- More lunch tables for social distancing? Yes, different cohorts will eat in different sections of campus. Additional tables have been added to the main eating area and kinder lunch area. Sitting spots are placed on the benches.
- What are the 5 day students doing? Students are going to be zooming with classroom teachers. They will follow the same schedule as the in class students
- When are we going to revisit this school schedule? Depending on the COVID situation. The safety/cleaning protocols will continue to be in place to keep COVID cases down
- Do we have resources for families that test positive? We have clinics that have low cost, will send information with resources to families,
- What if one student tests positive in my child's classroom? Parents will be notified, and tracking will be done to see how much exposure has taken place. The district does have a protocol in place
