BOARD GOALS: JANUARY 2020

Great Schools
Successful Kids

Fullerton School District Board of Trustees Annual Goals

1. High Expectations for ALL Students

Objectives to reach Goal 1:

- Narrow the achievement gap
- Prepare students for success in high school, college, and career
- Utilize personalized, student-centered approach and student strengths
- Promote patriotism, democracy, and United States civics in existing frameworks, curriculum, and State standards
- Provide opportunities for students to be productive citizens of the community

PATHFINDER

FSD students will cultivate their passions and efficacy through personal, educational and professional discovery, guided by a college/ career pathway.

Official Thrively Assessment Profile

Thri

You Are Highly Flexible With An Analytical Mind And Remarkable Athleticism

TOP STRENGTHS: Flexibility Analytical Athleticism Academic Drive

You are a really easy-going, likeable, go with the flow, flexible personality. Those around you really appreciate your ease and will agree that you are comfortable, good company. You almost never get into conflicts with others because you can zig and zag when many around you may only be able to go straight. For you, dealing with problems means choosing from a variety of workable solutions. You are certainly not one to hold grudges and willingly forgive and forget. You can handle disappointment, the unexpected, and being caught off guard, because you have the skill to readily shift your course and expectations. Don't underestimate the power of this asset. It will take you extremely far in life!

You have a gift of being able to focus on details and create solutions in a step-by-step manner. You consider the variables at play and are a natural problem-solver. You rely on your ability to quickly understand systems and bring your existing knowledge to bear to make decisions and break the pieces of a puzzle apart one by one, carefully analyzing each. You are a rational thinker with a powerful mind.

You have a passion for playing sports and have a strong competitive spirit. You take winning seriously as well as practicing and getting better. You may often find yourself thinking about what it takes to get to the next level in sports... keep working, you never know how far you can go until you push yourself!
