

Open Enrollment

FULLERTON SCHOOL DISTRICT

ELEMENTARY AND JUNIOR HIGH SCHOOL ENROLLMENT

Between January 16 – February 16, 2024, the District will be offering an open enrollment/transfer request option to all students entering the TK through 8th grades in the 2024/25 school year. Open enrollment is a procedure to provide your student with the opportunity to apply for admission to the District school of choice. Students residing within the Fullerton School District's attendance boundaries may apply for enrollment in any District school. You do not need to apply if you wish for your student to attend the school of residence.

To be considered for an open enrollment transfer request, applications must be submitted online during the designated open enrollment window (January 16 – February 16, 2024). Applications can be obtained, completed, and submitted online via the Fullerton School District website. All online applications must be submitted by 4:00 p.m. on Friday, February 16, 2024.
