#### Public Hearing

Trustee Thompson conducted a public hearing at 6:45 p.m. to allow for public comment to receive direct input from the public regarding proposed trustee-area maps.

Larry Ferchaw from the Dolinka Group shared information regarding the process and timelines for change in district method of election of Board of Trustees. He reported the upcoming two board meetings (November 17 and December 8, 2015) will hold public hearings to give an opportunity for the public to address the Board. The District will apply for a waiver to bypass putting the process to a public vote. At the December 8, 2015 Board Meeting, the Board will select the maps as well as decide which two areas will be up for election in November 2016. Three community input meetings will be held as follows: October 27 (Ladera Vista JHS, 6:00 p.m.), October 28 (Parks JHS, 6:00 p.m.), and October 29 (Nicolas JHS, 6:00 p.m.). An executive summary will be distributed to the Board after the community input meetings. Trustee areas are revisited every ten years with new census data.

Public comments during the public hearing:

Susan Wright, community member, commented that she and many other people do not know what are the responsibilities of a board member. Trustee Sugarman briefly shared some of the many responsibilities of a board member such as hiring the Superintendent and making decisions that are in the best interest of all students and the community. The Board's sentiment is that they represent all students fairly.

Jeanette Vasquez, teacher and community member, shared her concern that the community input meetings are very important and it is critical that community members know ahead of time of these meetings. Mrs. Vasquez recently found out the dates for the community input meetings.

Egleth Nuncci, parent and community member, commented her desire for people to give to others because it is the right thing to do. She encouraged principals to disseminate information to the community regarding the timeline for changes in at-large trustee areas and about the community input meetings.

Daniel Bravo, community member, commented it is important for translators to be available for parents that English is a second language.

Dr. Pletka commented that the law requires the District to abide by a timelines and the District has informed the community of such timeline and public input meetings through the Fullerton School District website and social media.

The public hearing was closed at 7:55 p.m. The Board recessed at 7:56 p.m. and resumed Open Session at 8:00 p.m.

CONSENT ITEM

**DATE:** November 17, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

**DATE:** November 17, 2015  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Craig C. Bertsch, Ed.D., Assistant Superintendent, Personnel Services  
**SUBJECT:** APPROVE SERVICE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND EFILEFOLDERS EFFECTIVE NOVEMBER 18, 2015

Background: Document management is a large service aspect of Personnel Services and the Benefits Office. Studies show that going paperless can save money, boost productivity, save space, make documentation and information sharing easier, keep personal information more secure, and help the environment.

Fullerton School District wishes to partner with eFileFolders to implement a paperless environment. eFileFolders will initiate the transition to a paperless environment by scanning all existing files designated by Personnel Services. Once files are converted, a representative will train Personnel staff on system utilization. A monthly service fee will be charged to store electronic files on a secure server and may be canceled at any time.

Rationale: Reducing paper files is more cost effective and more in alignment with 21<sup>st</sup> Century technological methods. The department will have immediate hands-on access to personnel and benefits files whereby improving its efficiency and customer service.

Funding: Cost not to exceed one-time set up fee of \$19,127, and ongoing monthly service fee of \$399 from Personnel Services budget #521.

Recommendation: Approve service agreement between Fullerton School District and eFilefolders effective November 18, 2015.

**DATE:** November 17, 2015  
**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**PREPARED BY:** Robert Macauley, Director, Maintenance/Operations & Facilities  
**SUBJECT:** AWARD CONTRACT FSD-14-15-AH-01 TO PRINCIPLES CONTRACTING, INC., FOR ROBERT C. FISLER TRACK/FIELD RENOVATION

Background: Due to the poor soil conditions at Fisler School main play field, turf renovation is needed to correct those conditions. A running track around the play field will also be added.

Pursuant to Public Contract Code section 20111(b), the current bid threshold for public agency construction contracts is \$15,000. The estimated cost of the project, including soft costs and contingency, is in excess of the current bid limit. Therefore, the District went out to bid for the contract.

Rationale: In accordance with the California Contract Code, advertisement for this project was published in a newspaper of general circulation, and bids were opened on October 27, 2015. The successful low bidder was Principles Contracting, Inc., with a bid of \$158,292.

Funding: The contract amount is \$158,292, to be paid from District 48 (Amerige Heights). The Fisler School PTA had previously donated \$27,585 towards the total cost; thus the net cost to District 48 (Amerige Heights) is \$130,707.

Recommendation: Award Contract FSD-14-15-AH-01 to Principles Contracting, Inc., for Robert C. Fisler Track/Field Renovation.

The Contract Documents are complementary, and what is called for by any one shall be as binding as if called for by all.

**2. Statement of Work**

CONTRACTOR shall perform that work designated in CONTRACTOR's Bid Form which constitutes at least 15% of the total Work, exclusive of supervisory and clerical work, without the services of any Subcontractor. CONTRACTOR shall perform within the time set forth in Paragraph 4 of this Agreement everything required to be performed, and shall provide and furnish all the labor, materials, necessary tools, expendable equipment, and all utility and transportation services as described in the complete Contract and required for the Work described as follows:

**Project: Robert C. Fisler K-8 School Track/Field Renovation**  
**Bid No: FSD-14-15-AH-01**

in accordance with Drawings and Specifications prepared by Architecture 9 PLLLP, dated November 18, 2014. All of said Work to be performed and materials to be furnished shall be completed in a good workmanlike manner in strict accordance with the Plans, Drawings, Specifications and provisions of the complete Contract. CONTRACTOR shall be liable to DISTRICT for any damages arising as a result of a failure to fully comply with this obligation, and CONTRACTOR shall not be excused with respect to any failure to so comply by any act or omission of ARCHITECT, Engineer,

Inspector, Division of the State Architect, or representative of any of them, unless such act or omission actually prevents CONTRACTOR from fully complying with the requirements of the documents, and unless CONTRACTOR protests at the time of such alleged prevention that the act or omission is preventing CONTRACTOR from fully complying with the Contract Documents. Such protest shall not be effective unless reduced to writing and filed with DISTRICT OFFICE within three (3) working days of the date of occurrence of the act or omission preventing CONTRACTOR from fully complying with the Contract Documents.

The Work required to be performed by this Agreement shall be subject to the payment of prevailing wages, as described in the Labor Code, by CONTRACTOR and each Subcontractor on the Project. The Work shall further be subject to the fulfillment of the requirements related to the payment of prevailing wages, including, but not limited to, the obligation to furnish certified payroll records to the Labor Commissioner as required by the Labor Commissioner. Payments to CONTRACTOR shall not be made when payroll records are delinquent or inadequate. The prevailing rate of per diem wages and a description of employer payments are on file at DISTRICT's Facilities office and are available to any interested party upon request. CONTRACTOR shall post a copy of such wage rates at the job site. CONTRACTOR shall also post at the job site a notice containing the following language:

This public works project is subject to monitoring and investigative activities by the Compliance Monitoring Unit (CMU) of the Division of Labor Standards Enforcement, Department of Industrial Relations, State of California. This Notice is intended to provide information to all workers employed in the execution of the contract for public work and to all contractors and other persons having access to the job site to enable the CMU to ensure compliance with and enforcement of prevailing wage laws on public works projects.

The prevailing wage laws require that all workers be paid at least the minimum hourly wage as determined by the Director of Industrial Relations for the specific classification (or type of work) performed by workers on the project. These rates are listed on a separate job site posting of minimum prevailing rates required to be maintained by the public entity which awarded the public works contract. Complaints concerning nonpayment of the required minimum wage rates to workers on this project may be filed with the CMU at any office of the Division of Labor Standards Enforcement (DLSE).

Complaints should be filed in writing immediately upon discovery of any violations of the prevailing wage laws due to the short period of time following the completion of the project that the CMU may take legal action against those responsible.

Complaints should contain details about the violations alleged (for example, wrong rate paid, not all hours paid, overtime rate not paid for hours worked in excess of 8 per day or 40 per week, etc) as well as the name of the employer, the public entity which awarded the public works contract, and the location and name of the project.

For general information concerning the prevailing wage laws and how to file a complaint concerning any violation of these prevailing wage laws, you may contact any DLSE office. Complaint forms are also available at the Department of Industrial Relations website found at [www.dir.ca.gov/dlse/PublicWorks.html](http://www.dir.ca.gov/dlse/PublicWorks.html).

### **3. Compensation**

DISTRICT shall pay to CONTRACTOR, as full consideration for the faithful performance of the Contract, subject to any additions or deductions as provided in the Contract Documents, the sum of **One Hundred Fifty-Eight Thousand, Two Hundred Ninety-Two and 00/100** Dollars (**\$158,292.00**) said sum being the total amount stipulated in the proposal.

Payment shall be made as set forth in the General Conditions.

Should any Change Order result in an increase in the Contract Price, the cost of such Change Order shall be agreed to in advance by CONTRACTOR and DISTRICT, subject to the monetary limitations set forth in Public Contract Code section 20118.4. In the event that CONTRACTOR proceeds with a change in Work without an agreement between DISTRICT and CONTRACTOR regarding

the cost of a Change Order, CONTRACTOR waives any claim of additional compensation for such additional Work.

**4. Commencement of Work and Time for Completion**

CONTRACTOR shall not start the Work until it has received DISTRICT's Notice to Proceed for the Project. CONTRACTOR shall commence the Work within three (3) Days from the date of said Notice. Commencement of Work shall include reasonable and evident efforts on the Project site.

**Time for completion of the Project shall be within Sixty (60) consecutive calendar days.** The Starting Date shall be the date of DISTRICT's Notice to Proceed. Said Notice shall not be issued prior to five (5) Days after award of the Contract, and shall not require that Work be commenced less than forty-eight (48) hours from the date of said Notice. **DISTRICT and CONTRACTOR stipulate and agree that the amount of time for completion as specified in this paragraph is reasonable.**

**5. Claims**

As required by Article 60 of the General Conditions, if CONTRACTOR should claim that any instruction, request, drawing, specification, action, condition, omission, default, or other situation out of CONTRACTOR's control, obligates DISTRICT to pay additional compensation to CONTRACTOR or to grant an extension of time for the completion of the Contract, CONTRACTOR shall notify DISTRICT and ARCHITECT, in writing, of such claim in accordance with the procedure specified in Article 57 of the General Conditions. CONTRACTOR's failure to notify DISTRICT and ARCHITECT within the specified period shall be deemed a waiver and relinquishment of such a claim against DISTRICT. If such notice is given within the specified time, the procedure for its consideration shall be as stated in Article 60 of the General Conditions. CONTRACTOR hereby acknowledges that it understands this provision and that it will abide by it.

**6. Liquidated Damages**

Time is of the essence. IT IS AGREED BY CONTRACTOR AND DISTRICT THAT, IF THE PROJECT FAILS TO REACH SUBSTANTIAL COMPLETION WITHIN THE CONTRACT TIME PLUS ANY AUTHORIZED EXTENSION OF TIME HEREUNDER, THEN (a) AS COMPENSATION TO DISTRICT FOR THE LOSS OF THE BENEFICIAL USE OF THE PROJECT DURING THE PERIOD OF THE DELAY, THERE SHALL BE ASSESSED AGAINST CONTRACTOR AS LIQUIDATED DAMAGES, BUT NOT AS A PENALTY, THE SUM OF FIVE HUNDRED **(\$500.00)** FOR EACH DAY THEREAFTER UNTIL THE DATE THAT PHYSICAL COMPLETION OF THE WORK AND THE PROJECT HAS REACHED COMPLETION, AND (b) AS COMPENSATION FOR THE ACTUAL ADDITIONAL OUT-OF-POCKET COSTS AND EXPENSES INCURRED BY DISTRICT AS A RESULT OF THE DELAY IN COMPLETION, THERE SHALL ALSO BE ASSESSED AGAINST CONTRACTOR

THE ACTUAL AND VERIFIABLE OUT-OF-POCKET COSTS AND EXPENSES INCURRED BY DISTRICT AS A RESULT OF THE DELAY (SUCH AS, FOR EXAMPLE, ADDITIONAL COMPENSATION PAID TO DISTRICT'S ARCHITECT AND OTHER CONSULTANT(S) AND AGENTS AND THE LEGAL FEES AND EXPENSES INCURRED BY DISTRICT IN CONNECTION WITH THE DELAY). IT IS HEREBY AGREED BY CONTRACTOR AND DISTRICT THAT IT WOULD BE IMPRACTICABLE AND EXTREMELY DIFFICULT TO FIX THE ACTUAL DAMAGE TO DISTRICT SHOULD THE ENTIRE WORK AND PROJECT NOT BE COMPLETED WITHIN THE TIME PERIOD SPECIFIED ABOVE PLUS ANY AUTHORIZED EXTENSIONS OF TIME HEREUNDER AND DISTRICT BE DEPRIVED OF THE BENEFICIAL OCCUPANCY OF THE PROJECT AS A RESULT THEREOF. THE LIQUIDATED DAMAGES PROVIDED FOR IN (a) ABOVE OF THIS PARAGRAPH REPRESENT THE PARTIES' REASONABLE ESTIMATE OF THE ACTUAL DAMAGES THAT DISTRICT WILL INCUR IF ITS BENEFICIAL USE OF THE PROJECT IS DELAYED BEYOND THE EXPIRATION OF THE CONTRACT TIME AND SUCH LIQUIDATED DAMAGES DO NOT CONSTITUTE A PENALTY NOR ARE THEY INTENDED TO COMPENSATE DISTRICT FOR (OR COVER) THE ACTUAL OUT-OF-POCKET DAMAGES INCURRED BY DISTRICT IN CONNECTION WITH ANY SUCH DELAY (WHICH ACTUAL OUT-OF-POCKET DAMAGES SHALL BE SEPARATELY RECOVERABLE BY DISTRICT PURSUANT TO PARAGRAPH 6(b)). THE PAYMENT OF THE AMOUNTS DESCRIBED IN PARAGRAPH 6(a) AS LIQUIDATED DAMAGES IS NOT INTENDED AS A FORFEITURE OR PENALTY WITHIN THE MEANING OF CALIFORNIA CIVIL CODE SECTION 3275 OR 3369, BUT IS INTENDED TO CONSTITUTE LIQUIDATED DAMAGES TO DISTRICT PURSUANT TO CALIFORNIA CIVIL CODE SECTIONS 1671, 1676 AND 1677. THE PARTIES EXPRESSLY AGREE THAT DISTRICT SHALL BE PERMITTED TO RECOVER ITS ACTUAL OUT-OF-POCKET DAMAGES INCURRED AS A RESULT OF ANY DELAY IN COMPLETION (IN ADDITION TO THE LIQUIDATED DAMAGES THAT MAY BE RECOVERED FOR THE LOSS OF THE BENEFICIAL USE OF THE PROJECT DURING THE PERIOD OF THE DELAY), AND THAT SUCH ACTUAL OUT-OF-POCKET DELAY DAMAGES ARE NOT LIQUIDATED HEREUNDER, BECAUSE UNLIKE THE DAMAGES RESULTING FROM THE LOSS OF THE BENEFICIAL USE OF THE PROJECT, SUCH ACTUAL OUT-OF-POCKET DAMAGES ARE NOT IMPRACTICABLE OR DIFFICULT TO FIX.

CONTRACTOR'S INITIALS: \_\_\_\_\_ DISTRICT'S INITIALS: \_\_\_\_\_

DISTRICT may deduct liquidated and/or actual out-of-pocket delay damages described in Paragraph 6 from any unpaid amounts then or thereafter due CONTRACTOR under this Agreement in accordance with Article 64 of the General Conditions. Any liquidated and/or actual out-of-pocket delay damages not so deducted from any unpaid amounts due CONTRACTOR shall be payable to DISTRICT at the demand of DISTRICT, together with interest thereon from the date of demand until paid at a rate equal to ten percent (10%) per annum.

**7. Indemnification**

CONTRACTOR agrees to and does hereby indemnify and hold harmless DISTRICT, ARCHITECT, INSPECTOR OF RECORD, and their respective officers, agents, and employees from every claim or demand made, and every liability, loss, damage, or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising under either (1) or (2) above, sustained by CONTRACTOR or any person, firm or corporation employed by CONTRACTOR upon or in connection with the Work called for in this Agreement, except for liability resulting from the sole negligence or willful misconduct of DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, employees, agents or independent contractors who are directly employed by DISTRICT, and except for liability resulting from the active negligence of DISTRICT, ARCHITECT, or INSPECTOR OF RECORD.

(b) Any injury to or death of persons or damage to property caused by any act, neglect, default or omission of CONTRACTOR, or any person, firm, or corporation employed by CONTRACTOR, either directly or by independent contract, including all damages due to loss or theft, sustained by any person, firm or corporation, including DISTRICT, ARCHITECT, or INSPECTOR OF RECORD arising out of, or in any way connected with the Work covered by this Agreement, whether said injury or damage occurs either on or off school district property, if the liability arose from the negligence or willful misconduct of anyone employed by CONTRACTOR, either directly or by independent contract, and not by the active negligence of DISTRICT, ARCHITECT, or INSPECTOR OF RECORD.

(c) In the event CONTRACTOR is required to access DISTRICT's computer system or network in the performance of the Contract, CONTRACTOR shall provide 48-hours advance notification to DISTRICT. In the event such access infects DISTRICT's computer network, system, or device with a virus, Trojan Horse, worm, or any other computer programming routine that is intended to damage, detrimentally interfere with, surreptitiously intercept or expropriate any system data or personal information, CONTRACTOR agrees to indemnify DISTRICT and pay for any and all losses, damages and expenses incurred by DISTRICT to remedy any such infection.

(d) Liability for fines, penalties, or other monetary damages incurred by DISTRICT for CONTRACTOR's, or its Subcontractor's, failure to comply with applicable Storm Water Requirements as generally described in the Storm Water Pollution Prevention Certification executed by CONTRACTOR.

CONTRACTOR, at CONTRACTOR's own expense, cost, and risk, shall defend any and all actions, suits, or other proceedings that may be brought or instituted against DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, agents or employees, or any such claim, demand or liability, and shall pay or satisfy any judgment that may be rendered against DISTRICT, ARCHITECT, INSPECTOR OF RECORD, or their respective officers, agents or employees in any action, suit or other proceedings as a result thereof.

In accordance with Section 9201 of the Public Contract Code, DISTRICT shall timely notify CONTRACTOR of any third-party claim it receives relating to the Contract. CONTRACTOR shall promptly reimburse DISTRICT for the reasonable costs incurred in providing CONTRACTOR such notification.

**SUBJECT:** APPROVE EARLY RETIREMENT NOTICE MOU BETWEEN FULLERTON SCHOOL DISTRICT AND FULLERTON ELEMENTARY TEACHERS ASSOCIATION FOR THE 2015/2016 SCHOOL YEAR

Background: The Fullerton School District begins staffing assessment in early spring for the following school year. The results of these assessments determine the need for recruitments. Rationale: Early retirement notifications will allow Personnel Services more time to effectively plan staffing for the following school year.

Funding: Cost of \$2,500 per notice will come from the General Fund budget.

Recommendation: Approve Early Retirement Notice MOU between Fullerton School District and Fullerton Elementary Teachers Association for the 2015/2016 school year.

Background: Fullerton School District operates the State Preschool Program, which is funded by the State Department of Education Child Care and Development Division and serves three- to five-year-olds in classes at Commonwealth, Maple, Orangethorpe, Pacific Drive, Richman, Valencia Park, and Woodcrest Schools. ### **Parent EMPOWERMENT through Technology (PE+T)**

**for**

#### **Fullerton School District**

The Parent EMPOWERMENT through Technology (PE+T) program streamlines key elements to parent involvement, with cultural relevance at its center. When parents lack appropriate tools to fully engage in the health and education of their family, they tend to step out of their role. A balanced use of online information and tools can lead to parent empowerment and engagement on all levels. Parents gain critical research skills with PE+T training. PE+T gives parents the power of information—giving them the opportunity to make well-educated choices that benefit their entire family.

**Community Union, Inc.**(Established 1993)

**Mission:** Setup, sustain and expand education and economic opportunities in low-income communities via community-based computer and Internet training.

Community Union, Inc. is a corporation based in Los Angeles, California. Community Union (CU) provides training from community technology centers located in low-income neighborhoods throughout California.

In 1993, while Mr. Larry A. Ortega was attending law school at Western State University School of Law, Fullerton, CA, he founded CU. CU first launched their courses working with children, but quickly realized that training parents in technology was key to impacting the digital divide, student achievement and graduation rates. A year after its inception, CU launched courses to serve parents in English, Korean, and Spanish.

Community Union, in cooperation with the One Million NIU (New Internet Users) Coalition, have successfully negotiated the opening of community-based technology training centers in over 30 cities, helping more than 25,000 parents, youth and senior citizens improve their quality of life through access and training to Internet resources. College students and NIU graduating parents enter and complete the Train the Trainer Program and become NIU Trainers for new sessions. Trainers have found the NIU experience to be a great career launching-pad as they move into professional endeavors.

## **2. Why Parent EMPOWERMENT through Technology?**

A majority of low-income parents want to improve the quality of life for their family. However, many lack the skills required to engage in their education and health in a way that leads to improvement. This lack of improvement is more evident among parents with lower incomes and educational attainment, as well as among first generation immigrants who are English learners.

The Parent EMPOWERMENT through Technology program presents an opportunity to make a focused effort to help parents engage in their family's health and education via the Internet. There are a wide array of websites and on-line content in English, Korean and Spanish that help parents positively effect change in their family. CU has taught low-income parents how to access and use on-line resources for over 22 years and in our expert opinion, significantly improves the quality of life of graduates and their families.

## **3. Target Population**

Maximum of 35 low-income parents who have children attending Nicolas Junior High will be enrolled in PE+T (**Exhibit C**), and will attend courses per **Exhibit B**.

## **4. Proposed Methodologies**

Community Union believes it is a moral and economic imperative that we empower parents with research skills in education and health via technology training. A parent that can navigate the Internet to find reliable information is better equipped to make sound decisions for their family.

Parents will attend class two times per week, for two hours each day, for 5 weeks for a total of 20 hours of PE+T-Module I and/or 20 hours PE+T- Module II training, see **Exhibit B**.

### **PE+T Modules I & II *outcomes* for parents:**

- 1) Development of Internet on-line resource navigation skills using key websites, addressing both health and education needs,
- 2) Development of a full-color multipage e-tools Resource Guide in PowerPoint that contains the following information:
  - a. A healthy food pyramid,
  - b. A through G requirements (UC/CSU college entry requisites),
  - c. Local Fullerton Unified resources available on-line,
  - d. Internet safety,
  - e. Detailed benefits of common fruits, vegetables, superfoods, supplements and organics,
  - f. Local farmer's markets and,
  - g. Healthy recipes.

- 3) Improved public speaking skills and advocacy strategies that will assist them in ensuring their family has access to health and education resources.

PE+T not only provides the foundational understanding needed by parents such as A-G requirements, education resources, college options, etc., but because the parents will have on-going access to on-line resources, they will be empowered to forever engage and advocate for the improved health and quality education for their family.

### **5. Project Goals, Operation and Evaluation:**

PE+T's task-list, see **Exhibit C** below, is a list of exercises parents will complete during each 20 hour Module. PE+T takes parents through step by step on how-to use a computer, access the Internet and develop computer and Internet navigation skills while building an e-tools Resource Guide in PowerPoint, using health focused, college, school district and Internet safety websites. Manuals, exercises and instruction are available in English, Korean, Spanish and Mandarin Chinese.

#### **Module I:**

- A-1 – Develop a Vision Statement: Parents develop a 'vision' statement articulating desired goals and outcomes from the course, and beginning E-mail navigation, parents set up email address,
- A-2 – Introduction to Word, parents learn basic functions, typing skills, and development of a formal communication letter,
- A-3 – Introduction to PowerPoint, parents are introduced to the tool to be used to build e-tools Resource Guide,
- A-4 – Beginning Internet Navigation: Parents build research project using on-line resources to obtain information about education, health, and Internet safety.
- e-tools Resource Guide Completion: Parents compile exercises and PowerPoint slides completed during the course into a clear-covered portfolio that will be called their e-tools Resource Guide and will serve as evidence of skills learned and will be used to assist parents to better engage in their family's health and education.
- Simultaneously, this same portfolio will be used to enhance employment endeavors.

#### **Module II:**

- A-1 – Develop a Vision Statement II: Parents develop a 'vision' statement articulating desired HEALTH goals and outcomes from the course, and a refresher on Internet/E-mail navigation,
- A-2 – Refresher on Word, parents are reminded of basic functions, typing skills, and develop a formal communication letter,
- A-3 – Refresher on PowerPoint, parents are reminded of to the tool to be used to build e-health Tools Resource Guide,

- A-4 – Intermediate Internet Navigation: Parents build research project using on-line resources to obtain information about healthy living.
- e-health Tools Resource Guide Completion: Parents compile exercises and PowerPoint slides completed during the course into a clear-covered portfolio that will be called their e-health Tools Resource Guide and will serve as evidence of skills learned and will be used to assist parents to better engage in their family's health.

#### Evaluation:

- Paramount to the proposed project is the evaluation of program effectiveness.
- Quantitative methods such as pre and post surveys will be used. Also, graduating participant's focus group interviews will create feedback that will be used to create qualitative data to fine-tune PE+T,

In summary, after the completion of the PE+T program the following Major Goals will be accomplished:

1. parents gain increased Internet navigation knowledge for the purpose of improving the quality of life for their family,
2. parents will develop an e-tools Resource Guide and/or an e-health Tools Resource Guide to ensure they have key information to better engage in the health and education goals of their family,
3. parent leaders emerge and become sustainable resources for other parents through a parent alumni advocate network.

**SUBJECT:** PUBLIC HEARING—TRUSTEE-AREA MAPS

Background: On July 28, 2015, the Board directed a shift to by-trustee area elections and authorized a demographic study. DISCUSSION/ACTION ITEM

**DATE:** November 17, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** APPROVE WAIVER REQUEST TO STATE BOARD OF EDUCATION REGARDING CHANGE IN TRUSTEE ELECTION SYSTEM AND ADOPT RESOLUTION #15/16-11

Background: On July 28, 2015, the Board directed a shift to by-trustee area elections. To facilitate this change, the District is seeking waivers of sections 5019, 5020, 5021, and 5030 of the Education Code. The District is seeking a waiver of the requirement that a move from an at-large election system to a by-trustee area election system for District Board members be submitted to the electorate for its approval.

Information regarding the change in election process has been widely disseminated through the press, social media, school-site, and District meetings. Feedback from interested entities has been solicited and summarized for the Board. Additionally, three community meetings were held November 27-29 at each of the District's junior high schools.

Rationale: The District desires to have the requested Education Code sections waived because the waiver of these sections will allow the District to successfully adopt trustee areas and establish a by-trustee election process as expeditiously as possible thereby eliminating the need to go through the expense and uncertainty of a ballot measure on this subject.

It is imperative that the District adopt these areas and establish this process without delay and without interference so that the District can avoid liability under the California Voting Rights Act of 2001 ("CVRA") as a result of its current at-large election system.

As part of the process for adopting trustee-area maps, the Board is required to hold a public hearing to receive direct input from the public regarding a waiver application to the State Board of Education with respect to a shift to by-trustee area elections.

This will be the public hearing and opportunity for the community to provide both written and oral information to the Board regarding the proposed waiver application to the State Board of Education with respect to a shift to by-trustee area elections. Staff has received no comments thus far.

Funding: Not Applicable

Recommendation: Approve waiver request to State Board of Education regarding change in trustee election system and Adopt Resolution #15/16-11

THE SUPERINTENDENT TO SEEK A WAIVER FROM  
THE STATE BOARD OF EDUCATION**

**WHEREAS**, on July 28, 2015, the Board of Trustees of the Fullerton School District (the "Board") took action to move from an at large election system to a by-trustee area election system for District Board members; and

**WHEREAS**, California Education Code sections 5019 and 5030 authorize the Orange County Committee on School District Organization ("County Committee"), upon application of a school district's governing board, to change the method of election in a school district under its jurisdiction; and

**WHEREAS**, an election to approve the change in voting methods will result in a cost to the District, and Education Code sections 33050-33053 authorize the State Board of Education to waive this voter-approval requirement, which could reduce the costs associated with this proposed change in the manner of electing board members; and

**WHEREAS**, in light of the above, the District wishes to request that the State Board of Education waive the election requirement set forth in the Education Code; and

**WHEREAS**, on November 17, 2015, the District held a public hearing on the proposed waiver application to solicit input from the public and District stakeholders; and

**WHEREAS**, the District properly posted a timely notice of the aforementioned public hearing in the newspaper and at each school of the District and at an additional public place in the District; and

**WHEREAS**, the District properly notified its collective bargaining units of the District's intent to seek a waiver pursuant to sections 33050-33053 of the Education Code.

In the event two or more trustee areas are established at such election which are not represented in the membership of the governing board of the school district, or community college district the county committee shall determine by lot the trustee area from which the nomination and election for the next vacancy on the governing board shall be made.

(b) If a proposal for rearrangement of boundaries is approved by a majority of the voters voting on the measure, or by the county committee on school district organization when no election is required, and if the boundary changes affect the board membership, any affected incumbent board member shall serve out his or her term of office and succeeding board members shall be nominated and elected in accordance with Section 5030.

resolution, with respect to trustee areas established for any school district, ~~other than a community college district,~~ amend the provision required by this section without additional approval by the electors, to require one of the alternate methods for electing board members to be utilized.

DISCUSSION/ACTION ITEM

**DATE:** November 17, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Craig C. Bertsch, Ed.D., Assistant Superintendent, Personnel Services

**SUBJECT:** APPROVE/RATIFY GENERAL WAIVER REQUEST FOR EQUITY LENGTH OF TIME EFFECTIVE JULY 1, 2015 THROUGH JUNE 30, 2017

Background: Pursuant to *EC 37202*, transitional kindergarten (TK) programs operated by a district must be of equal length to any kindergarten programs operated by the same district, unless there is an approved State Board of Education waiver on file. By statute, the maximum school day in kindergarten is 4 hours (*EC 46110*). An exception to this statute allows schools that have adopted an early primary program (extended-day kindergarten) to exceed 4 hours (*EC 8973*). Furthermore, *EC 48000* states that a TK shall not be construed as a new program or higher level service. The number of required instructional minutes for TK is 36,000 minutes per year; the minimum length of instructional time that must be offered to constitute a school day is 180 minutes (*EC 46117* and *46201*).

Rationale: The District operates several full-day kindergarten programs, but all TK programs are half day. In order to avoid any Education Code penalty, the District is seeking to waive requirements under Education Code §37202.

Funding: Not applicable.

Recommendation: Approve/Ratify General Waiver Request for Equity Length of Time effective July 1, 2015 through June 30, 2017.

## **Board Policy**

### **Admission**

**BP 5111**

#### **Students**

**Board Adopted: June 10, 2005**

**Board Revised: February 7, 2010**

The Board of Trustees encourages the enrollment and appropriate placement of all school-aged children in school. The Superintendent or designee shall inform parents/guardians of children entering a District school at any grade level about admission requirements and shall assist them with enrollment procedures.

Before enrolling any child in a District school, the Superintendent or designee shall verify the child's age, residency, immunization, and other applicable eligibility criteria specified in law, the accompanying administrative regulation, or other applicable Board policy or administrative regulation.

In the event the Superintendent or designee reasonably believes false or unreliable evidence of residency has been provided by a parent/guardian, the following procedures apply:

1. The Superintendent or designee shall identify circumstances upon which the District may initiate an investigation, which shall, at a minimum, require the District employee to be able to identify specific, articulable facts supporting the belief that the parent/guardian of the pupil has provided false or unreliable evidence for residency. Examples of such situations include, but are not limited to, altered documents; credible information from the property owner or neighbor that the student does not reside at the address provided; results of a home visit by a District employee indicating the student does not reside at the address provided; credible information from the student stating he/she does not reside at the address provided; and/or mail sent by the school returned from the address provided.
2. The Superintendent or designee may use reasonable investigatory methods, as appropriate, to determine residency. These methods may include, but are not limited to:
  - a. Review of documentation
  - b. Home visit by District personnel
  - c. Interview of student and parent/guardian
  - d. Contacting the landlord or neighbors regarding whether or not the student resides at the address provided
3. The Superintendent or designee may hire a private investigator if the investigatory methods described above are inconclusive to determine whether the pupil resides in the District.
4. For any investigation conducted pursuant to this policy, the District shall:
  - a. Prohibit the surreptitious photographing or video recording of pupils who are being investigated. For purposes of this policy, "surreptitious photographing or video recording" means the covert collection of photographic or video graphic images of persons or places subject to an investigation. For the purposes of this policy, the collection of images is not covert if the technology is used in an open and public view.
  - b. Require that the employees and contractors of the District engaged in the investigation must identify themselves truthfully as such to individuals contacted or interviewed during the course of the investigation.

**5. If the District determines that the pupil does not meet the residency requirements for school attendance in the District, the District shall provide the parent/guardian with the basis for the determination. The parent/guardian may appeal this determination to the Assistant Superintendent of Personnel Services within 10 business days of determination. If an appeal is made, the burden shall be on the parent/guardian to show why the decision of the District should be overruled.**

**The Superintendent or designee shall ensure that the enrollment of a homeless or foster child or a child of a military family is not delayed because of outstanding fees or fines owed to the child's last school or for his/her inability to produce previous academic, medical, or other records normally required for enrollment.**

**In addition, no child shall be denied enrollment in a District school solely on the basis of his/her arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other contact with the juvenile justice system.**

**When enrolling in any District school, including a school in their attendance area, children whose parents/guardians reside within District boundaries shall be subject to the timelines established by the Board for open enrollment. Children whose parents/guardians do not reside within the District or who are not otherwise eligible for enrollment in the District may apply for interdistrict attendance in accordance with the timelines specified in applicable Board policies and administrative regulations.**

**The District's enrollment application shall include information about the health care options and enrollment assistance available to families within the District. The District shall not discriminate against any child for not having health care coverage and shall not use any information relating to a child's health care coverage or his/her interest in learning about health care coverage in any manner that would harm the child or his/her family. (Education Code 49452.9)**

~~The Board of Trustees believes that all children should have the opportunity to receive educational services. Staff shall encourage parents/guardians to enroll all school-aged children in school.~~

~~The Superintendent/designee shall maintain procedures, which provide for the verification of all entrance requirements specified in law and in Board policies and regulations.~~

~~Verification of residency is required for the first enrollment of any student within the District. If the student moves from the school attendance area of first enrollment into a different school attendance area, a new verification of residency will be required. Definition of "residency" includes District residency, foster care residency, McKinney-Vento Homeless Assistance Act residency, and other provisions as set forth in the Education Code.~~

~~No child shall be unconditionally admitted to any District school without presentation of a fully documented immunization record as required by law, unless otherwise exempted.~~

**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** PUBLIC HEARING—TRUSTEE AREA MAPS

Background: On July 28, 2015, the Board directed a shift to by-trustee area elections and authorized a demographic study. This is the third and final public hearing.

Rationale: As part of the process for adopting trustee-area maps, the Board is required to hold three public hearings to receive direct input from the public regarding proposed trustee-area maps.

This will be the third public hearing and opportunity for the community to provide both written and oral information to the Board regarding the proposed trustee-area maps. After this final hearing the Board will select the specific trustee-area map.

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**PREPARED BY:** Robert Macauley, Director, Maintenance/Operations & Facilities

**SUBJECT:** **ADOPT RESOLUTION #15/16-13 APPROVING AN ENERGY SERVICES CONTRACT WITH SCHNEIDER ELECTRIC BUILDINGS AMERICAS, INC., FOR PROPOSITION 39 ENERGY CONSERVATION PROJECT**

Background: Fullerton School District has received Proposition 39 planning funds for the development and design of its energy expenditure plan (including screening and energy audits), and expects to receive approximately \$733,000 per year afterward for five years to complete energy-savings projects at existing facilities in accordance with potential funding and guidelines from Proposition 39. The District received proposals to engage a qualified firm to perform all the necessary steps to develop and submit a Proposition 39 Energy Expenditure Plan which will meet all State requirements and result in the District's receiving its apportioned funding for the next five years.

On May 12, 2015, the Board approved a contract with Schneider Electric Buildings Americas, Inc. ("Schneider"), for a Proposition 39 Investment Grade Audit pursuant to Request for Proposal No. FSD-14-15-GFR-01. Upon submission of the Proposition 39 Investment Grade Audit, District staff determined that it would be in the best interest of the District to enter into a contract with Schneider for Proposition 39 Energy Conservation Project. A copy of the contract is available for review in the Superintendent's Office.

Rationale: Schneider is a qualified firm and is able to perform all the necessary steps to implement a Proposition 39 Energy Expenditure Plan which will meet all State requirements and result in the District's receiving its apportioned funding for the next five years.

Funding: General Fund (Proposition 39 California Clean Energy Jobs Act and Routine Repair and Maintenance Fund), Capital Facilities Fund, Special Reserve Fund--Capital Outlay Projects, Deferred Maintenance Fund, Capital Facilities--CFD, Building Fund, District 48 (Amerige Heights), and Nutrition Services Fund. Costs are expected to be offset by energy savings and operational savings.

Recommendation: Adopt Resolution #15/16-13 approving an Energy Services Contract with Schneider Electric Buildings Americas, Inc., for Proposition 39 Energy Conservation Project.

All MPRs and gyms are currently being controlled by programmable thermostats. The thermostat settings for all MPRs have the units running long hours to accommodate occasional evening occupancy for events.

This scope will replace the programmable thermostats with an Ecobee networked thermostat system, which will allow district staff to only schedule HVAC equipment on when events are planned. Due to the intermittency of the events, a networked system is needed so that schedules can be adjusted as required for each event without having to go out to each site in the district and change the thermostat settings every time an event is scheduled.

The scope of work includes procurement, installation, and validation of (52) new thermostats, as well as setting up access to the front-end, so that schedules and set points can be controlled remotely. Thermostat guards will be provided to protect the thermostats from balls or other objects.

## **Board Policy**

### **Admission**

**BP 5111**

#### **Students**

**Board Adopted: June 10, 2005**

**Board Revised: February 7, 2010**

The Board of Trustees encourages the enrollment and appropriate placement of all school-aged children in school. The Superintendent or designee shall inform parents/guardians of children entering a District school at any grade level about admission requirements and shall assist them with enrollment procedures.

Before enrolling any child in a District school, the Superintendent or designee shall verify the child's age, residency, immunization, and other applicable eligibility criteria specified in law, the accompanying administrative regulation, or other applicable Board policy or administrative regulation.

In the event the Superintendent or designee reasonably believes false or unreliable evidence of residency has been provided by a parent/guardian, the following procedures apply:

1. The Superintendent or designee shall identify circumstances upon which the District may initiate an investigation, which shall, at a minimum, require the District employee to be able to identify specific, articulable facts supporting the belief that the parent/guardian of the pupil has provided false or unreliable evidence for residency. Examples of such situations include, but are not limited to, altered documents; credible information from the property owner or neighbor that the student does not reside at the address provided; results of a home visit by a District employee indicating the student does not reside at the address provided; credible information from the student stating he/she does not reside at the address provided; and/or mail sent by the school returned from the address provided.
2. The Superintendent or designee may use reasonable investigatory methods, as appropriate, to determine residency. These methods may include, but are not limited to:
  - a. Review of documentation
  - b. Home visit by District personnel
  - c. Interview of student and parent/guardian
  - d. Contacting the landlord or neighbors regarding whether or not the student resides at the address provided
3. The Superintendent or designee may hire a private investigator if the investigatory methods described above are inconclusive to determine whether the pupil resides in the District.
4. For any investigation conducted pursuant to this policy, the District shall:
  - a. Prohibit the surreptitious photographing or video recording of pupils who are being investigated. For purposes of this policy, "surreptitious photographing or video recording" means the covert collection of photographic or video graphic images of persons or places subject to an investigation. For the purposes of this policy, the collection of images is not covert if the technology is used in an open and public view.
  - b. Require that the employees and contractors of the District engaged in the investigation must identify themselves truthfully as such to individuals contacted or interviewed during the course of the investigation.

**5. If the District determines that the pupil does not meet the residency requirements for school attendance in the District, the District shall provide the parent/guardian with the basis for the determination. The parent/guardian may appeal this determination to the Assistant Superintendent of Personnel Services within 10 business days of determination. If an appeal is made, the burden shall be on the parent/guardian to show why the decision of the District should be overruled.**

**The Superintendent or designee shall ensure that the enrollment of a homeless or foster child or a child of a military family is not delayed because of outstanding fees or fines owed to the child's last school or for his/her inability to produce previous academic, medical, or other records normally required for enrollment.**

**In addition, no child shall be denied enrollment in a District school solely on the basis of his/her arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other contact with the juvenile justice system.**

**When enrolling in any District school, including a school in their attendance area, children whose parents/guardians reside within District boundaries shall be subject to the timelines established by the Board for open enrollment. Children whose parents/guardians do not reside within the District or who are not otherwise eligible for enrollment in the District may apply for interdistrict attendance in accordance with the timelines specified in applicable Board policies and administrative regulations.**

**The District's enrollment application shall include information about the health care options and enrollment assistance available to families within the District. The District shall not discriminate against any child for not having health care coverage and shall not use any information relating to a child's health care coverage or his/her interest in learning about health care coverage in any manner that would harm the child or his/her family. (Education Code 49452.9)**

~~The Board of Trustees believes that all children should have the opportunity to receive educational services. Staff shall encourage parents/guardians to enroll all school-aged children in school.~~

~~The Superintendent/designee shall maintain procedures, which provide for the verification of all entrance requirements specified in law and in Board policies and regulations.~~

~~Verification of residency is required for the first enrollment of any student within the District. If the student moves from the school attendance area of first enrollment into a different school attendance area, a new verification of residency will be required. Definition of "residency" includes District residency, foster care residency, McKinney-Vento Homeless Assistance Act residency, and other provisions as set forth in the Education Code.~~

~~No child shall be unconditionally admitted to any District school without presentation of a fully documented immunization record as required by law, unless otherwise exempted.~~

DISCUSSION/ACTION ITEM

**DATE:** December 8, 2015

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** **APPROVE THE DISTRICT'S FIRST INTERIM FINANCIAL REPORT WITH A POSITIVE CERTIFICATION. PER STATE GUIDELINES, A POSITIVE CERTIFICATION INDICATES THAT, BASED UPON CURRENT PROJECTIONS, THE DISTRICT WILL MEET ITS FINANCIAL OBLIGATIONS FOR THE CURRENT AND SUBSEQUENT TWO FISCAL YEARS**

Background: The First Interim Report is one of three financial reports that school districts are required to report to the State and provide to the public annually. The report presents the results of actual financial operations through October 31 and the projected budget for the fiscal year for all District funds. A three-year projection for the General Fund is also included. The complete First Interim Report in the required State format, along with a descriptive narrative and comparative financial projections, is included for the Board's review.

Rationale: The District is required by Education Code to submit periodic financial reports to its oversight bodies. In order to judge a District's financial stability, these reports also include a three-year projection for the General Fund. The District is required to certify its financial outlook as Positive, Qualified, or Negative.

Funding: The District is showing in excess of the 3% required General Fund Unrestricted Reserve as of June 30, 2018.

Recommendation: Approve the District's First Interim Financial Report with a Positive Certification. Per State guidelines, a Positive Certification indicates that, based upon current projections, the District will meet its financial obligations for the current and subsequent two fiscal years.

**Subject:** First Interim Report

The District's First Interim Financial Report consisting of current year financial statements and budgets for all funds, as well as the required State reports, is attached. This memo provides a narrative overview of the report.

### **Background**

The District is required to formally report to our community, the Orange County Department of Education (OCDE), and the State of California our actual financial results of operations three times a year. In addition to providing July 1 through year-to-date results, the reports also provide projected results for future periods. The required reports are as follows:

<u>Report</u>	<u>Reports Actual Financial Results through:</u>	<u>Due Date:</u>
First Interim	October 31	December 15
Second Interim	January 31	March 15
J-200 Unaudited Actuals	June 30	September 15

### **Financial Reports Included—First Interim Report to Board**

The following reports are provided in this document:

- First Interim Budget Projections (showing the Original Adopted Budget and the revised First Interim Budget)
- First Interim State Report (SACS format)
- Multi-year Projections
- State Criteria and Standards

Year-to-date financial statements reflect actual financial results from the District's accounting system which is maintained through OCDE on the Bi-Tech accounting system. For the First and Second Interim Reports, results are on a cash basis (no accruals are booked). Accruals are recorded for the year-end financial statements.

Current year budgets and multi-year projections are based on information provided by OCDE, the California Department of Education, School Services of California, and other relevant professional sources. A summary of the various factors used is attached at the end of this memo. Additional discussion is provided below.

### **Current Year Budget**

At First Interim, the District updates its original 2015-16 budget (adopted by the Board of Trustees on June 23, 2015) to reflect current financial projections.

There are three major changes to the budget reflected in the First Interim: an increase in the State Local Control Funding Formula (LCFF), additional one-time mandated cost revenue, and the additional appropriations necessary for negotiated increases in employee compensation.

**LCFF:** The District is in the third year of the State-wide LCFF implementation. Under LCFF, instead of the State allocating funds and requiring school districts to spend money on programs and services the State determines are a priority, local boards have control over how to use funds and resources in a way that improves outcomes and opportunities for their District's students. The new funding model specifically addresses students with greater needs—such as English learners, low-income, and foster youth. Through the Local Control Accountability Plan (LCAP) process, the District solicits input from the community to develop a plan with specific student outcomes in mind.

Statewide, school district leaders have conjectured that LCFF presents an historic opportunity to focus on improving student outcomes, closing achievement gaps, and increasing the level of communication between schools and their communities. Further, the State's shift away from complex categorical funding will require districts to be strategic and collaborative when investing resources and delivering instructional programs to best serve students.

While the main drivers under the prior Revenue Limit funding system were Average Daily Attendance (ADA) and State-funded Cost of Living Adjustment (COLA), LCFF adds two additional factors:

- **Unduplicated Percentages of Underserved Students:** Defined as those students enrolled in the Free and Reduced Lunch program, English Language Learners, and Foster Youth. Due to the widely differing unduplicated count percentages in different school districts, the amounts received in LCFF funding will vary widely by District and will become even more disparate as time goes on.
- **Percentage of Gap Funding during Transition:** Full implementation of the LCFF is beyond the State's current financial means. Therefore, the State intends to fully implement LCFF over an eight-year period. Each year, as part of the budget process, the Legislature and the Governor (with consideration of the COLA and Proposition 98 requirements) will determine the amount of the gap funding to implement in the current budget year.

The District projected its LCFF revenue for the June budget based upon factors published in the Governor's May Revise. Once the final budget was voted on by the Legislature in late June, the implementation percentage had increased for 2015-16. This resulted in an increase to total projected LCFF revenues in 2015-16 of \$4,114,000, which has been reflected in the First Interim budget.

**Mandated Cost Revenues:** In the final adopted budget the Legislature approved an increase to one-time appropriation for a payment to be made to all districts meant to buy down prior year mandated cost claims owed to the districts. This resulted in an increase to one-time State revenues of \$4,773,000 to be added to the District's 2015-16 budget. (Total one-time revenues to be received equal \$7,058,000.)

**Negotiated Increase to Employee Compensation:** The District has reached agreement with the Fullerton Elementary Teachers Association bargaining unit for a 4% on-going salary increase, retroactive to July 1, 2015, a 1% on-going salary increase beginning January 1, 2016 and a 1% one-time, off-schedule payment on July 1, 2016. The Board of Trustees also approved the same salary increase for the Fullerton Management group. The total General Fund cost of approximately \$4.1 million (two-year total) is reflected in the First Interim budget projection.

**Routine First Interim Budget Adjustments:** In addition to the non-routine items noted above, the District reviews all of its accounts and has adjusted its First Interim budget projections to reflect the following:

- Based upon current enrollment data, the District may adjust its revenue accounts that are based on Average Data Attendance (ADA). If start-of-school enrollment is materially different from budget projections, revenues will be recalculated based upon updated ADA projections. Second-month enrollment totaled 13,524,162 less than second-month enrollment for the 2014-15 school year. In the case of declining enrollment, the State "holds harmless" a District for the first year, allowing the

District to claim the (higher) prior year ADA for apportionment funding. Therefore, the District is still using 2014-15 Second Period ADA of 13,396 in its enrollment projection in the First Interim budget. The effect of the declining enrollment is reflected in the 2016-17 projection. (Discussed further below.)

- Categorical revenue accounts updated to most recent grant/entitlement letters and other information received from the State and federal governments. Corresponding expenditure accounts are also adjusted accordingly. Indirect costs are updated to reflect changes in total estimated expenditures.
- Other income accounts analyzed and adjusted to reflect year-to-date receipts and estimated year-end amounts.
- Revenues and expenditures of programs that encroach on the General Fund updated to current projections and encroachment accounts adjusted accordingly.
- Salary and benefit accounts adjusted to reflect updated staffing levels and changes to benefit costs, including health insurance costs.
- All expenditure accounts analyzed and adjusted to reflect year-to-date expenditures and estimated expenditures to finish the year.

At the original adopted budget, the District projected an Unrestricted General Fund net income for the 2015-16 fiscal year of \$145,057. After all of the above adjustments, the 2015-16 updated First Interim budget reflects net income of \$3,151,216.

The revised ending unrestricted fund balance is projected at \$28,989,336, or 22.06% of the General Fund expenditures. This amount is \$25,046,650 above the State-required 3% reserve.

### **Multi-Year Projections**

The most important element of the First Interim Report is the three-year projection for the General Fund. In this forecast, the District projects its financial prognosis for the current and subsequent two years. The purpose of the projection is to report to its stakeholders on the continued fiscal viability of the District. The projection provides the rationale for the District's choice of certification options (Positive, Qualified, or Negative) on its Certification of Financial Condition.

Please refer to the attached summary for details of the significant variables and assumptions used in the preparation of the District's three-year projection.

The following discusses the most significant items in the three-year projection:

**LCFF:** The District is utilizing the Department of Finance's estimated COLAs and LCFF Funding Rate percentages.

FSD is reporting a 52.09% Unduplicated Percentage of enrollment for 2015-16, 52.17% for 2016-17 and 52.29% for 2017-18 base on a rolling three year average.

**ADA:** Based upon the 2015-16 drop in enrollment, the District is projecting a decrease in apportionment earning ADA of 105 in 2016-17. There is currently no change projected for 2017-18.

**Employee Compensation:** The 2016-17 budget includes the second half of the 1% salary increase effective January 1, 2016 and the 1% one-time off schedule bonus to be paid in July 2016. The 2017-18 projection is adjusted for the elimination of the 1% one-time, off schedule bonus granted and paid in 2016-17. Also in 2016-17, the budget projection includes \$1,244,000 for projected increases in STRS and PERS rates to be paid by the District. An additional \$1,320,000 is added in 2017-18.

**Increase in Routine Repair and Maintenance (RRM) Encroachment:** In 2015-16, the District returned to the pre-flexibility standard of spending at least 3% of General Fund expenses on RRM. This continues in the 2016-17 projection.

**Ending Fund Balances**

Taking into account all of these changes to the three-year projection, the District projects net increases in the current and subsequent fiscal years in the Unrestricted General Fund. The projected Unrestricted General Fund ending fund balance percentages are as follows:

June 30, 2016	22.06%
June 30, 2017	22.32%
June 30, 2018	22.91%

**Required Disclosure under Education Code Section 42127(a)(2)(b) regarding reasons for Ending Fund Balances above the State recommended minimum level**

Education Code Section 42127(a)(2)(b) requires a statement of reason that substantiates the need for assigned and unassigned ending fund balances in excess of the minimum reserve standard for economic uncertainties for each fiscal year be identified in the budget.

The Board of Trustees of the Fullerton School District currently maintains a prudent reserve which provides for anticipated future expenditures for technology, instructional materials, and other necessary instructional expenditures. The District must also have funds available to mitigate the costs to the District of declining enrollment. Additionally, the reserve is maintained to provide for unplanned or emergency expenditures that might occur in the future. The District must also plan for future facilities needs. Finally, the District must also plan for future downturns in the State economy which could negatively affect the District's budget.

Projected Unrestricted Ending Fund Balance:

	<u>Assigned</u>	<u>Unassigned</u>	<u>3% Minimum</u>	<u>Amount Above 3% Minimum</u>
June 30, 2016	\$2,800,000	\$28,989,336	\$3,942,686	\$25,046,650
June 30, 2017	\$0	\$29,164,900	\$3,919,618	\$25,245,282
June 30, 2018	\$0	\$29,993,412	\$3,927,190	\$26,066,222

**Certification**

Based upon current projections and budget assumptions regarding State funding and the District's financial condition, the District is certifying with a Positive Certification. Per State guidelines, a Positive Certification indicates that, based upon current projections, the school district **will** meet its financial obligations for the current fiscal year and subsequent two fiscal years.

**Conclusion**

The First Interim Report is an important document in the District's ongoing communications to its stakeholders. The report and certification provide accountability and evidence of stewardship to our community.

### Information Item

Ron Wenkart, Orange County Department of Education Legal Counsel, presented legal information about Senate Bill 277: Required Vaccinations. The main impact of SB 277 is to limit exemptions from immunizations to medical reasons only, effective January 1, 2016. SB 277 authorizes a parent or guardian to file with the governing authority a written statement by a licensed physician to the effect that the physical condition of the

child is such, or medical circumstances relating to the child are such, that immunization is not considered safe, indicating the specific nature and probable duration of the medical condition or circumstances, including, but not limited to, family history, for which this physician does not recommend immunization. Parents may file a personal belief exemption with the school prior to January 1, 2016. SB 277 does not exempt special education students and special education students are required to be immunized.

#### Public Comments- SB 277

Kevin Bass, community member, shared his concern that we are creating a battle ground for the Board and that it is not at the discretion of the Board to change law but to follow it.

She invited Board members to visit the homes of children and see the behavior exhibited by children who have special needs. She shared that some parents have told her that they feel vaccinations are harmful.

She stated Transitional Kindergarten is included in the grade span until 6<sup>th</sup> grade. She stated SB 277 is poorly written and asked for the District to have flexibility and distributed a referendum against an act passed by the legislature.

Trustee Meyer provided a list of five legal questions to Ron Wenkart for follow up regarding vaccinations.

Leah Wissink, Fullerton parent, commented her two older children are vaccinated but she is opting to not vaccinate her younger child. She reported that unvaccinated children do not pose a risk to other children and that excluding them from school is incorrect.

Dora Ramirez, parent, handed out the Vaccine Whistleblower book and spoke about a doctor and his opinion regarding vaccinations. She thanked the Board for allowing an opportunity to discuss SB 277.

Susan Born, parent, expressed her desire to choose alternative vaccination schedules. She stated that parent rights are being limited by the government. She requested the District to extend the Personal Belief Exemption to July 1, 2016 from the County and State Board of Education.

### Discussion Item/Public Hearing

Trustee Thornley conducted a public hearing at 7:52 p.m. to allow for public comment to receive direct input from the public regarding proposed trustee-area maps.

### Public Comments during the Public Hearing:

Kevin Bass, community member, expressed his opinion that the Board should look into term limits for trustees to allow others to bring their opinions to the Board.

Jesus Silva, FSD teacher, stated that Fullerton community members and residents they did not know what at large elections meant. He suggested putting up for election, in November 2016, the South areas.

Hearing no further comments, the public hearing was closed at 7:57 p.m.

Larry Ferchaw from the Dolinka Group shared information regarding the process and timelines for change in district method of election of Board of Trustees. The Board held discussion regarding the maps in scenario 1, scenario 1a, scenario 2, and scenario 2a.

Three community input meetings were held on the following dates to receive community input: October 27 (Ladera Vista JHS, 6:00 p.m.), October 28 (Parks JHS, 6:00 p.m.), and October 29 (Nicolas JHS, 6:00 p.m.). Scenario 1a and 2a were a result of input received at the community input meetings.

Jeanette Vazquez, Fullerton parent, asked the Board to make a decision that is in the best interest of all students. She commented some of the Commonwealth parents have a preference towards scenario 2a.

Daniel Bravo, community member, spoke about the vote being about people and switching to have a greater voice. He commented it is important to connect with people and his preference is for the Board to approve scenario 2a.

Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. **SUBJECT:** **APPROVE INDEPENDENT CONTRACTOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND FAVIOLA MERCADO FROM FEBRUARY 1, 2016 THROUGH JUNE 30, 2016**

Background: Fullerton School District has been the recipient of the St. Jude Medical Center Communities Initiative grant in the amount of \$34,344 for 2015/2016. In 2014/2015, the grant funds received from St. Jude went towards a hydration station at Nicolas, water bottles, and salary for a Wellness Coordinator. Since Erin Barnum resigned from the position of independent contractor in December 2015, we have \$17,172 remaining in the grant for the position of Wellness Coordinator.

Rationale: Faviola Mercado has been working closely with St. Jude Medical Center and Fullerton School District since January 2015 to implement a number of initiatives including the Kids Eat Well grant. She has been instrumental in supporting the grant by providing instructors for nutrition lessons. She has also been the key person running the Leveraging Educational Assistance Partnership (LEAP) Program at our Title I sites. Ms. Mercado is knowledgeable about the programs we have in place and will be able to continue the work begun by our prior Wellness Coordinator. She has the background to be an invaluable asset in supporting five Title 1 schools to earn the Healthy School Awards sponsored by the Alliance for a Healthier Generation.

Funding: Cost is not to exceed \$17,172 and is to be paid from the Unrestricted General Fund.

Recommendation: Approve Independent Contractor Agreement between Fullerton School District and Faviola Mercado from February 1, 2016 through June 30, 2016.

**SUBJECT:** **APPROVE ADOPTION OF HOUGHTON MIFFLIN GO MATH! FOR KINDERGARTEN THROUGH SIXTH GRADE TO SUPPORT IMPLEMENTATION OF THE COMMON CORE STATE STANDARDS (CCSS)**

Background: In November 2013, the California Department of Education approved the State *Mathematics Framework* and mathematics instructional materials that support the implementation of the Common Core State Standards (CCSS). Beginning in August 2015, approximately 37 teachers began piloting kindergarten through sixth grade mathematics materials from two different vendors. Teachers met to discuss each program's features such as lesson pacing, alignment to standards, assessment, and online access. A survey was conducted in November to determine which mathematics program teachers would prefer to fully implement in 2016/2017 and Houghton Mifflin *Go Math!* was selected. Fullerton School District (FSD) will purchase the premium 8-year package that includes both digital and hard copy components for teachers and students.

Rationale: Our current mathematics program is not aligned to the CCSS, and FSD teachers have had to supplement with additional resources. Adopting a new math program that is CCSS aligned will provide all teachers with access to all components and will provide consistency within FSD for lesson planning, lesson pacing and student assessments.

Funding: The estimated cost is \$1,600,000 and is to be paid from the Unrestricted General Fund.

Recommendation: Approve adoption of Houghton Mifflin *Go Math!* for Kindergarten through Sixth Grade to support implementation of the Common Core State Standards (CCSS).

**SUBJECT:** **DECLARE LISTED ITEMS AS SURPLUS, NOT SUITABLE FOR SCHOOL PURPOSES, AND AUTHORIZE DISTRICT STAFF TO DISPOSE OF ITEMS AT A PUBLIC AUCTION, OR BY OTHER MEANS, AS ALLOWED IN EDUCATION CODE SECTIONS 17545-17555**

Background: Over a period of time, the various sites accumulate instructional materials, supplies, and equipment which have become obsolete, unserviceable, irreparable, or otherwise not suitable for school use. Some of these items may be salvaged or sold, thus providing the District with some recovery of residual value.

The Business Services Department is requesting that obsolete items which have been collected from District sites be declared as surplus property and “not suitable for school purposes.” These surplus items were collected from all sites at the direction of site managers. All items have been made available to District employees to claim for school use prior to holding a public auction. The remaining items are designated as “not suitable for school purposes” and offered for sale. For those items that do not sell, the Assistant Superintendent of Business Services requests Board authorization to declare the property is of insufficient value to defray the costs of arranging for another sale and to dispose of said property by other means as allowed by Education Code sections 17545-17555.

Rationale: The surplus holding areas are at capacity and need to be cleared.

Funding: Not applicable.

Recommendation: Declare listed items as surplus, not suitable for school purposes, and authorize District staff to dispose of items at a public auction, or by other means, as allowed in Education Code sections 17545-17555.

## **I. Introduction**

---

Fullerton School District ("School District") is an issuer of municipal debt securities for financing school facility projects needed to serve students of the School District. Upon the issuance of each security, the School District covenanted, pursuant to a Continuing Disclosure Agreement or Certificate ("CDA"), to provide certain annual financial and operational information as well as notices to bondholders of the occurrence of certain enumerated events in order to comply with Securities and Exchange Commission ("SEC") Rule 15c2-12 ("Rule").

### **I. Disclosure Compliance Officer Responsibilities**

The School District has implemented a written Policies and Procedures as part of its commitment to comply with its continuing disclosure obligations as described under the Rule and as covenanted in each CDA for all of its current outstanding securities. Pursuant to its Policies and Procedures, the School District has appointed Rachel Grantham, a Financial Analyst for the School District, as its Disclosure Compliance Officer ("Officer") and has delegated to the Officer the primary operating responsibility of monitoring the School District's compliance with its continuing disclosure obligations. Responsibilities of the Officer include, but are not limited to, the following:

#### **A. General Responsibilities**

1. Ensure the implementation of Policies and Procedures for the School District's continuing disclosure obligations;
2. Ensure that the School District is responsive to future legislative changes and training regarding continuing disclosure obligations;
3. Serve as the point person for School District personnel to communicate issues or information that should be or may need to be included in any offering statement or reporting obligation;
4. Maintain continuing working relationships with professional advisors with expertise in the area of public finance and federal and state securities laws (i.e. general counsel; financial advisor; bond counsel; disclosure counsel; underwriter; continuing disclosure consultant);
5. Maintain records of all reports, event notices, filings and postings filed with the Municipal Securities Rulemaking Board ("MSRB") through its Electronic Municipal Market Access ("EMMA") system, along with confirmation from EMMA that such items were uploaded;
6. Ensure that all filings, publications, event notices and postings are complete, true and accurate in all material respects; and
7. Raise potential disclosure issues at any time during the process.

---

## **II. Compliance with SEC Rule 15c2-12**

---

Federal regulations, specifically the Rule, provide guidelines, procedures, and requirements for continuing disclosure obligations. Issuers are required to prepare and provide ongoing disclosure to enhance transparency in the secondary municipal securities market. Participating underwriters are prohibited from purchasing or selling municipal securities unless the participating underwriter has reasonably determined that an issuer has undertaken a written CDA for the benefit of holders of such securities, to provide annual financial information and operating data as well as notices of the occurrence of certain enumerated events.

Continuing disclosure consists of important information about a bond and its issuer that occurs after the initial offering. The information reflects the financial and operating conditions of the issuer as it changes over time, as well as specific events that, should they occur, can have an impact on the ability of the issuer to meet its financial obligations to the bond holders. Each CDA requires bond issuers to submit to EMMA all annual financial information and notices of material events. All filings relating to the Rule must be submitted to EMMA which is the sole repository for continuing disclosure filings.

1. The Officer is responsible for completing and submitting a report to EMMA for all Involuntary Financial and Operational Information as described in Section I in Exhibit A of the Policies and Procedures on an annual basis for every outstanding security with continuing disclosure obligations prior to the Annual Report Due Date;
2. The Officer is responsible for completing and submitting an Event Notification with EMMA for all Involuntary Event Notices as described in Section II in Exhibit A if and when an event occurs for every outstanding security with continuing disclosure obligations. All Involuntary Event Notices must be submitted to EMMA within ten (10) business days from the date of occurrence;
3. The Officer is responsible for completing and submitting a report to EMMA for all Voluntary Financial and Operational Information as described in Section III in Exhibit A for every outstanding security with continuing disclosure obligations;
4. The Officer is responsible for completing and submitting an Event Notification with EMMA for all Voluntary Event Notices as described in Section IV in Exhibit A if and when an event occurs for every outstanding security with continuing disclosure obligations; and
5. The Officer will consult, if and when needed, with the continuing disclosure consultant and/or disclosure counsel, to determine if any event listed in Exhibit A is deemed to be material and is required to be filed on EMMA

---

### **III. Disclosure Compliance Officer Report Content**

---

Pursuant to its Policies and Procedures, the Officer will present an annual summary report to the Governing Board related to the School District's annual continuing disclosure. The content of this report includes, but is not limited to, the following: (i) information summarized in the forms set forth in Exhibits A through C of the Policies and Procedures, (ii) a listing of any Involuntary Event Notices that occurred during the period and (iii) a description of the educational and training activities conducted or participated in for continuing disclosure compliance by the Officer during the period contained in the annual summary report.

**DATE:** January 12, 2016

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** **APPROVE INDEPENDENT CONTRACTOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND STEVE KANDA FOR INTERIM RISK MANAGEMENT SERVICES FOR FEBRUARY 1, 2016 THROUGH JUNE 30, 2016**

Background: The District's Risk Manager will be on leave and working on a limited, part-time basis for the next 2-3 months. The District is in need of temporary management of the Department during this time and potentially for additional tasks through the end of the school year. This expertise is beyond the capacity of current District employees. Therefore, it is recommended the District contract with Steve Kanda to provide these services through June 30, 2016.

Rationale: When District employees are unable to provide necessary services, the District enters into an independent contractor agreement with individuals who will provide specialized services to the District and who are specially trained, experienced, and competent to perform the required services.

Funding: Services will be on an hourly basis. Hours and projects will be approved in advance by the Risk Manager or the Assistant Superintendent, Business Services. The cost is an hourly rate of \$85 per hour, not to exceed \$20,000, to be paid from the Self-Insurance Fund.

Recommendation: Approve Independent Contractor Agreement between Fullerton School District and Steve Kanda for Interim Risk Management Services for February 1, 2016 through June 30, 2016.

WHEREAS, District is authorized by Section 53060 of the California Government Code to contract with and employ any persons for the furnishing of special services and advice in financial, economic, accounting, engineering, legal or administrative matters, if such persons are specially trained and experienced and competent to perform the special services required;

WHEREAS, District is in need of such special services and advice; and

WHEREAS, Contractor is specially trained and experienced and competent to perform the special services required by the District, and such services are needed on a limited basis;

NOW, THEREFORE, the parties agree as follows:

1. Services to be provided by Contractor: Contractor shall provide the services (hereinafter referred to as "Services") as detailed in Attachment A. Mr. Kanda will be supporting the Fullerton School District's Risk Management Department as an interim Risk Professional during the maternity leave absence of Laurie Bruneau.

2. Term. Contractor shall commence providing services under this Agreement on February 1, 2016, and will diligently perform as required and complete performance by June 30, 2016.

3. Compensation. District agrees to pay the Contractor for Services satisfactorily rendered pursuant to this Agreement at a rate of \$85 per hour, all hours to be pre-approved by Laurie Bruneau or Susan Hume. The total fee is not to exceed \$20,000. Contractor shall submit detailed invoices to District as detailed in Attachment A. Payment for Services will only be made if Services have been satisfactorily rendered under the terms of this Agreement.

4. Expenses. District shall not be liable to Contractor for any costs or expenses paid or incurred by Contractor in performing the Services for District, except as pre-approved by Laurie Bruneau or Susan Hume.

5. Independent Contractor. Contractor, in the performance of this Agreement, shall be and act as an independent contractor. Contractor understands and agrees that Contractor and all of Contractor's employees shall not be considered officers, employees, or agents of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Workers' Compensation. Contractor assumes the full responsibility for the acts and/or omissions of Contractor's employees as they relate to the Services to be provided under this Agreement. Contractor shall assume full responsibility for payment of all federal, state, and local

taxes or contributions, including unemployment insurance, social security, and income taxes with respect to Contractor's employees.

6. Materials. Contractor shall furnish, at Contractor's own expense, all labor, materials, equipment, supplies, and other items necessary to complete the Services to be provided pursuant to this Agreement. Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of Contractor's profession.

7. Originality of Services/Intellectual Property. Contractor agrees that all technologies, formulae, procedures, processes, methods, and ideas prepared for and submitted by Contractor to the District in connection with the Services set forth in this Agreement shall be wholly original to Contractor and shall not be copied in whole or in part from any other source, except that submitted to Contractor by District as a basis for such Services. Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by, District and shall not be copied or used in whole or in part by Contractor without District's express written permission. Contractor acknowledges and agrees that District shall have all right, title, and interest in said Content, including the right to secure and maintain the copyright, trademark, and/or patent of said Content in the name of the District.

All deadlines set forth in the Agreement are binding and may be modified only by subsequent written agreement of the parties.

9. Termination. District may, at any time, with or without reason, terminate this Agreement and compensate Contractor only for the Services satisfactorily rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include: (a) material violation of this Agreement by the Contractor; (b) any act by Contractor exposing the District to liability to others for personal injury or property damage; or (c) Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to

this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless, and defend the District and its Governing Board, officers, employees, and agents from every claim or demand made and every liability, loss, damage, or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for: (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising out of (1) or (2) above, sustained by the Contractor, or any person, firm, or corporation employed by the Contractor, either directly or by independent contract, upon or in connection with the Services called for in this Agreement, however caused, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District or its officers, employees, or agents.

(c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopyrighted matter or patented or unpatented invention under this Agreement.

11. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

12. Compliance with Applicable Laws. The Services must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. Contractor agrees to comply with all federal, state, and local laws, rules, regulations, and ordinances that are now or may in the future become applicable to Contractor, Contractor's business, equipment, and personnel engaged in the Services covered by this Agreement or accruing out of the performance of such Services.

This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Non-Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

18. Notice. All notices or demands to be given under this Agreement by either party to the other, shall be in writing and given either by: (a) personal service or (b) by U.S. Mail, mailed either by registered or certified mail, return receipt requested, with postage prepaid. **SUBJECT:** **ADOPT RESOLUTION #15/16-16 OF THE FULLERTON SCHOOL DISTRICT URGING THE LEGISLATURE TO EXTEND THE PERSONAL BELIEFS EXEMPTION DEADLINE TO JULY 1, 2016**

Background: On June 30, 2015, Governor Brown signed Senate Bill 277 (SB 277) changing school immunization requirements. SB277 took effect on January 1, 2016 and requires all children in California be fully vaccinated to attend public or private school unless they have a valid medical exemption or valid personal beliefs exemption on file with the District before January 1, 2016. Students will have to meet all of the age appropriate State immunization requirements for admission to school as of July 1, 2016.

Rationale: Submission of Resolution #15/16-16 to urge California Legislature to amend SB277 to extend the "exemptions for personal beliefs" to July 1, 2016.

OF THE FULLERTON SCHOOL DISTRICT  
URGING THE LEGISLATURE TO EXTEND THE PERSONAL BELIEFS  
EXEMPTION DEADLINE TO JULY 1, 2016**

**JANUARY 12, 2016**

WHEREAS, Governor Brown signed Senate Bill 277 on June 30, 2015;

WHEREAS, Senate Bill 277 eliminates exemptions from vaccinations for personal beliefs beginning January 1, 2016;

WHEREAS, the elimination of the personal beliefs exemption is a major change in longstanding public policy;

WHEREAS, many members of the public were not aware of the changes made by Senate Bill 277;

WHEREAS, there was an insufficient amount of time for parents to submit a personal beliefs exemption;

WHEREAS, many of the other provisions of Senate Bill 277 do not become operative until July 1, 2016; and,

WHEREAS, the differing effective date of January 1 and operative date of July 1, 2016, has created confusion among some members of the public; and,

WHEREAS, the California Legislature should amend Senate Bill 277 to extend the deadline to file personal beliefs exemptions to July 1, 2016, to make the effective date and operative date of Senate Bill 277 consistent;

NOW, THEREFORE, IT IS HEREBY RESOLVED AS FOLLOWS:

DISCUSSION/ACTION ITEM

**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** **APPROVE PARKS JUNIOR HIGH SCHOOL PLAN FOR REPLACEMENT OF HVAC SYSTEM**

Background: The heating, ventilation, air conditioning (HVAC) system at Parks Junior High School needs replacement. The system is more than 40 years old and is not functioning properly any more.

Rationale: Replacement of the Parks HVAC system has been on the District's Facilities Master Plan for a long time, but the project was not undertaken due to the significant costs. With the State's Proposition 39 (Clean Energy Jobs Act) funding, the District has the opportunity to move forward with the project.

The District's Energy Management Project Plan, which includes replacement of the Parks HVAC system, has been approved by the State. The contract for Schneider Electric to complete the projects is also on this agenda. This particular project is being brought as a separate agenda item to the Board in order to provide maximum transparency of the significant additional costs that the District will undertake beyond the Prop 39 grant funds, and to seek approval for a \$4.3 million contribution from the District's General Fund to the HVAC project.

Funding: Total costs of all Prop 39 projects are \$9,691,000, to be paid for from the Unrestricted General Fund (\$4,300,000), Capital Projects Funds (Developer Fee Fund, Capital Facilities District Fund, Building Fund) (\$2,721,000) and State Prop 39 funds (\$2,670,000). The total estimated construction and abatement costs of the Parks HVAC project are \$6,670,500.

Recommendation: Approve Parks Junior High School plan for replacement of HVAC system.

**SUBJECT:** **ADOPT RESOLUTION #15/16-13 APPROVING AN ENERGY SERVICES CONTRACT WITH SCHNEIDER ELECTRIC BUILDINGS AMERICAS, INC., FOR PROPOSITION 39 ENERGY CONSERVATION PROJECT**

Background: Fullerton School District has received Proposition 39 planning funds for the development and design of its energy expenditure plan (including screening and energy audits), and expects to receive approximately \$733,000 per year afterward for five years to complete energy-savings projects at existing facilities in accordance with potential funding and guidelines from Proposition 39. The District received proposals to engage a qualified firm to perform all the necessary steps to develop and submit a Proposition 39 Energy Expenditure Plan which will meet all State requirements and result in the District's receiving its apportioned funding for the next five years.

On May 12, 2015, the Board approved a contract with Schneider Electric Buildings Americas, Inc. ("Schneider"), for a Proposition 39 Investment Grade Audit pursuant to Request for Proposal No. FSD-14-15-GFR-01. Upon submission of the Proposition 39 Investment Grade Audit, District staff determined that it would be in the best interest of the District to enter into a contract with Schneider for Proposition 39 Energy Conservation Project. A copy of the contract is available for review in the Superintendent's Office.

Rationale: Schneider is a qualified firm and is able to perform all the necessary steps to implement a Proposition 39 Energy Expenditure Plan which will meet all State requirements and result in the District's receiving its apportioned funding for the next five years.

Funding: General Fund (Proposition 39 California Clean Energy Jobs Act and Routine Repair and Maintenance Fund), Capital Facilities Fund, Special Reserve Fund--Capital Outlay Projects, Deferred Maintenance Fund, Capital Facilities--CFD, Building Fund, District 48 (Amerige Heights), and Nutrition Services Fund. Costs are expected to be offset by energy savings and operational savings.

Recommendation: Adopt Resolution #15/16-13 approving an Energy Services Contract with Schneider Electric Buildings Americas, Inc., for Proposition 39 Energy Conservation Project.

## Board Policy

### Student Wellness

BP 5030

#### Students

**Board Adopted: November 28, 2006**

**Board Revised: August 23, 2011**

**Board Revised:**

~~The Board of Trustees recognizes the link between student health and learning and desires to provide a comprehensive program promoting healthy eating and physical activity for District students. The Superintendent or designee shall build a coordinated school health system that supports and reinforces health literacy through health education, physical education, health services, food services, psychological and counseling services, health promotion for staff, a safe and healthy school environment, and parent/guardian and community involvement.~~

~~To encourage consistent health messages between the home and school environment, health information will be disseminated to parents/guardians through District, school or other communications. Outreach to parents/guardians will emphasize the relationship between student health and academic performance.~~

The Board of Trustees recognizes a strong link between student health and educational outcomes. To promote healthy eating and physical activity, the District will use the Whole School, Whole Community, Whole Child model (WSCC) to provide a comprehensive wellness program. (Appendix A: WSCC Model) The Superintendent or designee shall support and reinforce health literacy through WSCC's 10 components: (1) health education; (2) physical education and physical activity; (3) nutrition environment and services; (4) health services; (5) counseling, psychological, and social services; (6) social and emotional climate; (7) physical environment; (8) employee wellness; (9) family engagement; and (10) community involvement.

Research shows that two components, good nutrition and physical activity throughout the day, are strongly correlated with positive student outcomes. Less-than-adequate consumption of specific foods including fruits, vegetables, and dairy products, is associated with lower grades among students. In addition, students who are physically active - do better academically. (American Heart Association, 2010, Nansel, 2010, Van Dusen, 2011)

#### Wellness Council

The Superintendent or designee ~~may~~ *shall* establish a District health council or other committee to advise the District on health-related issues, activities, policies, and programs. At the discretion of the Superintendent or designee, the council's charge(s) ~~may~~ *will* include the planning and implementation of activities to promote health within the school or community *and monitor policy implementation. The committee shall meet at least 4 times annually.*

## II. Wellness Policy Implementation, Monitoring, Accountability, and Community Engagement

### Implementation Plan ~~Program Implementation and Evaluation~~

The District will develop and maintain a plan for implementation to manage and coordinate the execution of this wellness policy. The plan delineates roles, responsibilities, actions, and timelines specific to the District and each school, and includes information about who will be responsible to make what change, by how much, where, and when, as well as specific goals and objectives for nutrition standards for all foods and beverages available on the school campus, food and beverage marketing, nutrition promotion and education, physical activity, physical education, and other school-based activities that promote student wellness. This wellness policy and the progress reports can be found at: [www.fullertonsd.org](http://www.fullertonsd.org). The Superintendent shall designate at least one person within the District who is charged with operational responsibility for ensuring implementation of this policy.

The Superintendent or designee shall report to the Board ~~at least every two years~~ each May, as part of the Annual Progress Report, ~~at least every two years~~ on the implementation of this policy and any other Board policies related to nutrition and physical activity.

### **Recordkeeping**

The District will retain records to document compliance with the requirements of the wellness policy on the Wellness page of FSD's website.

### **Annual Progress Reports**

The District will compile and publish an annual report to share basic information about the wellness policy and report on the progress of the schools within the district in meeting wellness goals. This annual report will be published around the same time each year in May, and will include information from each school within the District

The District and individual schools will actively notify households/families of the availability of the annual report.

Outreach to parents/guardians will emphasize the relationship between student health and academic performance.

## **III. School Health, Safety and Environment**

The District believes that all students have the right to be educated in a learning environment that is safe and drug-free. According to the Centers of Disease Control and Prevention, engaging in routine healthy behaviors during childhood is easier than changing unhealthy habits during adulthood. Improving student health and safety increases students' capacity to learn, reduces absenteeism, and improves academic performance.

### **Physical Environment, Health and Safety**

The District places safety as top priority by the creating environments that are respectful, orderly, and drug-free.

### **Social and Psychological Health**

Information to enroll in school meal programs is available on the FSD website and individual school websites.

### Nutrition Guidelines for Foods Available at School

The Superintendent or designee shall encourage school organizations to use healthy food items or non-food items for fundraising purposes. He/she also shall encourage school staff to avoid the use of ~~non-nutritious~~ foods as a reward for students' academic performance, accomplishments, or classroom behavior.

**TO:** Robert Pletka, Ed.D., District Superintendent  
**FROM:** Susan Hume, Assistant Superintendent, Business Services  
**SUBJECT:** **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

Background: Friday Night Live Partnership Mission Statement: To build partnerships for positive and healthy youth development, which engages youth as active leaders and resources in their communities.

The Orange County Friday Night Live Partnership Services (OCFNLPS) takes the form of a partnership service program on school campuses and in community-based organizations. The voluntary program provides support and opportunities for young people to develop meaningful skills while addressing alcohol, tobacco, and other drug and violence issues at their schools and in their communities.

Each partnership service program consists of a group of young people, along with an adult advisor, who work together to make positive change in their schools and communities. OCFNLPS staff provide technical assistance, leadership training, and support for chapter development. Students meet during the lunch break.

Laguna Road School has offered a Friday Night Live Partnership Services program since the program was developed several years ago. The Orange County Department of Education, as part of an agreement with the County of Orange, wishes to contract with the Fullerton School District and Laguna Road School. Orange County Department of Education is offering a total of \$1,000 in stipends. ## PROPOSAL FOR FULLERTON SCHOOL DISTRICT

### Description of Services

- Present multiple real-world problem-based lessons including pedagogically modeling how teachers should implement the same lessons in their own classroom.
- Connect real-world problem-based lessons to the Common Core State Standards (CCSS) with emphasis on the Standards for Mathematical Practice (SMP).
- Discuss common implementation hurdles including:
  - Insufficient classroom communication that hinders students' ability to mathematically articulate themselves
  - Limited student curiosity resulting in insufficient motivation to persevere through problems.
  - Underdeveloped critical thinking skills that prevent students from breaking problems down.
  - Shallow content knowledge that relies heavily on procedural skills without sufficient conceptual understanding or the ability to apply it.
- Explore how to address the common implementation hurdles including:
  - Reviewing student work samples to set expectations and guide students' ability to verbally articulate themselves.
  - How to increase students' curiosity using multimedia so that students crave to learn the mathematics rather than being forced to learn it.
  - How to use a Problem Solving Framework to help scaffold students' critical thinking skills by identifying what the problem is asking them to figure out, what information they already know, what information they need to solve the problem, and then using multiple representations to explain themselves.
  - Examples of how real world problem-based lessons foster students' intrinsic conceptual understanding and provide a foundation to build procedural skills upon.
- Assist teachers in planning units by providing them with suggestions for real-world problem-based lessons and other multimedia based problems that they can incorporate into their units.
- Math content will focus on CCSS 5.NBT.1, 5.NBT.3, 5.NBT.4, 5.NBT.7, and 8<sup>th</sup> grade linear functions.

In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District.

Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its Governing Board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

c. Professional Liability Insurance with a limit of \$1,000,000 per occurrence, if applicable.

d. Workers' Compensation as required by California State law.

It should be expressly understood, however, that the coverage and limits referred to under a., b., and c. above shall not in any way limit the liability of the Contractor. The Contractor shall furnish the District with certificates of insurance evidencing compliance with all requirements no later than five (5) business days from execution of this Agreement and prior to commencing the Services under this Agreement. Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

13. Compliance With Applicable Laws. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

Contractor agrees to provide a thirty (30) day written notice to District of cancellation, modification, or reduction in any insurance coverage required pursuant to this section. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

18. Non-Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

Mr. Dugan;

It is Signature's pleasure to present to you the quotation for the upgrading of your Irrigation Control System as well as some of the packaged offerings, Signature is able to provide the Fullerton School District.

Secondly, we are pleased and truly appreciate the confidence you exhibited in installing a Pilot Controller and operating it. The data we retrieved from that exercise and subsequent conversations as to your requirements, most certainly proved to us that we have the technology & expertise to meet and exceed your water management requirements and comply with the state mandate as decreed by Governor Brown under Executive Order B-36-15 (EO B-36-15) that calls for an extension of restrictions to urban potable water usage until October 31, 2016, should drought conditions persist through January 2016. We note Fullerton School District's interest in conserving our most precious commodity:- water.

**Executive Summary:**

The Signature series of drought sensitive smart controllers are internet based which are capable of receiving daily weather and crop data to automatically adjust the watering schedule for each controller located at each school campus, on a daily basis.

Via the Signature web portal namely SCS-Share, the operator can program and monitor irrigation schedules, calendars and critical functions such as for instance, pipe breaks if the necessary sensory equipment is installed. In conjunction to this portal, the operator is offered by Signature a downloadable iPhone or Droid app for remote management and control of all controllers.

Programming schedules reside both within the controller and in the user's account online. Thus creating a robust programming mechanism that is both reliable and via the Signature Cloud, with service levels of 99.95% service availability of the service within the Fullerton School District Region, over a trailing 365-day period.

Our willingness to support and provide the Fullerton School District with the state of the art technology during these trying and sensitive drought times, is reflected below:-

## Board Policy

### Student Wellness

BP 5030

#### Students

**Board Adopted: November 28, 2006**

**Board Revised: August 23, 2011**

**Board Revised:**

The Board of Trustees recognizes a strong link between student health and educational outcomes. To promote healthy eating and physical activity, the District will use the Whole School, Whole Community, Whole Child model (WSCC) to provide a comprehensive wellness program. (Appendix A: WSCC Model) The Superintendent or designee shall support and reinforce health literacy through WSCC's 10 components: (1) health education; (2) physical education and physical activity; (3) nutrition environment and services; (4) health services; (5) counseling, psychological, and social services; (6) social and emotional climate; (7) physical environment; (8) employee wellness; (9) family engagement; and (10) community involvement.

Research shows that two components, good nutrition and physical activity throughout the day, are strongly correlated with positive student outcomes. Less-than-adequate consumption of specific foods including fruits, vegetables, and dairy products, is associated with lower grades among students. In addition, students who are physically active - do better academically. (American Heart Association, 2010, Nansel, 2010, Van Dusen, 2011)

#### Wellness Council

The Superintendent or designee shall establish a District health council or other committee to advise the District on health-related issues, activities, policies, and programs. At the discretion of the Superintendent or designee, the council's charge(s) will include the planning and implementation of activities to promote health within the school or community and monitor policy implementation. The committee shall meet at least 4 times annually.

## II. Wellness Policy Implementation, Monitoring, Accountability, and Community Engagement

### Implementation Plan

The District will develop and maintain a plan for implementation to manage and coordinate the execution of this wellness policy. The plan delineates roles, responsibilities, actions, and timelines specific to the District and each school, and includes information about who will be responsible to make what change, by how much, where, and when, as well as specific goals and objectives for nutrition standards for all foods and beverages available on the school campus, food and beverage marketing, nutrition promotion and education, physical activity, physical education, and other school-based activities that promote student wellness. This wellness policy and the progress reports can be found at: [www.fullertonsd.org](http://www.fullertonsd.org). The Superintendent shall designate at least one person within the District who is charged with operational responsibility for ensuring implementation of this policy.

The Superintendent or designee shall report to the Board ~~at least every two years~~ each May, as part of the Annual Progress Report, on the implementation of this policy and any other Board policies related to nutrition and physical activity.

### Recordkeeping

The District will retain records to document compliance with the requirements of the wellness policy on the Wellness page of FSD's website.

### Annual Progress Reports

The District will compile and publish an annual report to share basic information about the wellness policy and report on the progress of the schools within the district in meeting wellness goals. This annual report will be published around the same time each year in May, and will include information from each school within the District

The District and individual schools will actively notify households/families of the availability of the annual report.

The District, in collaboration with individual schools, will establish and monitor goals and objectives for the District's schools, specific and appropriate for each instructional unit (elementary or secondary schools) for each of the content-specific components listed in Section IV: Nutrition Education and Physical Activity Goals.

### **Triennial Progress Assessments**

The Superintendent's designee will be responsible for managing the triennial assessment and to report on progress made in the last 3 years and recommendations for improvement.

The District will actively notify households/families of the availability of the triennial progress report.

### **Community Involvement, Outreach, and Communications**

The District will actively notify the public about the content of or any updates to the wellness policy annually, at a minimum. The District will also use these mechanisms to inform the community about the availability of the annual and triennial reports. Outreach to parents/guardians will emphasize the relationship between student health and academic performance.

## **III. School Health, Safety and Environment**

The District believes that all students have the right to be educated in a learning environment that is safe and drug-free. According to the Centers of Disease Control and Prevention, engaging in routine healthy behaviors during childhood is easier than changing unhealthy habits during adulthood. The Superintendent or designee shall encourage school organizations to use healthy food items or non-food items for fundraising purposes. He/she also shall encourage school staff to avoid the use of ~~non-nutritious~~ foods as a reward for students' academic performance, accomplishments, or classroom behavior.

and encourage participation in school meal programs. Students and staff will receive consistent nutrition messages throughout schools, classrooms, gymnasiums, and cafeterias. Nutrition promotion also includes marketing and advertising nutritious foods and beverages to students and is most effective when implemented consistently through a comprehensive and multi-channel approach by school staff and teachers, parents, students, and the community.

The Board prohibits the marketing and advertising of non-nutritious foods and beverages through signage, vending machine fronts, logos, scoreboards, school supplies, advertisements in school publications, coupon or incentive programs, or other means.

(Appendix I: Competitive Food Regulations)

To support healthy food choices and improve student health and well being, all foods and beverages outside the reimbursable school meal programs that are sold to students on the school campus during the extended school day will meet or exceed the USDA Smart Snacks nutrition standards. ## **V. Nutrition Education and Physical Activity Goals**

The District shall provide goals for nutrition education, physical activity, and other school-based activities that are designed to promote student wellness.

The District's nutrition education and physical education programs shall be based on research, consistent with the expectations established in the State's curriculum frameworks and content standards, and designed to build the skills and knowledge that all students need to maintain a healthy lifestyle. Nutrition education shall be provided as part of the health education program in grades K-8 and, as appropriate, shall be integrated into other academic subjects in the regular educational program. Nutrition education may also be offered through before- and after-school programs.

Schools will ensure that these varied opportunities are in addition to, and not as a substitute for, physical education.

Physical activity during the school day (including but not limited to recess, physical activity breaks, or physical education) will not be withheld as punishment for any reason. This does not include participation on sports teams that have specific academic requirements. The District will provide teachers and school staff with a [list of ideas](#) for alternative ways to discipline students.

Indoor and outdoor physical activity facilities will be open to students, their families, and the community outside of school hours, to the extent possible, through a formal joint or shared use agreements. The District reserves the right to close off access to facilities in the event that equipment is damaged.

### **Physical Education**

The physical education curriculum will promote the benefits of a physically active lifestyle. It will help students develop skills to engage in lifelong healthy habits, as well as incorporate essential health education concepts.

## **VI. Health Promotion**

### **Community Health Promotion and Engagement**

Families will be informed and invited to participate in school-sponsored activities and will receive information about health promotion efforts.

### **Staff Wellness and Health Promotion**

The WAC will have a staff wellness subcommittee that focuses on staff wellness issues, identifies and disseminates wellness resources, and performs other functions that support staff wellness in coordination with human resources staff.

Schools in the District will implement strategies to support staff in actively promoting and modeling healthy eating and physical activity behaviors. The District promotes staff member participation in health promotion programs and will support programs for staff members on healthy eating/weight management that are accessible and free or low-cost.

The District will use a healthy meeting policy for all events with available food options that optimizes healthy food options with a variety of choices and selections of healthy foods for a variety of dietary needs.

### **Professional Learning**

When feasible, the District will offer annual professional learning opportunities and resources for staff to increase knowledge and skills about promoting healthy behaviors in the classroom and school (e.g., increasing the use of kinesthetic teaching approaches or incorporating nutrition lessons into math class). Professional learning will help District staff understand the connections between academics and health and the ways in which health and wellness are integrated into ongoing district reform or academic improvement plans/efforts.

## Board Policy

### Sale and Disposal of Books, Equipment and Supplies

BP 3270

#### Business and Noninstructional Operations

##### Board Adopted:

When any District-owned instructional materials, equipment, supplies, or other personal property becomes unusable, obsolete, or no longer needed, the Superintendent or designee shall notify the Board of Trustees, provide an estimated value, and recommend whether the items be sold or disposed of by one of the methods prescribed in law and administrative regulation. Upon approval by the Board, the Superintendent or designee shall arrange for the sale or disposal of these items.

***The Board may dispose of the District property by any of the following methods:***

- 1. The Board may authorize the sale of the instructional materials, equipment, supplies, or other property by public auction. (E.C. 39520)***
- 2. If the Board members attending the meeting unanimously agree that the instruction materials, equipment, supplies, and or other property is worth no more than two thousand five hundred dollars (\$2,500), the Board may designate any District employee to sell property without advertising. (E.C. 39521 (a))***

Instructional materials may be considered obsolete or unusable when they:

1. Have been replaced by more recent editions or new materials selected by the Board and have no foreseeable value in other instructional areas
2. Are not aligned with the District's academic standards or course of study
3. Contain information rendered inaccurate or incomplete by new research or technologies
4. Contain demeaning, stereotyping, or patronizing references to any group of persons protected against discrimination by law or Board policy
5. Are damaged beyond use or repair

The Superintendent or designee shall establish procedures to be used when selling equipment for which the federal government has a right to receive all or part of the proceeds. These procedures shall ensure a reasonable amount of competition so as to result in the highest possible revenue.

***Money received from the sale of the instruction materials, equipment, supplies, or other property by auction shall be, at the Board's discretion, either deposited in the District reserve or general fund or credited to the fund from which the original purchase was made. (E.C. 39522)***

CONSENT ITEM

**DATE:** March 8, 2016

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

Background: The District wants to purchase wireless access points with E-Rate matching funds for all elementary school sites. The current wireless access points do not currently talk the latest wireless protocol.

Rationale: The current wireless access points do not support the 802.11ac standard that was approved by Institute of Electrical and Electronics Engineers Standards Association (IEEE-SA) in January of 2014. Currently, the new devices that are being purchased all use the new 802.11ac standard. If the devices purchased henceforth are allowed to take advantage of the 802.11ac protocol they will be able to better stream HD video and have quicker access to personal cloud services. The purchase of the equipment is contingent upon approval of E-Rate funding. Fullerton School District will be using CMAS contract number 3-13-70-2346H for one year only as a piggyback for the purchase and installation of wireless access points.

Funding: The total cost is \$277,118 with 60% being paid for by E-Rate. The remaining \$110,847 would be paid from the Unrestricted General Fund.

Recommendation: Approve the use of California Multiple Award Schedule (CMAS) Contract number 3-13-70-2346H (GigaKOM) for the purchase and installation of wireless access points for the 2016/2017 school year.

### Background

I. Company has developed a proprietary electronic platform and content that can be used to provide instructional curriculum in a hosted gamified solution (“Rezzly”).

II. Customer currently licenses a customized version of Rezzly (“iPersonalize”) from Company. Customer wishes to perpetually license a stand-alone copy of iPersonalize, to develop an Internet portal in its own name (“New Instance”), and Company is willing to license the New Instance upon the terms set forth in this Agreement.

III. Customer wishes to enhance the New Instance to customize the application to meet the Customer's needs.

IV. Customer wishes to expand the New Instance platform to include cooperating schools and schools districts, who may desire to spin-off a white label of the New Instance platform for their own district in the future without further approval of the Company.

NOW, THEREFORE, acknowledging the receipt of adequate consideration and intending to be legally bound, the parties agree as follows:

### 1. Grant of License.

1.1. **In General.** Company hereby grants to Customer an unlimited, worldwide, nonexclusive license to use, refine, develop, enhance, augment or otherwise improve without limitation the New Instance (the “License”). Subject to the terms of this Agreement, the New Instance consists of a (1) a stand-alone copy of the Rezzly code as used in iPersonalize, (2) a copy of the Rezzly database as used in iPersonalize, and (3) integrated third-party technology in accordance with section 3.3 below.

1.2. **White Label Branding.** In the New Instance the iPersonalize previously branded under the Customer's name shall be accessible to the public under a URL designated by Customer. The name and logo(s) of Company shall not appear on the New Instance.

2. **Restrictions.** Once this transaction is complete, there shall be no restrictions on the use, enhancement or improvement of existing code and content of the New Instance by Customer, or of Rezzly by the Company. Customer will be seeking funding to improve code, add new features, and customize the New Instance program. Furthermore, there are no restrictions on (i) the number of districts, schools, teachers or students that Customer desires to add to the New Instance, either at no cost, cost or in kind services, and (ii) the number of school districts,

schools, teachers or students that Company desires to add to Rezzly.

### 3. **Licensing Fee.**

3.1. **Payment.** Customer shall pay a non-refundable deposit of Fifty Thousand US Dollars (\$50,000) to the Company by wire transfer or in other immediately available funds, on March 15, 2016 (the “Nonrefundable Deposit”) to cover the Company’s costs of creating the initial mirror of the New Instance and related engineering costs. Customer shall pay Forty Thousand US Dollars (\$40,000) to the Company by wire transfer or in other immediately available funds, by April 15, 2016 (the “Delivery Balance”). Customer shall also pay up to \$10,000 for engineering services from CloudCity billed directly at cost due in net 15 after receipt of invoice. The Nonrefundable Deposit and the Delivery Balance, are collectively referred to as the “Licensing Fee.” Any late payment shall bear a finance charge at the rate of 1½% per month.

3.2. **Taxes.** The Licensing Fee is exclusive of all federal, state, municipal, or other government excise, sales, use, value-added, gross receipts, personal property, occupational, or other taxes now in force or enacted in the future, and Customer shall pay any such tax (excluding taxes on Company’s net income) that Company may be required to collect or pay now or at any time in the future with respect to the Licensing Fee.

### 4. **Functionality of New Instance.**

4.1.**Initial Functionality.** Company has previously developed iPersonalize for Customer under an existing statement of work and delivered to Customer an electronic version of iPersonalize. At the time of delivery to Customer, the New Instance will have substantially the same “look and feel,” features, and functionality of iPersonalize, in addition the Company will provide complete admin access to entire server, code and content. The New Instance will be completely separate from the Company’s existing Rezzly servers and databases. All current cloud-based content for iPersonalize (including quests, images, standards and awards), and code (excluding the code for subscription integrations), will be included in the New Instance.

4.2. **Future Functionality.** Except as otherwise agreed by the parties in a separate written agreement, Company shall be under no obligation now or in the future to provide Customer with any additional information, additional features or functionality regardless of materiality.

## 7. **Delivery of New Instance.**

7.1. **Timetable.** Company shall use reasonable commercial efforts to develop and deliver the New Instance to Customer in accordance with the timetable set forth in section 7.2 below. Company shall notify Customer when and if it believes the timetable should be shortened or extended.

7.2. **Testing and Acceptance.** Company shall notify Customer when Company believes the New Instance is ready for use by Customer (“Delivery Date”), which shall be no later than April 15, 2016, except as may be agreed by the parties in writing. Such certificates shall:

- (1) Indicate that the District and its Governing Board, officers, and employees have been endorsed as additional insureds under the coverages referred to under a. and b.; and
- (2) Include a provision that the coverages will be primary and will not participate with nor be excess over any valid and collectible insurance or program of self-insurance carried or maintained by the District.

12. Assignment. The obligations of the Contractor and the performance of the Services pursuant to this Agreement shall not be assigned by the Contractor. Any such assignment shall be null and void and shall be deemed a basis for termination of this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire agreement among the parties to it and supersedes any prior or contemporaneous understanding or agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement.

17. Nondiscrimination. Contractor agrees that Contractor will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age or other characteristics protected by federal or state laws of such persons.

18. Non-Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

CONSENT ITEM

**DATE:** March 8, 2016

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Emy Flores, Ed.D., Assistant Superintendent, Educational Services

**PREPARED BY:** Yolanda Castillo, Principal, Pacific Drive School

**SUBJECT:** APPROVE PURCHASE OF TENMARKS AND ISTATION TO SUPPORT STUDENT ACHIEVEMENT

Background: TenMarks Math is an engaging math program, designed to cover California Common Core State Standards (CCSS). Through TenMarks Math, students have a greater chance of developing deeper conceptual understanding, leading to better outcomes in math. iStation Math is also aligned to California Common Core State Standards and offers computer adaptive formative assessments for students as well as adaptive online instruction. iStation Math automatically adjusts to each student's individual ability within his/her grade level and also provides automatic monthly progress monitoring. Both TenMarks Math and iStation will be used in Pacific Drive's Mathemagicians Academy, an enrichment experience where students in 4<sup>th</sup> – 6<sup>th</sup> grade engage in personalized learning in mathematics and robotics. The academy will provide students an opportunity to excel in their area of strength as well as provide exposure to programming robots in preparation for a Districtwide Robotics competition in May. Grade level and advanced mathematical concepts will be introduced and reinforced using TenMarks Math and iStation Math, both web-based online programs that personalize student learning.

Rationale: The Common Core State Standards require educators to provide a rigorous and engaging curriculum for all students. At Pacific Drive School, staff is designing an instructional path that is multi-tiered and adapts to specific student needs based on frequent progress monitoring. Recent California Assessment of Student Performance and Progress (CAASPP) reporting for Pacific Drive asserts that 84% of our 4<sup>th</sup> – 6<sup>th</sup> grade students are not meeting math standards. Pacific Drive is working through Tier I interventions to address the needs of students not meeting standards and has implemented the Mathemagicians Academy to increase student achievement. This data illustrates the immediacy to implement an approach to mathematics that adapts to individual student needs. Both TenMarks and iStation provide reinforcement, reteach, and enrichment activities aligned with California Common Core State Standards.

Funding: Cost not to exceed \$13,200 and is to be paid from the Unrestricted General Fund.

Recommendation: Approve purchase of TenMarks and iStation to support student achievement.

If TenMarks decides to discontinue a Service or functionality of a Service that it continues to make generally available to its customers, TenMarks will provide notice to Customer, except that TenMarks will not be obligated to provide such Notice if the discontinuation is necessary to address an emergency or threat to the security or integrity of the Service Offerings, respond to claims, litigation, or loss of license rights related to third-party intellectual property rights, or comply with the law or requests of a government entity.

**3. Customer Responsibilities**

**3.1 Customer Accounts.** Except to the extent caused by TenMarks's breach of this Agreement, (a) Customer is responsible for all activities that occur under its TenMarks Accounts, regardless of whether the activities are authorized by Customer or are undertaken by Customer, its employees or a third party (including without limitation contractors, agents and End Users), and (b) TenMarks and its Affiliates are not responsible for unauthorized access to Customer's Administrative Accounts.

**3.2 Customer Content.** Customer will ensure that Customer Content or Customer's or End Users' use of Customer Content or the Service Offerings will not violate any of the Policies or any applicable law. Customer is solely responsible for the development, content, operation, maintenance, and use of Customer Content.

**3.3 End Users.** Customer is responsible for End Users' use of Customer Content and the Service Offerings. Customer will ensure that all End Users comply with Customer's obligations under this Agreement and that the terms of its agreement with each End User are not inconsistent with this Agreement. If Customer becomes aware of any violation of its obligations under this Agreement by an End User, Customer will immediately suspend access to Customer Content and the Service Offerings by such End User.

**4. Fees and Payment**

**4.1 Service Fees.** Customers will purchase Services by submitting a Purchase Order to TenMarks in accordance with the form attached to this Agreement as Attachment A. Any Purchase Order placed with TenMarks is subject to acceptance by TenMarks, and TenMarks may decline a Purchase Order, in whole or in part, for any reason. TenMarks will be deemed to have accepted a Purchase Order upon TenMarks's providing written acceptance of such Purchase Order to Customer through electronic mail or facsimile. Any purchase of Services from TenMarks will be at the price and for the term set forth in the applicable Purchase Order. Unless otherwise stated in a Purchase Order, TenMarks will invoice Customer within 30 days of acceptance of a Purchase Order for all applicable fees and charges accrued for use of the Service Offerings. Customer will pay TenMarks all invoiced amounts within 30 days of the date of the invoice (other than Disputed Amounts). For any Disputed Amounts, Customer will provide Notice to TenMarks, including the basis for the dispute (including any supporting documentation), and the parties will meet within 30 days of the date of the Notice to resolve the dispute. If the parties fail to resolve the dispute within such 30 day period, TenMarks may, at its option, (a) suspend Customer's or any End User's right to access or use any portion or all of the Service Offerings, immediately upon notice to Customer, and (b) terminate this Agreement pursuant to Section 6.2(b). All amounts payable by Customer under this Agreement will be made without setoff or counterclaim and without deduction or withholding, provided that Disputed Amounts will be handled as set forth above.

**4.2 Taxes.** Each party will be responsible, as required under applicable law, for identifying and paying all taxes and other governmental fees and charges (and any penalties, interest, and other additions thereto) that are imposed on that party upon or with respect to the transactions and payments under this Agreement. All fees payable by Customer are exclusive of Indirect Taxes. TenMarks may charge and Customer will pay applicable Indirect Taxes that TenMarks is legally obligated or allowed to collect from Customer. Customer will provide such information to TenMarks as reasonably required to determine whether TenMarks is obligated to collect Indirect Taxes from Customer. TenMarks will not collect, and Customer will not pay, any Indirect Tax for which Customer furnishes TenMarks a properly completed exemption certificate or a direct payment permit certificate for which TenMarks may claim an available exemption from such Indirect Tax. All payments made by Customer to TenMarks under this Agreement will be made free and clear of any withholding or deduction for taxes. If any such taxes (for example,

international withholding taxes) are required to be withheld on any payment, Customer will pay such additional amounts as are necessary so that the net amount received by TenMarks is equal to the amount then due and payable under this Agreement. TenMarks will provide Customer with such tax forms as are reasonably requested in order to reduce or eliminate the amount of any withholding or deduction for taxes in respect of payments made under this Agreement.

## 5. Temporary Suspension

**5.1 Generally.** TenMarks may suspend Customer's or any End User's right to access or use any portion of or all of the Service Offerings immediately upon Notice to Customer if TenMarks reasonably determines:

- (a) Customer's or an End User's use of the Service Offerings (i) poses a security risk to the Service Offerings, (ii) risks adversely impacting TenMarks's systems, the Service Offerings or the systems, or (iii) risks subjecting TenMarks or its Affiliates to liability; or
- (b) Customer or any End User is not in compliance with the Policies or this Agreement.

**5.2 Effect of Suspension.** If TenMarks suspends Customer's right to access or use any portion of the Service Offerings, Customer remains responsible for all fees and charges Customer incurs during the period of suspension.

During and after the Term, Customer will not assert, nor will Customer authorize, assist, or encourage any third party to assert, any intellectual property infringement claim regarding any Service Offerings Customer has used. Customer will not misrepresent or embellish the relationship between TenMarks and Customer (including by expressing or implying that TenMarks supports, sponsors, endorses, or contributes to Customer or Customer's business endeavors). Customer will not imply any relationship or affiliation between TenMarks and Customer except as expressly permitted by this Agreement.

**7.5 Suggestions.** If Customer elects to provide any Suggestions to TenMarks or its Affiliates, TenMarks and its Affiliates will be entitled to use the Suggestions without restriction. Customer hereby irrevocably assigns to TenMarks all right, title, and interest in and to the Suggestions.

If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available

to District. Written notice by District shall be deemed given when received by the other party, or no later than three (3) days after the day of mailing, whichever is sooner.

DISCUSSION/ACTION ITEM

**DATE:** March 8, 2016

**TO:** Robert Pletka, Ed.D., District Superintendent

**FROM:** Susan Hume, Assistant Superintendent, Business Services

**SUBJECT:** **APPROVE THE DISTRICT'S SECOND INTERIM FINANCIAL REPORT WITH A POSITIVE CERTIFICATION. PER STATE GUIDELINES, A POSITIVE CERTIFICATION INDICATES THAT, BASED UPON CURRENT PROJECTIONS, THE DISTRICT WILL MEET ITS FINANCIAL OBLIGATIONS IN THE CURRENT AND SUBSEQUENT TWO FISCAL YEARS**

Background: The Second Interim Report is one of three financial reports that school districts are required to report to the State and provide to the public annually. The report presents the results of actual financial operations through January 31 and the projected budget for the fiscal year for all District funds. A three-year projection for the General Fund is also included. The complete Second Interim Report in the required State format, along with a descriptive narrative and comparative financial projections, is included for the Board's review.

Rationale: The District is required by Education Code to submit periodic financial reports to its oversight bodies. In order to judge a district's financial stability, these reports also include a three-year projection for the General Fund. The District is required to certify its financial outlook as Positive, Qualified, or Negative.

Funding: The District is projecting a 20.88% General Fund Unrestricted Reserve as of June 30, 2018, which is in excess of the State-required 3%.

Recommendation: Approve the District's Second Interim Financial Report with a Positive Certification. Per State guidelines, a Positive Certification indicates that, based upon current projections, the District will meet its financial obligations in the current and subsequent two fiscal years.

**Subject:** Second Interim Report

The District's Second Interim Financial Report consisting of current year financial statements and budgets for all funds, as well as the required State reports, is attached. This memo provides a narrative overview of the report.

### **Background**

The District is required to formally report to our community, the Orange County Department of Education (OCDE), and the State of California our actual financial results of operations three times a year. In addition to providing July 1 through year-to-date results, the reports also provide projected results for future periods. The required reports are as follows:

<u>Report</u>	<u>Reports Actual Financial Results through:</u>	<u>Due Date:</u>
First Interim	October 31	December 15
Second Interim	January 31	March 15
J-200 Unaudited Actuals	June 30	September 15

### **Financial Reports Included—Second Interim Report to Board**

The following reports are provided in this document:

- Second Interim Budget Projections (showing the First Interim Budget and the Second Interim Budget)
- Second Interim State Report (SACS format)
- Multi-year Projections
- Cash Flow Projections
- State Criteria and Standards

Year-to-date financial statements reflect actual financial results from the District's accounting system which is maintained through OCDE on the Bi-Tech accounting system. For the First and Second Interim Reports, results are on a cash basis (no accruals are booked). Accruals are recorded for the year-end financial statements.

Current year budgets and multi-year projections are based on information provided by OCDE, the California Department of Education, School Services of California, and other relevant professional sources. A summary of the various factors used is attached at the end of this memo. Additional discussion is provided below.

### **Current Year Budget**

At Second Interim, the District updates its First Interim Budget (approved by the Board of Trustees on December 8, 2015) to reflect current financial projections.

There were two non-routine changes made to the 2015-16 budget from First to Second Interim:

- In the Unrestricted General Fund, the effect of the negotiated settlement with the District's classified bargaining unit (CSEA) was added. The District reached an agreement with CSEA after the First Interim Report was prepared which provides a 4% ongoing salary increase

retroactive to July 1, 2015, a 1% ongoing salary increase beginning January 1, 2016, and a 1% one-time, off-schedule payment on July 1, 2016. The District had previously reached the same agreement with its certificated and management groups; the effect of those agreements had already been added into the First Interim Budget.

- In the Restricted Fund, the District adjusted the budget to include the receipt of \$918,456 of Educator Effectiveness funding. These dollars were included in the State's original budget, but the exact allocation to the District was not known until after preparation of the First Interim Budget.

All other adjustments were routine in nature.

***Routine Second Interim Budget Adjustments:*** The District has reviewed all of its programs, cost centers, and accounts, and has adjusted its Second Interim Budget projection to reflect the following:

- At Second Interim, the District reviews all revenue accounts that are based on Average Data Attendance (ADA). If start-of-school enrollment is materially higher from budget projections, revenues will be recalculated based upon updated ADA projections. Second-month enrollment totaled 13,522—164 less than second-month enrollment for the 2014-15 school year. In the case of declining enrollment, the State “holds harmless” a District for the first year, allowing the District to claim the (higher) prior year ADA for apportionment funding. Therefore, the District is still using the same (2014-15 Second Period) ADA in the Second Interim Budget. The effect of the declining enrollment is reflected in the 2016-17 projection (discussed further below).
- Categorical revenue accounts updated to most recent grant/entitlement letters and other information received from the State and federal governments. Corresponding expenditure accounts are also adjusted accordingly. Indirect costs are updated to reflect changes in total estimated expenditures.
- Other income accounts analyzed and adjusted to reflect year-to-date receipts and estimated year-end amounts.
- Revenues and expenditures of programs that encroach on the General Fund updated to current projections and encroachment accounts adjusted accordingly.
- Salary and benefit accounts adjusted to reflect updated staffing levels and changes to benefit costs, including health insurance costs.
- All expenditure accounts analyzed and adjusted to reflect year-to-date expenditures and estimated expenditures to finish the year.

At the First Interim Budget, the District projected an Unrestricted General Fund net increase for the 2015-16 fiscal year of \$3,151,216. After all of the above adjustments, the 2015-16 updated Second Interim Budget reflects a net increase of \$2,736,819. This is a decrease of \$414,397.

The revised ending unrestricted fund balance is projected at \$28,574,939, or 21.44% of the General Fund expenditures. This amount is \$24,576,761 above the State-required 3% reserve.

### **Multi-Year Projections**

The most important element of the Second Interim Report is the three-year projection for the General Fund. In this forecast, the District projects its financial prognosis for the current and subsequent two years. The purpose of the projection is to report to its stakeholders on the continued fiscal viability of the District. The projection provides the rationale for the District's choice of certification options (Positive, Qualified, or Negative) on its Certification of Financial Condition.

Please refer to the attached summary for details of the significant variables and assumptions used in the preparation of the District's three-year projection.

The following discusses the most significant items in the three-year projection:

**LCFF:** The District is utilizing the Department of Finance's estimated COLAs and LCFF Funding Rate percentages. These projections assume that the additional tax revenues accruing to the State from Proposition 30 will sunset as originally approved by the voters. The additional ¼% sales tax is slated to end December 31, 2016, and the higher personal income tax rates are projected to end December 31, 2018.

FSD is currently reporting a 51.28% Unduplicated Percentage of enrollment. The percentage is not projected to be materially different in the subsequent two years.

**ADA:** Based upon the 2015-16 drop in enrollment, the District is projecting a decrease in apportionment earning ADA of 132 in 2016-17. There is currently no change projected for 2017-18.

**Mandated Cost Revenues:** In 2016-17 the Governor has proposed another payment to be made to all districts meant to buy down prior year mandated cost claims owed to the districts. This results in a one-time increase to unrestricted State revenues of \$2,864,000 to be added to the District's 2016-17 budget.

**Employee Compensation:** The 2016-17 projection is adjusted for the increase of the 1% one-time, off-schedule salary bonus granted to be paid July 1, 2016. The projection also includes the effect of paying the 1% raise that started mid-year 2015-16 for the entire 2016-17 year.

Also in 2016-17, the budget projection includes \$994,000 for projected increases in STRS and PERS rates to be paid by the District. An additional \$1,045,000 is added in 2017-18.

Routine step and column and benefit increases are reflected in the three-year projection. No other increases to salaries are included.

**Increase in Routine Repair and Maintenance (RRM) Encroachment:** In 2015-16, the District returned to the pre-flexibility standard of spending of 3% of General Fund expenses on RRM. This same funding level, adjusted for inflation, continues in the multi-year projection.

**Other Non-routine Additions to the 2016-17 Budget:** Other non-routine, discretionary adds to the budget have not been reflected in the 2016-17 projection. These will be reflected in the June budget.

### **Ending Fund Balances**

Taking into account all of these changes to the three-year projection, the District projects a net decrease in the current year and an increase in the two subsequent fiscal years in the Unrestricted General Fund. The projected Unrestricted General Fund ending fund balance percents are as follows:

June 30, 2016	21.44%
June 30, 2017	20.56%
June 30, 2018	20.88%

### **Required Disclosure under Education Code Section 42127(a)(2)(b) regarding reasons for Ending Fund Balances above the State-recommended minimum level**

Education Code Section 42127(a)(2)(b) requires a statement of reason that substantiates the need for assigned and unassigned ending fund balances in excess of the minimum reserve standard for economic uncertainties for each fiscal year be identified in the budget.

The Board of Trustees of the Fullerton School District currently maintains a prudent reserve which provides for anticipated future expenditures for technology, instructional materials, and other necessary instructional expenditures. The District must also have funds available to mitigate the costs to the District of declining enrollment. Additionally, the reserve is maintained to provide for unplanned or emergency expenditures that might occur in the future. The District must also plan for future facilities needs. Finally, the District must also plan for future downturns in the State economy which could negatively affect the District's budget.

Projected Unrestricted Ending Fund Balance:

	<u>Assigned</u>	<u>Unassigned</u>	<u>3% Minimum</u>	<u>Amount Above 3% Minimum</u>
June 30, 2016	\$2,800,000	\$28,574,939	\$3,998,178	\$24,576,761
June 30, 2017	\$0	\$27,864,565	\$4,066,645	\$23,797,920
June 30, 2018	\$0	\$27,727,795	\$3,983,494	\$23,744,301

### **Certification**

Based upon current projections and budget assumptions regarding State funding and the District's financial condition, the District is certifying with a Positive Certification. Per State guidelines, a Positive Certification indicates that, based upon current projections, the school district will meet its financial obligations for the current fiscal year and subsequent two fiscal years.

### **Conclusion**

The Second Interim Report is an important document in the District's ongoing communications to its stakeholders. The report and certification provide accountability and evidence of stewardship to our community.
