

# Saturday School

## SSOAR

**(Saturday School Opportunity for Attendance Recovery)**

Parks will be offering an opportunity for students to recover one day of absence. This means that if your student has one or more absences they are invited to SSOAR. Invitations will be sent home and if students attend, it will remove an absence from their record. It will be a fun morning that includes academic recovery, sports, crafts, and a snack! If your student has an absence please ask to see their invitation to SSOAR and return the form to the office.

Upcoming Sessions	Time	Notes
October 5 <sup>th</sup> November 16 <sup>th</sup> February 29 <sup>th</sup> March 21 <sup>st</sup> April 25 <sup>th</sup>	8:00 AM-12:15 PM	iReady Test Prep, Crafts, Food, CSI Investigation, Sports, and other fun activities depending on our teacher rotation

### Important Notes:

Students can make up an absence as attendance is taken into consideration for privilege activities such as end-of-the-year events. Parks has an opportunity to recoup funding, which is a way for families to support the school financially with no out-of-pocket expenses.

There is a minimum sign up of 25 students for SSOAR to be held. We understand weekends are busy, however, a student may only receive credit for their attendance if they attend the full 4.25 hour session.
