

Welcome back to school!

Back to school is an exciting time of year when we're filled with enthusiasm for the year to come—and maybe have a few questions. There is a lot to do, learn, and prepare, but the resources in *Wonders* are here to help you, 24 hours a day, seven days a week.

This Back to School resource list should help you focus on your students – and less on the housekeeping. These resources include helpful presentations, letters for parents, how-to help, introductions, digital refreshers, and more.

Presentation

A helpful slideshow presentation for you to share with family members about the *Wonders* program and what kids will be learning this year. You can add your own slides or use as-is. The presentation also includes an introduction to ConnectEd.

Letter Home

This customizable follow-up letter makes for a great takeaway on Back-to-School night and provides insight into why your school is using *Wonders*. Use it with the presentation above or on its own.

Digital Access How-Tos

ConnectEd is the digital workspace that students and their family members can use to access *Wonders* resources. The Welcome to ConnectEd letter, available in English and Spanish, provides family-friendly instructions on how to sign-up and use this resource.

Spanish: <http://sforce.co/2pI155y>

Professional Development

In addition to the resources designed to help parents and families, *Wonders* has some great resources available to educators and coaches. Our Professional Development section in ConnectEd is a great place to learn more about the *Wonders* tools and resources that can help you at the beginning, middle, or end of the school year (and anytime in between).

Access your professional learning resources by clicking on the Professional Development tab in the main menu.

Quick-Start Course

For new teachers, or anyone who wants a refresher, the *Wonders* Quick-Start course is a great way to learn about the program in a structured manner that is thorough, but presented in topical, manageable modules.

Go to:
Professional Development → *Professional Learning Environment* → *Quick-Start*

Teacher Workspace Overview

Watch this two-minute video to learn about or refresh your knowledge of the teacher workspace on ConnectEd.

Go to:
Professional Development → *Digital Help* tab → *Results* → *Teacher Workspace Overview*

Student Workspace Overview

This will help teachers learn about the student-specific space and can also be shared with the parents on Back-to-School night.

Go to:
Professional Development → *Digital Help* → *Home Page*
