

A colorful illustration of a science camp trip. At the top, two wooden planks are stacked, with the text '6th Grade' on the top plank and 'Science Camp Trip' on the bottom plank. Below this, a red ribbon banner contains the dates '2/19 - 2/21'. The background is a light blue sky with white stars and a white bird flying. At the bottom, there is a landscape with green pine trees, two orange tents with red flags, and two brown mountains with white snow caps. The overall style is flat and cartoonish.

**6th Grade**

**Science Camp Trip**

**2/19 - 2/21**
