School Mission/Vision

Pacific Drive Mission Statement:

Pacific Drive fosters collaborative experiences where all students are inspired to reach their full potential as contributing members of a changing society through 21st Century Learning.

Computer Science and Innovation Vision:

The Pacific Drive Computer Science and Innovation program provides thematic computer science opportunities and collaborative experiences embedded at all grade levels for all students. This program fosters critical, creative, and computational thinking skills to support students academically, vocationally, and most important, personally.

Dual Language Academy Mission Statement:

The mission of the Fullerton School District's Dual Language Academy is for all students to reach high levels of academic achievement, develop biliteracy and bilingualism, and cultivate cross-cultural competencies needed in a multicultural society and global economy.
