Deviations from the standards must be explained and may affect the interim certification.

**CRITERIA AND STANDARDS**

**1. CRITERION: Average Daily Attendance**

**STANDARD:** Funded average daily attendance (ADA) for any of the current fiscal year or two subsequent fiscal years has not changed by more than two percent since first interim projections.

District's ADA Standard Percentage Range: -2.0% to +2.0%

**1A. Calculating the District's ADA Variances**

DATA ENTRY: First Interim data that exist will be extracted into the first column, otherwise, enter data for all fiscal years. Second Interim Projected Year Totals data that exist for the current year will be extracted; otherwise, enter data for all fiscal years.

**S8. Status of Labor Agreements**

Analyze the status of employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues and explain how these commitments will be funded in future fiscal years.

**If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:**

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. CONSENT ITEM

**DATE:** April 12, 2016

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**PREPARED BY:** Mike McAdam, Supervisor of Purchasing & Warehouse

**SUBJECT:** **DECLARE LISTED ITEMS AS SURPLUS, NOT SUITABLE FOR SCHOOL PURPOSES, AND AUTHORIZE DISTRICT STAFF TO DISPOSE OF ITEMS AT A PUBLIC AUCTION, OR BY OTHER MEANS, AS ALLOWED IN EDUCATION CODE SECTIONS 17545-17555**

Background: Over a period of time, the various sites accumulate instructional materials, supplies, and equipment which have become obsolete, unserviceable, unrepairable, or otherwise not suitable for school use. Some of these items may be salvaged or sold, thus providing the District with some recovery of residual value.

The Business Services Department is requesting that obsolete items which have been collected from District sites be declared as surplus property and “not suitable for school purposes.” These surplus items were collected from all sites at the direction of site managers. All items have been made available to District employees to claim for school use prior to holding a public auction. The remaining items are designated as “not suitable for school purposes” and offered for sale. For those items that do not sell, the Assistant Superintendent of Business Services requests Board authorization to declare the property is of insufficient value to defray the costs of arranging for another sale and to dispose of said property by other means as allowed by Education Code sections 17545-17555.

Rationale: By approving this request the Board will be authorizing the District to properly dispose of the list of surplus property, allow a private auction firm to execute a public auction to maximize District return, and authorize disposal by other means if such property is not sold.

Funding: Additional local income is anticipated.

Recommendation: Declare listed items as surplus, not suitable for school purposes, and authorize District staff to dispose of items at a public auction, or by other means, as allowed in Education Code sections 17545-17555.

Background: In accordance with the California Contract Code, advertisement for this project was published in a newspaper of general circulation, and bids were opened on March 24, 2016. Four contractors submitted bids, ranging from \$114,328 to \$248,038. The successful low bidder was DBMC, Inc., with a total bid of \$114,328.

Rationale: Pursuant to Public Contract Code Section 20111(b), the current bid threshold for public agency construction contracts is \$15,000. The estimated cost of the project is in excess of the current bid limit. Therefore, the District went out to bid for the contract.

This project requested a "Base Bid" for each school as well as two "Alternates" for Acacia School and three "Alternates" for Rolling Hills School. One of the Alternates for Acacia School and two of the Alternates for Rolling Hills School will be awarded.

Funding: The contract amount is \$114,328. The contract is divided between Acacia (\$64,158), to be paid from Capital Facilities Fund, and Rolling Hills (\$50,170), to be paid from District 48 (Amerige Heights).

### C. Why AGRC is Most Qualified to Serve the District

We believe AGRC is most qualified to serve the District for the following reasons:

We are available to answer your questions, offer insights and aid you in the financial stewardship of your organization.
2. **Strong Ties to the Public Sector Community.** AGRC consultants often speak at and regularly attend PARMA, PRIMA, CAJPA, AGRIP and STRIMA conferences. Every two years, AGRC sponsors a conference on risk retention pools. Our active participation at local and national conferences strengthens our ties to the public sector community. We know the issues affecting governmental entities and can serve as a resource as you analyze complex issues.
3. **Unique Perspective.** AGRC has extensive experience performing actuarial reviews and related projects. We regularly evaluate coverage forms, excess insurance pricing and exposures arising from operations and administration of risk management programs. We believe this gives AGRC a unique perspective. Our broader understanding of risk management issues can assist you in more effective administration of your program.

*The interaction of risk management consultants and actuarial expertise provides for greater in-depth analysis and brings more overall knowledge to bear on the District's needs.*

4. **Concentrated Analysis.** AGRC concentrates on the matters relevant to your self-insured program. We delve deeply and penetrate into the issues driving your loss costs and risk exposure.

AGRC reports communicate our findings, conclusions and recommendations clearly and concisely. AGRC reports lay a firm foundation for future studies.

## II. WORK PLAN

### A. Introduction

The District seeks actuarial services for its self-insured workers compensation, employment practice liability, pollution, and general liability/auto liability programs.

The broad scope of work is to estimate outstanding liabilities and project losses for future fiscal years. This will provide important data for financial audit statements (including Governmental Accounting Standards Board [GASB] Statement No. 10 compliance) and strategic long-range planning.

The conclusions of our work will be provided in a written report. The report will have an Executive Summary designed to be easily understood by non-actuaries. It will contain a technical section with sufficient information to support all conclusions and to facilitate future analysis.

### B. Scope of Work

Our specific scope of work is the following:

1. **Estimate Outstanding Losses.** Estimate outstanding losses (including allocated loss adjustment expenses [ALAE]) as of June 30, 2016.

The estimated outstanding losses are the cost of unpaid claims. The estimated outstanding losses include case reserves, the development of known claims and incurred but not reported (IBNR) claims. ALAE are the direct expenses for setting specific claims.

The estimated outstanding losses will be shown on a full-value basis (not discounted for investment earnings) and present-value basis (discounted for investment earnings). They will also be provided at the expected, 70%, and 90% confidence levels (or other confidence levels set by the District).

2. **Project Ultimate Limited Losses.** Project ultimate limited losses (including ALAE) for 2016/17 and 2017/18.

The projected ultimate limited losses are the accrual value of losses during the claim period, regardless of report or payment date.

Projected ultimate limited losses will be shown on a full-value basis (not discounted for investment earnings) and present-value basis (discounted for investment earnings). They will also be provided at the expected, 70%, and 90% confidence levels (or other confidence levels set by the District).

As an option, we can project the losses at alternative self-insured retentions (SIRs; e.g. \$500,000, \$750,000, or \$1,000,000).

3. **Project Losses Paid (Cash Flow).** We will project losses to be paid during the periods 2016/17 and 2017/18.

The paid losses are the cash value of losses with payment dates during the period 2016/17 and 2017/18, regardless of report or accident date. This is a cash flow analysis useful for investment and budget purposes.

4. **Recommend Minimum Funding.** Recommend minimum funding for 2016/17 and 2017/18.

The recommended minimum funding is based on the present value of the projected ultimate limited losses and a provision for non-claim expenses.

5. **Affirm GASB Statement Nos. 10 Compliance.** We will provide a statement that the conclusions in the actuarial study are consistent with GASB Statement Nos. 10.

### C. Project Approach

To complete this project, we will:

1. Participate in an initial discussion with the District to learn about any changes in its self-insured programs.
2. Submit a written data request to the District.
3. Gather and compile data provided by the District. We will review the data for reasonableness. Anomalies (if any) will be identified. If requested, we can obtain data directly from the claims administration firm(s).
4. Discuss large individual claims with the District. Large claims can have a disproportionate impact upon the actuarial analysis. We want to be certain we fully understand the large claims.
5. Develop estimates of claim costs for 2016/17 and 2017/18.

The estimates will be based on the District's own data to the extent it is a good predictor of future activity. To the extent the District's loss data is not a good predictor, our projections will reflect other similar programs with which we are familiar.

Based on our experience, we have found that insurance industry statistics are often not applicable to public entities. This is because insurance industry statistics reflect a wide range of diverse risks (public entities are much more homogeneous). Public entities tend to manage claims very carefully. Therefore, reporting and payout patterns differ from insurance industry statistics.

For the above reasons, we will apply insurance industry statistics judiciously. We will consider at least the following actuarial methodologies:

- ◆ Paid loss development

- ◆ Reported incurred loss development
- ◆ Case reserve analysis
- ◆ Reported claims development
- ◆ Frequency and severity analysis
- ◆ Loss rate analysis
- ◆ Bornhuetter-Ferguson analysis
- ◆ Increased limits analysis

6. Based on projected losses and expected claims disbursement patterns, project investment income.
7. Prepare a draft report of our conclusions and recommendations.

The conclusions and recommendations will be clear, concise and easily understood by non-actuaries. The report will include charts, graphs and other documentation sufficient to support all conclusions and recommendations. Further discussion of the report appears in Section D, "Deliverables," of this chapter.

8. Discuss the draft report with the District by telephone. Based on new facts ascertained in our discussions, we will revise the draft report and issue a final report.

## D. Deliverables

The District will receive a thorough, yet easy-to-understand report. The technical section will include the following information to support all conclusions and facilitate future analysis.

- ◆ **Background.** Relevant details concerning the history, administration, claims handling, retention levels and excess coverage will be provided.
- ◆ **Data Sources.** Descriptions of the loss and exposure data provided by the District and its administrators will be provided. Individual claims requiring special treatment in the analysis will be cited, including an explanation of how we treated the claims in the analysis. If industry data is used to supplement our analysis, a description of the data source will be provided; we will explain how we incorporated the industry data into the analysis.
- ◆ **Methods Used.** Descriptions of the various actuarial methods used in the analysis will be provided. We will also explain the considerations associated with selecting the methods as well as the underlying assumptions.
- ◆ **Exhibits.** The exhibits will show the details of our analysis and support all conclusions stated in the Executive Summary.

Our reports are practical, useful documents, frequently referred to by our clients over months until they are updated by ensuing reports.

# Fee Agreement

Date: February 15, 2016

Dear Ms. Laurie Bruneau:

Fullerton School District (hereinafter "Client") has retained Aon Risk Consultants, Inc., doing business as Aon Global Risk Consulting ("AGRC"), to provide actuarial and/or analytical services ("Services"). This Fee Agreement ("Agreement"), including all referenced attachments, confirms the scope of services we will provide, the Client's required involvement and assistance in support of our Services, the related fee arrangements, and other terms and conditions to ensure that our professional services meet the mutually agreed upon objectives of both parties. The Services, to be provided by AGRC to Client beginning on February 12, 2016 and ending on June 30, 2016, are set forth in the "Scope of Work" section of the proposal dated February 12, 2016.

In consideration of the Services to be provided by AGRC to Client, AGRC shall be entitled to compensation in the amount shown in the "Professional Fees" section of the attached Proposal. These fees shall be payable to AGRC within thirty days following the completion of the Services unless otherwise set forth in "Professional Fees" section of the attached Proposal.

AGRC and Client acknowledge that the reliability of our services depends upon the accuracy and completeness of the data supplied to AGRC. Client accepts sole responsibility for errors or delays in services solely resulting from inaccurate or incomplete data supplied to AGRC, and acknowledges and agrees that any additional services thereby necessitated will result in additional fees payable by Client to AGRC.

AGRC gathers data containing information about our customers. This information may be shared among AGRC affiliated businesses. In addition to being used to provide services to AGRC customers, the information may be used for business administration, business reporting, statistical analysis, marketing of AGRC products or services and providing consulting or other services to companies for which AGRC or its affiliates may receive remuneration. AGRC takes appropriate measures to protect the privacy and confidentiality of our AGRC customers as well as to comply with applicable laws and regulations. AGRC may use or disclose information about our customers if we are required to do so by law, AGRC policy, pursuant to legal process or in response to a request from law enforcement authorities or other government officials.

Due to the global nature of services provided by AGRC, the personal information you provide may be transmitted, used, stored and otherwise processed outside of the country where you submitted that information. If you have questions about AGRC data processing, please contact your AGRC consultant.

Both parties further agree that AGRC and its personnel shall be released to the fullest extent permitted by applicable law from any and all claims, liabilities, costs and expenses attributable to any knowing misrepresentation by Client, its directors, its officers and/or its employees except for claims attributable solely to the negligence of AGRC. In no event shall AGRC be liable to the Client, whether in tort (including negligence), contract or otherwise for any amount, in the aggregate, in excess of three times the total fees paid by the Client under this Agreement, except to the extent fully and finally determined by a court of competent jurisdiction to have resulted from the willful misconduct or fraudulent behavior of AGRC, and neither AGRC nor Client shall be liable to the other for any consequential, indirect, lost profit, lost opportunity or similar damages relating to AGRC's services provided under this Agreement.

As AGRC and Client intend the aforementioned limitation of liability clause to be enforceable, they agree that any over breadth in the clause shall not itself render the clause void, but rather, the clause shall be interpreted and enforceable to the fullest extent permitted by the law of the applicable state.

In addition, the Client agrees to indemnify and hold AGRC, its directors, officers and employees, harmless from and against any and all claims, suits, and demands, and the liabilities, costs and expenses resulting therefrom

("Claims"), that AGRC may incur relating to the Services under this Agreement, except to the extent such Claims are fully and finally determined by a court of competent jurisdiction to have resulted from acts or omissions of AGRC in connection with such services.

In the unlikely event that differences concerning our services or fees should arise that are not resolved by mutual agreement, to facilitate judicial resolution and save time and expenses of both parties, the Client and AGRC agree not to demand a trial by jury in any action, proceeding or counterclaim arising out of or relating to our services and fees for this engagement.

AGRC will provide the Client with a report and/or certain other tangible items specified as deliverables ("Deliverables"), set forth in the "Scope of Services" section of the attached Proposal. The Deliverables, upon full and final payment to AGRC, shall become the property of the Client, except that AGRC owns or has rights to all products, processes, concepts, know-how, techniques, software, and methodology used, and records created or maintained, (collectively "Prior Works") for the production of the Deliverables, and Client shall gain no rights in or to them. To the extent that any Prior Works are contained in the Deliverables, AGRC hereby grants the Client, upon full and final payment to AGRC, a royalty-free, fully paid-up, worldwide, non-exclusive license to use such Prior Works in connection with the Deliverables.

Services and Deliverables are for the exclusive use of Client and are not to be relied upon by third parties.

This Agreement sets forth the entire agreement among the parties and may be modified only upon written agreement.

**SUBJECT:** **APPROVE/RATIFY CONTRACT WITH ALL CITY MANAGEMENT SERVICES FOR THE COST OF A CROSSING GUARD FOR THE INTERSECTION OF HETEBRINK STREET AND HUTAIN STREET, EFFECTIVE JULY 1, 2016 THROUGH JUNE 30, 2017**

Background: The City of Fullerton’s traffic engineers perform traffic studies, when requested by the District, for those intersections near schools that may warrant crossing guards.

A study performed in the spring of 2011 for the intersection of Hetebrink Street and Hutain Street showed that the intersection did not meet the City’s established criteria for a crossing guard. However, District staff recommended that, in the interest of student safety, the District bear the cost of a crossing guard at the intersection until such time as the City performed another traffic study. An additional study might warrant the placement of a crossing guard by the City (in which case the District would split the cost with the City).

The original contract was for a one-year period. Staff recommends extension of the contract for one additional year.

Rationale: The agreement between the City of Fullerton and the Fullerton School District requires that the cost of a warranted crossing guard be borne by the City of Fullerton. In this case, as the intersection of Hetebrink and Hutain does not as yet meet the criterion for warrants, the District must bear the cost.

Funding: The current cost is not to exceed \$12,240 per year from the General Fund.

Recommendation: Approve/Ratify contract with All City Management Services for the cost of a crossing guard for the intersection of Hetebrink Street and Hutain Street, effective July 1, 2016 through June 30, 2017.

Laurie Bruneau  
Fullerton School District

Fullerton, CA 92833

It is once again the time of the year when many agencies are formulating their budgets for the coming fiscal year. Toward that end, please allow this letter to serve as confirmation of our interest in extending our agreement for Crossing Guard services with the Fullerton School District for the 2016-2017 fiscal year.

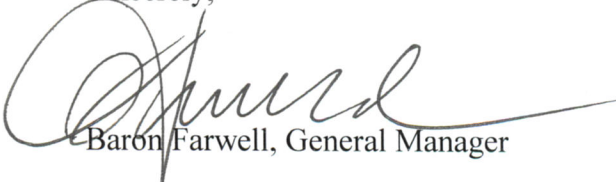

As you may know the California Assembly passed and the Governor approved Bill AB No.1522 which enacts the Healthy Workplaces, Healthy Families Act of 2014. This Bill mandates among other things that all part-time employees are now entitled to be paid or accrue sick-time time. Per this mandate effective July 1, 2015, Crossing Guards began to accrue sick time at a rate of 1 hour for every 30 hours worked. As this is a new benefit for all part-time employees it will obviously impact our hourly pricing.

The bottom line is that this year we must appeal for an increase. Our proposed adjustment of 2.5% will increase your hourly rate to \$17.00 per hour.

To facilitate the calculation of the program cost for your Crossing Guard program, we have included a Client Worksheet. This worksheet is our estimation of the projected hours and cost of your program as it is currently staffed. We have also taken the liberty of enclosing two (2) Amendments for the coming 2016-2017 fiscal year. If all meets with your approval please execute and return one of the original Amendments for our records.

We remain committed to providing a safe, cost-effective and professional School Crossing Guard Program. If you have any questions or need additional information please contact me at (800) 540-9290. Take care.

Sincerely,

Baron Farwell, General Manager

Background: Over the past few years, we have seen an increase in the use of Google Applications in the classroom. Teachers are seeking opportunities on how to best use Google in a 1:1 environment. A two-day workshop called Google Boot Camp will give teachers the opportunity to learn about Google in either a beginner, intermediate, or advanced setting. The classes will prepare teachers to pass Google Level 1 or 2 certification based upon their interest and drive. Alice Chen, a Google Certified Innovator, has been providing these types of workshops across Southern California. She has worked with CUE Rock Star on teaching teachers how to best use Google Applications in the classroom.

Rationale: Alice Chen will be providing professional development training on using the Google Ecosystem to increase student learning, engagement, and collaboration. This workshop will prepare teachers for the Google for Education Certification Exam.

Funding: Cost not to exceed \$2,800 to be paid from the Unrestricted General Fund.

Recommendation: Approve Independent Contractor Agreement between Fullerton School District and Alice Chen to provide training to teachers on using the Google Ecosystem on June 2-3, 2016.

In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available

to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its Governing Board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

(b) Any injury to or death of any person(s), including the District's officers, employees and agents, or damage to or loss of any property, caused by any act, neglect, default, or omission of the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the Services covered by this Agreement, whether said injury or damage occurs either on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopyrighted matter or patented or unpatented invention under this Agreement.

11. Insurance. The Contractor, at Contractor's sole cost and expense, shall insure Contractor's activities in connection with the Services under this Agreement and shall obtain, keep in force, and maintain insurance as follows:

(2)	Products/Completed Operations Aggregate	\$1,000,000
(3)	Personal and Advertising Injury	\$1,000,000
(4)	General Aggregate (Not Applicable to the Comprehensive Form)	\$1,000,000

The policy may not contain an exclusion for coverage of claims arising from claims for sexual molestation or abuse. This policy shall include or be endorsed to include abuse and molestation coverage of at least \$1,000,000.00 for each occurrence.

b. Business Automobile Liability Insurance for owned, scheduled, non-owned, or hired automobiles with a combined single limit not less than \$1,000,000 per occurrence. (Required only if the Contractor drives on behalf of the District in the course of performing services.)

c. Professional Liability Insurance with a limit of \$1,000,000 per occurrence, if applicable.

d. Workers' Compensation as required by California State law.

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available

to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its Governing Board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for: (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising out of (1) or (2) above, sustained by the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, upon or in connection with the Services called for in this Agreement, however caused, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

## **EXHIBIT A**

### **Parent EMPOWERMENT through Technology (PE+T)**

**for**

#### **Fullerton School District**

The Parent EMPOWERMENT through Technology (PE+T) program streamlines key elements to parent involvement, with cultural relevance at its center. When parents lack appropriate tools to fully engage in the health and education of their family, they tend to step out of their role. A balanced use of online information and tools can lead to parent empowerment and engagement on all levels. Parents gain critical research skills with PE+T training. PE+T gives parents the power of information—giving them the opportunity to make well-educated choices that benefit their entire family.

#### **1. Organizational Background and History**

**Community Union, Inc.**(Established 1993)

**Mission:** Setup, sustain and expand education and economic opportunities in low-income communities via community-based computer and Internet training.

Community Union, Inc. is a corporation based in Los Angeles, California. Community Union (CU) provides training from community technology centers located in low-income neighborhoods throughout California.

In 1993, while Mr. Larry A. Ortega was attending law school at Western State University School of Law, Fullerton, CA, he founded CU. CU first launched their courses working with children, but quickly realized that training parents in technology was key to impacting the digital divide, student achievement and graduation rates. A year after its inception, CU launched courses to serve parents in English, Korean, and Spanish.

Community Union, in cooperation with the One Million NIU (New Internet Users) Coalition, have successfully negotiated the opening of community-based technology training centers in over 30 cities, helping more than 25,000 parents, youth and senior citizens improve their quality of life through access and training to Internet resources. College students and NIU graduating parents enter and complete the Train the Trainer Program and become NIU Trainers for new sessions. Trainers have found the NIU experience to be a great career launching-pad as they move into professional endeavors.

## **2. Why Parent EMPOWERMENT through Technology?**

A majority of low-income parents want to improve the quality of life for their family. However, many lack the skills required to engage in their education and health in a way that leads to improvement. This lack of improvement is more evident among parents with lower incomes and educational attainment, as well as among first generation immigrants who are English learners.

The Parent EMPOWERMENT through Technology program presents an opportunity to make a focused effort to help parents engage in their family's health and education via the Internet. There are a wide array of websites and on-line content in English, Korean and Spanish that help parents positively effect change in their family. CU has taught low-income parents how to access and use on-line resources for over 22 years and in our expert opinion, significantly improves the quality of life of graduates and their families.

## **3. Target Population**

Maximum of 35 low-income parents who have children attending Commonwealth Elementary will be enrolled in PE+T (**Exhibit C**), and will attend courses per **Exhibit B**.

## **4. Proposed Methodologies**

Community Union believes it is a moral and economic imperative that we empower parents with research skills in education and health via technology training. A parent that can navigate the Internet to find reliable information is better equipped to make sound decisions for their family.

Parents will attend class two times per week, for two hours each day, for 5 weeks for a total of 20 hours of PE+T-Module I, see **Exhibit B**.

### **PE+T Modules I & II *outcomes* for parents:**

- 1) Development of Internet on-line resource navigation skills using key websites, addressing both health and education needs,
- 2) Development of a full-color multipage e-tools Resource Guide in PowerPoint that contains the following information:
  - a. A healthy food pyramid,
  - b. A through G requirements (UC/CSU college entry requisites),
  - c. Local Fullerton Unified resources available on-line,
  - d. Internet safety,
  - e. Detailed benefits of common fruits, vegetables, superfoods, supplements and organics,
  - f. Local farmer's markets and,
  - g. Healthy recipes.

- 3) Improved public speaking skills and advocacy strategies that will assist them in ensuring their family has access to health and education resources.

PE+T not only provides the foundational understanding needed by parents such as A-G requirements, education resources, college options, etc., but because the parents will have on-going access to on-line resources, they will be empowered to forever engage and advocate for the improved health and quality education for their family.

### **5. Project Goals, Operation and Evaluation:**

PE+T's task-list, see **Exhibit C** below, is a list of exercises parents will complete during each 20 hour Module. PE+T takes parents through step by step on how-to use a computer, access the Internet and develop computer and Internet navigation skills while building an e-tools Resource Guide in PowerPoint, using health focused, college, school district and Internet safety websites. Manuals, exercises and instruction are available in English, Korean, Spanish and Mandarin Chinese.

#### **Module I:**

- A-1 – Develop a Vision Statement: Parents develop a 'vision' statement articulating desired goals and outcomes from the course, and beginning E-mail navigation, parents set up email address,
- A-2 – Introduction to Word, parents learn basic functions, typing skills, and development of a formal communication letter,
- A-3 – Introduction to PowerPoint, parents are introduced to the tool to be used to build e-tools Resource Guide,
- A-4 – Beginning Internet Navigation: Parents build research project using on-line resources to obtain information about education, health, and Internet safety.
- e-tools Resource Guide Completion: Parents compile exercises and PowerPoint slides completed during the course into a clear-covered portfolio that will be called their e-tools Resource Guide and will serve as evidence of skills learned and will be used to assist parents to better engage in their family's health and education.
- Simultaneously, this same portfolio will be used to enhance employment endeavors.

#### **Module II:**

- A-1 – Develop a Vision Statement II: Parents develop a 'vision' statement articulating desired HEALTH goals and outcomes from the course, and a refresher on Internet/E-mail navigation,
- A-2 – Refresher on Word, parents are reminded of basic functions, typing skills, and develop a formal communication letter,
- A-3 – Refresher on PowerPoint, parents are reminded of to the tool to be used to build e-health Tools Resource Guide,

- A-4 – Intermediate Internet Navigation: Parents build research project using on-line resources to obtain information about healthy living.
- e-health Tools Resource Guide Completion: Parents compile exercises and PowerPoint slides completed during the course into a clear-covered portfolio that will be called their e-health Tools Resource Guide and will serve as evidence of skills learned and will be used to assist parents to better engage in their family's health.

#### Evaluation:

- Paramount to the proposed project is the evaluation of program effectiveness.
- Quantitative methods such as pre and post surveys will be used. Also, graduating participant's focus group interviews will create feedback that will be used to create qualitative data to fine-tune PE+T,

In summary, after the completion of the PE+T program the following Major Goals will be accomplished:

1. parents gain increased Internet navigation knowledge for the purpose of improving the quality of life for their family,
2. parents will develop an e-tools Resource Guide and/or an e-health Tools Resource Guide to ensure they have key information to better engage in the health and education goals of their family,
3. parent leaders emerge and become sustainable resources for other parents through a parent alumni advocate network.

**PREPARED BY:** Robin Gilligan, Director, Student Support Services  
**SUBJECT:** **APPROVE/RATIFY NONPUBLIC AGENCY AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND ACES - COMPREHENSIVE EDUCATIONAL SERVICES, INC., FOR SERVICES EFFECTIVE MARCH 14, 2016 THROUGH JUNE 30, 2016**

Background: Nonpublic agencies support student educational programs through a variety of services not available within the District programs, which may include occupational therapy, speech therapy, physical therapy, behavioral intervention, etc.

Rate information is as follows:

Supervision – Behavior Intervention Development	\$150/hour
Tutoring – Behavior Intervention Implementation	\$ 59/hour

A copy of the agreement is available in the Superintendent’s Office for review.

Rationale: Nonpublic agency services are utilized when the District does not have the ability to have staff in the area of service. While we are able to provide most services from within, it is sometimes necessary to contract outside for certain specialized services.

Funding: Total cost of this contract is not to exceed \$40,000 and is to be paid from Student Support Services (710).

Recommendation: Approve/Ratify nonpublic agency agreement between Fullerton School District and ACES – Comprehensive Educational Services, Inc., for services effective March 14, 2016 through June 30, 2016.

**SUBJECT:** **APPROVE OUT-OF-STATE CONFERENCE ATTENDANCE FOR TEN STAFF MEMBERS TO ATTEND THE 34<sup>TH</sup> ANNUAL TEACHING OF WRITING INSTITUTE AT COLUMBIA UNIVERSITY IN NEW YORK, FROM JUNE 20-24, 2016**

Background: The Writing Workshop is a method of writing instruction that developed from the early work of Donald Graves, Donald Murray, and other teacher/researchers who found that coaching students to write for a variety of audiences and purposes was more effective than traditional writing instruction. This approach has been popularized by Lucy Calkins and educators involved in the Reading and Writing Project at Columbia University in New York City, New York. (Calkins, L (2006). This method of instruction focuses on the goal of fostering lifelong writers. It is based upon four principles: students will write about their own lives, they will use a consistent writing process, they will work in authentic ways, and they will develop independence as writers. During the 2016-2017 school year, the Fullerton School District will continue to train teachers across all schools using the Writing Workshop method.

Rationale: By sending a small group to Columbia's Summer Writing Institute, we will develop a cadre of staff members who will continue to support the implementation of Writing Workshop in future years. It means that we will have in-house experts who can continue to lead the difficult, but rewarding work of teaching young writers to find their voice and sense of agency through the written word.

Funding: Cost not to exceed \$19,500 to be paid from the Unrestricted General Fund.

Recommendation: Approve out-of-state conference attendance for ten staff members to attend the 34<sup>th</sup> Annual Teaching of Writing Institute at Columbia University in New York, from June 20-24, 2016.

**SUBJECT:** APPROVE THREE-YEAR LICENSING AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND CURRICULUM ASSOCIATES FOR iREADY ASSESSMENT SYSTEM FROM JULY 1, 2016 THROUGH JUNE 30, 2019

Background: iReady is an online assessment system that provides valid and reliable data on student achievement and growth. The diagnostic assessments are adaptive and aligned to common core standards. Progress monitoring and standards mastery assessments are included in the program and can be used to access skill-level data as well as end of year progress.

Rationale: Teachers and administrators in Fullerton School District have come to rely on valid data to measure student achievement and to drive decisions regarding instruction. iReady plays a key role in the success of Professional Learning Communities (PLCs) as teachers identify students in need of intervention as well as enrichment.

Funding: The yearly annual license fee for iReady is \$8.64 per student, per year. The full three-year cost will be paid initially. Fullerton School District reserves the right to cancel this contract at any time and receive a refund. Student enrollment figures will be based on the most recent CBEDS report and will be provided to Curriculum Associates on an annual basis. The total yearly annual license fee is to be paid from the Unrestricted General Fund.

Recommendation: Approve three-year licensing agreement between Fullerton School District and Curriculum Associates for iReady assessment system from July 1, 2016 through June 30, 2019.

CONSENT ITEM

**DATE:** April 12, 2016

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Jay McPhail, Assistant Superintendent of Innovation and Instructional Support

**SUBJECT:** **APPROVE THE USE OF CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS) CONTRACT NUMBER 3-12-70-2346E (GIGAKOM) FOR THE INSTALLATION OF WIRELESS ACCESS POINTS FOR THE 2016/2017 SCHOOL YEAR**

Background: The District wants to purchase and have installed wireless access points with E-Rate matching funds for all elementary school sites. The current wireless access points do not currently talk the latest wireless protocol.

Rationale: The current wireless access points do not support the 802.11ac standard that was approved by Institute of Electrical and Electronics Engineers Standards Association (IEEE-SA) in January of 2014. Currently, the new devices that are being purchased all use the new 802.11ac standard. If the devices purchased henceforth are allowed to take advantage of the 802.11ac protocol they will be able to better stream HD video and have quicker access to personal cloud services. The purchase and installation of the equipment is contingent upon approval of E-Rate funding. Fullerton School District will be using CMAS contract number 3-12-70-2346E for one year only as a piggyback for the purchase and installation of wireless access points.

Funding: The total cost is \$37,894 with 60% being paid for by E-Rate. The remaining \$15,157.60 would be paid from the Unrestricted General Fund.

Recommendation: Approve the use of California Multiple Award Schedule (CMAS) Contract number 3-12-70-2346E (GigaKOM) for the installation of wireless access points for the 2016/2017 school year.

**PURCHASING AUTHORITY DOLLAR THRESHOLD**

No CMAS order may be executed by a State agency that exceeds that agency's CMAS purchasing authority threshold or the CMAS maximum order limit, whichever is less.

**HOW TO USE CMAS CONTRACTS**

Agencies must adhere to the detailed requirements in the State Contracting Manual (SCM) when using CMAS contracts. The requirements for the following bullets are in the SCM, Volume 2, Chapter 6 (for non-IT) and the SCM, Volume 3, Chapter 6 (for IT):

- Develop a Request for Offer, which includes a Scope of Work (SOW), and Bidder Declaration form. For information on the Bidder Declaration requirements, see the SCM, Volume 2, Section 3.5.7 and Volume 3, Section 3.4.7.
- Search for potential CMAS contractors at [www.dgs.ca.gov/pd/Programs/Leveraged/CMAS.aspx](http://www.dgs.ca.gov/pd/Programs/Leveraged/CMAS.aspx), select "Find a CMAS Contract".
- Solicit offers from a minimum of 3 CMAS contractors including one small business and/or DVBE, if available, who are authorized to sell the products and/or services needed
- If soliciting offers from a certified DVBE, include the Disabled Veteran Business Enterprise Declarations form (Std. 843) in the Request for Offer. This declaration must be completed and returned by the DVBE prime contractor and/or any DVBE subcontractors. (See the SCM Volumes 2 and 3, Chapter 3)
- This is not a bid transaction, so the small business preference, DVBE participation goals, protest language, intents to award, evaluation criteria, advertising, etc., are not applicable.
- If less than 3 offers are received, State agencies must document their file with the reasons why the other suppliers solicited did not respond with an offer.
- Assess the offers received using best value methodology, with cost as one of the criteria.
- Issue a Purchase Order to the selected contractor.
- For CMAS transactions under \$5,000 only one offer is required if the State agency can establish and document that the price is fair and reasonable.

Local governments set their own order limits, and are not bound by the order limits on the cover page of this contract.

**SPLITTING ORDERS**

Splitting orders to avoid any monetary limitations is prohibited.

Do not circumvent normal procurement methods by splitting purchases into a series of delegated purchase orders (PCC § 10329).

Splitting a project into small projects to avoid either fiscal or procedural controls is prohibited (SAM 4819.34).

**MINIMUM ORDER LIMITATION**

There is no minimum dollar value limitation on orders placed under this contract.

**ORDERING PROCEDURES**

**1. Order Form**

State agencies shall use a Contract/Delegation Purchase Order (Std. 65) for purchases and services.

Local governments shall, in lieu of the State's Purchase Order (Std. 65), use their own purchase order document.

Electronic copies of the State Standard Forms can be found at the Office of State Publishing website. The site provides information on the various forms and use with the Adobe Acrobat Reader. Beyond the Reader capabilities, Adobe Acrobat advanced features may be utilized if you have Adobe Business Tools or Adobe Acrobat 4.0 installed on your computer. Direct link to the Standard Form 65:

[http://www.dgs.ca.gov/dgs/ProgramsServices/Form s/FMC/Search.aspx](http://www.dgs.ca.gov/dgs/ProgramsServices/Form%20s/FMC/Search.aspx)

**2. Purchase Orders**

State and Local Government agencies are required to send a copy of each CMAS purchase order to:

Department of General Services  
Procurement Division, Data Management Unit  
PO Box 989052, MS #2-203  
West Sacramento, CA 95798-9052  
(or via Interagency Mail Service #Z-1)

The agency is required to complete and distribute the order form. For services, the agency shall modify the information contained on the order to include the service period (start and end date), and the monthly cost (or other intermittent cost), and any other information pertinent to the services being provided. The cost for each line item should be included in the order, not just system totals.

The contractor must immediately reject orders that are not accurate. Discrepancies are to be negotiated and incorporated into the order prior to the products and services being delivered.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)  
GIGAKOM  
CMAS NO. 3-12-70-2346E, SUPPLEMENT NO. 1**

**3. Service and Delivery after Contract Expiration**

The purchase order must be issued before the CMAS contract end term expires. However, delivery of the products or completion of the services may be after the contract end term expires (unless otherwise specifically stated in the contract), but must be as provided for in the contract and as specified in the purchase order.

If this certification has expired, the current expiration date for this company's certification should be verified at: [www.bidsync.com/DPXBisCASB](http://www.bidsync.com/DPXBisCASB) or by contacting the Office of Small Business and DVBE Services at (916) 375-4940. Note that some companies have been assigned a new certification number, so use the company name and/or certification number when checking status on-line.

**SMALL BUSINESS MUST BE CONSIDERED**

**4. Multiple Contracts on STD. 65 Order Form**

Agencies may include multiple CMAS contracts from the same contractor on a single Std. 65 Contract/Delegation Purchase Order. For guidelines, see the SCM, Volumes 2 & 3, Chapter 6.B4.1.

Prior to placing orders under the CMAS program, State agencies shall whenever practicable first consider offers from small businesses that have established CMAS contracts [GC Section 14846(b)]. NOTE: The Department of General Services auditors will request substantiation of compliance with this requirement when agency files are reviewed.

**5. Amendments to Agency's Purchase Orders**

Agency purchase orders cannot be amended if the CMAS contract has expired.

The following website lists CMAS Small Business and Disabled Veteran Partners: [www.dgs.ca.gov/pd/Programs/Leveraged/CMAS.aspx](http://www.dgs.ca.gov/pd/Programs/Leveraged/CMAS.aspx) then select "Find a CMAS Contractor".

The SCM, Volumes 2 & 3, Chapter 6.A5.0 provides the following direction regarding amendments to all types of CMAS purchase orders:

In response to our commitment to increase participation by small businesses, the Department of General Services waives the administrative fee (a fee currently charged to customer agencies to support the CMAS program) for orders to certified small business enterprises.

Original orders, which include options for changes (e.g., quantity or time), that were evaluated and considered in the selection for award during the RFO process, may be amended consistent with the terms of the original order, provided that the original order allowed for amendments. If the original order did not evaluate options, then amendments are not allowed unless an NCB is approved for those amendments.

See the current fees in the DGS Price Book at: <http://www.dgs.ca.gov/ofs/Pricebook.aspx>

Amendments unique to non-IT services are covered in the SCM, Volume 2, Chapter 6.B2.9 as follows:

**SMALL BUSINESS/DVBE - TRACKING**

If the original contract permitted amendments, but did not specify the changes (e.g., quantity or time), it may be amended. This only applies to the first amendment. The time shall not exceed one year, or add not more than 30% of the original order value and may not exceed \$250,000. If the original contract did not have language permitting amendments, the NCB process must be followed.

State agencies are able to claim subcontracting dollars towards their small business or DVBE goals whenever the Contractor subcontracts a commercially useful function to a certified small business or DVBE. The Contractor will provide the ordering agency with the name of the small business or DVBE used and the dollar amount the ordering agency can apply towards its small business or DVBE goal.

Also, see the SCM, Volumes 2 & 3, Chapter 8, Topic 6, for more information on amending purchase orders.

**SMALL BUSINESS/DVBE - SUBCONTRACTING**

**CONTRACTOR OWNERSHIP INFORMATION**

GigaKom is a large business enterprise/certified small business enterprise. Their Office of Small Business and DVBE Services (OSDS) certification #40936 expires on 12/31/2016.

1. The amount an ordering agency can claim towards achieving its small business or DVBE goals is the dollar amount of the subcontract award made by the Contractor to each small business or DVBE.

2. The Contractor will provide an ordering agency with the following information at the time the order is quoted:

a. The Contractor will state that, as the prime Contractor, it shall be responsible for the overall execution of the fulfillment of the order.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)  
GIGAKOM  
CMAS NO. 3-12-70-2346E, SUPPLEMENT NO. 1**

b. The Contractor will indicate to the ordering agency how the order meets the small business or DVBE goal, as follows:

- List the name of each company that is certified by the Office of Small Business and DVBE Certification that it intends to subcontract a commercially useful function to; and
- Include the small business or DVBE certification number of each company listed, and attach a copy of each certification; and
- Indicate the dollar amount of each subcontract with a small business or DVBE that may be claimed by the ordering agency towards the small business or DVBE goal; and
- Indicate what commercially useful function the small business or DVBE subcontractor will be providing towards fulfillment of the order.

3. The ordering agency's purchase order must be addressed to the prime Contractor, and the purchase order must reference the information provided by the prime Contractor as outlined above.

**INTEGRATED SERVICES**

Agencies are prohibited from using CMAS and/or Masters for large-scale information technology system integration projects except when specifically approved by the California Department of Technology.

**CONSULTING OR PERSONAL SERVICES**

To ensure sufficient expertise for all consulting or personal services contracts, prior to issuing an order, the agency is required to review the resumes of all personnel the contractor intends to use to fulfill the order. Each agency is responsible for verifying that contractor personnel meet any education or experience requirements listed in the CMAS contract.

Each order should contain, as a minimum, a description of the task, a statement of the contractor's responsibilities, completion criteria, a list of deliverable items (if any), the estimated starting date, the scheduled completion date, and a fixed cost for each task.

The aggregate of the fixed costs for all tasks constitutes the fixed price ceiling for all tasks described.

**1. Progress Payments**

For IT service contracts, see the CMAS contract IT Terms and Conditions, Provision #71, CMAS Progress Payments & Risk Assessment.

For Non-IT service contracts, see the CMAS contract Non-IT Services Terms & Conditions, Provision #41, Progress Payments/Performance Bonds.

**2. Outsourcing Services**

Careful analysis must be given by State agencies to using contracted personnel rather than using civil service positions within State government.

Government Code 19130(c) requires that all persons who provide services to the State under conditions that constitute an employment relationship shall, unless exempted by Article VII (Section 4) of the California Constitution, be retained under an appropriate civil service appointment.

Issuing a CMAS purchase order for services to an independent contractor is permissible when any of the following conditions set forth in Government Code Section 19130(b) can be met:

- Exempt under Constitution
- New State function and legislative authority
- Service not available; highly specialized or
- Technical
- Incidental to the purchase or lease
- Conflict of interest; need unbiased findings
- Emergency appointment
- Private counsel, with Attorney General (AG) approval and Governor's Office, if applicable
- Contractor will provide deliverables that are not feasible for the State to provide
- Training when civil service is not available
- Urgent, temporary, or occasional services when civil service delay would frustrate the purpose (see Option 2 below)

**When justified as outlined above, personal services must fall under one of the two following options:**

**Option 1.** CMAS orders for personal services such as project management, independent verification and validation, systems analysis and design, and miscellaneous services are not limited to the number of hours or months per year that a consultant can work if the services contracted for are not available within civil service, cannot be performed satisfactorily by civil service employees, or are of such a highly specialized or technical nature that the necessary expert knowledge, experience, and ability are not available through the civil service system (Government Code 19130.b (3)).

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)  
GIGAKOM  
CMAS NO. 3-12-70-2346E, SUPPLEMENT NO. 1**

Option 2. CMAS personal services orders for programmers, systems analysts, and technical specialists which are of an urgent, temporary, or occasional nature, such that hiring additional civil service positions is not feasible, are limited to nine months (1548 hours) per consultant within a twelve consecutive month period (Government Code 19130.b (10)/California State Constitution, Article VII, Section 5).

This provision is per agency and is inclusive of orders issued on your behalf by another agency. Contractors must wait three (3) months from CMAS order termination/expiration before submitting the candidate's resume for work at the same agency/department.

For both options above, the contractor may conduct training courses for which appropriately qualified civil service instructors are not available, provided that permanent instructor positions in academies or similar settings shall be filled through civil service appointment (Government Code 19130.b (9)).

For each order, the agency must prepare and retain in their file a written justification that includes specific and detailed factual information that demonstrates that the contract meets one or more of the conditions set forth in Government Code 19130(b).

**3. State Personnel Board Requirements**

State Personnel Board (SPB) approval is required for a purchase order based on cost savings to the State as justification for not using civil service personnel.

**4. Statement of Work**

A Statement of Work (SOW) must be prepared as applicable for each Purchase Order. Information regarding the preparation of a SOW is available at [www.dgs.ca.gov/pd/Programs/Leveraged/CMAS.aspx](http://www.dgs.ca.gov/pd/Programs/Leveraged/CMAS.aspx), then select "For State Agencies". Agencies are strongly encouraged to use this information when developing SOW requirements that will accompany the Request for Offer and the resulting Purchase Order.

**5. Follow-on Contracts are Prohibited**

No person, firm, or subsidiary thereof who has been awarded a purchase order for consulting services, or a purchase order that includes a consulting component, may be awarded a purchase order for the provision of services, delivery of goods or supplies, or any other related action which is required, suggested, or otherwise deemed appropriate as an end product of the purchase order (Public Contract Code 10365.5).

Therefore, any consultant who develops a program study or provides formal recommendations is precluded from providing any work recommended in the program study or the formal recommendation.

**NETWORK DESIGN SERVICES**

Notwithstanding the contract provisions, the only network design services available through CMAS are those that result in a hardware and/or software solution.

**1. Telephone or Data Line Design Services**

Any type of network design service for telephone or data line design service is not available through CMAS because they are mandatory under the CALNET 2 contract. This contract is managed by the California Technology Agency, Statewide Telecommunications and Network Division. See information on CALNET 2 in the SCM, Volume 3, Chapter 6, Section H. This provision applies to State agencies only.

**2. Telecommunications Transport Systems and Related Infrastructure Components**

All network design services for telecommunications transport systems and related infrastructure components shall be performed by a Building Industry Consulting Service International (BICSI) certified Registered Communications Distribution Designer (RCDD). Evidence of RCDD certification may be required by the ordering agency.

**OPEN MARKET/INCIDENTAL. NON-SCHEDULE ITEMS**

The only time that open market/incidental, non-schedule items may be included in a CMAS order is when they fall under the parameters of the Not Specifically Priced (NSP) Items provision. If the NSP provision is not included in the schedule, or the products and/or services required do not qualify under the parameters of the NSP provision, the products and/or services must be procured separate from CMAS.

**STATE AND LOCAL GOVERNMENTS CAN USE CMAS**

State and local government agency use of CMAS contracts is optional. A local government is any city, county, city and county, district, or other local governmental body or corporation, including UC, CSU, K-12 schools and community colleges empowered to expend public funds. While the State makes this contract available, each local government agency should make its own determination whether the CMAS program is consistent with their procurement policies and regulations.

CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)  
GIGAKOM  
CMAS NO. 3-12-70-2346E, SUPPLEMENT NO. 1

UPDATES AND/OR CHANGES

A CMAS amendment is not required for updates and/or changes once the update and/or change becomes effective for the federal GSA schedule, except as follows:

- A CMAS amendment is required when the contract is based on products and/or services from another contractor's multiple award contract and the contractor wants to add a new manufacturer's products and/or services.
- A CMAS amendment is required for new federal contract terms and conditions that constitute a material difference from existing contract terms and conditions. A material change has a potentially significant effect on the delivery, quantity or quality of items provided, the amount paid to the contractor or on the cost to the State.
- A CMAS amendment is required for changes to contracts that require California Prison Industry Authority (CALPIA) approval.

A CMAS amendment is required to update and/or change terms and conditions and/or products and services based on a non-federal GSA multiple award contract.

SELF-DELETING FEDERAL GSA TERMS AND CONDITIONS

Instructions, or terms and conditions that appear in the Special Items or other provisions of the federal GSA and apply to the purchase, license, or rental (as applicable) of products or services by the U.S. Government in the United States, and/or to any overseas location shall be self-deleting. (Example: "Examinations of Records" provision).

Federal regulations and standards, such as Federal Acquisition Regulation (FAR), Federal Information Resources Management Regulation (FIRMR), Federal Information Processing Standards (FIPS), General Services Administration Regulation (GSAR), or Federal Installment Payment Agreement (FIPA) shall be self-deleting. Federal blanket orders and small order procedures are not applicable.

ORDER OF PRECEDENCE

The CMAS Terms and Conditions shall prevail if there is a conflict between the terms and conditions of the contractor's federal GSA, (or other multiple award contract), packaging, invoices, catalogs, brochures, technical data sheets or other documents (see CMAS Terms and Conditions, CONFLICT OF TERMS).

APPLICABLE CODES, POLICIES AND GUIDELINES

All California codes, policies, and guidelines are applicable. THE USE OF CMAS DOES NOT REDUCE OR RELIEVE STATE AGENCIES OF THEIR RESPONSIBILITY TO MEET STATEWIDE REQUIREMENTS REGARDING CONTRACTING OR THE PROCUREMENT OF GOODS OR SERVICES. Most procurement and contract codes, policies, and guidelines are incorporated into CMAS contracts. Nonetheless, there is no guarantee that every possible requirement that pertains to all the different and unique State processes has been included.

STATEWIDE PROCUREMENT REQUIREMENTS

Agencies must carefully review and adhere to all statewide procurement requirements in the SCM, Volumes 2 and 3, such as:

- Automated Accounting System requirements of State Administrative Manual (SAM) Section 7260-62
- Productive Use Requirements, per the SCM, Volume 3, Chapter 2, Section 2.B6.2.
- SAM Sections 4819.41 and 4832 certifications for information technology procurements and compliance with policies.
- Services may not be paid for in advance.
- Agencies are required to file with the Department of Fair Employment and Housing (DFEH) a Contract Award Report Std. 16 for each order over \$5,000 within 10 days of award, including supplements that exceed \$5,000.
- Pursuant to Public Contract Code Section 10359 State agencies are to report all Consulting Services Contract activity for the preceding fiscal year to DGS and the six legislative committees and individuals that are listed on the annual memorandum from DGS.
- Pursuant to Unemployment Insurance Code Section 1088.8, State and local government agencies must report to the Employment Development Department (EDD) all payments for services that equal \$600 or more to independent sole proprietor contractors. See the Contractor's Std. 204, Payee Data Record, to determine sole proprietorship. For inquiries regarding this subject, contact EDD at (916) 651-6945 for technical questions or (888) 745-3886 for information and forms.
- Annual small business and disabled veteran reports.
- Post evaluation reports. Public Contract Code 10369 requires State agencies to prepare post evaluations on form Std. 4 for all completed non-IT consulting services contracts of more than \$5,000. Copies of negative evaluations for non-IT consulting services only must be sent to the DGS, Office of Legal Services. The Bureau of State Audits requires State agencies annually to certify compliance with these requirements.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)  
GIGAKOM!  
CMAS NO. 3-12-70-2346E, SUPPLEMENT NO. 1**

**ETHNICITY/RACE/GENDER REPORTING  
REQUIREMENT**

Effective January 1, 2007, in accordance with Public Contract Code 10111, State agencies are to capture information on ethnicity, race, and gender of business owners (not subcontractors) for all awarded contracts, including CAL-Card transactions. Each department is required to independently report this information to the Governor and the Legislature on an annual basis.

Agencies are responsible for developing their own guidelines and forms for collecting and reporting this information,

Contractor participation is voluntary.

**PAYMENTS AND INVOICES**

**1. Payment Terms**

Payment terms for this contract are net 45 days.

Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code Section 927 et. seq. Unless expressly exempted by statute, the Act requires State agencies to pay properly submitted, undisputed invoices not more than 45 days after (i) the date of acceptance of goods or performance of services; or (ii) receipt of an undisputed invoice, whichever is later.

**2. Payee Data Record (Std. 204)**

Each State accounting office must have a copy of the Contractor's Payee Data Record (Std. 204) in order to process payment of invoices. Contractors are required to provide a copy of their Std. 204 upon request from an agency customer. Agencies should forward a copy of the Std. 204 to their accounting office. Without the Std. 204, payment may be unnecessarily delayed.

**3. DGS Administrative and Incentive Fees**

**Orders from State Agencies:**

The Department of General Services (DGS) will bill each State agency directly an administrative fee for use of CMAS contracts. The administrative fee should NOT be included in the order total, nor remitted before an invoice is received from DGS. This administrative fee is waived for CMAS purchase orders issued to California certified small businesses.

See the current administrative fees in the DGS Price Book at:  
<http://www.dgs.ca.gov/ofs/Pricebook.aspx>.

**Orders from Local Government Agencies:**

Effective for CMAS orders dated 1/1/2010 or later, CMAS contractors, who are not California certified small businesses, are required to remit to the DGS an incentive fee equal to 1% of the total of all local government agency orders (excluding sales tax and freight) placed against their CMAS contract(s). This incentive fee is in lieu of local government agencies being billed the above referenced DGS administrative fee.

This incentive fee is waived for CMAS purchase orders issued to California certified small businesses.

The check covering this fee shall be made payable to the Department of General Services, CMAS Unit, and mailed to the CMAS Unit along with the applicable Quarterly Report. See the provision in this contract entitled "Contractor Quarterly Report Process" for information on when and where to send these checks and reports.

**4. Contractor Invoices**

Unless otherwise stipulated, the contractor must send their invoices to the agency address set forth in the purchase order. Invoices shall be submitted in triplicate and shall include the following:

- Contract number
- Agency purchase order number
- Agency Bill Code
- Line item number
- Unit price
- Extended line item price
- Invoice total

State sales tax and/or use tax shall be itemized separately and added to each invoice as applicable.

The company name on the CMAS contract, purchase order and invoice must match or the State Controller's Office will not approve payment.

**5. Advance Payments**

Advance payment is allowed for services only under limited, narrowly defined circumstances, e.g., between specific departments and certain types of non-profit organizations, or when paying another government agency (GC 11256 - 11263 and 11019).

It is NOT acceptable to pay in advance, except software maintenance and license fees, which are considered a subscription, may be paid in advance if a provision addressing payment in advance is included in the purchase order.

### GIGAKOM

#### CMAS NO. 3-12-70-2346E, SUPPLEMENT NO. 1

Warranty upgrades and extensions may also be paid for in advance, one time.

#### 6. Credit Card

GigaKom accepts the State of California credit card (CAL-Card).

A Purchasing Authority Purchase Order (Std. 65) is required even when the ordering department chooses to pay the contractor via the CAL-Card. Also, the DGS administrative fee is applicable for all CMAS orders to suppliers not California certified as a small business.

#### 7. Lease/Purchase Analysis

State agencies must complete a Lease/Purchase Analysis (LPA) to determine best value when contemplating a lease/rental, and retain a copy for future audit purposes (SAM 3700). Approval by the Department of General Services is not required.

#### 8. Leasing

Except for Federal Lease to Own Purchase (LTOP) and hardware rental provisions with no residual value owed at end term (\$1 residual value is acceptable), Federal GSA Lease provisions are NOT available through CMAS because the rates and contract terms and conditions are not acceptable or applicable to the State.

SEAT Management financing options are NOT available through this contract.

As an alternative, agencies may consider financing through the State's financial marketplace GS \$Mart™. All terms and conditions and lenders are pre-approved for easy financing. The GS \$Mart™ Internet address is [www.dgs.ca.gov/pd/programs/statefinancialmarketplace.aspx](http://www.dgs.ca.gov/pd/programs/statefinancialmarketplace.aspx). Buyers may contact the GS \$Mart™ Administrator, Patrick Mullen by phone at (916) 375-4617 or via e-mail at [patrick.mullen@dgs.ca.gov](mailto:patrick.mullen@dgs.ca.gov) for further information.

#### CONTRACTOR QUARTERLY REPORT PROCESS

Contractors are required to submit a detailed CMAS Business Activity Report on a quarterly basis to the CMAS Unit. See Attachment B for a copy of this form and instructions.

For the full instructions on completing and submitting CMAS Quarterly Business Activity Reports, and a soft copy of a blank quarterly report form, go to [www.dgs.ca.gov/pd/Programs/Leveraged/CMAS.aspx](http://www.dgs.ca.gov/pd/Programs/Leveraged/CMAS.aspx), and then select "For Suppliers/Contractors".

Important things to remember regarding CMAS Quarterly Business Activity Reports (referred to as "reports" below):

- A report is required for each CMAS contract each quarter, even when no new purchase orders are received in the quarter.
- A separate report is required for each CMAS contract.
- Each purchase order must be reported only once in the quarter identified by the purchase order date, regardless of when the services were performed, the products were delivered, the invoice was sent, or the payment was received.
- Purchase orders from State and local government agencies must be separated on the report, as shown in the instructions.
- Contractors must report the sales activity for all resellers listed on their CMAS contract.
- Any report that does not follow the required format or excludes required information will be deemed incomplete and returned to the contractor for corrections.
- Taxes and freight must not be included in the report.
- For CMAS orders dated 1/1/2010 or later, contractors are no longer required to attach copies of purchase orders to their reports. This changed requirement will begin on Q1-2010 reports, which are due 4/15/2010.
- For CMAS orders dated 1/1/2010 or later, contractors who are not California certified small businesses must attach to their quarterly report a check covering the required incentive fee for all CMAS sales to local government agencies (see more information below). This new requirement will start on Q1-2010 reports, which are due 4/15/2010.
- New contracts, contract renewals or extensions, and contract modifications will be approved only if the contractor has submitted all required quarterly reports and incentive fees.

**CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)  
GIGAKOM  
CMAS NO. 3-12-70-2346E, SUPPLEMENT NO. 1**

CMAS Quarterly Business Activity Reports are due in the CMAS Unit within two weeks after the end of each quarter as shown below:

Quarter 1	Jan 1 to Mar 31	Due Apr 15
Quarter 2	Apr 1 to Jun 30	Due Jul 15
Quarter 3	Jul 1 to Sep 30	Due Oct 15
Quarter 4	Oct 1 to Dec 31	Due Jan 15

**CONTRACTOR QUARTERLY INCENTIVE FEES**

CMAS contractors who are not California certified small businesses must remit to the DGS an incentive fee equal to 1% of the total of all local government agency orders (excluding sales tax and freight) placed against their CMAS contract(s). This incentive fee is in lieu of local government agencies being billed the above referenced DGS administrative fee.

CMAS contractors cannot charge local government agencies an additional 1% charge on a separate line item to cover the incentive fee. The contractor must include the 1% incentive fee in the price of the products or services offered, and the line item prices must not exceed the applicable GSA prices.

A local government agency is any city, county, district, or other local governmental body, including the California State University (CSU) and University of California (UC) systems, K-12 public schools and community colleges empowered to expend public funds.

This incentive fee is waived for CMAS purchase orders issued to California certified small businesses.

The check covering this fee shall be made payable to the Department of General Services, CMAS Unit, and mailed to the CMAS Unit along with the applicable Quarterly Report. See the provision in this contract entitled "Contractor Quarterly Report Process" for information on when and where to send these checks and reports.

**CONTRACTOR PROVIDES COPY OF THE CONTRACT AND SUPPLEMENTS**

CMAS contractors are required to provide the entire contract that consists of the following:

- Cover pages with DGS logo and CMAS analyst's signature, and Ordering Instructions and Special Provisions.
- California CMAS Terms and Conditions.
- Federal GSA or non-federal GSA Terms and Conditions (unless otherwise stipulated in the CMAS contract).
- Federal GSA or non-federal GSA products, services, and price list (unless otherwise stipulated in the CMAS contract).
- Supplements, if applicable.

It is important for the agency to confirm that the required products, services, and prices are included in the contract and are at or below contract rates. To streamline substantiation that the needed items are in the contract, the agencies should ask the contractor to identify the specific pages from the contract that include the required products, services, and prices. Agencies should save these pages for their file documentation.

**CONTRACTORS ACTING AS FISCAL AGENTS ARE PROHIBITED**

When a subcontractor ultimately provides all of the products or performs all of the services that a contractor has agreed to provide, and the prime contractor only handles the invoicing of expenditures, then the prime contractor's role becomes that of a fiscal agent because it is merely administrative in nature, and does not provide a Commercially Useful Function (CUF). It is unacceptable to use fiscal agents in this manner because the agency is paying unnecessary administrative costs.

**AGENCY RESPONSIBILITY**

Agencies must contact contractors to obtain copies of the contracts and compare them for a best value purchasing decision.

Each agency is responsible for its own contracting program and purchasing decisions, including use of the CMAS program and associated outcomes.

This responsibility includes, but is not necessarily limited to, ensuring the necessity of the services, securing appropriate funding, complying with laws and policies, preparing the purchase order in a manner that safeguards the State's interests, obtaining required approvals, and documenting compliance with Government Code 19130.b (3) for outsourcing services.

It is the responsibility of each agency to consult as applicable with their legal staff and contracting offices for advice depending upon the scope or complexity of the purchase order.

If you do not have legal services available to you within your agency, the DGS Office of Legal Services is available to provide services on a contractual basis.

**CONFLICT OF INTEREST**

Agencies must evaluate the proposed purchase order to determine if there are any potential conflict of interest issues. See the attached CMAS Terms and Conditions, Conflict of Interest, for more information.

**FEDERAL DEBARMENT**

When federal funds are being expended, the agency is required to obtain (retain in file) a signed "Federal Debarment" certification from the contractor before the purchase order is issued.

CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS)  
GIGAKOM  
CMAS NO. 3-12-70-2346E, SUPPLEMENT NO. 1

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 29 CFR Part 98, Section 98.510, Participants; responsibilities. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160-19211).

CONTRACTOR TRAVEL

The provision for travel expense reimbursement is included in this contract.

It is important the agency and contractor discuss necessary travel requirements prior to issuing the purchase order because the detail and cost (only as allowed for in the contract) must be included in the agency purchase order to be payable.

State agencies may only reimburse travel and per diem expenses according to State travel time and per diem rules for State employees. All travel and per diem expenses must be within the contract parameters, incorporated into the purchase order, and supported by receipts. For the current travel and per diem reimbursement rates, go to the Department of Personnel Administration's website at: <http://www.dpa.ca.gov/personnel-policies/travel/main.htm>

Notwithstanding the contract provisions, the State will not be responsible for the cost of travel to bring contractor personnel from out-of-state to the job site (unless specifically arranged by agency in advance). If requested by the agency, the State will be responsible for reimbursement of travel expenses from one California agency site to another.

State agencies should refer to SAM Section 0774 "Travel and Related Reimbursement of Persons Not State Employees", when transportation and per diem costs are to be reimbursed by the State.

Local government agencies will pay travel and per diem expenses according to their statutory requirements.

LIQUIDATED DAMAGES FOR LATE DELIVERY

The value of the liquidated damages cannot be a penalty, must be mutually agreed upon by agency and contractor and included in the purchase order to be applicable.

ACCEPTANCE TESTING CRITERIA

If the agency wants to include acceptance testing for all newly installed technology systems, and individual equipment, and machines which are added or field modified (modification of a machine from one model to another) after a successful performance period, the test criteria must be included in the purchase order to be applicable.

AMERICANS WITH DISABILITY ACT (ADA)

**DATE:** April 12, 2016  
**TO:** Board of Trustees  
**FROM:** Robert Pletka, Ed.D., District Superintendent  
**PREPARED BY:** Carmen Serna, Executive Assistant to the Superintendent  
**SUBJECT:** **APPROVE NAME CHANGE FOR LADERA VISTA JUNIOR HIGH SCHOOL TO LADERA VISTA JUNIOR HIGH SCHOOL OF THE ARTS EFFECTIVE JULY 1, 2016**

Background: Ladera Vista has requested that the school name be changed to Ladera Vista Junior High School of the Arts. The school is known as a center for arts and creativity, and for many years had a strong FAME (Fine Arts Magnet Education) Program which supported approximately 180 students with arts-infused academics. Three years ago, the staff shared their desire to expand that program schoolwide and become a School of the Arts.

In three short years, Ladera Vista has been transformed into a nationally recognized Exemplary School of the Arts, one of eight Junior High Schools in the country with this designation. All teachers have been trained in infusing visual and performing arts across all content areas, the school offers 32 arts-based electives, and enrollment has grown from 745 in 2013 to 882 in 2016, with projected growth of almost 100 students for the 2016-17 school year. The school draws a large number of Interdistrict transfers, with students from surrounding cities attending Ladera Vista as a school of choice.

Rationale: The school has been going by the name Ladera Vista Junior High School of the Arts for several years and would like to formalize that name with the California Department of Education. This name change will ensure sustainability and acknowledge the outstanding programs and practices in place at Ladera Vista Junior High School of the Arts.

Funding: Not applicable.

Recommendation: Approve name change for Ladera Vista Junior High School to Ladera Vista Junior High School of the Arts effective July 1, 2016.

DISCUSSION/ACTION ITEM

**DATE:** April 12, 2016

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**PREPARED BY:** Rachel Grantham, Financial Analyst

**SUBJECT:** **ADOPT RESOLUTION #15/16-19 AUTHORIZING THE IMPOSITION AND COLLECTION OF INCREASED DEVELOPER FEES ON NEW RESIDENTIAL AND COMMERCIAL/INDUSTRIAL CONSTRUCTION**

Background: In January 2016, the State Allocation Board (SAB) approved an increase in the amount that a school district can charge for mitigating the impact of new residential development on the school district's facilities. The increase allows a fee of \$3.48 per square foot of assessable space on residential property (developer fees). Since the Fullerton School District is not a K-12 district, this amount is shared with the Fullerton Joint Union High School District, and the District's share will be 2/3 or \$2.32 per square foot. The increase also allows a fee of \$0.56 per square foot of commercial/industrial construction of which the District's share will be \$0.37 per square foot.

The need for the above-stated fee increase is supported by a study entitled *Fullerton School District School Fee Justification Study*. The study has been available for public review for the required period of time, and notice of the public hearing, which must be held prior to the adoption of Resolution #15/16-19, was published twice, as required by law.

After the public hearing, staff recommends the Board adopt Resolution #15/16-19. The new fees would become effective in sixty (60) days.

Rationale: School districts collect developer fees based upon the rates approved by the SAB. These rates need to be revised when the SAB increases them and when justified by a mitigation study. In order to retain eligibility for future State school construction and modernization funding, the District must assess maximum fees as allowed by the SAB. Additionally, in order to fulfill our contractual requirement to the Fullerton Joint Union High School District, the District must also assess maximum fees.

Funding: There is no cost to the District to raise the fees.

Recommendation: Adopt Resolution #15/16-19 authorizing the imposition and collection of increased developer fees on new residential and commercial/industrial construction.

### RESOLUTION OF THE BOARD OF TRUSTEES OF THE FULLERTON SCHOOL DISTRICT APPROVING AN INCREASE IN STATUTORY SCHOOL FEES IMPOSED ON NEW RESIDENTIAL AND COMMERCIAL/INDUSTRIAL CONSTRUCTION PURSUANT TO EDUCATION CODE SECTION 17620 AND GOVERNMENT CODE SECTION 65995

**WHEREAS**, the Board of Trustees (“Board”) of the Fullerton School District (“District”) provides for the educational needs for Grade K-8 students; and

**WHEREAS**, on February 24, 2016, the State Allocation Board (“SAB”) authorized an adjustment in the statutory school fee amounts for unified school districts pursuant to Government Code Section 65995(b)(3) to Three and 48/100 Dollars (\$3.48) per square foot for assessable space of new residential construction (“Residential Statutory School Fees”) and Fifty-six Cents (\$0.56) per square foot of chargeable covered and enclosed space for the categories of new commercial/industrial construction (“Commercial/Industrial Fees” and collectively “Statutory School Fees”), as long as such increases are properly justified by the District pursuant to law; and

**WHEREAS**, the District pursuant to Education Code Section 17623(a) entered into a fee sharing agreement (“Fee Sharing Agreement”) with the Fullerton Joint Union High School District (“FJUHSD”), which provides for the educational needs of students in the same jurisdictional boundaries as the District. The Fee Sharing Agreement specifies the allocation of Statutory School Fees that may be charged and collected by the District, and said agreement allows the District to charge and collect an amount approximately two-thirds (66.67%) to the District and approximately one-third (33.33%) to FJUHSD; and

**WHEREAS**, new residential and commercial/industrial construction continues to generate additional students for the District’s schools and the District is required to provide school facilities (“School Facilities”) to accommodate those students; and

**WHEREAS**, the District does not have sufficient funds available for the construction or reconstruction of the School Facilities, including construction of permanent School Facilities and acquisition of interim School Facilities, to accommodate students from new residential and commercial/industrial construction; and

**WHEREAS**, the Board has received and considered a report entitled, School Fee Justification Study (“Study”), which includes information, documentation, and analysis of the School Facilities needs of the District, including: (a) the purpose of the Applicable Statutory School Fees; (b) the use to which the Applicable Statutory School Fees are to be put; (c) the nexus (roughly proportional and reasonable relationship) between the residential and commercial/industrial construction and (1) the use for Applicable Statutory School Fees, (2) the need for School Facilities, (3) the cost of School Facilities and the amount of Applicable Statutory School Fees from new residential and commercial/industrial construction; (d) a determination of the impact of the increased number of employees anticipated to result from the commercial/industrial construction (by category) upon the cost of providing School Facilities within the District; (e) an evaluation and projection of the number of students that will be generated by new residential construction; (f) the new School Facilities that will be required to serve such students; and (g) the cost of such School Facilities; and

**WHEREAS**, the Study pertaining to the Statutory School Fees and to the capital facilities needs of the District has been available to the public for at least ten (10) days before the Board considered at a regularly scheduled public meeting the increase in the Statutory School Fees; and

**WHEREAS**, all notices of the proposed increase in the Statutory School Fees have been given in accordance with applicable law; and

**WHEREAS**, a public hearing was duly held at a regularly scheduled meeting of the Board relating to the proposed increase in the Statutory School Fees on April 12, 2016; and

**WHEREAS**, as to the Statutory School Fees, Education Code Section 17621 provides that the adoption, increase or imposition of any fee, charge, dedication, or other requirement, pursuant to Education Code Section 17620 shall not be subject to the California Environmental Quality Act, Division 13 (commencing with Section 21000) of the Public Resources Code.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE FULLERTON SCHOOL DISTRICT AS FOLLOWS:**

**Section 1.** That the Board accepts and adopts the Study.

**Section 2.** That the Board finds that the purpose of the Statutory School Fees imposed upon new residential construction are to fund the additional School Facilities required to serve the students generated by the new residential construction upon which the Statutory School Fees are imposed.

**Section 3.** That the Board finds that the Statutory School Fees imposed on new residential construction will be used only to finance those School Facilities described in the Study and related documents, and that these School Facilities are required to serve the students generated by the new residential construction within the District; and that the use of the Statutory School Fees will include construction of additional School Facilities, remodeling existing School Facilities to add additional classrooms and technology, and acquiring and installing additional portable classrooms and related School Facilities, remodeling of existing School Facilities, and additional portables to be determined based on the residence of the students being generated by such new residential construction, as well as any required central administrative and support facilities, within the District.

**Section 4.** That the Board finds that there is a roughly proportional, reasonable relationship between the use of the Statutory School Fees and the new residential construction within the District because the Statutory School Fees imposed on new residential construction by this Resolution will be used to fund School Facilities that will be used to serve the students generated by such new residential construction.

**Section 5.** That the Board finds that there is a roughly proportional, reasonable relationship between the new residential construction upon which the Statutory School Fees are imposed, and the need for the construction or reconstruction of School Facilities in the District because new students will be generated from new residential construction within the District and these students cannot be housed by the District without causing the District to incur additional costs to construct School Facilities and/or reconstruct existing School Facilities.

**Section 6.** That the Board finds that the amount of the Statutory School Fees imposed on new residential construction as set forth in this Resolution is roughly proportional and reasonably related to, and does not exceed the cost of, providing the School Facilities required to serve the students generated by such new residential construction within the District.

**Section 7.** That the Board finds that the purpose of the Statutory School Fees imposed on new commercial/industrial construction is to fund the additional School Facilities required to serve the students generated by the new commercial/industrial construction upon which the Commercial/Industrial Fees are imposed.

**Section 8.** That the Board finds that the Statutory School Fees imposed on new commercial/industrial construction (by category) will be used only to finance those School Facilities described in the Study and related documents and that these School Facilities are required to serve the students generated by such new commercial/industrial construction; and that the use of the Statutory School Fees will include construction of additional School Facilities, remodeling existing School Facilities to add additional classrooms and technology, and acquiring and installing additional portable classrooms and related facilities, with the specific location of new schools, remodeling of existing School Facilities, and additional portables to be determined based on the residence of the students being generated by such new commercial/ industrial construction, as well as any required central administrative and support facilities within the District.

**Section 9.** That the Board finds that there is a roughly proportional, reasonable relationship between the use of the Statutory School Fees and new commercial/industrial construction by category within the District because the Statutory School Fees imposed on commercial/industrial construction by this Resolution will be used to fund School Facilities which will be used to serve the students generated by such new commercial/industrial construction.

**Section 10.** That the Board finds that there is a roughly proportional, reasonable relationship between the new commercial/industrial construction by category, upon which the Statutory School Fees are imposed, and the need for additional School Facilities in the District because new students will be generated from new commercial/industrial construction within the District and the District does not have student capacity in the existing School Facilities to accommodate these students.

**Section 11.** That the Board finds that the amount of the Statutory School Fees imposed on new commercial/industrial construction by category as set forth in this Resolution is roughly proportional and reasonably related to and does not exceed the cost of providing the School Facilities required to serve the students generated by such new commercial/industrial construction within the District.

**Section 12.** That the Board finds that a separate fund ("Fund") of the District and two or more sub-funds ("Sub-Funds") have been created or are authorized to be established for all monies received by the District for the deposit of Statutory School Fees and mitigation payments ("Mitigation Payments") imposed on construction within the District and that said Fund and Sub-Funds at all times have been separately maintained, except for temporary investments, with other funds of the District as authorized by law.

**Section 13.** That the Board finds that the monies of the separate Fund or the separate Sub-Funds described in Section 12, consisting of the proceeds of Statutory School Fees and Mitigation Payments have been imposed for the purposes of constructing and reconstructing those School Facilities necessitated by new residential and/or commercial/industrial construction, and thus, these monies may be expended for all those purposes permitted by applicable law. The Statutory School Fees may also be expended by the District for the costs of performing any study or otherwise making the findings and determinations required under subdivisions (a), (b) and (d) of Section 66001 of the Government Code. In addition, the District may also retain, as appropriate, an amount not to exceed in any fiscal year, three percent (3%) of the fees collected in that fiscal year pursuant to Education Code Section 17620 for reimbursement of the administrative costs incurred by the District in collecting the Statutory School Fees.

**Section 14.** That the Board is hereby justified in levying the Statutory School Fees as a condition of approval of new residential development projects and imposes the Statutory School Fees on such development projects in the following amounts, which shall be adjusted pursuant to the Fee Sharing Agreement:

- a. Two and 32/100 Dollars (\$2.32) per square foot of assessable space for new residential construction, including new residential projects, manufactured homes and mobile homes as authorized under Education Code Section 17625, and including residential construction or reconstruction other than new construction where such construction or reconstruction results in an increase of assessable space, as defined in Government Code Section 65995, in excess of five hundred (500) square feet.
- b. Thirty-seven Cents (\$0.37) per square foot of assessable space, for new residential construction used exclusively for the housing of senior citizens, as described in Section 51.3 of the Civil Code or as described in subdivision (k) of Section 1596.2 of the Health and Safety Code or a multi-level facility as described in paragraph 9 of subdivision (d) of Government Code Section 15432 or any mobile home or manufactured home that is located within a mobile home park, subdivision, cooperative or condominium for mobile homes limited to older persons as defined by the Federal Fair Housing Amendments of 1988.

**Section 15.** That this Board is hereby justified in levying the Statutory School Fees as a condition of approval of new commercial/industrial construction projects and levies the Statutory School

Fees on such development projects in the amount of Thirty-seven Cents (\$0.37) per square foot of chargeable covered and enclosed space for all categories of commercial/industrial construction,, except for properties that are classified as rental self-storage properties, the maximum applicable Statutory School Fees that may be levied on such development projects on a per square foot of chargeable covered and enclosed space is Three Cents (\$0.03).

**Section 16.** That the proceeds of the Statutory School Fees established pursuant to this Resolution shall continue to be deposited into those Sub-Funds of the Funds identified in Section 12 of this Resolution, the proceeds of which shall be used exclusively for the purpose for which the Statutory School Fees are to be collected, including, as to Statutory School Fees, accomplishing any study, findings or determinations required by subdivisions (a), (b) and (d) of Section 66001 of the Government Code, or retaining an amount not to exceed in any fiscal year, three percent (3%) of the fees collected in that fiscal year pursuant to Education Code Section 17620 for reimbursement of the administrative costs incurred by the District in collecting the Statutory School Fees or in financing the described Study or in defending the imposition of Statutory School Fees.

**Section 17.** That the District's Superintendent, or designee, is directed to cause a copy of this Resolution to be delivered to the building officials of the City of Fullerton (the "City") and the Office of Statewide Health Planning and Development ("OSHPD") along with a copy of all the supporting documentation referenced herein and a map of the District clearly indicating the boundaries thereof, advising the City and the OSHPD that new residential and commercial/ industrial construction is subject to the Statutory School Fees changed pursuant to this Resolution and requesting that no building permit or approval for occupancy be issued by any of these entities for any new residential development project, mobile home or manufactured home subject to the Statutory School Fees absent a certification of compliance ("Certificate of Compliance") from the District demonstrating compliance of such project with the requirements of the Statutory School Fees, nor that any building permit be issued for any nonresidential construction absent a certification from this District of compliance with the requirements of the applicable Statutory School Fees.

**Section 18.** That the Board hereby establishes a process that permits the party against whom the Commercial/Industrial Fees are imposed the opportunity for a hearing to appeal that imposition of Commercial/Industrial Fees for commercial/industrial construction as stated in Education Code Section 17621(e)(2).

**Section 19.** That the Superintendent is authorized to cause a Certificate of Compliance to be issued for each development project, mobile home and manufactured home for which there is compliance with the requirement for payment of the Statutory School Fees in the amounts specified by this Resolution. In the event a Certificate of Compliance is issued for the payment of Statutory School Fees for a development project, mobile home or manufactured home and it is later determined that the statement or other representation made by an authorized party concerning the development project as to square footage is untrue or in the event the zoning is declared invalid, then such Certificate of Compliance shall automatically terminate, and the City or OSHPD shall be so notified.

**Section 20.** That no statement or provision set forth in this Resolution, or referred to therein shall be construed to repeal any preexisting fee or mitigation amount previously imposed by the District on any residential or nonresidential construction.

**Section 21.** That if any portion or provision hereof is held invalid, the remainder hereof is intended to be and shall remain valid.

**Section 22.** That the change in the District's Statutory School Fees will become effective sixty (60) days from the date of this Resolution unless a separate resolution increasing the fees immediately on an urgency basis is adopted by the Board.

### **Filing a Complaint with the Fullerton School District**

Except for Williams Complaints regarding instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of pupils or staff, and teacher vacancies or misassignments, and complaints that allege discrimination, harassment, intimidation, and bullying, any individual, public agency or organization may file a written complaint with the District Superintendent or his or her designee alleging a matter which, if true, would constitute a violation by the District of federal or State law or regulation governing a program.

An investigation of alleged unlawful discrimination, harassment, intimidation, and bullying shall be initiated by filing a complaint no later than six months from the date the alleged discrimination, harassment, intimidation, or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, and bullying. The time for filing may be extended in writing by the District Superintendent or his or her designee, upon written request by the complainant setting forth the reasons for the extension. The period for filing may be extended by the Superintendent or his or her designee for good cause for a period not to exceed 90 calendar days following the expiration of the six-month time period. The Superintendent shall respond immediately upon a receipt of a request for extension.

The complaint shall be filed by one who alleges that he or she has personally suffered unlawful discrimination, harassment, intimidation, and bullying or by one who believes an individual or any specific class of individuals has been subjected to discrimination, harassment, intimidation, and bullying prohibited by this part.

An investigation of a discrimination, harassment, intimidation, and bullying complaint shall be conducted in a manner that protects confidentiality of the parties and maintains the integrity of the process.

Except for Williams Complaints, within 60 calendar days from the date of the receipt of the complaint, the District shall conduct and complete an investigation of the complaint in accordance with this policy and prepare a written decision; also known as a final report. This time period may be extended by written agreement of the complainant.

The investigation shall include an opportunity for the complainant, or the complainant's representative, or both, to present the complaint(s) and evidence or information leading to evidence to support the allegations of non-compliance with State and federal laws and/or regulations.

Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

Refusal by Fullerton School District to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

The District shall issue a decision based on the evidence. The decision shall be in writing and sent to the complainant within 60 calendar days from receipt of the complaint by the District. The decision shall contain:

- (i) the findings of fact based on the evidence gathered,
- (ii) conclusion of law,
- (iii) disposition of the complaint,
- (iv) the rationale for such disposition,
- (v) corrective actions, if any are warranted,
- (vi) notice of the complainant's right to appeal the District's decision to the CDE, and
- (vii) procedures to be followed for initiating an appeal to the CDE.

Nothing in this document shall prohibit anyone involved in the complaint from utilizing alternative methods to resolve the allegations, such as mediation. Nor are we prohibited from resolving complaints prior to the formal filing of a written complaint. Mediation is a problem solving activity whereby a third party assists the parties to the dispute in resolving the complaint.

CONSENT ITEM

**DATE:** May 10, 2016

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

CONSENT ITEM

**DATE:** May 10, 2016

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Craig C. Bertsch, Ed.D., Assistant Superintendent, Personnel Services

**SUBJECT:** APPROVE DECLARATION OF NEED FOR FULLY QUALIFIED EDUCATORS FOR THE 2016/2017 SCHOOL YEAR

Background: As of 1996, a “Declaration of Need for Fully Qualified Educators” must be completed and adopted yearly based on the anticipated need for the subsequent school year. This Declaration must be Board adopted and submitted to the Commission on Teacher Credentialing before any alternate credentials may be processed.

The Fullerton School District has the following general needs that may be met through the emergency credential process:

- Classroom teachers to meet authorization for instruction to limited English proficient students per Williams Lawsuit in schools ranked in deciles 1-3.
- All core academic subject teachers to become NCLB compliant.
- Filling preschool, special education positions for which a specialist credential is required.
- Filling special education positions to allow these educators time to meet new requirements for special authorizations.
- Filling junior high positions for which qualified teachers are difficult to find, including but not limited to foreign language, science, math, English language learners.
- Obtaining certification for those teachers, who, because of scheduling needs, teach one or two periods outside their credentialed area, i.e., five periods of language arts and one period of physical education.
- Filling positions with teachers from out of state or private schools to allow these educators additional time to complete California credentialing requirements.

Rationale: The Board of Trustees is required to adopt the “Declaration of Need for Fully Qualified Educators” at a public meeting certifying that there may be an insufficient number of certificated persons who meet the District’s specific employment criteria for identified positions. The completed Declaration is filed with the Commission on Teacher Credentialing and permits the District to obtain short-term certifications as needed during the school year.

Funding: Not applicable.

Recommendation: Approve Declaration of Need for Fully Qualified Educators for the 2016/2017 school year.

18. Non-Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

**PREPARED BY:** Robert Macauley, Director, Maintenance/Operations & Facilities

**SUBJECT:** **AWARD CONTRACT FSD-15-16-CF-02 TO WCCR CONSTRUCTION FOR LAGUNA ROAD ELEMENTARY SCHOOL PLAY APPARATUS REPLACEMENT**

Background: In accordance with the California Contract Code, advertisement for this project was published in a newspaper of general circulation. Five contractors submitted bids on April 20, 2016. The successful low bidder was WCCR Construction, with a bid of \$234,000.

Rationale: Due to the deterioration and conditions of playground apparatus at Laguna Road School, the playground apparatus renovation is needed to correct those conditions. Pour-in-place will be included in the playground area.

Pursuant to Public Contract Code section 20111(b), the current bid threshold for public agency construction contracts is \$15,000. The estimated cost of the project, including soft costs and contingency, is in excess of the current bid limit. Therefore, the District went out to bid for the contract.

Funding: The contract amount is \$234,000, and is to be paid from the Capital Facilities Fund.

Recommendation: Award Contract FSD-15-16-CF-02 to WCCR Construction for Laguna Road Elementary School play apparatus replacement.

**SUBJECT:** REJECT ALL BIDS FOR PARKS JUNIOR HIGH SCHOOL 2016 INTERIM HOUSING, FSD-15-16-RD-01

Background: The Fullerton School District advertised for bids for Parks Junior High School 2016 Interim Housing, FSD-15-16-RD-01. Six (6) contractors attended a mandatory job walk on April 19, 2016, and one (1) contractor submitted a bid on May 4, 2016. Oceanstate Development Inc. submitted a bid of \$2,643,620. The District's anticipated budget for the project was \$350,000.

Rationale: District staff recommends rejecting the bid. Public Contract Code stipulates that the contract shall be let to the lowest responsible bidder who shall give security, as the Board requires, or else reject all bids. Staff recommends the Board reject the bid based on the significant difference between the anticipated cost of the project and the amount of the bid.

Funding: Not applicable.

Your order is not effective until accepted by us. Upon your acceptance as an end-user/subscriber, Vantage grants to you a non-exclusive, non-transferable, limited authority to access and use Services on an individual subscription basis by use of a special username and password ("entry key") to be issued by Vantage and that shall be used only for purposes consistent with this Agreement and the pedagogic or other business nature and objectives for which Services were developed and procured. The entry key is Vantage confidential information as defined within this Agreement and should not be used for any purpose inconsistent with the terms and conditions of this Agreement or the technology itself. A subscription does not grant you any rights to use Vantage proprietary interfaces and other intellectual property in the design, development, manufacture, licensing or distribution of third party products, applications, devices, materials and accessories for use with the Service or other Vantage technologies. Some of those rights may be available under a separate agreement from Vantage Associates. For more information, please contact Vantage.

**You may not share or otherwise divulge the entry key assigned to you to any other person.** Doing so will invalidate your subscription and may subject you to civil penalties. This subscription will terminate at the end of the service term shown on the Vantage Purchase Order you received after subscription (receipt), subscription agreement or contract between you or the entity with which you are associated or employed (if not purchased individually) and Vantage. The typical subscription service period runs for one (1) year from date of purchase.

Only valid and paid-up subscribers have authority to access and use Services exclusively for personal use.** A subscriber may use Services only for the time period for which subscription has been authorized by Vantage. **Exhibit to the AVID College Readiness System Services and Products Agreement for AVID District Leadership Training**

As per AVID District Leadership (or "ADL") Training being listed on an approved Quote, this Exhibit to the AVID College Readiness System Services and Products Agreement for AVID District Leadership Training ("AVID District Leadership Training Exhibit") is hereby fully incorporated into the Agreement by and between AVID Center and the Client named on the Quote. The following terms and conditions are in addition to the Standard Terms and Conditions; in the event of a conflict between the Standard Terms and Conditions and this Exhibit, the terms and conditions of this Exhibit shall apply.

**Article I. ADL Training**

**1.1 ADL Training:** AVID provides AVID District Leadership (ADL) Training as part of the ADL fee. ADL Training sessions are designed to prepare and support the AVID District Director. The five sessions are taken in sequential order over a two year period at various facilities throughout the country (the Client should periodically check [www.avid.org](http://www.avid.org) for listings). The District Director is to maintain a portfolio and additionally participate in online and web-hosted meetings coordinated by AVID Center. ADL Training is for district-level personnel responsible for start-up and quality assurance of the AVID College Readiness System as described above. ADL includes small-group trainings which consist of AVID methodologies, understanding the role and responsibilities of the District Director; and learning about our online resources, data collection, certification, and continued professional learning.

The ADL Training Schedule is split into two years as follows:

	Training Level	Time
Year 1:	Summer Institute/Session 1	3 days, summer
	Session 2	3 days, fall
	Session 3	3 days, spring
Year 2:	Summer Institute/Session 4	3 days, summer
	Session 5	3 days, fall

**1.2 Summer Institute:** The District Director leads the district's AVID site team facilitation at the AVID Summer Institute. The District Director may attend any additional Summer Institutes other than when they attend for Sessions 1 and 4 as part of their ongoing training; therefore, any such Summer Institute registration fee for the District Director is included in the total ADL price.

**1.3 Materials:** After attending ADL Session 1, the District Director will be provided with a sample set of all Elementary, Middle Level and High School curriculum, materials, binders, CDs, and supplemental materials needed for district support.

**1.4 AVID National Office & Divisional Support:** AVID Center will provide support from our national office and divisional/state offices. This support will consist of phone calls, emails, and district visits at the discretion of AVID Center.

**Article II. Term of Exhibit**

**FROM:** Jay McPhail, Assistant Superintendent of Innovation and Instructional Support

**SUBJECT:** **APPROVE AMENDMENT #2 OF THE INTERNET NETWORK SUPPORT SERVICES AGREEMENT WITH ORANGE COUNTY SUPERINTENDENT OF SCHOOLS/ORANGE COUNTY DEPARTMENT OF EDUCATION (OCDE) EXTENDING THE CURRENT AGREEMENT BY ONE YEAR (AGREEMENT NUMBER 40344) BEGINNING JULY 1, 2016 THROUGH JUNE 30, 2017**

Background: Fullerton School District (FSD) contracts with Orange County Department of Education (OCDE) to provide Internet service. This Agreement addresses access to the Internet through OCDE to the K-12 High Speed Network. The Fullerton School District signed an annual agreement for this service.

Rationale: This Amendment extends the current contract by one year that terminates the end of the fiscal year ending June 30, 2017.

Funding: The annual cost of this service is covered in the State budget, so there is no charge to FSD. To date the District has never been charged for this service. If this item is removed from the State budget, the Fullerton School District could eventually be charged for Internet access. This amount would be a metered rate and would be paid from the Unrestricted General Fund.

Recommendation: Approve Amendment #2 of the Internet Network Support Services Agreement with Orange County Superintendent of Schools/Orange County Department of Education (OCDE) extending the current Agreement by one year (Agreement Number 40344) beginning July 1, 2016 through June 30 2017.

CONSENT ITEM

**DATE:** May 10, 2016  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Jay McPhail, Assistant Superintendent of Innovation & Instructional Support  
**SUBJECT:** APPROVE APPLE DIRECT CUSTOMER AGREEMENT RENEWAL

Background: On the advice of County Counsel, the District retained an expert consultant to research and provide documentation regarding the sole source nature of Apple Inc. brand products. On May 13, 2014 the board approved the use of Sole Source Vendor for the procurement of non-windows based computer products, declaring Apple Inc. the sole source supplier for unique equipment and operating systems. Apple has requested a Direct Customer Agreement. The Fullerton School District regularly purchases from Apple Inc. to support the instructional programs and data systems of the District. The Agreement provides the terms and conditions for ordering, educational pricing, warranty, and delivery. The initial term of the agreement will be through March 31, 2016, and will automatically renew for successive 12-month periods unless either party provides a written notice not to renew.

Rationale: Our current Common Core Expenditure Plan and Board of Trustee Goals designate the use of educational technology as part of the instructional program and delivery systems for teaching and learning. This Agreement will support buying necessary educational products from Apple Inc.

Funding: There is no cost for approving the Apple Direct Customer Agreement.

Prices include standard freight and insurance using an Apple-selected carrier. Apple does not guarantee that the Products will be available at all times during the Term. Apple reserves the right to accept or decline any order, in whole or in part. Before cancelling an accepted order prior to shipment due to insufficient inventory, Apple will make reasonable efforts to contact Customer to determine if Customer wishes to convert such order to new product that may be available to replace the insufficient inventory. Apple may make partial shipments of Customer's orders and will not be liable for any failure to ship complete orders. Customer will be invoiced separately for each partial shipment and will pay each invoice when due, without regard to subsequent deliveries. When shipping Products via a carrier chosen by Customer, Apple will not issue credits or

replace Products returned due to loss or damage in transit. Shipping charges for orders shipped under Customer's instructions will be added to Apple's invoice or shipped freight collect, at Apple's option.

**2.5 Payment.** Customer shall be invoiced upon shipment of Products or performance of Services (as applicable), and provided Customer is qualified for credit with Apple, payment of such invoice is due no later than 30 days from the invoice date. All applicable local sales or use taxes, duties and other imposts, if any, due on account of purchases hereunder shall be paid by Customer. Proof of tax-exempt status must be on file at Apple's Support Center for any order to be treated as a tax-exempt transaction. Apple will also charge for any fees due from Customer by regulation or statute, including, if applicable, fees due under the California Electronic Waste Recycling Act or similar laws in other states. Apple reserves the right to change the Authorized Apple Price Lists and Customer's credit terms at any time. In addition to Apple's other rights herein, Apple reserves the right, without liability or obligation to Customer, to suspend deliveries due to a payment default.

**2.6 Product Returns.** Products purchased hereunder shall be subject to Apple's then-current policies for defective and dead-on-arrival (DOA) Products.

**2.7 Support.** Apple will provide post-sales support for Apple Products as described in the documentation accompanying such Apple Products. Apple will not provide support for any Products other than Apple Products.

**3. Confidential Information.** Neither party will use the other's Confidential Information except as required to perform its obligations under this Agreement and will not disclose such Confidential Information except to employees, agents or contractors who have a need to know or as required by law. Neither party will make any disclosure or statement of Confidential Information in connection with this Agreement or its subject matter without the other's prior written consent or as required by law. If Customer is a public agency or institution, this provision will apply only to the extent of applicable law governing Customer's disclosure obligations.

#### **4. Representations and Warranties.**

**4.1 Representations and Warranties.** Customer represents and warrants that: (i) it has the right to enter into this Agreement and perform its obligations hereunder; (ii) the terms of this Agreement do not violate and will not cause a breach of the terms of any other agreement to which Customer is a party or by which it is bound; and (iii) all Products purchased will be for Customer's own use in its facilities in the United States and will not be purchased for resale to any other entity or individual.

**4.2 Apple Limited Warranty.** The sole warranty for an Apple Product purchased hereunder shall be the Limited Warranty. Except for the Limited Warranty, all Apple

Products are sold "as is" and without additional warranty or support from Apple. All Products, other than Apple Products, are sold "as is" and without warranty or support from Apple, but may be accompanied by a manufacturer's warranty, as more particularly provided in the warranty documentation that accompanies such Products. Upon Customer's request, Apple will provide a copy of the manufacturer's warranty accompanying Products offered by Apple under this Agreement. Nothing in this Agreement shall be construed as obligating Apple to provide any warranty-related fulfillment or support for any Products, other than Apple Products.

#### **4.3 Disclaimer.**

**4.3.1** EXCEPT FOR THE LIMITED WARRANTY, APPLE MAKES NO WARRANTIES, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS OR SERVICES, AND TO THE MAXIMUM EXTENT PROVIDED BY LAW, APPLE HEREBY DISCLAIMS SUCH WARRANTIES, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

**4.3.2** APPLE PRODUCTS ARE NOT INTENDED OR SUITABLE FOR USE IN SITUATIONS OR ENVIRONMENTS WHERE THE FAILURE OR TIME DELAYS OF, OR ERRORS OR INACCURACIES IN, THE CONTENT, DATA OR INFORMATION PROVIDED BY APPLE PRODUCTS COULD LEAD TO DEATH, PERSONAL INJURY, OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE, INCLUDING WITHOUT LIMITATION THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION OR COMMUNICATIONS SYSTEMS, AIR TRAFFIC CONTROL, LIFE SUPPORT OR WEAPONS SYSTEMS.

#### **5. Indemnity.**

**5.1 Indemnity.** Subject to the exceptions in this Section 5.1 and the terms of Section 5.2 below, Apple will defend any proceeding or action brought by a third party against Customer to the extent based on a claim that: (i) an Apple Product that Customer has paid to acquire from Apple infringes a U.S. patent, copyright, trademark or trade secret; or (ii) personal injury or tangible property damage suffered by such third party was caused by Apple's gross negligence or willful misconduct during the performance of Services. Notwithstanding anything to the contrary, Apple is not liable to defend or be responsible for any claims or damages arising out of or related to: (a) modification of any Apple Product; (b) combination, operation or use of any Apple Product with non-Apple branded Products or other programs, data or documentation; (c) Customer's violation of any import or export control requirements, regulations and laws; (d) Customer's use or exportation of any Products into any countries identified on any U.S. Government embargoed countries list; (e) use of any Apple Product in a manner not authorized under the applicable license terms; (f) any other Products; or (g) Customer's, its agents, employees or contractors' negligent acts or omissions. THE ABOVE IS CUSTOMER'S

SOLE AND EXCLUSIVE REMEDY AND APPLE'S ENTIRE LIABILITY FOR ALL SUCH CLAIMS.

**5.2 Notice and Defense Conditions.** Customer shall promptly notify Apple, in writing, of any claim, demand, proceeding or suit of which Customer becomes aware which may give rise to a right of defense under Section 5.1 ("Claim"). Notice of any Claim that is a legal proceeding, by suit or otherwise, must be provided to Apple within 30 days of Customer's first learning of such proceeding. Notice must be in writing and include an offer to tender the defense of the Claim to Apple. Apple, if it accepts such tender, may take over sole control of the defense of the Claim. That control includes the right to take any and all actions deemed appropriate by Apple in its sole discretion to resolve the Claim by settlement or compromise. Upon Apple's acceptance of tender, Customer will cooperate with Apple with respect to such defense and settlement. If a Claim is settled and to the extent permitted by law, neither party will publicize the settlement and will make every effort to ensure the settlement agreement contains a non-disclosure provision.

**5.3 Mitigation.** In the event of a Claim, Apple will be entitled (but not obligated), at its sole option, to: (i) procure for Customer the right to continue use of the applicable Apple Product(s); (ii) replace the applicable Apple Product(s); (iii) modify the applicable Apple Product(s); or (iv) refund the amount paid by Customer to Apple for the applicable Apple Product, less depreciation.

**6. Limitation of Liability.**

6.1 NOTWITHSTANDING ANYTHING TO THE CONTRARY, IN NO EVENT SHALL APPLE BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL, INDIRECT, PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING, WITHOUT LIMITATION, CLAIMS FOR LOST PROFITS, LOSS OF DATA, INTERRUPTION OF USE OR COST OF SUBSTITUTE GOODS OR SERVICES), WHETHER AS A RESULT OF BREACH OF CONTRACT, TORT, STRICT LIABILITY, STATUTE OR OTHERWISE EVEN IF APPLE IS AWARE OF THE POSSIBILITY OF SUCH DAMAGES. NOTWITHSTANDING ANYTHING TO THE CONTRARY, TO THE EXTENT PERMITTED BY APPLICABLE LAW, APPLE'S MAXIMUM AGGREGATE LIABILITY FOR ANY AND ALL CLAIMS AND DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER ARISING IN CONTRACT, TORT, STRICT LIABILITY, STATUTE OR OTHERWISE, SHALL NOT EXCEED \$300,000.

6.2 THE ABOVE LIMITS OF LIABILITY ARE EXCLUSIVE AS TO ALL REMEDIES AND THE LIABILITY CAP SHALL NOT BE INCREASED UNDER ANY CIRCUMSTANCES. THE PARTIES AGREE THAT SECTIONS 4 - 6 REPRESENT THE BASIS OF THE BARGAIN AND A FAIR ALLOCATION OF RISK. THE REMEDIES SET FORTH IN THIS AGREEMENT WILL BE CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES FOR ANY CLAIM MADE AGAINST APPLE.

**7. Ownership.**

**7.1 Use of Name.** Neither party shall use the other's name, logo, trademarks or service marks in any advertising, communications or publications without the other party's prior written consent.

**7.2 Software.** Customer acknowledges that Products often contain not only hardware but also software, including but not limited to, operating systems and applications. Such software may be included in ROMs or other semiconductor chips embedded in hardware, or it may be contained separately on disks or on other media. Such software is proprietary, is copyrighted, and may also contain valuable trade secrets and is protected by patents. Customer, as an end user, is licensed to use any software contained in such Products, subject to the terms of the license accompanying the Products, if any, and the applicable patent, trademark, copyright, and other intellectual property, federal and state laws of the United States.

**7.3 Restrictions.** Unless Customer has obtained Apple's prior written consent, Customer, in addition to any obligations or restrictions set forth in any license, which may accompany a Product, shall not copy the software. Customer shall not disassemble, decompile, reverse engineer, copy, modify, create derivative works thereof or otherwise change any of the software or its form.

**8. Term and Termination.**

**8.1 Term.** Unless terminated earlier as provided in this Agreement, the initial term of this Agreement shall be from the date Apple signs it ("Effective Date") until the following March 31 ("Initial Term"). This Agreement shall automatically renew for successive 12-month periods (each a "Renewal Term"), unless either party provides written notice of its election not to renew at least 90 days prior to the end of the Initial Term or then-current Renewal Term. The Initial Term and all Renewal Terms are referred to as the "Term".

**8.2 Termination.** Either party may terminate this Agreement upon 30 days prior written notice if the other party has breached this Agreement and has failed to cure such breach within 30 days of the date of such notice. Either party may terminate this Agreement for any reason or no reason upon 30 days prior written notice. Sections 1, 2.5, 3 - 7, 8.2, and 9 -12 shall survive any termination or expiration of this Agreement. The parties agree that upon any notice of termination of this Agreement, the due date of all Apple invoices shall be accelerated so that they become immediately due and payable, and Customer will cease placing new orders.

**9. Export Compliance.** This Agreement is subject to all laws, regulations, orders or other limitations on the export and re export of commodities, technical data and software. Customer agrees that it will not export, re-export, resell or transfer any export-controlled commodity, technical data or software: (i) in violation of such limitations imposed by the United States or any other appropriate national government authority; or (ii) to any country for which an export license or other governmental approval is required at the time of export,

without first obtaining all necessary licenses and approvals, at Customer's sole cost and expense.

10. Notice. Any notice must be in writing and will be deemed given upon actual receipt after being sent by email, fax or commercial carrier to the following email, contracts@apple.com or address for Apple Inc., Attn: Sales Contracts Management, 1 Infinite Loop, MS 90-2CM, Cupertino, CA 95014, and to the address designated on the first page of this Agreement by Customer or as may be provided by the parties. Either party may give notice of its change of address for receipt of notices by giving notice in accordance with this Section 10.

11. Governing Law. If Customer is a public agency or institution, this Agreement will be governed by the laws of the state where Customer is located. If Customer is a private or corporate entity, this Agreement will be governed by the laws of the State of California, without regard to its conflict of laws provisions, and in the event of any action between the parties, venue shall be in the State of California.

12. General Terms. This Agreement may be executed in counterparts and each will be deemed an original. This Agreement contains the entire agreement between the parties regarding the purchase of Products from Apple and supersedes any other prior oral or written agreements. In the event of any conflict or inconsistency between the terms of this Agreement and any license

terms accompanying any Apple Product, such license terms shall control solely as to the Apple Product covered by those terms. Any different or additional provisions in purchase orders, invoices or similar documents issued by Customer are hereby deemed refused by Apple and such refused provisions will be unenforceable. Any modifications hereto must be in writing and signed by the parties. A waiver by any party of any breach will not constitute a waiver of any different or subsequent breach. If any part of this Agreement is invalid, illegal or unenforceable for any reason, that portion shall be replaced with a valid provision appropriate to the parties' original intent and the remainder shall be enforced. Neither party will be liable for failure to perform or delay in performing any obligation if such failure or delay is due to fire, flood, earthquake, strike, war, epidemic, embargo, blockade, legal prohibition, governmental action, riot or any other similar cause beyond that party's control. Customer may not assign this Agreement or any of its rights or duties without Apple's prior written consent. Any non-compliant assignment by Customer shall be null and void. Apple may assign this Agreement, in whole or in part, or any rights or obligations hereunder without Customer's consent. Each party represents that the person signing on behalf of such party has the authority to bind the party on whose behalf s/he is signing to this Agreement. WHEREAS, District is authorized by Section 53060 of the California Government Code to contract with and employ any persons for the furnishing of special services and advice in financial, economic, accounting, engineering, legal or administrative matters, if such persons are specially trained and experienced and competent to perform the special services required;

WHEREAS, District is in need of such special services and advice; and

WHEREAS, Contractor is specially trained and experienced and competent to perform the special services required by the District, and such services are needed on a limited basis;

NOW, THEREFORE, the parties agree as follows:

1. Services to be provided by Contractor: **Next Generation Science Standards and the 5 E Instructional Model.**

2. Term. Contractor shall commence providing services under this Agreement on **June 7, 2016.**

3. Compensation. District agrees to pay the Contractor for Services satisfactorily rendered pursuant to this Agreement a total fee not to exceed **Two Thousand Five Hundred Dollars (\$2500.00)**. Contractor shall submit a detailed invoice to District. Payment for Services will only be made if Services have been satisfactorily rendered under the terms of this Agreement.

4. Expenses. District shall not be liable to Contractor for any costs or expenses paid or incurred by Contractor in performing the Services for District, except as follows: **N/A.**

5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. Contractor understands and agrees that Contractor and all of Contractor's employees shall not be considered officers, employees or agents of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Workers' Compensation. Contractor assumes the full responsibility for the acts and/or omissions of Contractor's employees as they relate to the Services to be provided under this Agreement. Contractor shall assume full responsibility for payment of all federal, State and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor's employees.

6. Materials. Contractor shall furnish, at Contractor's own expense, all labor, materials, equipment, supplies and other items necessary to complete the Services to be provided pursuant to

this Agreement. Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of Contractor's profession.

7. Originality of Services/Intellectual Property. Contractor agrees that all technologies, formulae, procedures, processes, methods, and ideas prepared for and submitted by Contractor to the District in connection with the Services set forth in this Agreement, shall be wholly original to Contractor and shall not be copied in whole or in part from any other source, except that submitted to Contractor by District as a basis for such Services. Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by, District and shall not be copied or used in whole or in part by Contractor without District's express written permission. Contractor acknowledges and agrees that District shall have all right, title and interest in said Content, including the right to secure and maintain the copyright, trademark and/or patent of said Content in the name of the District.

8. Standard for Performance. The parties acknowledge that the District, in selecting the Contractor to perform the Services hereunder, is relying upon the Contractor's reputation for excellence in the performance of the Services required hereunder. Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include: (a) material violation of this Agreement by the Contractor; (b) any act by Contractor exposing the District to liability to others for personal injury or property damage; or (c) Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its Governing Board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

(b) Any injury to or death of any person(s), including the District's officers, employees and agents, or damage to or loss of any property, caused by any act, neglect, default, or omission of the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the Services covered by this Agreement, whether said injury or damage occurs either on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopyrighted matter or patented or unpatented invention under this Agreement.

11. Insurance. The Contractor, at Contractor's sole cost and expense, shall insure Contractor's activities in connection with the Services under this Agreement and shall obtain, keep in force, and maintain insurance as follows:

The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. Contractor agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to Contractor, Contractor's business, equipment and personnel engaged in the Services covered by this Agreement or accruing out of the performance of such Services.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non-Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

**SUBJECT:** **ADOPT RESOLUTION #15/16-20 REDUCING/ELIMINATING IDENTIFIED CLASSIFIED POSITIONS EFFECTIVE AUGUST 8, 2016**

Background: The formal layoff process, which begins with Board adoption of a resolution, is a traditional process that allows for staffing flexibility as funding sources and/or job tasks are eliminated, reduced, or transferred. Although Education Code 45114 requires adherence to this formal resolution and classified employee notification process, employees identified for layoff are usually transferred into comparable open positions as they become available at the start of a new school year. If an employee is not placed in a comparable position, he/she is allowed to exercise bumping rights and/or be placed on a 39-month reemployment list. If the employee agrees to placement into a position with fewer hours, another 24 months of reemployment rights are provided. This layoff has been initiated due to the reduction in funding and/or workload eliminating a 12-hour/week position at Richman School and reducing a position that is currently vacant from 25 hours/week to 15 hours/week at Orangethorpe School.

The Board of Trustees must approve a resolution of layoff prior to the implementation of staffing recommendations. Employee notification, bargaining unit negotiation and alternative placement, if necessary, will be made following Board approval. The positions identified for layoff are listed on the attached Resolution #15/16-20.

Funding: Not applicable.

Recommendation: Adopt Resolution #15/16-20 reducing/eliminating identified Classified positions effective August 8, 2016.

The Superintendent or designee shall ensure that the results are consistent with

state and federal laws and regulations.

In investigating complaints, the confidentiality of the parties involved and the integrity of the process shall be protected. ### **Filing a Complaint with the Fullerton School District**

Except for Williams Complaints regarding instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of pupils or staff, and teacher vacancies or misassignments, and complaints that allege discrimination, harassment, intimidation, and bullying, any individual, public agency or organization may file a written complaint with the District Superintendent or his or her designee alleging a matter which, if true, would constitute a violation by the District of federal or State law or regulation governing a program.

An investigation of alleged unlawful discrimination, harassment, intimidation, and bullying shall be initiated by filing a complaint no later than six months from the date the alleged discrimination, harassment, intimidation, or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, and bullying. The time for filing may be extended in writing by the District Superintendent or his or her designee, upon written request by the complainant setting forth the reasons for the extension. The period for filing may be extended by the Superintendent or his or her designee for good cause for a period not to exceed 90 calendar days following the expiration of the six-month time period. The Superintendent shall respond immediately upon a receipt of a request for extension.

The complaint shall be filed by one who alleges that he or she has personally suffered unlawful discrimination, harassment, intimidation, and bullying or by one who believes an individual or any specific class of individuals has been subjected to discrimination, harassment, intimidation, and bullying prohibited by this part.

An investigation of a discrimination, harassment, intimidation, and bullying complaint shall be conducted in a manner that protects confidentiality of the parties and maintains the integrity of the process.

Except for Williams Complaints, within 60 calendar days from the date of the receipt of the complaint, the District shall conduct and complete an investigation of the complaint in accordance with this policy and prepare a written decision; also known as a final report. This time period may be extended by written agreement of the complainant.

The investigation shall include an opportunity for the complainant, or the complainant's representative, or both, to present the complaint(s) and evidence or information leading to evidence to support the allegations of non-compliance with State and federal laws and/or regulations.

Refusal by the complainant to provide the investigator with documents or other evidence related to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

Refusal by Fullerton School District to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

The District shall issue a decision based on the evidence. The decision shall be in writing and sent to the complainant within 60 calendar days from receipt of the complaint by the District. The decision shall contain:

- (i) the findings of fact based on the evidence gathered,
- (ii) conclusion of law,
- (iii) disposition of the complaint,
- (iv) the rationale for such disposition,
- (v) corrective actions, if any are warranted,
- (vi) notice of the complainant's right to appeal the District's decision to the CDE, and
- (vii) procedures to be followed for initiating an appeal to the CDE.

Nothing in this document shall prohibit anyone involved in the complaint from utilizing alternative methods to resolve the allegations, such as mediation. Nor are we prohibited from resolving complaints prior to the formal filing of a written complaint. Mediation is a problem solving activity whereby a third party assists the parties to the dispute in resolving the complaint.

DISCUSSION/ACTION ITEM

**DATE:** May 10, 2016  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Emy Flores, Ed.D., Assistant Superintendent, Educational Services  
**SUBJECT:** **APPROVE SUMMER STEAM CAMP PROGRAM AT UNIVERSITY OF SOUTHERN CALIFORNIA (USC) FOR FULLERTON SCHOOL DISTRICT STUDENTS TO ATTEND FOUR WEEKS IN JULY 2016**

Background: The Fullerton School District recognizes the importance of preparing students for success in the 21st century and beyond and continues to offer students opportunities to learn through STEAM education. The CS@SC Summer Camps at the University of Southern California provide underrepresented K-12 students with an opportunity to explore topics in computer science including stand-alone programming, web development, mobile app creation, and robotics

Rationale: The CS@SC Summer Camps are designed to provide students with an early education into computer science, engineering, and applied physical science. During this summer, the Fullerton School District would like partner with the University of Southern California through the CS@SC Summer Camps in order to expose students to computer science and engineering and college life. Studies have shown that students who are exposed to computer science and engineering fields at a young age are more likely to excel in academic fields such as science and mathematics.

Funding: Cost not to exceed \$70,000 to be paid from the Unrestricted General Fund.

Recommendation: Approve Summer STEAM Camp Program at University of Southern California (USC) for Fullerton School District students to attend four weeks in July 2016.

**SUBJECT:** **APPROVE/RATIFY PIGGYBACK LEASE AGREEMENT WITH CLASS LEASING, LLC, FOR TWENTY-NINE RELOCATABLE CLASSROOMS AND ONE RELOCATABLE RESTROOM FACILITY FOR TEMPORARY STUDENT HOUSING AT PARKS JUNIOR HIGH SCHOOL**

Background: The Proposition 39 HVAC project originally scheduled to begin in June 2016 has been halted due to the discovery of asbestos containing material (ACM) on the existing ductwork in Building A. The asbestos must be removed in order to proceed with this project. On May 10, 2016, the Board of Trustees approved a contract for asbestos abatement at Parks Junior High School, FSD-15-16-GFR-01, to American Technologies, Inc. Once the removal and encapsulation are completed, the HVAC project will resume. This delay has resulted in the need to lease relocatable classrooms and a relocatable restroom facility at Parks Junior High School to temporarily house students and staff until the HVAC project is completed. Class Leasing, LLC, is able to provide the District with the necessary buildings in a timely manner so as to not delay the opening of school in August.

Class Leasing, LLC, offers the classrooms and one restroom on a Piggyback Bid (Project: SSBP, #40-06/2015-2016) with Savanna School District. Staff estimates the length of the lease to be twelve months. The total cost for these buildings is not expected to exceed \$607,568.

Rationale: Temporary housing is necessary due to the discovery of asbestos-containing material.

Funding: The contract amount is \$607,568, to be paid from Special Reserve Fund for Capital Outlay Projects.

Recommendation: Approve/Ratify Piggyback Lease Agreement with Class Leasing, LLC, for twenty-nine relocatable classrooms and one relocatable restroom facility for temporary student housing at Parks Junior High School.

No action or discussion may take place on an item that is not on the posted agenda except as expressly authorized by law. Since the Board cannot take action on items that are not on the agenda, such items will be referred to the Superintendent for handling. Board Members may request that any item be placed on a future agenda for further discussion. The Board President and Superintendent will determine the best time to place an item on the agenda. Persons wishing to address the Board are invited to complete and submit a “request to speak” slip to the Executive Assistant. These slips are available at the reception counter.

Consent Items

Actions for consent items are consistent with approved practices of the District and are deemed routine in nature. Since Trustees receive Board agenda backup information in advance of scheduled meetings, they are prepared to vote with knowledge on the consent items. Board Members routinely contact District staff for clarification of Board items prior to the meeting. Consent items are voted on at one time, although any such item can be considered separately at a Board member's request, in which event it will be acted upon subsequent to action on the consent items.

CONSENT ITEM

**DATE:** June 7, 2016  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

Background: In January 2015, the Board approved the District's utilization of Magnolia School District's piggybackable Bid No. MSIT3, #I-23-2014/15, to purchase technology equipment such as LCD projectors, document cameras, flat screen televisions, and other various technology equipment. Magnolia School District renewed with CDW Government, LLC, for an additional year. This will be year two of five options to renew at the District's discretion. Public Contract Code section 20118 provides authority for the governing board of a school district to purchase from another public agency without going to bid if the board determines it to be in the best interest of said district to utilize a bid from another public agency.

Rationale: Per the provisions of Public Contract Code §20118, the governing board may authorize by purchase order or contract the purchase of equipment, materials, or supplies without advertising for bids, if the board has determined it to be in the best interest of the district. Approval of this request will allow the district to utilize cost-effective means of purchasing school supplies and equipment as required throughout the district.

**SUBJECT:** **APPROVE CONTRACT BETWEEN FULLERTON SCHOOL DISTRICT AND DECISIONINSITE, LLC, FOR INTEGRATED WEB-BASED DEMOGRAPHIC AND GRAPHIC INFORMATION SYSTEM (GIS) SERVICES, EFFECTIVE FOR THE 2016-2018 SCHOOL YEARS**

Background: Fullerton School District has been utilizing DecisionInsite for the past nine years. The DecisionInsite system allows District staff to quickly assess the impact of potential boundary adjustments on various subgroups of the student population so the most informed and educationally appropriate decisions can be made. Enrollment projections can be quickly calculated based on existing or modified school attendance boundaries, and the projections take into account local and federal census data to provide the most accurate results. The web-based geographic information system allows for multiple concurrent users and provides access to the tools for examining the unlimited numbers of scenarios in studying attendance areas.

The DecisionInsite system also provides community members an easy-to-use tool for verifying their school according to street address.

Rationale: The District requires boundary studies and enrollment projections. DecisionInsite provides this service with informative detail. The boundary tool to determine home school is a valuable resource for families. By signing a three-year contract instead of an annual contract, the District will save approximately \$4,000 per year.

Funding: The cost is \$16,125 per year for three years, not to exceed \$48,375, and will be paid from the Developer Fees fund.

Recommendation: Approve contract between Fullerton School District and DecisionInsite, LLC, for integrated web-based demographic and Graphic Information System (GIS) services, effective for the 2016-2018 school years.

WHEREAS, DISTRICT requires professional services in community demographic analysis and enrollment projections using data specialization technology for use in budget planning, facilities planning, program planning, staff planning, strategic planning and school configuration planning, and

WHEREAS, DecisionInsite has the expertise necessary to properly perform such services, and

WHEREAS, the parties desire to enter into a contract for the provision of such services;

IN CONSIDERATION of the foregoing, it is agreed between the parties hereto, as follows:

### **SECTION 1 – FEES AND SERVICES OF DecisionInsite**

1.1 DECISIONINSITE shall perform the services and provide the information products as specified in this agreement and outlined in Schedule A, which is attached to and made a material part of this agreement. Deliverables to DISTRICT include but are not limited to the provision of

- 1) generation of enrollment forecasts and
- 2) certain access rights to review and manipulate information via DECISIONINSITE’s secure web application called the StudentView System. Specific deliverables are listed on Schedule A.

1.2 This service agreement is for DECISIONINSITE’s combined StudentView System access license and its Premier Enrollment Projection package.

1.3 The DECISIONINSITE fee schedule is based upon the

- 1) DISTRICT’S most recent reported enrollment,
- 2) The Enrollment Projection Package option outlined in the Proposal for Services and
- 3) DISTRICT’S intent to have or not have DECISIONINSITE complete residential development research. The following table summarizes the assumptions and terms of this Agreement.

<b>Service Agreement Assumptions</b>

1.4 If Residential Development Research is included, DECISIONINSITE begins the research projects each year in late spring and completes all research by September so that the data is available for the fall projection season. Residential Development Research is billed at the rate outlined on Schedule B. DECISIONINSITE only initiates this research when requested by the DISTRICT and each year will notify the DISTRICT before commencing. DECISIONINSITE makes every effort to contain residential research within the “not-to-exceed” allocation. If DECISIONINSITE believes it can not complete the task within the allocation, it will consult with the DISTRICT. Under no circumstances will DECISIONINSITE exceed that allocation without prior authorization from the DISTRICT. If the District does not want DECISIONINSITE to conduct the research because the District has the data, a modest fee will be added to cover the integration of those data.

1.5 Custom GIS Technical Services can be provided at client request and according to the following terms. These are one time projects which, once done, persist as long as the DISTRICT is a client. Except where stipulated below, all custom GIS work is billed at the hourly rate for Technical GIS services outlined in the proposal and on Schedule B.

**1. Attendance Area Changes:** As part of a standard agreement, a district can modify attendance areas once each year and this service is included in the base fee. If the DISTRICT should require additional changes outside the normal cycle of client updating, it would be considered custom GIS work and the district would be invoiced separately. See detail on Schedule B.

**2. Custom Map Layers:** DISTRICT may request special map layers be digitized and available. These are also custom GIS projects and are invoiced separately. See detail on Schedule B.

**3. Custom Point Plotting:** DISTRICT may request that special features be geocoded so that they can be point-plotted for mapping and analysis. Such projects are invoiced separately. See detail on Schedule B.

**4. Additional Student Attribute Plotting, Reporting and Analysis:** DISTRICT may request that additional attributes can be appended to student data files. This is a custom project. Such projects are invoiced separately. See detail on Schedule B.

## **SECTION 2 – PERIOD OF PERFORMANCE**

2.1 As noted in Section 1.1, the services included in this Service Agreement are comprised of two components; the generation of enrollment projections and access to the StudentView System. This is a 3-year agreement which provides for initial and annual enrollment forecasting services for 3 school years and system access for up to 3 years or the end of the DISTRICT fiscal year, whichever comes first.

2.2 The agreement shall commence on date of board approval as notated on the signature page of this agreement and upon being signed by both parties.

2.3 Project Timeline: Your project will be put into our production queue within 3 working days of two events: 1) reception of a signed agreement and 2) reception of all required data.

**System Access:** Clients will be provided login credentials for system immediately upon receipt of a executed service agreement.

**Production of Enrollment Forecasts:** DecisionInsite is committed to both quality and rapid delivery. We pledge to complete your projections as quickly as possible without compromising the integrity of the projections and output. Clients should expect preliminary enrollment projections 3 – 5 weeks from the time DecisionInsite has received and validated the data requested of the District. Prior to final delivery, the district designated official will be contacted for a “preview” of the numbers and to make sure that some element has not been overlooked before the final and public study is released.

2.4 The Agreement shall terminate July 30, 2019 unless renewed by both parties.

### SECTION 3 – OBLIGATIONS OF THE DISTRICT

3.1 DISTRICT agrees that its employees will cooperate with DECISIONINSITE in the performance of services under this Agreement and will make every reasonable attempt to be available for consultation with DECISIONINSITE.

3.2 DISTRICT shall provide to DECISIONINSITE, at no cost to DECISIONINSITE, for use in providing the services outlined in this Agreement, any data which DISTRICT may have available which are required or requested for providing the services of this Agreement.

The DISTRICT AGREES TO

1. Provide DECISIONINSITE staff with the contact information for the appropriate DISTRICT staff who will be working on this project.
2. Direct DISTRICT staff to review and respond to the Data Request documents provided to the DISTRICT. (This information is available for review at our public website: <http://decisioninsite.com/client-center/new-client>)
3. Provide DECISIONINSITE with the data requested in a timely manner.

3.3 If DISTRICT chooses to provide residential development research to DECISIONINSITE instead of engaging DECISIONINSITE to conduct the research, then the DISTRICT agrees to provide these data to DECISIONINSITE in the array and format stipulated in the Data Request Instructions and Documents found on the DECISIONINSITE website. Failure to provide the data either in the detail or format specified may result in an additional fee to convert the data and/or to conduct the additional research.

3.4 DISTRICT shall make every reasonable effort to aid DECISIONINSITE in obtaining data from other public offices or agencies, local business firms, and private citizens whenever such data is necessary for the compilation of the work outlined in this Agreement. (For example, contacts with appropriate housing developers.) Fees for obtaining such data will be reimbursable to DECISIONINSITE and will be paid by the DISTRICT.

3.5 DISTRICT agrees to appoint a single staff person to fulfill the role of Administrative User (admin user). This person will be responsible to administer access rights to DECISIONINSITE secure server where the DISTRICT'S data will be available. Included in this responsibility is setting up those persons within the DISTRICT that will be granted access rights.

3.6 This AGREEMENT as outlined on Schedule A includes web based access to the secure DECISIONINSITE StudentView System. DISTRICT agrees to abide by the policies for access as outlined in Schedule D.

## **SECTION 4 – LIMITATIONS**

4.1 DECISIONINSITE understands that time is of the essence in completing the work outlined in this AGREEMENT. However, the DISTRICT understands that DECISIONINSITE may be dependent upon the timely delivery of data from third parties and that all tasks may not be completed in the allotted time as may be specified in this AGREEMENT or in the spirit of timely delivery. None-the-less, DECISIONINSITE will make all reasonable efforts to complete all tasks in a timely fashion.

4.2 DISTRICT understands the work performed by DECISIONINSITE is based upon the best information available to DECISIONINSITE at the time of rendering services. DISTRICT also understands that DECISIONINSITE takes great care in identifying and obtaining the most widely recognized and respected data sources for use in serving the DISTRICT but can none-the-less make no warranties for the ultimate accuracy of these information products and the DISTRICT hereby agrees.

## **SECTION 5 – GENERAL PROVISIONS**

5.1 DISTRICT understands that the StudentView System is built upon Google base maps and access to these base maps by the DISTRICT must conform to Google Map requirements. Further some aerial images and census demographic databases that are updated and projected are licensed by DECISIONINSITE from third party vendors and remain the sole intellectual property of these vendors.

5.2 DISTRICT understands that this AGREEMENT extends access rights to the DISTRICT for use only by the DISTRICT and/or anyone assisting the DISTRICT in its normal activities. DISTRICT may not sell, lease or assign the demographic databases, aerial images or the mapping data to any third party except as such would employ the data in the service of the DISTRICT. (For example, an outside planning consultant

may use and review the data in fulfilling a planning consultation on behalf of the DISTRICT but the same consultant may not use, quote, or otherwise refer to the data for any other purpose.)

5.3 DISTRICT agrees to make appropriate attributions to the data source(s) in any written, graphically displayed or orally delivered presentations that include any piece of data, the presentation of the data or the methodologies by which the data is generated that are provided by DECISIONINSITE

**SECTION 6 – TERMINATION**

6.1 It is understood and agreed that the DISTRICT may terminate this AGREEMENT for the DISTRICT’S convenience and without cause at any time by giving DECISIONINSITE thirty (30) days written notice of such termination. Promptly upon receipt of written notice from the DISTRICT that this AGREEMENT is terminated, DECISIONINSITE will submit an invoice to the DISTRICT for any outstanding fees including any early termination adjustment per the schedule described in 6.2 and any reimbursable expenses, if actually incurred and in accordance with the approved AGREEMENT, and not reimbursed prior to the date of termination. Upon approval and payment of this invoice by the DISTRICT, the DISTRICT shall be under no further obligation to DECISIONINSITE monetarily or otherwise.

6.2 Early Termination Adjustment: Multi-year agreements are based upon discounts to the single year fee for system and services. Should the district opt for one of the multi-year agreements and then choose to terminate the AGREEMENT per 6.1 above an adjustment will be applied to the final year of service based upon the number of years of the contract that have been completed. The adjustment schedule is provided below.

<b>3 Year Cancellation Schedule</b>	
<b>Years Complete</b>	<b>Adjustment Fee</b>
1	\$4,031
2	\$2,015
3	\$0

**SECTION 7 – COMPENSATION**

7.1 DECISIONINSITE services and website access rights are based upon the mix of products and services chosen by the DISTRICT. (See Schedule A.)

7.2 Compensation to DECISIONINSITE is determined by the service and product features selected by the DISTRICT and is reflected on Schedule A. For each fiscal year DECISIONINSITE will issue invoices in two stages in accordance with the following:

1. 50% on the initial date of execution of this agreement or at the beginning of DecisionInsight's annual production season in July of each year.
2. 50% Completion and delivery of annual enrollment projections.

7.3 Annual fees and payment schedule is as follows. Client will receive an invoice 30 days prior to the due date to insure proper and timely payment.

Schedule of Payments	Total per Year	First Payment	Second Payment
Year 1	\$16,125	\$8,062	\$8,062
Year 2	\$16,125	\$8,062	\$8,062
Year 3	\$16,125	\$8,062	\$8,062

7.4 Residential development research, if requested by the district is invoiced separately from the annual license agreement. Residential development research is invoiced only for time and materials per the fee schedule set forth in Schedule B. Invoicing is not done until the research project is complete and this will typically begin in May and be completed no later than October of each year. As stated earlier, DECISIONINSITE will not invoice beyond the “not to exceed” stated in the Service Agreement Assumptions of Section 1.3. If a research project looks to be larger than either the District or DECISIONINSITE anticipated, DECISIONINSITE will contact the district. It will not proceed further without prior authorization from the district.

7.5 The specific elements available to the DISTRICT are outlined on Schedule A of this AGREEMENT and reflect those features proposed to the DISTRICT in the PROPOSAL FOR SERVICES document submitted to the DISTRICT. The DISTRICT understands that if additional requests for analysis, GIS services or consultation are made beyond that outlined in this Schedule that additional fees shall be charged based upon the rates outlined on Schedule B. Such additional requests would call for a contract addendum from DECISIONINSITE stipulating the specific additions and related fees and to which the DISTRICT would have the right to accept by signing or reject.

**SECTION 8 – INDEMNIFICATION**

8.1 DECISIONINSITE shall indemnify and hold DISTRICT, its Board members, agents and employees harmless, and will defend DISTRICT, its Board members, agents and employees from any and all liability arising from or related to the performance of this Agreement, including third part legal actions caused by the acts of DECISIONINSITE.

**SECTION 9 – OWNERSHIP, DATA SECURITY AND ACCESS TO THE WORK PRODUCT**

9.1 DISTRICT understands the delivered products—whether as printed reports and/or digital PDF files or the online web accessible StudentView System—are the result of extensive data integration and computer modeling. The DISTRICT supplies DECISIONINSITE with student and school based data. DECISIONINSITE provides licensed demographic and geographic mapping data. This data is processed through the proprietary StudentView System that includes "location analytic" models and a GIS analytical mapping interface and is transformed into the deliverable products for use by the DISTRICT.

This results in a significant integration of disparate data sources; some of which is only licensed to DECISIONINSITE for use with its clients.

9.2 The DISTRICT maintains ownership of all data supplied to DECISIONINSITE as part of the project. The DISTRICT also maintains full access rights to all paper or PDF expressions of reports, maps and other prepared materials in perpetuity as long as abiding by the limitations outlined in 5.1 and 5.2 above.

9.3 The DISTRICT shall have access rights to the web based expression of said reports, maps and other analytical and presentation materials through the StudentView System as long as the contract with DECISIONINSITE is in effect. Upon contract termination, access to the StudentView System will no longer be available.

9.4 Occasionally, clients need to access or retrieve data or work product after the termination of the service agreement. As such, DECISIONINSITE agrees to securely archive District data and DECISIONINSITE work product for a period of five years so that they client may retrieve data if needed. DISTRICT agrees to submit such requests in writing.

9.5 DECISIONINSITE agrees to adhere to the principles and practices listed in the attached Privacy Policy. (See Schedule D)

## **SECTION 10 – CONFIDENTIALITY**

10.1 DECISIONINSITE shall not, during or at any time following termination of this Agreement with DISTRICT, disclose or divulge the work product of this Agreement to third parties except when directed to do so by the DISTRICT in response to a valid request pursuant to the California Public Records Act or court order.

10.2 DISTRICT does agree to allow DECISIONINSITE to use some elements of the final product for the purposes of demonstration. At no time shall DECISIONINSITE divulge any data about particular students or families to which it has access during the production either of the product or subsequent to the final creation of the deliverable product. DECISIONINSITE fully understands its obligation to protect the privacy of student level data and any confidential DISTRICT data or its board and staff in its possession at all times.

10.3 DECISIONINSITE shall take every reasonable precaution to protect all student or school data supplied on its computers and information systems.

## **SECTION 11 – ASSIGNMENT PROHIBITED**

11.1 No party to this Agreement may assign any right or obligation pursuant to this Agreement. Any attempt to assign such rights or obligations shall be null and void.

## **SECTION 12 – AUDIT**

12.1 Pursuant to, and in accordance with, the provisions of California Government Code section 8546.7, or any amendments thereto, all books, records and files of DECISIONINSITE, or any subcontractor connected with the performance of this Agreement involved in the expenditure of public funds in excess of Ten Thousand Dollars (\$10,000), including, but not limited to the administration thereof, shall be

subject to the examination and audit of the State Auditor, at the request of DISTRICT or as part of any audit of DISTRICT, for a period of three (3) years after final payment is made under the Agreement. DECISIONINSITE shall preserve and cause to be preserved such books, records, and files for the audit period.

**SECTION 13 – ENTIRE AGREEMENT**

13.1 This AGREEMENT contains the entire AGREEMENT of the parties with respect to the subject matter hereof, and supersedes all prior negotiations, understandings or agreements, either oral or written. This AGREEMENT may only be modified in writing and signed by both parties.

13.2 The parties hereto have caused this AGREEMENT to be duly executed by their duly authorized representatives.

## Optional Residential Development Research

The option of Residential Development Research for integration into the enrollment forecasts is available upon request. Inclusion would include location mapping of expected projects, and full reporting on all proposed residential development projects phased over time.

Not all School Districts are impacted by new housing development. For clients who have been or may be impacted and request this service, DecisionInsite will contact government agencies and developers on behalf of the District to gather the data required to quantify the potential impact of new housing.

This work is completed on a “not-to-exceed” basis and the estimated fee for this service is listed separately below. Any data provided to DecisionInsite by the District will reduce the work required.

## SCHEDULE B: ADDITIONAL SERVICES AND RATES

### Optional Services and Consulting Rates

Clients have the option to contract with DECISIONINSITE for additional services. For reference a description of the services available and the corresponding rates are listed below. If the DISTRICT should choose to request any of the services listed below or any other service not listed, DECISIONINSITE will provide the DISTRICT an estimate in writing prior to commencing any work.

#### Consulting

**1. Residential Housing Development Research:** (If not already contracted for this service) For districts impacted by housing development, we offer additional research services. Many districts have internal staff that collect and monitor this information. But for those that do not, we offer this as an enhancement to the core service. Having an accurate picture of housing development is critical to good enrollment projections.

**2. Boundary Configuration Consulting:** While generating multiple attendance boundary reconfigurations is easy with the DI System, some districts prefer to contract for outside consulting services to assist in the generation of multiple scenarios and/or participate in or lead community reconfiguration committee processes. DecisionInsite’s professional and experienced team is well qualified to provide these additional services. Fees are assessed on an hourly basis and not-to-exceed amount is set in consultation with the client.

**3. Student Generation Rate Studies:** Student generation rates will determine how many students are expected out of new housing. Some districts have these already (by housing product type and grade level). For those that do not, we can either use our standard default rates or as an enhancement, DecisionInsite can generate custom student generation rates based upon product type that is anticipated and the current generation of students by similar product type.

**4. School Capacity Studies:** A School Capacity Study by DecisionInsite generates multiple scenarios that consider alternative impacts of changes in underlying variables such as special use classrooms, class size by grade level, half-day or extended day Kindergarten, number of relocatable classrooms, projected enrollment, spaces for teacher prep time, etc.

**5. Public Presentations of Findings:** If requested by the District, DecisionInsite will make staff available to review the work completed on behalf of the District.

### **Custom GIS Services**

DecisionInsite can easily add and integrate several custom data and analysis tools to a district's base system. These include:

**1. Existing Map Layer Changes:** As part of a standard agreement, a district can modify attendance areas once each year and this service is included in the base fee. Generally, this is sufficient since changes mid-year seldom occur and policy changes on attendance areas seldom happen more often. If such should be required outside the normal cycle of client updating, it would be considered custom GIS work and the district would be billed according to the hourly rate for GIS Technical Services.

**2. Custom Map Layers:** DISTRICT'S may request the creation of additional Map layers for analysis, print or PowerPoint presentations. Possibilities include:

- Special Assessment Districts
- School or municipal planning areas
- Natural or manmade hazard features such as flood zones, pipelines, or other features which require safety buffer zones
- Board Trustee Areas
- District study areas
- Other custom features

DecisionInsite can add these custom map layers to any existing district study. These layers can be activated or deactivated just like school attendance boundaries. Additionally, most custom layers can be queried for enrollment, ethnicity and census updates and projections.

Custom map layers are billed at the GIS Technical Services hourly rate. Upon request, DecisionInsite will provide the district with a project scope proposal based upon the assessed complexity of the project.

3. Custom Plotting of People (other than students) or Places (other than schools).

**Consulting and GIS Rates**

Consulting is billed according to DecisionInsite consulting rates as outlined below. In all cases, DecisionInsite provides the district with “a not to exceed” amount. Some contracts have development impact written in from the beginning. For others, these services may be appended to the original contract. All billing is based upon the rates in the following table.

Consultant Billable Rates	Per Hour	
	Presentation	Analysis/Preparation
Senior Consultant	\$250.00	\$150.00
Consultant	\$175.00	\$87.50
Residential Development Research	\$150.00	\$125.00
GIS Technical Services		\$85.00

**Expenses**

Expenses are invoiced for actual travel, lodging and materials. For locations beyond one hour of travel time charge is included.

**Generation of Additional Enrollment Projections**

DISTRICTS may request additional projection scenarios beyond the standard two (2) per year. DecisionInsite can generate additional projections according to the following fee schedule.

Per additional enrollment projection scenario	Ranges	
	Min	Max
Web posting only, no report	\$1000	\$2,500
Web posting plus Final report	\$1,500	\$3,000

## **SCHEDULE C: WEB ACCESS POLICIES**

Access to DecisionInsight's secure web server is at the center of the services provided to DISTRICT. Therefore, the following policies should be followed.

Only authorized persons employed by or representing the school district may be granted access. Granting access to any other party is a violation of this AGREEMENT.

No person granted access rights may access and use any part of the site except in the conduct of school district business. Use of any information on other than for district business is a violation of this AGREEMENT.

The Client Access area on the DecisionInsight web site is password protected. Access will be granted according to those granted access by the District administrative user. These can be set up via the District Admin user interface.

There is no limit on the number of users granted to a district. However, only the district may authorize users and DecisionInsight will only add users upon the formal request of the authorized agent of the district. Unless otherwise stipulated, the authorized agent is the person signing the Agreement.

MySchoolLOCATOR will be accessible from the DecisionInsight web site. A link can be set up on the DISTRICT'S own web site as soon as the DISTRICT'S web studies are available. SchoolLOCATOR will remain active as long as the District remains an active client.

CONSENT ITEM

**DATE:** June 7, 2016

**FROM:** Jay McPhail, Assistant Superintendent of Innovation and Instructional Support

**SUBJECT:** **AUTHORIZE THE USE OF CALIFORNIA MULTIPLE AWARD SCHEDULE (CMAS) CONTRACT NUMBER 3-13-70-2951A (LIGHTSPEED SYSTEMS, INC.) FOR THE PURCHASE OF CORE INTERNET CONNECTIVITY EQUIPMENT FOR THE 2016/2017 SCHOOL YEAR**

Background: The Fullerton School District is in the process of upgrading its core networking hardware to provide redundancy and capacity to the content filtering system. This equipment is currently a single Lightspeed content filtering appliance. Furthermore, the District has been using the Lightspeed's Mobile Device Management System (MDM) and purchases licenses for all managed devices.

Rationale: The current core content filtering system is designed to filter student and staff devices while at school and student issued devices while off campus. The current system has no redundancy if the system were to fail. This would cause up to a 24 hour disruption in the learning or hinder students ability to work from home on district issued devices. Also, the District may need to put more devices under our MDM requiring the purchase of additional licensing. The contract will be used to support various technology programs and district network infrastructure.

Funding: Not applicable.

Recommendation: Authorize the use of California Multiple Award Schedule (CMAS) contract number 3-13-70-2951A (Lightspeed Systems, Inc.) for the purchase of core internet connectivity equipment for the 2016/2017 school year.

Written notice by District shall be deemed given when received by the other party, or no later than three days after the day of mailing, whichever is sooner.

**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Emy Flores, Ed.D., Assistant Superintendent, Educational Services  
**PREPARED BY:** Trang Lai, Director, Educational Services  
**SUBJECT:** **APPROVE OUT-OF-STATE CONFERENCE ATTENDANCE FOR TWO STAFF MEMBERS TO ATTEND THE 34<sup>TH</sup> ANNUAL TEACHING OF WRITING INSTITUTE AT COLUMBIA UNIVERSITY IN NEW YORK**

Background: The Writing Workshop is a method of writing instruction that developed from the early work of Donald Graves, Donald Murray, and other teacher/researchers who found that coaching students to write for a variety of audiences and purposes was more effective than traditional writing instruction. This approach has been popularized by Lucy Calkins and educators involved in the Reading and Writing Project at Columbia University in New York City, New York. (Calkins, L (2006). This method of instruction focuses on the goal of fostering lifelong writers. It is based upon four principles: students will write about their own lives, they will use a consistent writing process, they will work in authentic ways, and they will develop independence as writers. During the 2016/2017 school year, Fullerton School District will continue to train teachers across all schools using the Writing Workshop method.

Rationale: By sending two teachers to advanced training at Columbia's Summer Writing Institute, we will have advanced trainers who will continue to support the implementation of Writing Workshop in future years. It means that we will have in-house experts who can continue to lead the difficult, but rewarding work of teaching young writers to find their voice and sense of agency through the written word.

Funding: Cost is not to exceed \$3,960 to be paid from site funds (#094) and the Unrestricted General Fund.

Recommendation: Approve out-of-state conference attendance for two staff members to attend the 34<sup>th</sup> Annual Teaching of Writing Institute at Columbia University in New York.

**5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. Contractor understands and agrees that Contractor and all of Contractor's employees shall not be considered officers, employees or agents of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Workers' Compensation. Contractor assumes the full responsibility for the acts and/or omissions of Contractor's employees as they relate to the Services to be provided under this**

Agreement. Contractor shall assume full responsibility for payment of all federal, State and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor's employees.

Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of Contractor's profession.

7. Originality of Services/Intellectual Property. Contractor agrees that all technologies, formulae, procedures, processes, methods, and ideas prepared for and submitted by Contractor to the District in connection with the Services set forth in this Agreement, shall be wholly original to Contractor and shall not be copied in whole or in part from any other source, except that submitted to Contractor by District as a basis for such Services. Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by, District and shall not be copied or used in whole or in part by Contractor without District's express written permission. Contractor acknowledges and agrees that District shall have all right, title and interest in said Content, including the right to secure and maintain the copyright, trademark and/or patent of said Content in the name of the District.

Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required services from

another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. 15. Employment With Public Agency. 16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

Background: The Cotsen Foundation for the *Art of Teaching* funds individual teaching mentorships, fellowships, and grants to select elementary schools in California to implement the *Art of Teaching* mentoring program. BOARD AGENDA ITEM

DISCUSSION ITEM

**DATE:** June 7, 2016  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** PROPOSED 2016/2017 BUDGET—ALL FUNDS

Background: Education Code section 52062 requires that the Board of Trustees hold a public hearing for the proposed budget at the same meeting as the public hearing for the Local Control Accountability Plan (LCAP). The public hearing must take place in advance of and at a meeting separate from the Board meeting to adopt the LCAP and the budget. The proposed 2016/2017 budget for all District funds is presented for the Board's review.

The Board members are acting as three different entities when discussing the 2016/2017 budget: (1) as the legislative body of the Fullerton School District identified as District 22; (2) as the legislative body of Community Facilities District No. 2000-01 (Van Daele) identified as District 40; and (3) as the legislative body of Community Facilities District No. 2001-1 (Amerige Heights) identified as District 48.

Rationale: Education Code sections 42127 and 52062 require every school district to hold a public hearing for the LCAP and the budget prior to adoption.

Funding: The District is projecting the following General Fund Unrestricted Fund Balance reserves:

2016/2017	18.46%
2017/2018	18.00%
2018/2019	15.41%

Recommendation: Not Applicable.

## ***BUSINESS SERVICES DIVISION***

**DATE:** June 7, 2016

**TO:** Board of Trustees  
Robert Pletka, Ed.D.

**FROM:** Susan Cross Hume, CPA, CIA, CGMA  
Assistant Superintendent, Business Services

**SUBJECT: PROPOSED BUDGET FOR 2016-17 AND MULTI-YEAR FINANCIAL PROJECTIONS**

The estimated ending balances for the 2015-16 fiscal year and our initial budget for the 2016-17 fiscal year are presented here for your review and approval. The District is required by Education Code 42127 to adopt a budget for all District funds for the subsequent fiscal year by June 30 of each year. At the same time, the District presents its estimated actual financial results for the current fiscal year. This memo provides a summary of the assumptions used in the preparation of the budget, as well as an analysis of current multi-year financial projections for the District.

### **2015-16 Estimated Unaudited Actuals**

The estimated unaudited actuals consist of the District's current budget adjusted to reflect projected and known changes through the end of the fiscal year. These adjustments include:

- Updating the final estimated Local Control Funding Formula (LCFF) projection to our Orange County Department of Education (OCDE) projection.  
The LCFF estimate has not changed since the Second Interim reporting.
- Updating categorical revenue accounts to reflect actual grant and entitlement amounts as apportioned by the state and federal governments.  
Various minor changes to categorical programs have been incorporated into the budget for the Estimated Actuals.
- Analysis and revision of General Fund expense accounts.  
Fiscal staff have reviewed line item expenditure budgets, budget vs. actual, for all General Fund programs and accounts. Based upon this analysis, there are two material increases between the budget as presented at Second Interim and the Estimated Actuals.
  - Estimated Actuals adjusted to include an increase in the General Fund contribution to Special Education in the amount of \$127,646.
  - Estimated Actuals also adjusted to include a one-time transfer of \$4,084,437 from the General Fund to Fund 40 Special Reserve Fund for Capital Outlay Projects for the Parks Junior High HVAC project.
- All other line item 2015-16 budget amounts are not expected to be materially different from the Second Interim budget and thus are carried forward to the year-end projection.

Based upon a review of current actual financial data (as of month-end April 30, 2016) and the adjustments noted above, the District estimates final unaudited results in the Unrestricted General Fund reflect a reduction of (\$4,249,107) in the previously reported budgeted net income from Second Interim.

Based upon the assumptions listed above, the Estimated Actuals show a total net decrease to the fund balance of (\$4,486,196). This consists of a net decrease in the Unrestricted Fund of (\$1,512,288) combined with a net decrease in the Restricted Fund of (\$2,973,908). This deficit spending primarily reflects a spending down of prior year fund balance carryovers.

The estimated total ending General Fund balance at June 30, 2016, is \$27,241,513. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$24,325,832, which is 17.48% of total General Fund expenditures. (The state requirement is 3%.)

These projections constitute our best estimate at this time of how the District will finish the 2015-2016 fiscal year. Final results will not be known until we close our books and prepare our year-end financial statements (J-200 Unaudited Actuals) in August. Results will be presented to the Board in early September.

## **2016-17 Budget**

### ***State Budget Outlook***

On January 7, 2016, Governor Brown introduced his proposed 2016-17 State Budget, beginning the legislative process for the upcoming fiscal year. On May 13, 2016, he released his May Revision to his January budget. The May Revision outlines the Governor's expectations for the budget, which the Legislature then has until June 15 to revise and pass.

The Governor's original and revised budget proposals again reflect growth in K-14 funding. Thanks to continued state revenue growth and the Proposition 98 guarantee, the Governor's 2016-17 May Revision builds on his January proposal by providing additional increased funding to further implement the LCFF, as well as additional one-time discretionary funding. The Governor proposes that remaining increases in state funding primarily go towards affordable housing projects, making deposits into the state's Rainy Day Fund, and state deferred maintenance projects.

Once again, the Governor provides additional funding to K-12 through unrestricted revenues, rather than new or augmented categorical programs. The proposed budget provides an additional \$154 million from the January State Budget proposal (for a total of \$2.979 billion) for LCFF. This proposed level of funding brings the LCFF formula implementation to 95.7%. The Governor also proposes more than \$1.4 billion in one-time Proposition 98 funding. The funds are unrestricted, and the use of the dollars is discretionary--estimated at \$237 per ADA. Once again, these funds will offset any applicable mandate reimbursement claims.

In contrast to these increases, the statutory Cost of Living Adjustment (COLA) formula is determined to be Ø. Therefore, there is no increase in funding to state categorical programs, including Special Education and Child Nutrition (State Free and Reduced Lunch program).

At the time of this writing, the Legislature and the Governor are still in session, and the final budget had not yet been determined. The District budget presented here has been adjusted for the Governor's May Revise proposal for the LCFF and one-time funding. The total budget will be reviewed and adjusted once the state passes its final budget, and then continually throughout the year as new information is received.

### ***FSD 2016-17 Budget***

When building its budget, the District utilizes the most up-to-date information and forecasts that it has received from the California Department of Education (CDE), and the Orange County Department of Education (OCDE). The District is required to present its proposed budget for the ensuing fiscal year twice before the June 30 statutory deadline for passage by the Board of Trustees. Given that the Legislature is not required to pass the state budget until June 15, the District will usually not be able to incorporate the effects of the state's June budget in its own June budget. Further revisions to update the District's budget will then be made after the Governor signs the state budget.

Revenue accounts are estimated based upon the CDE's and OCDE's projections, as well as the District's 2015-16 reported P-2 ADA. The District has estimated state LCFF revenue using the annual gap funding percentages as projected by the Department of Finance for the May Revise. No other COLAs have been applied to any other state programs, including Special Education. The District has not added any new state-funded programs to its budget.

Expenditures are forecast taking into account all known and projected increases and decreases in expenditures, including changes due to our negotiated salary agreements, step and column, changes in staffing and benefits, changes in contracts and leases, and projected inflationary increases.

The District's budget is required by law to be reviewed and approved by OCDE. Our OCDE consultant reviews all of our detailed assumptions for both our 2016-17 budget and our three-year projection. A budget built on assumptions that cannot be verified and justified by OCDE will not be approved.

The following provides more details on the budget.

### ***Revenues***

The 2016-17 General Fund budget projects total revenues of \$131.2 million, for a net decrease (from 2015-16 estimated revenues) of (\$3.5 million). The majority of the net change is due to a projected decrease in the one-time mandated cost state revenue offset by increases to the LCFF.

LCFF income is projected to increase due to an increase in the target-gap funding rate from 49.08% to 54.84%. The unduplicated count percent decreased very slightly to 51.71%. This results in a per-ADA increase to LCFF funding of 5.3%.

This increase is offset somewhat by a decline in the District's apportionment earning ADA. The District P-2 ADA declined in fiscal 2015-16 by 162. The state allows a one-year "hold harmless;" this drop is reflected in 2016-17 LCFF revenue. There is no further projected change in District ADA for the budget.

Federal revenues are projected with no COLA and a projected decrease as a result of the exclusion of carryover balances.

State categorical programs are budgeted with no COLA. The majority of the decrease in state revenues from 2015-16 to 2016-17 reflects the drop in one-time monies received (from \$7.0 million to \$3.1 million).

Other revenues are based upon historical trends and estimated actuals.

### ***Expenditures***

For 2016-17, total General Fund expenditures are projected at \$133.7 million. The budget reflects routine annual increases required by step and column movement, rate increases for health insurance and for STRS and PERS retirement plans, and other cost of living increases. Additionally, due to increases in LCFF funding, the District has been able to add new programs and expenditures to its budget. Through the LCAP process, the District identified areas of need for new spending. Major increases have been added for increased and/or improved services to targeted pupils, Common Core implementation, site-based programs and expenses, and various program enhancements. See the attached list for more details.

### ***Change in Fund Balance***

Based upon these assumptions, the estimated total ending General Fund balance for the 2016-17 fiscal year shows a net decrease of (\$2,452,038) which is entirely from the reduction in the Unrestricted General Fund.

The estimated total ending General Fund balance for the 2016-17 fiscal year is \$24,789,475. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$24,673,794, which is 18.46% of total General Fund expenditures.

**Three-Year Projection**

The District is required to submit a three-year financial projection for the General Fund at the time of budget submission. However, unlike at First and Second Interim, the District is not required to certify the District’s financial status at this time. Detailed assumptions for the preparation of the three-year projection are attached.

The most significant factors in the projection are the state-funded LCFF and the District’s projected ADA.

**LCFF:** The District is utilizing the Department of Finance’s estimated COLAs and LCFF Funding Rate percentages as of the Governor’s May revise budget proposal. The District is not projecting that its current 51.71% Unduplicated Percentage of enrollment will fluctuate by more than 1% for the subsequent two years of the projection.

**ADA:** The District is projecting no change to ADA in either the 2017-18 or 2018-19 fiscal years.

The District’s three-year projection shows Unrestricted General Fund ending fund balance amounts as follows:

	<u>Percent</u>	<u>Amount Above 3%</u>
June 30, 2017	18.46%	\$20,664,210
June 30, 2018	18.00%	\$19,944,855
June 30, 2019	15.41%	\$16,979,802

**Required Disclosure under Education Code section 42127(a)(2)(b) regarding reasons for Ending Fund Balances above the state-recommended minimum level**

Education Code section 42127(a)(2)(b) requires a statement of reason that substantiates the need for assigned and unassigned ending fund balances in excess of the minimum reserve standard for economic uncertainties for each fiscal year be identified in the budget.

The Board of Trustees of the Fullerton School District currently maintains a prudent reserve which provides for anticipated future expenditures for technology, instructional materials, and other necessary instructional expenditures. The District must also have funds available to mitigate the costs to the District of declining enrollment. Additionally, the reserve is maintained to provide for unplanned or emergency expenditures that might occur in the future. The District must also plan for future facilities needs. Finally, the District must also plan for future downturns in the state economy which could negatively affect the District’s budget.

Projected Unrestricted Ending Fund Balance:

	<u>Assigned</u>	<u>Unassigned</u>	<u>3% Minimum</u>	<u>Amount Above 3% Minimum</u>
June 30, 2017	\$0	\$24,673,794	\$4,009,584	\$20,664,210
June 30, 2018	\$0	\$23,932,890	\$3,988,036	\$19,944,855
June 30, 2019	\$0	\$21,084,645	\$4,104,844	\$16,979,802

## OTHER FUNDS

**Child Development Fund:** The Child Development Fund records the financial activities from the following District programs: state-funded preschool, state-funded before- and after-school programs, parent-paid before- and after-school care, and tuition-based preschool. Financial results are projected to approximate break-even for both the current and budget fiscal years.

**Cafeteria Fund:** The Cafeteria Fund continues to operate in a strong financial position. Participation in the National and State School Lunch and Breakfast programs continues to rise. Financial results are projected to approximate break-even for both the current and budget fiscal years.

**Deferred Maintenance Fund:** The Deferred Maintenance Fund is projected to spend down reserves in both the current and budget years. The state suspended funding of the Deferred Maintenance program during the economic downturn and, with the advent of LCFF, has closed the program. The District plans to spend down the remaining reserves in this fund to complete required deferred maintenance projects.

**Bond Building Fund:** This fund accounts for amounts remaining from the District's former general obligation bonds proceeds. Certain capital expenditures which cannot be funded from the Deferred Maintenance, Developer Fee, or Special Reserve for Capital Outlay Funds are paid for from this fund. In 2015-16, this fund provided a \$1 million interfund transfer to the Special Reserve for Capital Outlay Fund to provide funding for the Parks Jr. High HVAC project.

**Capital Facilities Fund:** The Capital Facilities Fund accounts for the collection and expenditure of developer fees. Approximately \$164,000 in fees was collected in 2015-16. Revenues for the budget year are projected and budgeted as cash is received. Expenditures from this fund are for capital projects related to growth in student enrollment. In 2015-16, this fund provided a \$1.5 million interfund transfer to the Special Reserve for Capital Projects Fund to provide funding for the Parks Jr. High HVAC project.

**Special Reserve Fund—Capital Outlay Projects:** This fund records financial activity related to the Laptop Reserve, and also revenues received from the City of Fullerton as pass-through payments from their Redevelopment Agency. Various capital projects for schools in the designated Redevelopment Areas are financed through this fund. In 2015-16 the District transferred money into this fund from the General Bond Building and Capital Facilities Funds to account for capital projects related to the State Proposition 39 Clean Energy Jobs Act plans, specifically the Parks HVAC project.

**Capital Projects Fund—Blended Components:** This fund records the financial activity related to the District's two Community Facility Districts (CFDs). Revenues are taxes collected from homeowners, and expenditures are primarily payments to bond holders as well as administrative expenses related to the CFDs' operations. Various capital projects for schools in the CFD areas are financed through this fund.

**Self-Insurance Fund:** The Self-Insurance Fund consists of three sub-funds: Property and Liability, Workers' Compensation, and the Dental Self-Insurance Reserve.

The District is responsible for a \$5,000 deductible per claim for property damage, \$50,000 deductible per claim for liability, and \$1,000,000 per claim for Workers' Compensation. Excess insurance is purchased for amounts over the deductibles. Liabilities are projected and booked, and claims and claims expenses are paid through these two sub-funds. Excess insurance is also purchased from the funds.

The District funds the Property and Liability Fund by charging an allocated amount to the General Fund. The amount charged in 2015-16 provided sufficient funding. This transfer will be increased \$100,000 for 2016-17.

Currently the District charges a 1.2% payroll tax on all payrolls to fund the Workers' Compensation Fund. This rate provided sufficient funding to cover costs of excess insurance, claims and claims expenses, and the reserve for Incurred But Not Recorded (IBNR) claims for 2015-16.

The Dental Self-Insurance Reserve maintains a balance to pay any tail claims incurred by the District from a former JPA self-insurance plan in which it participated. There is no activity projected in this reserve.

**4. CRITERION: LCFF Revenue**

**STANDARD:** Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)<sup>1</sup> and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA<sup>1</sup> and its economic recovery target payment, plus or minus one percent.

<sup>1</sup>Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

**4A. District's LCFF Revenue Standard**

Indicate which standard applies:

LCFF Revenue

Basic Aid

Necessary Small School

The District must select which LCFF revenue standard applies.

LCFF Revenue Standard selected: LCFF Revenue

**4A1. Calculating the District's LCFF Revenue Standard**

DATA ENTRY: Enter LCFF Target amounts for the budget and two subsequent fiscal years.  
Enter data in Step 1a for the two subsequent fiscal years. All other data is extracted or calculated.  
Enter data for Steps 2a through 2d. All other data is calculated.

**Projected LCFF Revenue**

Has the District reached its LCFF target funding level?

No

If Yes, then COLA amount in Line 2b2 is used in Line 2e Total calculation.  
If No, then Gap Funding in Line 2c is used in Line 2e Total calculation.

**STANDARD:** Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the budget year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

It is likely that for many districts the 2014-15 and 2015-16 change from the historical average ratio will exceed the standard because certain revenues that were restricted prior to the LCFF are now unrestricted within the LCFF.

## Board Policy

### Charter Schools

BP 0420.4

#### Philosophy, Goals, Objectives, and Comprehensive Plans

Board Adopted: February 8, 2011

**The ~~Governing Board~~ Board of Trustees recognizes that charter schools may assist the District in offering diverse learning opportunities for District students. Further, t**The Board of Trustees believes that charter schools provide one opportunity to implement school level reform and to support innovations, which improve student learning. **In considering any petition to establish a charter school within the District, the Board shall give careful consideration to the potential of the charter school to provide students with a high-quality education that enables them to achieve to their fullest potential.** These schools shall operate under the provisions of their charters, federal laws, specified State laws, and general oversight of the Board.

**One or more persons may submit a petition for a start-up charter school to be established within the District. In addition, an existing District school may be converted to a charter school when deemed beneficial by the District and community or when State or federal law requires restructuring of the school because of low performance.**

**Any petition for a start-up charter school or conversion charter school shall include all components and signatures required by law and shall be submitted to the Board.**

The Superintendent or designee may work with charter school petitioners prior to the formal submission of the petition in order to gather information about the proposal and suggest components that would align the petition with the District's vision and goals for student learning. As needed, he/she may work with the petitioners to establish workable plans for technical assistance or contracted services, which the District may provide to the proposed charter school.

At his/her discretion, the Superintendent or designee may establish a staff advisory committee to review a submitted petition and the supporting documentation. Such a committee may be used to evaluate the completeness of the proposal, the merits of the proposed educational program, the level of community support, and any concerns that should be addressed by the petitioners. The Superintendent or designee shall also consult with legal counsel as appropriate regarding compliance of the proposal with legal requirements.

**Within 30 days of receiving a petition to establish a charter school, the Board shall hold a public hearing to determine the level of support for the petition by teachers, other employees of the District, and parents/guardians. (Education Code [47605](#))**

**Within 60 days of receiving a petition, or within 90 days with mutual consent of the petitioners and the Board, the Board shall either approve or deny the request to establish the charter school. (Education Code 47605)**

**The approval or denial of a charter petition shall not be controlled by collective bargaining agreements nor subject to review or regulation by the Public Employment Relations Board. (Education Code 47611.5)**

#### Approval of Petition

In determining whether to grant or deny a charter, the Board shall carefully review the proposed charter and any supplementary information, consider public and staff input, and determine whether the charter petition adequately addresses all the provisions required by law. The Board shall not deny a charter school petition unless specific written factual findings are made pursuant to law and administrative regulation.

**The Board may initially grant a charter for a specified term not to exceed five years. (Education Code 47607)**

The Board may approve one or more memoranda of understanding to clarify the financial and operational agreements between the District and the charter school. Any such memorandum of understanding shall be annually reviewed by the Board and charter school and adjusted as necessary.

The District shall not require any student to attend a charter school and shall not require any District employee to work at a charter school. (Education Code 47605)

The Board shall ensure that any charter granted by the Board contains adequate processes and measures for holding the school accountable for fulfilling the terms of its charter. These shall include, but not be limited to, fiscal accountability systems, multiple measures for evaluating the educational program, and regular reports to the Board.

The Board shall monitor each charter school to determine whether it makes "adequate yearly progress" as defined by the State Board of Education and federal Title I accountability requirements. If a charter school fails to make adequate yearly progress for two or more consecutive years, the Board shall take action for program improvement in accordance with law, Board policy, and administrative regulations.

#### **Denial of Petition**

**The Board shall deny any petition to authorize the conversion of a private school to a charter school or that proposes to serve students in a grade level that is not served by the District, unless the petition proposes to serve students in all the grade levels served by the District. (Education Code 47602, 47605; 5 CCR 11965)**

**Any other charter petition shall be denied only if the Board presents written factual findings specific to the petition that one or more of the following conditions exist: (Education Code 47605)**

- 1. The charter school presents an unsound educational program for the students to be enrolled in the charter school.**
- 2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.**
- 3. The petition does not contain the number of signatures required.**
- 4. The petition does not contain an affirmation of each of the conditions described in Education Code 47605(d).**
- 5. The petition does not contain reasonably comprehensive descriptions of the charter provisions in Education Code 47605(b).**

**The Board shall not deny a petition based on the actual or potential costs of serving students with disabilities, nor shall it deny a petition solely because the charter school might enroll disabled students who reside outside the special education local plan area in which the District participates. (Education Code 47605.7, 47647)**

~~The Board may consider converting an existing school to a charter school when State or federal law requires restructuring of the school because of low performance or when otherwise deemed beneficial by the District and community.~~

## **Board Policy**

### **Charter School Oversight**

**BP 0420.41**

#### **Philosophy, Goals, Objectives, and Comprehensive Plans**

The Board of Trustees recognizes its ongoing responsibility to ensure that any charter school authorized by the Board is successfully fulfilling the terms of its charter and is providing a high-quality educational program for students enrolled in the charter school.

The Superintendent or designee shall identify at least one staff member to serve as a contact for each charter school. (Education Code 47604.32)

The Board and Superintendent or designee may inspect or observe any part of the charter school at any time. The Superintendent or designee shall visit each charter school at least annually. (Education Code 47604.32, 47607)

Whenever a charter school operates as or is operated by a nonprofit public benefit corporation as authorized by Education Code 47604, the Superintendent shall recommend and the Board shall appoint a District representative, who may be the District's charter school contact, on the corporation's board of directors.

#### **Waivers**

If the charter school wishes to request a general waiver of any State law or regulation, it shall request that the District submit a general waiver request to the State Board of Education (SBE) on its behalf. Upon approval of the Board, the Superintendent or designee shall apply for the waiver.

#### **Provision of District Services**

The charter school may purchase administrative or other services from the District or any other source. (Education Code 47613)

Whenever the District agrees to provide administrative or support services, the District and charter school shall develop a memorandum of understanding which clarifies the financial and operational agreements between the District and charter school.

At the request of a charter school, the Superintendent or designee shall create and submit any reports required by the State Teachers' Retirement System or Public Employees' Retirement System on behalf of the charter school. The charter school may be charged for the actual costs of the reporting services, but shall not be required to purchase payroll processing services from the District as a condition for creating and submitting these reports. (Education Code 47611.3)

#### **Material Revisions to Charter**

Material revisions to a charter may be made only with Board approval. Material revisions shall be governed by the same standards and criteria that apply to new charter petitions as set forth in Education Code 47605 and shall include, but not be limited to, a reasonably comprehensive description of any new requirement for charter schools enacted into law after the charter was originally granted or last renewed. (Education Code 47607)

If an approved charter school proposes to expand operations to one or more additional sites within the District's boundaries, the charter school shall request a material revision to its charter and shall notify the Board of those additional locations. The Board shall consider approval of the additional locations at an open meeting. (Education Code 47605)

The Board shall have the authority to determine whether a proposed change in charter school operations constitutes a material revision.

#### Monitoring Charter School Performance

The Superintendent or designee shall monitor the charter school to determine whether it complies with all legal requirements applicable to charter schools, including making all reports required of charter schools in accordance with Education Code 47604.32. Any violations of law shall be reported to the Board.

The Board shall monitor each charter school to determine whether it is achieving, both schoolwide and for all groups of students served by the school, the measurable student outcomes set forth in the charter. This determination shall be based on the measures specified in the approved charter and shall include, at a minimum, a consideration of whether the school is meeting its Academic Performance Index growth targets established pursuant to Education Code 52052 and is making "adequate yearly progress" (AYP) pursuant to 20 USC 6311, as applicable.

The Board shall monitor the fiscal condition of the charter school based on any financial information obtained from the charter school, including, but not limited to, the charter school's preliminary budget; an annual update, aligned to the template adopted by the SBE, of school goals, actions, and related expenditures; first and second interim financial reports; and final unaudited report for the full prior year. (Education Code 47604.32, 47604.33, 47606.5)

The District may charge up to one percent of a charter school's revenue for the actual costs of supervisory oversight of the school. However, if the District is able to provide substantially rent-free facilities to the charter school, the District may charge actual costs of supervisory oversight up to three percent of the charter school's revenue. (Education Code 47613)

#### Technical Assistance/Intervention

If a charter school receiving federal Title I funding fails to make AYP, as defined pursuant to 20 USC 6311, for two or more consecutive years, the school shall be identified for program improvement and shall implement improvement strategies in accordance with 20 USC 6316.

If, in three out of four consecutive school years, a charter school fails to improve outcomes for three or more student subgroups identified in Education Code 52052, or for all of the student subgroups if the school has fewer than three, in regard to one or more State or school priorities identified in the charter, the District: (Education Code 47607.3)

1. Shall provide technical assistance to the charter school using an evaluation rubric adopted by the SBE pursuant to Education Code 52064.5
2. May request that the Superintendent of Public Instruction (SPI), with SBE approval, assign the California Collaborative for Educational Excellence to provide advice and assistance to the charter school pursuant to Education Code 52074

In accordance with law, the Board may deny a charter's renewal petition or may revoke a charter based on the charter school's poor performance, especially with regards to the academic achievement of all numerically significant subgroups of students served by the charter school.

## Complaints

Each charter school shall maintain processes to enable any person to file a complaint, in accordance with the uniform complaint procedures as specified in 5 CCR 4600-4687, alleging the school's noncompliance with Education Code 47606.5 or 47607.3. (Education Code 52075)

A complainant who is not satisfied with the decision may appeal the decision to the SPI. (Education Code 52075)

If the charter school finds merit in the complaint or the SPI finds merit in an appeal, a remedy shall be provided to all affected students and parents/guardians. (Education Code 52075)

## School Closure

In the event that the Board revokes or denies renewal of a charter or the school closes for any other reason, the Superintendent or designee shall, when applicable in accordance with the charter and/or a memorandum of understanding, provide assistance to facilitate the transfer of the charter school's former students and to finalize financial reporting and close-out.

The Superintendent or designee shall provide notification to the California Department of Education, within 10 calendar days, if the charter school will cease operation for any reason.

Such notification shall include, but not be limited to, a description of the circumstances of the closure, the effective date of the closure, and the location of student and personnel records. (Education Code 47604.32; 5 CCR 11962.1)

## **Board Policy**

### **Charter School Renewal**

**BP 0420.42**

#### **Philosophy, Goals, Objectives, and Comprehensive Plans**

The Board of Trustees believes that the ongoing operation of a charter school established within the District should be dependent on the school's effectiveness in achieving its mission and goals for student learning and other student outcomes. Whenever a charter school submits a petition for renewal of its charter, the Board shall review the petition thoroughly and in a timely manner.

Each renewal granted by the Board shall be for a period of five years. (Education Code 47607)

#### Submission of Renewal Petition

A charter school seeking renewal of its charter is encouraged to submit its petition for renewal to the Board sufficiently early before the term of the charter is due to expire.

The signature requirement applicable to new charter petitions is not applicable to petitions for renewal. (5 CCR 11966.4)

The petition for renewal shall include a reasonably comprehensive description of how the charter school has met all new charter school requirements enacted into law after the charter was originally granted or last renewed. The petition also shall include documentation that the charter school meets at least one of the criteria for academic performance specified in Education Code 47607(b), as listed in item #5 in the section "Criteria for Granting or Denying Renewal" below. (Education Code 47607; 5 CCR 11966.4)

#### Criteria for Granting or Denying Renewal

Renewals shall be governed by the same standards and criteria that apply to new charter petitions as set forth in Education Code 47605. The Board shall consider the past performance of the charter school's academics, finances, and operations in evaluating the likelihood of future success, along with plans for improvement, if any. (Education Code 47607; 5 CCR 11966.4)

In determining whether to grant a charter renewal, the Board shall consider increases in academic achievement for all "numerically significant" groups of students served by the charter school, as defined in Education Code 52052, as the most important factor. (Education Code 47607)

The Board shall deny a renewal petition only if it makes a written factual finding setting forth specific facts to support one or more of the following grounds: (Education Code 47605, 47607; 5 CCR 11966.4)

1. The charter school presents an unsound educational program for the students enrolled in the school.
2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.
3. The petition does not contain an affirmation of each of the conditions described in Education Code 47605(d).

4. The petition does not contain reasonably comprehensive descriptions of the charter provisions in Education Code 47605(b).

5. The charter school has failed to meet at least one of the following criteria of academic performance:

a. Attainment of its Academic Performance Index (API) growth target in the prior year or in two of the last three years, both schoolwide and for all numerically significant groups of students served by the charter school as defined in Education Code 52052.

b. An API ranking in deciles 4-10 in the prior year or in two of the last three years.

c. An API ranking in deciles 4-10 for a demographically comparable school in the prior year or in two of the last three years.

d. Academic performance at least equal to the academic performance of the public schools that the charter school students would otherwise have been required to attend as well as the academic performance of District schools, taking into account the composition of the student population that is served at the charter school. In determining whether the charter school satisfies this criterion, the Board shall base its decision on:

(1) Documented clear and convincing data

(2) Student achievement data from assessments, including, but not limited to, the Standardized Testing and Reporting Program, for demographically similar student populations in comparison schools

(3) Information submitted by the charter school

Whenever the Board makes a determination based on this criterion, the Superintendent or designee shall submit copies of supporting documentation and a written summary of the basis for the Board's determination to the Superintendent of Public Instruction.

e. Qualification for an alternative accountability system pursuant to Education Code 52052(h)

#### Timelines for Board Action

Within 30 days of receiving the renewal petition, the Board shall hold a public hearing to review documentation submitted by the charter school and obtain public input.

If the charter school submits documentation pursuant to item #5d in the section "Criteria for Granting or Denying Renewal" above, the Board shall not grant a renewal until at least 30 days after the submission of such documentation. (Education Code 47607)

Within 60 days of receiving the renewal petition, or within 90 days if extended by mutual written agreement of the Board and the charter school, the Board shall either grant or deny the request to renew the charter. (Education Code 47607; 5 CCR 11966.4)

If the Board fails to make a written factual finding pursuant to items #1-5 in the section "Criteria for Granting or Denying Renewal" above within the required time period, the absence of a written factual finding shall be deemed an approval of the renewal petition. (5 CCR 11966.4)

The Superintendent or designee shall provide notification to the California Department of Education, within 10 calendar days of the Board's action, whenever a renewal of the charter is granted or denied. (Education Code 47604.32; 5 CCR 11962.1)

If the Board denies a renewal petition, the charter school may submit its application for renewal to the County Board of Education within 30 days of the Board's written factual findings supporting the denial. If the County Board then fails to deny or grant the petition within 60 days of receiving the petition, or within 90 days if extended by written mutual agreement of the charter school and the County Board, the charter school may submit the petition to the State Board of Education. # **Fullerton School District**

## **Board Policy**

### **Charter School Revocation**

**BP 0420.43**

#### **Philosophy, Goals, Objectives, and Comprehensive Plans**

The Board of Trustees expects any charter school it authorizes to provide a sound educational program that promotes student learning and to carry out its operations in a manner that complies with law and the terms of its charter.

The Board may revoke a charter before the date it is due to expire whenever the Board makes a written factual finding, supported by substantial evidence, that the charter school has done any of the following: (Education Code 47607)

1. Committed a material violation of any of the conditions, standards, or procedures set forth in the charter
2. Failed to meet or pursue any of the student outcomes identified in the charter
3. Failed to meet generally accepted accounting principles or engaged in fiscal mismanagement
4. Violated any provision of law

The Board shall also consider revocation of a charter whenever the California Collaborative for Educational Excellence (CCEE), after providing advice and assistance to the charter school pursuant to Education Code 47607.3, submits to the Board either of the following findings: (Education Code 47607.3)

1. That the charter school has failed or is unable to implement the recommendations of the CCEE
2. That the inadequate performance of the charter school, as based on an evaluation rubric adopted by the State Board of Education (SBE), is so persistent or acute as to require revocation of the charter

In determining whether to revoke a charter, the Board shall consider increases in student academic achievement for all "numerically significant" groups of students served by the charter school, as defined in Education Code 52052, as the most important factor. (Education Code 47607, 47607.3)

At least 72 hours prior to any Board meeting at which the Board will consider issuing a Notice of Violation, the Board shall provide the charter school with notice and all relevant documents related to the proposed action. (5 CCR 11968.5.2)

If the Board takes action to issue a Notice of Violation, it shall deliver the Notice of Violation to the charter school's governing body. The Notice of Violation shall identify: (Education Code 47607; 5 CCR 11965, 11968.5.2)

1. The charter school's alleged violation(s).
2. All evidence relied upon by the Board in determining that the charter school committed the alleged violation(s), including the date and duration of the alleged violation(s). The Notice shall show

that each alleged violation is both material and uncured and that it occurred within a reasonable period of time before the Notice of Violation is issued.

3. The period of time that the Board has concluded is a reasonable period of time for the charter school to remedy or refute the identified violation(s). In identifying this time period, the Board shall consider the amount of time reasonably necessary to remedy each identified violation, which may include the charter school's estimation as to the anticipated remediation time.

By the end of the remedy period identified in the Notice of Violation, the charter school's governing body may submit to the Board a detailed written response and supporting evidence addressing each identified violation, including the refutation, remedial action taken, or proposed remedial action. (5 CCR 11968.5.2)

Within 60 calendar days of the conclusion of the remedy period, the Board shall evaluate any response and supporting evidence provided by the charter school's governing body and shall take one of the following actions: (5 CCR 11968.5.2)

1. Discontinue revocation of the charter and provide timely written notice of such action to the charter school's governing body

2. If there is substantial evidence that the charter school has failed to remedy a violation identified in the Notice of Violation or to refute a violation to the Board's satisfaction, continue revocation of the charter by issuing a Notice of Intent to Revoke to the charter school's governing body

If the Board issues a Notice of Intent to Revoke, it shall hold a public hearing concerning the revocation on the date specified in the notice, which shall be no later than 30 days after providing the notice. Within 30 calendar days after the public hearing, or within 60 calendar days if extended by written mutual agreement of the Board and the charter school, the Board shall issue a final decision to revoke or decline to revoke the charter. (Education Code 47607; 5 CCR 11968.5.2)

If the Board fails to meet the timelines specified above for issuing a Notice of Intent to Revoke or a final decision, the revocation process shall be deemed terminated. (5 CCR 11968.5.2)

Within 10 calendar days of the Board's final decision, the Superintendent or designee shall provide a copy of the final decision to the California Department of Education (CDE) and the County Board of Education. (Education Code 47604.32; 5 CCR 11968.5.2)

#### Severe and Imminent Threat

The procedures specified above shall not be applicable when the Board determines, in writing, that any violation under Education Code 47607 constitutes a severe and imminent threat to the health or safety of students. In such circumstances, the Board may immediately revoke the school's charter by approving and delivering a Notice of Revocation by Determination of a Severe and Imminent Threat to Pupil Health or Safety to the charter school's governing body, the County Board, and the CDE. (Education Code 47607; 5 CCR 11968.5.3)

#### Appeals

If the Board revokes a charter, the charter school may, within 30 days of the Board's final decision, appeal the revocation to the County Board. Either the charter school or the District may subsequently appeal the County Board's decision to the SBE. However, a revocation based upon the findings of the CCEE pursuant to Education Code 47607.3 may not be appealed. (Education Code 47607, 47607.3; 5 CCR 11968.5.3-11968.5.5)

CONSENT ITEM

**DATE:** June 21, 2016  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

**SUBJECT:** APPROVE ORGANIZATIONAL MEMBERSHIPS FOR 2016/2017

Background: Each year the Board approves organizational memberships. These memberships provide opportunities for staff development and literature related to specific responsibility areas. Staff is requesting approval of the 2016/2017 organizational memberships listed on the attachment.

The Board will note that the annual membership costs are listed as “estimated.” Any unknown costs were increased by approximately 10% over the 2015/2016 expenditure level, even though staff does not expect the increases to be that high for the 2016/2017 year.

Rationale: Participation in organizational memberships provides additional opportunities for staff to increase knowledge and skills in specific job-related areas.

Funding: Costs will be paid from General Fund and Categorical Funds.

Recommendation: Approve organizational memberships for 2016/2017.

**SUBJECT:** **APPROVE/RATIFY AMENDMENT #4 TO CONTRACT #38018 WITH THE ORANGE COUNTY DEPARTMENT OF EDUCATION (OCDE) FOR IMPLEMENTATION AND SOFTWARE SUPPORT OF THE SUNGARD BI-TECH SYSTEM FOR FISCAL YEAR 2016/2017**

Background: The Orange County Department of Education (OCDE) operates the SunGard Bi-Tech System for approximately thirty (30) school districts and community colleges within the County. Fullerton School District began using the SunGard Bi-Tech System in the 1998/1999 fiscal year.

The 2012/2013 contract was approved/ratified by the Board of Trustees on May 22, 2012, and contains language allowing annual renewals for up to five years. The purpose of Amendment #4 is to renew the contract for the 2016/2017 fiscal year. Other than the cost, all aspects of the contract remain the same as in 2012/2013. The cost in Amendment #4 is \$71,211, an increase of \$3,391 from 2015/2016.

Rationale: SunGard Bi-Tech System is the financial system used by the Fullerton School District. OCDE is the service provider and software support provider. The proposed contract defines the terms of service, software support, charges, and any additional requirements of either party.

Funding: The total cost of \$71,211 is paid from the General Fund.

Recommendation: Approve/Ratify Amendment #4 to Contract #38018 with the Orange County Department of Education (OCDE) for implementation and software support of the SunGard Bi-Tech System for fiscal year 2016/2017.

Background: On August 20, 2013, the Board approved and a contract was awarded to Imagine Source Inc., to provide multifunction printers and managed print services Districtwide. The Request for Proposal (RFP) was for three years with option to renew for up to two additional years. This will be the first of the two, one-year extension periods. Rationale: District schools and support departments need reliable and cost-effective equipment, supplies, and services to meet daily copying and printing needs.

Background: In June 2014, the Board approved the District utilization of Hawthorne School District piggybackable Bid 13-14-1 to purchase furniture and accessories from Culver-Newlin, Inc., and Concepts School and Office Furnishings. Hawthorne School District renewed for an additional year; this will be year two of four options to renew at the District's discretion, inclusive of future renewal options though June 30, 2019. **SUBJECT:** APPROVE INDEPENDENT CONTRACTOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND HOWARD PRESCOTT FOR CONSULTING SERVICES FOR THE 2016/2017 SCHOOL YEAR

Background: In response to severe drought conditions, the State of California issued a statewide mandate for water savings. As a result, local governmental agencies were required to develop plans to meet these required savings. In 2015-16 FSD utilized the consulting services of Mr. Prescott to work with FSD management and staff, as well as our partners at the City of Fullerton, to ensure we were able to meet these mandates. A comprehensive Water Action Plan was developed and implemented, resulting in 27% decline in water usage, and savings of \$82,000 to the District. The District continues to develop, refine, and utilize the plan to provide continued savings and look for additional ways to save resources.

Rationale: The previous contract has expired and staff wishes to continue the current contract. The current year's contract reflects reduced hours to be spent by the consultant this fiscal year. The hourly billing rate remains the same.

When District employees are unable to provide necessary services, the District enters into an independent contractor agreement with individuals who will provide specialized services to the District and who are specially trained, experienced, and competent to perform the required services.

Funding: Services will be utilized on an as-needed basis. The cost is not to exceed \$10,000, at a rate of \$65 per hour, plus \$35 per hour for clerical services to be paid from the Unrestricted General Fund.

Recommendation: Approve independent contractor agreement between Fullerton School District and Howard Prescott for consulting services for the 2016/2017 school year.

I. **ENGAGEMENT.** Client hires Attorney as its legal counsel with respect to matters the Client refers to Attorney. Attorney shall provide legal services to represent Client in such matters, keep Client informed of significant developments and respond to Client’s inquiries regarding those matters. Client understands that Attorney cannot guarantee any particular results, including the costs and expenses of representation. Client agrees to be forthcoming with Attorney, to cooperate with Attorney in protecting Client’s interests, to keep Attorney fully informed of developments material to Attorney’s representation of client, and to abide by this Agreement. Client is hereby advised of the right to seek independent legal advice regarding this Agreement.

II. **RATES TO BE CHARGED.** Client agrees to pay Attorney for services rendered based on the attached rate schedule. Agreements for legal fees on other-than-an-hourly basis may be made by mutual agreement for special projects (including as set forth in future addenda to this Agreement).

III. **REIMBURSEMENT.** Client agrees to reimburse Attorney for actual and necessary expenses and costs incurred in the course of providing legal services to Client, including but not limited to expert, consultant, mediation and arbitration fees. Attorney shall not be required to advance costs on behalf of Client over the amount of \$1,000 unless otherwise agreed to in writing by Attorney. Typical expenses advanced for Client, without prior authorization, include messenger fees, witness fees, expedited delivery charges, travel expenses, court reporter fees and transcript fees. Client authorizes Attorney to retain experts or consultants to perform services for Client in relation to litigation or Specialized Services.

IV. **MONTHLY INVOICES.** Attorney shall send Client a statement for fees and costs incurred every calendar month (the “Statement”). Statements shall set forth the amount, rate and description of services provided. Client shall pay Attorney’s Statements within thirty (30) calendar days after receipt. An interest charge of one percent (1%) per month shall be assessed on balances that are more than thirty (30) calendar days past due, not to exceed 10% per annum.

V. **COMMUNICATIONS BETWEEN ATTORNEY AND CLIENT.** The Parties recognize that all legal advice provided by Attorney is protected by the Attorney-Client and Work Product Privileges. In addition to regular telephone, mail and other common business communication methods, Client hereby authorizes Attorney to use facsimile transmissions, cellular telephone calls and text, unencrypted email, and other electronic transmissions in communicating with

Client. Unless otherwise instructed by Client, any such communications may include confidential information.

VI. POTENTIAL AND ACTUAL CONFLICTS OF INTEREST. If Attorney becomes aware of any potential or actual conflict of interest between Client and one or more other clients represented by Attorney, Attorney will comply with applicable laws and rules of professional conduct.

VII. INDEPENDENT CONTRACTOR. Attorney is an independent contractor and not an employee of Client.

VIII. TERMINATION.

a. Termination by Client. Client may discharge Attorney at any time, with or without cause, by written notice to Attorney.

b. Termination by Mutual Consent or by Attorney. Attorney may terminate its services at any time with Client's consent or for good cause. Good cause exists if (a) Client fails to pay Attorney's Statement within sixty (60) calendar days of its date, (b) Client fails to comply with other terms of this Agreement, including Client's duty to cooperate with Attorney in protecting Client's interests, (c) Client has failed to disclose material facts to Attorney or (d) any other circumstance exists that requires termination of this engagement under the ethical rules applicable to Attorney. Additionally, to the extent allowed by law, Attorney may decline to provide services on new matters or may terminate the Agreement without cause upon written notice to Client if Attorney is not then providing any legal services to Client.

c. Following Termination. Upon termination by either Party: (i) Client shall promptly pay all unpaid fees and costs for services provided or costs incurred pursuant to this Agreement up to the date of termination; (ii) unless otherwise required by law or agreed to by the Parties, Attorney will provide no legal services following notice of termination; (iii) Client will cooperate with Attorney in facilitating the orderly transfer of any outstanding matters to new counsel, including promptly signing a substitution of counsel form at Attorney's request; and (iv) Client shall, upon request, be provided the Client's file maintained for the Client by Attorney and shall sign acknowledgment of receipt upon delivery of that file. For all Statements received by Client from Attorney prior to the date of termination, Client's failure to notify Attorney in writing of any disagreement with either the services performed or the charges for those services as shown in the Statement within thirty (30) calendar days of the date of termination shall be deemed Client's acceptance of and agreement with the Statement. For any billing appearing for the first time on a Statement received by Client from Attorney after the date of termination, failure to notify Attorney in writing of any disagreement with either the services performed or the charges for those services within thirty (30) calendar days from receipt of the Statement shall be deemed to signify Client's acceptance of and agreement with the Statement.

IX. MAINTENANCE OF INSURANCE. Attorney agrees that, during the term of this Agreement, Attorney shall maintain liability and errors and omissions insurance.

X. CONSULTANT SERVICES. Attorney works with professional consultants that provide services, including but not limited to investigations, public relations, educational consulting, leadership mentoring and development, financial, budgeting, management auditing, board/superintendent relations, administrator evaluation and best practices, and intergovernmental relations. Attorney does not share its legal fees with such consultants. Attorney may offer these services to Client upon request.

XI. DISPUTE RESOLUTION.

a. Mediation. Except as otherwise set forth in this section, Client and Attorney agree to make a good faith effort to settle any dispute or claim that arises under this Agreement through discussions and negotiations and in compliance with applicable law. In the event of a claim or dispute, either Party may request, in writing to the other Party, to refer the dispute to mediation. This request shall be made within thirty (30) calendar days of the action giving rise to the dispute. Upon receipt of a request for mediation, both Parties shall make a good faith effort to select a mediator and complete the mediation process within sixty (60) calendar days. The mediator's fee shall be shared equally between Client and Attorney. Each Party shall bear its own attorney fees and costs. Whenever possible, any mediator selected shall have expertise in the area of the dispute and any selected mediator must be knowledgeable regarding the mediation process. No person shall serve as mediator in any dispute in which that person has any financial or personal interest in the outcome of the mediation. The mediator's recommendation for settlement, if any, is non-binding on the Parties. Mediation pursuant to this provision shall be private and confidential. Only the Parties and their representatives may attend any mediation session. Other persons may attend only with the written permission of both Parties. All persons who attend any mediation session shall be bound by the confidentiality requirements of California Evidence Code section 1115, et seq., and shall sign an agreement to that effect. Completion of mediation shall be a condition precedent to arbitration, unless the other Party refuses to cooperate in the setting of mediation.

b. Dispute Regarding Fees. Any dispute as to attorney fees and/or costs charged under this Agreement shall to the extent required by law be resolved under the California Mandatory Fee Arbitration Act (Bus. & Prof. Code §§ 6200, et seq.).

c. Binding Arbitration. Except as otherwise set forth in section (b) above, Client and Attorney agree to submit all disputes to final and binding arbitration, either following mediation which fails to resolve all disputes or in lieu of mediation as may be agreed by the Parties in writing. Either Party may make a written request to the other for arbitration. If made in lieu of mediation, the request must be made within sixty (60) calendar days of the action giving rise to the dispute. If the request for arbitration is made following an unsuccessful attempt to mediate the Parties' disputes, the request must be made within ten (10) calendar days of termination of the mediation. The Parties shall

make a good faith attempt to select an arbitrator and complete the arbitration within ninety (90) calendar days. If there is no agreement on an arbitrator, the Parties shall use the Judicial Arbitration and Mediation Service (JAMS). The arbitrator's qualifications must meet the criteria set forth above for a mediator, except, in addition, the arbitrator shall be an attorney unless otherwise agreed by the Parties. The arbitrator's fee shall be shared equally by both Parties. Each Party shall bear its own attorney fees and other costs. The arbitrator shall render a written decision and provide it to both Parties. The arbitrator may award any remedy or relief otherwise available in court and the decision shall set forth the reasons for the award. The arbitrator shall not have any authority to amend or modify this agreement. Any arbitration conducted pursuant to this paragraph shall be governed by California Code of Civil Procedure sections 1281, et seq. By signing this Agreement, Client acknowledges that this agreement to arbitrate results in a waiver of Client's right to a court or jury trial for any fee dispute or malpractice claim. This also means that Client is giving up Client's right to discovery and appeal. If Client later refuses to submit to arbitration after agreeing to do so, Client maybe ordered to arbitrate pursuant to the provisions of California law. Client acknowledges that before signing this Agreement and agreeing to binding arbitration, Client is entitled, and has been given a reasonable opportunity, to seek the advice of independent counsel.

d. Effect of Termination. The terms of this section shall survive the termination of the Agreement.

XII. ENTIRE AGREEMENT. This Agreement with its exhibit supersedes any and all other prior or contemporaneous oral or written agreements between the Parties. Each Party acknowledges that no representations, inducements, promises or agreements have been made by any person which are not incorporated herein, and that any other agreements shall be void. Furthermore, any modification of this Agreement shall only be effective if in writing signed by all Parties hereto.

XIII. SEVERABILITY. Should any provision of this Agreement be held by a court of competent jurisdiction to be invalid, void or unenforceable, but the remainder of the Agreement can be enforced without failure of material consideration to any Party, then this Agreement shall not be affected and it shall remain in full force and effect, unless amended or modified by mutual consent of the Parties; provided, however, that if the invalidity or unenforceability of any provision of this Agreement results in a material failure of consideration, then, to the extent allowed by law, the Party adversely affected thereby shall have the right in its sole discretion to terminate this Agreement upon providing written notice of such termination to the other Party.

XIV. NON-WAIVER. None of the provisions of this Agreement shall be considered waived by either Party unless such waiver is specified in writing.

XV. NO THIRD PARTY RIGHTS. This Agreement shall not create any rights in, or inure to the benefit of, any third party.

CONSENT ITEM

**DATE:** June 21, 2016

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Emy Flores, Ed.D., Assistant Superintendent, Educational Services

**PREPARED BY:** Robin Gilligan, Director, Student Support Services

**SUBJECT:** **APPROVE 2016/2017 MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN FULLERTON SCHOOL DISTRICT AND ORANGE COUNTY SUPERINTENDENT OF SCHOOLS, ORANGE COUNTY DEPARTMENT OF EDUCATION (OCDE) FOR SPECIAL EDUCATION PROGRAMS AND PROCEDURES**

Background: The Orange County Department of Education within this Memorandum of Understanding outlines the parameters within which the school districts in the County may utilize the County special education programs and services to individuals with exceptional needs requiring intensive educational services, such as profoundly delayed students, behaviorally challenged students and hard of hearing students. The County provides programs to school districts when the District does not have an appropriate placement for the child. This agreement is effective for the period beginning July 1, 2016 and ending June 30, 2017. Program placements are jointly approved by the school district and the Orange County Department of Education. An explanation of the funding for placement and services is within the context of this MOU as well as scope of the program. Transportation of students is addressed in the context of the MOU. In addition, the Excess Cost actual credit/refund is included in the document.

Rationale: School districts on occasion do not have programs to serve students who require intensive educational services. Programs for the profoundly delayed or profoundly behaviorally challenged students may be recommended for placement in a County program. A number of years ago, a regional program for the hearing impaired was terminated as a regional program based upon the District not desiring to be the regional program. Due to this, OCDE took over the oral program for hearing impaired students at the elementary and jr. high school level.

Funding: Funding for this program is provided through an Excess Cost determined by OCDE billed to districts monthly using the General Fund Restricted Special Education.

Recommendation: Approve 2016/2017 Memorandum of Understanding (MOU) between Fullerton School District and Orange County Superintendent of Schools, Orange County Department of Education (OCDE) for Special Education programs and procedures.

Memorandum of Understanding Between  
The Orange County Superintendent of Schools  
And  
“Fullerton School District”  
2016-2017

The Orange County Superintendent of Schools, which operates the Division of Special Education Services within the Orange County Department of Education, hereinafter referred to as “OCDE” and the “Fullerton School District,” herein referred to as “District,” and collectively referred to herein as the “Parties,” mutually agree as follows (Agreement):

1. Basis of Agreement

Pursuant to the authority established in Education Code Sections 56195, 56195.1, 56195.3 and 56195.5, OCDE may provide for the education of individual pupils in special education programs who reside in other districts or counties. The OCDE Division of Special Education Services operates the OCDE Special Schools Program to provide special education programs and services to individuals with exceptional needs requiring intensive educational services, including a regional deaf and hard of hearing program.

2. Term of Agreement

This Agreement is effective for the period beginning July 1, 2016, and ending June 30, 2017.

3. Acknowledgment of Special Education Funding Formula

It is acknowledged that, in accordance with Part 30 of the Education Code, Chapter 7.2, Section 56836 et seq., the California State funding formula for special education programs, services and administration generates an entitlement based on the average daily attendance of pupils in the local education agencies that comprise a Special Education Local Plan Area (SELPA). It is further acknowledged that the SELPA base year calculations for special education funding under Assembly Bill 602 (AB 602) include a dollar amount that is transferred back to the SELPA of residence for pupils served in special education programs prior to implementation of AB 602. The Parties acknowledge that both the distribution of these special education funds and the District's fiscal responsibility for students served outside the SELPA of residence are determined by the Local Plan of the SELPA of residence.

4. Scope of Program and Referral Process to OCDE

OCDE shall conduct special education programs and services for those eligible pupils of the District referred by their Individualized Education Program (IEP) Teams when it is jointly determined by the District and OCDE that the pupil's educational needs as specified in the pupil's IEP can be appropriately met by the programs and services operated by OCDE. Prior to offering placement in any OCDE Special Schools Program, the District shall contact the appropriate OCDE Special Schools Principal to discuss a possible referral and the appropriateness of the OCDE Special Schools Program placement. If the referral seems appropriate, the District shall obtain from the parent authorization to release information to OCDE and submit an OCDE referral packet to the appropriate OCDE Special Schools Principal

as well as schedule a visitation with the parent. OCDE referral packets are available on-line at <http://www.ocde.us/sped/Pages/default.aspx>.

Upon review of the referral packet and site visit by parent, the OCDE Special Schools Principal and District representative will coordinate an IEP team meeting for purposes of discussing possible placement in an OCDE Special Schools Program. OCDE shall maintain and provide special education programs for District pupils during the 2016-2017 school year within the administrative parameters established by the Special Education Fiscal Advisory Committee. Class size ranges and student-adult ratios shall be maintained in a manner which allows OCDE to meet the programmatic, health and safety needs of the pupils.

5. Responsibility of School District of Residence

The District and OCDE acknowledge that the District, as the pupil's district of residence, maintains primary responsibility as the local education agency (LEA) to ensure the pupil receives a free appropriate public education. In the event a pupil participating in an OCDE Special Schools Program moves out of the District, the District shall immediately provide OCDE written notice of the pupil's change in residence, including the new school district of residence, if known. Similarly, OCDE shall immediately notify District in the event a parent reports a change in residence, including the new school district of residence, if known.

6. Annual and Triennial Reviews

The District shall be notified of annual reviews scheduled for its pupils participating in an OCDE Special Schools Program and may provide a representative who will participate in the development of the annual IEP. For initial placement, triennial review, recommendation for

home instruction, or a change in eligibility or services specified on the current IEP, a District representative who is authorized to approve or disapprove the allocation of specified District resources necessary for the implementation of the pupil's IEP shall attend the IEP team meeting. For pupils enrolled in an OCDE Special Schools Program who are participating in a general education program on the school site in the school district where the OCDE Special Schools Program is located ("Host District") OCDE will work with the Host District to provide a general education teacher at IEP team meetings. In the event the Host District is unable to provide a general education teacher for the IEP team meeting, the District agrees to provide a general education teacher unless otherwise waived in writing by the pupil's parent in accordance with the Individuals with Disabilities Education Act (IDEA) and State law. For all other pupils enrolled in an OCDE Special Schools Program, the District agrees to provide a general education teacher at IEP team meetings unless otherwise waived in writing by pupil's parent in accordance with the IDEA and State law. Subject to approval by the pupil's parents, the general education teacher and/or other IEP team participants may use alternative means of meeting participation, such as video conferences and conference calls.

Progress reports relating to goals and objectives in a pupil's IEP shall be sent by OCDE to parents per the pupil's IEP schedule for progress reporting and to the Director of Special Education of the District upon request. When requested by District or parent, an updated report shall be provided if there is no current progress report whenever a pupil is scheduled for an IEP review or when pupil's enrollment in OCDE is terminated.

7. Integration/Mainstreaming Opportunities

The Host District where OCDE Special Schools Programs operate often provide opportunities for pupils enrolled in an OCDE Special Schools Program to integrate with non-disabled typical peers during the school day. These opportunities are typically in non-core curriculum areas such as physical education, art, music, assemblies, recess and lunch. Some pupils enrolled in an OCDE Special Schools Program will participate in core curriculum activities for a portion of the school day in a program operated by the Host District, however, such pupils are supervised by OCDE staff at all times during such activities. In the event a pupil enrolled in an OCDE Special Schools Program is participating in core curriculum activities in a program operated by the Host District for more than 50% of the school day, the Host District will be reimbursed for any costs incurred resulting from such pupil's participation, upon OCDE's receipt of appropriate documentation of such costs.

8. Assessments/Independent Educational Evaluations

OCDE and District shall coordinate and collaborate in conducting assessments for pupils participating in an OCDE Special Schools Program. In the event OCDE staff is not available to conduct a requested assessment, OCDE shall notify the District and/or District's SELPA to assist in conducting such assessment(s). In the event a referral is made by a pupil's IEP team or a pupil's parent/guardian for an educationally related mental health services (ERMHS) assessment, OCDE shall immediately notify the District, and the District shall determine how to proceed with the requested ERMHS assessment.

In the event a request is made for an independent educational evaluation (IEE), OCDE shall immediately forward such request to the District and the District, in collaboration with OCDE,

shall determine how to respond to the request for an IEE. If the District receives a request for assessment or IEE for a student referred to or enrolled in an OCDE Special Schools Program, the District shall immediately notify OCDE of the request and collaborate with OCDE as to how to respond. OCDE and/or the District may also schedule an IEP team meeting to further discuss the requested IEE or assessment.

9. Pupil Count

A count shall be taken of the number of pupils enrolled in OCDE's Special Schools Program as of the first day of each calendar month, July 1, 2016 through June 1, 2017. A pupil shall be counted as "enrolled" in an OCDE Special Schools Program on the first day of attendance in the program or fourteen (14) days after the IEP team has met and an approved IEP has been executed for the pupil's educational placement in an OCDE Special Schools Program, whichever occurs sooner. Pupils continuing in an OCDE Special Schools Program from the previous school year shall be counted as "enrolled" on the first school day in September unless written notification of withdrawal is received from either the parent or district of residence. If a continuing pupil has not attended school by the eleventh (11<sup>th</sup>) day of the first school month, OCDE shall notify the district of residence and a determination shall be made regarding continuing enrollment. In the event either OCDE or District are informed that a pupil has been withdrawn by the parent from an OCDE Special Schools Program, each agency shall immediately notify the other of such withdrawal. Any pupil withdrawn by the parent from an OCDE Special Schools Program is no longer counted as "enrolled" or considered a continuing pupil for the following school year.

10. Definitions

a. “Special Education Fiscal Advisory Committee” shall be a committee comprised of the Orange County Special Education Local Plan Area Directors, Chief Business Officials representing each SELPA and OCDE representatives including the Chief of Special Education Services Division, Director of Special Schools and Programs, Business Administrator, and the Assistant Superintendent of Business Services, or designee.

#### 11. Funding

In consideration of the enrollment of pupils in special education programs conducted by OCDE, the SELPA and/or the school district transferring pupils to the regional programs operated by OCDE agree to pay the average cost per pupil based on expenditure categories and ratios reviewed by the Special Education Fiscal Advisory Committee and shall provide for program funding as follows:

a. The District shall be responsible for the Average Cost per Pupil in an OCDE Special Schools Program, including the Regional Deaf/Hard of Hearing Program, multiplied by the average number of pupils enrolled, minus Special Education Program income received by OCDE for the purpose of educating said pupils including, but not limited to Revenue Limit, AB 602 funds, and Federal I.D.E.A. Local Assistance Grant funds. The District shall be responsible for the Average Cost Per Pupil in the Regional Oral Deaf Program multiplied by the average number of pupils enrolled, minus Special Education Program income received by OCDE for the purpose of educating said pupils including, but not limited to Revenue Limit, AB 602 funds, and Federal I.D.E.A. Local Assistance Grant funds.

b. Special Circumstance Assistant (SCA). The District, as specified in its SELPA's Local Plan, shall be responsible for the full cost of additional personnel required for the benefit of and specified in the IEP for individual pupils who are residents of the District.

e. Indirect cost for Special Education Programs operated by OCDE shall be at the State approved rate not to exceed 7.5% of total Program expenditures.

f. OCDE shall bill the District on a monthly basis and forward invoices to the District's accounting department.

## 12. Related Services/Designated Instructional Services (DIS)/Supplementary Aids

OCDE provides the following related services as part of its Special Schools Programs: Speech-Language Pathology Services, Adapted Physical Education, Physical Therapy, Occupational Therapy, Health and Nursing, Specialized Physical Health Care, Vocational Counseling, Adult Transition, Assistive Technology/Alternative Augmentative Communication, Vision Training, Orientation and Mobility, Behavior Management/Intervention and

Psychological Counseling. In addition to the above, as part of its Regional D/HH Program and Regional Oral Deaf Program, OCDE provides Audiological services and Sign Language Interpreters. Any other related services or supplementary aids necessary for the pupil to benefit from the special education program, including but not limited to ERMHS, and low incident services and equipment, shall be provided by the District or as otherwise agreed to by OCDE and the District. Translator services at IEP team meetings and/or translation of documents shall be provided by the District or as otherwise agreed to by OCDE and the District. In addition, OCDE shall separately bill the District for the services provided by an SCA as required by the pupil's IEP.

13. Home Instruction

When a pupil is absent from school for more than ten (10) consecutive school days as a result of a medical condition and is expected to have an extended health related absence, the pupil's IEP team shall review the IEP and determine appropriate educational services. A District representative who is authorized by the District's Director of Special Education to approve or disapprove the allocation of specified District resources necessary for the implementation of the pupil's IEP shall participate in the IEP team meeting when considering a placement for home or hospital instruction. When recommending placement for home or hospital instruction, the IEP team shall consider documentation from the pupil's treating physician indicating the pupil's condition, verifying that the condition prevents the pupil from attending school and providing a projected date for the pupil's return to school. Any in-home instruction, including other related services, shall be provided by the District or as otherwise agreed to by OCDE and the District. In the event the pupil is hospitalized in a facility located outside of the District, it is the District's

responsibility to inform the parent that instruction will be provided in accordance with Education Code section 48207 and 48208. In either circumstance, it may be necessary to exit the pupil from OCDE in order for the District to provide the necessary in-home instruction or for the pupil to receive hospital instruction. In the event OCDE and the District agree that OCDE will provide in-home or hospital instruction to the pupil, OCDE shall separately bill the District for such services.

14. Transportation

a. Transportation by the Orange County Department of Education

The District shall provide transportation for its pupils participating in an OCDE Special Schools Program unless otherwise agreed between the District and OCDE. In the event OCDE agrees to transport a pupil, the District shall be responsible for the difference between the Direct and Direct Support Cost of home-to-school transportation as shown on the annual State Transportation Report plus one percent (1%) indirect support costs and the State transportation allocation received by the OCDE on a per pupil basis pursuant to Appendix B, incorporated herein. The District shall pay for the full cost of one-on-one transportation assistants as specified in the pupil's IEP. In the event OCDE is transporting five or more District pupils from one Special Schools Program site, the District shall provide OCDE written notice on or before December 1 of each year of any proposed changes in the number of students requiring OCDE transportation for the following school year. Absent appropriate notice from the District of any proposed change in transportation for the following school year, the District may be solely responsible for funding the costs related to such change in transportation. Similarly, OCDE shall

provide the District written notice on or before December 1 of each year of any proposed changes in OCDE's transportation services, not including cost projections, for the following school year.

b. Transportation by District

Districts transporting pupils to an OCDE Special Schools Program shall ensure that buses arrive at the school site with sufficient time to unload students prior to the beginning of the instructional day and to load them at the end of the instructional day. Delays requiring either overtime supervision or causing portions of the instructional program to be missed and subsequently made up may result in charges to the District for additional costs incurred by OCDE related to such delays.

15. Due Process and Complaints

OCDE and District agree to collaborate and fully cooperate in any due process proceeding involving a pupil currently attending or formerly enrolled in an OCDE Special Schools Program, including resolution sessions, mediations and hearings, as well as coordinating witness availability and producing documents regarding the pupil.

In the event OCDE is named as the sole LEA in a due process complaint, OCDE and District agree that District, as the pupil's school district of residence, is a necessary party to the due process proceedings.

OCDE and District shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other State and/or federal governmental body or agency.

16. Estimated Billing

The estimated billing for 2016-2017 will be based on actual information for 2015-2016 plus COLA as set forth in the most current State Budget plus any budgeting projections for step and column, and salary and benefit increases.

17. Final Accounting

An accounting accompanied by completed Appendices A and B with appropriate supporting documentation shall be sent to each District by September 15 of the following year. In addition, OCDE shall provide a quarterly expenditure report to the District's Director of Special Education. Corrections to prior year OCDE Special Schools Program costs resulting from adjustments to income or expenditure calculations shall be credited or billed to the District affected by the correction or adjustments.

18. Projected Enrollment/Facilities and Staffing Needs

In order to assist OCDE in planning for both facilities and staffing needs for its programs, each District shall submit to OCDE, in writing, on or before December 1 of each year, the projected number of pupils expected to be transferred to OCDE programs for special education and support services in the following school year. Absent a projection, the number of District pupils reported in the current year December 1 Federal Pupil Count shall be used for facilities, staffing and budget planning by OCDE for the following school year. In the event the District intends to withdraw five (5) or more pupils from a specific OCDE Special Schools Program site or enroll five (5) or more pupils in a specific OCDE Special Schools Program site for the following school year, the District shall notify OCDE in writing of such intention on or before

December 1 of each year. OCDE shall forward such written notice to the Special Education Fiscal Advisory Committee for its review and consideration. Absent appropriate notice from the District of any proposed change in enrollment in an OCDE Special Schools Program site for the following school year, the District may be solely responsible for funding the costs related to such change in enrollment.

If the District is a Host District for any OCDE Special Schools Program, the District shall submit to OCDE, in writing, on or before December 1 of each year, notice of any proposed facilities projects, including but not limited to modernization or new construction projects at the school site where the OCDE Special Schools Program is located, as well as any potential impact such projects may have on the operation of an OCDE Special Schools Program, including opportunities for integration with typical peers at the Host District school site. In the event any such project would require relocation of an OCDE Special Schools Program, the District shall provide OCDE with at least one (1) year prior written notice to allow OCDE sufficient time to plan accordingly. OCDE shall forward such written notice to the Special Education Fiscal Advisory Committee for its review and consideration.

In the event OCDE intends to close an OCDE Special Schools Program in which District pupils are enrolled, OCDE shall notify the District in writing of such intention on or before December 1 of each year.

19. Program Cost for 2016-2017

On or before fifteen (15) days after the release of the May revise each year, the Orange County Superintendent of Schools shall compute the projected Special Education Program Income and Special Education Program Expenditures for the following year with an Average

Cost per Pupil for pupils enrolled in OCDE Special Schools Programs based on the Projected Enrollment data, and provide it to District Student Services and Business Directors.

CONSENT ITEM

**DATE:** June 21, 2016

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Emy Flores, Ed.D., Assistant Superintendent, Educational Services

**PREPARED BY:** Robin Gilligan, Director, Student Support Services

**SUBJECT:** **APPROVE MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN THE FULLERTON SCHOOL DISTRICT AND THE WHITTIER AREA COOPERATIVE SPECIAL EDUCATION PROGRAM (WACSEP) EFFECTIVE JULY 1, 2016 THROUGH JUNE 30, 2017**

Background: WACSEP may provide for the education of individual students in special education programs who reside in other Special Education Local Plan Areas (SELPA). WACSEP operates programs for Deaf and Hard of Hearing (DHH) students who qualify as individuals with exceptional needs requiring intensive educational services under the Individuals with Disabilities Act (IDEA).

The rates for this nonpublic school are as follows:

Daily Rate (180 RSY, 20 ESY)	\$ 126.45/daily
Occupational Therapy Service	\$ 87.50/per clinical hour
Occupational Therapy Evaluation	\$ 250/per evaluation
Physical Therapy Service	\$ 87.50/per clinical hour
Physical Therapy Evaluation	\$ 250/per evaluation
One to One Aide WC	\$ 22/per hour
One to One Aide LL	\$ 22/per hour
Counseling	\$ 80/per hour
Speech and Language	\$ 78/per hour

Rationale: School districts on occasion do not have programs to serve students who require intensive educational services. Programs for the profoundly delayed or profoundly behaviorally challenged students may be recommended for placement in an alternative program.

Funding: Total cost of the MOU is not to exceed \$50,000 and is to be paid from the General Fund Restricted Special Education.

Recommendation: Approve Memorandum of Understanding (MOU) between the Fullerton School District and the Whittier Area Cooperative Special Education Program (WACSEP) effective July 1, 2016 through June 30, 2017.

## **MEMORANDUM OF UNDERSTANDING**

This Memorandum of Understanding (“Agreement”) between the Whittier Area Cooperative Special Education Program (“WACSEP”) and the Fullerton School District (“District”) takes effect July 1, 2016.

### **BACKGROUND**

Pursuant to the authority established in Education Code sections 56195, 56195.1, 56195.3, and 56195.5, WACSEP may provide for the education of individual students in special education programs who reside in other Special Educational Local Plan Areas (“SELPA”), districts, or counties. WACSEP operates programs for Deaf and Hard of Hearing (“DHH”) students who qualify as individuals with exceptional needs requiring intensive educational services under the Individuals with Disabilities Education Act (“IDEA”). The District has, or may have, students that it feels could be served by WACSEP and is seeking placement for those students. The parties therefore agree as follows:

### **AGREEMENT**

#### **1. Definitions**

**A.** “WACSEP” is the Whittier Area Cooperative Special Education Program. WACSEP is a SELPA consisting of seven area school districts: East Whittier City School District, El Rancho Unified School District, Little Lake City School District, Los Nietos School District, South Whittier School District, Whittier City School District, and Whittier Union High School District.

**B.** “DHH Program” refers collectively to the Total Communication Program and the Auditory Oral Program, each of which is defined below.

**C.** “Host District” means the WACSEP member school district that is housing the DHH Program on behalf of the SELPA.

**D.** “Total Communication Program” means classes and services operated by WACSEP for Deaf and Hard of Hearing students who are learning through total communication, utilizing sign language, note-takers, oral speech, and residual hearing. The Host District for the Total Communication Program is Little Lake School District and it is located at the Cresson Elementary School campus.

**E.** “Auditory Oral Program” means classes and services operated by WACSEP for Deaf and Hard of Hearing students who are learning through oral and written communication using oral speech, speech reading, residual hearing, auditory devices, and

cochlear implants. The Host District for the Auditory Oral Program is Whittier City School District and it is located at the Jackson Elementary School campus.

## **2. Term of Agreement**

The term of this Agreement begins on July 1, 2016, and ends at 5:00 p.m. on June 30, 2017. However, this Agreement may be terminated immediately, with or without cause, by either party with written notice. Upon notice of termination, the District must find a new placement for any students in the DHH Program within thirty days.

## **3. DHH Program**

### **A. Scope of Program**

WACSEP operates its DHH Program for its member districts but it may accept eligible students from the District referred by their Individualized Education Program (“IEP”) teams when it is jointly determined by the District and WACSEP that the student's educational needs as specified in the student's IEP can be appropriately met by the DHH Program.

WACSEP will maintain the DHH Program during the current academic year in accordance with the parameters established by its Local Plan and the member school district's board policies and schedule. Class size ranges and student-adult ratios will be maintained in a manner which allows WACSEP to meet the programmatic, health and safety needs of the students.

### **B. Referral Process**

Prior to offering placement in the DHH Program, the District must contact the WACSEP Program Specialist that oversees the DHH Program to discuss a possible referral and the appropriateness of the DHH Program. If the referral seems appropriate, the District must obtain from the student's parents an authorization to release information to WACSEP and submit a DHH Program Referral Packet to the WACSEP Program Specialist as well as schedule a visitation with the parent. DHH Referral Packets are available from the WACSEP DHH Program Specialist.

Upon review of the referral packet and site visit by parent, the WACSEP Program Specialist and District representative will coordinate an IEP team meeting for purposes of discussing possible placement in the DHH Program.

WACSEP reserves the right to refuse enrollment of any referral with or without cause.

**C. School Calendar and Extended School Year**

The DHH Program’s school calendar, including Extended School Year, will follow that of the Host District.

**D. Integration/Mainstreaming Opportunities**

The Host District where the DHH Program is located may provide opportunities for students enrolled in the DHH Program to integrate with non-disabled typical peers during the school day. These opportunities are typically in non-core curriculum areas such as physical education, art, music, assemblies, recess, and lunch. Some students enrolled in the DHH Program will participate in core curriculum activities for a portion of the school day in a program operated by the Host District, however, such students are supervised by DHH Program staff during such activities.

**E. Assessments**

WACSEP and the District will coordinate and collaborate in conducting assessments for students participating in the DHH Program. In the event DHH Program staff is not available to conduct a requested assessment, WACSEP will notify the District or District's SELPA who will be responsible for conducting the assessment(s). The District is ultimately responsible for conducting all assessments.

**F. Request for Independent Educational Evaluations**

In the event a request is made for an independent educational evaluation (“IEE”), WACSEP will immediately forward such request to the District and the District, in collaboration with WACSEP, will determine how to respond to the request for an IEE. If the District receives a request for assessment or IEE for a student referred to or enrolled in the DHH program, the District will immediately notify WACSEP of the request and collaborate with WACSEP as to how to respond. WACSEP or the District may also schedule an IEP team meeting to further discuss the requested IEE or assessment, however, the party scheduling the IEP will notify the other party so it may send a representative if it so chooses.

**G. Annual and Triennial IEP Meetings**

**i. Meeting Notification and Attendance**

The District will be notified of annual reviews scheduled for its students participating in the DHH Program and may provide a representative who will participate in the development of the annual IEP. For initial placement, triennial review, recommendations for home instruction, or a change in eligibility or services

specified on the current IEP, a District representative who is authorized by the District's Director of Special Education to approve or disapprove the allocation of specified District resources necessary for the implementation of the student's IEP must attend the IEP team meeting.

**ii. General Education Teacher Attendance**

For students enrolled in the DHH Program who are participating in a general education program on the school site in the school district where the DHH Program is located, WACSEP will work with the Host District to provide a general education teacher at IEP team meetings. In the event the Host District is unable to provide a general education teacher for the IEP team meeting, the District agrees to provide a general education teacher unless otherwise waived in writing by the student's parent in accordance with the IDEA and state law.

For all other students enrolled in the DHH Program, the District agrees to provide a general education teacher at IEP team meetings, unless otherwise waived in writing by student's parent in accordance with the IDEA and state law. Subject to approval by the student's parents, the general education teacher or other IEP team participants may use alternative means of meeting participation, such as video conferences and conference calls.

**iii. Progress Reports**

Progress reports relating to goals and objectives in a student's IEP will be sent by the DHH Program to parents per the student's IEP schedule for progress reporting and to the Director of Special Education of the District upon request. When requested by District or parent, an updated progress report will be provided if there is no current progress report.

**H. Transportation**

The District must provide transportation for its students participating in the DHH Program unless otherwise agreed upon between the District and WACSEP. District must ensure that vehicles arrive at the school site with sufficient time to unload students prior to the beginning of the instructional day and to load them at the end of the instructional day. Delays requiring either overtime supervision or causing portions of the instructional program to be missed and subsequently made up may result in charges to the District for additional costs incurred by WACSEP related to such delays.

**I. Home Instruction**

When a student is absent from school for more than ten consecutive school days as

a result of a medical condition and is expected to have an extended health related absence, the student's IEP team will review the IEP and determine appropriate educational services. A District representative who is authorized by the District's Director of Special Education to approve or disapprove the allocation of specified District resources necessary for the implementation of the student's IEP must participate in the IEP team meeting when considering a placement for home or hospital instruction.

When recommending placement for home or hospital instruction, the IEP team will consider documentation from the student's treating physician indicating the student's condition, verifying that the condition prevents the student from attending school and providing a projected date for the student's return to school. Any in-home instruction, including other related services, must be provided by the District or as otherwise agreed to by WACSEP and the District.

In the event the student is hospitalized in a facility located outside of the District, it is the District's responsibility to inform the parent that instruction will be provided in accordance with Education Code sections 48207 and 48208. In either circumstance, it may be necessary to exit the student from the DHH Program in order for the District to provide the necessary in-home instruction or for the student to receive hospital instruction. In the event WACSEP and the District agree that WACSEP will provide in-home or hospital instruction to the student, WACSEP will separately bill the District for such services.

#### **4. Billing for DHH Program**

##### **A. Student Enrollment**

A student will be counted as "enrolled" in the DHH Program on the first day of attendance in the program or 14 days after the IEP team has met and an approved IEP that has been executed for the student's educational placement in the DHH Program, whichever occurs sooner.

Students continuing in the DHH Program from the previous school year will be counted as "enrolled" on the first school day unless written notification of withdrawal is received from either the parent or the District. If a continuing student has not attended school by the tenth day of school, WACSEP will notify the District and a determination will be made regarding continuing enrollment.

In the event either WACSEP or the District are informed that a student has been withdrawn by the parent from the DHH Program, each agency must immediately notify the other of such withdrawal. Any student withdrawn by the parent from the DHH Program will no longer be counted as "enrolled" or considered a continuing student for the following school year.

**B. Costs, Individual Services Agreements, and Billing Schedule**

**i. Costs**

In consideration of the enrollment of students in the DHH program operated by WACSEP and housed by the Host District, the District agrees to pay the daily rate for each student, plus the costs for any non-embedded related services (outlined below) the student receives, which is based on the average costs which are attached to this Agreement as “Appendices A.” Notwithstanding any other provisions in this Agreement, the parties agree that as part of the billing arrangement, the Host District will collect the Average Daily Attendance (“ADA”) rate for the student.

**ii. Individual Services Agreement**

In addition, the District must sign an Individual Services Agreement (“ISA”) for each student enrolled in the DHH Program which will outline the services the student is to receive. Execution of the ISA is required before a student can be enrolled in the DHH Program. The ISA is attached to this Agreement as “Appendices B.” However, the student’s IEP will be the controlling document in determining what services will be provided and any changes to the ISA must be made solely on the basis of a revision to the student’s IEP.

An ISA may be terminated by either party, with or without cause, with 30 days written notice. If an ISA is terminated, the District must find an alternate placement for its student. And in the event of conflicting terms, the terms of this Agreement supersede those of an ISA.

**iii. Billing Schedule**

The District will be billed for each student for every day the student is enrolled in program. WACSEP will provide a billing invoice to the District. Payment will be due within 60 days of receipt of the billing invoice.

**iv. Related Services**

The following related services are provided by WACSEP as part of its DHH Program: Speech-language pathology services (not to exceed one hour per week per student), audiological services (not to exceed one hour per week per student), aural habilitation, and sign language interpreting.

The following additional related services may be available by WACSEP, but will be billed separately: Speech-language pathology services that exceed one hour per week, audiological services that exceed one hour per week, intensive individual services (one-to-

one aides), physical therapy, occupational therapy, counseling and guidance.

Any other related services necessary for the student to benefit from the DHH Program must be provided by District or as otherwise agreed to by WACSEP and District, including translator services at IEP team meetings or translation of documents.

## **5. Miscellaneous Provisions**

### **A. Responsibility of School District of Residence**

Notwithstanding any other provision of this Agreement, the parties acknowledge that the District, as the student's district of residence, maintains primary responsibility as the local education agency ("LEA") to ensure the student receives a free appropriate public education ("FAPE") in the least restrictive environment ("LRE"). In the event a student participating in the DHH Program moves out of the District, the District must immediately provide WACSEP written notice of the student's change in residence, including the new school district of residence, if known. Similarly, WACSEP will immediately notify District in the event a parent reports a change in residence, including the new school district of residence, if known.

### **B. Due Process and Complaints**

WACSEP and District agree to collaborate and fully cooperate in any due process proceeding involving a student currently attending or formerly enrolled in the DHH Program, including resolution sessions, mediations, and hearings, as well as coordinating witness availability and producing documents regarding the student.

In the event WACSEP or the Host District is named as the sole LEA in a due process complaint, WACSEP and the District agree that the District, as the student's school district of residence, is a necessary party to the due process proceedings.

WACSEP, the Host District, and the District must also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other state or federal governmental body or agency.

### **C. Notices**

All notices to be given pursuant to this Agreement, by either party to the other, must be in writing and: (a) delivered in person; (b) deposited in the United States Mail duly certified or registered, return receipt requested with postage prepaid; or (c) sent by Federal Express or other similar overnight delivery service. Notice is deemed to have been duly given and received upon: (a) personal delivery; (b) as of the third business day after deposit

in the United States Mail; or (c) the immediately succeeding business day after deposit with an overnight delivery service.

#### **D. No Waiver**

The failure of WACSEP in any one or more instances to insist upon strict performance of any of the terms of this Agreement or to exercise any option contained in this Agreement must not be construed as a waiver or relinquishment to any extent of the right to assert or rely upon such terms or option on any future occasion.

#### **E. Indemnifications**

##### **i. General Indemnification**

To the fullest extent permitted by law, and except for the acts or omissions of employees, agents and officers of the District, WACSEP agrees to hold harmless, indemnify and defend the District and its governing board, officers, agents, and employees from all claims, demands, liabilities, losses, damages, or expenses of any nature whatsoever arising from or connected with WACSEP's performance of services during the term of this Agreement.

To the fullest extent permitted by law, and except for the acts or omissions of employees, agents, and officers of WACSEP and the Host District, the District agrees to hold harmless, indemnify, and defend WACSEP and the Host District and their governing board, officers, agents, and employees from all claims, demands, liabilities, losses, damages, or expenses of any nature whatsoever arising from or connected with the District's performance of services during the term of this Agreement.

## **ii. Educational Indemnification**

Notwithstanding the foregoing, District acknowledges that it is the LEA responsible for student's education. In regards to educational claims, District agrees to hold harmless, indemnify, and defend WACSEP and the Host District and their governing board, officers, agents, and employees from all claims, demands, liabilities, losses, damages, or expenses of any nature whatsoever arising from or connected with any claims relating to the sufficiency of the DHH Program including all claims under the Unruh Act, Individuals with Disabilities Education Act, California Education Code Sections 56500, et. seq., 42 U.S.C. Section 1983, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973.

### **F. Complete Agreement**

This is the complete Agreement between the parties. Any amendments must be in writing and be dated and executed by both parties.

### **G. Applicable Law**

This Agreement is governed by federal and state law, and must be interpreted as if jointly drafted by the parties.

### **H. Severability**

If any provision of this Agreement is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Agreement will be severable and remain in effect.

### **I. Authority to Execute Agreement**

Each party declares that he/she/it has read this Agreement and understands and knows its contents, and represents and warrants that each of the parties executing this Agreement is empowered to do so by its respective agencies and that they intend to bind the respective party, and all of his/her/its successors, assigns, principles, agents, employees, consultants, representatives, attorneys, and insurers to its terms.

**SUBJECT:** **APPROVE CONTRACT BETWEEN CLASSLINK AND FULLERTON SCHOOL DISTRICT FOR THE 2016/2017 SCHOOL YEAR**

Background: Fullerton School District (FSD) has deployed mobile devices to students District Wide. These devices allow students to do school work as well as access educational content both at school and at home. Many of the educational sites containing this content require separate user accounts. This requires students to have multiple user names and passwords for the various web sites and applications.

Rationale: Students having multiple usernames and passwords has caused some confusion particularly with the younger students. ClassLink software will allow students to have one login to access most of the web sites and applications they are required to use. Having only one username and password to access services will simplify their workflow. This should reduce the amount of technical support provided to both staff and students.

Funding: The total cost is not to exceed \$30,000 and will be paid from the Unrestricted General Fund.

Recommendation: Approve contract between ClassLink and Fullerton School District for the 2016/2017 school year.

Re: Engagement Letter for Legal Services.

Dear Dr. Pletka:

ABOUT OUR REPRESENTATION

Best Best & Krieger LLP is pleased to represent the Fullerton School District (“FSD”). This letter constitutes our agreement (hereafter “Agreement”) setting the terms of Best Best & Krieger LLP’s representation of FSD on all legal matters that currently exist or that might arise in the future for which FSD seeks representation by Best Best & Krieger LLP.

TERM

Our representation shall be effective until terminated. At any time, with or without cause, either party shall have the right, in their sole discretion, to terminate this Agreement by giving thirty (30) days written notice to the other party. In the event of such termination, Best Best & Krieger LLP shall be paid for all services authorized by FSD and performed up through and including the effective date of termination.

CONFIDENTIALITY AND ABSENCE OF CONFLICTS

An attorney-client relationship requires mutual trust between the client and the attorney. It is understood that communications exclusively between counsel and the client are confidential and protected by the attorney-client privilege.

Dr. Robert Pletka  
Fullerton School District

**BEST BEST & KRIEGER**  
ATTORNEYS AT LAW

Of note, Best Best & Krieger uses a computerized conflict check system, which we will use to analyze for potential conflicts every specific legal matter the firm handles for FSD. We will review the parties' names, attorneys names, subject matter involved, etc., to determine if a potential conflict exists. If a conflict is discovered, appropriate action is taken as required under the Rules of Professional Conduct.

FEES AND BILLINGS

Best Best & Krieger LLP shall receive compensation for legal services rendered by attorneys under this agreement at the following rates:

- General Counsel, Special Education and Labor Advice work at a blended rate of \$247.00 per hour for attorneys. Law clerks and paralegals will be billed at \$136.00 per hour for this work.
- Litigation Matters will be billed at \$289.00 per hour for partners and of counsel attorneys, \$262.00 per hour for associate attorneys and \$158.00 for paralegals and law clerks.

Rates are subject to annual review in June of each year, with any new agreed-upon rate becoming effective on July 1. In the absence of any mutually agreeable rate increase, the rates set forth herein will be adjusted annually on July 1st of each fiscal year (beginning with July of 2017), for the increase in the cost of living as shown by the U.S. Department of Labor in its All Urban Consumers Index as set forth for the Los Angeles-Anaheim-Riverside area.

Reimbursement for costs advanced by Best Best & Krieger LLP on behalf of FSD, as well as other specific expenses, will be billed in addition to the amount billed for professional fees. These fees currently include automobile mileage for travel at the current Internal Revenue Service rate per mile, court filing fees and other court-related expenditures including court reporter and transcription fees incurred by counsel on behalf of FSD, document delivery charges, computer research, photocopy charges, postage charges and any costs of producing or reproducing photographs. Notwithstanding the above, Best Best & Krieger agrees to bill costs for mileage as if the attorney incurring the mileage originates from the firm's Irvine office. There is no separate charge for secretarial or other administrative charges. Counsel's fees include all routine word processing, secretarial and office costs associated with the provision of legal services pursuant to this Agreement.

Best Best & Krieger LLP shall submit monthly statements to FSD for all services provided and costs incurred pursuant to the terms of this Agreement. Said statements shall

clearly set forth by date the nature of the work performed, the time spent on a task and the attorney/paralegal/clerk performing the task.

INSURANCE

Best Best & Krieger LLP carries errors and omissions insurance with Lloyd's of London. After a standard deductible, this insurance provides coverage beyond what is required by the State of California. We agree to notify you if this policy is cancelled or non-renewed.

CIVILITY IN LITIGATION

In litigation, courtesy is customarily honored with opposing counsel, such as extensions to file pleadings or responses to other deadlines, when good cause is provided. In our experience, the reciprocal extension of such courtesies saves our clients' time and money. By signing this letter you will be confirming your approval of this practice in your case.

HOW THIS AGREEMENT MAY BE TERMINATED

You, of course, have the right to end our services at any time. If you do so, you will be responsible for the payment of fees and costs accrued but not yet paid, plus reasonable fees and costs in transferring the case to you or your new counsel. By the same token, we reserve the right to terminate our services to you upon written notice, order of the court, or in accordance with our attached memorandum. This could happen if you fail to pay our fees and costs as agreed, fail to cooperate with us in this matter, or if we determine we cannot continue to represent you for ethical or practical concerns.

CLIENT FILE

If you do not request the return of your files, we will retain your files for five years. After five years, we may have your files destroyed. If you would like your file maintained for more than five years or returned, you must make separate arrangements with us.

THANK YOU

On a personal note, we are pleased that you have selected Best Best & Krieger LLP to represent you. Please indicate the District's agreement to the terms and conditions set forth in this letter by signing, dating, and returning this letter in the enclosed envelope. A courtesy copy is also provided for your records. We look forward to a long and valued relationship with you and appreciate your confidence in selecting us to represent you in legal matters. If

Client shall make available to Company a designated representative: Robert Pletka, Ed.D. (“Client’s Representative”), who shall be authorized to make binding decisions for Client regarding the obligations which are the subject of this Agreement, and shall perform or have performed other duties and requirements of Client as set forth in this Agreement or in an applicable Statement of Work. ## 3. Reliance

Client understands that Company shall rely upon Client’s Representative as having the authority specified in Section 2 herein and that all official communications from Company to Client shall be addressed to

## 11.2 Mutual non-solicitation of employees and contractors

The parties acknowledge and agree that each party's respective employees, independent contractors, and subcontractors are a valuable asset to such party, and that a party incurs substantial time, energy, and costs in recruiting, placing, training, and orienting the employees, independent contractors, and subcontractors. Accordingly, the parties agree that, for the term of this Agreement and for a period of 12 months thereafter, the parties will neither solicit for hire nor hire (as an employee, independent contractor, or subcontractor) directly or indirectly, any employee, independent contractor, or subcontractor of the other party. ### **11.4 Waiver**

The waiver of a breach of this Agreement or the failure of a party to exercise any right under this Agreement shall in no event constitute a waiver as to any other breach, whether similar or dissimilar in nature, or prevent the exercise of any right under this Agreement.

### **11.5 Force Majeure**

Neither party shall be responsible for any failure to perform, or delay in performing any of its obligations under this Agreement, where and to the extent that such a failure or delay results from causes outside the control of such party. ## **EXHIBIT A**

### **Parent EMPOWERMENT through Technology (PE+T)**

**for**

#### **Fullerton School District**

The Parent EMPOWERMENT through Technology (PE+T) program streamlines key elements to parent involvement, with cultural relevance at its center. When parents lack appropriate tools to fully engage in the health and education of their family, they tend to step out of their role. A balanced use of online information and tools can lend to parent empowerment and engagement on all levels. Parents gain critical research skills with PE+T training. PE+T gives parents the power of information—giving them the opportunity to make well-educated choices that benefit their entire family.

#### **1. Organizational Background and History**

**Community Union, Inc.**(Established 1993)

**Mission:** Setup, sustain and expand education and economic opportunities in low-income communities via community-based computer and Internet training.

Community Union, Inc. is a corporation based in Los Angeles, California. Community Union (CU) provides training from community technology centers located in low-income neighborhoods throughout California.

In 1993, while Mr. Larry A. Ortega was attending law school at Western State University School of Law, Fullerton, CA, he founded CU. CU first launched their courses working with children, but quickly realized that training parents in technology was key to impacting the digital divide, student achievement and graduation rates. A year after its inception, CU launched courses to serve parents in English, Korean, and Spanish.

Community Union, in cooperation with the One Million NIU (New Internet Users) Coalition, have successfully negotiated the opening of community-based technology training centers in over 30 cities, helping more than 25,000 parents, youth and senior citizens improve their quality of life through access and training to Internet resources. College students and NIU graduating parents enter and complete the Train the Trainer Program and become NIU Trainers for new sessions. Trainers have found the NIU experience to be a great career launching-pad as they move into professional endeavors.

## **2. Why Parent EMPOWERMENT through Technology?**

A majority of low-income parents want to improve the quality of life for their family. However, many lack the skills required to engage in their education and health in a way that leads to improvement. This lack of improvement is more evident among parents with lower incomes and educational attainment, as well as among first generation immigrants who are English learners.

The Parent EMPOWERMENT through Technology program presents an opportunity to make a focused effort to help parents engage in their family's health and education via the Internet. There are a wide array of websites and on-line content in English, Korean and Spanish that help parents positively effect change in their family. CU has taught low-income parents how to access and use on-line resources for over 22 years and in our expert opinion, significantly improves the quality of life of graduates and their families.

## **3. Target Population**

Maximum of 210 low-income parents who have children attending FSD schools will be enrolled in PE+T (**Exhibit C**), and will attend courses per **Exhibit B**.

## **4. Proposed Methodologies**

Community Union believes it is a moral and economic imperative that we empower parents with research skills in education and health via technology training. A parent that can navigate the Internet to find reliable information is better equipped to make sound decisions for their family.

Parents will attend class two times per week, for two hours each day, for 5 weeks for a total of 20 hours of PE+T-Module I see **Exhibit B**.

### **PE+T Modules I & II *outcomes* for parents:**

- 1) Development of Internet on-line resource navigation skills using key websites, addressing both health and education needs,
- 2) Development of a full-color multipage e-tools Resource Guide in PowerPoint that contains the following information:
  - a. A healthy food pyramid,
  - b. A through G requirements (UC/CSU college entry requisites),
  - c. Local Fullerton Unified resources available on-line,
  - d. Internet safety,
  - e. Detailed benefits of common fruits, vegetables, superfoods, supplements and organics,
  - f. Local farmer's markets and,
  - g. Healthy recipes.

- 3) Improved public speaking skills and advocacy strategies that will assist them in ensuring their family has access to health and education resources.

PE+T not only provides the foundational understanding needed by parents such as A-G requirements, education resources, college options, etc., but because the parents will have on-going access to on-line resources, they will be empowered to forever engage and advocate for the improved health and quality education for their family.

### **5. Project Goals, Operation and Evaluation:**

PE+T's task-list, see **Exhibit C** below, is a list of exercises parents will complete during each 20 hour Module. PE+T takes parents through step by step on how-to use a computer, access the Internet and develop computer and Internet navigation skills while building an e-tools Resource Guide in PowerPoint, using health focused, college, school district and Internet safety websites. Manuals, exercises and instruction are available in English, Korean, Spanish and Mandarin Chinese.

#### **Module I:**

- A-1 – Develop a Vision Statement: Parents develop a 'vision' statement articulating desired goals and outcomes from the course, and beginning E-mail navigation, parents set up email address,
- A-2 – Introduction to Word, parents learn basic functions, typing skills, and development of a formal communication letter,
- A-3 – Introduction to PowerPoint, parents are introduced to the tool to be used to build e-tools Resource Guide,
- A-4 – Beginning Internet Navigation: Parents build research project using on-line resources to obtain information about education, health, and Internet safety.
- e-tools Resource Guide Completion: Parents compile exercises and PowerPoint slides completed during the course into a clear-covered portfolio that will be called their e-tools Resource Guide and will serve as evidence of skills learned and will be used to assist parents to better engage in their family's health and education.
- Simultaneously, this same portfolio will be used to enhance employment endeavors.

#### **Module II:**

- A-1 – Develop a Vision Statement II: Parents develop a 'vision' statement articulating desired HEALTH goals and outcomes from the course, and a refresher on Internet/E-mail navigation,
- A-2 – Refresher on Word, parents are reminded of basic functions, typing skills, and develop a formal communication letter,
- A-3 – Refresher on PowerPoint, parents are reminded of to the tool to be used to build e-health Tools Resource Guide,

- A-4 – Intermediate Internet Navigation: Parents build research project using on-line resources to obtain information about healthy living.
- e-health Tools Resource Guide Completion: Parents compile exercises and PowerPoint slides completed during the course into a clear-covered portfolio that will be called their e-health Tools Resource Guide and will serve as evidence of skills learned and will be used to assist parents to better engage in their family's health.

#### Evaluation:

- Paramount to the proposed project is the evaluation of program effectiveness.
- Quantitative methods such as pre and post surveys will be used. Also, graduating participant's focus group interviews will create feedback that will be used to create qualitative data to fine-tune PE+T,

In summary, after the completion of the PE+T program the following Major Goals will be accomplished:

1. Parents gain increased Internet navigation knowledge for the purpose of improving the quality of life for their family,
2. Parents will develop an e-tools Resource Guide and/or an e-health Tools Resource Guide to ensure they have key information to better engage in the health and education goals of their family,
3. Parent leaders emerge and become sustainable resources for other parents through a parent alumni advocate network.

Title to all complete or partial copies, and all applicable rights to copyrights, patents, trademarks and trade secrets in Licensed Product, are and shall remain the property of PowerSchool or their other owners, as applicable.

**3.3 Confidentiality.** Licensee agrees to keep Licensed Product confidential and to prevent unauthorized disclosure or use of Licensed Product in Licensee's possession. Licensee shall notify PowerSchool immediately in writing of any unauthorized use or distribution of Licensed Product of which Licensee becomes aware and shall take all steps necessary to ensure that such unauthorized use or distribution is terminated. For any Licensed Product for which PowerSchool makes available passwords or other user identification technology to access such Licensed Product, Licensee shall advise all users of such passwords or other user identifications that such passwords or user identifications must be maintained in confidence and not transmitted or shared.

**4. SUPPORT AND OTHER SERVICES.** Any Support and/or Professional Services and/or Hosting Services ordered from PowerSchool by Licensee in connection with the license of Licensed Product shall be provided by PowerSchool pursuant to PowerSchool's terms, conditions and policies applicable at the time of order to the particular Services purchased. PowerSchool's current terms, conditions and policies for delivery of Support and Services, which are subject to change from time to time, are attached hereto as the Support and Services Policies. Licensee's license of Licensed Product does not, by itself, entitle Licensee to any support, upgrades, patches, fixes or the like for Licensed Product; Licensee must maintain a current Support subscription and pay any applicable Support fees to be eligible for Support Services. Support Services must be purchased for all licenses in Licensee's possession. Support may not be purchased or renewed for a subset of such licenses only. Support Services may not be used as a substitute for Professional Services.

**5. FEES AND TAXES.** Licensee agrees to pay PowerSchool, in accordance with PowerSchool's invoice terms, the fees charged for the Licensed Products and related Services and/or other items ordered by Licensee, together with any other charges made in accordance with this Agreement, and all applicable sales, use or other taxes or duties, however designated, except for taxes based on PowerSchool's net income. Licensee agrees to also pay for PowerSchool's reasonable travel and lodging expenses for Services performed at Licensee's premises, at actual cost. If Licensee claims tax exempt status, Licensee agrees to provide evidence of such tax exemption upon PowerSchool's request. To the extent that such tax exemption cannot be properly claimed or does not extend to certain taxes or transactions, Licensee shall be responsible for any and all taxes and assessments that arise from this Agreement and related transactions (except for taxes based upon PowerSchool's net income). Licensee shall pay a monthly charge of 1.5% (18% annually) on all amounts not paid when due, or, if a lower maximum rate is established by law, then such lower maximum rate. All pricing set forth in any PowerSchool quotation or invoice is in United States dollars unless otherwise specified.

**6. THIRD PARTY SOFTWARE LICENSE TERMS; EMBEDDED APPLICATIONS; OPEN SOURCE SOFTWARE.** Any software designated by PowerSchool as Third Party Software is provided to Licensee pursuant to a separate license agreement between Licensee and the third party supplier, which will be provided to Licensee by the third party supplier. All support, warranties, and services related to Third Party Software are provided by the supplier of the Third Party Software under such third party's terms and conditions, and not by PowerSchool, unless otherwise specifically provided under this Agreement. Only Sections 5, 6, 9 and 12 of this Agreement apply to Third Party Software and any related support and services set forth in this Agreement. In addition, Licensed Product may contain Embedded Applications. If any additional license terms are identified in the Supplemental Terms and Conditions with respect to any Embedded Applications, Licensee shall

comply with such conditions with respect to such applications. Certain Embedded Applications may also be subject to "open source" licensing terms. In some cases, the open source licensing terms may conflict with portions of this Agreement, and to the extent of any such conflict, the open source licensing terms shall govern, but only as to the software components subject to those terms. Notwithstanding the foregoing, Licensee acknowledges that if any open source software component is licensed under terms that permit Licensee to modify such component, and if Licensee does so modify such component, then PowerSchool will not be responsible for any incompatibility with such modifications and the remainder of the Licensed Product.

**7. COMPATIBLE PLATFORMS/HARDWARE.** Licensee is responsible for obtaining and maintaining an appropriate operating environment with the necessary hardware, operating system software and other items required to use and access Licensed Product. PowerSchool will not be responsible for any incompatibility between Licensed Product and any versions of operating systems, hardware, browsers or other products not specifically approved by PowerSchool for Licensee's use with Licensed Product. PowerSchool will make written requirements available to Licensee at Licensee's request.

**8. LIMITED MEDIA WARRANTY.** PowerSchool warrants that the media on which Licensed Product is recorded shall be free from defects in materials and workmanship under normal use for a period of ninety (90) days from the date of purchase. Licensee's exclusive remedy under this Section shall be replacement of the defective media.

**9. DISCLAIMER OF OTHER WARRANTIES. LICENSED PRODUCT AND SERVICES ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND (EXCEPT AS PROVIDED IN SECTION 8), AND POWERSCHOOL AND ITS LICENSORS EXPRESSLY DISCLAIM ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. POWERSCHOOL DOES NOT WARRANT THAT THE FUNCTIONALITY CONTAINED IN THE LICENSED PRODUCT WILL MEET LICENSEE'S REQUIREMENTS, OR THAT THE OPERATION OF THE LICENSED PRODUCT OR HOSTING SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE LICENSED PRODUCT WILL BE CORRECTED. FURTHERMORE, POWERSCHOOL DOES NOT WARRANT OR MAKE ANY REPRESENTATIONS REGARDING THE USE OR THE RESULTS OF THE USE OF THE LICENSED PRODUCT OR SERVICES IN TERMS OF CORRECTNESS, ACCURACY, RELIABILITY, SECURITY OR OTHERWISE. LICENSEE AGREES THAT THE USE OF LICENSED PRODUCT AND SERVICES IS AT LICENSEE'S OWN RISK. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY POWERSCHOOL OR A POWERSCHOOL REPRESENTATIVE SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF ANY WARRANTY. SOME JURISDICTIONS MAY NOT ALLOW THE EXCLUSION OF CERTAIN IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT FULLY APPLY TO LICENSEE.**

**10. STATE REPORTING CODE.** Unless PowerSchool specifically offers SRC for Licensee's state, PowerSchool makes no representation that Licensed Product includes any SRC designed to meet the reporting requirements of Licensee's state. If PowerSchool does offer SRC for Licensee's state, Licensee acknowledges that the SRC is intended as a tool to assist Licensee in complying with state regulatory requirements; however, PowerSchool does not warrant that the SRC conforms to, or that use of the SRC will ensure Licensee's compliance with, all state regulatory requirements that may apply or that the SRC will be maintained to conform to such requirements now or in the future. It is Licensee's, and not PowerSchool's, responsibility to understand and comply with all such requirements.

**11. TERMINATION**

**11.1 Termination for Breach.** PowerSchool shall have the right to suspend performance under this Agreement in the event that Licensee is in breach of any of its obligations under this Agreement. In addition, either party shall have the right to terminate this Agreement in whole or in part upon thirty (30) days written notice to the other party, in the event the other party materially breaches this Agreement and fails to correct

such breach within such thirty (30) day period, provided that PowerSchool shall have the right to terminate this Agreement immediately upon written notice in the event that Licensee breaches any of its obligations under Section 3. Licensee further acknowledges that, as breach of the provisions of Section 3 could result in irreparable injury to PowerSchool, PowerSchool shall have the right to seek equitable relief against any actual or threatened breach thereof, without proving actual damages.

**11.2 Effects of Termination.** In the event of any termination of all or any portion of this Agreement, Licensee shall not be relieved of any obligation to pay any sums of money that have accrued prior to the date of termination. In addition, the provisions of Sections 3, 5, 6, 9, 11, 12 and 13 shall survive termination of this Agreement. Immediately upon any termination of a license for any Licensed Product under this Agreement, Licensee shall, at its own expense, either return to PowerSchool or destroy all copies of such Licensed Product and associated Third Party Software in its possession or control, and shall forward written certification to PowerSchool that all such copies of such Licensed Product and Third Party Software have either been destroyed or returned to PowerSchool.

**11.3 Liquidated Damages.** In the event that Licensee enters into a multi-year contract with PowerSchool and Licensee terminates the contract or any portion thereof, Licensee agrees to pay PowerSchool the remaining sum due to PowerSchool through the stated term of the contract as liquidated damages, as actual damages being impossible to calculate. Notwithstanding the foregoing, Licensee shall not be liable for said liquidated damages in the event that: (i) Licensee provides PowerSchool at least thirty (30) days' advance notice of termination prior to the effective date anniversary; and (ii) said termination is a result of the non-appropriation of funds for Licensee's contract. Licensee shall not utilize this clause as a right to terminate the contract for convenience. PowerSchool reserves the right to seek documentation evidencing the non-appropriation of funds.

**12. LIMITATION OF LIABILITY. POWERSCHOOL SHALL NOT BE LIABLE TO LICENSEE FOR ANY SPECIAL, EXEMPLARY, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES; OR LOST PROFITS, LOST FUNDING, LOST SAVINGS, OR LOST OR DAMAGED DATA; OR FOR CLAIMS OF A THIRD PARTY; ARISING OUT OF THIS AGREEMENT, LICENSED PRODUCT, THIRD PARTY SOFTWARE, SUPPORT, SERVICES, OR OTHER ITEMS PROVIDED, OR THE USE OR INABILITY TO USE ANY OF THE FOREGOING, EVEN IF POWERSCHOOL HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR THEY ARE FORESEEABLE. IN ANY EVENT, IN RESPECT OF ANY CLAIM, DEMAND OR ACTION ARISING OUT OF THIS AGREEMENT, LICENSEE SHALL BE LIMITED TO RECEIVING ACTUAL AND DIRECT DAMAGES IN A MAXIMUM AGGREGATE AMOUNT EQUAL TO THE CHARGES PAID BY LICENSEE TO POWERSCHOOL HEREUNDER FOR THE APPLICABLE LICENSED PRODUCT, ITEM OR SERVICE ON WHICH THE CLAIM IS BASED. IN ADDITION, IN NO EVENT WILL THE LIABILITY OF POWERSCHOOL RELATING TO SUPPORT SERVICES OR HOSTING SERVICES EXCEED THE TOTAL AMOUNT OF MONEY PAID BY LICENSEE TO POWERSCHOOL DURING THE IMMEDIATELY PRECEDING TWELVE (12) MONTH PERIOD WITH RESPECT TO THE PARTICULAR SUPPORT SERVICES OR HOSTING SERVICES ON WHICH THE CLAIM IS BASED.**

### 13. GENERAL

**13.1 Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA.** The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement. This Agreement shall not be subject to the Uniform Computer Information Transactions Act.

**13.2 Compliance Verification.** During the term of the Agreement and for a period of one year following its termination, PowerSchool shall have the right to verify Licensee's full compliance with the terms and requirements of the Agreement. Licensee shall (A) provide any assistance reasonably requested by PowerSchool or its designee in conducting any such audit, including installing and operating audit software, (B) make requested personnel, records, and information available to PowerSchool or its designee, and (C) in all cases, provide

such assistance, personnel, records, systems access and information in an expeditious manner to facilitate the timely completion of such compliance verification. If such verification process reveals any noncompliance, Licensee shall reimburse PowerSchool for the reasonable costs and expenses of such verification process incurred by PowerSchool (including but not limited to reasonable attorneys' fees), and Licensee shall promptly cure any such noncompliance; provided, however, that the obligations under this section do not constitute a waiver of PowerSchool's termination rights and do not affect PowerSchool's right to payment for Services and interest fees related to usage in excess of the quantities purchased.

**13.3 General Provisions.** Neither party shall be held liable to the other party for failure of performance where such failure is caused by supervening conditions beyond that party's control, including acts of God, civil disturbance, strikes or labor disputes. If any provision of this Agreement is invalid or unenforceable under any applicable statute or rule of law, this Agreement shall be enforced to the maximum extent possible to effectuate the original express intent of the parties. Licensee may bring no action arising out of this Agreement, regardless of form, more than one (1) year after the cause of action has arisen. In the case of notices to PowerSchool, such notices shall be sent to: PowerSchool Group LLC, Attn General Counsel, 150 Parkshore Drive, Folsom, CA 95630. In the case of notices to Licensee, such notices shall be sent to PowerSchool's address of record for Licensee. Either party may change its notice address by notifying the other in like manner. Licensee agrees that the terms of this Agreement, including all pricing for PowerSchool's products and services, shall be kept confidential and not disclosed to any third party without the prior written consent of PowerSchool.

**13.4 Facilities.** Licensee acknowledges that certain Services are intended to be performed by PowerSchool off-site (e.g., through remote communication capabilities). If any portion of the work will be performed on Licensee's premises, Licensee agrees to provide appropriate access to utilities, work space and other on-site accommodations reasonably necessary to enable PowerSchool to perform such work.

**13.5 Confidentiality.** PowerSchool agrees to use commercially reasonable efforts to maintain the confidentiality of Licensee confidential information that is disclosed to PowerSchool in connection with the performance of services, and to use such Licensee confidential information solely for purposes of performing services hereunder. PowerSchool shall require its employees, agents and subcontractors performing work hereunder to do likewise. For purposes of this Section, "Licensee confidential information" shall mean any student or personnel data belonging to Licensee, or any other Licensee information or data labeled or identified as confidential at the time of disclosure, provided, however, that this definition and the obligations of this Section shall not extend to any information that: (a) is or becomes publicly known through no fault or negligence of PowerSchool; (b) is or becomes lawfully available from a third party without restriction; (c) is independently developed by PowerSchool; or (d) is disclosed without restriction by Licensee to any third party at any time.

**13.6 Limited License.** Licensee grants to PowerSchool a non-exclusive, royalty free license, to use equipment, software, Licensee data or other material of Licensee solely for the purpose of performing its obligations under the Agreement. However, PowerSchool may use and distribute the Licensee data for any lawful purpose outside the scope of the Agreement, provided always that such Data must be aggregated and de-identified.

**13.7 Export.** Without in any way limiting the restrictions on transfer set forth elsewhere in this Agreement, Licensee specifically agrees that Licensee will not, directly or indirectly, export or transfer any export-controlled commodity, technical data or software: (a) in violation of any laws, regulations, rules or other limitations imposed by any government authority; or (b) to any country for which an export license or other governmental approval is required at the time of export, without first obtaining all necessary licenses or other approvals.

**13.8 U.S. Government Restricted Rights.** Licensed Product is a "commercial item" as that term is defined in 48 C.F.R. §2.101, consisting of "commercial computer software" and "commercial

computer software documentation" as such terms are defined in 48 C.F.R. §12.212 and 48 C.F.R. §227.7202, as applicable, and all as amended from time to time. Consistent with 48 C.F.R. §12.212, 48 C.F.R. §227.7202 and 48 C.F.R. §52.227-19, and other relevant sections of the Code of Federal Regulations, as applicable, and all as amended from time to time, all U.S. Government end users acquire Licensed Product only with those rights set forth herein.

**13.9 Entire Agreement.** This Agreement, inclusive of the Supplemental Terms and Conditions and the Support and Services Policies attached hereto, constitutes the complete and entire agreement between the parties with respect to its subject matter, and

supersedes all prior discussions, understandings, arrangements, proposals and negotiations with respect to same. The terms and conditions of this Agreement shall prevail notwithstanding any variance with the terms and conditions of any purchase order or other documentation submitted by Licensee with respect to Licensed Product or any related support or services, and PowerSchool hereby refuses any such different or additional provisions in purchase orders or other documents. By mutual agreement of the parties, this Agreement is effective upon receipt and supersedes all prior Agreements entered into by the parties, the parties' agents, and/or the parties' previous affiliates. This Agreement shall not be modified or amended without the written agreement of both parties.

## SUPPLEMENTAL TERMS AND CONDITIONS

**1. PRICING; ENROLLMENT INCREASES.** License pricing for Licensed Product is based on student enrollment at the Licensed Sites. If an increase in student enrollment in excess of five percent (5%) occurs at the Licensed Sites, then Licensee shall pay additional license fees to PowerSchool in accordance with PowerSchool's invoice. Such additional license fees shall be computed by multiplying the then-current per student license fee for Licensed Product by Licensee's additional enrollment. Licensee's subsequent Support invoices will be based on the increased enrollment as well.

### **2. TERMS RELATING TO EMBEDDED APPLICATIONS**

**2.1 Oracle.** The following terms are applicable to a certain Embedded Application known as Oracle Database Enterprise Edition (the "Oracle Software"):

- (a) The Oracle Software may only be used in conjunction with the Licensed Product and solely for Licensee's internal business purposes.
- (b) Oracle USA, Inc. ("Oracle") shall have no liability whatsoever to Licensee for any damages, whether direct, indirect, incidental, or consequential arising from Licensee's use of Licensed Product or the Oracle Software.
- (c) Licensee is prohibited from publishing the results of any benchmark tests run on the Oracle Software.
- (d) Licensee shall be prohibited from timesharing, rental, facility management, or service bureau use of the Oracle Software.
- (e) Licensee's records may be audited, by PowerSchool or Oracle, during normal business hours to verify compliance with the terms of this Agreement.
- (f) Oracle shall be a third party beneficiary of this Agreement.
- (g) Oracle shall have no performance obligation or liability to Licensee in connection with this Agreement.
- (h) Should the Oracle Software contain any source code provided by Oracle, such source code shall be governed by the terms of this Agreement.

**2.2 GPL Software.** Certain Embedded Applications included with the Licensed Product may be free software licensed under the terms of the GNU General Public License (GPL). Licensee may obtain a complete machine-readable copy of the source code for such free software under the terms of the GPL, without charge except for the cost of media, shipping, and handling, upon written request to PowerSchool. The GPL software is distributed in the hope that it will be useful, but WITHOUT ANY WARRANTY, including even the implied warranties of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE. A complete copy of the GPL is included within the Licensed Product.

**3. HARDWARE.** If, in conjunction with Licensee's licensure of Licensed Product, Licensee is purchasing any hardware through PowerSchool, Licensee acknowledges that such hardware purchase is being facilitated by PowerSchool as an accommodation to Licensee only. The warranties on any hardware not manufactured by PowerSchool will be limited to those provided by the manufacturers of such hardware and/or the vendors through which such hardware is being supplied. PowerSchool will pass through any manufacturer's or other vendor's warranty to the extent permitted by the manufacturer or other vendor, as applicable. Licensee agrees to look solely to the applicable manufacturer or other vendor, and not to PowerSchool, to fulfill any such warranties and any maintenance, repair, support, or other service obligations related to such hardware. Unless otherwise specifically agreed to in writing by PowerSchool, PowerSchool does not provide support for any of the hardware or third party software being purchased by Licensee through PowerSchool. Any requests for such support should be directed to the applicable hardware or software manufacturer. Licensee further agrees that any claims related to any such hardware, whether for breach of warranty or otherwise, must be made directly against the applicable manufacturer or other vendor, and not against PowerSchool, and that PowerSchool shall have no liability whatsoever in connection with such claims.

## SUPPORT AND SERVICES POLICIES

### **I. SUPPORT SERVICES**

**1. Definitions.** Capitalized terms not defined herein shall have the meanings assigned to them in the applicable Licensed Product Agreement ("Agreement") between Licensee and PowerSchool to which these Support and Services Policies ("Policies") are attached. In addition, for purposes of these Policies, the following definitions shall apply:

**Errors** shall mean a reproducible failure of Licensed Product to operate in accordance with its standard Documentation, despite the proper installation and use of Licensed Product in a proper operating environment and on hardware and system software sufficient to meet PowerSchool's then-current minimum requirements, which are subject to change as New Versions are released. User mistakes are not Errors within the meaning of these Policies. Errors may be due to problems in Licensed Product, the Documentation, or both.

**Fix** shall mean a patch, service pack or corrective update of Licensed Product that PowerSchool may prepare in its discretion on an interim basis, prior to issuance of a New Version, to correct programming Errors that prevent or obstruct normal operation of Licensed Product in accordance with the applicable then-current Documentation.

**New Products** shall mean new products, programs or modules developed by PowerSchool that provide features, functions or applications not included in the Licensed Product originally licensed by Licensee and for which additional license fees apply as determined by PowerSchool. A New Product may be usable with or in addition to the Licensed Product originally licensed by Licensee. New Products will be licensed to Licensee under the terms of PowerSchool's then-current license agreement only after payment of applicable fees.

**New Version** shall mean an updated version of Licensed Product issued by PowerSchool, which may include Fixes, together with such other modifications, updates, enhancements and improvements to Licensed Product that PowerSchool may, in its discretion, develop and deem ready for distribution and that PowerSchool standardly provides to all customers with a current support subscription to such Licensed Product.

**Support Services** shall mean those support services described in Section 3.1 below that will be provided hereunder with respect to Licensed Product during Licensee's Support Term.

**Support Term** shall mean the length of time Support Services are to be provided hereunder and for which Licensee has paid any

applicable Support Services fees, including any initial Support Term and any renewal Support Terms.

**Telephone and E-mail Support** shall mean telephone and e-mail support services, available Monday through Friday, during PowerSchool's normal business hours, exclusive of PowerSchool's holidays, regarding Licensee's use of Licensed Product and any problems that Licensee experiences in using Licensed Product.

2. **Support Term; Fees.** Support Services for Licensed Product are available at an additional cost. For Support Services purchased concurrently with Licensee's license to Licensed Product, Licensee's initial Support Term will begin upon shipment of Licensed Product (or, in the case of Licensed Product made available for download electronically, upon PowerSchool's provision of the necessary licensing information to enable Licensee to download Licensed Product) and terminate one (1) year thereafter, unless a different Support Term is specified in PowerSchool's written acknowledgment of Licensee's order, or unless terminated earlier in accordance with the terms of these Policies or the Agreement. Either party may terminate the provision of Support Services as of the end of the then-current Support Term by providing written notice to the other party prior to the end of the then-current Support Term that such party does not wish to renew the Support Term. If no notice of non-renewal is given by either party, the Support Term will automatically renew for the applicable renewal term stated on PowerSchool's renewal invoice at the then current Support fees; otherwise, Licensee's Support Term will terminate at the end of Licensee's current paid-up Support Term. If Licensee's Support Term is so terminated due to non-payment, and then PowerSchool subsequently reinstates Licensee's access to support, such reinstated access shall remain subject to the terms of these Policies and payment of applicable reinstatement fees. For the initial Support Term, Licensee shall pay the charges specified in PowerSchool's initial invoice. For renewal Support Terms, Licensee shall pay PowerSchool's then-current annual Support Services fees. PowerSchool may supply new or modified Support and Services Policies or other terms and conditions to Licensee related to the provision of Support Services in a renewal term, in which event such new or modified Support and Services Policies or other terms and conditions will govern PowerSchool's provision of Support Services in such renewal term.

3. **Support Services Scope.** PowerSchool, or an entity under contract with and authorized by PowerSchool to provide Support Services, will provide Support Services for Licensed Product during the Support Term. The scope of Support Services shall be as follows:

3.1 **Support.** Support Services shall include: (a) Telephone and E-mail Support; (b) access to an online support website, as maintained by PowerSchool for customers maintaining a current support subscription; (c) Fixes, as developed and made generally available by PowerSchool in its discretion to address Errors that Licensee is experiencing in using Licensed Product; and (d) New Versions, as developed and made generally available by PowerSchool. Support Services do not include New Products. PowerSchool determines, in its sole discretion, what constitutes a New Product (for which additional license fees apply), and what improvements and enhancements to existing Licensed Product functionality are to be included in a New Version (and are therefore provided at no charge to customers with a current support subscription).

3.2 **Custom Programs.** For any custom programs developed for Licensee by PowerSchool, Support Services are available only on a time and materials basis at PowerSchool's current rates and charges for these services; support for custom programs is not included in Support Services. In addition, to the extent that Licensed Product includes any functionality that allows Licensee to customize screens or reports, PowerSchool will support the application infrastructure utilized to create such customizations but will not be responsible for supporting any such customizations.

3.3 **Requisite Training.** In order to receive Support Services described herein, Licensee must purchase appropriate training

regarding the use and operation of Licensed Product. Telephone and E-mail Support may be limited to a specified number of authorized representatives of Licensee who have been appropriately trained.

3.4 **Enhancements to SRC.** PowerSchool may provide certain enhancements to SRC to customers that are current in their payment of annual Support fees for the SRC to PowerSchool. However, PowerSchool reserves the right, in its discretion: (a) to require that additional fees be paid by customers desiring that SRC be updated in connection with new reporting requirements in their state, in the event that such state's education department or equivalent entity makes changes to the state's reporting requirements that were not anticipated at the time PowerSchool determined its applicable Support fees for the SRC in that state; or (b) not to make further changes or enhancements to SRC in a given state based on lack of market demand, the nature and scope of the changes required, or other factors.

4. **Authorized Representatives.** If Licensee has purchased Support Services for the Licensed Product from PowerSchool, then in order to receive such Support Services, Licensee shall identify to PowerSchool up to two (2) people who will contact PowerSchool with any technical and product questions ("Authorized Representatives"). If it is desired that additional Authorized Representatives be permitted to contact PowerSchool for Support, Licensee must pay additional Support fees for such additional Authorized Representatives. All such Authorized Representatives shall complete, at a minimum, PowerSchool's Initial Product Training for the Licensed Product. Licensee shall provide PowerSchool with a written list of its Authorized Representatives as part of the implementation process for the Licensed Product, and shall keep PowerSchool informed of replacements for Authorized Representatives as soon as possible after the replacements occur.

5. **Licensee Other Responsibilities.** To receive Support Services, Licensee shall: (a) report Errors or suspected Errors for which Support Services are needed, and supply PowerSchool with sufficient information and data to reproduce the Error; (b) procure, install, operate and maintain hardware, operating systems and other software that are compatible with the most current supported version of Licensed Product; (c) establish adequate operational back-up provisions in the event of malfunctions or Errors; (d) maintain an operating environment free of any modifications or other programming that might interfere with the functioning of Licensed Product; (e) maintain hardware and system software consistent with PowerSchool's minimum requirements; and (f) timely install all Fixes and New Versions supplied by PowerSchool in the proper sequence, and have the most current version of Licensed Product installed. Licensee acknowledges that Fixes and New Versions may be made available electronically, and that, in some cases, PowerSchool may maintain e-mail distribution lists that are used to notify customers of the availability of Fixes and New Versions and to provide other information to customers that are maintaining a current support subscription. Licensee shall be responsible for including the appropriate Licensee personnel on any such e-mail distribution lists of PowerSchool so that Licensee receives such notifications and other information.

6. **Support For Prior Versions.** Licensee must timely install all Fixes and New Versions to receive Support Services. In some cases, it may not be practical for certain customers to install a New Version immediately upon release. Therefore, PowerSchool may, in its discretion, continue to provide Telephone and E-mail Support for the prior version of Licensed Product for a period of time after release of a New Version. Licensee acknowledges that Fixes and other code maintenance will not be available for prior versions of Licensed Product (including SRC) after the release of a New Version.

## II. PROFESSIONAL SERVICES

1. **Fees and Expenses.** In addition to providing Support Services during the Support Term, PowerSchool will perform such other Professional Services (training, installation, consulting, project management, etc.) as may be specified in PowerSchool's written

acknowledgment of Licensee's order, or as may be subsequently agreed upon by the parties; provided that PowerSchool may, at its option, arrange for any such services to be performed by another entity on behalf of PowerSchool. Licensee agrees to pay for such services at the rates and charges specified in PowerSchool's written acknowledgment of Licensee's order, or, for work subsequently requested, at the rates agreed upon by Licensee and PowerSchool for such subsequent work. PowerSchool reserves the right to require a purchase order or equivalent documentation from Licensee prior to performing any such Services, or to require prepayment of certain Services. Unless otherwise specified, all rates quoted are for services to be performed during PowerSchool's normal business hours; additional charges may apply for evenings, weekends or holidays. Licensee shall also pay PowerSchool for travel expenses (lodging, meals, transportation and other related expenses) incurred in the performance of services. All such additional charges will be due and payable concurrently with payment for services. PowerSchool reserves the right to impose a minimum labor charge for each on-site visit. The rates and charges specified in PowerSchool's acknowledgment of Licensee's order shall apply to those services originally ordered; however, PowerSchool reserves the right to change service rates or other terms as a condition of entering into any subsequent service engagement. In the event that Licensee pays in advance for any services, all services must be scheduled and delivered within twelve (12) months of such payment, unless otherwise agreed in writing by PowerSchool; any portion of any prepaid services amount that has not been used by Licensee toward services actually rendered within such twelve (12) month period shall be forfeited.

2. **Training.** PowerSchool reserves the right to limit the number of persons permitted to attend any training class in accordance with PowerSchool's training standards.

3. **Services Cancellation.** Licensee shall pay a cancellation charge equal to fifty percent (50%) of the services fee and any non-refundable expenses incurred by PowerSchool if Licensee cancels any scheduled professional services less than fourteen (14) days before the occurrence of any service dates that PowerSchool has scheduled at Licensee's request.

4. **Ownership Of Materials.** PowerSchool shall be the owner of all copyrights, patent rights and other intellectual property rights in any software code, documentation, reports or other deliverables (collectively, "Deliverables") created for or provided to Licensee pursuant to Professional Services. Provided that Licensee pays PowerSchool all fees and expenses associated with the development and provision of such Deliverables, Licensee shall have a paid-up, royalty-free license to use such Deliverables for Licensee's internal use only, solely for the purpose for which such Deliverables were provided. Nothing in this Agreement shall prevent PowerSchool from providing any Deliverables to PowerSchool's other customers or third parties. Notwithstanding the foregoing, PowerSchool acknowledges and agrees that any Licensee confidential information (as defined in Section IV of these Policies) that is incorporated into any Deliverable remains subject to the provisions of such Section.

### III. HOSTING SERVICES

1. **Term; Fees.** Hosting Services are available at an additional cost. For Hosting Services purchased concurrently with Licensee's license to Licensed Product, Licensee's initial Hosting Term will begin upon PowerSchool's written acknowledgment of Licensee's order and terminate one (1) year thereafter, ("Hosting Term") unless a different Hosting Term is specified in PowerSchool's written acknowledgment of Licensee's order, or unless terminated earlier in accordance with the terms of these Policies or the Agreement. Either party may terminate the provision of Hosting Services with effect as of the end of the then-current Hosting Term by providing written notice to the other party prior to the end of the then-current Term that such party does not wish to renew the Hosting Term. PowerSchool will provide Licensee with at least sixty (60) days' notice if PowerSchool determines that it will no longer offer Hosting Services to Licensee (but in any event will continue providing Hosting Services for the balance of the current term for which Licensee has prepaid for such

Services). If no notice of non-renewal is given by either party, then PowerSchool will invoice Licensee for the applicable renewal fees for a subsequent Hosting Term. If Licensee's Hosting Term is so terminated due to non-payment, and then PowerSchool subsequently reinstates Licensee's access to Hosting Services, such reinstated access shall remain subject to the terms of these Policies and payment of applicable reinstatement fees. For the initial Hosting Term, Licensee shall pay the charges specified in PowerSchool's initial invoice. For renewal Terms, Licensee shall pay PowerSchool's then-current annual Hosting Services fees. PowerSchool may supply new or modified Support and Services Policies or other terms and conditions to Licensee related to the provision of Hosting Services in a renewal term, in which event such new or modified Support and Services Policies or other terms and conditions will govern PowerSchool's provision of Hosting Services in such renewal term. Should Licensee decide to terminate hosting services, Licensee will retain its license to Licensed Product, subject to the terms of this Agreement.

2. **Availability.** Licensee acknowledges and agrees that the Licensed Product may be inaccessible or inoperable from time to time due to planned maintenance or to causes that are beyond the control of PowerSchool or are not reasonably foreseeable by PowerSchool, including, but not limited to: the interruption or failure of telecommunication or digital transmission links; hostile network attacks; network congestion; or other failures (collectively "Downtime"). PowerSchool shall use commercially reasonable efforts to minimize any disruption, inaccessibility and/or inoperability of the Licensed Product caused by Downtime, whether scheduled or not.

3. **Acceptable Use Policy.** Licensee acknowledges and agrees that PowerSchool does not monitor or police the content of communications or data of Licensee or its users transmitted through the Services, and that PowerSchool shall not be responsible for the content of any such communications or transmissions. Licensee shall use the Services exclusively for authorized and legal purposes, consistent with all applicable laws and regulations and PowerSchool's policies. ### Survey Instruments

Online surveys for families and students can be taken on computers, tablets, even smart phones. On average the student, family, and staff surveys take about 20-25-minutes to complete. Please see separate documents for the standard survey questions for each instrument.

Students can toggle to take the survey in English or Spanish. To get a sense of how the survey format feels from students' perspective, please click through a sample middle school excerpt here:

### Advisory / Professional Development Services

The recommended advisory services are part of a suite of consultative services available to YouthTruth clients to build organizational capacity for interpreting and taking action on student perception data. YouthTruth offers advisory services to help districts to best leverage the investment made in survey administration and to enhance effectiveness in using student perception data district-wide. The following advisory services have been selected with Fullerton School District's capacity-building district-wide adoption in mind.

**Year 1: In-Person Professional Development Workshop - \$4,400 – ~3 hours, on-site**

The Professional Development Workshop is designed especially for first-time participants to understand and take meaningful action on the data gathered. Facilitated by a YouthTruth data and education expert, the workshop will lead participants in discussion and hands-on exercises to:

- Understand key findings and trends across the district and student subgroups
- Identify strategies for using this data with the staff and school community
- Share best practices across schools
- Begin action planning from results

**Year 2: Group Phone Consultation - \$500, ~90 minutes**

During year 2, YouthTruth will facilitate a district-wide group phone consultation for principals. The Group Phone Consultation is a 90-minute phone call for school leaders to discuss key findings, explore online interactive report features, and review follow-up resources for using YouthTruth data.

**Year 3: Group Phone Consultation - \$500, ~90 minutes**

During year 3, YouthTruth will, again, facilitate a district-wide group phone consultation for principals. The Group Phone Consultation is a 90-minute phone call for school leaders to discuss key findings, explore online interactive report features, and review follow-up resources for using YouthTruth data.

**SUBJECT:** **APPROVE AMENDMENT TO SUMMER #FSDGENIUSACADEMY PROGRAM FOR FULLERTON SCHOOL DISTRICT STUDENTS TO ADD AN ADDITIONAL SESSION FROM JULY 18 – AUGUST 5, 2016**

Background: The Board of Trustees approved the Summer #FSDGENIUSACADEMY Program at the June 7, 2016 meeting. The Fullerton School District recognizes the importance of preparing students for success in the 21st Century and beyond and continues to offer students opportunities to learn through Science, Technology, Engineering, Arts, and Mathematics (STEAM) education. This coming year, Fullerton School District students will be mentored, coached, and taught the language of coding and App development in an effort to give exposure to Computer Science and equip them with the skills needed in the future job market.

Rationale: The Technology Foundation has provided a grant to cover the cost of sending elementary students to the #FSDGeniusAcademy by adding another 3-week session. This will provide all participating students the opportunity to go through Android App development utilizing Android Studios from Google to learn Java and XML. Through the #FSDGeniusAcademy, students will have the unique opportunity to get a head start in coding principles and the high school *AP Computer Science A* curriculum.

Funding: Cost not to exceed \$30,000 of which \$15,000 will be gifted by the Technology Foundation and is to be paid from the Unrestricted General Fund.

Recommendation: Approve Amendment to Summer #FSDGENIUSACADEMY Program for Fullerton School District students to add an additional session from July 18 – August 5, 2016.

**SUBJECT:** **ADOPT PROPOSED LOCAL CONTROL AND ACCOUNTABILITY PLAN (LCAP) FOR THREE SCHOOL YEARS 2016/2017, 2017/2018, 2018/2019 AND ANNUAL UPDATE FOR 2015/2016**

Background: On or before July 1, 2016, the governing board of each school district is required to adopt a Local Control Accountability Plan (LCAP) using a template adopted by the State Board of Education. A Local Control Accountability Plan (LCAP) adopted by a governing board of a school district shall be effective for a period of three years and shall be updated on or before July 1 of each year. The LCAP Stakeholders Committee met during the year to revise and update the Fullerton LCAP three-year plan and annual update. The committee is comprised of Fullerton School District staff, including certificated and classified, parents and community members who provide valuable input and feedback into the District plan. The LCAP will be sent to the Orange County Department of Education for final approval by July 1, 2016.

Rationale: A public hearing for the proposed Local Control and Accountability Plan (LCAP) and a public hearing for the adoption of the District's budget were held at a regularly scheduled board meeting on June 7, 2016. In addition to the established postings for a public meeting of the Board of Trustees, a notice was posted at school sites providing the date, time, and location of the LCAP public hearing. The proposed LCAP was posted on the District website and a copy was made available to the public for review in the Superintendent's Office.

Funding: The LCAP provided guidance for developing the District budget.

Recommendation: Adopt proposed Local Control and Accountability Plan (LCAP) for three school years 2016/2017, 2017/2018, 2018/2019 and Annual Update for 2015/2016.

**SUBJECT:** ADOPT THE PROPOSED 2016/2017 BUDGET—ALL FUNDS

Background: Education Code section 52062 requires that the Board of Trustees hold a public hearing for the proposed budget at the same meeting as the public hearing for the Local Control Accountability Plan (LCAP). The public hearings were held at the regular Board meeting on June 7, 2016. The proposed 2016/2017 budget for all District funds is presented for the Board's review.

The Board members are acting as three different entities when discussing the 2016/2017 budget: (1) as the legislative body of the Fullerton School District identified as District 22; (2) as the legislative body of Community Facilities District No. 2000-01 (Van Daele) identified as District 40; and (3) as the legislative body of Community Facilities District No. 2001-1 (Amerige Heights) identified as District 48.

Rationale: Education Code sections 42127 and 52062 require every school district to approve a budget prior to July 1 of each year.

Funding: The District is projecting the following General Fund Unrestricted Fund Balance reserves:

2016/2017	18.46%
2017/2018	18.00%
2018/2019	15.41%

Recommendation: Adopt the proposed 2016/2017 budget—all funds.

**SUBJECT: PROPOSED BUDGET FOR 2016-17 AND MULTI-YEAR FINANCIAL PROJECTIONS**

The estimated ending balances for the 2015-16 fiscal year and our initial budget for the 2016-17 fiscal year are presented here for your review and approval. The District is required by Education Code 42127 to adopt a budget for all District funds for the subsequent fiscal year by June 30 of each year. At the same time, the District presents its estimated actual financial results for the current fiscal year. This memo provides a summary of the assumptions used in the preparation of the budget, as well as an analysis of current multi-year financial projections for the District.

### **2015-16 Estimated Unaudited Actuals**

The estimated unaudited actuals consist of the District's current budget adjusted to reflect projected and known changes through the end of the fiscal year. These adjustments include:

- Updating the final estimated Local Control Funding Formula (LCFF) projection to our Orange County Department of Education (OCDE) projection.  
The LCFF estimate has not changed since the Second Interim reporting.
- Updating categorical revenue accounts to reflect actual grant and entitlement amounts as apportioned by the state and federal governments.  
Various minor changes to categorical programs have been incorporated into the budget for the Estimated Actuals.
- Analysis and revision of General Fund expense accounts.  
Fiscal staff have reviewed line item expenditure budgets, budget vs. actual, for all General Fund programs and accounts. Based upon this analysis, there are two material increases between the budget as presented at Second Interim and the Estimated Actuals.
  - Estimated Actuals adjusted to include an increase in the General Fund contribution to Special Education in the amount of \$127,646.
  - Estimated Actuals also adjusted to include a one-time transfer of \$4,084,437 from the General Fund to Fund 40 Special Reserve Fund for Capital Outlay Projects for the Parks Junior High HVAC project.
- All other line item 2015-16 budget amounts are not expected to be materially different from the Second Interim budget and thus are carried forward to the year-end projection.

Based upon a review of current actual financial data (as of month-end April 30, 2016) and the adjustments noted above, the District estimates final unaudited results in the Unrestricted General Fund reflect a reduction of (\$4,249,107) in the previously reported budgeted net income from Second Interim.

Based upon the assumptions listed above, the Estimated Actuals show a total net decrease to the fund balance of (\$4,486,196). This consists of a net decrease in the Unrestricted Fund of (\$1,512,288) combined with a net decrease in the Restricted Fund of (\$2,973,908). This deficit spending primarily reflects a spending down of prior year fund balance carryovers.

The estimated total ending General Fund balance at June 30, 2016, is \$27,241,513. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$24,325,832, which is 17.48% of total General Fund expenditures. (The state requirement is 3%.)

These projections constitute our best estimate at this time of how the District will finish the 2015-2016 fiscal year. Final results will not be known until we close our books and prepare our year-end financial statements (J-200 Unaudited Actuals) in August. Results will be presented to the Board in early September.

## **2016-17 Budget**

### ***State Budget Outlook***

On January 7, 2016, Governor Brown introduced his proposed 2016-17 State Budget, beginning the legislative process for the upcoming fiscal year. On May 13, 2016, he released his May Revision to his January budget. The May Revision outlines the Governor's expectations for the budget, which the Legislature then has until June 15 to revise and pass.

The Governor's original and revised budget proposals again reflect growth in K-14 funding. Thanks to continued state revenue growth and the Proposition 98 guarantee, the Governor's 2016-17 May Revision builds on his January proposal by providing additional increased funding to further implement the LCFF, as well as additional one-time discretionary funding. The Governor proposes that remaining increases in state funding primarily go towards affordable housing projects, making deposits into the state's Rainy Day Fund, and state deferred maintenance projects.

Once again, the Governor provides additional funding to K-12 through unrestricted revenues, rather than new or augmented categorical programs. The proposed budget provides an additional \$154 million from the January State Budget proposal (for a total of \$2.979 billion) for LCFF. This proposed level of funding brings the LCFF formula implementation to 95.7%. The Governor also proposes more than \$1.4 billion in one-time Proposition 98 funding. The funds are unrestricted, and the use of the dollars is discretionary--estimated at \$237 per ADA. Once again, these funds will offset any applicable mandate reimbursement claims.

In contrast to these increases, the statutory Cost of Living Adjustment (COLA) formula is determined to be Ø. Therefore, there is no increase in funding to state categorical programs, including Special Education and Child Nutrition (State Free and Reduced Lunch program).

At the time of this writing, the Legislature and the Governor are still in session, and the final budget had not yet been determined. The District budget presented here has been adjusted for the Governor's May Revise proposal for the LCFF and one-time funding. The total budget will be reviewed and adjusted once the state passes its final budget, and then continually throughout the year as new information is received.

### ***FSD 2016-17 Budget***

When building its budget, the District utilizes the most up-to-date information and forecasts that it has received from the California Department of Education (CDE), and the Orange County Department of Education (OCDE). The District is required to present its proposed budget for the ensuing fiscal year twice before the June 30 statutory deadline for passage by the Board of Trustees. Given that the Legislature is not required to pass the state budget until June 15, the District will usually not be able to incorporate the effects of the state's June budget in its own June budget. Further revisions to update the District's budget will then be made after the Governor signs the state budget.

Revenue accounts are estimated based upon the CDE's and OCDE's projections, as well as the District's 2015-16 reported P-2 ADA. The District has estimated state LCFF revenue using the annual gap funding percentages as projected by the Department of Finance for the May Revise. No other COLAs have been applied to any other state programs, including Special Education. The District has not added any new state-funded programs to its budget.

Expenditures are forecast taking into account all known and projected increases and decreases in expenditures, including changes due to our negotiated salary agreements, step and column, changes in staffing and benefits, changes in contracts and leases, and projected inflationary increases.

The District's budget is required by law to be reviewed and approved by OCDE. Our OCDE consultant reviews all of our detailed assumptions for both our 2016-17 budget and our three-year projection. A budget built on assumptions that cannot be verified and justified by OCDE will not be approved.

The following provides more details on the budget.

### ***Revenues***

The 2016-17 General Fund budget projects total revenues of \$131.2 million, for a net decrease (from 2015-16 estimated revenues) of (\$3.5 million). The majority of the net change is due to a projected decrease in the one-time mandated cost state revenue offset by increases to the LCFF.

LCFF income is projected to increase due to an increase in the target-gap funding rate from 49.08% to 54.84%. The unduplicated count percent decreased very slightly to 51.71%. This results in a per-ADA increase to LCFF funding of 5.3%.

This increase is offset somewhat by a decline in the District's apportionment earning ADA. The District P-2 ADA declined in fiscal 2015-16 by 162. The state allows a one-year "hold harmless;" this drop is reflected in 2016-17 LCFF revenue. There is no further projected change in District ADA for the budget.

Federal revenues are projected with no COLA and a projected decrease as a result of the exclusion of carryover balances.

State categorical programs are budgeted with no COLA. The majority of the decrease in state revenues from 2015-16 to 2016-17 reflects the drop in one-time monies received (from \$7.0 million to \$3.1 million).

Other revenues are based upon historical trends and estimated actuals.

### ***Expenditures***

For 2016-17, total General Fund expenditures are projected at \$133.7 million. The budget reflects routine annual increases required by step and column movement, rate increases for health insurance and for STRS and PERS retirement plans, and other cost of living increases. Additionally, due to increases in LCFF funding, the District has been able to add new programs and expenditures to its budget. Through the LCAP process, the District identified areas of need for new spending. Major increases have been added for increased and/or improved services to targeted pupils, Common Core implementation, site-based programs and expenses, and various program enhancements. See the attached list for more details.

### ***Change in Fund Balance***

Based upon these assumptions, the estimated total ending General Fund balance for the 2016-17 fiscal year shows a net decrease of (\$2,452,038) which is entirely from the reduction in the Unrestricted General Fund.

The estimated total ending General Fund balance for the 2016-17 fiscal year is \$24,789,475. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$24,673,794, which is 18.46% of total General Fund expenditures.

**Three-Year Projection**

The District is required to submit a three-year financial projection for the General Fund at the time of budget submission. However, unlike at First and Second Interim, the District is not required to certify the District’s financial status at this time. Detailed assumptions for the preparation of the three-year projection are attached.

The most significant factors in the projection are the state-funded LCFF and the District’s projected ADA.

**LCFF:** The District is utilizing the Department of Finance’s estimated COLAs and LCFF Funding Rate percentages as of the Governor’s May revise budget proposal. The District is not projecting that its current 51.71% Unduplicated Percentage of enrollment will fluctuate by more than 1% for the subsequent two years of the projection.

**ADA:** The District is projecting no change to ADA in either the 2017-18 or 2018-19 fiscal years.

The District’s three-year projection shows Unrestricted General Fund ending fund balance amounts as follows:

	<u>Percent</u>	<u>Amount Above 3%</u>
June 30, 2017	18.46%	\$20,664,210
June 30, 2018	18.00%	\$19,944,855
June 30, 2019	15.41%	\$16,979,802

**Required Disclosure under Education Code section 42127(a)(2)(b) regarding reasons for Ending Fund Balances above the state-recommended minimum level**

Education Code section 42127(a)(2)(b) requires a statement of reason that substantiates the need for assigned and unassigned ending fund balances in excess of the minimum reserve standard for economic uncertainties for each fiscal year be identified in the budget.

The Board of Trustees of the Fullerton School District currently maintains a prudent reserve which provides for anticipated future expenditures for technology, instructional materials, and other necessary instructional expenditures. The District must also have funds available to mitigate the costs to the District of declining enrollment. Additionally, the reserve is maintained to provide for unplanned or emergency expenditures that might occur in the future. The District must also plan for future facilities needs. Finally, the District must also plan for future downturns in the state economy which could negatively affect the District’s budget.

Projected Unrestricted Ending Fund Balance:

	<u>Assigned</u>	<u>Unassigned</u>	<u>3% Minimum</u>	<u>Amount Above 3% Minimum</u>
June 30, 2017	\$0	\$24,673,794	\$4,009,584	\$20,664,210
June 30, 2018	\$0	\$23,932,890	\$3,988,036	\$19,944,855
June 30, 2019	\$0	\$21,084,645	\$4,104,844	\$16,979,802

## OTHER FUNDS

**Child Development Fund:** The Child Development Fund records the financial activities from the following District programs: state-funded preschool, state-funded before- and after-school programs, parent-paid before- and after-school care, and tuition-based preschool. Financial results are projected to approximate break-even for both the current and budget fiscal years.

**Cafeteria Fund:** The Cafeteria Fund continues to operate in a strong financial position. Participation in the National and State School Lunch and Breakfast programs continues to rise. Financial results are projected to approximate break-even for both the current and budget fiscal years.

**Deferred Maintenance Fund:** The Deferred Maintenance Fund is projected to spend down reserves in both the current and budget years. The state suspended funding of the Deferred Maintenance program during the economic downturn and, with the advent of LCFF, has closed the program. The District plans to spend down the remaining reserves in this fund to complete required deferred maintenance projects.

**Bond Building Fund:** This fund accounts for amounts remaining from the District's former general obligation bonds proceeds. Certain capital expenditures which cannot be funded from the Deferred Maintenance, Developer Fee, or Special Reserve for Capital Outlay Funds are paid for from this fund. In 2015-16, this fund provided a \$1 million interfund transfer to the Special Reserve for Capital Outlay Fund to provide funding for the Parks Jr. High HVAC project.

**Capital Facilities Fund:** The Capital Facilities Fund accounts for the collection and expenditure of developer fees. Approximately \$164,000 in fees was collected in 2015-16. Revenues for the budget year are projected and budgeted as cash is received. Expenditures from this fund are for capital projects related to growth in student enrollment. In 2015-16, this fund provided a \$1.5 million interfund transfer to the Special Reserve for Capital Projects Fund to provide funding for the Parks Jr. High HVAC project.

**Special Reserve Fund—Capital Outlay Projects:** This fund records financial activity related to the Laptop Reserve, and also revenues received from the City of Fullerton as pass-through payments from their Redevelopment Agency. Various capital projects for schools in the designated Redevelopment Areas are financed through this fund. In 2015-16 the District transferred money into this fund from the General Bond Building and Capital Facilities Funds to account for capital projects related to the State Proposition 39 Clean Energy Jobs Act plans, specifically the Parks HVAC project.

**Capital Projects Fund—Blended Components:** This fund records the financial activity related to the District's two Community Facility Districts (CFDs). Revenues are taxes collected from homeowners, and expenditures are primarily payments to bond holders as well as administrative expenses related to the CFDs' operations. Various capital projects for schools in the CFD areas are financed through this fund.

**Self-Insurance Fund:** The Self-Insurance Fund consists of three sub-funds: Property and Liability, Workers' Compensation, and the Dental Self-Insurance Reserve.

The District is responsible for a \$5,000 deductible per claim for property damage, \$50,000 deductible per claim for liability, and \$1,000,000 per claim for Workers' Compensation. Excess insurance is purchased for amounts over the deductibles. Liabilities are projected and booked, and claims and claims expenses are paid through these two sub-funds. Excess insurance is also purchased from the funds.

The District funds the Property and Liability Fund by charging an allocated amount to the General Fund. The amount charged in 2015-16 provided sufficient funding. This transfer will be increased \$100,000 for 2016-17.

Currently the District charges a 1.2% payroll tax on all payrolls to fund the Workers' Compensation Fund. This rate provided sufficient funding to cover costs of excess insurance, claims and claims expenses, and the reserve for Incurred But Not Recorded (IBNR) claims for 2015-16.

The Dental Self-Insurance Reserve maintains a balance to pay any tail claims incurred by the District from a former JPA self-insurance plan in which it participated. There is no activity projected in this reserve.

**3C. Comparison of District ADA to Enrollment Ratio to the Standard**

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Projected P-2 ADA to enrollment ratio has not exceeded the standard for the budget and two subsequent fiscal years.

**Explanation:**  
(required if NOT met)

**4. CRITERION: LCFF Revenue**

**STANDARD:** Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)<sup>1</sup> and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA<sup>1</sup> and its economic recovery target payment, plus or minus one percent.

<sup>1</sup>Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

**4A. District's LCFF Revenue Standard**

Indicate which standard applies:

LCFF Revenue

Basic Aid

Necessary Small School

The District must select which LCFF revenue standard applies.

LCFF Revenue Standard selected: LCFF Revenue

**4A1. Calculating the District's LCFF Revenue Standard**

DATA ENTRY: Enter LCFF Target amounts for the budget and two subsequent fiscal years.  
Enter data in Step 1a for the two subsequent fiscal years. All other data is extracted or calculated.  
Enter data for Steps 2a through 2d. All other data is calculated.

**Projected LCFF Revenue**

Has the District reached its LCFF target funding level?

No

If Yes, then COLA amount in Line 2b2 is used in Line 2e Total calculation.  
If No, then Gap Funding in Line 2c is used in Line 2e Total calculation.

- 1a. STANDARD MET - Projected change in LCFF revenue has met the standard for the budget and two subsequent fiscal years.

**5. CRITERION: Salaries and Benefits**

**STANDARD:** Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the budget year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

It is likely that for many districts the 2014-15 and 2015-16 change from the historical average ratio will exceed the standard because certain revenues that were restricted prior to the LCFF are now unrestricted within the LCFF.

**5A. Calculating the District's Historical Average Ratio of Unrestricted Salaries and Benefits to Total Unrestricted General Fund Expenditures**

# **Fullerton School District**

## **Board Policy**

### **Charter Schools**

**BP 0420.4**

#### **Philosophy, Goals, Objectives, and Comprehensive Plans**

**Board Adopted: February 8, 2011**

The Board of Trustees recognizes that charter schools may assist the District in offering diverse learning opportunities for District students. Further, the Board of Trustees believes that charter schools provide one opportunity to implement school level reform and to support innovations, which improve student learning. In considering any petition to establish a charter school within the District, the Board shall give careful consideration to the potential of the charter school to provide students with a high-quality education that enables them to achieve to their fullest potential. These schools shall operate under the provisions of their charters, federal laws, specified State laws, and general oversight of the Board.

One or more persons may submit a petition for a start-up charter school to be established within the District. In addition, an existing District school may be converted to a charter school when deemed beneficial by the District and community or when State or federal law requires restructuring of the school because of low performance.

Any petition for a start-up charter school or conversion charter school shall include all components and signatures required by law and shall be submitted to the Board.

The Superintendent or designee may work with charter school petitioners prior to the formal submission of the petition in order to gather information about the proposal and suggest components that would align the petition with the District's vision and goals for student learning. As needed, he/she may work with the petitioners to establish workable plans for technical assistance or contracted services, which the District may provide to the proposed charter school.

At his/her discretion, the Superintendent or designee may establish a staff advisory committee to review a submitted petition and the supporting documentation. Such a committee may be used to evaluate the completeness of the proposal, the merits of the proposed educational program, the level of community support, and any concerns that should be addressed by the petitioners. The Superintendent or designee shall also consult with legal counsel as appropriate regarding compliance of the proposal with legal requirements.

Within 30 days of receiving a petition to establish a charter school, the Board shall hold a public hearing to determine the level of support for the petition by teachers, other employees of the District, and parents/guardians. (Education Code [47605](#))

Within 60 days of receiving a petition, or within 90 days with mutual consent of the petitioners and the Board, the Board shall either approve or deny the request to establish the charter school. (Education Code 47605)

The approval or denial of a charter petition shall not be controlled by collective bargaining agreements nor subject to review or regulation by the Public Employment Relations Board. (Education Code 47611.5)

#### **Approval of Petition**

In determining whether to grant or deny a charter, the Board shall carefully review the proposed charter and any supplementary information, consider public and staff input, and determine whether the charter petition adequately addresses all the provisions required by law. The Board shall not deny

a charter school petition unless specific written factual findings are made pursuant to law and administrative regulation.

The Board may initially grant a charter for a specified term not to exceed five years. (Education Code 47607)

The Board may approve one or more memoranda of understanding to clarify the financial and operational agreements between the District and the charter school. Any such memorandum of understanding shall be annually reviewed by the Board and charter school and adjusted as necessary.

The District shall not require any student to attend a charter school and shall not require any District employee to work at a charter school. (Education Code 47605)

The Board shall ensure that any charter granted by the Board contains adequate processes and measures for holding the school accountable for fulfilling the terms of its charter. These shall include, but not be limited to, fiscal accountability systems, multiple measures for evaluating the educational program, and regular reports to the Board.

The Board shall monitor each charter school to determine whether it makes "adequate yearly progress" as defined by the State Board of Education and federal Title I accountability requirements. If a charter school fails to make adequate yearly progress for two or more consecutive years, the Board shall take action for program improvement in accordance with law, Board policy, and administrative regulations.

#### Denial of Petition

The Board shall deny any petition to authorize the conversion of a private school to a charter school or that proposes to serve students in a grade level that is not served by the District, unless the petition proposes to serve students in all the grade levels served by the District. (Education Code 47602, 47605; 5 CCR 11965)

Any other charter petition shall be denied only if the Board presents written factual findings specific to the petition that one or more of the following conditions exist: (Education Code 47605)

1. The charter school presents an unsound educational program for the students to be enrolled in the charter school.
2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.
3. The petition does not contain the number of signatures required.
4. The petition does not contain an affirmation of each of the conditions described in Education Code 47605(d).
5. The petition does not contain reasonably comprehensive descriptions of the charter provisions in Education Code 47605(b).

The Board shall not deny a petition based on the actual or potential costs of serving students with disabilities, nor shall it deny a petition solely because the charter school might enroll disabled students who reside outside the special education local plan area in which the District participates. (Education Code 47605.7, 47647)

## **Board Policy**

### **Charter School Oversight**

**BP 0420.41**

#### **Philosophy, Goals, Objectives, and Comprehensive Plans**

The Board of Trustees recognizes its ongoing responsibility to ensure that any charter school authorized by the Board is successfully fulfilling the terms of its charter and is providing a high-quality educational program for students enrolled in the charter school.

The Superintendent or designee shall identify at least one staff member to serve as a contact for each charter school. (Education Code 47604.32)

The Board and Superintendent or designee may inspect or observe any part of the charter school at any time. The Superintendent or designee shall visit each charter school at least annually. (Education Code 47604.32, 47607)

Whenever a charter school operates as or is operated by a nonprofit public benefit corporation as authorized by Education Code 47604, the Superintendent shall recommend and the Board shall appoint a District representative, who may be the District's charter school contact, on the corporation's board of directors.

#### **Waivers**

If the charter school wishes to request a general waiver of any State law or regulation, it shall request that the District submit a general waiver request to the State Board of Education (SBE) on its behalf. Upon approval of the Board, the Superintendent or designee shall apply for the waiver.

#### **Provision of District Services**

The charter school may purchase administrative or other services from the District or any other source. (Education Code 47613)

Whenever the District agrees to provide administrative or support services, the District and charter school shall develop a memorandum of understanding which clarifies the financial and operational agreements between the District and charter school.

At the request of a charter school, the Superintendent or designee shall create and submit any reports required by the State Teachers' Retirement System or Public Employees' Retirement System on behalf of the charter school. The charter school may be charged for the actual costs of the reporting services, but shall not be required to purchase payroll processing services from the District as a condition for creating and submitting these reports. (Education Code 47611.3)

#### **Material Revisions to Charter**

Material revisions to a charter may be made only with Board approval. Material revisions shall be governed by the same standards and criteria that apply to new charter petitions as set forth in Education Code 47605 and shall include, but not be limited to, a reasonably comprehensive description of any new requirement for charter schools enacted into law after the charter was originally granted or last renewed. (Education Code 47607)

If an approved charter school proposes to expand operations to one or more additional sites within the District's boundaries, the charter school shall request a material revision to its charter and shall notify the Board of those additional locations. The Board shall consider approval of the additional locations at an open meeting. (Education Code 47605)

The Board shall have the authority to determine whether a proposed change in charter school operations constitutes a material revision.

#### Monitoring Charter School Performance

The Superintendent or designee shall monitor the charter school to determine whether it complies with all legal requirements applicable to charter schools, including making all reports required of charter schools in accordance with Education Code 47604.32. Any violations of law shall be reported to the Board.

The Board shall monitor each charter school to determine whether it is achieving, both schoolwide and for all groups of students served by the school, the measurable student outcomes set forth in the charter. This determination shall be based on the measures specified in the approved charter and shall include, at a minimum, a consideration of whether the school is meeting its Academic Performance Index growth targets established pursuant to Education Code 52052 and is making "adequate yearly progress" (AYP) pursuant to 20 USC 6311, as applicable.

The Board shall monitor the fiscal condition of the charter school based on any financial information obtained from the charter school, including, but not limited to, the charter school's preliminary budget; an annual update, aligned to the template adopted by the SBE, of school goals, actions, and related expenditures; first and second interim financial reports; and final unaudited report for the full prior year. (Education Code 47604.32, 47604.33, 47606.5)

The District may charge up to one percent of a charter school's revenue for the actual costs of supervisory oversight of the school. However, if the District is able to provide substantially rent-free facilities to the charter school, the District may charge actual costs of supervisory oversight up to three percent of the charter school's revenue. (Education Code 47613)

#### Technical Assistance/Intervention

If a charter school receiving federal Title I funding fails to make AYP, as defined pursuant to 20 USC 6311, for two or more consecutive years, the school shall be identified for program improvement and shall implement improvement strategies in accordance with 20 USC 6316.

If, in three out of four consecutive school years, a charter school fails to improve outcomes for three or more student subgroups identified in Education Code 52052, or for all of the student subgroups if the school has fewer than three, in regard to one or more State or school priorities identified in the charter, the District: (Education Code 47607.3)

1. Shall provide technical assistance to the charter school using an evaluation rubric adopted by the SBE pursuant to Education Code 52064.5
2. May request that the Superintendent of Public Instruction (SPI), with SBE approval, assign the California Collaborative for Educational Excellence to provide advice and assistance to the charter school pursuant to Education Code 52074

In accordance with law, the Board may deny a charter's renewal petition or may revoke a charter based on the charter school's poor performance, especially with regards to the academic achievement of all numerically significant subgroups of students served by the charter school.

## Complaints

Each charter school shall maintain processes to enable any person to file a complaint, in accordance with the uniform complaint procedures as specified in 5 CCR 4600-4687, alleging the school's noncompliance with Education Code 47606.5 or 47607.3. (Education Code 52075)

A complainant who is not satisfied with the decision may appeal the decision to the SPI. (Education Code 52075)

If the charter school finds merit in the complaint or the SPI finds merit in an appeal, a remedy shall be provided to all affected students and parents/guardians. (Education Code 52075)

## School Closure

In the event that the Board revokes or denies renewal of a charter or the school closes for any other reason, the Superintendent or designee shall, when applicable in accordance with the charter and/or a memorandum of understanding, provide assistance to facilitate the transfer of the charter school's former students and to finalize financial reporting and close-out.

The Superintendent or designee shall provide notification to the California Department of Education, within 10 calendar days, if the charter school will cease operation for any reason.

Such notification shall include, but not be limited to, a description of the circumstances of the closure, the effective date of the closure, and the location of student and personnel records. (Education Code 47604.32; 5 CCR 11962.1)

## **Board Policy**

### **Charter School Renewal**

**BP 0420.42**

#### **Philosophy, Goals, Objectives, and Comprehensive Plans**

The Board of Trustees believes that the ongoing operation of a charter school established within the District should be dependent on the school's effectiveness in achieving its mission and goals for student learning and other student outcomes. Whenever a charter school submits a petition for renewal of its charter, the Board shall review the petition thoroughly and in a timely manner.

Each renewal granted by the Board shall be for a period of five years. (Education Code 47607)

#### Submission of Renewal Petition

A charter school seeking renewal of its charter is encouraged to submit its petition for renewal to the Board sufficiently early before the term of the charter is due to expire.

The signature requirement applicable to new charter petitions is not applicable to petitions for renewal. (5 CCR 11966.4)

The petition for renewal shall include a reasonably comprehensive description of how the charter school has met all new charter school requirements enacted into law after the charter was originally granted or last renewed. The petition also shall include documentation that the charter school meets at least one of the criteria for academic performance specified in Education Code 47607(b), as listed in item #5 in the section "Criteria for Granting or Denying Renewal" below. (Education Code 47607; 5 CCR 11966.4)

#### Criteria for Granting or Denying Renewal

Renewals shall be governed by the same standards and criteria that apply to new charter petitions as set forth in Education Code 47605. The Board shall consider the past performance of the charter school's academics, finances, and operations in evaluating the likelihood of future success, along with plans for improvement, if any. (Education Code 47607; 5 CCR 11966.4)

In determining whether to grant a charter renewal, the Board shall consider increases in academic achievement for all "numerically significant" groups of students served by the charter school, as defined in Education Code 52052, as the most important factor. (Education Code 47607)

The Board shall deny a renewal petition only if it makes a written factual finding setting forth specific facts to support one or more of the following grounds: (Education Code 47605, 47607; 5 CCR 11966.4)

1. The charter school presents an unsound educational program for the students enrolled in the school.
2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.
3. The petition does not contain an affirmation of each of the conditions described in Education Code 47605(d).

4. The petition does not contain reasonably comprehensive descriptions of the charter provisions in Education Code 47605(b).

5. The charter school has failed to meet at least one of the following criteria of academic performance:

a. Attainment of its Academic Performance Index (API) growth target in the prior year or in two of the last three years, both schoolwide and for all numerically significant groups of students served by the charter school as defined in Education Code 52052.

b. An API ranking in deciles 4-10 in the prior year or in two of the last three years.

c. An API ranking in deciles 4-10 for a demographically comparable school in the prior year or in two of the last three years.

d. Academic performance at least equal to the academic performance of the public schools that the charter school students would otherwise have been required to attend as well as the academic performance of District schools, taking into account the composition of the student population that is served at the charter school. In determining whether the charter school satisfies this criterion, the Board shall base its decision on:

(1) Documented clear and convincing data

(2) Student achievement data from assessments, including, but not limited to, the Standardized Testing and Reporting Program, for demographically similar student populations in comparison schools

(3) Information submitted by the charter school

Whenever the Board makes a determination based on this criterion, the Superintendent or designee shall submit copies of supporting documentation and a written summary of the basis for the Board's determination to the Superintendent of Public Instruction.

e. Qualification for an alternative accountability system pursuant to Education Code 52052(h)

#### Timelines for Board Action

Within 30 days of receiving the renewal petition, the Board shall hold a public hearing to review documentation submitted by the charter school and obtain public input.

If the charter school submits documentation pursuant to item #5d in the section "Criteria for Granting or Denying Renewal" above, the Board shall not grant a renewal until at least 30 days after the submission of such documentation. (Education Code 47607)

Within 60 days of receiving the renewal petition, or within 90 days if extended by mutual written agreement of the Board and the charter school, the Board shall either grant or deny the request to renew the charter. (Education Code 47607; 5 CCR 11966.4)

If the Board fails to make a written factual finding pursuant to items #1-5 in the section "Criteria for Granting or Denying Renewal" above within the required time period, the absence of a written factual finding shall be deemed an approval of the renewal petition. (5 CCR 11966.4)

The Superintendent or designee shall provide notification to the California Department of Education, within 10 calendar days of the Board's action, whenever a renewal of the charter is granted or denied. (Education Code 47604.32; 5 CCR 11962.1)

If the Board denies a renewal petition, the charter school may submit its application for renewal to the County Board of Education within 30 days of the Board's written factual findings supporting the denial. If the County Board then fails to deny or grant the petition within 60 days of receiving the petition, or within 90 days if extended by written mutual agreement of the charter school and the County Board, the charter school may submit the petition to the State Board of Education. (Education Code 47605, 47607.5)

## Board Policy

### Charter School Revocation

BP 0420.43

#### Philosophy, Goals, Objectives, and Comprehensive Plans

The Board of Trustees expects any charter school it authorizes to provide a sound educational program that promotes student learning and to carry out its operations in a manner that complies with law and the terms of its charter.

The Board may revoke a charter before the date it is due to expire whenever the Board makes a written factual finding, supported by substantial evidence, that the charter school has done any of the following: (Education Code 47607)

1. Committed a material violation of any of the conditions, standards, or procedures set forth in the charter
2. Failed to meet or pursue any of the student outcomes identified in the charter
3. Failed to meet generally accepted accounting principles or engaged in fiscal mismanagement
4. Violated any provision of law

The Board shall also consider revocation of a charter whenever the California Collaborative for Educational Excellence (CCEE), after providing advice and assistance to the charter school pursuant to Education Code 47607.3, submits to the Board either of the following findings: (Education Code 47607.3)

1. That the charter school has failed or is unable to implement the recommendations of the CCEE
2. That the inadequate performance of the charter school, as based on an evaluation rubric adopted by the State Board of Education (SBE), is so persistent or acute as to require revocation of the charter

In determining whether to revoke a charter, the Board shall consider increases in student academic achievement for all "numerically significant" groups of students served by the charter school, as defined in Education Code 52052, as the most important factor. (Education Code 47607, 47607.3)

At least 72 hours prior to any Board meeting at which the Board will consider issuing a Notice of Violation, the Board shall provide the charter school with notice and all relevant documents related to the proposed action. (5 CCR 11968.5.2)

If the Board takes action to issue a Notice of Violation, it shall deliver the Notice of Violation to the charter school's governing body. The Notice of Violation shall identify: (Education Code 47607; 5 CCR 11965, 11968.5.2)

1. The charter school's alleged violation(s).
2. All evidence relied upon by the Board in determining that the charter school committed the alleged violation(s), including the date and duration of the alleged violation(s). The Notice shall show

that each alleged violation is both material and uncured and that it occurred within a reasonable period of time before the Notice of Violation is issued.

3. The period of time that the Board has concluded is a reasonable period of time for the charter school to remedy or refute the identified violation(s). In identifying this time period, the Board shall consider the amount of time reasonably necessary to remedy each identified violation, which may include the charter school's estimation as to the anticipated remediation time.

By the end of the remedy period identified in the Notice of Violation, the charter school's governing body may submit to the Board a detailed written response and supporting evidence addressing each identified violation, including the refutation, remedial action taken, or proposed remedial action. (5 CCR 11968.5.2)

Within 60 calendar days of the conclusion of the remedy period, the Board shall evaluate any response and supporting evidence provided by the charter school's governing body and shall take one of the following actions: (5 CCR 11968.5.2)

1. Discontinue revocation of the charter and provide timely written notice of such action to the charter school's governing body

2. If there is substantial evidence that the charter school has failed to remedy a violation identified in the Notice of Violation or to refute a violation to the Board's satisfaction, continue revocation of the charter by issuing a Notice of Intent to Revoke to the charter school's governing body

If the Board issues a Notice of Intent to Revoke, it shall hold a public hearing concerning the revocation on the date specified in the notice, which shall be no later than 30 days after providing the notice. Within 30 calendar days after the public hearing, or within 60 calendar days if extended by written mutual agreement of the Board and the charter school, the Board shall issue a final decision to revoke or decline to revoke the charter. (Education Code 47607; 5 CCR 11968.5.2)

If the Board fails to meet the timelines specified above for issuing a Notice of Intent to Revoke or a final decision, the revocation process shall be deemed terminated. (5 CCR 11968.5.2)

Within 10 calendar days of the Board's final decision, the Superintendent or designee shall provide a copy of the final decision to the California Department of Education (CDE) and the County Board of Education. (Education Code 47604.32; 5 CCR 11968.5.2)

### Severe and Imminent Threat

The procedures specified above shall not be applicable when the Board determines, in writing, that any violation under Education Code 47607 constitutes a severe and imminent threat to the health or safety of students. In such circumstances, the Board may immediately revoke the school's charter by approving and delivering a Notice of Revocation by Determination of a Severe and Imminent Threat to Pupil Health or Safety to the charter school's governing body, the County Board, and the CDE. (Education Code 47607; 5 CCR 11968.5.3)

### Appeals

If the Board revokes a charter, the charter school may, within 30 days of the Board's final decision, appeal the revocation to the County Board. Either the charter school or the District may subsequently appeal the County Board's decision to the SBE. DISCUSSION/ACTION ITEM

**DATE:** June 21, 2016  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**PREPARED BY:** Steve Miller, Director, Business Services  
**SUBJECT:** **ADOPT RESOLUTION #15/16-23 REGARDING THE EDUCATION PROTECTION ACCOUNT**

Background: Proposition 30 added Article XIII, Section 36, to the California Constitution. The new temporary tax revenues generated from Proposition 30 are deposited into a newly-created State account called the Education Protection Account (EPA). Funds will be distributed by the State to local districts on a quarterly basis in 2016/2017.

Rationale: Article XIII, Section 36, stipulates how the monies are to be spent. The Article also requires each school district to disclose how it will spend its share of the EPA in open session of a public meeting of the governing board.

Funding: The estimated District's share of the Education Protection Account for 2016/2017 is \$16,713,853. This amount offsets revenues previously received through the District's revenue limit. This is not new revenue to the District. The District will spend this funding on instruction (teacher salaries).

Recommendation: Adopt Resolution #15/16-23 regarding the Education Protection Account.
