**Please consider all of these questions in your presentation:**

- How will you build trust with clients?
- Come up with a wedding theme that supports both partners.
- How will you approach disagreement and compromise amongst the partners?
- What resources will you need to gather to put your plan in place?
- How will you ensure that all wedding guests are enjoying themselves (other than alcohol)?

Education leaders facilitate the development and implementation of a shared vision of learning and growth of all students.
