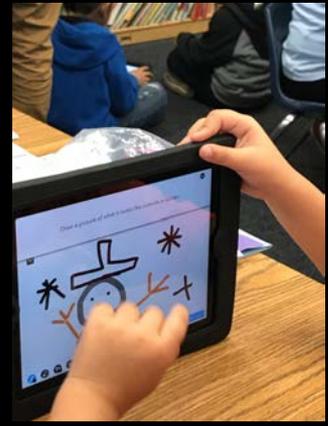

Technology:
1:1 iPad Program
Kindergarten- 6th grade

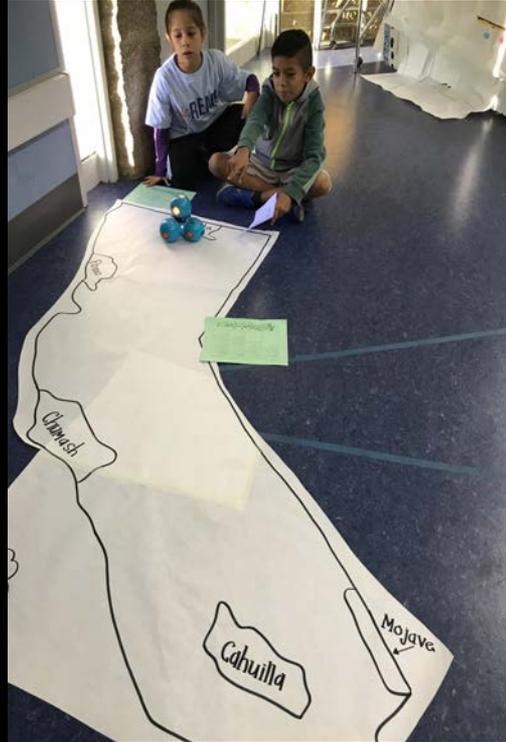

Nearpod: Virtual field trip to the snow!

Bookshops

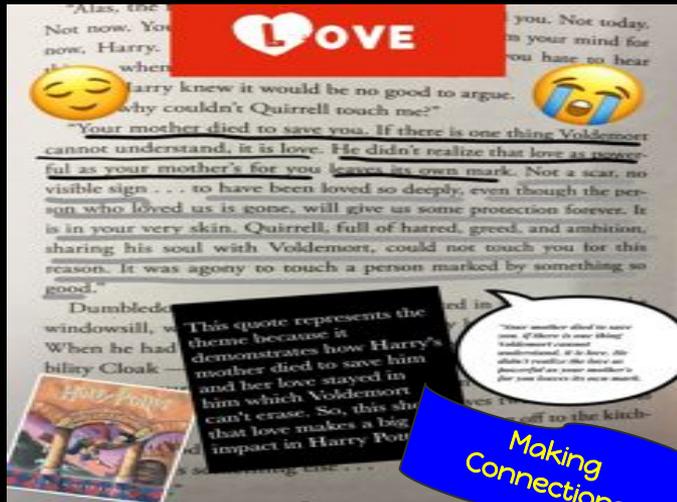

Collaboration,
Critical Thinking
and Project
Based Learning

Balanced Literacy

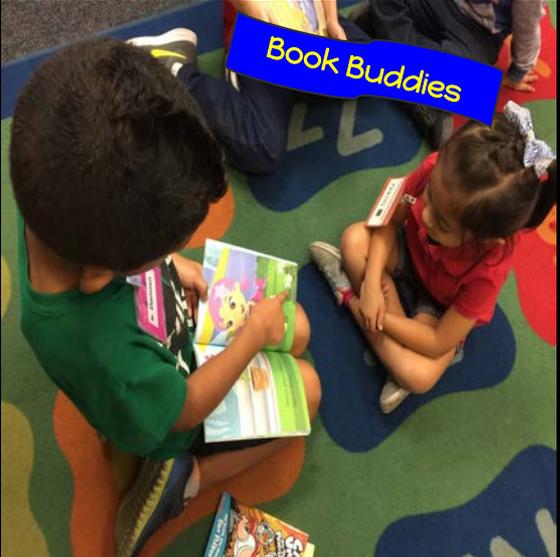

Book Clubs

This quote represents the theme because it demonstrates how Harry's mother died to save him and her love stayed in him which Voldemort can't erase. So, this shows that love makes a big impact in Harry Potter.

Making Connections

Book Buddies

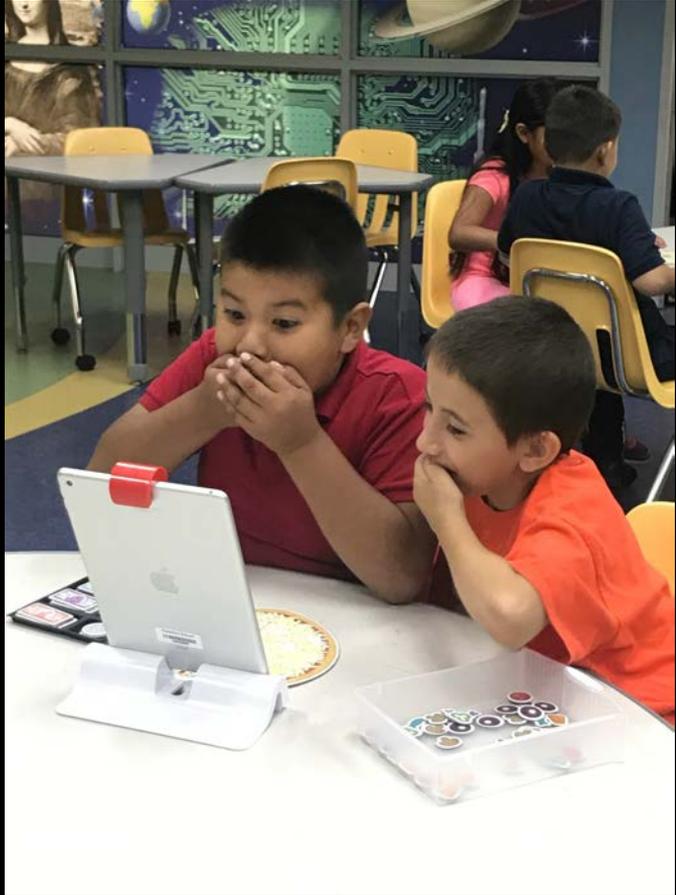

Shared Reading

Independent Reading

Technology:
OSMO Fun
