Dear Beechwood Community,

Welcome to the 2023-2024 school year! We hope everyone had an amazing summer filled with fun and wonderful memories. As we embark on this new academic journey together, we are thrilled to welcome back our returning students and families while extending a warm welcome to our new members of the Bobcat family.

At Beechwood School, we work together to ensure that each student receives a rigorous and balanced educational program in a caring environment where intercultural understanding and respect are valued. Our mission is that all children will develop critical skills that will allow them to effectively communicate, collaborate with peers, investigate and solve problems, and achieve their full academic and creative potential.

We are proud to provide a safe and reliable environment for learning for our students. We have been recognized, once again, as a Platinum PBIS school where we provide a positive school climate and culture through our PBIS implementation system. We have also been named as a 2023 California Distinguished School for our exemplary and quality educational programs. Together, we will continue to cultivate a learning environment where every individual feels valued and supported.

Thank you to our parent groups, PTSA and Foundation, who go above and beyond to provide additional support for our students and staff. We can't wait to welcome everyone back and work together to ensure a successful year filled with lasting memories.

Please note that our office opens August 2nd and the first day of school is Monday, August 14th. Thank you for your continued support and partnership!

Sincerely,

A handwritten signature in black ink that reads "Hannah Lim".
