CONSENT ITEM

**DATE:** July 28, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

**SUBJECT:** APPROVE/RATIFY INTERNSHIP CREDENTIAL PROGRAM AGREEMENT BETWEEN NATIONAL UNIVERSITY AND FULLERTON SCHOOL DISTRICT EFFECTIVE JULY 10, 2015

Background: National University is accredited to offer the following credential internship programs: Teacher Education, Special Education, Preliminary Administrative Services, Pupil Personnel Services – School Counseling, and Pupil Personnel Services – School Psychology. These internship programs provide an opportunity for qualified credential program candidates of National University to work as teachers of record with Fullerton School District while completing their pre-service preparation.

Interns hold considerable responsibility as the classroom teacher of record responsible for designing, developing, and implementing curriculum and instruction for a full load of classes for the length of the school year. In addition, they are expected to be fully participating members of the school faculty, including service on school committees, supervision of student activities, and attendance at school and District meetings and in-services.

The intern credential is authorized for two years in the candidate's teaching field; interns cannot teach out of their field. Candidates can become interns when they pass the CBEST, demonstrate subject matter competence, have an offer of an intern teaching position from a participating school district, and are approved for the program. Upon completing all program requirements for advancement to student achievement, interns may use their teaching position as the "student teaching" experience.

Rationale: An internship is an entry-level paid position in a regular public elementary or junior high school classroom. The intern credential holder is an employee of the District on a contractual basis and is subject to all District employment policies. Interns are also program students, subject to program requirements. Hiring an intern allows the District to mentor and aid future educators.

Funding: Not applicable.

Recommendation: Approve/Ratify Internship Credential Program Agreement between National University and Fullerton School District effective July 10, 2015.

5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. Contractor agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to Contractor, Contractor's business, equipment and personnel engaged in the Services covered by this Agreement or accruing out of the performance of such Services.

18. Non-Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

### AGREEMENT

1. Term of Agreement. Unless earlier terminated as provided herein, the initial term of this Agreement shall be from the Effective Date through **June 30, 2018** (“*Initial Term*”). This Agreement shall thereafter automatically renew for additional successive one year periods unless written notice of non-renewal is given by either party to the other at least 60 days prior to the end of the then-current term (each a “*Renewal Term*” and together with the Initial Term, the “*Term*”), unless sooner terminated as provided herein.

2. License of Software to District; Third Party Services.

(a) License. Subject to the terms of this Agreement, Illuminate hereby grants to District a limited, non-exclusive, non-sublicensable and non-transferrable license for District employees, students and their parents or guardians (collectively, “*District Users*”) to use the Software during the Term with respect to each of the District locations listed on Exhibit A hereto. Exhibit A may be amended for future school years to include additional District locations. The District Users may not use the Software other than with respect to the locations set forth on Exhibit A or for other than District operations. District is responsible for the actions of all District Users, for ensuring that only authorized District Users are provided access to the Software, and that access of District Users authorized by the District is limited to that portion of the Software and District Data (as defined below) as is reasonably necessary in order to fulfill the purposes of this Agreement.

(b) Third Party Services. Illuminate has entered into agreements with third parties that permit it to authorize the District Users to download from such third parties' servers, or otherwise access, and use, through the Software, (A) the Grading Software and (B) the Item Bank, subject, in the case of the Grading Software, to execution of a standard end user license agreement with the third party provider. So long as Illuminate continues to have the right from the applicable third party to authorize District to use the Grading Software and the Item Bank in connection with the Software, it will enable the Software to allow District Users to do so. In the event that Illuminate ceases to have such right, or the applicable third party dissolves or otherwise ceases to make such product available to Illuminate, Illuminate will work with District to identify an alternative product providing substantially similar functionality and on substantially similar terms, and make such product available to District. If Illuminate is unable to find or obtain the right to provide an alternative product on such terms, District's sole remedy will be a reduction in the Annual License Fee under Section 3(a) and 3(b) by \$1.00 per student, in the case of the unavailability of the Grading Software, and \$1.50 per student, in the case of the unavailability of the Item Bank. Illuminate makes no representations or warranties regarding the functionality, quality or continuing availability of either the Grading Software or the Item Bank (or any alternative product) and will have no liability with respect thereto.

3. Annual Software License Fee. District agrees to pay to Illuminate an annual license fee (the "**Annual License Fee**") for use of the Software and applicable third party services as set forth below.

(a) Initial School Year. A fee for the initial school year beginning **August 1, 2015** and continuing through **June 30, 2016** consisting of:

(i) \$4.00 per student for use of the Software and the Grading Software; and

(ii) \$1.50 per student for use of the Item Bank.

(b) Subsequent School Years During Initial Term. A fee for each school year during the Initial Term after the initial school year, subject to an increase by Illuminate no more often than annually for changes in the cost of living, consisting of:

(i) \$4.00 per student for use of the Software and the Grading Software; and

(ii) \$1.50 per student for use of the Item Bank.

(c) Student Count. The parties agree that the number of students to be used in calculating the Annual License Fee for each school year (the "**Student Count**") shall be determined as follows:

(i) for the initial school year, the Student Count shall be the number of students during the preceding school year based upon **CBED's** at schools in the District that will be using or are authorized to use the Software; and

for each subsequent school year, the Student Count will be the number of students during the preceding school year based upon **CBED's** at schools in the District that will be using or are authorized to use the Software.

By way of example, the estimated Annual License Fees for the Initial Term assuming no change in cost of living and a Student Count of **13,678** would be as follows:

<b>Product/School Year</b>	<b>Fee Structure</b>	<b>Estimate of Annual License Fee</b>
Software and Grading Software, July 1, 2015 - June 30, 2016	\$4.00 per student 13,678 students	\$54,712
Item Bank, July 1, 2015 - June 30, 2016	\$1.50 per student 11,064 students (Selected Grades)	\$16,596
<b>Total</b>		<b>\$71,308</b>
Software and Grading Software, July 1, 2016 - June 30, 2017	\$4.00 per student 13,678 students	\$54,712
Item Bank, July 1, 2016 - June 30, 2017	\$1.50 per student 11,064 students (Selected Grades)	\$16,596
<b>Total</b>		<b>\$71,308</b>
Software and Grading Software, July 1, 2017 - June 30, 2018	\$4.00 per student 13,678 students	\$54,712
Item Bank, July 1, 2017 - June 30, 2018	\$1.50 per student 11,064 students (Selected Grades)	\$16,596
<b>Total</b>		<b>\$71,308</b>

(d) Renewal School Years. A fee per student (calculated based on Student Count) for each school year after the Initial Term equal to that generally charged by Illuminate to school districts at the time of renewal.

(e) Payment. The Annual License Fee for each school year shall be paid by District within 30 days of receipt of an invoice from Illuminate.

(f) Failure to Make Payment. In the event District fails to pay the Annual License Fee or other fees due hereunder when due it will constitute a material breach of this Agreement and, upon notice from Illuminate, District agrees to immediately cease, and to cause

District Users to cease, using the Software and Illuminate will have no further obligation to provide any maintenance or support to District or District Users.

(g) Taxes. The fees in this Section 3 and in Section 5 below do not include sales, use or similar taxes which may be applicable. District is solely responsible and liable for payment of all sales, use, excise, value added or similar taxes, duties or charges imposed by any federal, state or local government or jurisdiction with respect to any fees or other payments to be made by District to Illuminate under this Agreement, excluding taxes based on Illuminate's overall net income.

4. Ownership of Software; Third Party Materials. Illuminate and its licensors are and will remain the exclusive owners of all right, title and interest in and to the Software and all derivative works, and in the materials licensed by Illuminate from third parties ("**Third Party Materials**"), including but not limited to copyrights, patent rights, and trade secrets and all other intellectual property rights as may exist now and/or hereafter come into existence, subject only to the rights of third parties in open source components and the limited license granted under this Agreement. In addition, Illuminate shall own any and all other ideas, concepts, themes, technology, algorithms, programming codes, documentation or other intellectual property or copyrightable material conceived, developed, created, written or contributed by Illuminate pursuant to this Agreement ("**Specific Developments**"). District will have no rights in the Software, any derivative works, the Specific Developments or Third Party Materials, except the license and related rights expressly set forth in this Agreement. District agrees not to (i) alter, merge, modify, adapt or translate the Software or Third Party Materials, or decompile, reverse-engineer, disassemble, or otherwise reduce the Software or Third Party Materials to a human-perceivable form, (ii) sell, rent, lease or sublicense the Software or Third Party Materials or (iii) create derivative works based upon the Software or Third Party Materials.

5. Software Implementation, Data Conversion, Hosting and Training Services. Illuminate agrees to provide the services associated with the implementation of the Software, data conversion, hosting and training of District employees on the use of the Software as follows:

(a) Hosting. The Software and District's data will be hosted on Illuminate's servers (included in the Annual License Fee).

(b) Importing of Data. Illuminate will assist District with importing District's data into the Software within 45 business days after Illuminate is provided reasonable access to usable District Data.

(c) Additional Training and Services. Upon written request and authorization by District, Illuminate will conduct additional training and provide additional services to District. Custom development shall be at a rate of **\$120** per hour. Training after initial training is exhausted will be at a rate of **\$1,500** per day for on-site training and **\$500** per day for on-line training. Fees for such services shall be due and payable within 30 days of receipt of an invoice from Illuminate.

6. Ownership and Control of District Data. District will retain ownership of, and the ability to control, all District data imported into the Software ("**District Data**"). District Data

includes pupil records, as defined in California Education Code §49073.1(d)(5) (“**Pupil Records**”). Illuminate may, however, use and disclose to third parties District Data that has been anonymized or de-identified. Upon the termination of this Agreement, to the extent District Data resides on Illuminate servers, Illuminate agrees to assist in the transfer all District Data back to District in an industry standard open format such as SQL at no charge.

7. Responsibilities of District. District agrees to prepare and furnish to Illuminate upon request such information as is reasonably requested by Illuminate in order for Illuminate to perform its obligations under this Agreement.

8. Illuminate Software Maintenance and Support. Illuminate agrees to provide maintenance and support of the Software. Such maintenance and support will include coverage in the form of bug fixes and other corrections to the Software; telephone and e-mail support for questions regarding operations of the Software; change the Software as necessary to incorporate upgrades and new features; support to District in resolving problems/errors resulting from misuse or hardware/software failure; telephone or web conferences with District to address future growth or modifications to the Software. Maintenance and support of the Software is provided at no additional cost to District. Illuminate is not responsible for, nor will it have any liability resulting from, (a) modifications to or alterations of the Software or databases by District or District Users, unless such modification or alteration is approved in writing by Illuminate, or (b) any failure of District or District Users equipment or software.

9. Confidentiality.

(a) Confidential Information Defined. Each party (the “**Disclosing Party**”) may from time to time during the Term disclose to the other party (the “**Receiving Party**”) certain information regarding the Disclosing Party’s business, including technical, marketing, financial, employee, planning, and other confidential or proprietary information (“**Confidential Information**”). The Software, Third Party Materials and related know-how, technology, system designs, layouts, software, concepts, techniques, data and files will be considered Confidential Information of Illuminate. District Data will be considered Confidential Information of District.

(b) Protection of Confidential Information. The Receiving Party will protect the Disclosing Party’s Confidential Information from unauthorized use, access, or disclosure in the same manner as the Receiving Party protects its own confidential or proprietary information of a similar nature and with no less than reasonable care. District acknowledges that the Software is maintained as a trade secret by Illuminate, and agrees to use reasonable care in preserving such secrecy, including making such information available only to those District Users required to have access in order to fulfill the purposes of this Agreement. Illuminate acknowledges that Pupil Records must be protected and will take all legally required actions, including the designation and training of responsible individuals, to ensure the security and confidentiality of Pupil Records.

(c) Exceptions. The Receiving Party’s obligations under this section with respect to any Confidential Information of the Disclosing Party will terminate if the Receiving Party can demonstrate that such information: (i) was already known to the Receiving Party at the time of disclosure by the Disclosing Party; (ii) is disclosed to the Receiving Party by a third party who had the right to make such disclosure without any confidentiality restrictions; (iii) is, or

through no fault of the Receiving Party has become, generally available to the public; or (iv) is independently developed by the Receiving Party without access to, or use of, the Disclosing Party's Confidential Information. In addition, the Receiving Party will be allowed to disclose Confidential Information of the Disclosing Party to the extent that such disclosure is (i) approved in writing by the Disclosing Party, (ii) necessary for the Receiving Party to enforce its rights under this Agreement in connection with a legal proceeding; or (iii) required by law or by the order of a court or similar judicial or administrative body, provided that the Receiving Party notifies the Disclosing Party of such required disclosure promptly and in writing and cooperates with the Disclosing Party, at the Disclosing Party's reasonable request and expense, in any lawful action to contest or limit the scope of such required disclosure.

(d) Return of Confidential Information. In addition to Illuminate's obligations under Section 6, promptly upon the written request of the Disclosing Party following termination of this Agreement, the Receiving Party will either, at Disclosing Party's option, return to the Disclosing Party or destroy all Confidential Information of the Disclosing Party in the Receiving Party's possession or control and certify in writing that it has fully complied with its obligations under this Section.

(e) Use of Confidential Information. The Receiving Party will not use Confidential Information of the Disclosing Party for any purpose prohibited by law or other than as required or reasonably contemplated by this Agreement. Illuminate further agrees it will not use any personally identifiable information in District Data to engage in or facilitate targeted advertising.

(f) Injunctive Relief. Because monetary damages may not be sufficient to remedy a violation of the provisions of this section, a Disclosing Party shall be entitled, upon becoming aware of any such violation and without waiving any other rights or remedies it may have, to seek whatever injunctive or other equitable relief it may deem appropriate.

#### 10. Privacy and Collection of District Data.

(a) Compliance with Law. Each of Illuminate and District represents and warrants that it, and its officials, agents, employees and subcontractors is familiar with the provisions of the Family Educational Rights and Privacy Act ("**FERPA**") and equivalent state provisions, and each party agrees that it will comply with such provisions and take all reasonable measures necessary to protect student education records from unauthorized acquisition or release. In the event that any unauthorized acquisition or release of student education records occurs, each party agrees to advise the other promptly upon discovery of such unauthorized acquisition or release and, if required by law, District will notify the affected parent, legal guardian or student (if at least 18 years of age), as applicable, in writing of such unauthorized acquisition or unauthorized release.

(b) Sharing of District Data. Illuminate will not share District Data, except to the extent it has been anonymized or de-identified, with or disclose it to any third party, except (i) as directed by District or District Users, (ii) to District Users as contemplated by this Agreement, (iii) to Illuminate's subcontractors who need access to fulfill Illuminate's obligations under this Agreement and who have agreed to maintain the confidentiality of such information or (iv) as required by applicable law. When Illuminate believes that any disclosure is required by

applicable law, it shall promptly notify the District prior to the disclosure and give the District a reasonable opportunity to object to the disclosure.

(c) Storage and Process. Illuminate will store and process District Data in accordance with commercially reasonable practices, including appropriate administrative, physical, and technical safeguards, to secure such data from unauthorized access, disclosure, alteration, and use.

(d) Right to Correct. A parent, legal guardian, or student who has reached 18 years of age may review personally identifiable information in the student's education records and correct erroneous information by serving a written request for access or description of the erroneous information and written request for correction upon District and furnishing District, upon request, such information as is reasonably requested to respond to the request. District is responsible for correcting all such erroneous information and Illuminate agrees to fully cooperate with District to make such corrections.

(e) Social Security Numbers. District agrees that it will not collect or store as part of the District Data or otherwise any social security numbers.

#### 11. Illuminate Warranty.

(a) Software Warranty. Illuminate warrants to District that the Software as delivered, will materially comply with the published specifications of Illuminate for such Software. Illuminate's obligations under this warranty are limited to providing District with a copy of corrected Software. Illuminate does not warrant that the operation of the Software will be uninterrupted or error-free. IN PARTICULAR, FOR PURPOSES OF THE FOREGOING WARRANTY, ILLUMINATE AND DISTRICT ACKNOWLEDGE THAT THE SOFTWARE IS NOT AND CANNOT BE MADE TO BE 100% ACCURATE, AND THAT ANY ERRORS OR FAILURE TO PERFORM SHALL NOT BE DEEMED A BREACH OF SUCH WARRANTY UNLESS THEY ARE SIGNIFICANT AND NOT TO BE EXPECTED IN LIGHT OF THE LIMITATIONS OF SOFTWARE OF THIS TYPE.

(b) No Other Warranty. EXCEPT AS EXPRESSLY SET FORTH ABOVE, ILLUMINATE DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, WITH REGARD TO ALL TECHNOLOGY, THIRD PARTY MATERIALS, SOFTWARE OR DERIVATIVE WORKS PROVIDED OR OTHERWISE LICENSED TO DISTRICT IN CONNECTION WITH THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR USE AND NON-INFRINGEMENT.

#### 12. Indemnification.

(a) By Illuminate. Illuminate agrees to defend, indemnify and hold harmless District and its directors, officers, employees, and agents from and against all damages, costs (including reasonable attorneys' fees), judgments and other expenses arising out of or on account of any third party claim: (i) alleging that the Software infringes or misappropriates the proprietary or intellectual property rights of any third party, except to the extent that such infringement results from District's misuse of or modifications to the Software; (ii) that results from the negligence or intentional misconduct of Illuminate or its employees or agents; or

(iii) that results from any breach of any of the representations, warranties or covenants contained herein by Illuminate.

(b) By District. To the extent permitted under applicable law, District agrees to defend, indemnify and hold harmless Illuminate and its directors, officers, employees, and agents from and against all damages, costs (including reasonable attorneys' fees), judgments and other expenses arising out of or on account of any third party claim that results from (i) the negligence or intentional misconduct of District or its employees or agents or (ii) any breach of any of the representations, warranties or covenants contained herein by District.

(c) Indemnification Procedure. The parties' obligation to indemnify is subject to the conditions that the party with the obligation to indemnify ("**Indemnifying Party**") is given prompt notice of any such claims and is given primary control of and all reasonably requested assistance (at the other party's cost) for the defense of such claims (with counsel reasonably satisfactory to the party being indemnified ("**Indemnified Party**")), provided that the Indemnified Party shall under no circumstances be required to admit liability, and provided further that any delay in notification shall not relieve the Indemnifying Party of its obligations hereunder except to the extent that the delay materially impairs its ability to indemnify. Without limiting the foregoing, the Indemnified Party may participate in the defense at its own expense and with its own counsel; provided that if the Indemnified Party reasonably concludes that the Indemnifying Party has conflicting interests or different defenses available with respect to such claim, the reasonable fees and expenses of one counsel to the Indemnified Party shall be borne by the Indemnifying Party. The Indemnifying Party shall not enter into or acquiesce to any settlement containing any admission of or stipulation to any guilt, fault, liability or wrongdoing on the part of the Indemnified Party or which would otherwise adversely affect the Indemnified Party without the Indemnified Party's prior written consent (which shall not be unreasonably withheld). The Indemnifying Party shall keep the Indemnified Party advised of the status of the claims and the defense thereof and shall consider in good faith the recommendations made by the Indemnified Party with respect thereto.

13. Insurance. Illuminate agrees to carry a comprehensive general and automobile liability insurance with limits of Two Million Dollars (\$2,000,000.00) per occurrence combined single limit for bodily injury and property damage in a form mutually acceptable to both parties to protect Illuminate and District against liability or claims of liability which may arise out of this Agreement. Illuminate agrees to maintain workers' compensation insurance as required under applicable law.

14. Termination.

(a) Termination by District. District may terminate this Agreement without cause prior to the expiration of the Term, effective upon the end of a District fiscal year, by giving Illuminate written notice of its intent to so terminate at least sixty (60) days prior to the end of such District fiscal year.

(b) Termination for Cause. Either party may terminate this Agreement prior to the expiration of the Term, effective immediately upon written notice to the other party, in the event of a material breach of this Agreement by the other party hereto, which breach remains uncured for more than thirty (30) days after written notice thereof. In addition, either party may

terminate this Agreement upon ten (10) days written notice to the other party upon the occurrence of any one or more of the following: (i) the institution by or against the other party of insolvency, receivership, or bankruptcy proceedings or any other proceedings for the settlement of the other party's debts; (ii) the other party making an assignment for the benefit of creditors; or (iii) the other party's dissolution.

(c) Rights in Law and Equity Remain. The foregoing rights to terminate are in addition to, not in lieu of, all other rights and remedies which may be available to either party under this Agreement, at law and/or in equity.

(d) Survival. The obligations in the following Sections will survive any expiration or termination of this Agreement: Sections 2(b), 4, 6, 9, 10, 11, 12, 14 and 15 and any obligations to pay for license fees, services, training or taxes pursuant to Sections 3 or 5 that were earned or payable relating to the period prior to termination.

#### 15. Miscellaneous.

(a) Entire Agreement; Counterparts. This Agreement and the Exhibits hereto contain the entire agreement between the parties with respect to the transactions contemplated hereby and supersedes all prior negotiations, commitments, agreements and understandings between them with respect thereto. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and will become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission, or by e-mail delivery of a ".pdf" data file, such signature will create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile signature page were an original thereof.

(b) Notices. All notices, requests, demands and consents to be made hereunder to the parties hereto pursuant to this Agreement will be in writing and will be sufficiently given if personally delivered, sent by other means of electronic transmission (including electronic mail) or sent by mail, postage prepaid to the party at the following addresses or to such other address as either party may hereafter designate to the other in accordance herewith:

(c) Assignment, Successors and Assigns. Neither party may assign this Agreement or its obligations hereunder without the prior written consent of the other party hereto, except that either party may assign this Agreement in connection with a sale of all or substantially all its outstanding equity or assets without the consent of the other party hereto. Subject to the foregoing, this Agreement will be binding upon, and inure to the benefit of, each of the parties hereto and, except as otherwise expressly provided herein, their respective legal representatives, successors and assigns.

(d) Amendments, Waivers and Severability. Except as otherwise provided herein, this Agreement may be amended, and compliance with any provision of this Agreement may be omitted or waived, only by written agreement duly signed by Illuminate and District. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction will not invalidate or render unenforceable the remaining provisions of this Agreement.

(e) Governing Law. This Agreement will be governed by, and construed and enforced in accordance with, the substantive laws of the State of California, without regard to its principles of conflicts of laws.

(f) Relationship of the Parties. Nothing contained in this Agreement will be construed as creating any agency, partnership, or other form of joint enterprise between the parties. The relationship between the parties will at all times be that of independent contractors. Neither party will have authority to contract for or bind the other in any manner whatsoever. This Agreement confers no rights upon either party except those expressly granted herein.

(g) Interpretation. This Agreement will be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted. The headings in this Agreement are for reference only and will not affect the interpretation of this Agreement.

(h) No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or will confer upon any other person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

(i) Improper Payments. Illuminate represents and warrants that it has not directly or indirectly offered or given, and will not directly or indirectly offer or give, to any employee, agent or representative of District any cash or noncash gratuity or payment with a view toward securing any business from District or influencing such person with respect to the conditions, or performance of any contracts with or orders from District, including without limitation this Agreement.

(j) Limitation of Liability. In no event will either party be liable to the other party or to any third party for any incidental, special, indirect, exemplary, punitive or consequential damages arising out of or relating to this Agreement, including any damages for business interruption, loss of use, or lost or damaged data, whether arising out of breach of contract, tort (including negligence) or otherwise, even if such party or any of its authorized representatives has been advised of the possibility of such damages. Each party’s aggregate liability arising out of or relating to this Agreement for any damages, costs, judgments, expenses or loss resulting from any claims, demands, or actions arising out of or relating to this Agreement (including indemnification) will not exceed the fees paid or due payable by District to Illuminate during the preceding twelve months pursuant to this Agreement.

(k) Force Majeure. Neither party will be liable to the other for any delay or failure to perform due to causes beyond its reasonable control. Performance times will be considered extended for a period of time equivalent to time lost because of any such delay by providing prompt written notice of such expected delay to the other party.

(l) Due Authority of Signatories. Each individual signing this Agreement on behalf of a party represents and warrants that he or she has been duly authorized by appropriate action of such party to execute, and thereby bind such party to, this Agreement.

IN WITNESS WHEREOF, the parties have entered into this Agreement as of the Effective Date.

CONSENT ITEM

**DATE:** July 28, 2015  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Emy Flores, Ed.D., Assistant Superintendent, Educational Services  
**PREPARED BY:** Trang Lai, Director, Educational Services  
**SUBJECT:** **APPROVE INDEPENDENT CONTRACTOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND ERIN BARNUM FROM AUGUST 1, 2015 THROUGH JUNE 30, 2016**

Background: Fullerton School District (FSD) has been the recipient of the St. Jude Medical Center Communities Initiative grant in the amount of \$34,344 for 2015/2016. In 2014/2015, the grant funds received from St. Jude went towards a hydration station at Nicolas, water bottles, and contract for a Wellness Coordinator. Since joining us as an independent contractor, Erin Barnum has been pivotal in helping the District revise the Wellness Policy, coordinating the Fullerton Fit Families event, and working with schools on their wellness efforts. The grant amount will be used to pay for Erin Barnum's contract reimbursement as designated in the agreement with St. Jude Medical Center.

Rationale: Erin Barnum is an experienced educator with a multiple subject teacher credential, a single subject credential in science, and an administrative services credential. Since she began working with us in January 2015, she has shown initiative and a willingness to support our schools and their programs. She has also made a number of valuable connections with St. Jude, OCDE, and the Fullerton community. She has a record of success and would be an invaluable asset in preparing five Title 1 Schools to earn the Healthy School Awards sponsored by the Alliance for a Healthier Generation.

Funding: Cost is not to exceed \$34,344 to be paid from the Unrestricted General Fund.

Recommendation: Approve Independent Contractor Agreement between Fullerton School District and Erin Barnum from August 1, 2015 through June 30, 2016.

## 2015-2016 INDEPENDENT CONTRACTOR AGREEMENT

This Agreement is hereby entered into between the Fullerton School District, hereinafter referred to as "District," and **Erin Barnum** hereinafter referred to as "Contractor."

WHEREAS, District is authorized by Section 53060 of the California Government Code to contract with and employ any persons for the furnishing of special services and advice in financial, economic, accounting, engineering, legal or administrative matters, if such persons are specially trained and experienced and competent to perform the special services required;

WHEREAS, District is in need of such special services and advice; and

WHEREAS, Contractor is specially trained and experienced and competent to perform the special services required by the District, and such services are needed on a limited basis;

NOW, THEREFORE, the parties agree as follows:

1. Services to be provided by Contractor: Contractor shall provide (hereinafter referred to as "Services"). **Responsibilities include: Lead the School District Wellness Committee, work with the Committee to strengthen wellness policies and administrative rules, conduct a survey of teachers and principals on their understanding of the Wellness Policy and provide appropriate education as needed, work with school principals to identify a Wellness Liaison at each school and convene quarterly meetings with the liaisons to discuss implementation of the wellness policy at their school and to share best practices and implement programs that ensure that the school nutrition environment creates a culture of wellness for students, teachers and staff, and provide a Mid-Year and Final Project Report to St. Jude documenting the use of funds and Project progress.**

2. Term. Contractor shall commence providing services under this Agreement on **August 1, 2015** and will diligently perform as required and complete performance by **June 30, 2016**.

3. Compensation. District agrees to pay the Contractor for Services satisfactorily rendered pursuant to this Agreement a total fee not to exceed **thirty-four thousand three hundred and forty four Dollars (\$34,344)**. Contractor shall submit a detailed invoice to District. Payment for Services will only be made if Services have been satisfactorily rendered under the terms of this Agreement.

4. Expenses. District shall not be liable to Contractor for any costs or expenses paid or incurred by Contractor in performing the Services for District, except as follows: **N/A**.

5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. Contractor understands and agrees that Contractor and all of Contractor's employees shall not be considered officers, employees or agents of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment

Compensation or Workers' Compensation. Contractor assumes the full responsibility for the acts and/or omissions of Contractor's employees as they relate to the Services to be provided under this Agreement. Contractor shall assume full responsibility for payment of all federal, State and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor's employees.

6. Materials. 12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

Background: The District has piggybacked the Placentia-Yorba Linda Unified School District's instructional supplies bid for several years. In April of 2014, Placentia-Yorba Linda USD prepared and awarded a new competitive bid to Southwest School & Office Supply at their June 17, 2014, Regular Board meeting. The initial term of the contract is for one year with two optional one-year extensions at the District's option. Amendment No. 1 is the first of the two, one-year extension periods. All other terms and conditions remain the same. Staff has reviewed the contract and has determined that it is a cost effective means of purchasing instructional supplies for the District.

Public Contract Code section 20118 provides authority for the governing board of a school district to purchase from another public agency without going to bid if the board determines it to be in the best interest of said district to utilize a bid from another public agency.

Rationale: Pursuant to section 20118 of the Public Contract Code, the Board of Trustees of the Fullerton School District determines it is in the best interest of the District to purchase instructional supplies from the Placentia-Yorba Linda School District's Bid No. 214-04.

Funding: Purchases will be funded from various programs and site budgets as appropriate.

Recommendation: Approve Amendment No. 1, Renew Bid 214-04, for the purchase of instructional supplies by Fullerton School District from Placentia-Yorba Linda Unified School District's Piggyback Bid No. 214-04, awarded to Southwest School & Office Supply.

**SUBJECT:** APPROVE AGREEMENT WITH JOHN R. BYERLY, INC., FOR GEOTECHNICAL ENGINEERING, MATERIALS TESTING, AND SPECIAL INSPECTION SERVICES, EFFECTIVE JULY 28, 2015 THROUGH JUNE 30, 2016

Background: The District plans to enter into various construction projects. The services of a geotechnical engineer are needed.

Rationale: School construction projects are governed by the Division of the State Architect (DSA). DSA reviews and approves school construction plans for projects that meet specific criteria. A geotechnical engineer can assist the architect in obtaining necessary approvals of drawings from DSA and submit engineering drawings and calculations necessary to secure approvals.

District staff recommends entering into an agreement with John R. Byerly, Inc., for these services. John R. Byerly, Inc., is a full-service engineering firm specializing in geotechnical engineering, construction materials testing, and special inspection services.

Funding: Services will be utilized on an as-needed basis. Costs are set at professional hourly rates as detailed in Proposal ID No. 71508, dated July 9, 2015 (available in the Superintendent's Office). The total projected cost for services is not expected to exceed \$10,000. Any additional costs will be approved in advance by the Assistant Superintendent, Business Services, before any work commences. Costs will be paid from the Child Development Fund.

Contractor assumes the full responsibility for the acts and/or omissions of Contractor's employees as they relate to the Services to be provided under this Agreement. Contractor shall assume full responsibility for payment of all federal, state, and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor's employees.

6. Materials. Contractor shall furnish, at Contractor's own expense, all labor, materials, equipment, supplies, and other items necessary to complete the Services to be provided pursuant to this

Agreement. Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of Contractor's profession.

7. Originality of Services/Intellectual Property. Contractor agrees that all technologies, formulae, procedures, processes, methods, and ideas prepared for and submitted by Contractor to the District in connection with the Services set forth in this Agreement shall be wholly original to Contractor and shall not be copied in whole or in part from any other source, except that submitted to Contractor by District as a basis for such Services. Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by, District and shall not be copied or used in whole or in part by Contractor without District's express written permission. Contractor acknowledges and agrees that District shall have all right, title, and interest in said Content, including the right to secure and maintain the copyright, trademark, and/or patent of said Content in the name of the District.

8. Standard for Performance. All deadlines set forth in the Agreement are binding and may be modified only by subsequent written agreement of the parties.

9. Termination. District may, at any time, with or without reason, terminate this Agreement and compensate Contractor only for the Services satisfactorily rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include: (a) material violation of this Agreement by the Contractor; (b) any act by Contractor exposing the District to liability to others for personal injury or property damage; or (c) Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless, and defend the District and its Governing Board, officers, employees, and agents from every claim or demand made and every liability, loss, damage, or expense, of any nature whatsoever, which may be incurred by reason of:

- (a) Liability for damages for: (1) death or bodily injury to person; (2) injury to, loss

or theft of property; or (3) any other loss, damage, or expense arising out of (1) or (2) above, sustained by the Contractor, or any person, firm, or corporation employed by the Contractor, either directly or by independent contract, upon or in connection with the Services called for in this Agreement, however caused, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District or its officers, employees, or agents.

(b) Any injury to or death of any person(s), including the District's officers, employees, and agents, or damage to or loss of any property, caused by any act, neglect, default, or omission of the Contractor, or any person, firm, or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the Services covered by this Agreement, whether said injury or damage occurs either on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees, or agents.

(c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopyrighted matter or patented or unpatented invention under this Agreement.

11. Insurance. The Contractor, at Contractor's sole cost and expense, shall insure Contractor's activities in connection with the Services under this Agreement and shall obtain, keep in force, and maintain insurance as follows:

a. Comprehensive or Commercial Form General Liability Insurance (contractual liability included) with limits as follows: (minimum limits)

The policy may not contain an exclusion for coverage of claims arising from claims for sexual molestation or abuse. This policy shall include or be endorsed to include abuse and molestation coverage of at least \$1,000,000 for each occurrence.

b. Business Automobile Liability Insurance for owned, scheduled, non-owned, or hired automobiles with a combined single limit not less than \$1,000,000 per occurrence. (Required only if the Contractor drives on behalf of the District in the course of performing services.)

d. Workers' Compensation as required by California State law.

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

(1) Indicate that the District and its Governing Board, officers, and employees have

been endorsed as additional insureds under the coverages referred to under a. and b.; and

- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. Contractor agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to Contractor, Contractor's business, equipment, and personnel engaged in the Services covered by this Agreement or accruing out of the performance of such Services.

13.1 Fingerprinting. Contractor shall comply with the requirements of California Education Code Section 45125.1, and shall provide to District all criminal background clearance(s) through fingerprints for Contractor (and all Contractor employees, if any) as required by the District. The District may require the Contractor and Contractor's employees to submit to additional criminal background checks at the District's sole and absolute discretion.

13.2 Tuberculosis Testing. Contractor and Contractor's employees, if any, providing Services to students shall provide evidence of appropriate tuberculosis screening prior to the performance of the Services and provide annual certification thereafter. Contractor shall complete and submit to District any required documentation to verify compliance.

14. Permits/Licenses. Contractor shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of the Services pursuant to this Agreement.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age, or other characteristics protected by federal or state laws of such persons.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again

constituting a violation of such term or condition.

19. Notice. All notices or demands to be given under this Agreement by either party to the other, shall be in writing and given either by: (a) personal service or (b) by U.S. Mail, mailed either by registered or certified mail, return receipt requested, with postage prepaid. DISCUSSION/ACTION ITEM

**DATE:** July 28, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Craig C. Bertsch, Ed.D., Assistant Superintendent, Personnel Services

**SUBJECT:** APPROVE REVISED BOARD POLICY 4120 – ON-CALL DAY-TO-DAY  
SUBSTITUTE PERSONNEL

Background: The California School Boards Association (CSBA) provides up-to-date legal templates of board policies, which are adopted by the majority of school districts in our State. Effective July 1, 2015, Labor Code 245-249 (the Healthy Workplaces, Healthy Families Act of 2014), as added by AB 1522 (Ch. 317, Statutes of 2014), require districts to grant a minimum of one hour of paid sick leave for every 30 hours worked to their employees who work for 30 days within a year of their employment up to a maximum accrual of 24 hours in a fiscal year, including substitute employees. In implementing Labor Code 246, the district must either (1) allow substitute employees to carry over accrued paid sick leave to the following year up to a maximum of 48 hours or six work days, in which case the district must track the amount of sick leave earned by each employee, or (2) grant 24 hours of paid sick leave to each such employee at the beginning of each year, in which case no sick leave carries over to the following year. Districts should select the option below which corresponds to their approach under Labor Code 246.

Board Policy 4120 was first presented as a First Read during the June 23, 2015 Board of Trustees Meeting.

Rationale: Ongoing revisions ensure that District maintains compliance within State and federal laws and regulations.

Funding: Not applicable.

Recommendation: Approve revised Board Policy 4120 – On-Call Day-to-Day substitute personnel.

#### **Noncustodial Parents**

**Board Adopted: June 10, 2005**  
**Board Revised:**

**The Board of Trustees recognizes the right of parents/guardians to be involved in the education of their children and desires to balance that right with the District's need to ensure the safety of students while at school.**

**“Joint custody” is defined in Family Code 3002 as joint legal and joint physical custody. Under a joint legal custody arrangement, both parents/guardians share the right and responsibility to make decisions relating to their child's health, education, and welfare. When one parent/guardian has “sole legal custody,” then, pursuant to Family Code 3006, only that parent has the right to make such decisions for the child.**

**The parent/guardian who enrolls a child in a District school shall be presumed to be the child's custodial parent/guardian and shall be held responsible for the child's welfare.**

**School officials shall presume that both parents/guardians have equal rights regarding their child, including, but not limited to, picking the student up after school or otherwise removing the student from school, accessing student records, participating in school activities, or visiting the school. When a court order restricts access to the child or to his/her student information, a parent/guardian shall provide a copy of the certified court order to the principal or designee upon enrollment or upon a change in circumstances. A court order binds only the parties to the order, not the District or its school staff. However, if school officials have been provided a certified copy of such a court order, then they have a responsibility to abide by any terms of the order applicable to situations arising at school.**

~~Noncustodial parents generally retain the same rights as custodial parents unless a court order restricts the rights of the noncustodial parent. These rights include but are not limited to accessing his/her child's student records, participating in school activities and visiting the child at school. If a completed or pending legal action curtails the noncustodial parent's rights, the parent/guardian with custody shall provide evidence of this action to the Superintendent.~~

~~Upon request, the District shall provide noncustodial parents with regular school announcements and notices that are sent to the custodial parent.~~

~~While both parents may visit the child at school, only the custodial parent has the right to remove the child from school property. Only a verified note or emergency card from the custodial parent will be cause for exception to this provision. No child may be removed from school property without the consent of the principal or designee.~~

**In the event of an attempted violation of a court order that restricts access to a student, staff shall contact the custodial parent and local law enforcement officials and shall make the student available only after one or both of these parties consent.**

## **Board Policy**

### **Students**

**BP 5113.1**

#### **Truancy**

**Board Adopted: June 10, 2005**

**Board Revised:**

The Board of Trustees believes that excessive absenteeism, whether caused by excused or unexcused absences, may be an early warning sign of poor academic achievement and may put students at risk of dropping out of school. The Board desires to ensure that all students attend school in accordance with the State's compulsory education law and take full advantage of educational opportunities provided by the District.

The Superintendent or designee shall establish a system to accurately track student attendance in order to identify individual students who are chronic absentees and truants, as defined in law and administrative regulation, and to identify patterns of absence throughout the District. He/She shall provide the Board with data on school attendance as defined in Education Code 52052. Such data shall be used in the development of annual goals and specific actions for student attendance and engagement and for inclusion in the District's Local Control and Accountability Plan and other applicable school and District plans.

The Superintendent or designee shall develop strategies that focus on prevention of attendance problems, which may include, but are not limited to, efforts to provide a safe and positive school environment, relevant and engaging learning experiences, school activities that help develop students' feelings of connectedness with the school, school-based health services, and incentives and rewards to recognize students who achieve excellent attendance or demonstrate significant improvement in attendance. The Superintendent or designee also shall develop strategies that enable early outreach to students as soon as they show signs of poor attendance.

The Superintendent or designee shall work with students, parents/guardians, school staff, and community agencies, as appropriate, to identify factors contributing to chronic absence and truancy. He/She also may collaborate with child welfare services, law enforcement, courts public health care agencies, other government agencies, and/or medical, mental health, and oral health care providers to ensure that alternative educational programs and nutrition, health care, and other support services are available for students and families and to intervene as necessary when students have serious attendance problems.

Students who are identified as truants shall be subject to the interventions specified in law and administrative regulation.

A student's truancy, tardiness, or other absence from school shall not be the basis for his/her out-of-school suspension or expulsion. Alternative disciplinary strategies and positive reinforcement for attendance shall be used whenever possible.

The Superintendent or designee shall periodically report to the Board regarding the District's progress in improving student attendance rates for all students. Such information shall be used to evaluate the effectiveness of strategies implemented to reduce chronic absence and truancy and to make changes as needed. As appropriate, the Superintendent or designee shall engage school staff in program evaluation and improvement and in identification of how to best allocate available community resources.

**In accordance with law and administrative regulation, habitual truants may be referred to the School Attendance Review Board (SARB).**

**The Board, with help from the Superintendent or designee, shall appoint members of the District's SARB, who may include, but are not limited to, a parent/guardian as well as representatives of the District; County probation department; County welfare department; County office of education; law enforcement agencies; community-based youth service centers; school guidance personnel; child welfare and attendance personnel; school or county health care personnel, school, county, or community mental health personnel; the county district attorney's office; and the county public defender's office. (Education Code 48321)**

**The District's SARB shall operate in accordance with Education Code 48320-48325 and procedures established by the Superintendent or designee.**

~~To improve student attendance, the Superintendent/designee shall implement positive steps to identify the reasons for a student's unexcused absences and to help resolve the problems caused by truancy. Such strategies shall focus on early intervention and may include, but not be limited to: communication with parents/guardians and the use of student study teams.~~

~~In addition, the Superintendent/designee shall cooperate with other agencies within the community to meet the needs of students who have serious school attendance or behavior problems and to maintain the continuing inventory of community resources, including alternative programs.~~

~~Habitually truant students may be referred to a School Attendance Review Board, a truancy mediation program operated in cooperation with local law enforcement, the county's department of education, district attorney or probation officer, social services agency and/or juvenile court in accordance with law.~~

~~For purposes of California's welfare system (CalWORKS), a student shall be determined to be regularly attending school unless he/she has been referred to the school attendance review board, county district attorney or probation officer.~~

#### **Work Permits**

**Board Adopted: June 10, 2005**

**Board Revised:**

**The Board of Trustees recognizes that part-time employment can provide students with income as well as job experience that can help them develop appropriate workplace skills and attitudes. Upon obtaining an offer of employment, District students who are minors shall obtain work permits from the Superintendent or designee in accordance with law, regardless of whether the employment will occur when school is in session and/or not in session.**

**In determining whether to grant or continue a work permit, the Superintendent or designee shall consider whether employment is likely to significantly interfere with the student's schoolwork. Students granted work permits must demonstrate and maintain satisfactory school attendance and academic achievement. On a case-by-case basis, the Superintendent or designee may approve a maximum work hour limit that is lower than the limit specified in law and administrative regulation.**

**Students with work permits may be exempted from attendance in a full-time day school provided they attend part-time classes.**

**Work permits shall be limited to part-time employment as defined by law, except when the Superintendent or designee determines that circumstances warrant the granting of a permit for full-time employment.**

**Any student authorized to work full time when school is in session shall be enrolled in part-time continuation classes.**

~~The Board of Trustees recognizes that part time jobs can give students needed supplementary income, valuable work experience, and enhanced self esteem. However, the Board also believes that outside employment should not interfere with students' educational progress nor impairs their health. In accordance with law, students must obtain work permits from school authorities before accepting employment.~~

~~The Superintendent/designee shall issue work permits only as allowed by law and only to the extent that outside employment does not significantly interfere with the student's schoolwork. Students granted work permits must demonstrate and maintain satisfactory grades. Independent work study program will not be authorized by the District. Students may not earn academic credits for activities performed or engaged in as part of or a condition of their off campus employment. This should not be construed to prohibit junior high and middle schools from establishing job skills classes/programs, internships, or office/staff assistant programs and electives.~~

Background: On June 13, 2000, the Fullerton School District formed Community Facilities District (CFD) No. 2000-1 pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, on 14.71 net acres of property owned by Fullerton 104/AFX, LTD., a California limited partnership of which Van Daele Development Corporation, a California corporation, was the general partner. CFD No. 2000-1 issued 2001 special tax bonds in the amount of \$1,195,000.00 on November 1, 2001.

With the formation of CFD No. 2000-1 and the issuance of special tax bonds, annual special taxes need to be levied on taxable property to pay interest and principal to the bondholders. Accordingly, please find attached Resolution #15/16-03, which authorizes and provides for the levying of special taxes in CFD No. 2000-1 for fiscal year 2015/2016. The special taxes were calculated and levied in accordance with the Rate and Method of Apportionment previously Board-approved.

Rationale: Annual authorization of the special tax levy is required by law.

Funding: Not applicable.

Recommendation: Adopt Resolution #15/16-03 authorizing and providing for the levying of special taxes within Community Facilities District 2000-1 (District 40, Van Daele).

DISCUSSION/ACTION ITEM

**DATE:** July 28, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**PREPARED BY:** Rachel Grantham, Financial Analyst, Business Services

**SUBJECT:** **ADOPT RESOLUTION #15/16-04 AUTHORIZING AND PROVIDING FOR THE LEVYING OF SPECIAL TAXES WITHIN COMMUNITY FACILITIES DISTRICT 2001-1 (DISTRICT 48, AMERIGE HEIGHTS)**

Background: On August 14, 2001, the Fullerton School District formed Community Facilities District (CFD) No. 2001-1 pursuant to the Mello-Roos Community Facilities Act of 1982, as amended on 106.72 net acres of property known as the Amerige Heights Project. CFD No. 2001-1 issued 2001 special tax bonds in the amount of \$19,450,000.00 on December 1, 2001.

With the formation of CFD No. 2001-1 and the issuance of special tax bonds, annual special taxes need to be levied on taxable property to pay interest and principal to the bondholders. Accordingly, please find attached Resolution #15/16-04, which authorizes and provides for the levying of special taxes in CFD No. 2001-1 for fiscal year 2015/2016. The special taxes were calculated and levied in accordance with the Rate and Method of Apportionment previously Board-approved.

Rationale: Annual authorization of the special tax levy is required by law.

Funding: Not applicable.

Recommendation: Adopt Resolution #15/16-04 authorizing and providing for the levying of special taxes within Community Facilities District 2001-1 (District 48, Amerige Heights).

SCHOOL DISTRICT ACTING AS THE LEGISLATIVE BODY OF  
COMMUNITY FACILITIES DISTRICT NO. 2001-1 (AMERIGE HEIGHTS)  
AUTHORIZING AND PROVIDING FOR THE LEVYING OF SPECIAL  
TAXES WITHIN SAID DISTRICT**

**WHEREAS**, the Board of Trustees of the Fullerton School District (the "Board") has heretofore taken proceedings pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, (the "Act") for the establishment of Community Facilities District No. 2001-1 (the "District") for the purpose of providing educational facilities for the use of residents of the District; and

**WHEREAS**, following a special election of the qualified electors of the District, this Board on August 28, 2001, acting as the governing body of the District, adopted Ordinance No. 01/02-1 ("Ordinance") which provided for the levying and collection of special taxes within the District, "as provided in the Act and Ordinance and as approved by the qualified electors"; and

**WHEREAS**, it is now necessary and appropriate that this Board levy and collect the special taxes for fiscal year 2015/2016 by the adoption of a Resolution as specified by the Act and Ordinances.

**NOW, THEREFORE, IT IS HEREBY ORDERED AS FOLLOWS:**

Section 1. In accordance with the Act and Ordinances, there is hereby levied upon all properties within the District, including all annexed territory which are not otherwise exempt from taxation under the Act or Ordinances, the special taxes for fiscal year 2015/2016 set forth in the Ordinances at the tax rates as set forth therein and in Exhibit "A" hereto, as may be amended without further action of the Board to reflect updated information on assessor's parcel numbers from the County of Orange. The Assistant Superintendent, Business Services, is hereby authorized and directed to establish the final rates to be levied, which final rates shall not exceed the maximum rates.

Section 2. The above-authorized special taxes shall be collected in the same manner as ad valorem property taxes on the secured roll by the Treasurer-Tax Collector of the County of Orange and shall be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for such ad valorem taxes.

Section 3. The Clerk and Assistant Superintendent of Business are hereby authorized to transmit a certified copy of this Resolution to the Orange County Auditor-Controller, together with other supporting documentation as may be required in order to place said special taxes on the secured property tax roll for fiscal year 2015/2016 and to perform all other acts which are required by the Act, Ordinances or by-law in order to accomplish the purpose of this Resolution.

DISCUSSION/ACTION ITEM

**DATE:** July 28, 2015  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** **ADOPT RESOLUTION #15/16-05 TO INITIATE A CHANGE OF THE DISTRICT'S ELECTION SYSTEM TO BY-TRUSTEE AREA ELECTIONS FOR THE 2016 GOVERNING BOARD ELECTION**

Background: The Board of Trustees will review and consider the method of election of trustees for the Fullerton School District and consider a change from "at-large" to "by-trustee areas" starting with the November 2016 election. In order to effect this change, the District must apply to the Orange County Committee on School District Organization to have the County Committee adopt the change in method. Further, the District must develop boundary lines for trustee areas.

Rationale: By passing this resolution and pursuant to Education Code sections 5019(a) and 5030, the Board may apply to the Orange County Committee on School District Organization to have the Committee adopt the change for its elections in 2016 and seek a waiver from the State Board of Education. Additionally, the resolution provides for approval of a proposal submitted by the Dolinka Group to provide all pertinent demographic services necessary to complete the transition to the by-trustee area election system.

Funding: The cost of the demographics services to be provided by Dolinka Group is \$15,000, to be paid from the General Fund.

Recommendation: Adopt Resolution #15/16-05 to initiate a change of the District's election system to by-trustee area elections for the 2016 governing board election.

**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

**SUBJECT:** APPROVE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND AMERICAN FIDELITY ADMINISTRATIVE SERVICES FOR ACA EMPLOYER REPORTING SERVICES FOR CALENDAR YEAR 2015

Background: In order to meet the requirements of the Affordable Care Act (ACA), the District had previously contracted with American Fidelity Administrative Services for services related to the tracking, monitoring, and reporting of hours worked by District employees to determine ACA eligibility. Our health insurance broker, Alliant Inc., has partnered with American Fidelity Administrative Services to provide ACA-related services to their clients at a discounted rate. American Fidelity Services is an industry leader that specializes in providing supplemental health insurance benefits and financial services to education employees, auto dealerships, health care providers, and municipal workers across the U.S. for over one million customers worldwide,

An additional requirement of the ACA is annual employer reporting (IRS forms 1094 and 1095). American Fidelity's WorxTime program (for which the District previously contracted) integrates into the IRS reporting system. Therefore, District staff recommends using American Fidelity for these reporting services also.

Rationale: When District employees are unable to provide necessary services, the District enters into an agreement with an organization that can provide specialized services to the District and who are specially trained, experienced, and competent to perform the required services.

Funding: The cost for services is as follows:  
\$3.50 per employee for each employee whose hours are monitored and reported.

The estimated total annual cost is \$5,000 from the Unrestricted Fund.

Recommendation: Approve agreement between Fullerton School District and American Fidelity Administrative Services for ACA employer reporting services for calendar year 2015.

Contractor shall furnish, at Contractor's own expense, all labor, materials, equipment, supplies and other items necessary to complete the Services to be provided pursuant to this Agreement. Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of Contractor's profession.

7. Originality of Services/Intellectual Property. Contractor agrees that all technologies, formulae, procedures, processes, methods, and ideas prepared for and submitted by Contractor to the District in connection with the Services set forth in this Agreement, shall be wholly original to Contractor and shall not be copied in whole or in part from any other source, except that submitted to Contractor by District as a basis for such Services. Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by, District and shall not be copied or used in whole or in part by Contractor without District's express written permission. Contractor acknowledges and agrees that District shall have all right, title and interest in said Content, including the right to secure and maintain the copyright, trademark and/or patent of said Content in the name of the District.

8. Standard for Performance. The parties acknowledge that the District, in selecting the Contractor to perform the Services hereunder, is relying upon the Contractor's reputation for excellence in the performance of the Services required hereunder. The Contractor shall perform the Services in the manner of one who is a recognized specialist in the types of services to be performed. Time is of the essence in this Agreement. All deadlines set forth in the Agreement are binding and may be modified only by subsequent written agreement of the parties.

9. Termination. District may, at any time, with or without reason, terminate this Agreement and compensate Contractor only for the Services satisfactorily rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include: (a) material violation of this Agreement by the Contractor; (b) any act by Contractor exposing the District to liability to others for personal injury or property damage; or (c) Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to

this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its Governing Board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for: (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising out of (1) or (2) above, sustained by the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, upon or in connection with the Services called for in this Agreement, however caused, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(b) Any injury to or death of any person(s), including the District's officers, employees and agents, or damage to or loss of any property, caused by any act, neglect, default, or omission of the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the Services covered by this Agreement, whether said injury or damage occurs either on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopyrighted matter or patented or unpatented invention under this Agreement.

11. Insurance. The Contractor, at Contractor's sole cost and expense, shall insure Contractor's activities in connection with the Services under this Agreement and shall obtain, keep in force, and maintain insurance as follows:

a. Comprehensive or Commercial Form General Liability Insurance (contractual liability included) with limits as follows: (minimum limits)

(1)	Each Occurrence	\$1,000,000
(2)	Products/Completed Operations Aggregate	\$1,000,000
(3)	Personal and Advertising Injury	\$1,000,000
(4)	General Aggregate (Not Applicable to the Comprehensive Form)	\$1,000,000

The policy may not contain an exclusion for coverage of claims arising from claims for sexual molestation or abuse. This policy shall include or be endorsed to include abuse and molestation

coverage of at least \$1,000,000.00 for each occurrence.

b. Business Automobile Liability Insurance for owned, scheduled, non-owned, or hired automobiles with a combined single limit not less than \$1,000,000 per occurrence. (Required only if the Contractor drives on behalf of the District in the course of performing services.)

c. Professional Liability Insurance with a limit of \$1,000,000 per occurrence, if applicable.

d. Workers' Compensation as required by California State law.

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. Contractor agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to Contractor, Contractor's business, equipment and personnel engaged in the Services covered by this Agreement or accruing out of the performance of such Services.

13.1 Fingerprinting. Contractor shall comply with the requirements of California Education Code Section 45125.1, and shall provide to District all criminal background clearance(s) through fingerprints for Contractor (and all Contractor employees, if any) as required by the District. The District may require the Contractor and Contractor's employees to submit to additional criminal background checks at the District's sole and absolute discretion.

13.2 Tuberculosis Testing. Contractor and Contractor's employees, if any, providing Services to students shall provide evidence of appropriate tuberculosis screening prior to the performance of the Services and provide annual certification thereafter. Contractor shall complete and submit to District any required documentation to verify compliance.

14. Permits/Licenses. Contractor shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of the Services pursuant to this Agreement.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non-Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

19. Notice. All notices or demands to be given under this Agreement by either party to the other, shall be in writing and given either by: (a) personal service or (b) by U.S. Mail, mailed either by registered or certified mail, return receipt requested, with postage prepaid. Service shall be considered given when received if personally served or if mailed on the third day after deposit in any U.S. Post Office. The address to which notices or demands may be given by either party may be changed by written notice given in accordance with the notice provisions of this section.

**SUBJECT:** **ADOPT RESOLUTION #15/16-06 PROCLAIMING OCTOBER 19-23, 2015, AS "RED RIBBON WEEK" FOR THE FULLERTON SCHOOL DISTRICT**

Background: "RESPECT YOURSELF. BE DRUG FREE" is the message of this year's Red Ribbon Week. The choice of a drug-free lifestyle and respect for the memory of Drug Enforcement Agent Enrique Camarena has been at the heart of Red Ribbon Week since its inception in 1986, resulting in celebrations nationwide. This year, Red Ribbon Week again gives us the opportunity to demonstrate commitment to those values.

Students will receive red wristbands from the Orange County Sheriff's Department. Each school site's P.T.A. can select and purchase goods to reinforce the message, depending on the P.T.A.'s budgets and level of activities they want to provide. Schools usually calendar a week of Red Ribbon Week events and activities for this celebration. With the importance of this celebration in mind, the Board is asked to declare October 19-23, 2015, as Red Ribbon Week in the Fullerton School District.

Rationale: The "RESPECT YOURSELF. BE DRUG FREE" campaign is designed to inspire parents and other family influencers to connect with their children in ways that persuade them not to use drugs.

Funding: Not applicable.

Recommendation: Adopt Resolution #15/16-06 proclaiming October 19-23, 2015, as "Red Ribbon Week" for the Fullerton School District.

WHEREAS, the theme of the Red Ribbon Celebration is “LOVE YOURSELF. BE DRUG FREE”, promoting a strong personal commitment to a drug-free lifestyle; and,

WHEREAS, the Red Ribbon Celebration will be observed by Fullerton School District during Red Ribbon Week, October 19-23, 2015; and,

WHEREAS, parents, youth, government, business, law enforcement, schools, religious institutions, service organizations, social services, health services, media and the general public will demonstrate their commitment to drug-free communities by wearing and displaying red ribbons during this week-long celebration; and,

WHEREAS, the Fullerton School District further commits resources to ensure the success of the Red Ribbon Celebration and year-round tobacco, alcohol and other substance abuse prevention efforts.

NOW THEREFORE, BE IT RESOLVED that the Fullerton School District Board of Trustees does hereby support October 19-23, 2015, as Red Ribbon Week and encourages all schools to participate in tobacco, alcohol and other substance abuse prevention activities, making a visible statement and commitment to healthy, drug-free communities.

**SUBJECT:** **APPROVE INDEPENDENT CONTRACTOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND LINDA FREDRICKSON FOR FACILITATION OF TRUANCY INTERVENTION GROUPS EFFECTIVE AUGUST 26, 2015 THROUGH JUNE 30, 2016**

Background: California State Senate passed AB 2616 requiring school districts to individually address the truancy issues of individual students. Students who are habitually truant have long-term costs not only for themselves, but also for their family, and school district. Truancy is clearly identified as one of the early warning signs that students potentially are headed for delinquent activity, social isolation, and educational failure.

Fullerton School District implemented a Truancy Prevention Program during the 2014-2015 school year. Ms. Linda Fredrickson, a Retired Juvenile Probation Officer and Certified Facilitator with The Parent Project, facilitated three group sessions for junior high students who were identified as chronic or habitual truants. Participating students were referred by the Child Welfare and Attendance Department and/or already involved in the School Attendance Review Board (SARB) process and participation was mandatory as part of compliance with the SARB behavior contracts.

Based on reports and data submitted by Ms. Fredrickson, assessment had been conducted regarding the effectiveness of the work. Junior high students who participated in a Truancy Intervention Group learned the importance of attending school and data was collected that indicated an improvement in attendance for many of these students. It has been determined that there continues to be a need for truant junior high students to participate in a Truancy Intervention Group. Data and program effectiveness will continuously be monitored throughout the school year as the District continues to implement its Truancy Prevention Program.

Rationale: Entering into this Independent Contractor Agreement enables Fullerton School District to continue its Truancy Intervention Program as a requirement of AB 2616.

Funding: Cost not to exceed \$7,500 from the Unrestricted General Fund.

Recommendation: Approve Independent Contractor Agreement between Fullerton School District and Linda Fredrickson for facilitation of Truancy Intervention Groups effective August 26, 2015 through June 30, 2016.

Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

**SUBJECT:** APPROVE FIVE STAFF MEMBERS IN EDUCATIONAL SERVICES TO ATTEND THE iNACOL BLENDED AND ONLINE LEARNING SYMPOSIUM IN ORLANDO, FLORIDA, FROM NOVEMBER 8–11, 2015

Background: The iNacol (International Association for K-12 Online Learning) conference is a national gathering of innovative educators, vendors and foundations that are interested in the idea of blended learning. Jay McPhail submitted a proposal for a presentation that was accepted by iNacol on the innovative ways that Fullerton School District (FSD) is using technology to provide flexible blended learning that maximizes access to learning using both technology and the teacher. This approach allows the students to continue their work outside of class and incorporates access to recognized experts outside of the District.

Rationale: The conference will give Mr. McPhail and the four staff presenting with him to share with the nation the great things that are happening in the Fullerton School District. It will also allow District participants to interact with other innovative educators across the nation to share ideas and refine our innovations within the District as well.

Funding: Cost is not to exceed \$14,500 to be paid from the Unrestricted General Fund.

Recommendation: Approve five staff members in Educational Services to attend the iNacol Blended and Online Learning Symposium in Orlando, Florida, from November 8 -11, 2015.

**Board Adopted: June 10, 2005**

**Board Revised:**

The Governing Board recognizes that head lice infestations among students require treatment but do not pose a risk of transmitting disease. The Superintendent or designee shall encourage early detection and treatment in a manner that minimizes disruption to the educational program, maintains confidentiality, and reduces student absences.

The Superintendent or designee may distribute information to parents/guardians of all Fullerton School District students regarding screening, symptoms, accurate diagnosis, and proper treatment of head lice infestations. The Superintendent or designee also may provide related information to school staff.

School employees shall report all suspected cases of head lice to the school nurse or designee as soon as possible. The school nurse or designee shall examine the student.

If a student is found with active adult head lice, he/she will be excluded from school. The parent/guardian of any such student shall be given information about the treatment of head lice and encouraged to begin treatment of the student immediately and to check all members of the family. The parent/guardian shall also be informed that the student shall be checked upon return to school the next day and allowed to remain in school if no active adult head lice are detected.

Upon the student's return to school, the school nurse or designee shall check the student for active adult head lice. If it is determined that the student remains infected with active adult head lice, the student will be sent home for continued treatment. As needed, the school nurse or designee may provide additional resources and/or referral to the local health department, health care providers, or other agencies.

If a student is found consistently infested with head lice, he/she may be referred to a multidisciplinary team, which may consist of the school nurse, representatives from the local health department and social services, and other appropriate individuals, to determine the best approach for identifying and resolving problems contributing to the student's head lice infestations.

Staff shall maintain the privacy of students identified as having head lice.

## **Board Policy**

### **Child Abuse Prevention and Reporting**

**BP 5141.4**

#### **Students**

**Board Adopted: June 27, 1989**

**Board Revised: July 29, 2003, November 29, 2005, November 16, 2010**

The Board of Trustees is committed to supporting the safety and well-being of District students and desires to facilitate the prevention of and response to child abuse and neglect. The Superintendent or designee shall develop and implement strategies for preventing, recognizing, and promptly reporting known or suspected child abuse and neglect.

The Superintendent or designee may provide a student who is a victim of abuse with school-based mental health services or other support services and/or may refer the student to resources available within the community as needed.

#### **Child Abuse Prevention**

The District's instructional program shall include age-appropriate and culturally sensitive child abuse prevention curriculum. This curriculum shall explain students' rights to live free of abuse, include instruction in the skills and techniques needed to identify unsafe situations and react appropriately and promptly, inform students of available support resources, and teach students how to obtain help and disclose incidents of abuse.

The District's program also may include age-appropriate curriculum in sexual abuse and sexual assault awareness and prevention. Upon written request of a student's parent/guardian, the student shall be excused from taking such instruction. (Education Code 51900.6)

The Superintendent or designee shall, to the extent feasible, seek to incorporate community resources into the District's Child Abuse Prevention Programs and may use these resources to provide parents/guardians with instruction in parenting skills and child abuse prevention.

#### **Child Abuse Reporting**

The Superintendent or designee shall establish procedures for the identification and reporting of known and suspected child abuse and neglect in accordance with law.

Procedures for reporting child abuse shall be included in the District and/or each school's Comprehensive Safety Plan. (Education Code 32282)

District employees who are mandated reporters, as defined by law and administrative regulation, are obligated to report all known or suspected incidents of child abuse and neglect.

The Superintendent or designee shall provide training regarding the duties of mandated reporters.

~~The Board of Trustees of the Fullerton School District recognizes the devastating impact of child abuse and neglect upon its victims, and society as a whole. The District declares that suspected child abuse and neglect should be reported to appropriate child protective agencies by all employees of the~~

~~school district.~~

~~At the same time, the District recognizes that employees may feel that their reporting of suspected child abuse and neglect could lead to personal liability or other legal action against them. In order to eliminate any potential and/or perceived threat or barrier to reporting suspected child abuse and neglect, the District shall indemnify from civil liability and provide for the defense of any civil action brought against a classified employee who reports suspected child abuse and neglect pursuant to the terms of the Penal Code and/or District policy. This protection shall not apply to any classified employee who is proved to have knowingly filed a false child abuse and neglect report.~~

~~While it is not the duty of any employee to investigate suspected incidents of child abuse and neglect, the District expects full cooperation by its employees with any agency or agencies responsible for reporting, investigating and prosecuting cases of child abuse and neglect.~~

~~The Superintendent or designee shall provide training for all District employees, as mandated by law, concerning identification of child abuse and neglect and appropriate reporting procedures. In the event that training is not provided to the employees mandated to report child abuse and neglect, the Superintendent or designee shall report to the California Department of Education the reasons that such training is not provided.~~

~~The absence of training, however, shall not excuse a mandated reporter from the duty to report child abuse and neglect.~~

CONSENT ITEM

**DATE:** September 8, 2015  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

CONSENT ITEM

**DATE:** September 8, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**PREPARED BY:** Bob Macauley, Director, Maintenance/Operations & Facilities

**SUBJECT:** AWARD CONTRACT FSD-14-15-AH-02 TO JAM FIRE PROTECTION, INC., FOR DISTRICTWIDE WIRING UPGRADES

Background: Due to increased technology usage, the District needs to expand and upgrade technology wiring. This project specifically benefits Districtwide communications by extending/improving service from the District's main technology center to outlying buildings at the District Office.

Pursuant to Public Contract Code Section 20111(b), the current bid threshold for public agency construction contracts is \$15,000. The estimated cost of the project, including soft costs and contingency, is in excess of the current bid limit. Therefore, the District went out to bid for the contract.

Rationale: In accordance with the California Contract Code, advertisement for this project was published in a newspaper of general circulation, and bids were opened on August 26, 2015. The successful low bidder was JAM Fire Protection, Inc., with a bid of \$294,800.

Funding: The contract amount is \$294,800, to be paid from District 48 (Amerige Heights).

Recommendation: Award Contract FSD-14-15-AH-02 to JAM Fire Protection, Inc., for Districtwide Wiring Upgrades.

**1. Contract**

The Contract Documents are complementary, and what is called for by any one shall be as binding as if called for by all.

**2. Statement of Work**

CONTRACTOR shall perform that work designated in CONTRACTOR's Bid Form which constitutes at least 15% of the total Work, exclusive of supervisory and clerical work, without the services of any Subcontractor. CONTRACTOR shall perform within the time set forth in Paragraph 4 of this Agreement everything required to be performed, and shall provide and furnish all the labor, materials, necessary tools, expendable equipment, and all utility and transportation services as described in the complete Contract and required for the Work described as follows:

**District-Wide Wiring Upgrades**

**Bid No.: FSD-14-15-AH-02**

in accordance with Drawings and Specifications prepared by **Architecture 9 PLLP, dated June 10, 2015**. All of said Work to be performed and materials to be furnished shall be completed in a good workmanlike manner in strict accordance with the Plans, Drawings, Specifications, and provisions of the complete Contract. CONTRACTOR shall be liable to DISTRICT for any damages arising as a result of a failure to fully comply with this obligation, and CONTRACTOR shall not be excused with respect to any failure to so comply by any act or omission of ARCHITECT, Engineer,

Inspector, Division of the State Architect, or representative of any of them, unless such act or omission actually prevents CONTRACTOR from fully complying with the requirements of the documents, and unless CONTRACTOR protests at the time of such alleged prevention that the act or omission is preventing CONTRACTOR from fully complying with the Contract Documents. Such protest shall not be effective unless reduced to writing and filed with DISTRICT OFFICE within three (3) working days of the date of occurrence of the act or omission preventing CONTRACTOR from fully complying with the Contract Documents.

The Work required to be performed by this Agreement shall be subject to the payment of prevailing wages, as described in the Labor Code, by CONTRACTOR and each Subcontractor on the Project. The Work shall further be subject to the fulfillment of the requirements related to the payment of prevailing wages, including, but not limited to, the obligation to furnish certified payroll records to the Labor Commissioner as required by the Labor Commissioner. Payments to CONTRACTOR shall not be made when payroll records are delinquent or inadequate. The prevailing rate of per diem wages and a description of employer payments are on file at DISTRICT's Facilities office and are available to any interested party upon request. CONTRACTOR shall post a copy of such wage rates at the job site. CONTRACTOR shall also post at the job site a notice containing the following language:

This public works project is subject to monitoring and investigative activities by the Compliance Monitoring Unit (CMU) of the Division of Labor Standards Enforcement, Department of Industrial Relations, State of California. This Notice is intended to provide information to all workers employed in the execution of the contract for public work and to all contractors and other persons having access to the job site to enable the CMU to ensure compliance with and enforcement of prevailing wage laws on public works projects.

The prevailing wage laws require that all workers be paid at least the minimum hourly wage as determined by the Director of Industrial Relations for the specific classification (or type of work) performed by workers on the project. These rates are listed on a separate job site posting of minimum prevailing rates required to be maintained by the public entity which awarded the public works contract. Complaints concerning nonpayment of the required minimum wage rates to workers on this project may be filed with the CMU at any office of the Division of Labor Standards Enforcement (DLSE).

Complaints should be filed in writing immediately upon discovery of any violations of the prevailing wage laws due to the short period of time following the completion of the project that the CMU may take legal action against those responsible.

Complaints should contain details about the violations alleged (for example, wrong rate paid, not all hours paid, overtime rate not paid for hours worked in excess of 8 per day or 40 per week, etc) as well as the name of the employer, the public entity which awarded the public works contract, and the location and name of the project.

For general information concerning the prevailing wage laws and how to file a complaint concerning any violation of these prevailing wage laws, you may contact any DLSE office. Complaint forms are also available at the Department of Industrial Relations website found at [www.dir.ca.gov/dlse/PublicWorks.html](http://www.dir.ca.gov/dlse/PublicWorks.html).

### **3. Compensation**

DISTRICT shall pay to CONTRACTOR, as full consideration for the faithful performance of the Contract, subject to any additions or deductions as provided in the Contract Documents, the sum of Two Hundred Ninety-Four Thousand, Eight Hundred Dollars (\$ 294,800.00 ) said sum being the total amount stipulated in the proposal.

Payment shall be made as set forth in the General Conditions.

Should any Change Order result in an increase in the Contract Price, the cost of such Change Order shall be agreed to in advance by CONTRACTOR and DISTRICT, subject to the monetary limitations set forth in Public Contract Code section 20118.4. In the event that CONTRACTOR proceeds with a change

in Work without an agreement between DISTRICT and CONTRACTOR regarding the cost of a Change Order, CONTRACTOR waives any claim of additional compensation for such additional Work.

**4. Commencement of Work and Time for Completion**

CONTRACTOR shall not start the Work until it has received DISTRICT's Notice to Proceed for the Project. CONTRACTOR shall commence the Work within three (3) Days from the date of said Notice. Commencement of Work shall include reasonable and evident efforts on the Project site.

**Time for completion of the Project shall be within Sixty (60) consecutive calendar days.** The Starting Date shall be the date of DISTRICT's Notice to Proceed. Said Notice shall not be issued prior to five (5) Days after award of the Contract, and shall not require that Work be commenced less than forty-eight (48) hours from the date of said Notice. **DISTRICT and CONTRACTOR stipulate and agree that the amount of time for completion as specified in this paragraph is reasonable.**

**5. Claims**

As required by Article 60 of the General Conditions, if CONTRACTOR should claim that any instruction, request, drawing, specification, action, condition, omission, default, or other situation out of CONTRACTOR's control, obligates DISTRICT to pay additional compensation to CONTRACTOR or to grant an extension of time for the completion of the Contract, CONTRACTOR shall notify DISTRICT and ARCHITECT, in writing, of such claim in accordance with the procedure specified in Article 57 of the General Conditions. CONTRACTOR's failure to notify DISTRICT and ARCHITECT within the specified period shall be deemed a waiver and relinquishment of such a claim against DISTRICT. If such notice is given within the specified time, the procedure for its consideration shall be as stated in Article 60 of the General Conditions. CONTRACTOR hereby acknowledges that it understands this provision and that it will abide by it.

**6. Liquidated Damages**

Time is of the essence. IT IS AGREED BY CONTRACTOR AND DISTRICT THAT, IF THE PROJECT FAILS TO REACH SUBSTANTIAL COMPLETION WITHIN THE CONTRACT TIME PLUS ANY AUTHORIZED EXTENSION OF TIME HEREUNDER, THEN (a) AS COMPENSATION TO DISTRICT FOR THE LOSS OF THE BENEFICIAL USE OF THE PROJECT DURING THE PERIOD OF THE DELAY, THERE SHALL BE ASSESSED AGAINST CONTRACTOR AS LIQUIDATED DAMAGES, BUT NOT AS A PENALTY, THE SUM OF FIVE HUNDRED **(\$500.00)** FOR EACH DAY THEREAFTER UNTIL THE DATE THAT PHYSICAL COMPLETION OF THE WORK AND THE PROJECT HAS REACHED COMPLETION, AND (b) AS COMPENSATION FOR THE ACTUAL ADDITIONAL OUT-OF-POCKET COSTS AND EXPENSES INCURRED BY DISTRICT AS A RESULT OF THE DELAY IN COMPLETION, THERE SHALL ALSO BE ASSESSED AGAINST CONTRACTOR

THE ACTUAL AND VERIFIABLE OUT-OF-POCKET COSTS AND EXPENSES INCURRED BY DISTRICT AS A RESULT OF THE DELAY (SUCH AS, FOR EXAMPLE, ADDITIONAL COMPENSATION PAID TO DISTRICT'S ARCHITECT AND OTHER CONSULTANT(S) AND AGENTS AND THE LEGAL FEES AND EXPENSES INCURRED BY DISTRICT IN CONNECTION WITH THE DELAY). IT IS HEREBY AGREED BY CONTRACTOR AND DISTRICT THAT IT WOULD BE IMPRACTICABLE AND EXTREMELY DIFFICULT TO FIX THE ACTUAL DAMAGE TO DISTRICT SHOULD THE ENTIRE WORK AND PROJECT NOT BE COMPLETED WITHIN THE TIME PERIOD SPECIFIED ABOVE PLUS ANY AUTHORIZED EXTENSIONS OF TIME HEREUNDER AND DISTRICT BE DEPRIVED OF THE BENEFICIAL OCCUPANCY OF THE PROJECT AS A RESULT THEREOF. THE LIQUIDATED DAMAGES PROVIDED FOR IN (a) ABOVE OF THIS PARAGRAPH REPRESENT THE PARTIES' REASONABLE ESTIMATE OF THE ACTUAL DAMAGES THAT DISTRICT WILL INCUR IF ITS BENEFICIAL USE OF THE PROJECT IS DELAYED BEYOND THE EXPIRATION OF THE CONTRACT TIME AND SUCH LIQUIDATED DAMAGES DO NOT CONSTITUTE A PENALTY NOR ARE THEY INTENDED TO COMPENSATE DISTRICT FOR (OR COVER) THE ACTUAL OUT-OF-POCKET DAMAGES INCURRED BY DISTRICT IN CONNECTION WITH ANY SUCH DELAY (WHICH ACTUAL OUT-OF-POCKET DAMAGES SHALL BE SEPARATELY RECOVERABLE BY DISTRICT PURSUANT TO PARAGRAPH 6(b)). THE PAYMENT OF THE AMOUNTS DESCRIBED IN PARAGRAPH 6(a) AS LIQUIDATED DAMAGES IS NOT INTENDED AS A FORFEITURE OR PENALTY WITHIN THE MEANING OF CALIFORNIA CIVIL CODE SECTION 3275 OR 3369, BUT IS INTENDED TO CONSTITUTE LIQUIDATED DAMAGES TO DISTRICT PURSUANT TO CALIFORNIA CIVIL CODE SECTIONS 1671, 1676 AND 1677. THE PARTIES EXPRESSLY AGREE THAT DISTRICT SHALL BE PERMITTED TO RECOVER ITS ACTUAL OUT-OF-POCKET DAMAGES INCURRED AS A RESULT OF ANY DELAY IN COMPLETION (IN ADDITION TO THE LIQUIDATED DAMAGES THAT MAY BE RECOVERED FOR THE LOSS OF THE BENEFICIAL USE OF THE PROJECT DURING THE PERIOD OF THE DELAY), AND THAT SUCH ACTUAL OUT-OF-POCKET DELAY DAMAGES ARE NOT LIQUIDATED HEREUNDER, BECAUSE UNLIKE THE DAMAGES RESULTING FROM THE LOSS OF THE BENEFICIAL USE OF THE PROJECT, SUCH ACTUAL OUT-OF-POCKET DAMAGES ARE NOT IMPRACTICABLE OR DIFFICULT TO FIX.

CONTRACTOR'S INITIALS: \_\_\_\_\_ DISTRICT'S INITIALS: \_\_\_\_\_

DISTRICT may deduct liquidated and/or actual out-of-pocket delay damages described in Paragraph 6 from any unpaid amounts then or thereafter due CONTRACTOR under this Agreement in accordance with Article 64 of the General Conditions. Any liquidated and/or actual out-of-pocket delay damages not so deducted from any unpaid amounts due CONTRACTOR shall be payable to DISTRICT at the demand of DISTRICT, together with interest thereon from the date of demand until paid at a rate equal to ten percent (10%) per annum.

**7. Indemnification**

CONTRACTOR agrees to and does hereby indemnify and hold harmless DISTRICT, ARCHITECT, INSPECTOR OF RECORD, and their respective officers, agents, and employees from every claim or demand made, and every liability, loss, damage, or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising under either (1) or (2) above, sustained by CONTRACTOR or any person, firm or corporation employed by CONTRACTOR upon or in connection with the Work called for in this Agreement, except for liability resulting from the sole negligence or willful misconduct of DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, employees, agents or independent contractors who are directly employed by DISTRICT, and except for liability resulting from the active negligence of DISTRICT, ARCHITECT, or INSPECTOR OF RECORD.

(b) Any injury to or death of persons or damage to property caused by any act, neglect, default or omission of CONTRACTOR, or any person, firm, or corporation employed by CONTRACTOR, either directly or by independent contract, including all damages due to loss or theft, sustained by any person, firm or corporation, including DISTRICT, ARCHITECT, or INSPECTOR OF RECORD arising out of, or in any way connected with the Work covered by this Agreement, whether said injury or damage occurs either on or off school district property, if the liability arose from the negligence or willful misconduct of anyone employed by CONTRACTOR, either directly or by independent contract, and not by the active negligence of DISTRICT, ARCHITECT, or INSPECTOR OF RECORD.

(c) In the event CONTRACTOR is required to access DISTRICT's computer system or network in the performance of the Contract, CONTRACTOR shall provide 48-hours advance notification to DISTRICT. In the event such access infects DISTRICT's computer network, system, or device with a virus, Trojan Horse, worm, or any other computer programming routine that is intended to damage, detrimentally interfere with, surreptitiously intercept or expropriate any system data or personal information, CONTRACTOR agrees to indemnify DISTRICT and pay for any and all losses, damages and expenses incurred by DISTRICT to remedy any such infection.

CONTRACTOR, at CONTRACTOR's own expense, cost, and risk, shall defend any and all actions, suits, or other proceedings that may be brought or instituted against DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, agents or employees, or any such claim, demand or liability, and shall pay or satisfy any judgment that may be rendered against DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, agents or employees in any action, suit or other proceedings as a result thereof.

In accordance with Section 9201 of the Public Contract Code, DISTRICT shall timely notify CONTRACTOR of any third-party claim it receives relating to the Contract. CONTRACTOR shall promptly reimburse DISTRICT for the reasonable costs incurred in providing CONTRACTOR such notification.

Background: Occasionally, schools request transportation for field trips to be accomplished at times that conflict with home-to-school route schedules. In the past, the District has contracted with Transportation Charter Services to provide transportation for field trips in situations as previously described. Fullerton School District seeks to enter into a contract, effective upon Board approval through June 30, 2016, with Transportation Charters Services to provide field trip transportation on an as-needed basis.

The Fullerton School District Transportation Department books field trips that the District's drivers cannot accomplish with the least expensive carrier that can perform the requested work.

Transportation Charter Services has met the insurance liability requirements of the District. Each bus provided by the contractor will pass a safety inspection by District mechanics prior to departure on a field trip in order to ensure the safety of the District's students.

A copy of the contract is available for review in the Superintendent's Office.

Rationale: The District is committed to providing safe, efficient transportation services to its students. In times when the District's Transportation Department cannot provide such services, contracts such as this are required.

Funding: Funding is from the General Fund and School Site Funds, not to exceed \$20,000.

Recommendation: Approve contract with Transportation Charter Services to provide transportation for field trips, effective September 9, 2015 through June 30, 2016.

**SUBJECT:** **APPROVE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND ORANGE COUNTY DEPARTMENT OF EDUCATION FOR INTRODUCTION TO PRESCHOOL CLASSROOM ASSESSMENT SCORING SYSTEM (CLASS) TRAINING ON SEPTEMBER 23, 2015**

Background: Fullerton School District operates the State Preschool Program, which is funded by the State Department of Education Child Care and Development Division and serves three- to five-year-olds in classes at Commonwealth, Maple, Orangethorpe, Pacific Drive, Richman, Valencia Park, and Woodcrest Schools. The State Preschool Program participates in Race to the Top Quality Start Orange County. CLASS is the observation tool developed to assess these interactions from infant care through 12<sup>th</sup> grade. Information derived from assessment is used for coaching and professional development. Orange County Department of Education offers the four-hour Introduction to CLASS Training for Preschool teachers at a cost not to exceed \$550.

Background: Improving student academic and behavior outcomes is about ensuring all students have access to the most effective and accurately implemented instructional and behavioral practices and interventions possible. Positive Behavioral Intervention and Supports (PBIS) provide an operational framework for achieving these outcomes. More importantly, PBIS is not a curriculum, intervention, or practice, but rather it is a decision-making framework that guides selection, integration, and implementation of the best evidence-based academic and behavioral practices for improving important academic and behavior outcomes for all students. In general, PBIS emphasizes four integrated elements: (a) data for decision-making, (b) measurable outcomes supported and evaluated by data, (c) practices with evidence that these outcomes are achievable, and (d) systems that efficiently and effectively support implementation of these practices.

Rationale: Participating schools are delegated into different tier/cohort groups and will benefit from PBIS trainings. School teams are comprised of teachers, support staff, and site administrators who will participate in the trainings. The PBIS tiered behavior system compliments the Response to Intervention (RtI) pyramid. The participating schools are as follows:

**DATE:** September 8, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Craig C. Bertsch, Ed.D., Assistant Superintendent, Personnel Services

**PREPARED BY:** Kathy Ikola, Coordinator of Child Welfare and Attendance

**SUBJECT:** **APPROVE MEMORANDUM OF UNDERSTANDING BETWEEN FULLERTON SCHOOL DISTRICT AND THE CALIFORNIA SCHOOL CLIMATE, HEALTH, AND LEARNING SURVEY SYSTEM (CAL-SCHLS) AS THEY RELATE TO THE ADMINISTRATION OF THE CALIFORNIA HEALTHY KIDS SURVEY (CHKS) FOR THE 2015/2016 SCHOOL YEAR**

Background: The California Healthy Kids Survey is the largest statewide survey of resiliency, protective factors, and risk behaviors in the nation. With this survey, schools, districts, counties, and the State have set a standard tool that promotes the collection of uniform data within and across local education agencies that are also comparable to existing State and national survey datasets.

Rationale: The California Healthy Kids Survey is mandated by the State of California Department of Education to be administered every two years for students in grades 5, 7, 9, and 11 to comply with the No Child Left Behind Act, Title IV. Fullerton School District is administering only those sections of the survey that are required by the State of California Department of Education. The survey provides schools with the developmentally appropriate data they need to guide the implementation of health, prevention, and youth development programs. The survey data will help guide the development of prevention programs targeting specific risk behaviors, as well as fostering youth assets and resilience that protect against these behaviors. Students in grade 5 must have parental permission to take the exam; students in grade 7 must have a letter from a parent if they wish to be excluded from the exam.

Funding: The cost to the District to survey students in grades 5 and 7 will be paid from the Tobacco Use Prevention and Education (TUPE) budget 351, and Child Welfare and Attendance budget 510, not to exceed \$3,500.

Recommendation: Approve Memorandum of Understanding between Fullerton School District and the California School Climate, Health, and Learning Survey System (CAL-SCHLS) as they relate to the administration of the California Healthy Kids Survey (CHKS) for the 2015/2016 school year.

MEMORANDUM OF UNDERSTANDING · 2015–2016 SCHOOL YEAR

DISTRICT NAME: \_\_\_\_\_

This agreement outlines conditions to be met by the above named district (the “District”) and WestEd as they relate to the administration of the CHKS. *The answer sheets will not be sent until a signed copy (sent via email, fax, or hard copy) of this Memorandum of Understanding (MOU) is received.*

DISTRICT AGREES TO THE FOLLOWING CONDITIONS:

**SURVEY ADMINISTRATION (CHKS)**

- » **Grades and Schools.** Plan to survey grades 5 through 12 as appropriate within the district. Provide current student enrollment figures (or target sample if you are sampling) for all schools by grade level, and provide accurate staff counts by school.
- » **Parent Consent.** Follow the active parental consent process with grades below seven, and either active or passive parental consent with grade seven and above (model consent forms will be provided).
- » Follow written school board policy for active and/or passive consent, and provide notification to parents of the approximate date(s) of survey administration and the availability of survey instruments for review at school and/or district offices. This is required regardless of consent type.
- » **Privacy of Students.** Regardless of what survey administration method is selected, the conditions under which the survey is administered must preserve respondent privacy and the confidentiality of the responses. If administered to multiple people in large rooms, ensure that the set up prevents anyone from observing how the respondent is answering the question. This is particularly a concern for use of large-screen monitors in conducting the survey online.
- » **Coordination.** Provide one, district-level contact person for each participating district.
- » **Surveys.** Administer the Elementary survey to elementary students, and the Core Module A to secondary students.
- » Use only the most recent, current version of the survey and the answer sheet provided by Cal-SCHLS.
- » **Expectations to deliver reports within eight to twelve weeks are contingent on use of correct versions of the survey instrument and answer sheets. Cal-SCHLS is not responsible for transferring data from incorrect to correct answer sheets.**
- » **Read the Guidebook.** Pay special attention to the section on active and passive consent procedures. In BOTH cases, specific tasks MUST be completed to insure that the rights of parents and pupils are protected.
- » **Current enrollment.** Provide student enrollment figures (or target sample if you are sampling) for all schools by grade level, and provide accurate staff counts by school.
- » **Produce questionnaires.** Produce from the master copy the number of questionnaires needed.
- » **Proctors.** Provide survey proctors (teachers or assigned proctors) for each classroom.

- » **Assurance of Confidentiality Agreement.** Have all surveyors (teachers or proctors) sign the Assurance of Confidentiality Agreement and read the Introductory Script to students. These are available in the Guidebook and on our website.
- » **Deadline.** Answer sheets not received after June 15 will result in a longer processing and reporting time than the usual eight to 10 weeks.

### DATA SUBMISSION AND REPORT PREPARATION

- » Provide complete information on the transmittal envelopes or online survey participation forms.
- » Complete and return the order form via email or hard copy.
- » Submit completed answer sheets and materials to your Regional Center.

### RESPONSE RATES

In order for the CHKS data to be representative of the students in your district, minimally meet standards A through C and either standard D or E as listed below.

- A. 100% of all district schools participated, or 100% of all selected schools participated in an approved sampling plan.
- B. An appropriate class subject or class period was identified and used.
- C. 100% of selected classrooms participated.
- D. The number of completed, usable answer forms or online submissions obtained per grade was 60% or more of the selected sample, or
- E. If active parental consent is used, 70% or more parents within each grade's selected sample returned signed permission forms, either consenting or not consenting to their child's participation.

If active consent is used and less than 60 percent of parents have not consented to their child's participation two days before the scheduled administration date, the survey should be postponed until either condition D or E can be met. *Note: If less than 25 students take the survey in a specific grade, the district may not be eligible for a report in that grade.*

### SCHOOL CLIMATE SURVEY FOR STAFF (CSCS)

- » Conduct the online California School Climate Survey for staff (CSCS) at each school and each grade participating in the district's CHKS. To facilitate planning and administration, this should be done around the same time the students are taking the CHKS.
- » The survey is anonymous and steps should be taken at the district and schools to ensure anonymity.

CONSENT ITEM

**DATE:** September 8, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Emy Flores, Ed.D., Assistant Superintendent, Educational Services

**PREPARED BY:** Robin Gilligan, Director, Student Support Services

**SUBJECT:** **APPROVE/RATIFY 2015/2016 MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN FULLERTON SCHOOL DISTRICT AND ORANGE COUNTY SUPERINTENDENT OF SCHOOLS, ORANGE COUNTY DEPARTMENT OF EDUCATION (OCDE) FOR SPECIAL EDUCATION PROGRAMS AND PROCEDURES**

Background: The Orange County Department of Education within this Memorandum of Understanding (MOU) outlines the parameters within which the school districts in the County may utilize the County special education programs and services to individuals with exceptional needs requiring intensive educational services, such as profoundly delayed students, behaviorally challenged students and hard of hearing students. The County provides programs to school districts when the District does not have an appropriate placement for the child. This MOU is effective for the period beginning July 1, 2015 and ending June 30, 2016. Program placements are jointly approved by the school district and the Orange County Department of Education. An explanation of the funding for placement and services is within the context of this MOU as well as scope of the program. Transportation of students is addressed in the context of the MOU. In addition, the Excess Cost actual credit/refund is included in the document.

Rationale: School districts on occasion do not have programs to serve students who require intensive educational services. Programs for the profoundly delayed or profoundly behaviorally challenged students may be recommended for placement in a County program. A number of years ago, a regional program for the hearing impaired was terminated as a regional program based upon the District not desiring to be the regional program. Due to this, OCDE took over the oral program for hearing impaired students at the elementary and junior high school level.

Funding: Funding for this program is provided through an Excess Cost determined by OCDE billed to districts monthly using Student Support Services fund (710).

Recommendation: Approve/Ratify 2015/2016 Memorandum of Understanding (MOU) between Fullerton School District and Orange County Superintendent of Schools, Orange County Department of Education (OCDE) for Special Education programs and procedures.

Memorandum of Understanding Between  
The Orange County Superintendent of Schools  
And  
“Fullerton School District”  
2015-2016

The Orange County Superintendent of Schools, which operates the Division of Special Education Services within the Orange County Department of Education, hereinafter referred to as “OCDE” and the “Fullerton School District,” herein referred to as “District,” and collectively referred to herein as the “Parties,” mutually agree as follows (Agreement):

1. Basis of Agreement

Pursuant to the authority established in Education Code Sections 56195, 56195.1, 56195.3 and 56195.5, OCDE may provide for the education of individual pupils in special education programs who reside in other districts or counties. The OCDE Division of Special Education Services operates the OCDE Special Schools Program to provide special education programs and services to individuals with exceptional needs requiring intensive educational services, including a regional deaf and hard of hearing program.

2. Term of Agreement

This Agreement is effective for the period beginning July 1, 2015, and ending June 30, 2016.

3. Acknowledgment of Special Education Funding Formula

It is acknowledged that, in accordance with Part 30 of the Education Code, Chapter 7.2, Section 56836 et seq., the California State funding formula for special education programs, services and administration generates an entitlement based on the average daily attendance of pupils in the local education agencies that comprise a Special Education Local Plan Area (SELPA). It is further acknowledged that the SELPA base year calculations for special education funding under Assembly Bill 602 (AB 602) include a dollar amount that is transferred back to the SELPA of residence for pupils served in special education programs prior to implementation of AB 602. The Parties acknowledge that both the distribution of these special education funds and the District's fiscal responsibility for students served outside the SELPA of residence are determined by the Local Plan of the SELPA of residence.

4. Scope of Program and Referral Process to OCDE

OCDE shall conduct special education programs and services for those eligible pupils of the District referred by their Individualized Education Program (IEP) Teams when it is jointly determined by the District and OCDE that the pupil's educational needs as specified in the pupil's IEP can be appropriately met by the programs and services operated by OCDE. Prior to offering placement in any OCDE Special Schools Program, the District shall contact the appropriate OCDE Special Schools Principal to discuss a possible referral and the appropriateness of the OCDE Special Schools Program placement. If the referral seems appropriate, the District shall obtain from the parent authorization to release information to OCDE and submit an OCDE referral packet to the appropriate OCDE Special Schools Principal

as well as schedule a visitation with the parent. OCDE referral packets are available on-line at <http://www.ocde.us/sped/Pages/default.aspx>.

Upon review of the referral packet and site visit by parent, the OCDE Special Schools Principal and District representative will coordinate an IEP team meeting for purposes of discussing possible placement in an OCDE Special Schools Program. OCDE shall maintain and provide special education programs for District pupils during the 2015-2016 school year within the administrative parameters established by the Special Education Fiscal Advisory Committee. Class size ranges and student-adult ratios shall be maintained in a manner which allows OCDE to meet the programmatic, health and safety needs of the pupils.

5. Responsibility of School District of Residence

The District and OCDE acknowledge that the District, as the pupil's district of residence, maintains primary responsibility as the local education agency (LEA) to ensure the pupil receives a free appropriate public education. In the event a pupil participating in an OCDE Special Schools Program moves out of the District, the District shall immediately provide OCDE written notice of the pupil's change in residence, including the new school district of residence, if known. Similarly, OCDE shall immediately notify District in the event a parent reports a change in residence, including the new school district of residence, if known.

6. Annual and Triennial Reviews

The District shall be notified of annual reviews scheduled for its pupils participating in an OCDE Special Schools Program and may provide a representative who will participate in the development of the annual IEP. For initial placement, triennial review, recommendation for

home instruction, or a change in eligibility or services specified on the current IEP, a District representative who is authorized to approve or disapprove the allocation of specified District resources necessary for the implementation of the pupil's IEP shall attend the IEP team meeting. For pupils enrolled in an OCDE Special Schools Program who are participating in a general education program on the school site in the school district where the OCDE Special Schools Program is located ("Host District") OCDE will work with the Host District to provide a general education teacher at IEP team meetings. In the event the Host District is unable to provide a general education teacher for the IEP team meeting, the District agrees to provide a general education teacher unless otherwise waived in writing by the pupil's parent in accordance with the Individuals with Disabilities Education Act (IDEA) and State law. For all other pupils enrolled in an OCDE Special Schools Program, the District agrees to provide a general education teacher at IEP team meetings unless otherwise waived in writing by pupil's parent in accordance with the IDEA and State law. Subject to approval by the pupil's parents, the general education teacher and/or other IEP team participants may use alternative means of meeting participation, such as video conferences and conference calls.

Progress reports relating to goals and objectives in a pupil's IEP shall be sent by OCDE to parents per the pupil's IEP schedule for progress reporting and to the Director of Special Education of the District upon request. When requested by District or parent, an updated report shall be provided if there is no current progress report whenever a pupil is scheduled for an IEP review or when pupil's enrollment in OCDE is terminated.

7. Integration/Mainstreaming Opportunities

The Host District where OCDE Special Schools Programs operate often provide opportunities for pupils enrolled in an OCDE Special Schools Program to integrate with non-disabled typical peers during the school day. These opportunities are typically in non-core curriculum areas such as physical education, art, music, assemblies, recess and lunch. Some pupils enrolled in an OCDE Special Schools Program will participate in core curriculum activities for a portion of the school day in a program operated by the Host District, however, such pupils are supervised by OCDE staff at all times during such activities. In the event a pupil enrolled in an OCDE Special Schools Program is participating in core curriculum activities in a program operated by the Host District for more than 50% of the school day, the Host District will be reimbursed for any costs incurred resulting from such pupil's participation, upon OCDE's receipt of appropriate documentation of such costs.

8. Assessments/Independent Educational Evaluations

OCDE and District shall coordinate and collaborate in conducting assessments for pupils participating in an OCDE Special Schools Program. In the event OCDE staff is not available to conduct a requested assessment, OCDE shall notify the District and/or District's SELPA to assist in conducting such assessment(s).

In the event a request is made for an independent educational evaluation (IEE), OCDE shall immediately forward such request to the District and the District, in collaboration with OCDE, shall determine how to respond to the request for an IEE. If the District receives a request for assessment or IEE for a student referred to or enrolled in an OCDE Special Schools Program, the District shall immediately notify OCDE of the request and collaborate with OCDE as to how to

respond. OCDE and/or the District may also schedule an IEP team meeting to further discuss the requested IEE or assessment.

9. Pupil Count

A count shall be taken of the number of pupils enrolled in OCDE's Special Schools Program as of the first day of each calendar month, July 1, 2015 through June 1, 2016. A pupil shall be counted as "enrolled" in an OCDE Special Schools Program on the first day of attendance in the program or fourteen (14) days after the IEP team has met and an approved IEP has been executed for the pupil's educational placement in an OCDE Special Schools Program, whichever occurs sooner. Pupils continuing in an OCDE Special Schools Program from the previous school year shall be counted as "enrolled" on the first school day in September unless written notification of withdrawal is received from either the parent or district of residence. If a continuing pupil has not attended school by the eleventh (11<sup>th</sup>) day of the first school month, OCDE shall notify the district of residence and a determination shall be made regarding continuing enrollment. In the event either OCDE or District are informed that a pupil has been withdrawn by the parent from an OCDE Special Schools Program, each agency shall immediately notify the other of such withdrawal. Any pupil withdrawn by the parent from an OCDE Special Schools Program is no longer counted as "enrolled" or considered a continuing pupil for the following school year.

10. Definitions

a. "Special Education Fiscal Advisory Committee" shall be a committee comprised of the Orange County Special Education Local Plan Area Directors, Chief Business Officials

f. “Special Education Program Expenditures” shall include Direct Costs, Direct Support Costs and Indirect Cost of OCDE Special Schools Programs.

g. “Average Cost Per Pupil” shall refer to the Special Education Program Expenditures attributable to the program divided by the average number of pupils enrolled during the year.

h. "Average Number of Pupils" shall refer to the total of the number of pupils counted on the first school day of each calendar month divided by the number of calendar months in the period specified.

## 11. Funding

In consideration of the enrollment of pupils in special education programs conducted by OCDE, the SELPA and/or the school district transferring pupils to the regional programs operated by OCDE agree to pay the average cost per pupil based on expenditure categories and ratios reviewed by the Special Education Fiscal Advisory Committee and shall provide for program funding as follows:

a. The District shall be responsible for the Average Cost per Pupil in an OCDE Special Schools Program, including the Regional Deaf/Hard of Hearing Program, multiplied by the average number of pupils enrolled, minus Special Education Program income received by OCDE for the purpose of educating said pupils including, but not limited to Revenue Limit, AB 602 funds, and Federal I.D.E.A. Local Assistance Grant funds. The District shall be responsible for the Average Cost Per Pupil in the Regional Oral Deaf Program multiplied by the average number of pupils enrolled, minus Special Education Program income received by OCDE for the purpose of educating said pupils including, but not limited to Revenue Limit, AB 602 funds, and Federal I.D.E.A. Local Assistance Grant funds.

b. Special Circumstance Assistant (SCA). The District, as specified in its SELPA's Local Plan, shall be responsible for the full cost of additional personnel required for the benefit of and specified in the IEP for individual pupils who are residents of the District.

c. The following documents shall be used as a basis for all figures reported:

- (1) Various Program Cost Reports
- (2) State Form 01
- (3) In-House Accounting Reports

d. OCDE Special Schools Program income and expenditures shall be listed in accordance with The California School Accounting Manual Standardized Account Code Structure for Special Education as of April 19, 1999, with a summary page as shown in Appendix A, incorporated herein.

e. Indirect cost for Special Education Programs operated by OCDE shall be at the State approved rate not to exceed 7.5% of total Program expenditures.

f. OCDE shall bill the District on a monthly basis and forward invoices to the District's accounting department.

12. Related Services/Designated Instructional Services (DIS)

OCDE provides the following related services as part of its Special Schools Programs: Speech-Language Pathology Services, Adapted Physical Education, Physical Therapy, Occupational Therapy, Health and Nursing, Specialized Physical Health Care, Vocational Counseling, Adult Transition, Assistive Technology, Vision Training, Orientation and Mobility, Behavior Management/Intervention and Psychological Counseling. In addition to the above, as part of its Regional D/HH Program and Regional Oral Deaf Program, OCDE provides Audiological services and Sign Language Interpreters. Any other related services necessary for the pupil to benefit from the special education program shall be provided by the District or as

otherwise agreed to by OCDE and the District, including translator services at IEP team meetings and/or translation of documents. In addition, OCDE shall separately bill the District for the services provided by an SCA as required by the pupil's IEP.

13. Home Instruction

When a pupil is absent from school for more than ten (10) consecutive school days as a result of a medical condition and is expected to have an extended health related absence, the pupil's IEP team shall review the IEP and determine appropriate educational services. A District representative who is authorized by the District's Director of Special Education to approve or disapprove the allocation of specified District resources necessary for the implementation of the pupil's IEP shall participate in the IEP team meeting when considering a placement for home or hospital instruction. When recommending placement for home or hospital instruction, the IEP team shall consider documentation from the pupil's treating physician indicating the pupil's condition, verifying that the condition prevents the pupil from attending school and providing a projected date for the pupil's return to school. Any in-home instruction, including other related services, shall be provided by the District or as otherwise agreed to by OCDE and the District. In the event the pupil is hospitalized in a facility located outside of the District, it is the District's responsibility to inform the parent that instruction will be provided in accordance with Education Code section 48207 and 48208. In either circumstance, it may be necessary to exit the pupil from OCDE in order for the District to provide the necessary in-home instruction or for the pupil to receive hospital instruction. In the event OCDE and the District agree that OCDE will provide

in-home or hospital instruction to the pupil, OCDE shall separately bill the District for such services.

14. Transportation

a. Transportation by the Orange County Department of Education

The District shall provide transportation for its pupils participating in an OCDE Special Schools Program unless otherwise agreed between the District and OCDE. In the event OCDE agrees to transport a pupil, the District shall be responsible for the difference between the Direct and Direct Support Cost of home-to-school transportation as shown on the annual State Transportation Report plus one percent (1%) indirect support costs and the State transportation allocation received by the OCDE on a per pupil basis pursuant to Appendix B, incorporated herein. The District shall pay for the full cost of one-on-one transportation assistants as specified in the pupil's IEP. In the event OCDE is transporting five or more District pupils from one Special Schools Program site, the District shall provide OCDE written notice on or before December 1 of each year of any proposed changes in the number of students requiring OCDE transportation for the following school year. Absent appropriate notice from the District of any proposed change in transportation for the following school year, the District may be solely responsible for funding the costs related to such change in transportation. Similarly, OCDE shall provide the District written notice on or before December 1 of each year of any proposed changes in OCDE's transportation services, not including cost projections, for the following school year.

b. Transportation by District

Districts transporting pupils to an OCDE Special Schools Program shall ensure that buses arrive at the school site with sufficient time to unload students prior to the beginning of the instructional day and to load them at the end of the instructional day. Delays requiring either overtime supervision or causing portions of the instructional program to be missed and subsequently made up may result in charges to the District for additional costs incurred by OCDE related to such delays.

15. Due Process and Complaints

OCDE and District agree to collaborate and fully cooperate in any due process proceeding involving a pupil currently attending or formerly enrolled in an OCDE Special Schools Program, including resolution sessions, mediations and hearings, as well as coordinating witness availability and producing documents regarding the pupil.

In the event OCDE is named as the sole LEA in a due process complaint, OCDE and District agree that District, as the pupil's school district of residence, is a necessary party to the due process proceedings.

OCDE and District shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other State and/or federal governmental body or agency.

16. Estimated Billing

The estimated billing for 2015-2016 will be based on actual information for 2014-2015 plus COLA as set forth in the most current State Budget plus any budgeting projections for step and column, and salary and benefit increases.

17. Final Accounting

An accounting accompanied by completed Appendices A and B with appropriate supporting documentation shall be sent to each District by September 15 of the following year. In addition, OCDE shall provide a quarterly expenditure report to the District's Director of Special Education. Corrections to prior year OCDE Special Schools Program costs resulting from adjustments to income or expenditure calculations shall be credited or billed to the District affected by the correction or adjustments.

18. Projected Enrollment/Facilities and Staffing Needs

In order to assist OCDE in planning for both facilities and staffing needs for its programs, each District shall submit to OCDE, in writing, on or before December 1 of each year, the projected number of pupils expected to be transferred to OCDE programs for special education and support services in the following school year. Absent a projection, the number of District pupils reported in the current year December 1 Federal Pupil Count shall be used for facilities, staffing and budget planning by OCDE for the following school year. In the event the District intends to withdraw five (5) or more pupils from a specific OCDE Special Schools Program site or enroll five (5) or more pupils in a specific OCDE Special Schools Program site for the following school year, the District shall notify OCDE in writing of such intention on or before

December 1 of each year. OCDE shall forward such written notice to the Special Education Fiscal Advisory Committee for its review and consideration. Absent appropriate notice from the District of any proposed change in enrollment in an OCDE Special Schools Program site for the following school year, the District may be solely responsible for funding the costs related to such change in enrollment.

If the District is a Host District for any OCDE Special Schools Program, the District shall submit to OCDE, in writing, on or before December 1 of each year, notice of any proposed facilities projects, including but not limited to modernization or new construction projects at the school site where the OCDE Special Schools Program is located, as well as any potential impact such projects may have on the operation of an OCDE Special Schools Program, including opportunities for integration with typical peers at the Host District school site. In the event any such project would require relocation of an OCDE Special Schools Program, the District shall provide OCDE with at least one (1) year prior written notice to allow OCDE sufficient time to plan accordingly. OCDE shall forward such written notice to the Special Education Fiscal Advisory Committee for its review and consideration.

In the event OCDE intends to close an OCDE Special Schools Program in which District pupils are enrolled, OCDE shall notify the District in writing of such intention on or before December 1 of each year.

19. Program Cost for 2015-2016

On or before fifteen (15) days after the release of the May revise each year, the Orange County Superintendent of Schools shall compute the projected Special Education Program Income and Special Education Program Expenditures for the following year with an Average

Cost per Pupil for pupils enrolled in OCDE Special Schools Programs based on the Projected Enrollment data, and provide it to District Student Services and Business Directors.

NOW, THEREFORE, the parties agree as follows:

1. Services to be provided by Contractor: **Provide assessment and consultation services for determining auditory and verbal needs of students with disabilities in the District**, hereinafter referred to as "Services".

2. Term. Contractor shall commence providing services under this Agreement on **August 1, 2015** and will diligently perform as required and complete performance by **June 30, 2016**.

3. Compensation. District agrees to pay the Contractor for Services satisfactorily rendered pursuant to this Agreement a total fee not to exceed **Five Thousand dollars (\$5,000)**. **Payment shall be made at the rate of One Hundred Thirty dollars (\$130) per hour for assessment, scoring, report writing, goal writing, and IEP attendance via phone.** Contractor shall submit a detailed invoice to District. 4. Expenses. District shall not be liable to Contractor for any costs or expenses paid or incurred by Contractor in performing the Services for District, except as follows: **N/A**.

5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. Contractor understands and agrees that Contractor and all of Contractor's employees shall not be considered officers, employees or agents of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Workers' Compensation. Contractor assumes the full responsibility for the acts and/or omissions of Contractor's employees as they relate to the Services to be provided under this Agreement. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available

to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its Governing Board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

d. Workers' Compensation as required by California State law.

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. Contractor agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to Contractor, Contractor's business, equipment and personnel engaged in the Services covered by this Agreement or accruing out of the performance of such Services.

prior to the performance of the Services and provide annual certification thereafter. Contractor shall complete and submit to District any required documentation to verify compliance.

14. Permits/Licenses. Contractor shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of the Services pursuant to this Agreement.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

21. Attorney Fees/Costs. Should litigation be necessary to enforce any terms or provisions of this Agreement, then each party shall bear its own litigation and collection expenses, witness fees, court costs, and attorneys' fees.

# **Fullerton School District**

## **Board Policy**

### **Child Abuse Prevention and Reporting**

**BP 5141.4**

#### **Students**

**Board Adopted: June 27, 1989**

**Board Revised: July 29, 2003, November 29, 2005, November 16, 2010**

The Board of Trustees is committed to supporting the safety and well-being of District students and desires to facilitate the prevention of and response to child abuse and neglect. The Superintendent or designee shall develop and implement strategies for preventing, recognizing, and promptly reporting known or suspected child abuse and neglect.

The Superintendent or designee may provide a student who is a victim of abuse with school-based mental health services or other support services and/or may refer the student to resources available within the community as needed.

#### **Child Abuse Prevention**

The District's instructional program shall include age-appropriate and culturally sensitive child abuse prevention curriculum. This curriculum shall explain students' rights to live free of abuse, include instruction in the skills and techniques needed to identify unsafe situations and react appropriately and promptly, inform students of available support resources, and teach students how to obtain help and disclose incidents of abuse.

The District's program also may include age-appropriate curriculum in sexual abuse and sexual assault awareness and prevention. Upon written request of a student's parent/guardian, the student shall be excused from taking such instruction. (Education Code 51900.6)

The Superintendent or designee shall, to the extent feasible, seek to incorporate community resources into the District's Child Abuse Prevention Programs and may use these resources to provide parents/guardians with instruction in parenting skills and child abuse prevention.

#### **Child Abuse Reporting**

The Superintendent or designee shall establish procedures for the identification and reporting of known and suspected child abuse and neglect in accordance with law.

Procedures for reporting child abuse shall be included in the District and/or each school's Comprehensive Safety Plan. (Education Code 32282)

District employees who are mandated reporters, as defined by law and administrative regulation, are obligated to report all known or suspected incidents of child abuse and neglect.

The Superintendent or designee shall provide training regarding the duties of mandated reporters.

~~The Board of Trustees of the Fullerton School District recognizes the devastating impact of child abuse and neglect upon its victims, and society as a whole. The District declares that suspected child abuse and neglect should be reported to appropriate child protective agencies by all employees of the~~

~~school district.~~

~~At the same time, the District recognizes that employees may feel that their reporting of suspected child abuse and neglect could lead to personal liability or other legal action against them. In order to eliminate any potential and/or perceived threat or barrier to reporting suspected child abuse and neglect, the District shall indemnify from civil liability and provide for the defense of any civil action brought against a classified employee who reports suspected child abuse and neglect pursuant to the terms of the Penal Code and/or District policy. This protection shall not apply to any classified employee who is proved to have knowingly filed a false child abuse and neglect report.~~

~~While it is not the duty of any employee to investigate suspected incidents of child abuse and neglect, the District expects full cooperation by its employees with any agency or agencies responsible for reporting, investigating and prosecuting cases of child abuse and neglect.~~

~~The Superintendent or designee shall provide training for all District employees, as mandated by law, concerning identification of child abuse and neglect and appropriate reporting procedures. In the event that training is not provided to the employees mandated to report child abuse and neglect, the Superintendent or designee shall report to the California Department of Education the reasons that such training is not provided.~~

~~The absence of training, however, shall not excuse a mandated reporter from the duty to report child abuse and neglect.~~

**SUBJECT:** HEAR PRESENTATION AND APPROVE 2014/2015 UNAUDITED ACTUALS AND CONCURRENTLY APPROVE THE 2015/2016 REVISED BUDGET FOR FUND 51 BOND INTEREST AND REDEMPTION FUND AND THE FUND BALANCE CHANGES AS THE DISTRICT'S 2015/2016 BEGINNING BUDGETED BALANCES OF THE LEGISLATIVE BODY OF THE FULLERTON SCHOOL DISTRICT (DISTRICT 22), FULLERTON SCHOOL DISTRICT COMMUNITY FACILITIES DISTRICT NO. 2000-1 (VAN DAELE, DISTRICT 40), AND FULLERTON SCHOOL DISTRICT COMMUNITY FACILITIES DISTRICT NO. 2001-1 (AMERIGE HEIGHTS, DISTRICT 48)

Background: On or before September 15 of each year, the Board must review and approve the "unaudited actuals" for the fiscal year ended June 30. The "unaudited actuals" present, for each fund in the District, the actual financial results for the previous fiscal year. A Statement of Revenues, Expenditures, and Changes in Fund Balance, as well as a Balance Sheet, is presented for each fund. These financial statements become the basis for the District's annual external audit.

The financial statements, in the format required by the California Department of Education, are attached. An additional narrative and set of fund summary statements are attached for the District.

Approval is requested for the following districts governed by the Fullerton School District Board of Trustees: Fullerton School District (District 22), Fullerton School District Community Facilities District No. 2000-1 (Van Daele, District 40), and Fullerton School District Community Facilities District No. 2001-1 (Amerige Heights, District 48).

Rationale: According to Education Code 42100, the governing board of each school district shall approve an annual statement of all receipts and expenditures of the district for the preceding fiscal year on or before September 15.

Funding: Not applicable.

Recommendation: Hear presentation and approve 2014/2015 Unaudited Actuals and concurrently approve the 2015/2016 revised budget for Fund 51 Bond Interest and Redemption Fund and the fund balance changes as the District's 2015/2016 beginning budgeted balances of the legislative body of the Fullerton School District (District 22), Fullerton School District Community Facilities District No. 2000-1 (Van Daele, District 40), and Fullerton School District Community Facilities District No. 2001-1 (Amerige Heights, District 48).

**SUBJECT:** 2014-15 UNAUDITED ACTUALS REPORT

The Unaudited Actuals Report is one of three financial statements school districts are required to report to the State and provide to the public annually. Each report presents the actual results of financial operations for the year-to-date. The report presents information so that the District, County Office of Education, and State can review the District's fiscal viability for the current and two subsequent fiscal years. The three reports and the fiscal period reported are as follows:

<u>Report</u>	<u>Period Covered</u>	<u>Filing Date</u>
First Interim	July 1 – October 31	December 15
Second Interim	July 1 – January 31	March 15
Unaudited Actuals	July 1 – June 30	September 15

The Unaudited Actuals Report presents the final financial results for the fiscal year. The report presents detailed financial statements for each fund and account group of the District. Also included in the report is information concerning attendance, revenue limit, long-term debt, and other accounting and statistical information. The Unaudited Actuals Report provides the financial information that will be audited by our independent auditors, and that will be the basis of our annual Audit Report.

**Report Format:** The format for our annual financial reporting is dictated to us by the State. The State provides each district with a computer program to utilize their mandated format. The required format is very detailed; the actual report is over 100 pages long. For the purpose of this summary report, we have provided a comparative (prior year and current year) Statement of Revenue, Expenditures, and Changes in Fund Balance for each fund. This statement reports actual results of operations for the fiscal years ended June 30, 2014, and 2015.

**District Funds:** All District funds, except for ASBs, are reported on the Unaudited Actuals Report. The District operates the following funds:

**General Fund:** The main operating fund of the District. All activities that are not required to be recorded in another fund are reported here. The majority of the dollar transactions of the District are recorded in the General Fund.

**Child Development Fund:** Reports financial activity related to Federal, State, and parent-funded childcare programs run by the District.

**Cafeteria Fund:** Reports all financial activity from District Nutrition Services operations.

**Deferred Maintenance Fund:** Reports revenues received from the State Deferred Maintenance Program and expenditures made for District facilities major maintenance projects.

**Special Reserve Fund for Other Than Capital Outlay Projects:** Reports revenues received from Mandated Cost reimbursements periodically received from the State.

**Special Reserve Fund for Post-employment Benefits:** Reports resources set aside by the District to fund liabilities for post-employment benefits (as required to be recognized by Governmental Accounting Standards Board Statement No. 45) provided to District retirees.

**Building Fund:** Reports receipts from sales of capital facilities bonds and expenditures for facilities projects.

**Capital Facilities Fund:** Reports revenues received from developer fees and capital expenditures made necessary by growth in student enrollment.

**Special Reserved Fund for Capital Outlay Projects:** Used to record (1) funds reserved by the District to cover potential laptop program debt, and (2) receipt of redevelopment fees.

**Self-Insurance Fund:** The Self-Insurance Fund consists of three sub-funds: Dental, Property and Liability, and Workers' Compensation. These funds account for the financial activities of these self-insurance risks assumed by the District.

**Capital Projects Fund-Blended Component Units:** Reports revenues and expenditures from the District's two Community Facility Districts (CFDs): District No. 2000-1 (Van Daele, District 40) and District No. 2001-1 (Amerige Heights, District 48).

**Bond Interest and Redemption Fund:** Reports taxes collected and repayment of capital improvement bonds.

The District is required to use Governmental Accounting Standards, which means that funds are kept on a modified accrual basis. In general, this means that only current receivables and payables are accrued. Long-term assets and liabilities are accounted for separately in two account groups:

**Long-Term Debt Group of Accounts:** Records debt that entails a multi-year commitment.

**Fixed Assets Group of Accounts:** Records capitalized fixed assets (buildings, land, equipment) and associated depreciation.

**Financial Summary:** The total General Fund experienced a net increase in the ending Fund Balance for the year. Both the Unrestricted Fund and Restricted (Categorical) Fund experienced an excess of revenues over expenditures and other financing sources and uses for the year. Summary results were as follows:

**Part I - General Administrative Share of Plant Services Costs**

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

**A. Salaries and Benefits - Other General Administration and Centralized Data Processing**

**Part II - Adjustments for Employment Separation Costs**

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

**A. Normal Separation Costs (optional)**

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. \_\_\_\_\_

**Part IV - Carry-forward Adjustment**

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

<b>A. Indirect costs incurred in the current year (Part III, Line A8)</b>	<u>5,317,541.98</u>
<b>B. Carry-forward adjustment from prior year(s)</b>	
1. Carry-forward adjustment from the second prior year	<u>174,590.74</u>
2. Carry-forward adjustment amount deferred from prior year(s), if any	<u>0.00</u>
<b>C. Carry-forward adjustment for under- or over-recovery in the current year</b>	
1. Under-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect cost rate (4.64%) times Part III, Line B18); zero if negative	<u>97,771.22</u>
2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of (approved indirect cost rate (4.64%) times Part III, Line B18) or (the highest rate used to recover costs from any program (4.64%) times Part III, Line B18); zero if positive	<u>0.00</u>
<b>D. Preliminary carry-forward adjustment (Line C1 or C2)</b>	<u>97,771.22</u>
<b>E. Optional allocation of negative carry-forward adjustment over more than one year</b>	
Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate.	
Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward adjustment is applied to the current year calculation:	<u>not applicable</u>
Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward adjustment is applied to the current year calculation and the remainder is deferred to one or more future years:	<u>not applicable</u>
Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward adjustment is applied to the current year calculation and the remainder is deferred to one or more future years:	<u>not applicable</u>
LEA request for Option 1, Option 2, or Option 3	<u>1</u>
<b>F. Carry-forward adjustment used in Part III, Line A9 (Line D minus amount deferred if Option 2 or Option 3 is selected)</b>	<u>97,771.22</u>

Approved indirect cost rate: 4.64%

This form is used to check maintenance of effort (MOE) for an LEA, whether the LEA is a member of a SELPA or is a single-LEA SELPA. If a member of a SELPA, submit this form together with the 2014-15 Expenditures by LEA (LE-CY) and the 2013-14 Expenditures by LEA (LE-PY) to the SELPA AU. If a single-LEA SELPA, submit the forms to the CDE.

**After reviewing all sections of this form, please select which of the following methods your LEA chooses to use to meet the 2014-15 MOE requirement.**

Combined state and local expenditures

Local expenditures only

**SECTION 1 Exempt Reduction Under 34 CFR Section 300.204**

If your LEA determines that a reduction in expenditures occurred as a result of one or more of the following conditions, you may calculate a reduction to the required MOE standard. Reductions may apply to local only MOE standard, combined state and local MOE standard, or both.

1. Voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
2. A decrease in the enrollment of children with disabilities.
3. The termination of the obligation of the agency to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child:
  - a. Has left the jurisdiction of the agency;
  - b. Has reached the age at which the obligation of the agency to provide free appropriate public education (FAPE) to the child has terminated; or
  - c. No longer needs the program of special education.
4. The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
5. The assumption of cost by the high cost fund operated by the SEA under 34 CFR Sec. 300.704(c).

List exempt reductions, if any, to be used in the calculation below:	State and Local	Local Only

**SECTION 2 Reduction to MOE Requirement Under IDEA, Section 613 (a)(2)(C) (34 CFR Sec. 300.205(d))**

IMPORTANT NOTE: Only LEAs that have a "meets requirement" compliance determination and that are not found significantly disproportionate for the current year are eligible to use this option to reduce their MOE requirement.

Up to 50% of the increase in IDEA Part B Section 611 funding in current year compared with prior year may be used to reduce the required level of state and local expenditures. This option is available only if the LEA used or will use the freed up funds for activities authorized under the Elementary and Secondary Education Act of 1965. Also, the amount of Part B funds used for early intervening services (34 CFR 300.226(a)) will count toward the maximum amount by which the LEA may reduce its MOE requirement under this exception [P.L. 108-446].

	<b>Actual Expenditures FY 2014-15 (LE-CY Worksheet)</b>	<b>Actual Expenditures FY 2013-14 (LE-PY Worksheet)</b>	<b>Difference (A - B)</b>
<b>A. COMBINED STATE AND LOCAL EXPENDITURES METHOD</b>			
1. Total special education expenditures	22,337,136.89		
2. Less: Expenditures paid from federal sources	2,772,686.52		
3. Expenditures paid from state and local sources	19,564,450.37	18,163,029.01	
Less: Exempt reduction(s) from SECTION 1		0.00	
Less: 50% reduction from SECTION 2		0.00	
Net expenditures paid from state and local sources	19,564,450.37	18,163,029.01	1,401,421.36

5. Per capita state and local expenditures (A3/A4)	13,895.21	12,621.98	1,273.23

If one or both of the differences in lines A3 and A5, Column C, are positive (current year state and local expenditures, in total or per capita, are greater than prior year's net state and local expenditures), the MOE requirement is met; Part B can still be reviewed.

If both lines A3 and A5, Column C, are negative, the MOE is not met based on combined state and local expenditures, and Part B must be reviewed.

**B. LOCAL EXPENDITURES ONLY METHOD**

	<u>FY 2014-15</u>	<u>FY 2013-14</u>	<u>Difference</u>
1. Last year's local expenditures met MOE requirement:			
a. Expenditures paid from local sources	9,125,563.87	8,440,098.61	
Less: Exempt reduction(s) from SECTION 1		0.00	
Less: 50% reduction from SECTION 2		0.00	
Net expenditures paid from local sources	<u>9,125,563.87</u>	<u>8,440,098.61</u>	<u>685,465.26</u>
b. Per capita local expenditures (B1a/A4)	<u>6,481.22</u>	<u>5,865.25</u>	<u>615.97</u>

If one or both of the differences in Column C are positive (current year local expenditures, in total or per capita, are greater than prior year's net local expenditures), the MOE requirement is met.

If both of the differences in Column C are negative, the MOE is not met based on local expenditures only.

**After reviewing all sections of this form, please select which of the above methods your LEA chooses to use to meet the 2014-15 MOE requirement and make the selection on Page 1.**

Local expenditures only

**SECTION 1 Exempt Reduction Under 34 CFR Section 300.204**

If your LEA determines that a reduction in expenditures occurred as a result of one or more of the following conditions, you may calculate a reduction to the required MOE standard. Reductions may apply to local only MOE standard, combined state and local MOE standard, or both.

1. Voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
2. A decrease in the enrollment of children with disabilities.
3. The termination of the obligation of the agency to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child:
  - a. Has left the jurisdiction of the agency;
  - b. Has reached the age at which the obligation of the agency to provide free appropriate public education (FAPE) to the child has terminated; or
  - c. No longer needs the program of special education.
4. The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
5. The assumption of cost by the high cost fund operated by the SEA under 34 CFR Sec. 300.704(c).

**SECTION 2 Reduction to MOE Requirement Under IDEA, Section 613 (a)(2)(C) (34 CFR Sec. 300.205(d))**

IMPORTANT NOTE: Only LEAs that have a "meets requirement" compliance determination and that are not found significantly disproportionate for the current year are eligible to use this option to reduce their MOE requirement.

Up to 50% of the increase in IDEA Part B Section 611 funding in current year compared with prior year may be used to reduce the required level of state and local expenditures. This option is available only if the LEA used or will use the freed up funds for activities authorized under the Elementary and Secondary Education Act of 1965. Also, the amount of Part B funds used for early intervening services (34 CFR 300.226(a)) will count toward the maximum amount by which the LEA may reduce its MOE requirement under this exception [P.L. 108-446].

If one or both of the differences in lines A3 and A5, Column C, are positive (current year budgeted state and local expenditures, in total or per capita, are greater than prior year's net state and local expenditures), the MOE requirement is met; Part B can still be reviewed.

If both lines A3 and A5, Column C, are negative, the MOE is not met based on combined state and local expenditures, and Part B must be reviewed.

b. Per capita local expenditures (B1a/A4)	<u>7,164.95</u>	<u>6,481.22</u>	<u>683.73</u>

If one or both of the differences in Column C are positive (current year local expenditures, in total or per capita, are greater than prior year's net local expenditures), the MOE requirement is met.

If both of the differences in Column C are negative, the MOE is not met based on local expenditures only.

**After reviewing all sections of this form, please select which of the above methods your LEA chooses to use to meet the 2015-16 MOE requirement and make the selection on Page 1.**

CONSENT ITEM

**DATE:** September 29, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

## 2015-2016 INDEPENDENT CONTRACTOR AGREEMENT

This Agreement is hereby entered into between the Fullerton School District, hereinafter referred to as "District," and WestEd Center for Child and Family Studies, hereinafter referred to as "Contractor."

WHEREAS, District is authorized by Section 53060 of the California Government Code to contract with and employ any persons for the furnishing of special services and advice in financial, economic, accounting, engineering, legal or administrative matters, if such persons are specially trained and experienced and competent to perform the special services required;

WHEREAS, District is in need of such special services and advice; and

WHEREAS, Contractor is specially trained and experienced and competent to perform the special services required by the District, and such services are needed on a limited basis;

NOW, THEREFORE, the parties agree as follows:

1. Services to be provided by Contractor: Contractor shall provide **DRDPtech Training, which provides preschool teachers with an online support system for the Desired Results Developmental Profile (2015) assessment instruments** (hereinafter referred to as "Services").

2. Term. Contractor shall commence providing services under this Agreement on **September 12, 2015**, and will diligently perform as required and complete performance by **September 12, 2015**.

3. Compensation. District agrees to pay the Contractor for Services satisfactorily rendered pursuant to this Agreement a total fee not to exceed **Two Thousand Dollars (\$2,000.00)**. Contractor shall submit a detailed invoice to District. Payment for Services will only be made if Services have been satisfactorily rendered under the terms of this Agreement.

4. Expenses. District shall not be liable to Contractor for any costs or expenses paid or incurred by Contractor in performing the Services for District, except as follows: **Not Applicable**.

5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. Contractor understands and agrees that Contractor and all of Contractor's employees shall not be considered officers, employees or agents of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Workers' Compensation. Contractor assumes the full responsibility for the acts and/or omissions of Contractor's employees as they relate to the Services to be provided under this Agreement. Contractor shall assume full responsibility for payment of all federal, State and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Contractor's employees.

6. Materials. Contractor shall furnish, at Contractor's own expense, all labor, materials, equipment, supplies and other items necessary to complete the Services to be provided pursuant to this Agreement. Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of Contractor's profession.

7. Originality of Services/Intellectual Property. Contractor agrees that all technologies, formulae, procedures, processes, methods, and ideas prepared for and submitted by Contractor to the District in connection with the Services set forth in this Agreement, shall be wholly original to Contractor and shall not be copied in whole or in part from any other source, except that submitted to Contractor by District as a basis for such Services. Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by, District and shall not be copied or used in whole or in part by Contractor without District's express written permission. Contractor acknowledges and agrees that District shall have all right, title and interest in said Content, including the right to secure and maintain the copyright, trademark and/or patent of said Content in the name of the District.

8. Standard for Performance. The parties acknowledge that the District, in selecting the Contractor to perform the Services hereunder, is relying upon the Contractor's reputation for excellence in the performance of the Services required hereunder. The Contractor shall perform the Services in the manner of one who is a recognized specialist in the types of services to be performed. Time is of the essence in this Agreement. All deadlines set forth in the Agreement are binding and may be modified only by subsequent written agreement of the parties.

9. Termination. District may, at any time, with or without reason, terminate this Agreement and compensate Contractor only for the Services satisfactorily rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include: (a) material violation of this Agreement by the Contractor; (b) any act by Contractor exposing the District to liability to others for personal injury or property damage; or (c) Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available

to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its Governing Board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for: (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising out of (1) or (2) above, sustained by the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, upon or in connection with the Services called for in this Agreement, however caused, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(b) Any injury to or death of any person(s), including the District's officers, employees and agents, or damage to or loss of any property, caused by any act, neglect, default, or omission of the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the Services covered by this Agreement, whether said injury or damage occurs either on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopyrighted matter or patented or unpatented invention under this Agreement.

11. Insurance. The Contractor, at Contractor's sole cost and expense, shall insure Contractor's activities in connection with the Services under this Agreement and shall obtain, keep in force, and maintain insurance as follows:

a. Comprehensive or Commercial Form General Liability Insurance (contractual liability included) with limits as follows: (minimum limits)

(1)	Each Occurrence	\$1,000,000
(2)	Products/Completed Operations Aggregate	\$1,000,000
(3)	Personal and Advertising Injury	\$1,000,000
(4)	General Aggregate (Not Applicable to the Comprehensive Form)	\$1,000,000

The policy may not contain an exclusion for coverage of claims arising from claims for sexual molestation or abuse. This policy shall include or be endorsed to include abuse and molestation coverage of at least \$1,000,000.00 for each occurrence.

b. Business Automobile Liability Insurance for owned, scheduled, non-owned, or hired automobiles with a combined single limit not less than \$1,000,000 per occurrence. (Required only if the Contractor drives on behalf of the District in the course of performing services.)

c. Professional Liability Insurance with a limit of \$1,000,000 per occurrence, if applicable.

d. Workers' Compensation as required by California State law.

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. Contractor agrees to comply with all federal, state and local laws, rules, regulations and ordinances that are now or may in the future become applicable to Contractor, Contractor's business, equipment and personnel engaged in the Services covered by this Agreement or accruing out of the performance of such Services.

13.1 Fingerprinting. Contractor shall comply with the requirements of California Education Code Section 45125.1, and shall provide to District all criminal background clearance(s) through fingerprints for Contractor (and all Contractor employees, if any) as required by the District. The District may require the Contractor and Contractor's employees to submit to additional criminal background checks at the District's sole and absolute discretion.

13.2 Tuberculosis Testing. Contractor and Contractor's employees, if any, providing Services to students shall provide evidence of appropriate tuberculosis screening

prior to the performance of the Services and provide annual certification thereafter. Contractor shall complete and submit to District any required documentation to verify compliance.

14. Permits/Licenses. Contractor shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of the Services pursuant to this Agreement.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non-Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

19. Notice. All notices or demands to be given under this Agreement by either party to the other, shall be in writing and given either by: (a) personal service or (b) by U.S. Mail, mailed either by registered or certified mail, return receipt requested, with postage prepaid. Service shall be considered given when received if personally served or if mailed on the third day after deposit in any U.S. Post Office. The address to which notices or demands may be given by either party may be changed by written notice given in accordance with the notice provisions of this section.

20. Severability. If any term, condition or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force and effect, and shall not be affected, impaired or invalidated in any way.

21. Attorney Fees/Costs. Should litigation be necessary to enforce any terms or provisions of this Agreement, then each party shall bear its own litigation and collection expenses, witness fees, court costs, and attorneys' fees.

FULLERTON SCHOOL DISTRICT  
RESOLUTION #15/16-09  
PROCLAIMING OCTOBER 11-17, 2015 AS  
“WEEK OF THE SCHOOL ADMINISTRATOR”

**WHEREAS**, Leadership Matters for California’s public education system and the more than 6 million students it serves; and

**WHEREAS**, School administrators are passionate, lifelong learners who believe in the value of quality public education, and

**WHEREAS**, The title “school administrator” is a broad term used to define many education leadership posts. Superintendents, assistant superintendents, principals, assistant principals, special education and adult education leaders, curriculum and assessment leaders, school business officials, classified educational leaders, and other school district employees are considered administrators; and

**WHEREAS**, providing quality service for student success is paramount for the profession; and

**WHEREAS**, Most school administrators began their careers as teachers. The average administrator has served in public education for more than a decade. Most of California’s superintendents have served in education for more than 20 years. Such experience is beneficial in their work to effectively and efficiently lead public educations and improve student achievement; and

**WHEREAS**, Public schools operate with lean management systems. Across the nation, public schools employ fewer managers and supervisors than most public and private sector industries including transportation, food service, manufacturing, utilities, construction, publishing and public administration; and

**WHEREAS**, School leaders depend on a network of support from school communities – fellow administrators, teachers, parents, students, businesses, community members, board trustees, colleges and universities, community and faith-based organizations, elected officials and district and county staff and resources – to promote ongoing student achievement and school success; and

**WHEREAS**, Research shows great schools are lead by great principals, and great districts are led by great superintendents. These site leaders are supported by extensive administrative networks throughout the State; and

**WHEREAS**, the State of California has declared the first full week of March as the “Week of the School Administrator” in Education Code 44015.1; and

**WHEREAS**, The future of California’s public education system depends upon the quality of its leadership;

**NOW THEREFORE BE IT RESOLVED**, by the Fullerton School District, that all school leaders be commended for the contributions they make to successful student achievement.

Re: Engagement Letter for Legal Services.

Dear Dr. Pletka:

**ABOUT OUR REPRESENTATION**

Best Best & Krieger LLP is pleased to represent the Fullerton School District (“FSD”). This letter constitutes our agreement (hereafter “Agreement”) setting the terms of Best Best & Krieger LLP’s representation of FSD on all legal matters that currently exist or that might arise in the future for which FSD seeks representation by Best Best & Krieger LLP.

**TERM**

Our representation shall be effective until terminated. At any time, with or without cause, either party shall have the right, in their sole discretion, to terminate this Agreement by giving thirty (30) days written notice to the other party. In the event of such termination, Best Best & Krieger LLP shall be paid for all services authorized by FSD and performed up through and including the effective date of termination.

**CONFIDENTIALITY AND ABSENCE OF CONFLICTS**

An attorney-client relationship requires mutual trust between the client and the attorney. It is understood that communications exclusively between counsel and the client are confidential and protected by the attorney-client privilege.

ATTORNEYS AT LAW

Of note, Best Best & Krieger uses a computerized conflict check system, which we will use to analyze for potential conflicts every specific legal matter the firm handles for FSD. We will review the parties' names, attorneys names, subject matter involved, etc., to determine if a potential conflict exists. If a conflict is discovered, appropriate action is taken as required under the Rules of Professional Conduct.

FEES AND BILLINGS

Best Best & Krieger LLP shall receive compensation for legal services rendered by attorneys under this agreement at the following rates:

- General Counsel, Special Education and Labor Advice work at a blended rate of \$242.00 per hour for attorneys. Law clerks and paralegals will be billed at \$133.00 per hour for this work.
- Litigation Matters will be billed at \$283.00 per hour for partners and of counsel attorneys, \$257.00 per hour for associate attorneys and \$155.00 for paralegals and law clerks.

Rates are subject to annual review in June of each year, with any new agreed-upon rate becoming effective on July 1. In the absence of any mutually agreeable rate increase, the rates set forth herein will be adjusted annually on July 1 of each fiscal year (beginning with July of 2016), for the increase in the cost of living as shown by the U.S. Department of Labor in its All Urban Consumers Index as set forth for the Los Angeles-Anaheim-Riverside area.

Reimbursement for costs advanced by Best Best & Krieger LLP on behalf of FSD, as well as other specific expenses, will be billed in addition to the amount billed for professional fees. These fees currently include automobile mileage for travel at the current Internal Revenue Service rate per mile, court filing fees and other court-related expenditures including court reporter and transcription fees incurred by counsel on behalf of FSD, document delivery charges, computer research, photocopy charges, postage charges and any costs of producing or reproducing photographs. Notwithstanding the above, Best Best & Krieger agrees to bill costs for mileage as if the attorney incurring the mileage originates from the firm's Irvine office. There is no separate charge for secretarial or other administrative charges. Counsel's fees include all routine word processing, secretarial and office costs associated with the provision of legal services pursuant to this Agreement.

Best Best & Krieger LLP shall submit monthly statements to FSD for all services provided and costs incurred pursuant to the terms of this Agreement. Said statements shall

clearly set forth by date the nature of the work performed, the time spent on a task and the attorney/paralegal/clerk performing the task.

INSURANCE

Best Best & Krieger LLP carries errors and omissions insurance with Lloyd's of London. After a standard deductible, this insurance provides coverage beyond what is required by the State of California. We agree to notify you if this policy is cancelled or non-renewed.

CIVILITY IN LITIGATION

In litigation, courtesy is customarily honored with opposing counsel, such as extensions to file pleadings or responses to other deadlines, when good cause is provided. In our experience, the reciprocal extension of such courtesies saves our clients' time and money. By signing this letter you will be confirming your approval of this practice in your case.

HOW THIS AGREEMENT MAY BE TERMINATED

You, of course, have the right to end our services at any time. If you do so, you will be responsible for the payment of fees and costs accrued but not yet paid, plus reasonable fees and costs in transferring the case to you or your new counsel. By the same token, we reserve the right to terminate our services to you upon written notice, order of the court, or in accordance with our attached memorandum. This could happen if you fail to pay our fees and costs as agreed, fail to cooperate with us in this matter, or if we determine we cannot continue to represent you for ethical or practical concerns.

CLIENT FILE

If you do not request the return of your files, we will retain your files for five years. After five years, we may have your files destroyed. If you would like your file maintained for more than five years or returned, you must make separate arrangements with us.

THANK YOU

On a personal note, we are pleased that you have selected Best Best & Krieger LLP to represent you. Please indicate the District's agreement to the terms and conditions set forth in this letter by signing, dating, and returning this letter in the enclosed envelope. A courtesy copy is also provided for your records. We look forward to a long and valued relationship with you and appreciate your confidence in selecting us to represent you in legal matters. If

**SUBJECT:** **APPROVE/RATIFY MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN FULLERTON SCHOOL DISTRICT AND ANAHEIM UNION HIGH SCHOOL DISTRICT FOR SPECIAL EDUCATION PROGRAMS AND SERVICES EFFECTIVE AUGUST 12, 2015 THROUGH JUNE 30, 2016**

Background: Anaheim Union High School District may provide for the education of individual students in special education programs who reside in other Special Education Local Plan Areas (SELPA). Anaheim Union High School District operates programs for Deaf and Hard of Hearing (DHH) students who qualify as individuals with exceptional needs requiring intensive educational services under the Individuals with Disabilities Act (IDEA).

Rationale: School districts on occasion do not have programs to serve students who require intensive educational services. Programs for the profoundly delayed or profoundly behaviorally challenged students may be recommended for placement in an alternative program.

Funding: Total cost of contract is not to exceed \$60,000 and is to be paid from the Unrestricted General Fund.

Recommendation: Approve/Ratify Memorandum of Understanding (MOU) between Fullerton School District and Anaheim Union High School District for special education programs and services effective August 12, 2015 through June 30, 2016.

MEMORANDUM of UNDERSTANDING BETWEEN  
ANAHEIM UNION HIGH SCHOOL DISTRICT  
AND  
FULLERTON SCHOOL DISTRICT

WHEREAS, Education Code sections 56195 et seq. authorize school districts to provide special education services to students in other districts by organizing Special Education Local Plan Areas (SELPAs) and by developing local plans;

WHEREAS, these statutory provisions authorize school districts to provide for a governing structure and any necessary administrative support to implement the local plans, including a system for determining the responsibility of participating agencies for the education of each special education student;

WHEREAS, Education Code section 56195.5 authorizes districts and SELPAs to enter into contracts between school districts to provide for the education of special education students who may reside in other districts;

NOW, THEREFORE, it is hereby agreed by and between the Anaheim Union High School District (hereinafter referred to as the "Provider District") and the Fullerton School District (hereinafter referred to as the "Sending District") as follows:

1. Basis of Agreement

Pursuant to the authority established in Education Code sections 56195, 56195.1, 56195.3 and 56195.5, the Provider District may provide for the education of individual pupils in special education programs who reside in other districts or counties. Education Code section 46600 shall apply to interdistrict attendance agreements for programs conducted pursuant to this part.

2. Term of Agreement

This Agreement is effective for the period beginning 8/12/15 through 6/30/16.

3. Acknowledgment

It is acknowledged that, in accordance with Part 30 of the Education Code, Chapter 7.2, the California State funding formula for special education programs, services and administration generates an entitlement based on the average daily attendance of pupils in the local education agencies that comprise a SELPA.

4. Scope

The Provider shall conduct special education program and services for those eligible pupils of the Sending District referred by their Individual Education Program (IEP) Teams when it is jointly determined by the Sending District and the Provider District that the pupils' educational needs as specified in the IEP can be appropriately met by the programs operated by the Provider District. The Provider District shall maintain and provide special education programs for Sending District pupils during the 2013 and 2014 school years within the administrative parameters established by the Provider District's SELPA. Class size ranges and student-adult ratios shall be maintained in a manner which allows the Provider District to meet the programmatic, health and safety needs of the pupils.

5. Annual and Triennial Reviews

The Sending District shall be notified of annual reviews and may provide a representative who will participate in the development of the IEP. For initial placement, triennial review, or a change in services specified on the current IEP, a Sending District representative who is authorized to approve or disapprove the allocation of specified Sending District resources necessary for the implementation of the IEP shall attend the IEP Meeting.

6. Pupil Count

A count shall be taken of the number of pupils enrolled in the programs as of the first day of each calendar month, August through June. A pupil shall be counted as "enrolled" on the first day of attendance in the program or fourteen (14) days after the IEP Team has met and an approved IEP has been executed for the educational placement in the Special Schools Program, whichever occurs sooner. Pupils continuing in the programs from the previous school year shall be counted as "enrolled" on the first school day in September unless written notification of withdrawal is received from either the parent or Sending District. If a continuing pupil has not attended school by the eleventh day of the first school month, the Provider District shall notify the Sending District and a determination shall be made regarding continuing enrollment.

7. Definitions

a. "District Provided Programs" are the special education classes and support services operated by Provider District on behalf of SELPAs and districts in Orange County for special education students residing in their SELPA and district.

b. "Special Education Program Income" shall be defined as the sum of all State and Federal funds generated by or on behalf of pupils transferred to programs operated by the Provider District under this Agreement.

c. "Special Education Program Expenditures" shall include Direct Costs, Direct Support Costs and Indirect Cost of Special Schools Programs.

d. "Average Cost Per Pupil" shall refer to the Special Education Program Expenditures attributable to the program divided by the average number of pupils enrolled during the year.

e. "Average Number of Pupils" shall refer to the total of the number of pupils counted on the first school day of each calendar month divided by the number of calendar months in the period specified.

8. Funding

In consideration of the enrollment of pupils in special education programs conducted by the Provider District, the SELPA and/or the Sending District transferring pupils to the programs operated by the Provider District agree to pay the Provider District the cost of services based on the schedule attached hereto as Exhibit A.

9. Transportation

The Sending District transporting pupils to the Provider District shall ensure that buses arrive at the school site with sufficient time to unload students prior to the beginning of the instructional day and to load them at the end of the instructional day. Delays requiring either overtime supervision or causing portions of the instructional program to be missed and subsequently made up may result in charges to the Sending District for additional costs incurred by the Provider District.

10. Final Accounting

A final accounting accompanied by completed forms and invoices with appropriate supporting documentation will be sent by the Provider District to Sending District by October 15 of the following year. Corrections to prior year Special Education Program costs resulting from adjustments to income or expenditure calculations shall be credited or billed to the Sending District affected by the correction or adjustments.

11. Projected Enrollment

In order to assist the Provider District in planning for both housing and staffing needs for the programs, Sending District shall submit to the Provider District, in writing, on or before February 15 of each year, the projected number of pupils expected to be transferred to the programs for special education and support services in the following school year. Absent a projection, the number of Sending District pupils reported in the current year December 1 Federal Pupil Count shall be used for staffing and budget planning for the following school year.

12. Program Cost

On or before fifteen days after the release of the May revise each year, the Provider District shall compute the projected Special Education Program Income and Special Education Program Expenditures for the following year with an Average Cost per Pupil for pupils enrolled in Special Schools Programs based on the Projected Enrollment data, and provide it to Sending District's Special Education Department and Business Services Department.

13. No Waiver

The failure of the Provider District in any one or more instances to insist upon strict performance of any of the terms of this Agreement or to exercise any option herein conferred shall not be construed as a waiver or relinquishment to any extent of the right to assert or rely upon such terms or option on any future occasion.

14. Hold Harmless

To the extent permitted by law, and except for the acts or omissions or employees, agents and officers of the Sending District, the Provider District hereby agrees to hold harmless, indemnify and defend the Sending District and its officers, agents and employees from all claims, demands, liabilities, losses, damages, or expenses of any nature whatsoever arising from or connected with the Provider District's performance of services during the term of this Agreement.

To the extent permitted by law, and except for the acts or omissions of employees, agents and officers of Provider District, the Sending District hereby agrees to hold harmless, indemnify and defend Provider District and its governing board and their officers, agents and employees from all claims, demands, liabilities, losses, damages, or expenses of any nature whatsoever arising directly or indirectly from or connected with the performance of services other than for operations of Provider District during the term of this Agreement.

15. Complete Agreement

This Agreement is the complete Agreement of the parties. Any amendments hereto shall be in writing and shall be dated and executed by both parties.

Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. The District may require the Contractor and Contractor's employees to submit to additional criminal background checks at the District's sole and absolute discretion.

13.2 Tuberculosis Testing. Contractor and Contractor's employees, if any, providing Services to students shall provide evidence of appropriate tuberculosis screening prior to the performance of the Services and provide annual certification thereafter. Contractor shall complete and submit to District any required documentation to verify compliance.

14. Permits/Licenses. Contractor shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of the Services pursuant to this Agreement.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which the Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

19. Notice. All notices or demands to be given under this Agreement by either party to the other, shall be in writing and given either by: (a) personal service or (b) by U.S. Mail, mailed either by registered or certified mail, return receipt requested, with postage prepaid. **SUBJECT:** **DECLARE LISTED ITEMS AS SURPLUS, NOT SUITABLE FOR SCHOOL PURPOSES, AND AUTHORIZE DISTRICT STAFF TO DISPOSE OF ITEMS AT A PUBLIC AUCTION OR BY OTHER MEANS AS ALLOWED IN EDUCATION CODE SECTIONS 17545-17555**

Background: Over a period of time, the various sites accumulate instructional materials, supplies, and equipment which have become obsolete, unserviceable, unrepairable, or otherwise not suitable for school use. Some of these items may be salvaged or sold, thus providing the District with some recovery of residual value.

The Business Services Department is requesting that obsolete items which have been collected from District sites be declared as surplus property and “not suitable for school purposes.” These surplus items were collected from all sites at the direction of site managers. All items have been made available to District employees to claim for school use prior to holding a public auction. The remaining items are designated as “not suitable for school purposes” and offered for sale. For those items that do not sell, the Assistant Superintendent of Business Services requests Board authorization to declare the property is of insufficient value to defray the costs of arranging for another sale and to dispose of said property by other means as allowed by Education Code sections 17545-17555.

Rationale: The surplus holding areas are at capacity and need to be cleared.

Funding: Not applicable.

Recommendation: Declare listed items as surplus, not suitable for school purposes, and authorize District staff to dispose of items at a public auction or by other means as allowed in Education Code sections 17545-17555.

**SUBJECT:** **APPROVE/RATIFY CONTRACT WITH DEMSEY FILLIGER & ASSOCIATES TO CONDUCT A RETIREE BENEFITS STUDY IN ACCORDANCE WITH GASB 45**

Background: The District provides medical, dental, and vision benefits to certain retirees and their dependents who meet eligibility requirements as defined in the District's employee association contracts and Board policy. Governmental Accounting Standards Board (GASB) Statement No. 45 requires that the District calculate and record the estimated long-term liability related to these future benefits. The Statement requires that the District have an actuarial study performed at least once every two years to determine the liability. The District's last study was conducted as of July 1, 2013.

Rationale: GASB 45 requires that the District conduct an actuarial study at least once every two years to determine its liability for future retiree benefits. District knowledge of the current projected unfunded liability will provide information to plan for future funding needs and manage future obligations and plan benefits.

Funding: Cost is not to exceed \$4,500 from the General Fund.

Recommendation: Approve/Ratify contract with Demsey Filliger & Associates to conduct a retiree benefits study in accordance with GASB 45.

Assistant Superintendent of Business Services  
Fullerton School District

Fullerton, CA 92833

Re: GASB 45 Valuation for Fullerton School District (“District”)

Dear Ms. Hume:

Thank you very much for your request that we submit a proposal to provide actuarial services to the District. This letter is in response to your request.

**Background**

The District provides postretirement health coverage on behalf of its eligible retirees. The District had 988 active employees and 123 retirees included in the 2013 valuation.

Upon retirement from the District after satisfaction of the age and service requirements for retirement, the District pays medical and dental insurance premiums for Classified, Certificated and management retirees until age 65, subject to limits that vary based on bargaining unit and years of service at retirement. These provisions are according to the most recent actuarial valuation of the District's retiree health plan in 2013.

In 2004, the Government Accounting Standards Board (GASB) issued its final accrual accounting statement regarding postemployment benefits other than pensions (GASB 45). The District's most recent GASB 45 actuarial valuation was as of July 1, 2013, and the District now wishes to obtain a biennial update of the valuation as of July 1, 2015, as required by GASB 45.

Furthermore, if the District decides to establish, or participate in, a trust to pre-fund future benefits for its retirees, the trust will be subject to GASB 43, pertaining to disclosures of trust funds for retiree health and other postemployment benefits (OPEB).

The proposed actuarial report would satisfy both requirements.

## **Scope of Report**

We would provide the District with a report as of July 1, 2015, setting forth all District liabilities of the postretirement health benefit program, and containing the following information:

- Disclosure of the postretirement benefit obligations and Annual Required Contributions (ARC) in accordance with the GASB Other Postemployment Benefits (OPEB) accounting standard (GASB 45), for the fiscal years ending June 30, 2016 and 2017;
- Disclosures for the trust funds as may be required by GASB 43;
- Projected annual pay-as-you-go District expenditures for the next 50 years;
- Recommended level annual funding amounts, to pre-fund the obligations as a flat dollar amount, a constant percent increase each year, or a level percent of unfunded liability;
- Reconciliation of Accrued Liability with prior actuarial report;
- Roll-forward of Net OPEB Obligation to June 30, 2015;
- Breakdown of liability and expense items by employee/retiree group; and
- Summary of plan provisions, actuarial assumptions, and certification.

In addition to the report, we provide ongoing assistance in the preparation or review of GASB 45 (OPEB) footnote disclosures at the time the District prepares its financial statements.

## **Fees and Project Team**

Our fees would be \$4,500, and are all-inclusive based on the scope of the project outlined above. No other expenses would be charged to the project. The \$4,500 assumes that an on-site presentation of the report will not be required; an on-site presentation is not anticipated.

We would be able to deliver our report within 4 to 6 weeks of receiving valid data.

A project team headed by T. Louis Filliger, FSA, will be responsible for performing the requested services. Exhibit I, attached, contains brief professional biographies of Mr. Filliger and actuarial assistant Katie Barger.

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

**SUBJECT:** APPROVE REQUEST TO GO OUT TO BID FOR PLAYGROUND REPLACEMENT EQUIPMENT AND POUR-IN-PLACE PLAY YARD SURFACE AT LAGUNA ROAD SCHOOL

Background: All District playground equipment is regularly inspected for safety and maintenance requirements. During a recent inspection, it was determined that the playground equipment at Laguna Road School (kindergarten and upper grade areas) needs to be replaced.

Additionally, the District is replacing wood chips in play yards with pour-in-place rubberized matting. Replacing the play yard surface at the same time as the equipment is the most expedient and cost-effective timing for the District.

The cost of the project will exceed State bid limits. Therefore, the District needs to go out to bid for the contract.

Rationale: Pursuant to Public Contract Code Section 20111(b), the current bid threshold for public agency construction contracts is \$15,000. The total estimated cost of the project, including soft costs and contingency, is \$200,000. The estimated cost of the project is in excess of the current bid limit.

Funding: The project will be financed from the Capital Facilities Fund.

Recommendation: Approve request to go out to bid for playground replacement equipment and pour-in-place play yard surface at Laguna Road School.

**SUBJECT:** APPROVE CONTRACT BETWEEN FULLERTON SCHOOL DISTRICT AND JANINE EZAKI, M. ED., FOR STRATEGIC IMPLEMENTATION OF MARZANO RESEARCH TO SUPPORT STUDENT ACHIEVEMENT AT NICOLAS JUNIOR HIGH SCHOOL EFFECTIVE NOVEMBER 2015 THROUGH MAY 2016

Background: Fullerton School District is committed to the implementation of Marzano researched-based practices. Nicolas Junior High School recognizes the need to close the gap between approximate levels of Marzano implementation and the intended outcomes articulated by Marzano research for the purpose of addressing the achievement gap. Recent California Assessment of Student Performance and Progress (CAASSP) reporting for Nicolas Junior High School asserts that 73% of 7<sup>th</sup> grade students and 68% of 8<sup>th</sup> grade students are not reaching literacy achievement levels, 83% of 7<sup>th</sup> grade and 86% of 8<sup>th</sup> grade not meeting standards in mathematics. One component of the achievement gap is to address the intentional design of lessons and the intended outcomes, which is one particular of Marzano professional development.

Rationale: Research suggests that Marzano strategies have a positive effect on student achievement. The purpose of this support is to address the gap between intended Professional Development outcomes and classroom implementation by focusing on teacher leadership, capacity building, intentional instructional design, and measurable student outcomes. In addition there is a need to create teacher capacity in the area of developing walkthrough protocols for analysis of Marzano implementation, application of research-based best practices, and professional reflection.

Recommendation: Approve Contract between Fullerton School District and Janine Ezaki, M. Ed., for strategic implementation of Marzano Research to support student achievement at Nicolas Junior High School effective November 2015 through May 2016.

CONSENT ITEM

**DATE:** October 20, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Emy Flores, Ed.D., Assistant Superintendent, Educational Services

**PREPARED BY:** Rudy Torres, Principal, Nicolas Junior High School

**SUBJECT:** APPROVE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND ACHIEVE 3000 FOR SITE LICENSES (7<sup>TH</sup> GRADE) FOR NICOLAS JUNIOR HIGH SCHOOL EFFECTIVE OCTOBER 21, 2015 THROUGH JUNE 30, 2018

Background: Achieve 3000 is a web-based online differentiated instructional tool that is designed to improve students reading and writing proficiency. Achieve uses unique software to establish up to 19 individual lexile levels. By establishing individual levels students can engage in grade level content while gradually increasing the complexity of the text to support student progress in literacy.

Rationale: Common Core State Standards (CCSS) raised the bar in education, specifically grade level lexile (junior high old levels 860L-1010L to new 955L-1155L) expectations culminating in grade 12 to support a transition to post secondary education. Recent California Assessment of Student Performance and Progress (CAASSP) reporting for Nicolas Junior High School asserts that 73% of 7<sup>th</sup> grade students and 68% of 8<sup>th</sup> grade students are not reaching literacy achievement levels. These data points illustrate the immediacy to implement a multi tier approach to literacy of which Achieve is a Tier I intervention. In addition Technology and Media Services support will assist in blending this technology with Fullerton School District environmental expectations to produce outcomes consistent with District expectations and vision.

Funding: This Agreement is subject to termination based on site determination such that the Agreement can be re-negotiated to 2016 to include all students in grades 7-8. Total cost for three years is not to exceed \$48,127.50 paid in three-year installments of \$16,042.50 with first payment due for 2015 immediately.

Recommendation: Approve Agreement between Fullerton School District and Achieve 3000 for site licenses (7<sup>th</sup> grade) for Nicolas Junior High School effective October 21, 2015 through June 30, 2018.

WHEREAS, these statutory provisions authorize school districts to provide for a governing structure and any necessary administrative support to implement the local plans, including a system for determining the responsibility of participating agencies for the education of each special education student;

WHEREAS, Education Code section 56195.5 authorizes districts and SELPAs to enter into contracts between school districts to provide for the education of special education students who may reside in other districts;

NOW, THEREFORE, it is hereby agreed by and between the Anaheim City School District (hereinafter referred to as the "Provider District") and the Fullerton Elementary school district (hereinafter referred to as the "Sending District") as follows:

1. Basis of Agreement

Pursuant to the authority established in Education Code sections 56195, 56195.1, 56195.3 and 56195.5, the Provider District may provide for the education of individual pupils in special education programs who reside in other districts or counties. Education Code section 46600 shall apply to inter-district attendance agreements for programs conducted pursuant to this part.

2. Term of Agreement

This Agreement is effective for the period beginning July 1, 2015, through June 30, 2016.

3. Acknowledgment

It is acknowledged that, in accordance with Part 30 of the Education Code, Chapter 7.2, the California State funding formula for special education programs, services and administration generates an entitlement based on the average daily attendance of pupils in the local education agencies that comprise a SELPA.

4. Scope

The Provider shall conduct special education program and services for those eligible pupils of the Sending District referred by their Individual Education Program (IEP) Teams when it is jointly determined by the Sending District and the Provider District that the pupils' educational needs as specified in the IEP can be appropriately met by the programs operated by the Provider District. The Provider District shall maintain and provide special education programs for Sending District pupils during the 2014-15 school year within the administrative parameters established by the Provider District's SELPA. Class size ranges and student-adult ratios shall be maintained in a manner which allows the Provider District to meet the programmatic, health and safety needs of the pupils.

5. Annual and Triennial Reviews

The Sending District shall be notified of annual reviews and may provide a representative who will participate in the development of the IEP. For initial placement, triennial review, or a change in services specified on the current IEP, a Sending District representative who is authorized to approve or disapprove the allocation of specified Sending District resources necessary for the implementation of the IEP shall attend the IEP Meeting.

6. Pupil Count

A count shall be taken of the number of pupils enrolled in the programs as of the first day of each calendar month, July, 2015 through June, 2016. A pupil shall be counted as "enrolled" on the first day of attendance in the program or fourteen (14) days after the IEP Team has met and an approved IEP has been executed for the educational placement in the Special Schools Program, whichever occurs sooner. Pupils continuing in the programs from the previous school year shall be counted as "enrolled" on the first school day in September unless written notification of withdrawal is received from either the parent or Sending District. If a continuing pupil has not attended school by the eleventh day of the first school month, the Provider District shall notify the Sending District and a determination shall be made regarding continuing enrollment.

7. Definitions

a. "District Provided Programs" are the special education classes and support services operated by Provider District on behalf of SELPAs and districts in Orange County for special education students residing in their SELPA and district.

b. "Special Education Program Income" shall be defined as the sum of all State and Federal funds generated by or on behalf of pupils transferred to programs operated by the Provider District under this Agreement.

e. "Average Number of Pupils" shall refer to the total of the number of pupils counted on the first school day of each calendar month divided by the number of calendar months in the period specified.

8. Funding

In consideration of the enrollment of pupils in special education programs conducted by the Provider District, the SELPA and/or the Sending District transferring pupils to the programs operated by the Provider District agree to pay the Provider District the cost of services based on the schedule attached hereto as Exhibit A.

9. Transportation

The Sending District transporting pupils to the Provider District shall ensure that buses arrive at the school site with sufficient time to unload students prior to the beginning of the instructional day and to load them at the end of the instructional day. Delays requiring either overtime supervision or causing portions of the instructional program to be missed and subsequently made up may result in charges to the Sending District for additional costs incurred by the Provider District.

10. Final Accounting

A final accounting accompanied by completed forms and invoices with appropriate supporting documentation will be sent by the Provider District to Sending District by October 15 of the following year. Corrections to prior year Special Education Program costs resulting from adjustments to income or expenditure calculations shall be credited or billed to the Sending District affected by the correction or adjustments. In the event the Provider District fails to send a final accounting to the Sending District by October 31 of the following year, the Sending District shall not be liable for our Special Education program costs associated with the student involved.

11. Projected Enrollment

In order to assist the Provider District in planning for both housing and staffing needs for the programs, Sending District shall submit to the Provider District, in writing, on or before February 15 of each year, the projected number of pupils expected to be transferred to the programs for special education and support services in the following school year. **SUBJECT:** **APPROVE THE USE OF CMAS CONTRACT NUMBER 3-11-70-2492E, (RESILIENT COMMUNICATIONS, INC.) FOR THE PURCHASE OF CORE NETWORK SWITCHES**

Background: The District is purchasing network hardware. A copy of the CMAS Contract is available for review in the Superintendent's Office.

Funding: Cost not to exceed \$138,240 and will be paid from the Unrestricted General Fund.

DISCUSSION/ACTION ITEM

**DATE:** October 20, 2015  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Craig C. Bertsch, Ed.D., Assistant Superintendent, Personnel Services  
**SUBJECT:** APPROVE COMPENSATION ADJUSTMENTS FOR FULLERTON SCHOOL DISTRICT'S MANAGEMENT GROUP FOR 2015/2016

Background: The Superintendent recommends the following cost of living increase for all management employees (certificated, classified and confidential):

- A 4% on schedule salary adjustment retroactive to July 1, 2015, for employees who are in paid status at time of ratification.

**FROM:** Craig C. Bertsch, Ed.D., Assistant Superintendent, Personnel Services  
**SUBJECT:** APPROVE REVISION TO THE 2015/2016 EMPLOYMENT CONTRACT FOR THE SUPERINTENDENT
