

STEM NATION

Fullerton School District

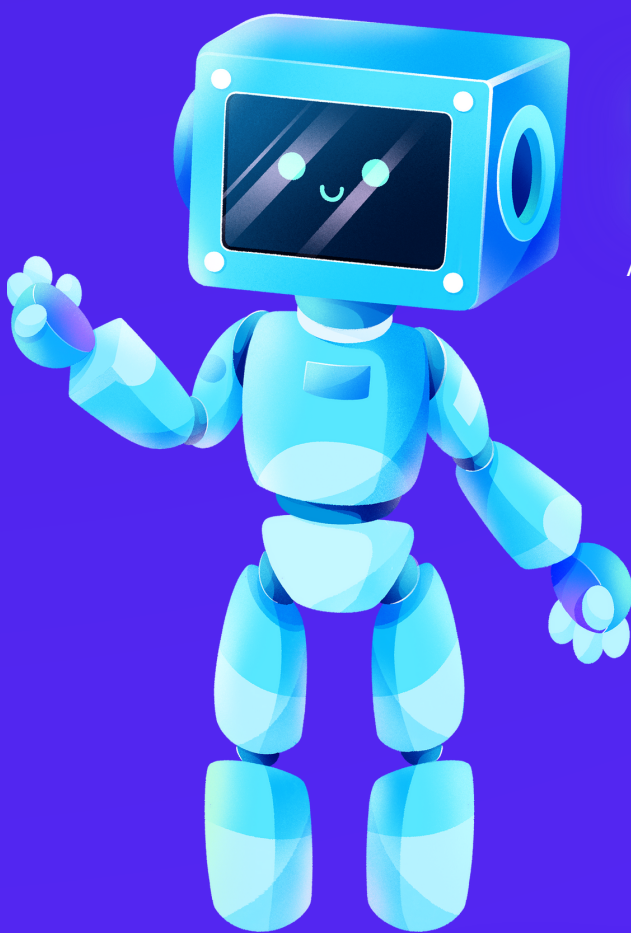

WHAT IS STEM NATION?

STEM Nation is a school site club based program for 2nd to 6th graders that develops computational thinking, design thinking, and robust habits of mind in students. Students also learn about current STEM topics.

HOW DO I GET INVOLVED IN STEM NATION CLUB?

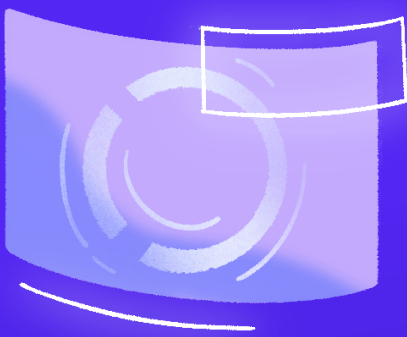

Talk to the STEM Nation coach at your school to find out how you can join. If you do not know who the coach is, ask your teacher.

WHAT DO STUDENTS DO IN THE CLUBS?

Activities include:

- Building and programming robots
- Solving problems using robotics
- Considering the pros and cons of Artificial Intelligence
- Exploring Machine Learning
- Generating AI images (4th-6th graders)

WHAT IS THE STEM NATION EVENT AT FSD FEST?

This year, selected 4th - 6th grade students from the clubs will showcase their robotic inventions that are helpful to humans.

WHEN IS THE STEM NATION EVENT?

Date: Saturday, May 18th
Time: 8:50AM - 11AM
Location: CSUF Titan Student Union, Pavilion C
