Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as “ISA”). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR’s obligation to provide all services specified in the student’s Individualized Education Plan (hereinafter referred to as “IEP”). The ISA shall be executed within ninety (90) days of an LEA student’s enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as “OAH”) order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student’s parent.

2. CERTIFICATIONS AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as “CDE”) as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider’s license, certification and/or credential. In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. This Master Contract shall be null and void if such certification or waiver is expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program, constitutes a breach of the Master Contract and may result in the termination of this Master Contract by the LEA and/or suspension or revocation of CDE certification.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total class size shall be limited to capacity as stated in Section 24 of the Master Contract.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, corporal punishment, pupil discipline, and positive behavioral interventions.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from November 13th, 2019 to June 30, 2020 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2020. In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5, California Code of Regulations, Section 3062(d).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2020.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) calendar day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall be substantially similar in form and content to the ISA set forth in Exhibit B, attached hereto and incorporated herein by reference. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise. CONTRACTOR shall abide by the "stay-put" requirement of state and federal law when placement in an interim alternative educational setting is made by the LEA or OAH consistent with 20 U.S.C. section 1415(k)(1). CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR disagrees with the language of Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its rights to challenge that provision.

Such log needs to record access to the LEA student's records by: (a) the LEA student's parent; (b) an individual to whom written consent has been executed by the LEA student's parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. CONTRACTOR acknowledges and agrees that all student records maintained by CONTRACTOR as required by state and federal laws and regulations are the property of LEA and must be returned to LEA without dissemination to any other entity.

10. SEVERABILITY CLAUSE

If any provision of this Master Contract is held, in whole or in part, to be unenforceable for any reason, the remainder of that provision and of the entire Agreement shall be severable and remain in effect.

11. SUCCESSORS IN INTEREST

This contract binds CONTRACTOR's successors and assignees. CONTRACTOR shall notify the LEA in writing within thirty (30) calendar days of any change of ownership or change of corporate control.

12. VENUE AND GOVERNING LAW

The laws of the State of California shall govern the terms and conditions of this Master Contract with venue in Orange County.

13. MODIFICATIONS AND AMENDMENTS REQUIRED TO CONFORM TO LEGAL AND ADMINISTRATIVE GUIDELINES

The party seeking such modification shall provide thirty (30) days' notice of any such changes or modifications made to conform to administrative or statutory guidelines and a copy of the statute or regulation upon which the modification or changes are based. If the parties cannot agree on such modifications or amendments, this Master Contract may be terminated in accordance with Paragraph 14.

14. TERMINATION

This Master Contract or an Individual Service Agreement may be terminated for cause. The cause shall not be the availability of a public class initiated during the period of the Master Contract or ISA unless the parent agrees to the transfer of the student to the public school program at an IEP team meeting. To terminate the Master Contract for cause, either party shall give twenty (20) days prior written notice to the other party (California Education Code section 56366(a)(4)). At the time of

termination, CONTRACTOR shall provide to the LEA any and all documents CONTRACTOR is required to maintain under this Master Contract. ISAs are void upon termination of this Master Contract, except as specified above in Paragraph 5. CONTRACTOR or the LEA may also terminate an individual ISA for cause. To terminate the ISA, either party shall also give twenty (20) days prior written notice to the other.

15. **INSURANCE**

CONTRACTOR shall, at his, her, or its sole cost and expense, maintain in full force and effect, during the term of this Agreement, the following insurance coverage from a California licensed and/or admitted insurer with an A minus (A-), VII, or better rating from A.M. Best, sufficient to cover any claims, damages, liabilities, costs and expenses (including counsel fees) arising out of or in connection with CONTRACTOR'S fulfillment of any of its obligations under this Agreement:

A. **Commercial General Liability Insurance**, including both bodily injury and property damage, with minimum limits as follows:

\$1,000,000 per occurrence

If CONTRACTOR uses a bus to transport students, minimum limits of liability shall be \$25,000,000 combined single limit per occurrence.

- E. CONTRACTOR, upon execution of this Master Contract and periodically thereafter upon request, shall furnish the LEA with certificates of insurance and endorsements evidencing such coverage. The certificate of insurance shall include a thirty (30) day non-renewal, cancellation or modification notice provision. The Commercial General Liability, Automobile Liability and any Excess Following Form or Umbrella (excluding Professional/E&O) policies shall name the LEA, District's Board of Education, agents, employees and volunteers as additional insureds on all insurance policies and premiums shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR's obligations under this contract at no additional charge.
- F. Unless CONTRACTOR is insured under the California Private Schools Self Insurance Group (CAPS SIG) or a similar self-insurance group, any deductibles or self-insured retentions above \$100,000 must be declared to and approved by the LEA. At its option, the LEA may require the CONTRACTOR, at the CONTRACTOR's sole cost, to: (a) cause its insurer to reduce to levels specified by the LEA or eliminate such deductibles or self-insured retentions with respect to the LEA, its officials and employees or (b) procure a bond guaranteeing payment of losses and related investigation.
- G. For any claims related to the services provided by CONTRACTOR, the CONTRACTOR's insurance coverage shall be primary insurance as respects the LEA, its subsidiaries, officials and employees. Any insurance or self-insurance maintained by the LEA, its subsidiaries, officials and employees shall be excess of the CONTRACTOR's insurance and shall not contribute with it.
- H. All Certificates of Insurance shall reference the contract number, name of the school or agency submitting the certificate, and the location of the school or agency submitting the certificate on the certificate.
- I. The insurance requirements required herein shall not be deemed to limit CONTRACTOR's liability relating to the performance under this Agreement. The procuring of insurance shall not be construed as a limitation on liability or as full performance of the indemnification and harmless provisions of this Master Contract. CONTRACTOR understands and agrees that, notwithstanding any insurance, CONTRACTOR's obligation to defend, indemnify and hold harmless LEA in accordance with this Master Contract is for the full and total amount of any damage, injuries, loss, expense, costs, or liabilities caused by or in any manner connected with or attributed to the acts or omissions of CONTRACTOR, its directors, officers, agents, employees, subcontractors, guests or visitors, or the operations conducted by CONTRACTOR, or the CONTRACTOR's use, misuse, or neglect of the LEA's premises.

If the LEA or CONTRACTOR determines that changes in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations.

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify and hold harmless LEA and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by CONTRACTOR or its directors, officers, agents, employees, volunteers or guests arising from CONTRACTOR's duties and obligations described in this Agreement or imposed by law.

To the fullest extent allowed by law, LEA shall defend, indemnify and hold harmless CONTRACTOR and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by LEA or its directors, officers,

agents, employees, volunteers or guests arising from LEA's duties and obligations described in this Agreement or imposed by law.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, co-principal, partnership, principal-agent, employer-employee, or co-employer relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR based on any acts or omissions of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding. If CONTRACTOR is held to be a partner, joint venturer, co-principal, employer, or co-employer of the LEA based on any acts or omissions of LEA, LEA shall indemnify and hold harmless the CONTRACTOR from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR's written notification shall include the specific special education and/or related service to be subcontracted, including the corresponding hourly rate or fee. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts unless written approval for any change is first obtained by the LEA. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including but not limited to, transportation) for any LEA student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. LEA may request that the certificates and endorsements be completed on forms provided by the LEA. All certificates and endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA and the LEA/District Board of Education, agents, employees and volunteers as additional insured. If LEA does not approve the subcontractor's insurance, the LEA shall provide CONTRACTOR notice within fifteen (15) days.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance shall reference the LEA contract number, name of the school or agency submitting the certificate, indication if nonpublic school or nonpublic agency, and the location of the school or agency submitting the certificate. In addition, all sub-contractors must meet

the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to the LEA, upon request, a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. This can be provided via e-mail to the SELPA Director of the LEA. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid any relationship with the LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of race, color, religion, sex, gender, pregnancy, gender identity, sexual orientation, national origin, age, , disability, or any other classification protected by federal or state law.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each LEA student served by CONTRACTOR. CONTRACTOR shall provide to each LEA student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with the LEA student's IEP and as specified in the ISA. If CONTRACTOR is a nonpublic school, CONTRACTOR shall not accept a LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for LEA students, as specified in the LEA student's IEP and ISA. If an IEP team determines that a LEA student requires an assistive technology device based on an assessment, or requires low incidence equipment for eligible students with low incidence disabilities, LEA shall provide such assistive technology device or low incidence equipment when specified in the student's IEP and ISA, and if necessary, provide training on the use of the device/equipment. Such device/equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the device/equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) verification that any such charge or fee is not a "pupil fee" under Education Code section 49010 et. seq.; (b) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (c) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA guidelines as well as all California state laws, regulations and guidelines prohibiting pupil fees, deposits or other charges.

Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA, CONTRACTOR and parent agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 et seq. and shall ensure that facilities are adequate to provide LEA students with an environment, which meets all pertinent health and safety regulations.

CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by the LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

The LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Master Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA with five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by the LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the

individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the LEA student.

If the LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for the LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for the LEA's withholding payment, submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, the LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to the LEA specifying the reason it believes payment should not be withheld. The LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason the LEA believes payment should not be made. If the LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the Orange County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). CONTRACTOR disagrees with the language of California Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its right to challenge that provision.

CONTRACTOR shall notify the LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to the LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students. CONTRACTOR shall provide prior written notice of the rights and protections required by Title 34 of the Code of Federal Regulations section 300.154(d) whenever it seeks to use the LEA students' public benefits to pay for special education and related services. PREPARED BY: Anthony Abney, Principal, Maple School

SUBJECT: **APPROVE OUT-OF-STATE CONFERENCE ATTENDANCE FOR COTSEN MENTOR TO ATTEND THE TEACHERS COLLEGE READING INSTITUTE, COLUMBIA UNIVERSITY, NEW YORK, JANUARY 26-29, 2020**

Background: Maple School has made significant investments this year to increase high-quality Tier 1 and Tier 2 instruction in reading and writing through our new Balanced Literacy program. Reading Workshop implementation is the cornerstone of our plan to personalize reading instruction and build a love of reading in all of our students. Reading Workshop focuses on the goal of building lifelong readers. The principal has also taken all staff through Reading Workshop teaching reflection cycles, in which the principal observes, provides feedback, and reflects on the lesson with the teacher. Maple has also invested significantly to create robust leveled libraries in each classroom to augment Reading Workshop.

Rationale: By sending the Cotsen Mentor to advanced training at Columbia's Coaching Institute in Reading, Maple will be not only be able to provide teachers with more effective demonstration lessons and more effective reflection sessions, we will also be able to provide more powerfully differentiated instruction for teachers at various skill levels. The ultimate benefit of advancing the instructional leader's capacity in coaching teachers is more effective classroom instruction and higher student achievement.

Funding: Cost is not to exceed \$2,000 to be paid from site funds and Cotsen budget funds.

Recommendation: Approve out-of-state conference attendance for Cotsen Mentor to attend the Teachers College Reading Institute, Columbia University, New York, January 26-29, 2020.

FROM: Jeremy Davis, Assistant Superintendent of Innovation and Instructional Support

PREPARED BY: Jeremy Davis, Director of Innovation and Instructional Support

SUBJECT: APPROVE FACILITY USE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND UNIVERSITY CONFERENCE CENTER, CSUF FOR 2019/2020 SCHOOL YEAR

Background: As part of FSD Fest, Robot Nation was hosted at the Anaheim Hilton last year. Because of the large number of people at the event, there were some issues with parking and crowds. The event drew over 3000 participants across the two days for the event which also included Passion Agents, E-Sports, a film festival, Take Flight, Spotlight Speakers, the Innovation Experience, and a photo/art contest.

Rationale: The event will now be split into two separate Saturdays. In order to accommodate approximately 2000 attendees, Robot Nation will be hosted in the CSUF Basketball gym, which is represented by this contract. The rest of FSD Fest will be hosted on a single Saturday at the CSUF Student Union on February 1, 2020 (Board Agenda Item 1gg, June 4, 2019). We have walked the site and it will work very well for Robot Nation. This facility includes free parking with a 3000 spot parking garage located next to the facility. This will ease parking concerns, as well as ease traffic concerns as we will be away from the Disneyland area and the Convention Center. Bussing for our students will be more efficient, and the cost to rent this facility is significantly less than the Hilton. Catering will be planned closer to the event and will be included on a separate board item.

Funding: Total cost for facility rental is not to exceed \$15,000 and will be paid from the Innovation and Instructional Support budget 409.

Recommendation: Approve Facility Use Agreement between Fullerton School District and University Conference Center, CSUF for the 2019/2020 school year.

RIDER A
CSUF LICENSE (NO. SC19-05)
GENERAL PROVISIONS

This Rider contains the General Provisions which govern USE by LICENSEE as authorized under this License. In the event that any document incorporated into this License contains any other provision which specifically adds to, excludes, conflicts with, or overrides any General Provision(s) contained herein (referred to herein as "Special Provision"), the Special Provision(s) shall then supersede the identified General Provision(s) in case of conflict. In addition, this License may be amended via a duly signed amendment and/or cancelled in accordance with the provision(s) contained herein.

1. LICENSEE agrees that USE shall be only for the purpose(s) authorized in this License and to supply, upon request from CSUF, any and all information deemed by CSUF to be relevant to USE by LICENSEE.
2. LICENSEE acknowledges no estate in real property is conveyed by this License and that this License represents a possessory interest only. The Orange County Assessor may value the possessory interest created by this License, and under California Revenue and Taxation Code section 107, a property interest tax may be levied on that possessory interest. In the event of a tax levy, LICENSEE accepts its obligation to pay such property interest tax and acknowledges that its failure to do so may be considered a material breach of this License. Furthermore, the Parties mutually understand and agree that this License is not assignable by LICENSEE, either in whole or in part, nor shall LICENSEE attempt to sublicense or rent any part of PROPERTY.
3. Neither LICENSEE nor its officers, employees, agents, volunteers, or representatives (collectively referred to herein as "PARTICIPANTS"), shall act for, nor shall any of these be considered an employee, agent or representative of, TRUSTEES or CSUF for any purpose whatsoever. Nothing herein shall be construed to create an agency or legal relationship between the Parties other than that of independent contractors. No other arrangement is intended or created by this License.
4. LICENSEE agrees to pay to CSUF all FEES contained in this License in accordance with the payment schedule and payment terms contained in Rider C. If additional requests of any kind pertaining to USE are made by LICENSEE or LICENSEE's representative to CSUF subsequent to the issuance of this License, CSUF may elect, but is not obligated to fulfill such additional request(s). If CSUF identifies a reasonable need to secure additional resources of any kind in order to safely and/or successfully support USE (e.g. security personnel), CSUF shall either require that LICENSEE secure such resources at LICENSEE's sole expense, or, in the event that LICENSEE does not or cannot secure such resources, CSUF shall provide such resources and promptly notify LICENSEE of the resulting FEES. LICENSEE agrees to remit payment to CSUF immediately upon receipt of notification of any additional FEES due (e.g. invoice) for those additional resources provided by CSUF whether or not a License amendment has been authorized and regardless of approval in advance by LICENSEE.
5. LICENSEE shall ensure that all PARTICIPANTS and attendees are notified of campus parking requirements, applicable parking fees, and available parking lots prior to the first date of USE. CSUF may charge parking fees related to USE, in addition to those which are included in FEES in Rider C.
6. LICENSEE shall not knowingly violate nor suffer to be violated any Federal or State law, local ordinance, or rule or policy of TRUSTEES or CSUF. LICENSEE also has the sole responsibility to secure all applicable permits and clearances.
7. LICENSEE covenants that during the TERM of this License, LICENSEE shall not deny the License's benefits to any person on the basis of age, disability (physical or mental), gender (or sex), gender identity (including transgender), gender expression, genetic information, marital status, medical condition, nationality, race or ethnicity (including color or ancestry), religion (or religious creed), sexual orientation, sex stereotype, or

veteran or military status, nor shall LICENSEE discriminate unlawfully against any employee or applicant for employment because of age, disability (physical or mental), gender (or sex), gender identity (including transgender), gender expression, genetic information, marital status, medical condition, nationality, race or ethnicity (including color or ancestry), religion (or religious creed), sexual orientation, sex stereotype, or veteran or military status. LICENSEE shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination (reference Government Code Section 12900 et seq.)

8. LICENSEE agrees to maintain order and provide protection for persons and property related to USE, to not permit a breach of peace or any act which might endanger life, limb, health, or property, and, upon determination of necessity by CSUF at any time, to provide or increase the number of police/security personnel, at the sole expense of LICENSEE. All activity under this License must comply with the environmental impact report (EIR), when applicable, for the sports facilities, which governs such things as sound level of activities at specified hours (normal sporting events are well within the guidelines of the EIR). Accordingly, all pre/post-game and half-time activities must have prior written approval by an authorized CSUF representative.
9. LICENSEE shall conform to any specific safety requirements contained in this License, including all attached Riders, or as required by law or regulation. LICENSEE shall also take any additional precautions as CSUF may reasonably require for safety and accident prevention purposes. Any violation of such rules and requirements, unless promptly corrected, shall be grounds for immediate termination of this License.
10. LICENSEE agrees to organize its USE as to cause as little disruption as possible to other uses of adjacent areas and to not interfere in any way with the regular operations of CSUF.
11. LICENSEE agrees that all PARTICIPANTS, as well as all media representatives associated with USE, are under the direct and complete supervision and control of LICENSEE. As such, LICENSEE accepts liability for all damages resulting from PARTICIPANT and media representative utilization of PROPERTY.
12. CSUF reserves the right to eject or cause to be ejected any objectionable person or persons. Neither CSUF nor its officers, employees, agents, volunteers, or representatives shall be liable to LICENSEE or PARTICIPANTS for any consequent damages.
13. Unless permitted in a Rider incorporated hereto, LICENSEE shall have no rights to radio broadcasting, online streaming, live television, transcriptions, or recording rights pertaining to USE. In the event that LICENSEE is granted rights by CSUF to any of these under this License, LICENSEE shall be responsible for all negotiations, permits, and payments related thereto.
14. Unless permitted in a Rider incorporated hereto, no advertising or statements of LICENSEE nor its employees, officers, agents, volunteers, or representatives shall suggest sponsorship or endorsement by CSUF or any of its divisions, and LICENSEE shall clearly indicate its sponsorship of the events and activities resulting from USE.
 - A. LICENSEE shall ensure that all media announcements, interviews, etc., acknowledge USE, which shall be identified as either "California State University, Fullerton" or "Cal State Fullerton." CSUF reserves the right to review in advance and approve or reject all media materials.
 - B. LICENSEE shall include in its location credits "California State University, Fullerton" but no additional or special credits are needed in this regard.
15. Unless permitted in a Rider incorporated hereto, LICENSEE shall not be permitted to either generate revenues or permit others to generate revenues from the sale of concessions under this License. Concessions include food, beverages, novelties, and/or any other products.
16. CSUF agrees to furnish all necessary utilities pertaining to USE. Proximate restroom facilities shall also be made available wherever feasible.

- A. CSUF shall only provide lighting for outdoor USE when an attached Rider indicates USE is authorized "with lights" (subject to the exceptions noted herein) and LICENSEE shall be responsible for payment of such lighting whether or not it is used.
 - B. With the exception of lighting specifically noted in an attached Rider, CSUF may in its sole discretion determine that supplying one or more utilities is unnecessary at any time during USE.
 - C. When any utility, or multiple utilities, cannot be supplied due to causes beyond the control of CSUF, CSUF shall not be responsible for their provision or their effect on USE.
17. CSUF agrees to furnish basic janitorial and grounds services required for USE at no cost. CSUF, at its sole discretion and regardless of inclusion or exclusion in this License, reserves the right to charge LICENSEE for additional janitorial or grounds services when USE results in damages exceeding normal wear and tear of PROPERTY.
18. LICENSEE agrees to not make any alterations to PROPERTY or place or attach any fixtures, signs, or equipment in, about, or upon the PROPERTY except those described and permitted in an attached Rider.
- A. Any fixtures, signs, and/or equipment provided by LICENSEE shall remain the property of LICENSEE and shall be removed from PROPERTY by LICENSEE upon the expiration of this License. LICENSEE may be required by CSUF, upon expiration of this License, or renewal thereof, to restore PROPERTY to the same condition as that existing at the time of entering this License, reasonable wear and tear and damages by the elements or by circumstances over which LICENSEE had no control excepted.
 - B. LICENSEE shall not place or display any banners, flags, or signage on PROPERTY, except as authorized in an attached Rider.
 - C. LICENSEE shall exercise care in using PROPERTY, comply with guidelines to reduce excessive wear and tear, prevent damage, and keep the PROPERTY in a clean and orderly condition, and shall not use tape (other than drafting tape), tacks, or nails on the walls or doors of PROPERTY.
 - D. CSUF-owned furniture or apparatus may not be removed or displaced by LICENSEE or any agent, employee, or invitee of LICENSEE without prior written permission of CSUF contained in an attached Rider. LICENSEE shall cause any furniture or apparatus displaced, damaged, or lost to be replaced or repaired, as appropriate, to the satisfaction of CSUF immediately upon notification that USE by LICENSEE resulted in such displacement, damage, or loss.
19. Prior to beginning of and immediately following USE, LICENSEE or its designee may request to make an inspection of the PROPERTY covered by this License with an authorized representative of CSUF in order to confirm PROPERTY conditions. A written report of each of these inspections, if performed, shall be used as the official reference for any damages/repairs that may be billed after USE.
20. The right of LICENSEE to use PROPERTY under this License shall cease upon written notice by CSUF to LICENSEE that the PROPERTY approved for USE herein is needed for the exclusive use of CSUF in order to meet unanticipated administrative demands or to fulfill its educational objectives. In the event of such written notice, LICENSEE shall be refunded only those FEES which pertain to the USE directly affected by said written notice.
21. CSUF reserves the right to postpone or cancel any scheduled USE by LICENSEE if, at the sole discretion of CSUF, weather conditions, field conditions, or other unforeseen circumstances or occurrences, including but not limited to fire, casualty, strikes, labor disputes, war, acts of God, or other events of force majeure, render fulfillment of this License difficult or impossible to perform, either whole or in part ("FORCE MAJEURE"). In the event of FORCE MAJEURE, LICENSEE shall be refunded only those FEES which pertain to the USE directly affected by the FORCE MAJEURE.
22. This License may be terminated by one of the following methods: (a) by mutual consent in writing, (b) upon determination by CSUF of a material misrepresentation by LICENSEE, (c) due to failure of LICENSEE to perform promptly any act required by this License, or (d) by either Party for any reason upon at least ninety (90) days' written notice to the other Party. - A. If LICENSEE terminates this License no less than ninety (90) calendar days prior to the start of the TERM (aka first date of USE), all deposits received by CSUF will be refunded less a \$1,000 liquidated damages fee.  - B. If LICENSEE terminates this License less than ninety (90) days before the start of the TERM (aka first date of USE), LICENSEE shall forfeit all deposits received by CSUF, which shall serve as a liquidated damages fee.

Notice to LICENSEE shall be sent to the LICENSEE at LICENSEE'S address set forth on the signature page hereof. Notice to CSUF shall be addressed to the Events and Facilities Use Office Contact at the address set forth on the signature page hereof.
24. This License shall be construed in accordance with and governed by the laws of the State of California. The Parties agree that all actions or proceedings arising in connection with this License shall be tried and litigated exclusively in the state courts located in the County of Orange, State of California.
25. LICENSEE, to the fullest extent permitted by law, agrees to indemnify, defend, and hold harmless the State of California, TRUSTEES, CSUF and each of their officers, agents, employees, volunteers, and representatives (collectively "Released Parties") from any and all claims, causes of action, complaints, losses, costs, or expenses, including reasonable attorney's fees and costs, damages, and/or liabilities (collectively "Liabilities") caused by, arising out of, or in any way connected with the performance of this License or the use by LICENSEE of PROPERTY, excepting any liability arising out of the sole negligence of the Released Parties.

SUBJECT: **APPROVE/RATIFY MEMORANDUM OF UNDERSTANDING (MOU) ON PLAYGROUND SUPERVISORS INCLUSION INTO THE BARGAINING UNIT AND COLLECTIVE BARGAINING AGREEMENT BETWEEN CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION, CHAPTER 130 (CSEA) AND THE FULLERTON SCHOOL DISTRICT**

Background: Due to some confusion differentiating between the Instructional Assistant IIA and IIB job descriptions, CSEA and District representatives came together in the spirit of Partnership between Administration and Labor (PAL) to discuss the specifications and necessity of both. It was determined that the best course of action was to eliminate the Instructional Assistant IIA job description. Individuals who perform duties as delineated in an IEP of a student with prescribed medical needs will earn a stipend rather than being classified as an Instructional Assistant IIA. The Instructional Assistant IIB job description will be revised and retitled Instructional Assistant II. The Instructional Assistant II job description reflects the duties of the position and has a new salary range that incorporates the stipend into the pay rate.

Rationale: An MOU between the District and CSEA eliminates any confusion until job descriptions can be updated appropriately.

Funding: There is no direct cost associated with approving the MOU and revising applicable job descriptions. However, any future stipend will be charged to the appropriate site/department budget.

Recommendation: Approve/Ratify Memorandum of Understanding (MOU) on Playground Supervisors inclusion into the bargaining unit and collective bargaining agreement between California Schools Employees Association, Chapter 130 (CSEA) and the Fullerton School District.

CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION
and its FULLERTON ELEMENTARY CHAPTER No. 130
and the
FULLERTON SCHOOL DISTRICT**

**Regarding Playground Supervisors inclusion into the CSEA Bargaining Unit and Collective
Bargaining Agreement**

October 8, 2019

The California School Employees Association and its Fullerton Elementary Chapter No. 130 ("CSEA") and the Fullerton School District ("District") agree to the following Memorandum of Understanding ("MOU") regarding Playground Supervisors:

1. Change in Law: Effective January 1, 2019, Assembly Bill 2160 (2018) amended Section 45256 of the California Education Code, making all part-time playground supervisor positions in K-12 public school districts operating under the merit system a part of the classified service. Playground Supervisors shall receive all the statutory rights and benefits afforded them by current law.
2. CSEA and District Recognition: CSEA and the District, in an MOU dated January 31, 2019, agreed to add Playground Supervisors to CSEA's existing classified unit in accordance with Article 2 Acknowledgement, Section 2.2 New Classifications of the Collective Bargaining Agreement ("CBA") between the parties. CSEA and the District further agreed to negotiate the terms and conditions of Playground Supervisors' employment within the CBA as equal members of CSEA's bargaining unit.
3. Job Description and Salary Schedule: The current job description for Playground Supervisors (see attached) shall be retained, and effective January 1, 2019, Playground Supervisors will be placed on Range 7 of the Fullerton School District Salary Schedule for Classified Employees. Each Playground Supervisor working for the District as of January 1, 2019 shall be placed on Range 7, Step 3 of the Salary Schedule retroactive to January 1, 2019 and shall receive subsequent salary step advancements in accordance with the CBA.
4. Longevity Date: Playground Supervisors working for the District as of January 1, 2019, shall have a longevity date of January 1, 2019, regardless of whether employment with the District was or was not continuous and uninterrupted prior to January 1, 2019. All Playground Supervisors hired on or after January 1, 2019 shall have their longevity date established in accordance with the CBA. Longevity increments for Playground Supervisors shall be paid in accordance with the CBA.
5. Holidays: All Playground Supervisors shall be entitled to paid holidays as specified in Article 10, Holidays of the CBA, effective January 1, 2019, provided the unit members are in paid status during the working day immediately preceding or the working day succeeding the holiday.
6. Work Calendar and Hours: Effective January 1, 2019, Playground Supervisors' regular work calendar shall be 9.5 months a year. Playground Supervisors shall be guaranteed a minimum of one (1) hour of work per week. Playground Supervisors currently working one (1) hour or more per week shall retain their existing working hours per week. Playground Supervisors' shifts shall be established by the District based on the needs at each school site. Should CSEA and/or the District identify scheduling issues regarding Playground Supervisors, both parties agree to meet and confer on these issues on a mutually agreed upon date.

Articles 5.9 “Minimum Pay for Call In,” and 5.10 “Minimum Pay for Call Back” of the CBA shall not apply to Playground Supervisors. All other provisions of Article 5 of the CBA shall apply to the Playground Supervisors.

7. Seniority Date: Playground Supervisors working for the District as of January 1, 2019, shall have a seniority date of January 1, 2019 for all purposes other than layoffs, regardless of whether employment with the District was or was not continuous and uninterrupted prior to January 1, 2019. Playground Supervisors hired by the District on or after January 1, 2019 shall have their seniority date established as their original date of hire for all purposes other than layoffs.

For all Playground Supervisors working and/or hired as of January 1, 2019, the District shall use original hire date to establish ranking for layoff purposes, regardless of whether employment with the District was or was not continuous and uninterrupted prior to adoption of this MOU. For all Playground Supervisors originally hired on or after January 1, 2019, seniority date and layoff ranking shall be established in accordance with Article 16, Layoff and Reemployment, of the CBA.

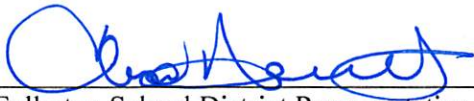

8. Probation: Playground Supervisors working for the District as of January 1, 2019 shall be classed as permanent, effective January 1, 2019. Playground Supervisors hired on or after January 1, 2019 shall be classed as permanent in accordance with the procedure enumerated in Fullerton School District Personnel Commission Rules and Regulations.
9. Leaves: Playground Supervisors shall be entitled to absences/leaves in accordance with the CBA. Playground Supervisors shall accrue sick leave at the rate specified in the CBA, effective January 1, 2019. Any accrued sick leave hours earned by Playground Supervisors between January 1, 2019 and adoption of this MOU under the terms of the CBA shall be carried over to employees’ current sick leave balance.
10. Vacations: Playground Supervisors shall earn vacation time in accordance with the CBA. Any accrued vacation days/hours retroactively earned by Playground Supervisors between January 1, 2019 and adoption of this MOU under the terms of the CBA shall be carried over to employees’ current vacation leave balance.
11. Performance Evaluation: Playground Supervisors shall receive performance evaluations in accordance with the CBA as outlined in Article 9.
12. Grievance Procedures: Playground Supervisors shall be entitled to grievance procedures in accordance with the CBA. This MOU shall be subject to the grievance procedure of the CBA.
13. Health and Welfare Benefits: Playground Supervisors shall be entitled to employee health and welfare benefits in accordance with Article 8, Health Insurance, of the CBA. 16. Applicable Changes to the CBA: The parties agree to negotiate the relevant provisions of this MOU into the CBA during 2019-2020 reopener year negotiations prior to ratification and adoption.

Background: Fullerton School District operates a State Preschool Program funded through the State Department of Education Child Care and Development Division. The District's State Preschool Program serves three to five-year-olds in classes at Commonwealth, Hermosa Drive, Maple, Orangethorpe, Pacific Drive, Richman, Valencia Park, and Woodcrest Schools. The funds are to be used for staffing, materials, and supplies.

Rationale: The original 2019/2020 Child Development State Preschool Contract, which was board approved on June 18, 2019, had a maximum total reimbursable amount of \$2,145,950. The amended 2019/2020 Child Development State Preschool Contract has increased the maximum total reimbursable amount to \$2,215,633. The increase of \$69,683 reflects the increase from \$48.28 to \$49.85 for the maximum rate per child day of enrollment.

Funding: Funding is applied to Child Development budget (#310).

Recommendation: Approve/Ratify Amended 2019/2020 Child Development State Preschool Contract effective July 1, 2019 through June 30, 2020.

SUBJECT: RESOLUTION #19/20-10 OF THE BOARD OF TRUSTEES OF THE FULLERTON SCHOOL DISTRICT ORDERING A SCHOOL BOND ELECTION, AND ESTABLISHING SPECIFICATIONS FOR AN ELECTION ORDER OCCURRING ON MARCH 3, 2020

Background: The resolution before the Board calls an election within the District for the purpose of approving general obligation bonds, requests that the Orange County Registrar of Voters conduct the election on behalf of the District, and authorizes the preparation of election materials, including ballot arguments and tax rate statement, to be included in the ballot pamphlet.

State law requires the Board of Trustees to order school district bond elections. The Orange County Registrar of Voters will conduct the election on behalf of the District, including publishing all required notices. This resolution meets the statutory requirements for describing the projects to be funded with the proceeds of the bonds, which is included as Exhibit B to the resolution. A 75-word summary of the measure, as it will appear on the ballot, is also included in the resolution as Exhibit A.

This election will be called under constitutional and statutory provisions that require fifty-five percent (55%) voter approval, and certain accountability requirements, including annual independent financial and performance audits of how funds are spent, and the formation of a Citizens' Bond Oversight Committee. State law requires that 2/3rd of a school board support the resolution calling an election requiring 55% voter approval. At least four (4) Board members must vote "Yes" in order to call the election.

Rationale: Current Local, State and Federal funding is inadequate to meet facility infrastructure needs within the District to upgrade, repair, expand, and better equip facilities within the District to improve student learning opportunities, improve student safety and campus security, and make basic improvements, including upgrading deteriorating roofs, plumbing, and electrical systems as well as removing hazardous materials.

Correspondingly, based on the above-referenced matters, Resolution #19/20-10 is being presented to the Board to call an election to submit to the electors of the District the question whether general obligation bonds of the District be authorized for the purpose of raising money to complete educational and capital projects of the District as further described in the Project List (Exhibit B) all pursuant to related State law.

Funding: To be determined by total cost of holding an election and paid from the General Fund.

Recommendation: Resolution #19/20-10 of the Board of Trustees of the Fullerton School District ordering a school bond election, and establishing specifications for an election order occurring on March 3, 2020.

RESOLUTION #19/20-10

RESOLUTION OF THE BOARD OF TRUSTEES OF FULLERTON
SCHOOL DISTRICT ORDERING AN ELECTION, AND
ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER

WHEREAS, the Board of Trustees (the “Board”) of the Fullerton School District (the “District”) has determined that schools within the District need to be upgraded, repaired, expanded, and better equipped, in a fiscally prudent manner, to enable the District to improve student learning opportunities, and improve student safety and campus security by installing fencing, security cameras, emergency communications systems, smoke detectors, fire alarms and sprinklers; and

WHEREAS, since some District schools were built more than 60 years ago, additional resources are necessary to make basic improvements, including upgrading deteriorating roofs, plumbing, and electrical systems as well as removing hazardous materials like asbestos and lead paint; and

WHEREAS, the Board is devoted to improving the quality of education in our local public schools by upgrading technology to support instruction in core subjects like math, science, engineering, technology and the arts; and

WHEREAS, the Board believes that since academic standards are rising for what it takes to compete in the 21st Century, it is in the best interest of the District to address facility improvements now and provide classrooms, labs and technology needed to ensure local students have access to education, facilities and technology necessary to succeed; and

WHEREAS, all residents benefit from living in a community with good schools and whether or not residents have school-age children, protecting the quality of our schools, the quality of life in our community, and the value of our homes, is a wise investment; and

WHEREAS, the State of California (the “State”) has been unable to provide the District with enough money for the District to adequately construct and repair schools to provide an optimal learning environment for all students and which keep pace with other top-performing districts; and

WHEREAS, the District has completed a facilities assessment with extensive community engagement to identify the most pressing needs in each of the District’s schools to provide safe and modern classroom environments for all students; and

WHEREAS, the Board has received information regarding the possibility of a local bond measure and its bonding capacity; and

WHEREAS, a local measure will help provide funds that cannot be taken away by the State to upgrade aging schools, protect student safety and help the District qualify for State matching funds; and

WHEREAS, such measure will include mandatory taxpayer protections, including an independent citizens’ oversight committee and mandatory audits to ensure funds are spent as promised; and

WHEREAS, the District has reviewed and is in agreement with the criteria established by the Orange County Taxpayers Association for the fiscally responsible issuance of local school district bonds; and

WHEREAS, on November 7, 2000, the voters of California approved the Smaller Classes, Safer Schools and Financial Accountability Act (“Proposition 39”) which reduced the voter threshold for *ad valorem* tax levies used to pay for debt service on bonded indebtedness to 55% of the votes cast on a school district general obligation bond; and

WHEREAS, concurrent with the passage of Proposition 39, Chapter 1.5, Part 10, Division 1, Title 1 (commencing with Section 15264) of the Education Code (the “Act”) became operative and established requirements associated with the implementation of Proposition 39; and

WHEREAS, the Board desires to make certain findings herein to be applicable to this election order and to establish certain performance audits, standards of financial accountability and citizen oversight that are contained in Proposition 39 and the Act; and

WHEREAS, the Board and District has solicited stakeholder and community input on school priorities from parents, teachers, staff, the community and civic leaders; and

WHEREAS, the Board desires to authorize the submission of a proposition to the District’s voters at an election to authorize the issuance of bonds to pay for certain necessary improvements and enhancements to District educational facilities which will improve the health, safety and quality of education for students in the District; and

WHEREAS, the Board hereby determines that, in accordance with Opinion No. 04-110 of the Attorney General of the State of California, the restrictions in Proposition 39 which prohibit any bond money from being wasted or used for inappropriate administrative salaries or other operating expenses of the District shall be enforced strictly by the District’s Citizens’ Oversight Committee; and

WHEREAS, pursuant to Education Code Section 15270, based upon a projection of assessed property valuation, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued will not increase the current tax rates for school facilities and not exceed the Proposition 39 limits per year per \$100,000 of assessed valuation of taxable property; and

WHEREAS, Elections Code Section 9400 *et seq.* requires that a tax rate statement be contained in all official materials relating to the election, including any ballot pamphlet prepared, sponsored, or distributed by the District; and

WHEREAS, the Board desires to authorize the filing of a tax rate statement and a ballot argument in favor of the proposition to be submitted to the voters at the election; and

WHEREAS, pursuant to the Elections Code, it is appropriate for the Board to request consolidation of the election with any and all other elections to be held on Tuesday, March 3, 2020, and to request the Orange County Registrar of Voters to perform certain election services for the District.

NOW THEREFORE, THE BOARD OF TRUSTEES OF THE FULLERTON SCHOOL DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

PROJECT LIST

The Board of Trustees of the Fullerton School District is committed to **improving the quality of education** in local schools by providing safe, secure, upgraded classrooms, labs and technology needed to support high quality instruction **in math, science, engineering and technology**. To that end, the Board evaluated the District’s urgent and critical facility needs, including **safety** issues, class size reduction, **basic repairs**, computer and information technology in developing the types of projects to be funded by this measure as described below. The District also revised a 2015 Master Facilities Plan, which is incorporated herein in its entirety. The District conducted a facilities evaluation and received public input in developing this Project List. Teachers, staff, community members and the Board have prioritized the key health and safety needs so that the most critical facility needs are addressed.

In approving this Project List, the Board of Trustees determines that the District **must**:

- (i) **Remove hazardous materials like asbestos and lead paint, as necessary, from older schools; and**
- (ii) **Provide classrooms, facilities and technology needed to support high quality instruction in math, science, engineering and technology; and**
- (iii) **Repair or replace deteriorating roofs, plumbing, heating, ventilation, and electrical systems where needed; and**
- (iv) **Keep computer systems and instructional technology up-to-date; and**
- (v) **Improve student safety and campus security including security fencing, security cameras, emergency communication systems, smoke detectors, fire alarms and sprinklers; and**

The Project List includes the following types of upgrades and improvements at District schools, facilities and sites:

**STUDENT SAFETY AND ACHIEVEMENT: LOCAL SCHOOL FUNDING TO SUPPORT
HIGH QUALITY INSTRUCTION IN MATH, SCIENCE, ENGINEERING AND
TECHNOLOGY**

Projects That Improve Student Safety and Success

Goals and Purposes: A few of our schools have modern classrooms, labs, and educational facilities, but most do not. This measure will ensure that all students have equal access to the classrooms, labs and facilities they need to succeed.

Whether or not one has school-age children, protecting the quality of our schools, the quality of life in our community, and the value of our homes is a wise investment.

Schools will benefit from a variety of safety and achievement projects, such as:

- **Improve student safety and campus security systems**, including security fencing, security cameras, emergency communications systems, smoke detectors, fire alarms and sprinklers.
- **Keep computer systems and instructional technology up-to-date.**
- Provide the classrooms and facilities needed to support high quality instruction in music, visual and performing arts.
- Transform outdated libraries into modern learning centers.
- **Provide the classrooms, facilities and technology need to support high quality instruction in math, science, engineering, and technology.**
- Improve pick-up and drop-off zones and parking lots to improve student safety and traffic flow.
- Ensure that childrens' playground equipment and play areas meet current health and safety standards.
- **Remove hazardous materials like asbestos and lead paint, as necessary, from older school sites.**

IMPROVE THE QUALITY OF EDUCATION IN LOCAL PUBLIC SCHOOLS

School Repair and Upgrade Projects Funded By Money That Cannot Be Taken By the State Or Used for Other Purposes

Goals and Purposes: If we want our kids to succeed in high school, college and in-demand careers, they must be skilled in the use of today's technologies and have a solid background in science, math, engineering and technology. This measure will make this possible.

Some of our schools were built over 60 years ago and they need to be repaired and upgraded. It's time to make essential repairs and improvements, including deteriorating roofs, plumbing, and electrical systems, so our schools can serve the community well for decades to come.

- **Repair or replace deteriorating roofs, plumbing, sewer lines and electrical systems.**
- Improve access to school facilities for students with disabilities.
- **Provide classrooms, labs and technology to support high quality instructions in math, science, engineering and technology.**
- Improve heating, ventilation, and air conditioning systems, insulation, doors and windows to increase energy efficiency and reduce utility bills.
- Replace aging portable classrooms that are expensive to repair and maintain with modern, permanent classrooms.
- Ensure that all students have equal access to outdoor learning, athletics, and physical education facilities.
- **Remove hazardous materials like asbestos and lead paint from older schools.**
- Upgrade older schools so they meet the same academic and safety standards as newer schools.

In addition to the projects listed above, the repair and renovation of each of the existing school facilities may include, but not be limited to, some or all of the following: add or renovate student and staff restrooms; repair and replace electrical, plumbing, heating, ventilation and air conditioning systems; upgrade of facilities for energy efficiencies; repair and replace worn-out and deteriorated roofs, windows, walls, floors, doors and drinking fountains; construct or renovate facilities for more efficient administration and multi-purpose learning spaces; install wiring and electrical systems to safely accommodate computers, technology and other electrical devices; upgrade or construct support facilities including administrative, physical education, gyms, music, art, performing and fine arts classrooms or facilities, science, computer labs/classrooms, libraries and buildings, covered eating areas, and welcome centers; repair and replace fire alarms, emergency communications, fencing and security systems; improve facilities to satisfy ADA requirements; resurface or replace asphalt, broken concrete and improve hard courts, turf and irrigation/drainage systems and campus landscaping; install signage and marquees; expand parking and drop-off areas; improve all site utilities; acquire land; construct new school buildings, including 2-story classrooms; upgrade or replace interior and exterior painting, floor covering (including carpets), and school facades; demolition; upgrade kitchens, food service, and school cafeterias; build or install or upgrade a data center and generator at central district office; construct various forms of storage and support spaces and classrooms; improve outdoor learning environments and quads; repair, upgrade and install

interior and exterior lighting systems; improve playgrounds, tracks, play structures, sports complex, athletic fields and facilities to support student health, fitness and safety; replace outdated security fences and security systems (including access control systems), provide lunch shelters, indoor space for assemblies or for rainy day lunch; upgrade music labs, multi-purpose rooms, learning centers and library media centers; add or upgrade parking lots. In addition to the listed projects stated above, the Project List also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the Project List; payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by construction projects. The upgrading of technology infrastructure includes, but is not limited to, network rewiring, cabling, fiber infrastructure, computers, portable interface devices, servers, switches, routers, modules, sound projection systems, classroom tv/audio enhancements, laser printers, digital white boards, document projectors, upgrade voice-over-IP, clock/telephone/ intercom systems, call manager and network security/firewall, wireless technology systems, refresh classroom technology, miscellaneous IT and instructional equipment, data storage, phones, identity cards and the construction and installation of a data center in the cloud for the District's enterprise systems, such as resource planning, websites, domain name systems, cloud applications and information security. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of portable classrooms and existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation or drainage systems, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects. Bond proceeds shall only be expended for the types of projects and purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

FISCAL ACCOUNTABILITY: THIS MEASURE REQUIRES A CLEAR SYSTEM OF ACCOUNTABILITY, INCLUDING A PROJECT LIST DETAILING HOW THE MONEY WILL BE USED, A CITIZEN'S OVERSIGHT COMMITTEE, AND INDEPENDENT AUDITS TO ENSURE MONEY IS SPENT PROPERLY.

IN ACCORDANCE WITH EDUCATION CODE SECTION 15272, THE BOARD OF TRUSTEES WILL APPOINT A CITIZENS' OVERSIGHT COMMITTEE AND CONDUCT ANNUAL INDEPENDENT AUDITS TO ASSURE THAT FUNDS ARE SPENT ONLY ON DISTRICT PROJECTS AND FOR NO OTHER PURPOSE. THE EXPENDITURE OF BOND

MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.

NO ADMINISTRATOR SALARIES: PROCEEDS FROM THE SALE OF THE BONDS AUTHORIZED BY THIS PROPOSITION SHALL BE USED ONLY FOR THE ACQUISITION, CONSTRUCTION, RECONSTRUCTION, REHABILITATION, OR REPLACEMENT OF SCHOOL FACILITIES, INCLUDING THE FURNISHING AND EQUIPPING OF SCHOOL FACILITIES, AND NOT FOR ANY OTHER PURPOSE, INCLUDING TEACHER AND SCHOOL ADMINISTRATOR SALARIES AND OTHER OPERATING EXPENSES.

AGENDA ITEMS – Per Board Bylaw 9322, a member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request must be in writing and submitted to the Superintendent's Office with supporting documents and information. The Board President and Superintendent shall decide whether a request is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, the Board President and/or Superintendent shall determine if the item is merely a request for information or whether the issue is covered by an existing policy or administrative regulation before placing the item on the agenda.

Per Board Bylaw 9323, individual speakers shall be allowed three minutes to address the Board on each agenda or non-agenda item. Public comments about an item that is not on the posted agenda will be heard at the beginning of open session when called upon by the Board President. No action or discussion may take place on an item that is not on the posted agenda except as expressly authorized by law. Since the Board cannot take action on items that are not on the agenda, such items will be referred to the Superintendent for handling. "All requirements in... the Brown Act expressly or impliedly requiring the physical presence of members, the clerk or other personnel of the body, or of the public as a condition of participation in or quorum for a public meeting are hereby waived."

This means that Board Members may attend meetings remotely (i.e., by telephone or teleconference). Further, Board Meetings can proceed even if a quorum of the Board — or the entire Board — is participating remotely. Superintendent's Report

Dr. Pletka stated his report would be part of the Social Emotional/Mental Health Accountability presentation.

Information from the Board of Trustees

Trustee Meyer- She reported it is conference week for parents and teachers. It is a fun week to allow parents to meet with the teacher to discuss the progress of their child. She commended staff including CSEA, FETA, FESMA, PTA for their hard work with Measure J. She congratulated Dr. Robin Gilligan, Dr. Liz Leon, Dr. Danielle Ramirez, and Dr. Julie Graham for recently receiving their doctorate. She wished everyone a great spring recess.

Trustee Thakur- He stated today in India is a day of celebration called "holy" or "color run"; he stated the last couple of months have been difficult and wished everyone a wonderful spring recess.

Trustee Berryman – She stated staff spent numerous hours supporting Measure J and she thanked everyone for their hard work and efforts with Measure J; the staff was led by integrity. Trustee Berryman read the following statement:

I would like to take my time this evening to express my appreciation for the time that our teachers, counselors, principals and administrators have been spending on a long-term plan to address the mental health needs of our students. This issue has become more important over the past year as we have seen student behaviors that warrant more attention. I do understand the frustrations that our teachers have been feeling and am committed to this issue.

Over the past couple of months, the president of our Teachers association has been updating us on our newest district "think tank" addressing the challenges of our junior high students. These challenges are across the board and are not specific to any area or population.

In my years as a board member here, I have always advocated for student safety, wellness and mental health with an emphasis on the junior high experience. My priorities have not changed and I still feel that this is a great need in our district and plan to continue to support the efforts towards allocating resources to this priority.

I was proud that our board also feels mental health is a top priority and this year, we added a goal to reflect this priority.

As with any large organization with many moving parts, I do understand that for a goal to become a reality, it takes some time. It takes time to bring everyone to the table and develop a long term plan to address the issue. We need all stakeholders to participate in the process and provide as many thoughts and opinions to best serve our students. We are lucky to have such a strong group of stakeholders, that include parents and staff members, that participate in our LCAP process and I want to make it known that I truly appreciate the mindfulness and attention that they contribute to our district.

I am excited to hear the staff presentation on Mental Health services for our district and will take this proposal into consideration as we fine tune our District's LCAP and budget in May and June. I know that I will have input at that time and hopefully with our collective voices, we will be able to provide our students with the best possible programs to help them navigate this time of their lives.

Trustee Sugarman- She shared that society is more successful when the opinion of all people are considered and that is what makes Fullerton a place that welcomes innovation and growth. It is important to educate the whole child including the social and emotional well-being. She thanked staff who coordinated the Champions for Learning Family Conference on March 7, 2020. The conference offered an array of workshops for both parents and students with topics ranging from art, zumba, math, and social emotional support. She thanked Dr. Pletka for his leadership and thanked the Fullerton community for participating in Measure J. Trustee Sugarman stated she was touched by so many people coming together for one cause and she hopes a future bond may be considered.

President Vazquez –She shared her appreciation towards staff who have been sanitizing and deep cleaning. She mentioned the Champions for Learning Family Conference was very inspirational and she thanked all staff for the numerous events they have been planning. President Vazquez stated that together we can continue to grow and innovate.

Information from DELAC, PTA, FETA, CSEA, FESMA

DELAC– No report.

PTA- Wendy Reid and Christy Carter read the following statement: I am writing this letter in regards to the recent LCAP meeting that took place on Wednesday, February 19th, 2020. That Wednesday, I arrived a few minutes late (shuttling kids around!) to the meeting and when I walked into the ELC, I saw Jeanette Vazquez in front of the room talking to the group. Knowing that Jeannette Vazquez is the current FSD School Board President, my first thought was that she was sharing the priorities of the FSD School Board - the items that the Board feels are important to ideally (if possible) include in the LCAP. So, I was intent on listening to what she had to say. I was open to hearing what the School Board felt was important to include - they are an important Stakeholder too! However, it quickly became evident to me that Ms. Vazquez had other intentions in mind. While her passion and drive were clearly evident by the manner in which she was talking, I did not appreciate her adamant attitude and the “demanding nature” with which she was addressing the group. What really, really upset me, however, was the phrase “Myself and my fellow school board member Aaruni Thakur, WILL NOT pass the LCAP UNLESS these items are included...” and she proceeded to list the items that she demanded must be in the LCAP. I was incredibly shocked to hear that particular sentence coming from the School Board President, especially since she was addressing a room full of volunteers who were representing all of the stakeholder groups in FSD. Our sole purpose of being on this LCAP committee is to work on coming up with an LCAP that best addresses the needs of ALL students in our district, while taking into account the LCAP Directives and Guidelines. There is no demanding ANYTHING on this committee. Instead, we ALL provide our input, we discuss, we explore and we come up with an LCAP plan TOGETHER. How dare our School Board President come to us and tell us that none of our year-long work is going to matter, unless we include those specific things that she says we must include. How dare Aaruni Thakur tell us the same thing - via Ms. Vazquez. He wasn't even at the LCAP meeting. He sent Ms. Vazquez to do his dirty work? And then to threaten us with “I'm not going to pass the LCAP unless....?” This is incredibly insulting to those of us who have put in so many hours already this year, not to mention, an abuse of power on her part. It made me (and many others) feel discounted and disrespected and basically made our work and efforts thus far, absolutely worthless. As School Board President, isn't it Ms. Vazquez's job to represent the ENTIRE board? Is the position she shared with us, the position of EVERY FSD School Board Member? Is she looking out for the welfare of EVERY student in our district, or just a particular subset? Because after hearing her speak at the LCAP meeting, I no longer feel that Ms. Vazquez is considerate of EVERY student. Not to mention, Ms. Vazquez's demands of certificated mental health counselors (no more associates) are way above the means of our LCAP and would mean taking money away from other programs that the District Stakeholders feel are very important. And yet, she demanded this be included on the LCAP. I am extremely disappointed with Ms. Vazquez's behavior, as well as that of Mr. Aaruni Thakur. My time, my hours, and my input are all valuable, as are that of each and every one of us on the LCAP Committee. I don't appreciate being made to feel dispensable, unimportant and useless. Perhaps certain School Board Members need to reevaluate the manner in which they attack those of us who have put in countless hours to help ALL of our kids in FSD be successful, productive and healthy students with amazing programs, opportunities and support. Because those of us on the LCAP Committee are committed to doing just that.

FETA –Mark Jacobs.- He stated that teachers are currently conducting parent conferences along with diagnostic testing. He stated that the “think tank” continues to facilitate conversations between administrators and staff to help junior high students with difficult behaviors. He stated the CTA conference was cancelled. He thanked staff for supporting Measure J (Dr. Pletka publicly thanked Mr. Jacobs for his strength and courage working together in Measure J efforts).

CSEA – Marleen Acosta- She thanked Dr. Rob Coghlan for spearheading the Measure J campaign. She thanked Mark Jacobs for his hospitality at the NOCUT office. She felt very welcomed and part of the team supporting Measure J. She also thanked FESMA, FETA, and CSEA members who helped precinct walk, make signs, and phone bank. With the recent concerns regarding COVID-19, the cleanliness of schools has become an issue for not only students, but also for teachers and support staff who work at the sites. FSD distributed guidelines for staff to encourage wellness. She asked the District consider going back to every day cleaning. The CSEA Banquet will be held on May 16, 2020, at the Holiday Inn in Buena Park with a “Roaring 20's” theme.

FESMA –Robin Gilligan- She reported that in the spirit of “PAL” management is working together for the benefit of students. She stated the emergency preparedness team is meeting weekly to review updates regarding COVID-19. She thanked nurses and support staff for their ongoing support to keeping students and staff healthy.

Public Comments:

Steven Brunette (community member) expressed his concern regarding the solar project at Hermosa Drive Elementary. He stated the community members should have a voice and is concerned about the location of the solar panels.

Paulette Chaffee (community member) reported the Fullerton Collaborative is comprised of 62 organizations in Fullerton such as the Arts for All the Kids, Assistance League, CSUF, and many others. Mrs. Chaffee stated it is great that FSD is a partner of the Fullerton Collaborative to help enhance the lives of children. She stated the Faces of Fullerton event is now the “We are Fullerton” event and will be held on April 18, 2020, beginning at 10:00 a.m. Fullerton School District will host several booths at this event.

Veronica Moran (FSD parent and DELAC representative) commented she has been an FSD parent for numerous years and her mission is to help children. She stated that parents and FSD can work in conjunction and face obstacles together to help children. Parent topics of interest include safety and mental health. Mrs. Moran stated people are different but many of our issues are similar and would like to continue working together so we can continue advancing forward.

Alma Chavez (FSD parent and DELAC representative) thanked Dr. Pletka and President Vazquez for their hard work supporting children through mental health resources. She stated it is important to find a solution to help students through issues such as bullying, absenteeism, and poverty. Mrs. Chavez stated the importance of visiting families when issues arise and the issues may be stemming from home.

The Board of Trustees discussed the following items relating to Discussion/Action Item #1a:

1. Distribution of Meals - when, how and how we will communicate this:

We will continue to offer lunches and breakfasts next week (March 16th through March 20th) to all children under the age of 18 through curbside pick-up at 20 schools from 11:00 a.m. to 1:00 p.m. Children must be present in order to receive their lunch meal. In addition, breakfast will be picked up with lunch for the following day.

2. Lesson Plans printed and distributed along with online resources at the following website

The [Five-Day Remote Learning Plan](#) was printed for all sites and delivered. All students received a copy before going home on Friday, March 13th. The plan was translated in Spanish and Korean and is posted on the website along with online resources. At this time, the learning plan is optional and not required. The activities will not be graded or impact a student's grade. Principals will be meeting with teachers on Monday to present a slide presentation that outlines staff expectations on planning lessons in case the closure exceeds two weeks. Robin will be meeting with all SPED staff on Monday to go over services.

3. Next Communication to the Community

The District will be sending the below message to all families on Saturday, March 14, 2020, at 9:00 am:

Good Morning,

Last night, the Fullerton School District Board of Trustees passed a resolution closing all schools beginning Monday, March 16, 2020, resuming as usual on Monday, March 30, 2020 (note: this time includes our regularly scheduled week off for Spring Break).

This is out of an abundance of caution, in an effort to limit the spread of COVID-19, and with guidance from local, state, and federal public health experts. As a reminder, we continue to recommend that you and your family practice prevention practices.

We understand that school closures affect all families, and we are committed to addressing the needs of our learners. We will continue to offer lunches next week (March 16th through March 20th) to all children under the age of 18 through curbside pick up at the following school sites: Maple, Pacific Drive, Orangethorpe, Raymond, Richman, Valencia Park, Woodcrest Schools, Ladera Vista JHS of the Arts and Nicolas Junior High School from 11:00 a.m. to 1:00 p.m. Children must be present in order to receive their lunch meal. In addition, breakfast can be picked up for the following day.

For families without home Internet access, Spectrum is offering **FREE INTERNET** for 60 days. Please call 1-844-488-8395. We have many optional learning resources on our website and it would greatly benefit your family to take advantage of this FREE Internet offer.

Thank you for your understanding and patience as we make decisions for the health and welfare of our students, staff, and community. Together we will successfully navigate these uncertain times. Please visit www.fullertonsd.org for updates and links to additional resources. Thank you.

4. All employees will be paid for the next week and in case there is a need for additional time.
All employees will be paid their normal salary during school days that the school is closed.

5. Are all classrooms and schools going to be sanitized sometime next week?

Yes, the M & O team will be spending the next two weeks deep cleaning, sanitizing, and disinfecting all of the schools. The good news is the two weeks will provide extra time for completing greater deep cleaning and ensure all surfaces are sanitized and disinfected.

6. If we do have to have meetings we will be practicing social distancing including tonight at the board meeting. Chairs will be 6 feet a part.

7. Website addresses where additional info will be displayed.

[COVID-19 Letter](#)

[Useful Links](#)

[Learning Resources](#) (including the Five-Day Plan, Learning Resources Interactive Slides, and Thrively link)

9. Are there resources for families that do not have WiFi access?

Yes. Spectrum is providing families with children who are impacted by school closure with two months of free WiFi for internet access. We have provided this information to our families in the message sent out on March 14, 2020, in the morning, and we will post this information on our District webpage.

It then was moved Aaruni Thakur, seconded by Beverly Berryman and carried 5-0 to Approve Resolution #19/20-15 of the Board of Trustees of the Fullerton School authorizing the Superintendent to take any and all necessary actions to prepare and respond effectively to the Novel Coronavirus (COVID-19)

CONSENT ITEM

DATE: April 14, 2020
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts, which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

SUBJECT: **ADOPT/RATIFY RESOLUTION #19/20-18 AUTHORIZING AN INCREASE TO THE REVOLVING CASH FUND FROM \$50,000 TO \$100,000**

Background: The Board previously approved Resolution 01/02-40 on April 23, 2002 authorizing revolving fund at \$50,000. This fund is used for emergency reimbursements. Education Code 42800 provides that the Governing Board of any school district may increase this amount. The \$100,000 proposed is below the maximum allowed per Education Code 42800.

Rationale: This agenda item allows the increase of the Revolving Cash Fund in order to pay emergency refunds and other payments for programs that have been cancelled due to the COVID19 pandemic and school closures.

Funding: Not applicable.

Recommendation: Adopt/ratify Resolution #19/20-18 authorizing an increase to the revolving cash fund from \$50,000 to \$100,000.

SUBJECT: **APPROVE MEMORANDUM OF UNDERSTANDING FOR COVID-19 TEACHER EVALUATIONS BETWEEN THE FULLERTON SCHOOL DISTRICT AND FULLERTON ELEMENTARY TEACHERS ASSOCIATION (FETA)**

Background: Due to the worldwide coronavirus pandemic that has led to the closure of the Fullerton School District, the evaluative process for certificated staff has developed some obstacles for completion. In collaboration with the Fullerton Elementary Teachers Association (FETA), the District has developed a new Memorandum of Understanding (MOU) and is requesting Board approval. This MOU will allow a certificated staff member, with administrator agreement, to continue on with their evaluation or suspend it entirely.

Rationale: This MOU will allow certificated staff and their respective administrators to make a final decision regarding this year's Reflective Evaluation process.

Funding: Not Applicable.

Recommendation: Approve Memorandum of Understanding for COVID-19 Teacher Evaluations between the Fullerton School District and Fullerton Elementary Teachers Association (FETA).

MEMORANDUM OF UNDERSTANDING
between the
Fullerton School District (FSD)
and the
Fullerton Elementary Teachers Association (FETA)

March 26, 2020

Due to the COVID-19 crisis and the resulting temporary school closure, the Fullerton School District (FSD) and the Fullerton Elementary Teachers Association (FETA) agree to modify the certificated employee's Reflective Evaluation process as follows:

1. With **both** certificated employee and principal agreement, the certificated employee will be able to **complete their 2019-20 evaluation** this year and the administrator will provide end of year feedback and ratings for each goal of the Reflective Evaluation Form (REF). Year-End Reflections will focus on progress on goals through March 13, 2020 and the certificated employee's challenges and successes transitioning to Distance Learning.
 - a. Probationary, temporary, intern, and certificated employees under an assistance plan will be evaluated in 2020-21 as defined in the contract.
 - b. Permanent certificated employees with 3-9 years of District experience and a satisfactory REF on the 2019-20 year-end REF, will be on-cycle and evaluated again in 2021-22.
 - c. Permanent certificated employees with 10 or more years of District experience, a satisfactory REF on the 2019-20 year-end REF, along with their administrator's approval, may be provided with a one-year waiver (providing two years between evaluation cycles) and will be on-cycle for evaluation in 2022-23.
2. If a certificated employee **or** principal decides to **suspend their 2019-20 evaluation**, the existing 2019-20 REF will be deleted and not placed in the employee's personnel file, and the certificated employee will be evaluated according to the regular evaluation process/timeline as follows:
 - a. Probationary, temporary, intern, and certificated employees under an assistance plan or any teacher marked as "not on target/at -risk" on the 2019-20 mid-year REF who were on-cycle to be evaluated in 2019-20, will be evaluated in 2020-21 and will not have a REF for 2019 -20.
 - b. Permanent certificated employees who were on-cycle to be evaluated for 2019-20, with 3-9 years of District experience, will be evaluated in 2021-22 and will not have a REF for 2019-20.

- c. Permanent certificated employees who were on-cycle to be evaluated for 2019-20 with 10 or more years of District experience, will be evaluated in 2021-22 and will not have a REF for 2019-20.
3. Next year, 2020-21, all certificated employees who are scheduled to be on-cycle to be evaluated, will be evaluated per the normal evaluation schedule. Any certificated employee who was scheduled to be evaluated in 2019-20, but did not complete the REF according to #2b or #2c, will be evaluated in 2021-22. This will ensure our current staggered evaluation schedule stays the same.
4. Certificated employees who received approval for a postponement due to leaves of absence, illness, unexpected emergency, etc. prior to this MOU will be on-cycle for 2020-21.

SUBJECT: **APPROVE MEMORANDUM OF UNDERSTANDING BETWEEN THE FULLERTON SCHOOL DISTRICT AND CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION (CSEA), CHAPTER 130 PURSUANT TO COVID-19 AND WORK SCHEDULES**

Background: The worldwide coronavirus pandemic that has led to the temporary closure of Fullerton School District schools and many other businesses, which has impacted many of our classified employees family members and their ability to work and receive pay. In collaboration with the District and the California School Employees Association (CSEA), and its Chapter 130, a temporary Memorandum of Understanding (MOU) for the period of Spring Break has been developed for employees who work less than 12 months. These classified employees will be permitted to claim vacation pay for their regularly scheduled hours and to be paid for extra hours worked to help the District provide meals and distance learning materials to students. Under the current bargaining agreement and pre-established work calendars, less than 12-month employees cannot exceed their daily work hours using a combination of vacation pay and extra hours worked on days they are not scheduled to work. This MOU provides for a one-time exception to this bargaining agreement provision.

Rationale: This MOU between the District and CSEA allows classified employees who work less than 12 months who worked during Spring Break to claim vacation pay for their regularly scheduled daily work hours and to be paid for extra hours worked.

Funding: Not applicable.

Recommendation: Approve Memorandum of Understanding between the Fullerton School District and California School Employees Association (CSEA) Chapter 130 pursuant to COVID-19 and work schedules.

Fullerton Elementary Chapter #130

March 30, 2020

Less Than 12-Month Employees Working Additional Hours during Spring Break due to COVID-19

This Memorandum of Understanding is agreed between the Fullerton School District (District) and the California School Employees Association and its Fullerton Elementary Chapter 130 (CSEA) concerning classified employees who were not normally scheduled to work, and who worked additional hours during Spring Break 2020 due to the COVID-19 Stay Home Order issued by the Governor of the State of California.

The District and CSEA recognize the serious nature of the current COVID-19 crisis. During the Governor's Stay Home Order essential services have been mandated to be provided to students in California, specifically the provision of meals to children up to 18 years old. In order to provide these essential services, classified employees who were not normally scheduled to work were asked if they would be willing to volunteer to work additional hours and a number of classified employees volunteered to work additional hours.

Employees who volunteered to work these additional hours under normal circumstances would have put the additional hours worked onto their timesheet under "extra time" and put the time required to equal their daily hours under "vacation" so the employee's total hours between the two entries would equal their regularly worked daily hours. (For example, an employee who usually works 3.5 hours per day and agreed to work 2 additional hours per day during Spring Break would fill out their timesheet by writing 2 hours in "extra time" and 1.5 hours in "vacation" totalling 3.5 hours). This would result in the employee potentially banking more vacation hours at the end of the school year due to working the additional time over Spring Break.

The District and CSEA agree that due to the COVID 19 crisis, classified employees who were not normally scheduled to work spring break and voluntarily agreed to work additional hours any day during the period of March 23 - March 26, 2020 will be able to claim both vacation hours for their full regularly scheduled working hours and payment for the hours they worked. (For example, an employee who usually works 3.5 hours per day and agreed to work 2 hours per day during Spring Break will fill out their timesheet by writing 3.5 hours in “vacation” and 2 hours in “extra time.”)

Each employee who worked any hours during the period of March 23 - March 26, 2020 and was not scheduled to work those days as part of their work year calendar will be able to choose:

OPTION A: Claim full vacation hours plus the extra working hours (Note: All pay is at the employee's regular hourly rate or the Food Service Assistant, Step 1 Range 8 rate, whichever is higher).

OR

OPTION B: Reduce the number of vacation hours claimed and use the additional hours worked to equal the employee’s scheduled work day.

EXAMPLES (2 listed below)				
	Daily hours normally worked	Extra hours worked (list on timesheet)	Vacation hours (listed on timesheet)	Total hours employee will be paid **
OPTION A	3.5 hrs. per day	2 hrs. per day	3.5 per day	5.5 hrs. per day
OPTION B	3.5 hrs. per day	2 hrs. per day	1.5 hrs. per day*	3.5 hrs. per day
OPTION A	8.0 hrs. per day	3 hrs. per day	8.0 per day	11.0 hrs. per day
OPTION B	8.0 hrs. per day	3 hrs. per day	5.0 hrs. per day*	8.0 hrs. per day

* The classified employee will bank a greater number of vacation hours for later use.

** All hours paid will be at the employee’s regular hourly rate (overtime or time and a half will not be given if the employee claims over 8.0 hours as the total day will contain vacation time).

The employee will make this selection based on how the employee fills out the timesheet for the pay period that includes March 23 - March 26, 2020.

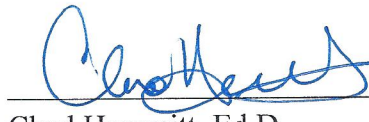

This is a one-time MOU and is non-precedent setting.

SUBJECT: **ADOPT RESOLUTION #19/20-19 AUTHORIZING THE IMPOSITION AND COLLECTION OF INCREASED DEVELOPER FEES ON NEW RESIDENTIAL AND COMMERCIAL/INDUSTRIAL CONSTRUCTION**

Background: On January 22, 2020, the State Allocation Board (SAB) approved an increase to Level 1 Developer Fees which is the amount a school district may charge for mitigating the impact of new residential and commercial/industrial development on school district facilities. The recently adopted Level 1 Developer Fees allows for \$4.08 per square foot of assessable space on residential property (developer fees) to be collected. Fullerton School District is not a K-12 district; therefore, the amount collected is shared with Fullerton Joint Union High School District, and Fullerton School District's share would be 2/3 or \$2.72 per square foot. The recently adopted Level 1 Developer Fees also allows for \$0.66 per square foot of commercial/industrial construction to be collected, of which Fullerton School District's share would be \$0.44 per square foot.

The ability to implement Level I fees approved by the SAB on January 22, 2020 is supported by a study entitled *Fullerton School District School Fee Justification Study*. The study has been available for public review for the required period of time, and notice of the public hearing, which must be held prior to the adoption of Resolution #19/20-19, was published twice, as required by law.

After the public hearing, staff recommends the Board adopt Resolution #19/20-19. The new fees would become effective in sixty (60) days.

Rationale: School districts collect developer fees based upon the rates set and approved by the SAB every two years. School districts may revise their fees when the SAB increases them and when justified by a mitigation study. In order to retain eligibility for future State school construction and modernization funding, the District must assess maximum fees as allowed by the SAB.

Funding: There is no cost to the District to adopt new Level 1 Developer Fees.

Recommendation: Adopt Resolution #19/20-19 authorizing the imposition and collection of increased developer fees on new residential and commercial/industrial construction.

RESOLUTION #19/20-19

RESOLUTION OF THE BOARD OF TRUSTEES OF THE FULLERTON SCHOOL DISTRICT APPROVING AN INCREASE IN STATUTORY SCHOOL FEES IMPOSED ON NEW RESIDENTIAL AND COMMERCIAL/INDUSTRIAL CONSTRUCTION PURSUANT TO EDUCATION CODE SECTION 17620 AND GOVERNMENT CODE SECTION 65995

WHEREAS, the Board of Trustees (“Board”) of the Fullerton School District (“District”) provides for the educational needs for Grade K-8 students; and

WHEREAS, on January 22, 2020, the State Allocation Board (“SAB”) authorized an adjustment in the statutory school fee amounts for unified school districts pursuant to Government Code Section 65995(b)(3) to Four and 8/100 Dollars (\$4.08) per square foot for assessable space of new residential construction (“Residential Statutory School Fees”) and Sixty-Six Cents (\$0.66) per square foot of chargeable covered and enclosed space for the categories of new commercial/industrial construction (“Commercial/Industrial Fees” and collectively “Statutory School Fees”), as long as such increases are properly justified by the District pursuant to law; and

WHEREAS, the District pursuant to Education Code Section 17623(a) entered into a fee sharing agreement (“Fee Sharing Agreement”) with the Fullerton Joint Union High School District (“FJUHSD”), which provides for the educational needs of students in the same jurisdictional boundaries as the District. The Fee Sharing Agreement specifies the allocation of Statutory School Fees that may be charged and collected by the District, and said agreement allows the District to charge and collect an amount approximately two-thirds (66.67%) to the District and approximately one-third (33.33%) to FJUHSD; and

WHEREAS, new residential and commercial/industrial construction continues to generate additional students for the District’s schools and the District is required to provide school facilities (“School Facilities”) to accommodate those students; and

WHEREAS, the District does not have sufficient funds available for the construction or reconstruction of the School Facilities, including construction of permanent School Facilities and acquisition of interim School Facilities, to accommodate students from new residential and commercial/industrial construction; and

WHEREAS, the Board has received and considered a report entitled, “2020 School Fee Justification Study” (“Study”), which includes information, documentation, and analysis of the School Facilities needs of the District, including: (a) the purpose of the Applicable Statutory School Fees; (b) the use to which the Applicable Statutory School Fees are to be put; (c) the nexus (roughly proportional and reasonable relationship) between the residential and commercial/industrial construction and (1) the use for Applicable Statutory School Fees, (2) the need for School Facilities, (3) the cost of School Facilities and the amount of Applicable Statutory School Fees from new residential and commercial/industrial construction; (d) a determination of the impact of the increased number of employees anticipated to result from the commercial/industrial construction (by category) upon the cost of providing School Facilities within the District; (e) an evaluation and projection of the number of students that will be generated by new residential construction; (f) the new School Facilities that will be required to serve such students; and (g) the cost of such School Facilities; and

WHEREAS, the Study pertaining to the Statutory School Fees and to the capital facilities needs of the District has been available to the public for at least ten (10) days before the Board considered at a regularly scheduled public meeting the increase in the Statutory School Fees; and

WHEREAS, all notices of the proposed increase in the Statutory School Fees have been given in accordance with applicable law; and

WHEREAS, a public hearing was duly held at a regularly scheduled meeting of the Board relating to the proposed increase in the Statutory School Fees on April 14, 2020; and

WHEREAS, as to the Statutory School Fees, Education Code Section 17621 provides that the adoption, increase or imposition of any fee, charge, dedication, or other requirement, pursuant to Education Code Section 17620 shall not be subject to the California Environmental Quality Act, Division 13 (commencing with Section 21000) of the Public Resources Code.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE FULLERTON SCHOOL DISTRICT AS FOLLOWS:

Section 1. That the Board accepts and adopts the Study.

Section 2. That the Board finds that the purpose of the Statutory School Fees imposed upon new residential construction are to fund the additional School Facilities required to serve the students generated by the new residential construction upon which the Statutory School Fees are imposed.

Section 3. That the Board finds that the Statutory School Fees imposed on new residential construction will be used only to finance those School Facilities described in the Study and related documents, and that these School Facilities are required to serve the students generated by the new residential construction within the District; and that the use of the Statutory School Fees will include construction of additional School Facilities, remodeling existing School Facilities to add additional classrooms and technology, and acquiring and installing additional portable classrooms and related School Facilities, remodeling of existing School Facilities, and additional portables to be determined based on the residence of the students being generated by such new residential construction, as well as any required central administrative and support facilities, within the District.

Section 4. That the Board finds that there is a roughly proportional, reasonable relationship between the use of the Statutory School Fees and the new residential construction within the District because the Statutory School Fees imposed on new residential construction by this Resolution will be used to fund School Facilities that will be used to serve the students generated by such new residential construction.

Section 5. That the Board finds that there is a roughly proportional, reasonable relationship between the new residential construction upon which the Statutory School Fees are imposed, and the need for the construction or reconstruction of School Facilities in the District because new students will be generated from new residential construction within the District and these students cannot be housed by the District without causing the District to incur additional costs to construct School Facilities and/or reconstruct existing School Facilities.

Section 6. That the Board finds that the amount of the Statutory School Fees imposed on new residential construction as set forth in this Resolution is roughly proportional and reasonably related to, and does not exceed the cost of, providing the School Facilities required to serve the students generated by such new residential construction within the District.

Section 7. That the Board finds that the purpose of the Statutory School Fees imposed on new commercial/industrial construction is to fund the additional School Facilities required to serve the students generated by the new commercial/industrial construction upon which the Commercial/Industrial Fees are imposed.

Section 8. That the Board finds that the Statutory School Fees imposed on new commercial/industrial construction (by category) will be used only to finance those School Facilities described in the Study and related documents and that these School Facilities are required to serve the students generated by such new commercial/industrial construction; and that the use of the Statutory School Fees will include construction of additional School Facilities, remodeling existing School Facilities to add additional classrooms and technology, and acquiring and installing additional portable classrooms and related facilities, with the specific location of new schools, remodeling of existing School Facilities, and additional portables to be determined based on the residence of the students being generated by such new commercial/ industrial construction, as well as any required central administrative and support facilities within the District.

Section 9. That the Board finds that there is a roughly proportional, reasonable relationship between the use of the Statutory School Fees and new commercial/industrial construction by category within the District because the Statutory School Fees imposed on commercial/industrial construction by this Resolution will be used to fund School Facilities which will be used to serve the students generated by such new commercial/industrial construction.

Section 10. That the Board finds that there is a roughly proportional, reasonable relationship between the new commercial/industrial construction by category, upon which the Statutory School Fees are imposed, and the need for additional School Facilities in the District because new students will be generated from new commercial/industrial construction within the District and the District does not have student capacity in the existing School Facilities to accommodate these students.

Section 11. That the Board finds that the amount of the Statutory School Fees imposed on new commercial/industrial construction by category as set forth in this Resolution is roughly proportional and reasonably related to and does not exceed the cost of providing the School Facilities required to serve the students generated by such new commercial/industrial construction within the District.

Section 12. That the Board finds that a separate fund ("Fund") of the District and two or more sub-funds ("Sub-Funds") have been created or are authorized to be established for all monies received by the District for the deposit of Statutory School Fees and mitigation payments ("Mitigation Payments") imposed on construction within the District and that said Fund and Sub-Funds at all times have been separately maintained, except for temporary investments, with other funds of the District as authorized by law.

Section 13. That the Board finds that the monies of the separate Fund or the separate Sub-Funds described in Section 12, consisting of the proceeds of Statutory School Fees and Mitigation Payments have been imposed for the purposes of constructing and reconstructing those School Facilities necessitated by new residential and/or commercial/industrial construction, and thus, these monies may be expended for all those purposes permitted by applicable law. The Statutory School Fees may also be expended by the District for the costs of performing any study or otherwise making the findings and determinations required under subdivisions (a), (b) and (d) of Section 66001 of the Government Code. In addition, the District may also retain, as appropriate, an amount not to exceed in any fiscal year, three percent (3%) of the fees collected in that fiscal year pursuant to Education Code Section 17620 for reimbursement of the administrative costs incurred by the District in collecting the Statutory School Fees.

Section 14. That the Board is hereby justified in levying the Statutory School Fees as a condition of approval of new residential development projects and imposes the Statutory School Fees on such development projects in the following amounts, which shall be adjusted pursuant to the Fee Sharing Agreement:

- a. Two and 72/100 Dollars (\$2.72) per square foot of assessable space for new residential construction, including new residential projects, manufactured homes and mobile homes as authorized under Education Code Section 17625, and including residential construction or reconstruction other than new construction where such construction or reconstruction results in an increase of assessable space, as defined in Government Code Section 65995, in excess of five hundred (500) square feet.
- b. Forty-Four Cents (\$0.44) per square foot of assessable space, for new residential construction used exclusively for the housing of senior citizens, as described in Section 51.3 of the Civil Code or as described in subdivision (k) of Section 1596.2 of the Health and Safety Code or a multi-level facility as described in paragraph 9 of subdivision (d) of Government Code Section 15432 or any mobile home or manufactured home that is located within a mobile home park, subdivision, cooperative or condominium for mobile homes limited to older persons as defined by the Federal Fair Housing Amendments of 1988.

Section 15. That this Board is hereby justified in levying the Statutory School Fees as a condition of approval of new commercial/industrial construction projects and levies the Statutory School Fees on such development projects in the amount of Forty-Four Cents (\$0.44) per square foot of chargeable covered and enclosed space for all categories of commercial/industrial construction, except for properties

that are classified as rental self-storage properties, the maximum applicable Statutory School Fees that may be levied on such development projects on a per square foot of chargeable covered and enclosed space is Five Cents (\$0.05).

Section 16. That the proceeds of the Statutory School Fees established pursuant to this Resolution shall continue to be deposited into those Sub-Funds of the Funds identified in Section 12 of this Resolution, the proceeds of which shall be used exclusively for the purpose for which the Statutory School Fees are to be collected, including, as to Statutory School Fees, accomplishing any study, findings or determinations required by subdivisions (a), (b) and (d) of Section 66001 of the Government Code, or retaining an amount not to exceed in any fiscal year, three percent (3%) of the fees collected in that fiscal year pursuant to Education Code Section 17620 for reimbursement of the administrative costs incurred by the District in collecting the Statutory School Fees or in financing the described Study or in defending the imposition of Statutory School Fees.

Section 17. That the District's Superintendent, or designee, is directed to cause a copy of this Resolution to be delivered to the building officials of the City of Fullerton (the "City") and the Office of Statewide Health Planning and Development ("OSHPD") along with a copy of all the supporting documentation referenced herein and a map of the District clearly indicating the boundaries thereof, advising the City and the OSHPD that new residential and commercial/ industrial construction is subject to the Statutory School Fees changed pursuant to this Resolution and requesting that no building permit or approval for occupancy be issued by any of these entities for any new residential development project, mobile home or manufactured home subject to the Statutory School Fees absent a certification of compliance ("Certificate of Compliance") from the District demonstrating compliance of such project with the requirements of the Statutory School Fees, nor that any building permit be issued for any nonresidential construction absent a certification from this District of compliance with the requirements of the applicable Statutory School Fees.

Section 18. That the Board hereby establishes a process that permits the party against whom the Commercial/Industrial Fees are imposed the opportunity for a hearing to appeal that imposition of Commercial/Industrial Fees for commercial/industrial construction as stated in Education Code Section 17621(e)(2).

Section 19. That the Superintendent is authorized to cause a Certificate of Compliance to be issued for each development project, mobile home and manufactured home for which there is compliance with the requirement for payment of the Statutory School Fees in the amounts specified by this Resolution. In the event a Certificate of Compliance is issued for the payment of Statutory School Fees for a development project, mobile home or manufactured home and it is later determined that the statement or other representation made by an authorized party concerning the development project as to square footage is untrue or in the event the zoning is declared invalid, then such Certificate of Compliance shall automatically terminate, and the City or OSHPD shall be so notified.

Section 20. That no statement or provision set forth in this Resolution, or referred to therein shall be construed to repeal any preexisting fee or mitigation amount previously imposed by the District on any residential or nonresidential construction.

Section 21. That if any portion or provision hereof is held invalid, the remainder hereof is intended to be and shall remain valid.

Section 22. That the change in the District's Statutory School Fees will become effective sixty (60) days from the date of this Resolution unless a separate resolution increasing the fees immediately on an urgency basis is adopted by the Board.

EXECUTIVE SUMMARY

Education Code Section 17620 authorizes the governing board of a school district to levy school fees to offset the impacts to school facilities from new residential and commercial/industrial construction and reconstruction. In order to levy Level I fees (statutory fees), a school district must prepare and adopt a school fee justification study pursuant to the provisions of Education Code Section 17620 and Sections 65995 and 66001 of the Government Code. The school fee justification study serves as the basis for justifying the levy of Level I fees and presents and documents the nexus findings required by State law.

This School Fee Justification Study (“Study”) has been prepared for the Fullerton School District (“School District”) to demonstrate the relationship between new residential and commercial/industrial development and the School District’s need for the construction and/or reconstruction of school facilities, the cost of the school facilities, and the per square foot amount of Level I fees (“School Fees”) that may be levied by the School District on residential and commercial/industrial development in accordance with applicable law.

The maximum School Fees authorized by Education Code Section 17620 are currently \$4.08 per square foot for residential construction/reconstruction and \$0.66 per square foot for commercial/industrial construction for unified school districts. The State Allocation Board (“SAB”) reviews and may adjust the maximum authorized School Fees every January in even-numbered years.

The School District provides education for grades kindergarten (K) through 8. Pursuant to Education Code Section 17623(a), the School District, as a nonunified school district sharing common jurisdiction with other nonunified school district(s), entered into a school facilities fee allocation agreement with the Fullerton Joint High School District. The agreement specifies the percentage of the maximum School Fees that may be levied and collected by each school district. According to the agreement, sixty-six and sixty-seven hundredths percent (66.67%) of the maximum School Fees may be charged and collected by the School District, or \$2.72 and \$0.44 for residential and commercial/industrial development, respectively (“Applicable School Fees”). Based on the findings presented in this Study, the School District is justified in collecting its portion of the maximum residential and commercial/industrial School Fees¹. The findings are summarized as follows:

RESIDENTIAL DEVELOPMENT

New residential development in the School District is projected over the next ten (10) years and beyond. Based on student generation rates determined for the School District, such development could generate an estimated 282 new students over the next ten (10) years. The school facilities cost impact per residential square foot as determined in this Study are shown in Table E-1.

The cost impacts per square foot of residential construction/reconstruction shown in Table E-1 are greater than the School District’s share of the current maximum authorized

residential School Fee, which is \$2.72 per square foot; therefore, the School District is reasonably justified in levying Applicable School Fees on new residential development.

**TABLE E-1

COMMERCIAL/INDUSTRIAL DEVELOPMENT

As commercial/industrial properties develop, new jobs are created. Many of the employees working at the new jobs will move into the School District boundaries, thereby increasing the need for new residential development and further impacting the School District’s facilities. School Fees may be imposed on commercial/industrial development if the school fees collected on residential development are insufficient to provide adequate school facilities for students generated as a result of new development and nexus findings are presented that justify the imposition of the commercial/industrial school fee.

Section 17621(e)(1)(B) of the Education Code requires that the Study determine the impact of the increased number of employees anticipated to result from commercial/industrial development upon the cost of providing school facilities within the School District. This code section further adds that employee generation estimates shall be based on the applicable employee generation estimates set forth in the January 1990 edition of “San Diego Traffic Generator Study” (“Traffic Study”), a report by San Diego Association of Governments (“SANDAG”). The school facilities cost impacts per commercial/industrial square foot as determined in this Study are shown in Table E-2 by commercial/industrial land use type (each commercial/industrial category is further described in Appendix “A”). With the exception of the cost impact applicable to commercial/industrial development classified as Rental Self-Storage, the cost impacts per square foot of commercial/industrial development are greater than or equal to the Applicable School Fees for commercial/industrial development of \$0.44 per square foot. Therefore, the School District is reasonably justified in levying the Applicable School Fees on new commercial/industrial development. The Applicable School Fees that may be imposed on the Rental Self-Storage commercial/industrial category is the net cost impact per square foot as determined herein.

SECTION I. LEGISLATION AND LEGAL REQUIREMENTS

This section discusses the legislative history of the Level I Fee.

A. LEGISLATIVE HISTORY

Assembly Bill (“AB”) 2926 enacted by the State in 1986, also known as the “1986 School Facilities Legislation” granted school districts the right to levy fees in order to offset the impacts to school facilities from new residential and commercial development. Originally set forth in Sections 53080 and 65995 of the Government Code, AB 2926 authorized statutory school fees to be levied, commencing January 1, 1987, in the amount of \$1.50 per square foot of new residential assessable space and \$0.25 per square foot of enclosed commercial or industrial assessable space. AB 2926 also provided for an annual increase of the statutory fees based on the Statewide cost index for Class B construction, as determined by the SAB. The provisions of AB 2926 have since been amended and expanded.

AB 1600 was enacted by the State legislature in 1987 and created Government Code Sections 66000 *et seq.* These sections require a public agency to satisfy the requirements as further discussed in Section VII herein when establishing, increasing or imposing a fee as a condition of approval for a development project.

AB 181, enacted in 1989, established new requirements for school districts levying school fees and also re-codified Government Code Section 53080 *et seq.* as Education Code Section 17620 *et seq.* The additional provisions established by AB 181 imposed more stringent nexus requirements which must be satisfied by school districts prior to levying school fees, especially with respect to commercial/industrial school fees. Additionally, AB 181 provided that the maximum school fees for residential and commercial/industrial development be subject to an increase every two (2) years rather than annually.

In 1998, Governor Wilson signed into law Senate Bill 50 (“SB 50”), the Leroy F. Greene School Facilities Act of 1998, which reformed State’s School Building Program and developer school fee legislation. A significant provision of SB 50 provides school districts the option of adopting alternative school fees (also known as Level II and Level III fees) in excess of the Level I fee upon meeting certain requirements. SB 50 also placed a \$9.2 billion State Bond measure on the November 3, 1998 ballot (Proposition 1A). With the passage of Proposition 1A in November 1998, SB 50 became operative.

SB 50 also limited the power of cities and counties to require mitigation of school facilities impacts as a condition of approving new development and suspended the court cases known as Mira-Hart-Murrieta. The Mira-Hart-Murrieta cases previously permitted school districts to collect mitigation fees in excess of school fees under certain circumstances.

On November 5, 2002, California voters passed Proposition 47, which authorized the issuance of \$13.05 billion in State bonds and also enacted AB 16, which provided for additional reformation of the School Building Program. AB 16, among other items, clarified that if the SAB is no longer approving apportionments for new construction due to the lack of funds available for new school facilities construction, a school district may increase its

Level II Fee to the Level III Fee. With the issuance of the State bonds authorized by the passage of Proposition 47, this section of AB 16 became inoperable.

Furthermore, Proposition 55 was approved on March 2, 2004, which authorized the sale of \$12.3 billion in State bonds. In addition, California voters approved Proposition 1D in the general election held on November 7, 2006. Proposition 1D authorized the issuance of \$10.4 billion in State bonds.

Most recently, California voters approved Proposition 51 (the California Public School Facility Bonds Initiative) in the general election held on November 8, 2016, authorizing the issuance of \$9 billion in bonds to fund the improvement and construction of school facilities for K-12 schools and community colleges.

SECTION II. PROJECTED UNHOUSED STUDENTS AND ESTIMATED FACILITY AND PER-STUDENT COSTS

The objective of this Study is to determine if a nexus exists between future residential and commercial/industrial development and the need for school facilities. In addition, the Study aims to identify the costs of such required school facilities and determine the amount of School Fees that can be justifiably levied on residential and commercial/industrial development according to the estimated impacts caused by such development. This section evaluates whether existing school facilities can accommodate students generated from future residential development, projects student enrollment based on anticipated residential growth, and estimates the costs of school facilities required to accommodate new residential growth. The findings determined in this section are used in following sections to evaluate the cost impact per square foot for new residential and commercial/industrial property. Although many of the figures in this section are primarily derived from residential development projections and impacts, they are adjusted in Section IV. to evaluate the impact of commercial/industrial development.

A. SCHOOL DISTRICT CAPACITY AND CURRENT STUDENT ENROLLMENT

The School District's existing school facilities capacity and student enrollment were evaluated in order to determine if there is excess capacity to house students generated by new residential and commercial/industrial development.

The School District currently operates fifteen (15) elementary school sites serving grades kindergarten through 6, three (3) junior high school sites serving grades 7 and 8, and two (2) school sites serving grades kindergarten through 8. Per Education Code Section 17071.10, these facilities have a capacity to accommodate 13,279 students. Pursuant to Education Code Section 17071.30 and SAB Regulation 1859.51, portable classrooms were not included in the calculation to the extent they are (i) leased through the State Relocatable Classroom Program, (ii) leased for a period of less than five (5) years, (iii) leased when needed as interim housing (project basis), or (iv) represent the number of portables that exceed 25% of the School District's permanent classrooms. Appendix "B" provides a calculation of the updated facility capacity.

Based on October 2019 California Longitudinal Pupil Achievement Data System (CALPADS) data, the student enrollment of the School District is 12,857 students, of which 9,783 students are at the elementary school level (grades kindergarten through 6) and 3,074 students are at the junior high school level (grades 7 and 8). Current available capacity is calculated by subtracting current student enrollment from existing school facilities capacity for each school level. This operation results in available capacity at the elementary school level and deficit capacity at the junior high school level. The capacity calculation is shown in Table 1. It should be noted these capacities are driven by State loading standards and do not necessarily reflect the School District's program goals, or the ability to shift classroom uses at the K-8 sites to accommodate students enrolled at the separate school levels.

**TABLE 1
FACILITIES CAPACITY AND STUDENT ENROLLMENT**

SCHOOL LEVEL	EXISTING PERMANENT FACILITIES CAPACITY	STUDENT ENROLLMENT (OCTOBER 2019)	AVAILABLE/ (DEFICIT) CAPACITY
Elementary School (K-6)	10,246	9,783	463

TOTAL	13,279	12,857	422

B. PROJECTED UNHOUSED STUDENTS

1. Projected Residential Units

Areas within the School District are largely developed and built-out; however, opportunities exist for new development through infill and redevelopment projects. A projection of the number of new residential construction within the School District boundaries was derived from information obtained from the Planning Department of the City of Fullerton (“City”). Based on the information, it is estimated the School District could experience the development of 1,165 residential units over the next ten (10) years (“Projected Units”).

The Projected Units are summarized by residential category in Table 2 below. single-family detached units (“SFD”) are those units with no common walls; multi-family attached units (“MFA”) are those units sharing a common wall and include townhouses, condominiums, apartments, triplexes, duplexes, etc. Currently, none of the Projected Units have mitigated their impact to the School District through participation in a Community Facilities District or through execution of a mitigation agreement.

**TABLE 2
PROJECTED UNITS BY RESIDENTIAL CATEGORY**

RESIDENTIAL CATEGORY	PROJECTED UNITS
Single-Family Detached (SFD)	5
Multi-Family Attached (MFA)	1,160
TOTAL	1,165

2. Student Generation Rates

In order to calculate student generation rates (“SGRs”), Koppel & Gruber Public Finance (“K&G Public Finance”) first obtained County of Orange Assessor’s roll data from a third-party vendor. The data contained all residential parcels within the School District and provided land use class designations (i.e. condominiums, single family dwellings, etc.), physical address (situs), and number of units for many but not all parcels. Parcels in the database were classified by unit type (SFD and MFA) and the number of units applicable to these properties was researched and inputted as needed.

Since the County property data was missing unit counts for many of the residential parcels contained therein, K&G Public Finance relied on housing information from the U.S. Census Bureau¹ to estimate the total number of residential units located within the School District by residential category.

K&G Public Finance then obtained a student database from the School District, which contained student identification, grade level and physical address information for each student enrolled in the School District. The student database is reflective of student enrollment information as of October 2019. The student enrollment address information was matched to the address (situs address) information of parcels in the County property characteristic database. The number of students matched was then queried by school level and residential category. Table 3 below summarizes the SGRs by school level and residential type. The calculation of the SGRs is shown in Appendix “C” of this Study.

**TABLE 3
STUDENT GENERATION RATES**

SCHOOL LEVEL	SFD UNITS	MF UNITS
Elementary School (K-6)	0.2728	0.1837
Junior High School (7-8)	0.0867	0.0587
TOTAL	0.3595	0.2424

3. Projected Student Enrollment

Projected student enrollment was determined by multiplying the SGRs in Table 3 by the number of Projected Units as shown in Table 2. A total of 282 students are estimated to be generated from Projected Units. The projected student enrollment is summarized by school level in Table 4.

**TABLE 4
PROJECTED STUDENT ENROLLMENT BY SCHOOL LEVEL**

SCHOOL LEVEL	TOTAL PROJECTED STUDENTS
Elementary School (K-6)	214
Junior High School (7-8)	68
TOTAL	282

4. Projected Unhoused Students

As shown in Table 1, there are available seats at the elementary school level and deficit capacity at the junior high school level based on current student enrollment and existing capacity. The capacity analysis is driven by State classroom loading standards and does not consider the educational program goals and priorities of the School District, nor do the results of the capacity analysis reveal the condition and adequacy of the existing facilities to house student enrollment. As further described in this Study, capital improvements are necessary for the long-term use to adequately house the existing

¹ 2014-2018 American Community Survey 5-Year Estimates; DP04 – Selected Housing.

student population and future enrollment growth at all school levels. The facilities needs exist regardless of the availability of capacity to house student enrollment, inclusive of student enrollment generated from new development. Therefore, there are zero (0) seats available to accommodate Projected Student Enrollment from Projected Units. Table 5 shows the number of Projected Unhoused Students at each school level.

**TABLE 5

TOTAL	282	0	282

C. FACILITY NEEDS AND ESTIMATED PER-STUDENT COST

1. Facilities Needs

In 2015, the School District conducted a Facilities Master Plan (“2015 Plan”). The 2015 Plan identifies both the short-range and long-range facility needs of the School District and focuses on repairs, upgrades, technology enhancements, modernization and construction of new facilities that are necessary for the continued use of the School District’s existing facilities and to meet education program needs. The costs of the short-range and long-range capital improvement projects are estimated at approximately \$233,000,000.

The 2015 Plan demonstrates capital improvement projects are necessary for the long-term use and adequate housing of student enrollment at the School District’s existing facilities. While the findings in Table 1 show overall available capacity, the 2015 Plan outlined plans to modernize or replace aging classrooms with the construction of new classroom buildings. Therefore, without implementation of the capital improvement projects adequate facilities do not exist within the School District to house student enrollment as a result of new development.

2. Estimated Cost per Student

Utilizing the estimated costs outlined in the 2015 Plan, the average estimated cost for the construction of new classrooms and/or the replacement of existing portables with permanent classrooms is \$607,491 per classroom in 2015 dollars. Adjusting such estimate to current 2020 dollars¹, plus ten percent (10%) for estimated soft and site development costs, yields an estimated cost per classroom of \$804,261, which is deemed appropriate for all school levels. This determination of the new construction cost estimated per classroom is further detailed in Appendix “D” of this Study. The new construction cost estimate per classroom is then divided by the estimated student capacity

per classroom, which results in the estimated Total Facilities Cost Impact per Seat/Student by school level as shown in Table 6.

**TABLE 6
FACILITIES COST IMPACT PER SEAT/STUDENT**

SCHOOL LEVEL	NEW CONSTRUCTION COST ESTIMATE PER CLASSROOM	STUDENT CAPACITY PER CLASSROOM ¹	FACILITIES COST IMPACT PER SEAT/STUDENT
Elementary School (K-6)	\$804,261	25	\$32,170

¹ School capacities are determined based on State loading standards of 25 students per classroom for grades kindergarten through 6 and 27 students per classroom for grades 7 and 8.

SECTION III. PROJECTED IMPACT OF RESIDENTIAL DEVELOPMENT

The following section presents the school facilities impact analysis for new residential development and provides step-by-step calculations of the estimated per residential square foot cost impact.

Government Code Section 66001 (g) allows School Fees to include the costs attributable to the increased demand for public facilities reasonably related to the development project(s) in which the fee is imposed in order to (1) refurbish existing facilities to maintain the existing level of service or (2) achieve an adopted level of service that is consistent with the general plan. The proposed capital improvement projects outlined in the 2015 Plan are recommended because the existing facilities require upgrade or replacement for their continued long-term use, and such upgrades will benefit both existing student enrollment and student enrollment generated as a result of new residential construction; thus it is deemed reasonable and appropriate to include estimated costs as described in Section II.B when evaluating the impact per square foot as a result of Projected Unhoused Students. To determine the school facilities cost impact per square foot of residential development, first the Facilities Cost Impact per Seat/Student determined in Table 6 is multiplied by the Projected Unhoused Students as shown in Table 5 for each school level. The result of this computation is shown in Table 7 and reflects the estimated school facilities cost impact to house Projected Unhoused Students.

**TABLE 7
TOTAL FACILITIES COST IMPACT**

SCHOOL LEVEL	PROJECTED UNHOUSED STUDENTS	FACILITIES COST IMPACT PER SEAT/STUDENT	TOTAL FACILITIES COST IMPACT
Elementary School (K-6)	214	\$32,170	\$6,884,380
Junior high School (7-8)	68	\$29,787	\$2,025,516
TOTAL			\$8,909,896

The total school facilities impact shown in Table 7 above was then divided by the number of Projected Units shown in Table 2 to determine the school facilities cost per residential unit. The cost per residential unit is shown in Table 8.

**TABLE 8
SCHOOL FACILITIES COST PER RESIDENTIAL UNIT**

TOTAL FACILITIES COST IMPACT	PROJECTED UNITS	FACILITIES COST IMPACT PER RESIDENTIAL UNIT
\$8,909,896	1,165	\$7,648

The school facilities cost impact per residential square foot is calculated by dividing the school facilities cost per residential unit determined in Table 8 by the weighted average square footage of each residential unit type. This calculation is shown in Table 9 below. The weighted average square

footage of the Projected Units is estimated based on information obtained through the City and project plan information found from other sources.

TABLE 9
SCHOOL FACILITIES COST PER RESIDENTIAL SQUARE FOOT

FACILITIES COST IMPACT PER RESIDENTIAL UNIT	WEIGHTED AVERAGE SQUARE FOOTAGE	FACILITIES COST PER RESIDENTIAL SQUARE FOOT
\$7,648	892	\$8.57

The school facilities impact per residential square foot determined in Table 9 is greater than the School District’s share of the current maximum authorized residential School Fees of \$2.72 per square foot; therefore, the School District is justified in levying up to but not exceeding the maximum authorized amount for residential construction and reconstruction.

SECTION IV. COMMERCIAL/INDUSTRIAL SCHOOL IMPACT ANALYSIS

The following section presents the school facilities impact analysis for new commercial/industrial development and provides a step-by-step calculation of the estimated per commercial/industrial square foot cost impacts.

A. EMPLOYEE GENERATION

In the course of making the nexus findings to justify School Fees levied on commercial/industrial development, Education Code Section 17621(e)(1)(B) requires that the Study determine the impact of the increased number of employees anticipated to result from commercial/industrial development upon the cost of providing school facilities within the School District. As mentioned in the Executive Summary, for purposes of making such determination this code section further sets out that the employee generation estimates be based on the applicable estimates set forth in the Traffic Study published by SANDAG.

The employee generation estimates per 1,000 square feet of development derived from the Traffic Study are listed by commercial/industrial land use category in Table 10. The land use categories listed are based on those categories described in the Traffic Study and include all land uses recommended by the provisions of Education Code Section 17621(e)(1)(B).

B. RESIDENTIAL IMPACT

1. Households

To evaluate the impact of commercial/industrial development on School District facilities, the employee generation estimates listed in Table 10 were first used to determine the impact of commercial/industrial development on a per household basis. Based on information obtained from the U.S. Census Bureau¹, there are approximately 1.52 employed persons per household on average for households located within the School District. Dividing the employee generation estimates listed in Table 10 by 1.52 results in the estimated number of households per 1,000 square feet of commercial/industrial development (“Total Household Impact”).

The Total Household Impact determined in the preceding paragraph takes into consideration all employees generated from commercial/industrial development. Since some of those employees will live outside the School District and will therefore have no impact on the School District, the figures are adjusted to reflect only those households within the School District occupied by employees generated from commercial/industrial development built within the School District. Based on information derived from U.S. Census Bureau data², it is estimated that approximately 20.8 percent (20.8%) of employees both live and work within the School District. Multiplying the Total Household Impact by 20.8% results in the households within the School District impacted per 1,000 square feet commercial/industrial development. The results of these computations are shown in Table 11.

C. NET IMPACT PER COMMERCIAL/INDUSTRIAL SQUARE FOOT

1. Cost Impact

To estimate the school facilities costs required to house new students as a result of additional commercial/industrial development, the Facilities Cost Impact per Residential Unit determined in Table 8 is multiplied by the household impacts calculated in Table 11, resulting in the total school facilities cost impact per 1,000 square feet of commercial/industrial development. The total school facilities cost impacts are shown in Table 12 by commercial/industrial development category.

2. Residential Fee Offsets

The total cost impacts determined in Table 12 represent the amounts required to fully mitigate the impact on school facilities, as a result of new commercial/industrial development within the School District. Many employees as result of new commercial/industrial development will commute from areas outside of the School District boundaries or will reside in existing homes, from which no mitigation will be received from the housing in which they reside. However, new commercial/industrial development, and thereby new employee generation, will also increase the need for new residential development to house those employees living in the School District. Applicable Residential School Fees adopted by the School District under applicable law will also be imposed by the School District on such new residential development. To prevent new commercial/industrial development from paying the portion of impact that

is mitigated by the Applicable Residential School Fees, this amount has been calculated and deducted from the school facilities impact costs calculated in Table 12.

The residential fee offsets are first calculated by using the Applicable Residential School Fee of \$2.72 per square foot and multiplying that amount by the weighted average square footage of a residential unit in the School District, which is 892 square feet. This calculation provides the average residential revenues from a residential unit of \$2,426 ($\2.72×892). The average residential revenues from a residential unit multiplied by the Household Impacts per 1,000 square feet of commercial/industrial development, as shown in Table 11, results in the residential school fee revenues per 1,000 square feet of commercial/industrial development (“Residential Fee Offset”). This computation is shown in Table 13.

3. Net School Facilities Costs

Subtracting the Residential Fee Offset determined in Table 13 from the total school facilities costs listed in Table 12 results in the net school facilities costs per 1,000 square feet of commercial/industrial development (“Net School Facilities Costs”). The Net School Facilities Costs are listed in Table 14.

The Net School Facilities Costs determined in Table 14 were then divided by 1,000¹ to provide the cost impact on a square foot basis. These cost impacts are listed in Table 15.

The net cost impacts shown in Table 15 are greater than the School District's share of the current maximum authorized commercial/industrial School Fees of \$0.44 per square foot, except for the category of Rental Self-Storage. Therefore, the School District is justified in levying commercial/industrial school fees in amount up to but not exceeding

¹ The Employee Generation rates derived from the SANDAG study are estimated per 1,000 square feet of development.

the School District's share of the maximum authorized statutory fee. For the Rental Self-Storage Commercial/Industrial category, the School District is justified in collecting an amount equal to \$0.05 per square foot.

SECTION V. OTHER CONSIDERATIONS

A. COMMERCIAL/INDUSTRIAL DEVELOPMENT NOT IN PRESCRIBED CATEGORIES

In cases where new commercial/industrial development does not fit within the prescribed categories shown in Table 10, the School District shall evaluate such development on a case-by-case basis to determine if the imposition of the School Fees on the development meets the nexus requirements set forth under Government Code Section 66000 et seq. The School District may levy School Fees on such development in an amount up to but not exceeding the cost per square foot impact determined through such evaluation.

B. AGE-RESTRICTED (SENIOR) HOUSING

Government Code Sections 65995.1 and 65995.2 provides school districts may only charge the fees applicable for commercial/industrial development for qualified age-restricted (senior citizen) housing. Qualified age-restricted housing generates employees resulting in school facility impacts similar to those impacts from other commercial/industrial categories specified herein.

SECTION VI. REDEVELOPMENT

Government Code Section 66001, subdivision (a)(3) and (4) requires that a school district, in imposing school-impact fees, establish a reasonable relationship between the fee's use, the need for the public facility and the type of development project on which the fee is imposed. This section addresses and sets forth general policy when considering the levy of school fees on new construction units resulting from redevelopment projects within the School District.

Redevelopment means voluntarily demolishing existing residential, commercial, and/or industrial structures and subsequently replacing them with new construction (“Redevelopment”). The School District is aware of Redevelopment projects completed within the School District boundaries and anticipates similar Redevelopment projects may be completed in the next ten (10) years and beyond. School fees authorized pursuant to Education Code Section 17620 and Government Code Sections 65995 et seq. shall be levied by the School District on new construction resulting from Redevelopment projects, if there is a nexus between the School Fees being imposed and the impact of new construction on school facilities, after the impact of pre-existing development has been taken into consideration. In determining such nexus, the School District shall review, evaluate and determine on a case-by-case basis, the additional impact of the proposed new development by comparing the projected square footage, student generation and cost impacts of the proposed new construction and the pre-existing residential, commercial and/or industrial development. Such analysis shall utilize the student generation rates identified in Table 3 of this Study, as applicable.

The School District may levy school fees, authorized under applicable law, on new construction resulting from Redevelopment projects in an amount up to the additional impact cost per square foot as determined in accordance with the preceding paragraph, but not exceeding the applicable school fees.

SECTION VII. GOVERNMENT CODE SECTION 66000

Government Code Sections 66000 *et seq.* were enacted by State Legislature in 1987. In any action establishing, increasing, or imposing a fee as a condition of approval of a development project, such as the Applicable Residential School Fee and Applicable Commercial/Industrial School Fees described herein (collectively referred to as the “Applicable School Fees”), these Government Code sections require the public agency to satisfy the following requirements:

1. Determine the purpose of the fee;
2. Identify the use to which the fee is to be put;
3. Determine how there is a reasonable relationship between the fee’s use and the type of development project on which the fee is imposed;
4. Determine that there is a reasonable relationship between the need for the public facilities and the type of development project on which the fee is imposed;
5. Determine that there is a reasonable relationship between the amount of the fee and the cost, or portion of the cost of the public facility attributable to the development on which the fee is imposed; and
6. Provide an annual accounting of any portion of the fee remaining unspent or held for projects for more than five (5) years after collection.

The information set forth herein, including the information contained in the Appendices attached hereto, provide factual evidence establishing a nexus between the type of development projected to be built within the School District and the amount of Applicable School Fees levied upon such development based on the need for such Applicable School Fees. The determinations made in this Study meet the requirements of Government Code Section 66000. The findings are summarized as follows:

Purpose of the School Fee

The Board of the School District will levy and collect school fees on new residential and commercial/industrial development to obtain funds for the construction and/or reconstruction of school facilities to accommodate students generated as a result of such development. In accordance with Education Code Section 17620, “construction or reconstruction of school facilities” *does not* include any item of expenditure for any of the following:

1. Regular maintenance or routine repair of school buildings and facilities;
2. Inspection, sampling, analysis, encapsulation or removal of asbestos-containing material, except where incidental to school facilities construction or reconstruction for which the expenditure of fees or other consideration collected pursuant to Education Code Section 17620 is not prohibited; and,
3. Deferred maintenance as described in Education Code Section 17582.

Identify the Use of the School Fee

The School District has determined that revenues collected from Applicable School Fees imposed on residential and commercial/industrial developments will be used for the following purposes:

1. Construction or reconstruction of school facilities required to accommodate students generated by new residential and commercial/industrial development in areas of the School District where existing school facilities are needed;
2. Construction or reconstruction of administrative and operations facilities required in response to new student growth from new development;
3. Acquisition or lease of property for unhoused students generated from new development;
4. Purchase or lease of interim and/or temporary school facilities in order to accommodate student capacity demands;
5. Furniture for use in new school facilities;
6. Costs associated with the administration, collection, and justification for the Applicable School Fees;
7. Provide local funding that may be required if the School District applies for State funding through SB 50.

The 2015 Plan outlined the proposed capital improvement projects to a number of existing school facilities. As previously noted and described herein, the Applicable School Fees will be used to provide adequate facilities for student enrollment generated Projected Units to the extent described in this Study and permitted by applicable law. Such Applicable School Fees may be used to fund, in part, the facilities needs identified in the 2015 Plan as allowable by applicable law, inclusive of those school facilities described in this Study.

Relationship Between the Use of the Fee, the Need for School Facilities and the Type of Development on Which the Fee is Imposed

As determined in the preceding sections, adequate school facilities do not exist to accommodate students generated from new residential and commercial/industrial development. The fees imposed on such new development will be used to finance the construction, reconstruction and/or expansion of school facilities required to accommodate student enrollment growth generated by new residential and commercial/industrial development.

Determination of the Relationship Between the Fee Amount and the School Facilities Costs Attributable to Type of Development on Which the Fee is Imposed

The imposition of the Applicable Residential School Fee of \$2.72 per square foot of residential development is justified, as this fee is below the per square foot cost impact to provide adequate school facilities required as a result of such new residential development.

Similarly, the imposition of the Applicable Commercial/Industrial School Fees of \$0.44 per square foot of commercial/industrial development are justified as the fees are equal to or below the estimated per square foot net cost impact to provide adequate school facilities required as a result of such new commercial/industrial development, except for Rental Self-Storage development.

Accounting Procedures for the Fees

The School District will deposit, invest, and expend the school fees imposed and collected on residential and commercial/industrial development in accordance with the provision of Government Code Section 66006.

APPENDIX C

STUDENT GENERATION RATES

Student Generation Rates (SGRs) used in this Study are based on information obtained from the County of Orange Assessor’s Office, student enrollment data from the School District and U.S. Census Bureau data.

A property database reflective of the County of Orange 2019/20 Assessors’ roll was obtained via a third-party vendor. The property database contains property information for parcels within the School District, including land use class information (i.e. condominiums, single family dwellings, etc.). Parcels in the database were classified by unit type (SFD, MFA) based on the County’s land use class designations, and further research as necessary. Since the property data information obtained from the County was missing unit counts for many of the residential parcels contained therein, K&G Public Finance relied on housing information derived from U.S. Census Bureau data¹ to estimate the total number of residential units located within the School District. The residential units identified in the U.S. Census Bureau data were also classified by property type (SFD and MFA).

A student enrollment database was obtained from the School District and was reflective of student enrollment information as of October 2019. The student enrollment address information was matched to the address (situs address) information of parcels in the County’s property characteristic database. The number of students matched was then queried by school level and residential category. Students could not be matched if they were inter-district or they did not have a valid physical address (e.g. only P.O. Box was listed). Mobile homes are not considered in the SGR determination, including the students matched to the mobile home land use, and therefore have been omitted². The determination of the SGRs is summarized in Tables C-1 and C-2.

NOTICE OF PUBLIC HEARING

FULLERTON SCHOOL DISTRICT

NOTICE OF PUBLIC HEARING

**NOTICE OF CONSIDERATION OF APPROVING AN INCREASE
IN STATUTORY (LEVEL 1) SCHOOL FEES IMPOSED ON NEW
RESIDENTIAL AND COMMERCIAL/INDUSTRIAL
CONSTRUCTION PURSUANT TO GOVERNMENT CODE
SECTION 65995 AND EDUCATION CODE SECTION 17620**

NOTICE IS HEREBY GIVEN that the Board of Trustees (“Board”) of the Fullerton School District (“School District”) at its regular board meeting to be held in the Board Room at the District Administration Building, 1401 West Valencia Drive, on Tuesday, April 14, 2020 at approximately 5:00 p.m. or soon thereafter, will consider approving an increase in statutory school fees (“Level I School Fees”) that may be imposed on new residential and commercial/industrial construction located within the boundaries of the School District pursuant to Government Code Section 65995 and Education Code Section 17620. Specifically, the Board will consider approving maximum Level I School Fees of (i) \$2.72 per square foot for assessable space of new residential construction and (ii) up to \$0.44 per square foot of chargeable covered and enclosed space for categories of new commercial/industrial construction.

A report entitled “School Fee Justification Study” was prepared pursuant to and in accordance with applicable law, which includes information and analysis demonstrating the relationship between new residential and commercial/industrial development and the School District’s need for the construction of school facilities, the estimated cost of the school facilities, and justification for the levy of Level I School Fees on new residential and commercial/industrial development.

The School Fee Justification Study and any related documents regarding the proposed adoption of the Level I School Fees are available for public review during normal business hours at the School District’s administrative office, located at 1401 West Valencia Drive, Fullerton, CA 92833.

Questions and/or comments should be directed to Dr. Robert R. Coghlan, Assistant Superintendent, Business Services at (714) 447-7412.

APPENDIX F
EXCERPT FROM STATE ALLOCATION BOARD AGENDA –
2020 LEVEL I FEES

INDEX ADJUSTMENT ON THE ASSESSMENT FOR DEVELOPMENT

PURPOSE OF REPORT

To report the index adjustment on the assessment for development, which may be levied pursuant to Education Code Section 17620.

DESCRIPTION

The law requires the maximum assessment for development be adjusted every two years by the change in the Class B construction cost index, as determined by the State Allocation Board (Board) at its January meeting. This item requests that the Board make the adjustment based on the change reflected using the RS Means index.

AUTHORITY

Education Code Section 17620(a)(1) states the following: “The governing board of any school district is authorized to levy a fee, charge, dedication, or other requirement against any construction within the boundaries of the district, for the purpose of funding the construction or reconstruction of school facilities, subject to any limitations set forth in Chapter 4.9 (commencing with Section 65995) of Division 1 of Title 7 of the Government Code.”

Government Code Section 65995(b)(3) states the following: “The amount of the limits set forth in paragraphs (1) and (2) shall be increased in 2000, and every two years thereafter, according to the adjustment for inflation set forth in the statewide cost index for class B construction, as determined by the State Allocation Board at its January meeting, which increase shall be effective as of the date of that meeting.”

BACKGROUND

There are three levels that may be levied for developer’s fees. The fees are levied on a per-square foot basis. The lowest fee, Level I, is assessed if the district conducts a Justification Study that establishes the connection between the development coming into the district and the assessment of fees to pay for the cost of the facilities needed to house future students. The Level II fee is assessed if a district makes a timely application to the Board for new construction funding, conducts a School Facility Needs Analysis pursuant to Government Code Section 65995.6, and satisfies at least two of the requirements listed in Government Code Section 65995.5(b)(3). The Level III fee is assessed when State bond funds are exhausted; the district may impose a developer’s fee up to 100 percent of the School Facility Program new construction project cost.

STAFF ANALYSIS/STATEMENTS

A historical comparison of the assessment rates for development fees for 2016 and 2018 are shown below for information. According to the RS Means, the cost index for Class B construction increased by 7.64, during the two-year period from January 2018 to January 2020, requiring the assessment for development fees to be adjusted as follows beginning January 2020*:

RS Means Index Maximum Level I Assessment Per Square Foot

	2016	2018	2020
Residential	\$3.48	\$3.79	\$4.08
Commercial/Industrial	\$0.56	\$0.61	\$0.66

*Assembly Bill 48 (O'Donnell) includes provisions related to development fees. In the event that Proposition 13 is approved by the voters in March 2020, the provisions of Assembly Bill 48 will take effect and may change the fee amounts above for certain types of development projects.

RECOMMENDATION

Increase the 2020 maximum Level I assessment for development in the amount of 7.64 percent using the RS Means Index to be effective immediately.

DISCUSSION/ACTION ITEM

DATE: April 14, 2020

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Chad Hammitt, Ed.D., Assistant Superintendent, Personnel Services

SUBJECT: **APPROVE THE PUBLIC ANNOUCEMENT OF MR. THOMAS REMINSKY AS THE BOARD OF TRUSTEES' INTENDED APPOINTEE TO THE PERSONNEL COMMISSION TO FILL THE UNEXPIRED TERM UNTIL DECEMBER 2021**

Background: The District's Personnel Commission is comprised of three (3) representatives: a Board of Trustees' appointee, a Personnel Commission appointee, and a Classified School Employees Association (CSEA) appointee. Personnel Commissioners are appointed for staggered three (3) year terms. The Personnel Commission oversees the Merit System for Classified Employees.

The vacancy on the Board of Trustees' appointee to the Personnel Commission became vacant mid-term. The District issued a public notice requesting applications to fill the unexpired term until December, 2021. After consideration of all applicants, it is recommended that the Board of Trustees publicly announce Thomas Reminiskey as their intended appointee in accordance with E.C. 45246 (b)(2).

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Jeremy Davis, Assistant Superintendent, Innovation and Instructional Support

SUBJECT: APPROVE/RATIFY PURCHASE OF 500 APPLE iPADS FOR 2019/2020 SCHOOL YEAR

Background: The District is currently working to ensure every 4th-8th grade student has a working iPad for online learning. While we have enough iPads out in student hands, we need larger inventory to ensure repair and replacement of iPads. With social distancing, we are often swapping iPads when students come for tech support rather than attempting to repair on-site.

Rationale: The District wants to ensure that we have enough devices to repair and replace all student devices in 4th-8th grade through the end of the school year. This purchase may also allow for us to extend online learning to 3rd grade based on the results of our phone calls to every family member.

Funding: Total cost is not to exceed \$165,000 and will be paid from the Unrestricted General Fund.

Recommendation: Approve/Ratify purchase of 500 Apple iPads for 2019/2020 school year.

Minutes of the Regular Meeting of the Board of Trustees
6:00 p.m. Open Session
District Administration Offices Board Room, 1401 W. Valencia Drive, Fullerton, California

Open Session, Call to Order, Pledge of Allegiance, – Board Room

President Jeanette Vazquez called a Regular meeting of the Fullerton School District Board of Trustees to order at 6:02 p.m. and Dr. Robert Pletka led the pledge of allegiance to the flag. The Board of Trustees participated remotely via Zoom Teleconference. Executive Cabinet participated in-person at the District Office.

Board Members present: Beverly Berryman Janny Meyer, Hilda Sugarman, Aaruni Thakur,
Jeanette Vazquez (via Zoom Teleconference)

Administration present: Dr. Robert Pletka, Dr. Robert Coghlan, Jeremy Davis, Dr. Chad Hammitt,
Julienne Lee (via in-person)

Superintendent's Report

Dr. Pletka stated in accordance with the Governor's Executive Order to stay at home during the COVID-19 pandemic, Fullerton School District will continue to provide emergency distance learning through the end of this academic school year. He stated all students will be promoted to the next grade level and be held "harmless" due to the pandemic and the grading system will not be punitive.

Julienne Lee, Assistant Superintendent of Educational Services, read the following statement regarding Distance Learning expectations:

FSD Grading Statement

The Fullerton School District is committed to providing quality distance learning instruction, district resources, and social emotional support to students and families during school closure due to COVID-19. Based on state and local guidelines from the California Department of Education and Orange County Department of Education, we strongly believe in developing grading practices that ensure "no harm" to students as we transition to Distance Learning. At this time, the Fullerton School District will establish a "pass" grading system. A pass grading system means that all students TK-8th grade will receive a "pass" on their third trimester/fourth quarter grades. Through the lens of equity, teachers will continue to provide positive feedback to students on work performance, hold high expectations for student engagement, and follow up with families to provide support. School sites will continue to reach out to students and families through various communication methods such as phone calls, emails, apps, and learning management systems. The grading policy for the remainder of the 2019-2020 school year was created by teachers, principals, district administration, and support staff. We continue to work together to provide students with care and compassion, especially during these uncertain times.

Communication Expectations

Fullerton School District and FETA have a long tradition of collaboration with our associations. We highly value the PAL process. The PAL process enables us to work collaboratively with grade-level teams, leadership teams, PAL representatives, and joint committees to reach consensus around our shared core values (C.I.R.C.L.E.S.).

The District provided guidelines/suggestions on synchronous and asynchronous communications between teachers and students. Each site is able to set expectations around communications, as long as there are choices regarding specific technologies. Decisions are being made and evolving based on collaborative input from grade-levels/PLCs, based on unique community factors, such as connectivity at home, teacher training/ability around technologies, diverse needs, the instructional vision at the site, and what is best for students. We understand that teachers may be affected differently by the school closure, therefore if a teacher is having difficulty with site communication guidelines each week, they should discuss their situation with their principal as soon as possible.

Dr. Pletka stated that Pursuant to Governor Newsom's Executive Order N-29-20, the Regular Meeting of the Fullerton School District Board on May 12, 2020, was being held by teleconference. Trustees of Fullerton School District Board participated in this meeting via teleconference. Dr. Pletka explained the Board was the

only ones participating via teleconferencing (Zoom) for the April 14th Board Meeting as a precaution for numerous other groups and meetings being “zoom bombed” with inappropriate material and comments.

Information from the Board of Trustees

Trustee Meyer- She reported the videos that are being disseminated to the parents and staff are very heartfelt and informational. She has enjoyed watching the videos that involve students and the videos help all of us during these difficult times. She thanked all staff that are serving students with meals, deep-cleaning buildings to keep everyone safe, and to educators for their endless support of students.

Trustee Thakur- He stated that as a parent has been very impressed with the Distance Learning FSD 360 plan to help students learn and keep them engaged with learning while sheltering in place. He stated the comments from parents have been positive regarding the District’s response to Distance Learning. He shared that zoom participation in the class for his child started high and has decreased a bit. He thanked everyone for their hard work with Distance Learning.

Trustee Berryman – She stated it is a hard and an unusual time for everyone and much harder than the typical end of the school year. She thanked Trustee Thakur for providing feedback as a parent and President Vazquez as an educator regarding Distance Learning. She stated how critical it is to support students and families through these social emotional times. She appreciates what staff is doing to continue supporting students with any concerns they may have during these unprecedented times. She thanked the community for coming together to help students and families with donations.

Trustee Sugarman– She thanked Yolanda McComb, Principal at Raymond Elementary, for her years of service to Fullerton School District. Mrs. McComb recently announced her retirement. The District will be looking for a great replacement to fill the principal vacancy at Raymond Elementary. Trustee Sugarman shared it has been heart-warming to receive so many heartfelt notes during this difficult time and it shows we are a family. She applauded the Fullerton Education Foundation (FEF) for partnering with the Fullerton School District to receive donations for families in need during COVID-19. FEF has collected close to \$6000 in donations including a \$3000 donation from the Fullerton Elementary Teachers Association.

President Vazquez –She thanked all staff, Executive Cabinet and all essential workers for their hard work. Every day information changes regarding the COVID-19 pandemic and she is grateful for the response the District has had to help students and families. She referenced a newsletter article from a non-profit organization that spoke about providing resources to students.

Information from DELAC, PTA, FETA, CSEA, FESMA- *All reports that were submitted were read out loud during the Board Meeting by Carmen Serna, Executive Assistant to the Superintendent.*

Dr. Robert Coghlan, Assistant Superintendent of Business Services, shared this agenda item allows the increase of the Revolving Cash Fund in order to pay emergency refunds and other payments for programs that have been cancelled due to the COVID-19 pandemic and school closures.

It was then moved by Hilda Sugarman, seconded by Beverly Berryman and carried 5-0 to Adopt/Ratify Resolution #19/20-18 authorizing an increase to the revolving cash fund from \$50,000 to \$100,000.

- 2b. Approve Memorandum of Understanding for COVID-19 Teacher Evaluations between the Fullerton School District and Fullerton Elementary Teachers Association (FETA).

Dr. Chad Hammitt, Assistant Superintendent of Personnel Services, shared that due to the worldwide coronavirus pandemic that has led to the closure of the Fullerton School District, the evaluative process for certificated staff has developed some obstacles for completion. In collaboration with the Fullerton Elementary Teachers Association (FETA), the District has developed a new Memorandum of Understanding (MOU) and is requesting Board approval. This MOU will allow a certificated staff member, with administrator agreement, to continue on with their evaluation or suspend it entirely. This MOU will allow certificated staff and their respective administrators to make a final decision regarding this year's Reflective Evaluation process.

It was then moved by Janny Meyer, seconded by Beverly Berryman, and carried 5-0 to Approve Memorandum of Understanding for COVID-19 Teacher Evaluations between the Fullerton School District and Fullerton Elementary Teachers Association (FETA).

2c. Approve Memorandum of Understanding between the Fullerton School District and California School Employees Association (CSEA) Chapter 130 pursuant to COVID-19 and work schedules.

The worldwide coronavirus pandemic has led to the temporary closure of Fullerton School District schools and many other businesses, which has impacted many of our classified employees family members and their ability to work and receive pay. In collaboration with the District and the California School Employees Association (CSEA), and its Chapter 130, a temporary Memorandum of Understanding (MOU) for the period of Spring Break has been developed for employees who work less than 12 months. These classified employees will be permitted to claim vacation pay for their regularly scheduled hours and to be paid for extra hours worked to help the District provide meals and distance learning materials to students. Under the current bargaining agreement and pre-established work calendars, less than 12-month employees cannot exceed their daily work hours using a combination of vacation pay and extra hours worked on days they are not scheduled to work. This MOU provides for a one-time exception to this bargaining agreement provision. This MOU between the District and CSEA allows classified employees who work less than 12 months who worked during Spring Break to claim vacation pay for their regularly scheduled daily work hours and to be paid for extra hours worked.

It was then moved by Hilda Sugarman, seconded by Beverly Berryman and carried 5-0 to Approve Memorandum of Understanding between the Fullerton School District and California School Employees Association (CSEA) Chapter 130 pursuant to COVID-19 and work schedules.

Public Hearing

President Vazquez conducted a public hearing at 6:56 p.m. to allow public comment regarding the adoption of Resolution #19/20-19 authorizing the imposition and collection of increased developer fees on new residential and commercial/industrial construction.

Hearing no public comments, the public hearing was closed at 6:59 p.m.

Discussion/Action Items:

2d. Adopt Resolution #19/20-19 authorizing the imposition and collection of increased developer fees on new residential and commercial/industrial construction.

The Robert Coghlan stated that on January 22, 2020, the State Allocation Board (SAB) approved an increase to Level 1 Developer Fees which is the amount a school district may charge for mitigating the impact of new residential and commercial/industrial development on school district facilities. The recently adopted Level 1 Developer Fees allows for \$4.08 per square foot of assessable space on residential property (developer fees) to be collected. Fullerton School District is not a K-12 district, therefore the amount collected is shared with Fullerton Joint Union High School District, and Fullerton School District's share would be 2/3 or \$2.72 per square foot. The recently adopted Level 1 Developer Fees also allows for \$0.66 per square foot of commercial/industrial construction to be collected, of which Fullerton School District's share would be \$0.44 per square foot.

It was moved by Janny Meyer, seconded by Aaruni Thakur, and carried 5-0 to Adopt Resolution #19/20-19 authorizing the imposition and collection of increased developer fees on new residential and commercial/industrial construction.

2e. Approve the public announcement of Mr. Thomas Reminiskey as the Board of Trustees' intended appointee to the Personnel Commission to fill the unexpired term until December 2021.

The vacancy on the Board of Trustees' appointee to the Personnel Commission became vacant mid-term. The District issued a public notice requesting applications to fill the unexpired term until December, 2021. After consideration of all applicants, it is recommended that the Board of Trustees publicly announce Thomas Reminiskey as their intended appointee in accordance with E.C. 45246 (b)(2). On May 12, 2020, the Board of Trustee will hold a public hearing to receive input from the public, employees and employee organizations prior to consideration of final action for an appointment to the Personnel Commission.

It was then moved by Beverly Berryman, seconded by Janny Meyer and carried 5-0 to Approve the public announcement of Mr. Thomas Reminiskey as the Board of Trustees' intended appointee to the Personnel Commission to fill the unexpired term until December 2021.

2f. Approve/Ratify purchase of 500 Apple iPads for 2019/2020 school year.

The District is currently working to ensure every 4th-8th grade student has a working iPad for Distance Learning including Special Education. While the District has enough iPads out in student hands, the District needs a larger inventory to ensure repair and replacement of iPads. With social distancing, we are often swapping iPads when students come for tech support rather than attempting to repair on-site.

It was then moved by Hilda Sugarman, seconded by Beverly Berryman and carried 5-0 to Approve/Ratify purchase of 500 Apple iPads for 2019/2020 school year.

2g. Approve/Ratify purchase of 600 WiFi Internet HotSpots from Orange County Department of Education for 2019/2020 school year.

The Fullerton School District (FSD) was approached by the Orange County Department of Education to join a consortium purchase for needed Internet HotSpots to provide to students that do not have internet access to conduct Distance Learning. This consortium was able to get devices with a fast turnaround time (2 weeks) vs the 4-6 weeks that FSD had been quoted by others.

It was then moved by Hilda Sugarman, seconded by Aaruni Thakur and carried 5-0 to Approve/Ratify purchase of 600 WiFi Internet HotSpots from Orange County Department of Education for 2019/2020 school year.

Board Member Request(s) for Information and/or Possible Future Agenda Items

Trustee Sugarman suggested FSD look into hiring a Public Relations person. Hearing no second, the motion did not move forward.

President Vazquez made a motion, seconded by Trustee Sugarman to have a special board meeting session on Board Evaluation and consider CSBA to conduct the session.

President Vazquez made a motion, seconded by Trustee Thakur to add an Equity Resolution to the May 12, 2020, Board agenda. Dr. Pletka reported the Board will receive 2-3 equity resolutions to review.

Trustee Berryman requested an update on the solar project installation at the District Office and school sites. In addition, she requested an update on Laguna Road's STEAM Lab. (The STEAM Lab suffered a fire during the Fall of 2020).

Trustee Thakur requested a COVID-19 update at the May 12, 2020, Board Meeting and ongoing there after for each Board Meeting. Trustee Thakur stated he would like a future study session with topics to be determined.

President Vazquez adjourned the Regular meeting on April 14, 2020, at 8:06 p.m.

PTA:

April Fullerton Council PTA update:

Hello everyone! We hope you are all well and safe, and adjusting to our strange new normal. Fullerton council PTA would like to sincerely thank you for your dedication and commitment to helping our teachers and students navigate through their new "normal" way of doing school. We know the countless hours, emails, and phone calls that have happened over the last few weeks to make distant learning possible. We are also hearing from lots of families that they are loving the video updates from Dr. Pletka, the social media post with the face game and teachers reading to the kids. These "simple" acts give great comfort and connectivity to our kiddos. So, sincerely, many thanks!

We are sad to have to cancel our spring luncheon. This is always a great event to award scholarships to graduating seniors, recognize those who have gone above and beyond for our schools and students, and just celebrate another wonderful year. We are discussing having some sort of welcome back celebration in August.

PTA business is sort of continuing as normal... We will finish out the year with Zoom meetings and elections over the next couple of months.

We hope you all are well and safe, and we look forward to seeing you all in August!!

Warmest wishes,

Wendy Reid and the entire Fullerton Council PTA board

CSEA:

Good evening Dr. Pletka, President Vazquez, Members of the Board and Cabinet. Thank you Carmen Serna for speaking on behalf of CSEA:

We are deeply indebted to Cabinet and the Board for your tireless efforts to keep everyone working and in paid status. We are each surrounded by friends and loved ones who are being furloughed, laid off or dismissed from their employment, helping us to be more grateful for our positions with FSD. Classified employees have been showing our appreciation by pouring our hearts into our work for the students and the community we serve.

Our Nutrition Services staff have been preparing nutritious meals for students, but they do not work alone. Instructional Aides and Playground Supervisors have been dedicating their hours to assist. Our Custodians have been setting up distribution zones, sanitizing and breaking down daily. FSD has also been blessed to partner with generous businesses and organizations within the community who donate food and hot lunches. Our Transportation Department are picking up those donations and delivering to school sites daily, and our mechanics make sure the busses are reliable.

Meals and food are extremely important, but they are not the only service our district provides for our students. FSD 360° concentrates on the whole student. Student Support Services are offering different approaches to support the social and emotional needs of students and families. Instructional materials and iPads are also being distributed at school sites. Our Innovation and Instructional Support Department is offering technical support to all our students and families - staff as well. They help navigate every issue from log-in tutorials and connectivity problems to broken devices. Our Teachers, Education Services and Instructional Aides are

preparing subject specific packets for digital distribution as well as printed materials. Our print shop never rests – except for breaks required by law, of course.

Our Maintenance and Operations Department is hard at work making sure highly utilized surfaces are properly sanitized and our schools are ready for the day we can all return. All supplies are ordered, received, processed and paid for by Purchasing, the Warehouse, and the Business Department. It takes a small army to make sure all our sites have what they need to flourish during these uncertain times. All of this is on top of what must be done daily to keep our district functioning like a well-oiled machine. Payroll has been flexible with all our time sheet changes. Human Resources have been supporting new COVID laws and putting into effect the new MOUs we negotiate. Our Superintendent's Office, Child Development, Child Welfare and Attendance, and school site office staff must continue to enroll students for next year. Luckily, our work never ends.

Thank you for your innovative ideas to keep us all working and contributing to our shared goals. Thank you for being flexible with the ever-changing requirements and regulations that pop up daily. Thank you for making us proud to serve shoulder-to-shoulder with the best minds and hearts in Fullerton. The old saying goes that it takes a village to raise a child. We have learned it takes FETA, FESMA, the Board and CSEA working together to educate and support Fullerton. You make us proud to be part of this FSD family.

Thank you for your time,
Joanne Declaro

FETA:

Good evening President Vazquez, Board of Trustees, Superintendent Pletka, and Cabinet,

I hope you are all coping well and somehow settling into a semi-normal "Covid-19 routine." Since Friday, March 13th, the shock of school closings has been stressful and frustrating as teachers, support staff, and the district pivoted to Distance Learning for all students. Teachers' daily routines, communication to parents and students, teaching, and caring for our families have all been upended. These changes have affected our teachers disproportionately. SPED, Preschool, TK-3, 4-6th, PE, and junior high teachers have all had to respond differently and have had unequal challenges. Many teachers have communicated these concerns to me, and I have been dealing with these site by site and at the district level. I thank our teachers for reaching out as many are juggling stressful and challenging family responsibilities while sheltering at home **and** at the same time trying to navigate and reconcile the new demands of "Distance Learning." This has been especially taxing on our SPED teachers. I thank our teachers for sharing their concerns, fears, and frustrations as it is important to communicate them to the district.

Again, considering each teacher's unique home situation and family responsibilities, I've communicated to teachers to simply do the best they can. Cover the basics. Be reasonable, and that teachers are not expected to compare themselves to others, to stress out, and to create a novel virtual reality classroom all on their own. I've encouraged them to just make connections with their parents and students the best they can, whether it be through email, a phone call, Google Classroom, Dojo, Seesaw, a recorded video message, or if possible with a video conferences in Zoom or Google meet.....some teachers are available to do more, and some teachers due to responsibilities of families at home are unable to do as much as they wish. Many teachers are anxious and concerned because they are unable to perform at previous levels of innovation and engagement due to shelter-in-place challenges. They feel they will be negatively judged or evaluated by their administrators or by the district because they can't meet certain "expectations". This is a real concern. I ask that you, the district, and our administrators continue to communicate a message of understanding, flexibility, and compassion to teachers.

Last week, an email was sent from an administrator to their site staff. It was shared with me by a FETA member. The message is spot on and really hits home on what we should all be communicating to administration, teachers, and staff. I would like to share it with you.

Hello Team :)

Happy rainy Tuesday! I just wanted to say that ALL of you are doing a GREAT job! You are rocking this 'teaching from home during the COVID-19 pandemic'!!! No other teachers in the history of the world have ever done something like this before. No one is an expert. I do not expect any of you to be experts. I am not an expert.

I was chatting with a teacher the other day and it hit me. As educators, we always say: "We can only control what happens at school. We cannot control what happens at home." This statement has never ever been truer than now! I know we are all control freaks and normally we can control what happens in our classrooms, but sadly our students' homes are not our classrooms. We cannot control their homes. So.....breathe deep and everyone repeat after me, "I. Can. Only. Control. What. I. Can. Control."

Many of you are juggling multiple jobs at home and learning to work with new coworkers! Many of you are: a teacher for your students, a teacher for your own kids, a chef, a dog walker, a cat cuddler, a reptile feeder, a dishwasher, a companion, a wife, a husband, a baker, a maid, a daughter, and a son. But most importantly, you are a HUMAN going through this CRAZY time in life that no one has ever gone through before and trying to keep yourself afloat.

Please do not compare yourself to others. Please do not think that you need to do a million things more. Please do not think you are failing your students. Please do not stress yourself out.

Please take a deep breath and say "I can only control what I can control." You cannot control other people's children when they are not in your classroom. You are not required to call your students and yell at them for their parents because they refuse to work at home. You are not expected to meet with your students for 6 hours a day through Zoom. You have a million other jobs (listed above) that need to be tended to, so YOU DO YOU!!!

If you need a verbal pep talk or vent session...you know where to find me. I am here for ALL of you. I miss you all dearly...

What a wonderful message from an administrator! Though not all administrators have communicated this exact message, this is what teachers need to hear!

I would also like to say thank you to Dr. Hammitt who also sent out an encouraging message last Wednesday, reminding us what is important. It is entitled [You're Not Alone- Working from Home](#).

This is a time where we need to slow down and take stock of what is important and give ***that*** our focus and priority. It is also a time where we can be grateful for all we have. As public employees, our salaries are guaranteed, our healthcare is intact, our support networks are strong, and we have the ability to still reach out and provide instruction for our students.

From me personally, I would like to thank you for all you are doing to help us through this unprecedented time while providing flexibility and grace to our wonderful FSD teachers!

With much gratitude,
Mark Jacobs

CONSENT ITEM

DATE: May 12, 2020
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts, which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

TO: Robert Pletka, Ed.D., District Superintendent

SUBJECT: **APPROVE AGREEMENTS WITH CANTRELL PHOTOGRAPHY, INC., LIFETOUCH SCHOOL STUDIOS, INC., STUTIO 1, AND PICTURES WITH CLASS, TO PROVIDE SCHOOL PHOTOGRAPHY SERVICES FOR THE 2020/2021 SCHOOL YEAR**

Background: To ensure equality of the back to school photography, the District established a standard that all photography vendors must meet in order to do business within the District. Three standard photography packages were designed with fixed pricing and each vendor must include those packets within their other special offerings of photography packages. Additionally, the vendors must have a minimum of five years experience in projects similar in size and scope and must comply with the fingerprinting requirements of Education Code 45125.1 and proper insurance required by the District as well as picture formatting for Power School. Four vendors have agreed to our terms and conditions; Cantrell Photography, Inc., Life Touch School Studios, Inc., Studio 1, and Pictures with Class.

The contract period is for one (1) year. The contract price is to be adjusted annually, not to exceed the average twelve-month change in Consumer Price Index. There will be no adjustment this year.

Rationale: By approving the agreements, the process is streamlined and standardized for the schools and PTAs can make choices earlier in the year with any vendor on the approved list.

Funding: No fiscal impact.

Recommendation: Approve agreements with Cantrell Photography, Inc., Lifetouch School Studios Inc., Studio 1, and Pictures with Class to provide school photography services for the 2020/2021 school year.

PREPARED BY: Michael Burns, Director, Nutrition Services
SUBJECT: **APPROVE ROCKETSCAN SOFTWARE AND HARDWARE MAINTENANCE SERVICE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND IMAGE ONE TECHNOLOGY SOLUTIONS BEGINNING SEPTEMBER 1, 2020 THROUGH AUGUST 31, 2023**

Background: Nutrition Services participates in the National School Lunch Program (NSLP) and the School Breakfast Program (SBP). State and federal funding received through these programs is based upon the eligibility of free, reduced-price, or full-paid meal counts. Eligibility for free and reduced-price meals is determined by processing meal applications submitted by parents/guardians throughout the school year by using strict guidelines issued by the USDA and the State. State officials conduct on-site audits of the applications and adherence to the guidelines. The District must remain in compliance with all guidelines in order to receive reimbursement for meals and operate programs.

In 2008, Nutrition Services purchased RocketScan software and hardware from Image One Technology Solutions to electronically process meal applications. The RocketScan software and hardware harvests student data from the meal applications. After scanning, the applications go through a validation process in RocketScan where information is verified and eligibility is determined.

The Agreement with Image One Technology Solutions includes software maintenance support. In the event of a hardware failure, a replacement scanner will be shipped overnight in exchange for the failed machine. The Agreement is for three years and can be terminated by either party with 30 days written notice.

Rationale: Nutrition Services continues to process applications electronically. The benefits of using RocketScan are increased accuracy of benefit determinations, increased speed of application processing, and a significant reduction in the amount of paperwork necessary to the application process. The immediate service in the event of hardware failure also limits down-time and ensures the District will always be in compliance with application processing timelines.

Funding: Total cost of the three-year Agreement is \$ 4,830.00, and is to be paid from Nutrition Services Budget.

Recommendation: Approve RocketScan Software and Hardware Maintenance Service Agreement between Fullerton School District and Image One Technology Solutions beginning September 1, 2020 through August 31, 2023.

PREPARED BY: Sam Ricchio, Assistant Director, Innovation and Instructional Support

SUBJECT: APPROVE INTERNET ACCESS AGREEMENT WITH ORANGE COUNTY SUPERINTENDENT OF SCHOOLS/ORANGE COUNTY DEPARTMENT OF EDUCATION (OCDE) EXTENDING THE CURRENT AGREEMENT BY ONE YEAR (AGREEMENT NUMBER 49963) BEGINNING WITH JULY 1, 2020 THROUGH JUNE 30, 2021

Background: Fullerton School District (FSD) contracts with Orange County Department of Education (OCDE) to be its internet service provider. This agreement addresses access to the internet through OCDE to the K-12 High Speed Network. FSD signed an annual agreement for this service to better align with the eRate cycle and State procurement laws.

Rationale: This agreement extends the current contract by one year that terminates the end of the next fiscal year (June 30, 2021) to provide internet access.

Funding: The annual cost of this service is covered in the State budget so the charge to the FSD is \$0.00. If this item is removed from the state budget and OCDE is charged for access the FSD could eventually be charged for internet access. This amount would be a metered rate and would be paid from the Innovation and Instructional Supports budget (409).

Recommendation: Approve Internet Access Agreement with the Orange County Superintendent of Schools/Orange County Department of Education (OCDE) extending the current agreement by one year (agreement number 49963) beginning July 1, 2020 through June 30, 2021.

SUBJECT: APPROVE INDEPENDENT CONTRACTOR AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND BRISA DIAZ TO PROVIDE VIDEO EDITING SERVICES FOR FSD TV

Background: Fullerton School District (FSD) TV helps teachers prepare and film lessons for distance learning opportunities, serving thousands of students who access those lessons through local community cable, YouTube and through Facebook video. These lessons help provide access to the curriculum for FSD students. As FSD moved into action to address distance learning opportunities, the Innovation and Instructional Services team needed to secure additional support in editing teachers' lessons to keep up with the pace of filming and producing distance learning lessons.

Rationale: Brisa Diaz is a graduate of California State University Fullerton's Film program, and has worked on a variety of independent films, in both production and post-production roles. She is skilled in the technical and editing skills of non-linear editing software, very effective in meeting the quick turnaround needed for community cable and online video production, and is a good fit to support us in producing the lessons from our teachers for our students.

Funding: Cost not to exceed \$7,500 and is to be paid from the Unrestricted General Fund.

Recommendation: Approve Independent Contractor Agreement between Fullerton School District and Brisa Diaz to provide video editing services for FSD TV.

Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by District and shall not be copied or used in whole or in part by Contractor without District's express written permission. Contractor understands and agrees that all Content produced under this Agreement is the property of District and cannot be used without District's express written permission. Contractor acknowledges and agrees that District shall have all right, title and interest in said Content, including the right to secure and maintain the copyright, trademark and/or patent of said Content in the name of the District.

Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required Services from another Contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charges to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its governing board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

Contractor shall provide prior written notice to the District thirty (30) days in advance of any non-renewal, cancellation, or modification of the required insurance. The certificates of insurance providing the coverages referred to in clauses a and b above shall name District, its Governing Board, officers, and employees, as additional insureds with appropriate endorsements. In addition, the certificates of insurance shall include a provision stating "Such insurance as is afforded by this policy shall be primary, and any insurance carried by District shall be excess and noncontributory." CONSENT ITEM

DATE: May 12, 2020

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Julienne Lee, Assistant Superintendent, Educational Services

PREPARED BY: Douglas Rynerson Ed.D., Program Specialist, Educational Services

SUBJECT: **APPROVE ADOPTION OF *AMPLIFY SCIENCE* FOR GRADES 7th -8th GRADE TO SUPPORT IMPLEMENTATION OF THE CALIFORNIA STATE STANDARDS (CA-NGSS)**

Background: In November 2018, the California State Board of Education approved the Science instructional materials that support the implementation of California State Standards (CA-NGSS). Beginning in August 2019, approximately 30 teachers began piloting the 7th-8th Grade Science materials from three different vendors. Teachers met to discuss each program's features such as ELD supports, alignment to standards, assessment, and online access. A survey was conducted in February to determine which Science program teachers would prefer to fully implement in 2020/2021 and *AMPLIFY SCIENCE* was selected for Grades 7 & 8. Fullerton School District (FSD) will purchase an 8-year package that includes 8 years of digital access, hard copy components for teachers, and 6 years of student consumable textbooks.

Rationale: Our current Science textbooks are not aligned to the Next Generation Science Standards (NGSS) and FSD teachers have had to supplement with additional resources. Adopting a new Science textbook that is NGSS aligned will provide all teachers with access to all components and will provide consistency within FSD for lesson planning, lesson pacing and student assessments.

Funding: The estimated cost is \$765,712 and is to be paid from the General Fund, utilizing both restricted and unrestricted funding.

Recommendation: Approve adoption of *Amplify Science* for grades 7th – 8th grade to support implementation of the California State Standards (CA-NGSS).

The provisions of this Agreement shall supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and shall supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement shall apply to their singular and plural forms, as applicable. The word "including" means "including without limitation." This Agreement shall be governed by and construed and enforced in accordance with the laws of the state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement shall constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement shall for any reason be held to be unenforceable at law, such provisions shall be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify shall have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fires, floods, strikes, civil disturbances or terrorism, or interruptions in power, communications, satellites, the Internet, or any other network.

FROM: Jeremy Davis, Assistant Superintendent, Innovation and Instructional Support

SUBJECT: **APPROVE A CONTRACT TO LIGHTSPEED CALIFORNIA, INC. DBA LIGHTSPEED TECHNOLOGIES, INC. PURSUANT TO THE STATE OF CALIFORNIA MULTIPLE AWARD SCHEDULES (CMAS) CONTRACT NUMBER 4-19-00-0114B, FOR THE PURCHASE OF CLASSROOM VOICE AMPLIFICATION EQUIPMENT**

Background: The California Multiple Award Schedules (CMAS) contracts are established using products, services and prices from already existing competitively assessed and cost compared multiple award contracts. The products, equipment, services and prices are occasionally listed with the federal General Services Administration (GSA) multiple award schedule as well. California contract terms and conditions and procurement codes and policies are added to these products, equipment, services and prices by the District as required.

The District's purchasing and technology departments have considered procurement methods for the purchase of classroom voice amplification equipment for the District. Classroom voice amplification has been shown to reduce teacher voice strain, to increase student achievement, and to reduce behavioral concerns related to students not able to understand or hear the teacher. The District has also tested these devices while a speaker was wearing a mask to ensure that in the event teachers need to wear masks during the course of teaching they would not have to raise their voices for all students to hear. This contract expires on December 31, 2021. A copy of the contract is available for review in the Superintendent's Office.

Rationale: Per the provisions of Public Contracts Code §20118 the governing board may authorize by purchase order or contract the purchase of equipment, materials or supplies without advertising for bids, if the Board has determined it to be in the best interest of the District. Approval of this request will allow the District to utilize a cost-effective means of purchasing voice amplification equipment as required throughout the District.

Funding: Funding for purchases from this contract will come from the general fund, various programs and site budgets as appropriate.

Recommendation: Approve a contract to Lightspeed California, Inc. dba Lightspeed Technologies, Inc. pursuant to the State of California Multiple Award Schedules (CMAS) contract number 4-19-00-0114B, for the purchase of classroom voice amplification equipment.

SUBJECT: APPROVE DECLARATION OF NEED FOR FULLY QUALIFIED EDUCATORS FOR THE 2020/2021 SCHOOL YEAR

Background: As of 1996, a “Declaration of Need for Fully Qualified Educators” must be completed and adopted yearly based on the anticipated need for the subsequent school year. This Declaration must be Board adopted and submitted to the Commission on Teacher Credentialing before any alternate credentials may be processed.

The Fullerton School District has the following general needs that may be met through the alternate short-term credential process:

- Classroom teachers to meet authorization for instruction to limited English proficient students per Williams Lawsuit in schools ranked in deciles 1-3.
- All core academic subject teachers to demonstrate subject area competence.
- Filling preschool special education positions for which a specialist credential is required.
- Filling special education positions to allow these educators time to meet new requirements for special authorizations.
- Filling junior high positions for which qualified teachers are difficult to find, including but not limited to foreign language, science, math, English language learners.
- Obtaining certification for those teachers, who, because of scheduling needs, teach one or two periods outside their credentialed area, i.e., five periods of language arts and one period of physical education.
- Filling positions with teachers from out of state or private schools to allow these educators additional time to complete California credentialing requirements.

Rationale: The Board of Trustees is required to adopt the “Declaration of Need for Fully Qualified Educators” at a public meeting certifying that there may be an insufficient number of certificated persons who meet the District’s specific employment criteria for identified positions. The completed Declaration is filed with the Commission on Teacher Credentialing and permits the District to obtain short-term certifications as needed during the school year.

Funding: Not applicable.

Recommendation: Approve Declaration of Need for Fully Qualified Educators for the 2020/2021 school year.

It was moved by Beverly Berryman, seconded by Janny Meyer and carried 5-0 to Adopt Resolution #19/20-20 calling for Board of Trustees' election to be held on November 3, 2020 (roll call was taken for each Board Member's vote).

2f. Approve Future Special Board Meeting(s)/Board Study Session(s) on various topics.

It was moved by Jeanette Vazquez, seconded by Hilda Sugarman, and carried 4-1 (Trustee Meyer opposed) to approve a Special Board Meeting on COVID-19 and the Special Board Meeting was scheduled for June 2, 2020.

Update on COVID-19

Dr. Pletka stated the Board of Trustees stated they would like to receive COVID-19 updates and Executive Cabinet will be updating the Board at future Board Meetings. Dr. Pletka shared the District will be providing an Extended Play: Summer Edition (Summer School). Dr. Pletka explained the District is discussing different options for what the Fall make look like in regards to students returning back to school. Dr. Pletka reported the State has not waived, as of today, the instructional minutes. Various options/models for students returning are being considered based on State guidelines and parent choice.

Julienne Lee, Assistant Superintendent of Educational Services Update:

Summer Program Extended Play: Summer Edition:

Independent Study/Homeschool:

- Short Term Goal: Expand our existing independent study program (each of the schools) to offer an option for parents to have a home distance learning model.
- Long Term Goal: Independent Study, with robust curriculum in a choice model that includes teacher facilitated, parent facilitated instruction, seminar/lab days with hands-on opportunities for learning.

Rob Coghlan, Assistant Superintendent of Business Services Update:

Pandemic EBT Card

What is Pandemic EBT (P-EBT)?

- P-EBT is a food benefit for children on the free-reduced meal program impacted by school closures.
- P-EBT eligible families will receive up to \$365 per eligible child on their P-EBT

card to use on groceries.

Who is Eligible for P-EBT?

Children who qualify for the free or reduced-price school meal program.

- Children who get free or reduced-price school meals because they received CalFresh, Medi-Cal, CalWORKS, or Foster Care during the school year DO NOT need to apply for P-EBT benefits.

- These households will receive their P-EBT card automatically in the mail between about May 12, 2020 and May 22, 2020.

- District has shared this information with FSD families about this P-EBT benefit, included a flyer in the “to-go” lunch bags being distributed at school sites, and posted the information on the District website.

Jeremy Davis, Assistant Superintendent of Innovation and Instructional Support Update:

Internet and hot spots - have distributed over 400, we are anticipating some jump in demand this month as the Spectrum free offer was only for 60 days and many families signed up the week of March 13th.

VIP program - there will be another Apple lease on the next Board Meeting to continue refreshing the VIP devices

Audio Amplification – Thanked the Board for approving the CMAS contract on the consent agenda to purchase audio amplification systems for teachers. We are starting with a purchase for at least half of the classrooms and we are surveying teachers to ensure we don't over-order.

Survey for Friday - We are planning on sending a survey home on Friday to parents regarding their learning preferences in the fall based on distance learning vs physical school to gauge our parents' interest at this time.

Dr. Chad Hammitt, Assistant Superintendent of Personnel Services Update:

Virtual interviews - Personnel is continuing to interview and recruit even with the Safer At Home and temporary School Closure orders. We are currently recruiting, interviewing through teleconferencing and hiring employees to ensure we are ready for the 2020-21 school year. Classified Personnel has filled 90% of their vacancies.

Risk management - Student, staff, and community safety and health are major priorities both now and as we prepare for the new school year. We are currently planning and making the following preparations for the 2020-21 school year:

- We are investigating different technologies to temperature screen all students, staff, and campus visitors every morning before the start of the school day and before they enter campus.
- We are walking every classroom at every campus to determine the type of furniture, room layout, and overall capacity of each classroom with social distancing requirements in place. We are also looking at empty classrooms and facilities to house students for “daycare.” We are also analyzing each lunch area and outside area for safe student capacity numbers.
- We will begin summer deep cleaning on June 1st and will be deep cleaning, disinfecting, and sanitizing each area on each school campus and District facility.
- We are also working with a District committee with representatives from FETA, FESMA, and Cabinet to look at potential instructional scenarios for next year that will enable us to return to school and meet the requirements of the Governor and the pandemic requirements.

Board Member Request(s) for Information and/or Possible Future Agenda Items

President Vazquez mentioned Trustee Sugarman had previously stated holding a discussion on hiring a Public Information Officer. There was no second on this topic.

President Vazquez adjourned the Regular meeting on May 12, 2020, at 10:09 p.m.

DELAC Repot:

Good evening President Vazquez, School Board Members, Executive Cabinet, and Superintendent Dr. Pletka.

The DELAC committee would like to thank the Fullerton School District for their continued support for our English Learner population during this time of school closures. The parents of our English Learners are glad that students will have extended Learning opportunities through the Extended Play Summer program and EL JumpstART. Another big area of need for our student population is Mental Health. Additionally, we look forward to receiving more information about how English Learner students will be supported at the beginning of the school year. I would like to end by thanking Yolanda McComb for her support of the Dual Language Program at Raymond. She has been a very important part of the success of the program. Congratulations on her retirement.

Thank you for your support of our English Learners and the DELAC committee.

Sincerely,

Egleth Nuncci
DELAC President

PTA Report:

Good evening everyone! We again hope that everyone is doing well, staying safe and healthy, and maybe even enjoying our summer like weather! Fullerton council PTA is continuing to help all of our units navigate through zoom elections and meetings, and help find creative ways to wrap up the year with some fun and positivity. Many of our schools did fantastic jobs with their Teacher Appreciation celebrations virtually. We all wish we could do more to express our sincere gratitude for everything the teachers are doing for distance learning. FSD teachers ROCK!

We are all anxiously waiting to hear how the 2020/21 school year will look for our students and how PTA can help! We know that things will be different, but also know that together we will do everything we can to ensure that the start of the new year, however that may look, will be a smooth transition.

All of us at Fullerton council want to thank everyone at FSD for everything you have done and are continuing to do for our students and families!!

Warmest wishes,
Wendy Reid, Christy Carter and the entire Fullerton council board

FETA Report:

Good evening President Vazquez, Board of Trustees, Superintendent Pletka, and Cabinet,

I hope you are all well and staying safe. I would like to report that our teachers have done an incredible job in transitioning to "Distance Learning." Like true professionals, teachers moved from the status quo to virtual classrooms in literally days while juggling uncertainty and upheaval in their own lives. As we enter week 7 of Distance Learning, most teachers have hit a rhythm of new ways of teaching and following up with our students and parents. Many of our SPED teachers have been working 12-14 hour days to keep up with services and Zoom IEP meetings. This experiment of virtual learning has proven that we can, overall, deliver instruction and connect to students and parents. It is not, however, ideal and disproportionately affects our students, families, and our FSD teachers. I would like to thank the board for reaching out FETA and offering words of encouragement and support. Additionally, I would like to thank Dr. Pletka, Dr. Hammitt, and the entire cabinet for your responsiveness to teacher concerns and special

situations that this closure has caused. In true PAL fashion, teachers of every level and department were invited to participate in a Back to School Options Committee this morning. The task in planning a variety of scenarios of how school may reopen is extremely complex, and imperfect. Teachers are preoccupied and worried about what to expect as we move into summer. As FETA president, many questions come to me. Will it be safe for students to return? Will it be safe for teachers to return? How will we implement social distancing and sanitize our rooms? What if teachers are a part of a vulnerable group? How will they be kept safe while still wanting to help and be productive? How will SPED teachers teach within safety guidelines and is it even possible? So many questions...the list goes on and on. We hope to collaboratively answer these questions as well as provide options to parents and teachers who may not be able or feel comfortable returning to school in the Fall.

I am also pleased to report that our Jr. High Think Tank team continues to meet and discuss Social Emotional Learning possibilities with Dr. Hammitt and Dr. Lee to provide more accountability, mental health services, and mentorship to our Jr. High students. We continue to define and drill down on roles and responsibilities for three Student Support Mentors, additional Mental Health Therapists, and a Lead Counselor to better assist and connect our students with support and attention. Though we saw the need for this before the closure, we believe that SEL support will be in even greater need as we transition back to school in the Fall.

On a personal note, and on behalf of Raymond school, I would like to publicly thank our principal, Yolanda McComb for her 30+ years of service, leading our school for the past 14 + years, and congratulate her on her upcoming, well deserved retirement! Running a school is running a small community, and it is often a thankless, lonely job. It often appears impossible! Thank you Yolanda McComb for keeping Raymond running smoothly and transitioning Raymond to a successful DLA school as well.

In the closing weeks, many sites across the district are trying to modify their year-end traditions and events to the best of their ability. Raymond 6th grade, for example, will be having a grade level Year End Zoom Celebration, Tuesday, May 26th and a 6th Grade Drive-Through Promotion, on Thursday May 28th to distribute Promotion Certificates, yearbooks, and provide a last good-bye and photo (all at a safe distance) before they move on to Jr. High. Sites all across the district are arranging special and safe, or Zoom farewells.

From me personally, I would like to thank our teachers for the exceptional job they continue to do and to you for all you are doing to help us while providing flexibility and options to our wonderful FSD teachers!

With much gratitude, Mark
Jacobs President, FETA
Raymond 6th Grade Teacher

CSEA Report:

JoAnne Declaro, CSEA Treasurer
May 12, 2020

Good evening Dr. Pletka, President Vazquez, Members of the Board and Cabinet. Thank you Carmen Serna for speaking on behalf of CSEA:

Towards the end of the school year, we focus on thanksgiving. We take time to recognize and appreciate all our teachers, classified staff, nurses, secretaries and bus drivers. It does take the entire village to serve the children of Fullerton and we appreciate all the contributions towards FSD's success. Our Purchasing Department teamed up with the City of Fullerton and the Chamber of Commerce to find several local restaurants like JP23 that are donating to assist our Nutrition Services in feeding our students. We have even borrowed a food truck from Anaheim Union to help aid us in distributing breakfast and lunches at 9 schools. At 8 additional schools, we are now distributing breakfast, lunch and supper. I know our combined efforts are making a huge impact for struggling families.

As we approach the end of the school year, work for our classified staff starts to rev up. Along with planning for the supplies and Professional Protective Equipment needed to complete this school year, we also start ordering for next year and our extended school year. Every order made requires many hands for completion. Office staff, supervisors, purchasing, warehouse, drivers, custodians, accounting, and the Superintendent's office staff all do their part to complete each order. Every hand contributes a link in the chain that connects us all to the children we serve. Every hand is important and vital to our success. Thank you everyone; FSD is the vehicle through which we can all make a difference.

As the work continues, we keep striving to innovate and reach new heights. Payroll will soon be rolling out electronic timesheets that will be available to staff through the district website. The website itself changes every week increasing resources and tools for students, parents and staff. With schools closed, the post office stopped delivering mail, so transportation took on the responsibility of pick up and distribution. Everyone is being flexible and lending a hand to fill every need. It is during trying times like these where we see our true colors and reveal our genuine intentions. I am deeply grateful for all our staff and community partners. We all continue to prove that everything we do, we do for the kids.

Thank you.

FESMA Board Report

Presented by Robin Gilligan,
FESMA President

Good evening Board President Vazquez, Board Members, Dr. Pletka and Cabinet.

On behalf of FESMA, I would like to extend gratitude and appreciation for our management team members who are working alongside our esteemed certificated and classified staff to continue learning for our students. Together we have grown to see schooling in a new way and through a new model. It is truly amazing to see the hard work and dedication of our FSD staff come together and find balance and flow in our profession.

As our school year is coming to a close, we are looking around the corner and down the road to envision the potential future and how we can prepare. There will be many more days of preparation ahead of us and this preparation will be achieved through collaboration, flexibility and empathy.

In closing, I would like to honor our management leaders that will be moving on in retirement or to new adventures. Their years of service to our schools, community and district will be forever etched in our hearts and leave a legacy that will never be forgotten.

Thank you.

Consent Item #1a was approved in Closed Session 5-0.

COVID-19 Update:

Dr. Robert Pletka, Superintendent, stated the District has been discussing and preparing for the start of the 2020/2021 school year. The District's priority is to plan for students to return to an environment that is safe, thoughtful and loving and where kids come "first". The Fullerton school District is awaiting further guidance or directive from the CA governor and/or California Department of Education. The District is prepared to welcome students five days a week and address social distancing recommendations.

Julienne Lee, Assistant Superintendent of Educational Services, presented on the Back to School Models including:

FSD 360: Full Day (Five Days): Students who will be physically attending school five days a week. (*Dependent on Governor's guidelines and Ed Code Waivers; students are with their assigned teacher 50% of the week; students will participate in extended learning opportunities for 50% of the week such as All the Arts/Art Bus, PE/Outdoor Activities, Social Emotional Learning lessons and Activities*).

FSD 260 Hybrid (Alternating Days): Students who will be physically attending two days of the week and alternating short-days; two days with alternating short-days on Distance Learning at home.

Independent Study Distance Learning (Enrolled at own site): Students who temporarily will not be physically attending school (enrolled current site.)

myFSD Academy (Virtual): Students who will not be physically attending school.

Jeremy Davis, Assistant Superintendent of Innovation and Instructional Support, presented on Daily Temperature Screening and Audio Amplification for staff, and District Survey Data. The District provided a parent survey and 8,256 parents responded and the results were as follows: 49.7% prefer a full day school model, 30.5% prefer a Hybrid school model and 19.8% prefer a Distance Learning school model (Survey results are Districtwide). Site survey results are also available but were not discussed.

Dr. Chad Hammitt, Assistant Superintendent of Personnel Services, presented on the key components of school preparation (cleaning, disinfecting, sanitizing, social distancing, limit gathering and group sizes, and physical structures).

Dr. Rob Coghlan, Assistant Superintendent of Business Services, presented a budget update including a change in projected revenue for 2020-2021 that includes \$11,697,539. Dr. Coghlan spoke about potential cost-saving solutions for the District including reduction in travel expenditures, reduce District office budgets, reduction in utility costs, explore early retirement incentive, non-hire of temporary teachers as needed, and open positions require Cabinet approval before re-filling the position.

President Vazquez stated African-Americans are more adversely being affected by COVID-19 compared to other races. She held a moment of silence in memory of Ahmaud Arbery and George Floyd who recently passed.

Board Member Request(s) for Information and/or Possible Future Agenda Items

President Vazquez stated she added two Resolutions to the June 9, 2020, Regular Board Agenda:

- Resolution in Support: School and Local Communities Funding Act of 2020
- Resolution proclaiming Black Lives Matter

Trustee Thakur made a motion, seconded by Trustee Sugarman, to add the following topics to the June 9, 2020, Regular Board Agenda:

- Letter to the Community Regarding National Events Affecting the Community
- Letter of Appreciation to Local Control and Accountability Plan (LCAP) Committee.

Trustee Berryman stated she would like the Board to discuss protocol regarding Resolutions presented and brought to the Board for approval. The Board discussed having a future Special Board Meeting to discuss Board protocol, communication between the Board, Resolutions, Board self-reflection, and involvement from the Board as it relates to LCAP. Trustee Meyer expressed her concern regarding communication and cohesiveness between the Board. Trustee Meyer stated the Resolutions stated above were not communicated to the entire Board and in the future it is a good idea to allow the Board time to review proposed Resolutions prior to their approval.

Adjournment:

President Vazquez adjourned the Special meeting on June 02, 2020, at 6:42 p.m.

Clerk/Secretary, Board of Trustees

Public Comment Number 1:

It is important to point out that the CDC's Interim Guidance for Schools and Day Camps lists the following:

Promote healthy hygiene practices

- Teach and reinforce washing hands and covering coughs and sneezes among children and staff.

This is listed before mask wearing and states, "Face coverings should be worn by staff and encouraged in students (particularly older students) if feasible and are most essential in times when physical distancing is difficult...[document goes on to list examples of instances where masks are actually not recommended]"

Intensify cleaning, disinfection, and ventilation

- Clean and disinfect frequently touched surfaces within the school and on school buses at least daily as well as shared objects between uses.

It appears that hand washing provides little latitude, whereas mask wearing offers a lot of latitude being at most "encouraged" "if feasible." Hand washing and disinfecting are rooted in documented scientific research, and parents will also agree that hand washing is extremely important to prevent bringing pathogens into the classroom. Teachers can adjust to allowing 15 minutes for 30 children to wash hands. Providing hand sanitizer for classrooms without a sink is a practical solution for keeping classrooms safe.

The CDC has no evidence to support that social distancing works and mask wearing continues to be debatable with many instances where mask wearing can be problematic for children's health, safety, and developmental well being. I urge schools to train school staff stop any taunting, discrimination and shaming regarding children wearing or not wearing masks.

I applaud Placentia Yorba district for choosing to open in a traditional fashion, emphasizing hand washing and disinfecting. This is improving the school environment in a way that is developmentally appropriate, has a positive impact on environment as the third teacher, and it is a decision that can carry over post covid as a way to keep children safe at school. I urge Fullerton School District to do the same.

Sincerely,

Darlene Alquiza,

BS in Child and Adolescent Development specializing in Research Methodology and Multiple Subject Teaching,
MA in Human Development specializing in Early Childhood Education.

Public Comment Number 2:

As you move forward on deciding what plan to adopt for the Fall, I would like to thank the district for including more than 30 teachers on the Back To School Committee. Their ideas and concerns were addressed regarding the details of returning in the Fall and assisted us in making our recommendation. We understand the challenges that the return will bring in keeping not only our students safe but also recognizing that many of our teachers remain in vulnerable categories. Many teachers are very anxious about returning to work in the Fall. FETA reiterates the need to provide vulnerable teachers safe options in order to return to work while not exposing them to undue risk. This may mean providing these teachers remote work options or special accommodations until reasonable safety can be ensured. Please keep in mind that additional planning and accommodations specific to the unique work and program requirements for SPED and Preschool teachers will be needed. Distance Learning has placed undue hardships on SPED teachers with even more burdensome paperwork, additional Zoom requirements for parents and students which is creating unsustainable 12-15 hour days. Looking towards the fall, social distancing and safety measures for mild, mod, & sev. SPED students and teachers pose real concerns are not yet addressed.

We also realize our budget is impacted due to the State Budget cuts mentioned in the May Revise, however that does not negate the need to prepare and provide for additional mental health and Social Emotional Learning resources. As we return next fall, more, not fewer, students will be needing counseling, empathy, accountability, and care.

Thank you,

Mark Jacobs

President, FETA

Public Comment Number 3:

Hello to all of our FSD friends!

First off, all of us at Fullerton council would like to say a big THANK YOU to FSD teachers, admin, and staff for all of your hard work in finishing the year with distance learning. We know that it was a difficult task, but you handled these last 3 months so well! Thank you for the constant communication and updates, serving meals, updating and repairing iPads, and even providing a little fun along the way. Our sincerest thanks!

We now have some fun news to share! As you know, one of PTA's biggest programs for all students grades K-12, is our art reflections program. The program starts at the beginning of the school year, and continues on until spring. This year was a terrific year for California students, but especially for Fullerton students! We had several students who advanced to the district level (the Orange county level), a couple that moved on to the state level, and one student who advanced to the national level! CA PTA had 12 national awards including 1 Outstanding Interpretation Award, 6 Awards of Excellence, and 5 Awards of Merit. It is our sincere honor to announce that Jasmine Lee, 6th grader from Laguna Rd. was awarded the Outstanding Interpretation award in dance choreography at the California state level, and then moved on to the national level and was awarded the National PTA Award of Excellence! Congratulations Jasmine! We are so very proud of her.

We will be recognizing Jasmine in some fun way, so please make sure you are following our Fullerton Council PTA facebook page.

As we wrap up the 2019/2020 school year, we are feeling thankful for the time and work we spent together, and are looking forward to the beginning of the new school year. We hope you all stay safe, healthy, happy, and well. Enjoy some much needed downtime and maybe even a little "normal" summer fun! We look forward to seeing everyone soon.

Our warmest wishes,

Wendy Reid, Christy Carter, and the entire FC PTA board

Public Comment Number 4:

Board Members, I know you're receiving a COVID update this afternoon and i want to encourage you to support a move back to normal as soon as is possible. The three options that are being created are workable but not ideal. For our family, we're confident in the safety of our kids and want them in a campus environment where they're learning 5 days a week. With the current 5 day on campus option, it is important to us that the outdoor days are educational, not simply child care. We ask you to be as strategic and creative as possible in your planning for the fall.

We love our district and our school site and are looking forward to the fall.

Placentia YL School District attachment referenced for Public Comment No. 1:

May 29, 2020

Dear PYLUSD Community,

I hope you are safe and well. The disruption to all of our lives caused by the COVID-19 health crisis has been profound, and I know you are seeking clarity on the Placentia-Yorba Linda Unified School District's (PYLUSD) plan for re-opening. With that in mind, I write to share with you our plan for teaching and learning in Fall 2020.

First and most importantly: ***We are planning to reopen our schools as normal in the fall for students and staff who can safely return.*** Below, I outline the adaptable plan that will enable PYLUSD to respond to health scenarios without compromising the education of our students. Please be mindful that there are ***three months before school is scheduled to reopen in September.*** So much can change in that time and we are hopeful the changes will only improve our opportunities to return to school as normal.

Public health recommendations are being incrementally relaxed. We continue to monitor Orange County restrictions as these vary from county to county. The District's academic model for Fall 2020 outlined below utilizes the lessons learned and structures now in place for remote learning or blended learning models should they ever be necessary again for daily instruction, as well as our plan to return to school as normal.

Adaptable Plan

Because there is no way to precisely predict how the COVID-19 pandemic will impact each member of the community, our return plan can accommodate the needs of individual students and scale the need for remote learning up or down as necessary.

Below are the three phases the Governor has identified and how they may impact our ability to return to work and learn at each phase.

If we are in Phase 3: Students are back to school in a traditional manner with wellness practices firmly reinforced.

School opens September 1, 2020 in a traditional fashion with all safety precautions addressed.

The following safeguards will be in place:

- Return to in-class instruction with all students
- Special Education supports return according to IEPs
- Classroom seating returns to individual student desks (no flexible seating)
- Lunch and break/recess return to normal with staggered schedules as needed to encourage appropriate spacing
- Outdoor play equipment cleaned each evening along with all classrooms
- Co-curricular activities return as appropriate
- Elimination of field trips/extended field trips for the first semester and possibly entire year as warranted (until California moves to phase 4)
- Hand washing/sanitizing required after breaks, before lunch, and when returning to class
- Symptom checking at home before school each day by parents/guardians
- Students/staff encouraged to remain home if sick

Although we are planning for school to open as usual, we are also preparing for any unexpected changes such as a return to phase 1 or 2.

If we are in Phase 2 the need for a more restrictive environment is possible. Although we hope this will not be necessary, we are preparing for scenarios where students attend school utilizing a 50% attendance model with Blended In-person and Remote Learning in place due to social distancing requirements. (We are also preparing for a 33% attendance model which will be shared if needed.)

- Students assigned to a teacher(s) as normal
- Classes divided into Cohort A or B
- Cohorts attend in-class and at home on alternating days
- Cohorts not in the class participate online using a learning management system inclusive of live and recorded lessons to keep instruction moving forward
- Break/Recess and lunch staggered to allow students to eat safely outdoors or in small groups with appropriate social distancing
- Outdoor play equipment cleaned each evening along with all classrooms

If we were to return to Phase 1: Online learning only, shelter in place requirements reinstated.

- Full online learning curriculum would be implemented at all grade levels
- Schools would remain closed and all one-on-one/small group instruction would be done virtually
- Grading would continue and student attendance would be monitored

However, there will be families that are not comfortable returning to school during any of the above listed phases. For these families, the following options will be available all year:

- **PK-12 Homeschooling Through Parkview School:** Homeschool opportunity where parents serve as the instructor with support from a PYLUSD teacher who sets up learning schedules with virtual and in-school opportunities provided weekly or monthly
- **7-12 Independent Study:** Independent study opportunity providing the flexibility of instruction guided by PYLUSD teachers and supported with daily, weekly, or monthly check-ins virtually or in-person
- **K-12 PYLUSD Online Learning Academy:** Online learning opportunity with virtual or in-class weekly meetings with credentialed teachers

Shared Responsibility

We are all in this together, and our commitment to each other as members of the PYLUSD community has never been more important. Students, parents, teachers, and staff will explore the best way for us to work together safely. Before returning to school in the fall, all parents will be required to sign a "Commitment to Shared Responsibility." This agreement will outline the required health and safety protocols and behavioral expectations for all including a corresponding waiver.

- **Health Screening and Monitoring:** Prior to arriving at school, all students, volunteers, teachers, and staff will be required to take their own temperature each day. The expectation is that anyone who is sick will remain home for their protection and the wellbeing of others.

Preserving PYLUSD Values Amid Change

Our most immediate concern is for the health and safety of our students, teachers, staff, and community, which informs all of these changes. However, we are also cognizant of preserving those elements of a PYLUSD education that are distinct and exceptional. With this plan, we are building a safe environment to do what we do best: work and learn together, on our school campuses, or through hybrid, homeschool, and independent study programs.

Keeping You Informed and Involved

We ask all parents to complete the [survey linked here](#) to provide input regarding the various options described above that will help us anticipate staffing needs for each scenario and adjustments as necessary. A separate survey regarding childcare and the pilot summer camp program we hope to open in July was sent out earlier this week. Thank you ahead of time for taking this survey and the childcare survey to help guide our staffing decisions.

We will continue to share new information as we get closer to the fall. Our strength and resilience today is a testament to the shared commitment teachers, staff, students, parents, and our community have demonstrated over the past few months. I know we all look forward to having a healthy and much deserved summer and returning in the fall to teaching and learning as we are accustomed.

Respectfully,

George Floyd Issue: Does It Matter to Kids Like us?

By Francine V.

Having just graduated from 8th grade, this month of June is the time I've been looking forward to so I could take a break from school. We teens have our own world. We are invested in our video games, social media, and hobbies. But, even in our world, the death of George Floyd and the issues of police brutality, racial discrimination, protests and rallies have flooded our daily feeds, including our video games. Even the players in Roblox are doing their version of online protests.

These issues made me sad. I wanted to do my part to support the calls for reform but I needed to get more information. So, I spoke to my parents and I also conducted a survey among my friends and teammates from Young Observers, and below are what I have gathered:

1. POLICE BRUTALITY

- We all agree that police brutality is absolutely wrong. The police who put his knee on George Floyd's neck until he died is an example of brutality. Life is precious because we only live once. Regardless of background, we should treat everyone with respect and compassion.
- In school, we have rules and those who disobey are punished. The leaders of the policemen should make sure that bad cops are really punished, not excused.
- Anyone who wants to become a police officer should have serious training in respecting the life of every person so that they would not get involved in senseless killing.

2. RACIAL DISCRIMINATION

- "In this day and age, we shouldn't have to worry about our race," one of my friends remarked. We all believe that discriminating others doesn't make sense because we are all equal. Anyone who discriminate feels superior and condescending towards others. We will be happier if we fill our hearts with respect and kindness for everyone.

3. VIOLENT RALLIES

- We believe that we can send our message for reform in a peaceful way. Violence has never been an effective solution to our problems. It only makes it worst.

4. LOOTING DURING RALLIES

- My friends think that some may do this for amusement or to take advantage of the opportunity but stores, especially the small businesses, did not do anything bad to deserve this. We are unhappy that looters may not even be true protesters.

5. BLACK LIVES MATTER

- One of my friends wrote in the survey, "We are all humans. Skin color doesn't matter as every color is beautiful." The black community are mostly affected by the way people look at skin color because history remembers them as descendants of slaves. They have been treated as second class citizens. We support this movement because it is time we stand together to rebuild communities that treat the black community with respect and kindness. "All Lives Matter" will not work until Black Lives Matter." We've heard many people chanted this during the protests and we agree.

The death of George Floyd has opened up our minds to serious problems in our country that need to be dealt with. When asked how we could support the protest and rallies in a safe and peaceful way, my friends responded with making donations to the campaign, signing petitions, posting message of support in social media and by applying in our own lives the lessons we have learned, like being kind and respectful to everyone regardless of race or skin color and if we choose to become police officers in the future, we need to make sure we really care deeply for the life of every person. As British entertainer Clara Amfo stated, "educate yourself and others, stand by us loudly, consistently, FOREVER."

Sincerely,

Francine V.

CONSENT ITEM

DATE: June 9, 2020
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts, which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

WHEREAS, the University operates fully accredited educational programs for its candidates; and

WHEREAS, it is to the mutual benefit of the University and the District to make a program of educational fieldwork experiences available to the University's candidates at the District's facilities.

NOW, THEREFORE, it is mutually agreed upon between the parties as follows:

GENERAL TERMS AND CONDITIONS

1. **Term.** The term of this agreement shall commence on **July 1, 2020** and terminate on **June 30, 2025**.
2. **Termination.** Notwithstanding anything herein contained to the contrary, either party may terminate this agreement with thirty (30) days written notice to the undersigned. In the event of early termination of this agreement, candidates who have not yet completed their K-12 Educational field experience assignment in the District may complete their assignment at the discretion of the University. Nothing in this agreement shall limit the right of the University, acting in its sole discretion, to remove a candidate from the K-12 setting at any time.

3. **Amendments.** The provisions of this agreement may be altered, changed, or amended, by mutual written consent of the parties hereto.

4. **Execution.** This agreement may be executed in one or more counterparts, all of which shall constitute one and the same document. Counterparts may be exchanged by facsimile or email. Each counterpart, whether an original signature or a facsimile copy, shall be deemed an original as against any Party who signed it.

5. **Insurance.**

a. The District shall maintain minimum insurance coverage for Worker's Compensation, including Employer's Liability, covering its employees. The University shall maintain minimum insurance coverage for Worker's Compensation, including Employer's Liability, covering its employees and candidates.

9. **Scope of Authority.** The District shall exercise exclusive control over the administration, operation, maintenance and management of the District and its schools, and the University's candidates while they are in residence at the District. Subject thereto, the University shall exercise control and supervision over the operation, curriculum, faculty and candidates of the University within the prescribed framework.

10. **Indemnification.**

a. 11. **Scope of Work.**

TEACHER EDUCATION FIELD EXPERIENCE

"Field Experience" as used herein refers to eight-week periods in which a Teacher Candidate, enrolled in Field Experience-embedded courses in the university teacher preparation program, observes and interacts with students in small group settings and may have limited whole class involvement under the direct supervision and instruction of one or more classroom Host Teachers. With the guidance of the classroom Host Teacher, the Teacher Candidate will be

required to teach no fewer than one and no more than four independent lessons to individual K-12 students and/or in a small group setting of no more than 10 students. With the guidance of the classroom Host Teacher, the Teacher Candidate will be required to administer informal and formal assessments to individual K-12 students and/or small groups of no more than 10 students during their Field Experience in an effort to fulfill course assignment purposes only. The Teacher Candidate may be required to observe in a variety of settings to meet course expectations and will document a minimum of 15 hours of Field Experience per each Field Experience-embedded course. Field Experience is not commensurate with Student Teaching or culminating Clinical Practice.

Field Experience is to be completed under the direct supervision of a Host Teacher(s) who currently hold(s) a valid Clear Teaching Credential in the content area for which they are providing supervision and have a minimum of three years of content area K-12 teaching experience. It is the expectation that the classroom where Teacher Candidates complete Field Experience will consist of K-12 students and include students who are English Learners, students on an IEP or 504 Plan, students who qualify for GATE, and/or students from an underserved group. The classroom curriculum must align with California's adopted content standards and frameworks. During Field Experience, the Host Teacher may be requested to review and provide feedback on course assignments (e.g., lesson plans). At the conclusion of the Field Experience, the Host Teacher(s) will be asked to complete a short disposition rating scale on the Teacher Candidate's disposition and performance during the Field Experience hours, and a form verifying the hours completed by the Teacher Candidate within the Host Teacher's classroom.

The University will ensure that Teacher Candidates who participate in Field Experience have met the California Basic Skills requirement, (b) possess a valid certificate of clearance or other valid CTC document, and (c) are currently enrolled in a Field Experience-embedded course.

The University will provide support to the Teacher Candidate through the direction and discussion provided within the Field Experience-embedded course. Assignments directly related to the Teacher Candidate's Field Experience, in the form of reflection logs and written assignments, will be required and evaluated by the University course instructor.

TEACHER EDUCATION STUDENT TEACHING

“Student teaching” as used herein and elsewhere in this agreement means active participation in the duties and functions of classroom teaching under the direct supervision and instruction of employees of the District (a) holding a valid Clear Teaching Credential in the content area for which they are providing supervision and (b) have a minimum of three years of content area K-12 teaching experience. The district-employed supervisor must have demonstrated exemplary teaching practices as determined by the District and University. It is preferable that the district-

employed supervisor (i.e., Master Teacher) not have additional district or school based assignments that cause them to be absent from the classroom for extended periods of time.

The University shall provide district-employed supervisors a minimum of 2 hours of initial orientation to the program curriculum, and access to a minimum of 8 hours of training related to effective supervision approaches such as cognitive coaching, adult learning theory, and current content-specific pedagogy and instructional practices.

The District agrees to provide a supported teaching experience in District classrooms for Teacher Candidates who are assigned by the University to student teaching. Classrooms where Teacher Candidates complete student teaching must include K-12 students who are English Learners, on an IEP or 504 Plan, qualify for GATE, and/or students from an underserved group. The District will provide Education Specialist Teacher Candidates opportunities for guided observations, co-planning, co-teaching, and guided teaching in both general education and special education classrooms during the first eight weeks of the student teaching experience (i.e., Clinical Practice I). Such student teaching shall be provided in such schools and classes of the District and under the direct supervision and instruction of such employees of the District, as the District and the University through their duly authorized representatives may agree upon. It is understood that the matching of a Teacher Candidate and a district-employed supervisor must be a collaborative process between the school district and the university.

The University shall ensure student teacher placement in locations where the Teacher Candidate is able to video capture his/her teaching with K-12 students for the purposes of implementing the video requirement for the California Teaching Performance Assessment (CalTPA), observations, and instructional reflection. The University requires Teacher Candidates to affirm that they follow all applicable video policies of the District. The District recognizes the importance of facilitating placements that allow Teacher Candidates to complete the California Teaching Performance Assessment (CalTPA), and has necessary policies and procedures in place related to the appropriate use of video for instruction and assessment. The District recognizes that the Teacher Candidate may use video capture to record their classroom instruction and submit it in a FERPA-compliant platform for review as part of the University Mentor observation and formative feedback process, and University instructional reflection.

The District may, for good cause, refuse to accept any Teacher Candidate of the University assigned to student teaching in the District. Upon request of the District, made with good cause, the University shall terminate the student teaching assignment of said Teacher candidate.

The University will ensure that Teacher Candidates who participate in student teaching (a) meet the California Basic Skills requirement, (b) demonstrate Subject Matter Competence (or 4/5 of subject matter competence for undergraduates in an approved Subject Matter Preparation Program), (c) meet the U.S. Constitution requirement, (d) possess a valid certificate of clearance

or other valid CTC document, and (e) have a negative TB test within 2 years of the end date of the student teaching assignment.

“Full-time student teaching” is an assignment for the regular school day (at least seven hours) for 16 weeks and includes all duties normally performed by a teacher. The 16-week period aligns with the University’s Fall and Spring semesters.

At the elementary level, a full-time assignment is a full school day (at least seven hours) for eight weeks in a primary (K-3) classroom and eight weeks in an intermediate (4-6) classroom. The University will pay the District for performance by the district-employed supervisor of all services required at a rate of one hundred dollars (\$100) per eight-week term for each full-time student teacher placed within the District.

At the secondary level, a full-time assignment is a full school day (at least seven hours) with a minimum of four periods of student teaching, one period of planned observation, and one preparation period for 16 weeks. The University will pay the District for performance by the district-employed supervisor of all services required at the rate of two hundred dollars (\$200) per sixteen-week term for each full-time student teacher placed within the District.

For special education, a full-time assignment is a full school day (at least seven hours) in an appropriate mild/moderate or moderate/severe setting for 16 weeks. The University will pay the District for performance by the district-employed supervisor of all services required at the rate of two hundred dollars (\$200) per sixteen-week term for each full-time student teacher placed within the District.

An assignment of a Teacher Candidate to student teaching in schools or classes of the District shall be, at the discretion of the University for approximately one semester with a Fall semester occurring approximately from the end of August to the middle of December and a Spring semester occurring approximately from the beginning of January to the beginning of May.

Within a reasonable time following the close of each assignment, the University will send a Master Teacher Stipend Summary Sheet to the District and the District shall submit an invoice, to the University for payment, at the rate provided herein, for all student teaching assignments provided by the District under and in accordance with this agreement during said semester.

TEACHER EDUCATION INTERN TEACHING

“Intern teaching” as used herein and elsewhere in this agreement means active participation in a teacher internship program (i.e Intern Program) pursuant to California Education Code Section 44450 whereby University Teacher Candidates may be placed as Intern Teacher Candidates (i.e.

Interns) in District Schools, working under an Intern Credential. An Intern is authorized to assume the functions authorized by the appropriate Multiple Subject, Single Subject, or Education Specialist Credential provided that the Intern's services meet the instructional needs of the participating district, the Intern does not displace other certificated employees in the participating district, and this agreement meets with the District's contractual specifications with certificated employees. The District shall ensure no Intern will have his/her salary reduced by more than one-eighth of the total contracted pay to cover costs of site supervision. The salary of the Intern shall not be less than the minimum base salary paid regularly certificated teacher in similar positions.

The District will assign each Intern a mentor/support provider (i.e. district-employed supervisor) who will be responsible for overseeing and offering support to the Intern throughout the Intern teaching period. The District agrees to provide to the University the name of the district-employed supervisor for each term. The district-employed supervisor must (a) hold a valid corresponding Clear or Life credential, (b) have completed a minimum of three years of successful teaching experience, (c) have EL Authorization if he/she is providing supervision and support to an Intern who does not have EL Authorization.

The University shall provide district-employed supervisors a minimum of 2 hours of initial orientation to the program curriculum, and access to a minimum of 8 hours of training related to effective supervision approaches such as cognitive coaching, adult learning theory, and current content-specific pedagogy and instructional practices.

The District must ensure sufficient resources are provided including dedicated time for district-employed mentor/support providers to work with the Interns within the school day. This dedicated time is to 1) assess necessary support for the Intern, 2) deliver appropriate support/mentoring and supervision for the Intern and 3) provide feedback to APU (e.g. Midpoint and Final Surveys).

The University will ensure Teacher Candidates in the Intern Program hold a Baccalaureate degree or higher from a regionally accredited institution of higher education and (a) meet the California Basic Skills requirement, (b) demonstrate Subject Matter Competence, (c) meet the U.S. Constitution requirement, (d) possess a valid certificate of clearance or other valid CTC document, (e) have completed the required Pre-service Training.

The University will assign a University program supervisor (i.e. University Mentor) to support the Intern who will work cooperatively with the district personnel designated above. The University Mentor will confer with both the site administrator and the district-employed mentor/support provider for the Intern. The University Mentor will meet the following minimum qualifications of (a) current knowledge in the content area of the candidate; (b) the ability to model best professional practices in teaching learning, scholarship, and service; (c) knowledge about diverse abilities, cultural, language, ethnic, and gender diversity; and (d) understand the

context of public schools and have a thorough grasp of the academic standards, frameworks, and accountability systems that drive the curriculum of public schools.

The employing district will develop and implement a Professional Development Plan for the Intern, which will include an annual evaluation. For Interns teaching in inclusive kindergarten through 6th grade settings, the Professional Development Plan must include instruction during the first semester of service, which includes child development and teaching methods, as well as, special education programs for pupils with mild and moderate disabilities. The University will make available description of the courses to be completed by the Intern.

The District and the University will work in partnership to provide a minimum of 144 hours of support/mentoring and supervision to each Intern each school year. Interns without an EL authorization will also be provided 45 hours of EL support. The District will provide approximately 2/3 of the support/mentoring and supervision to include but not limited to the following: content specific coaching; grade level or department meetings; new teacher orientation; coaching from an administrator; co-planning with a special educator or English learner expert to address special needs or English learner students; demonstration lessons or co-teaching activities with a mentor/support provider, coach or supervisor; Intern observation of other teachers and classrooms; editing work-related writing; professional learning communities activities addressing issues in the Intern's classroom; OR other support and supervision activities. The University will provide approximately 1/3 of the support/mentoring and supervision to include but not limited to the following: University Mentor support, seminars, peer/faculty support; classroom observations and coaching; Intern observation of other teachers and classrooms; email, phone, and/or video conferencing support related to observations, problem-solving, planning curriculum, and/or instruction; professional literature/research discussion groups facilitated by appropriately credentialed program faculty; OR other support and supervision activities. The University is responsible for documentation of support/mentoring and supervision.

The District and the University agree to the allocation of additional personnel, time, and resources for individuals who have not yet earned an English Learner authorization. The participating District will identify an individual who is immediately available to assist Interns with planning lessons that are appropriately designed and differentiated for ELs, for assessing language needs and progress, and to support language accessible instruction. This District employee must have an EL authorization.

The University shall ensure Intern assignments take place in locations where the Intern is able to video capture his/her teaching with K-12 students for the purposes of implementing the video requirement for the California Teaching Performance Assessment (CalTPA), observations, and instructional reflection. The University requires Interns to affirm that they follow all applicable video policies of the District.

The District recognizes the importance of facilitating placements that allow Interns to complete the California Teaching Performance Assessment (CalTPA), and maintains necessary policies and procedures in place related to the appropriate use of video for instruction and assessment. The District recognizes that the Intern may use video capture to record their classroom instruction and submit it in a FERPA-compliant platform for review as part of the University Mentor observation and formative feedback process, and University instructional reflection.

The District and the University agree to share information, as needed, on the performance of the Intern in order to provide additional support or supervision.

SCHOOL COUNSELING & SCHOOL PSYCHOLOGY PRACTICUM

“Practicum” as used herein refers to the hours that a candidate, enrolled in practicum-embedded course(s) in the University program, develops skills learned in previous and current courses under the supervision of a site supervisor working in a K-12 setting.

Practicum is to be completed under the direct supervision of a District employee who currently holds a Pupil Personnel Services (PPS) Credential with an authorization in school psychology or school counseling and has a minimum of three years full time experience as a School Counselor, Clinical Counselor, or School Psychologist.

For School Counseling candidates, it is the expectation that candidates are required to meet one-on-one with a client who is 12 to 18 years of age for six 30-minute sessions to gain experience developing counseling relationships through the application of counseling skills. Additionally, candidates should complete direct, as well as, indirect counseling experience in clinical settings working with other clients.

For School Psychology candidates, it is the expectation that candidates are required to observe the administration of and practice the administration of psychoeducational assessments, as well as, participate in the writing of reports and IEP meetings.

The University will ensure candidates who participate in practicum have met the requirements of (a) proof of completion of Mandated Reporter training; (b) proof of negative TB testing; and (c) a valid CTC document, which includes a fingerprint and background check. Candidates will be informed that a District has the authorization to require additional documentation before beginning their practicum assignment.

The District recognizes the importance of facilitating Practicum placements that will enhance the candidates’ confidence as a professional counselor or psychologist. Settings for School Counselors should build basic counseling skills which include body language, listening, and

development of trust with clients. Settings for School Psychologists should build basic assessment, counseling, and consultation skills.

The University agrees to appoint a faculty member as a University Supervisor to administer the University's responsibilities related to the Program and oversee the candidates' Practicum experience at the District. The University Supervisor shall be responsible for ongoing communication with the District.

The District agrees to assume ultimate responsibility for the counseling services provided to students and the psycho-educational assessments administered to students, as well as, the delivery of results through reports and IEP meetings.

SCHOOL COUNSELING & SCHOOL PSYCHOLOGY FIELDWORK

"Fieldwork" as used herein refers to the hours that a candidate, enrolled in fieldwork course(s) in the University program, develops and practices skills learned in previous and current courses under the supervision of a university supervisor and a site supervisor working in a K-12 setting.

The District agrees to appoint a District employee as a District Representative to administer the District's responsibilities related to the Program and collaborate with the Fieldwork and Internship Coordinator for School Counseling and School Psychology in implementing the candidate's fieldwork at the District.

The District Representative shall be responsible for on-going communication with the University, as well as the designation of District employees to serve as site supervisors responsible for direct supervision of assigned candidates. District employees designated as site supervisors shall meet the CTC criteria for supervising students. School Psychology site supervisors must have a current Pupil Personnel Services (PPS) credential with an authorization in school psychology and a minimum of three years full-time experience as a school psychologist. School Counseling site supervisors must have a current PPS credential with an authorization in school counseling and a minimum of three years full-time experience as a school counselor. In the absence of the site supervisors so designated, suitable alternate persons will be designated and available.

The District Representative and site supervisors shall be granted with sufficient time to supervise, plan and implement the fieldwork including, when feasible, time to attend relevant meetings and conferences.

The District shall (a) support continuing education and professional growth and development of those staff members of the District responsible for supervision of assigned candidates; (b) provide the physical facilities and equipment necessary to conduct the fieldwork; (c) provide assigned candidates, whenever possible, with the use of library facilities, reasonable study and

storage space; (d) make available to the University a written description of the planned educational program (including objectives) to be followed during fieldwork; (e) advise the University of any changes in its personnel, operations or policies which may affect the fieldwork; (f) permit inspection by the University of the facilities, services available for learning experiences, candidate records, and other items pertaining to the fieldwork; (g) determine the number of candidates which the District can accommodate during a given period of time and accept only the number of students which the District can accommodate; and (h) provide access to the University and its candidates the applicable District rules and regulations with which they are expected to comply.

The University will provide a valid and reliable assessment that the District will use to assess the candidate's competence, a minimum of twice, at the mid-point and at the conclusion of fieldwork. The completed assessment will be forwarded to the University after each administration of the assessment and upon the conclusion of each candidate's fieldwork. Notice will be provided to the University, as soon as practical and at least by mid-term of a candidate's fieldwork, of any serious deficiency noted in the ability of the candidate to progress toward achievement of the stated objectives of the field experience. The District shall otherwise have the right to terminate any candidate whose health or performance is a detriment to any student's well-being or to achievement of the stated objectives of the candidate's field experience. Prior to such termination, the District shall notify the University's Fieldwork and Internship Coordinator.

The University agrees to appoint a faculty member as Fieldwork and Internship Coordinator to administer the University's responsibilities related to the Program and oversee the candidates' fieldwork at the District. The Fieldwork and Internship Coordinator shall be responsible for ongoing communication with the District.

The University agrees to assume responsibility for assuring compliance with applicable educational standards established by the California Commission on Teacher Credentialing (CTC), Council for the Accreditation of Educator Preparation (CAEP), and National Association of School Psychologists (NASP).

The University agrees to notify the District, at a time mutually agreed upon, of its planned schedule of candidate assignments, including each candidate's name, level of academic preparation, and length and date of the fieldwork. The University shall refer to the District only those candidates who have satisfactorily completed the prerequisite didactic portion of the curriculum.

The University agrees to advise assigned candidates regarding appropriate health and professional liability insurance. All candidates will be covered by the University's group professional liability insurance as required by the terms of this agreement.

The University shall ensure candidates who participate in fieldwork have met the requirements of (a) proof of completion of Mandated Reporter training; (b) proof of negative TB testing; and (c) a valid CTC document, which includes a fingerprint and background check. Candidates will be informed that a District has the authorization to require additional documentation before beginning their fieldwork assignment.

The University agrees to require assigned candidates to comply with existing pertinent rules and regulations of the District and all reasonable directions given by qualified District personnel during periods of fieldwork assignment and while on District premises.

The University and the District agree to establish the educational objectives for the Program, devise methods for their implementation, and continually evaluate the Program to determine its effectiveness.

SCHOOL COUNSELING & SCHOOL PSYCHOLOGY INTERN

The Intern School Counselor or School Psychologist is approved to assume the functions authorized by the Pupil Personnel Services School Counseling or School Psychology Intern Credential provided that the Intern's services meet the needs of the participating district, the Intern does not displace other certificated employees in the participating district, and this agreement meets with the District's contractual specifications with certificated employees.

The University shall ensure candidates in the Intern Program hold a Baccalaureate degree or higher from a regionally accredited institution of higher education and have satisfied the additional requirement of meeting the California Basic Skills requirement, most commonly met by the passage of the CBEST assessment, have proof of completion of Mandated Reporter training, have proof of negative TB testing, and are enrolled in internship courses in the University program.

The University shall provide a University supervisor to work cooperatively with the Intern School Counselor or School Psychologist and site supervisor.

The University will provide a valid and reliable assessment that the District will use to assess the Intern's competence, a minimum of twice, at the mid-point and at the conclusion of the Internship. The completed assessment will be forwarded to the University after each administration of the assessment and upon completion of the Internship. Notice will be provided by the District to the University, as soon as practical and at least by mid-term of a candidate's Internship, of any serious deficiency noted in the ability of the Intern to progress toward achievement of the stated objectives of the Internship.

The District shall authorize a District employee who currently holds a Pupil Personnel Services (PPS) Credential with an authorization in school psychology or school counseling and has a minimum of three years full time experience as a School Counselor or School Psychologist to supervise the Intern candidate. The site supervisor shall be granted with sufficient time to supervise, plan, and implement the Internship, including, when feasible, time to attend relevant meetings and conferences.

The District shall (a) support continuing education and professional growth and development of staff members of the District responsible for supervision of assigned Interns; (b) provide the physical facilities and equipment necessary to conduct the Internship; (c) advise the University of any changes in its personnel, operations, or policies which may affect the Internship; (d) permit inspection by the University of the facilities, services available for learning experiences, candidate records, and other items pertaining to the Internship; and (e) provide access to the University and its candidates the applicable District rules and regulations with which they are expected to comply.

The District shall ensure no Intern School Counselor or School Psychologist will have his/her salary reduced by more than one-eighth of the total contracted pay to cover costs of site supervision. The salary of the Intern School Counselor or School Psychologist shall not be less than the minimum base salary paid regularly certificated personnel in similar positions.

The District agrees that the Intern School Counselor or School Psychologist will remain an employee of the District for the term of the issued Intern Credential or completion of the program, whichever occurs first.

The District shall ensure that the Intern School Counselor or School Psychologist does not displace other certificated Pupil Personnel Services employees in the District.

PREPARED BY: Laurie Bruneau, Director of Risk Management

SUBJECT: **APPROVE CONTRACT WITH VENTURE PACIFIC INSURANCE COMPANY TO PROVIDE WORKERS' COMPENSATION EXCESS INSURANCE COVERAGE FOR 2020/2021**

Background: The current excess workers compensation insurance policy ends on June 30, 2020. For 2019/2020, the District is self-insured and purchased excess coverage for claims exceeding \$1,000,000 combined with a \$250,000 cash flow protection cap per claim. The policy in 2019/2020 protected the District to a limit of \$25,000,000. Staff recommends renewing excess workers' compensation coverage for 2020/2021.

Rationale: Excess workers' compensation insurance protects the District in the event of a serious injury to an employee in amounts over the self-insured maximum amount.

Funding: Cost not to exceed \$95,778 from Workers' Compensation Fund (68).

Recommend: Approve contract with Venture Pacific Insurance to provide workers' compensation excess insurance coverage for 2020/2021.

Workers' Compensation – Important Notice

CA Short Rate Cancellation Penalty Disclosure

The California Legislature enacted law AB2404 for 2012 modifying the California Insurance Code section 481(c) (1). The change requires Workers Compensation carriers to disclose their short rate cancellation fee or penalty at the time of quoting.

"Any insurance policy that includes a provision to refund premium other than on a pro rata basis, including the assessment of cancellation fees, shall disclose that fact in writing, including the actual or maximum fees or penalties to be applied, which may be stated in the form of percentages of the premium. The disclosure shall be provided prior to, or concurrent with, the application and prior to each renewal to which the policy provision applies. For purposes of this section, a workers' compensation insurer, as defined, may provide the disclosure with the quote prior to the consumer accepting the quote. Disclosure shall not be required if the policy provision permits, but does not require, the insurer to refund premium other than on a pro rata basis, and the insurer refunds premium on a pro rata basis."

The CA Short Rate penalty is a percent of the full term premium based on the number of days of coverage in the canceled policy. Example:

Example of standard NCCI Short Rate Cancellation applied

California Canceled Policy Term:	100 days
Earned Premium for 100 days:	\$12,000
Factor to annualize the Earned Premium	3.65 (365/100)
Annualized Premium	\$43,800 (\$12,000 x 3.65)
Short Rate %:	38% (based on 100 day term in the table below)
Short Rate Penalty:	\$4,644 (\$43,800 x 38% = \$16,644; \$16,644 - \$12,000)
Billed Final Audit Premium:	\$16,644 (\$12,000 earned + \$4,644 penalty)

Workers' Compensation Coverage Descriptions

When this coverage is included the following explanations apply.

Workers' Compensation Insurance

This coverage agreement obligates the insurer to pay all compensation and other benefits required of the insured by the workers' compensation law or occupational disease law of any state listed in the policy. The coverage applies to bodily injury by accident and by disease.

Coverage (A) shows no dollar limit for the benefits provided since any applicable limits would be those established within the law. Benefits under coverage (A) are paid to the employee without regard to fault.

Employers Liability

This coverage protects employers for their legal liability for bodily injury by accident or disease to an employee arising out of and in the course of the employee's employment when not covered under the workers' compensation law. Before benefits are paid under this coverage, the employee must prove the employer is liable for the injury.

Bodily Injury By Accident

This amount is the most an insurer will pay under coverage (B) for all claims arising from any one accident, regardless of how many employees are involved in the accident. The standard limit is \$100,000 for any one accident, which can be increased.

Bodily Injury By Disease (Policy Limit)

This is the aggregate limit the insurer will pay under coverage (B) for all claims sustaining bodily injury by disease during the policy period. The standard policy limit is \$500,000, which can be increased.

Bodily Injury By Disease (Each Employee)

This amount is the most an insurer will pay under coverage (B) for damages due to bodily injury by disease to any one employee. The standard limit of liability for each employee is \$100,000, which can be increased.

Other States Insurance

This provides workers' compensation coverages if the insured expands operations into other states not declared at the time the policy is issued or renewed. If the insured elects this coverage and operations begin in a state listed under other states, the insurer provides the same coverage as if the state was declared in the policy at the time of policy issuance.

Voluntary Compensation Endorsement

Workers' compensation laws of most states exempt some types of employment from workers' compensation benefits. This endorsement amends the standard policy to provide coverage for employees with exempted occupations from the workers' compensation act. When the endorsement is added it does not make employees subject to the workers' compensation law, but it obligates the insurance company to pay on behalf of the insured, an amount equal to the compensation benefits that would be payable to those employees if they were subject to the workers' compensation law of that state.

United States Longshore & Harbor Workers Endorsement (USL&HW)

This is a federal act which is similar to the state workers' compensation act. The federal act was designed to provide workers' compensation benefits to employees who work in maritime employment upon the navigable waters of the United States and who are usually considered outside the scope of state workers' compensation laws. When the USL&HWA endorsement is added to the standard policy it applies to work done in the states scheduled on the policy and extends the definition of the workers' compensation law to include the USL&HWCA.

Executive Officers, Partners Exclusion Endorsement

In some states, workers' compensation law allows an insured to include or exclude Executive Officers and Partners, or both, from coverage. Adding this endorsement can designate the individuals not covered under the policy.

Experience Modification

This is a factor that deals with the rating of the policy. The Experience Modification figure is based on the insured's loss experience. The factor is used to increase or decrease the manual rates of insurance.

Monopolistic States

There are six states that require all workers' compensation insurance to be placed with their state fund. No private insurer is allowed to write Workers' Compensation Coverage in the six states. The states are Nevada, North Dakota, Ohio, Washington, Wyoming and West Virginia.

Ms. Julienne Lee,

April 14, 2020

Within this document is the proposal regarding the creation of a virtual Speech and Debate summer program.

Overview

FSD has established 19 robust programs within the district. This program will continue to promote speech and debate as well as build English acquisition, analytical writing, vocabulary and effective oral communication skills. This summer program will help FSD students get a head start in speech. Students will exit the summer program with a fully prepared and coached speech. This will help each program because they will have students who can demonstrate to new students what each speech event will look like. This makes it easier for teachers to demonstrate each event that is going to be offered in the following year. It also creates a path for FSD students to have greater success at state and at national competitions. Students who compete at the highest level always attend a summer camp to give themselves an edge in competition.

Summary

The speech and debate summer program will be designed and developed by Sal Tinajero and Tiffany Vuong. Mr. Tinajero and Ms. Vuong will provide the administrative and operational support for 150 students.

Our proposal will include:

- **Individualized speech preparations or debate case preparation for each student**
- **Students will receive 8 hours of communication theory lectures**
- **Students will receive a minimum 10 hours of speech or case preparation**
- **Our staff will consist of 30 coaches and 10 assistant coaches**
- **Each staff member will report and help facilitate scripts and coach students. The staff members will work from June 29, 2020 through July 10, 2020**
- **Summer camp coaching will occur from 8:00 AM – 12:00 PM, Monday through Friday**
- **The coach to student ratio will not exceed 6 students to 1 coach**

Director's Experience

The Fullerton Elementary School District Speech and Debate program will consist of nine elementary schools and three middle schools. Each program will have Thirty students per program. Sal Tinajero will advertise the importance of speech and debate at every school site. Sal Tinajero has a wealth of experience and success in Forensics. He started the Fullerton Union High School Speech and Debate program in 2001. In his tenure the program grew from 20 students to a team of over 100 students per year. Under his leadership the team won three National Championships and one State Championship. He has coached five student state champions and two student national champions. In 2005, he was invited to the White House and awarded the National Hispanic Teacher of the Year. In 2017 he was selected as the National Speech and Debate Association California Educator of the Year. He was one of the five finalists for the National Educator of the Year. In Santa Ana he has created 27 successful programs with

over 1,200 students in four years. Students are competing at a high level and receiving national recognition. Only two schools in Orange County have ever won a national championship. Fullerton Union High School won the national championship in 2008, 2010, 2013, and 2014. The other school is the Advanced Learning Academy which won national championships in 2018 and 2019. Both of these programs were led by Sal Tinajero.

Logistics

Timeline

We will facilitate and execute the administrative and operational aspects of the summer program according to the following timeline:

- Secure 30 forensics staff members
- Secure 10 assistant coaches
- Assure that speech students leave camp with a fully prepared and coached speech
- Assure that debaters create an affirmative and negative case
- Provide communication theory lectures
- Provide debate methodology instruction

Process

We will require the following payment schedule:

- **July 6, 2020 for \$40,000**
- **July 13, 2020 for \$35,000**

Investment

- We will do this in June/July of 2020. We will serve 150 students. If we grow above that number, we will consult with the district before an expansion is allowed.
- We will conduct the administrative and operational aspects of the summer program for 150 paid students for the project cost of \$75,000.00. Once we hit the 150 student mark, Advantage Communications **will absorb 30 more students at no cost**. This will bring the total student number to 180.

Fullerton School District Responsibilities

- **Provide technical support for students**
- **Provide one IT specialist available for troubleshooting and requests**
- **Provide printing support to students if needed**
- **Purchase 60 black interpretation binders and 420 pages**
- **Pay IT support**
- **Work with Tiffiny Vuong in securing student enrollment for the camp**

Speech and Debate as a program will help develop and shape the future leaders of our country. As we begin to include students from all backgrounds, we will begin to equalize the way in which our students are afforded opportunities. I look forward to partnering with you in the following year.

CONSENT ITEM

DATE: June 9, 2020

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Julienne Lee, Ed.D., Assistant Superintendent, Educational Services

PREPARED BY: Sung Chi, Director, Educational Services

SUBJECT: **APPROVE LICENSE AND SERVICE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND ADVANCEMENT VIA INDIVIDUAL DETERMINATION (AVID) TO PROVIDE SUPPORT AND TRAINING FOR THE IMPLEMENTATION AND EVALUATION FOR THE AVID PROGRAM AT LADERA VISTA JUNIOR HIGH SCHOOL OF THE ARTS AND NICOLAS JUNIOR HIGH SCHOOL FROM JULY 1, 2020 TO JUNE 30, 2021**

Background: Advancement Via Individual Determination (AVID) is a college readiness system for elementary through higher education that is designed to increase schoolwide learning and performance. The AVID College Readiness System (ACRS) accelerates student learning, uses research-based methods of effective instruction, provides meaningful and motivational professional learning, and acts as a catalyst for systemic reform and change. The AVID Agreement was administered through OCDE and has shifted to the District. Ladera Vista Junior High School of the Arts and Nicolas Junior High School are the Fullerton School District schools that will benefit from these services. Ladera Vista is in a planning year to prepare for full implementation in 2021/2022. First time charges are for professional development. Nicolas has been participating in AVID for the past thirteen years.

Rationale: Although AVID serves all students, the AVID elective focuses on the least served students in the academic middle. The formula is that if the school raises expectations of the students with the AVID support system in place, the students will rise to the challenge.

Funding: Cost is not to exceed \$9,779 for participating school sites. \$4,679 to be paid from Nicolas budget (#302) and \$5,100 from Ladera Vista budget (#302).

Recommendation: Approve License and Service Agreement between Fullerton School District and Advancement Via Individual Determination (AVID) to provide support and training for the implementation and evaluation for the AVID Program at Ladera Vista Junior High School of the Arts and Nicolas Junior High School from July 1, 2020 to June 30, 2021.

6.2. Warranty Disclaimer.

(a) EXCEPT AS EXPRESSLY SET FORTH IN SECTION 6.1., NEITHER PARTY MAKES ANY REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AND EACH PARTY DISCLAIMS ALL OTHER WARRANTIES INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

(b) AVID CENTER DOES NOT WARRANT THAT THE AVID PRODUCTS AND SERVICES WILL MEET CLIENT'S OR ANY AVID MEMBER SITE'S REQUIREMENTS AND AVID CENTER DOES NOT MAKE ANY WARRANTY WITH RESPECT TO CLIENT'S OR ANY AVID MEMBER SITE'S USE OR INABILITY TO USE ANY OF THE AVID PRODUCTS AND SERVICES OR THE RESULTS GENERATED FROM THE USE OF ANY OF THE AVID PRODUCTS AND SERVICES.

Article VII. Limitation of Liability.

7.1. Exclusion of Damages. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL EITHER PARTY HAVE ANY LIABILITY TO THE OTHER PARTY ARISING OUT OF THIS AGREEMENT UNDER ANY CAUSE OF ACTION OR THEORY OF LIABILITY, INCLUDING TORT, NEGLIGENCE, STRICT LIABILITY, MISREPRESENTATION, BREACH OF CONTRACT OR BREACH OF WARRANTY, FOR (a) ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES OF ANY KIND, EVEN IF SUCH PARTY KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES; OR (b) THE COST OF PROCURING SUBSTITUTE GOODS, SERVICES, TECHNOLOGY OR RIGHTS.

7.2. Maximum Liability. NOTWITHSTANDING ANYTHING IN THIS AGREEMENT OR OTHERWISE, AVID CENTER SHALL HAVE NO LIABILITY FOR DAMAGES IN EXCESS OF THE AGGREGATE AMOUNT PAID BY CLIENT HEREUNDER AND

CLIENT SHALL HAVE NO LIABILITY FOR DAMAGES IN EXCESS OF THE AGGREGATE AMOUNT PAID OR PAYABLE BY CLIENT HEREUNDER WITH RESPECT TO THE QUOTE/ORDER OR SUBSEQUENT QUOTE/ORDER GIVING RISE TO LIABILITY.

7.3. Exceptions. THE EXCLUSIONS OF DAMAGES AND LIABILITY LIMITATIONS IN SECTIONS 7.1 AND 7.2 SHALL NOT APPLY TO ANY BREACH OF CLIENT'S OBLIGATIONS UNDER ARTICLE III OR SECTION 4.4 OR ANY VIOLATION OR INFRINGEMENT OF AVID CENTER'S INTELLECTUAL PROPERTY RIGHTS. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING A FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

Article VIII. Termination.

8.1. By AVID Center. AVID Center may terminate this Agreement in its entirety or with respect to one or more AVID Member Sites in the event of Client's material breach of this Agreement, which is not fully cured within thirty (30) days following AVID Center's notice of the breach. In the event Client's breach is not cured, AVID Center shall notify Client of its election to terminate this Agreement or, if termination is limited to one or more AVID Member Sites, AVID Center shall notify Client of the AVID Member Sites so terminated.

8.2. By Client. Client may terminate this Agreement for any reason, or no reason, upon thirty (30) days' prior written notice to AVID Center.

8.3. Effect of Termination. Upon termination or expiration of this Agreement or with respect to termination of one or more AVID Member Sites, (a) the licenses granted to Client hereunder, or the rights granted hereunder with respect to the terminated AVID Member Sites, shall automatically terminate and all rights shall revert to AVID Center; (b) Client shall immediately discontinue use of the AVID Products and Services and cease using the AVID Materials, AVID Methodologies, and AVID Trademarks in all AVID Member Sites following termination or expiration of this Agreement, or, in the case of termination of one or more AVID Member Sites, in the terminated AVID Member Sites; (c) Client shall pay to AVID Center all unpaid amounts that are due and payable hereunder and shall remain liable for its obligations or other actions that accrued or occurred prior to the date of termination or expiration; and (d) Client shall promptly return to AVID Center all AVID Materials and Proprietary Information (including copies) in its possession or control following termination or expiration of this Agreement.

8.4. Survival. All accrued rights to payment and the parties' respective rights, obligations and duties under Articles I, VI, VII, and VIII and Sections 3.4, 3.5, 4.1, 4.4, and 5.1 shall survive expiration or any termination of this Agreement.

Article IX. General Provisions

9.1. Independent Contractors. The relationship between the parties is that of independent contractors and neither party shall have authority to contract for or bind the other party in any manner whatsoever.

9.2. Cumulative Remedies. All rights and remedies conferred herein shall be cumulative and in addition to all of the rights and remedies available to each party at law, equity or otherwise.

9.3. Governing Law/Venue. This Agreement shall be governed by and interpreted under California law, without regard to its conflict of laws provisions, and, except as provided in Section 9.4, the state and federal courts located within the County of San Diego, California shall have the exclusive

jurisdiction over all disputes and causes of action relating to this Agreement.

9.4. Dispute Resolution.

(a) Before initiating any legal action, the parties will endeavor to settle any dispute, controversy or claim arising out of or relating to this Agreement or a party's performance or lack of performance hereunder (a "Dispute") by mediation conducted by JAMS, Inc. ("JAMS") in San Diego, California. The requesting party may commence mediation by providing to JAMS and the other party a written request for mediation, setting forth the subject of the dispute and the relief requested. The parties agree that they will participate in the mediation in good faith and that they will share equally in its costs.

(b) If the Dispute is not resolved within sixty (60) days following the request for mediation, the Dispute shall be resolved by final and binding arbitration in accordance with the JAMS Streamlined Arbitration Rules & Procedures then in effect (the "Rules"), except as modified by this Agreement. The arbitration will be conducted by one arbitrator approved by both parties; provided, however, if the parties fail to approve the arbitrator within ten (10) days after the written demand for arbitration, then either party to the dispute may request that JAMS select the arbitrator in accordance with the Rules. The final decision of the arbitrator shall include the dollar amount of the award to such party, if any, and the findings of fact and conclusions of law on which it is based shall be furnished to the parties in writing and shall be binding upon the parties. Judgment upon the arbitration award may be entered in any court having jurisdiction thereof.

9.5. Attorneys' Fees. The prevailing party in any legal action or proceeding related to this Agreement shall, in addition to all other remedies, be entitled to an award of its attorneys' fees.

9.6. Force Majeure. Neither party shall be liable for nonperformance or any delay caused by an event reasonably beyond its control including, but not limited to, wars, acts of terrorism, compliance with laws or regulation (including, without limitation, those related to infringement), fires, floods, earthquakes or any Act of God or any law, proclamation, regulation, ordinance or other act or order of any court, government or governmental agency.

9.7. Severability. If any provision of this Agreement is held to be illegal or unenforceable, such provision shall be limited or eliminated to the minimum extent necessary so that the remainder of this Agreement will continue in full force and effect and be enforceable.

9.8. Notices. All notices or other communications required or permitted hereunder shall be in writing and shall be deemed to have been duly given either when personally delivered, one business day following delivery by a nationally recognized overnight courier with tracking capabilities, or three business days following deposit in the U.S. mail, registered or certified, postage prepaid, return receipt requested, to the address of the party to be notified set forth in the Quote/Order or a Subsequent Quote/Order. Notice of change of address shall be given by written notice in the manner set forth in this Section 9.8.

9.9. Waiver. The waiver by either party of any breach or failure to require performance by the other party shall not constitute the waiver of any other or subsequent breach or diminish the right to require such performance in the future.

9.10. No Third-Party Beneficiaries. Nothing in this Agreement shall confer upon any person or entity other than the parties and their respective successors or permitted assigns, any rights, obligations, or remedies hereunder (whether as a third-party beneficiary or otherwise).

9.11. No Assignment. Client may not assign any of its rights or delegate any of its obligations under this Agreement without AVID Center's prior written consent and any purported assignment in the absence of such consent shall be null and void.

9.12. Amendment. No amendment or modification of this Agreement shall be binding, unless it is in writing and signed by both parties.

9.13. Headings; Construction. Headings and captions are for convenience only and are not to be used in the interpretation of this Agreement. 9.14. Entire Agreement. This Agreement is the entire agreement between the parties relating to the subject matter hereof, and all quotes, communications, understandings and agreements relating to the same subject matter are merged into, and superseded by, this Agreement.

9.15. Counterparts. This Agreement may be executed in multiple counterparts, each of which will be deemed an original, but all of which taken together shall constitute one and the same instrument. Delivery of a copy of this Agreement bearing a signature by facsimile transmission, by electronic mail or by any other electronic means will have the same effect as physical delivery of the paper document bearing the original signature.

CONSENT ITEM

DATE: June 9, 2020

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Julienne Lee, Ed.D., Assistant Superintendent, Educational Services

PREPARED BY: Kelly S. Castillo, Ed.D., Principal, Pacific Drive School

SUBJECT: APPROVE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND SEESAW, TO PROVIDE A PLATFORM FOR DIGITAL STUDENT PORTFOLIOS AND FAMILY COMMUNICATION AT PACIFIC DRIVE SCHOOL FOR THE 2020/2021 SCHOOL YEAR

Background: Seesaw is an online LMS (Learning Management System) that allows students to access and submit assignments while building a digital learning portfolio. Students are able to submit written, drawn, and verbally recorded assignments. The Seesaw platform also allows for asynchronous family communication, both through messages to the teacher as well as comments on assignments between the student and family.

Pacific Drive teachers have taken advantage of the Seesaw free trial during distance learning in the spring of 2020. The capabilities of Seesaw had a positive impact on our instructional model that will last well beyond the period of distance learning.

Seesaw will provide 560 student licenses to accommodate students in general education, special education, and the Dual Language Academy in grades TK-5.

Rationale: Both during distance learning and beyond, students benefit from the Seesaw platform that tracks progress and builds a sense of accomplishment supported by both their teachers and families.

Funding: Total cost not to exceed \$3,080 and is to be paid from site instructional materials budget (#812).

SUBJECT: APPROVE SERVICE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND POWERSCHOOL GROUP, LLC, FOR POWERSCHOOL STUDENT INFORMATION SYSTEM, POWERSCHOOL LEARNING, POWERSCHOOL SIS ENTERPRISE MANAGEMENT SERVICE AND POWERSCHOOL ENROLLMENT REGISTRATION FOR 2020/2021 SCHOOL YEAR

Background: For the past 15 years Fullerton School District (FSD) has used PowerSchool for the student information system (SIS). The District pays support service and software upgrades for PowerSchool annually. The services agreement is ongoing with a yearly option to renew. Teachers within FSD are using PowerSchool Learning to provide instruction, student discussion forums, differentiated instruction and student-created content, homework, practice exams, student blogs, and more

PowerSchool Learning will provide FSD with the services to provide online learning environments and teacher web pages for the District. Powerschool enrollment registration will continue to give parents access to online registration and updating information.

Funding: Total cost is not to exceed \$186,381.79. Innovation and Instructional Support will pay \$152,257.49 from budget 409 and \$34,124.30 will be paid from Child Welfare and Attendance, budget 510.

CONSENT ITEM

DATE: June 9, 2020

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Jeremy Davis, Assistant Superintendent, Innovation and Instructional Support

Prepared by: Sam Ricchio, Assistant Director, Innovation and Instructional Support

SUBJECT: APPROVE CONTRACT FOR E-RATE COMPLIANCE SERVICES WITH CSM CONSULTING, INC., EFFECTIVE JULY 1, 2020 THROUGH JUNE 30, 2021 WITH AUTOMATIC ANNUAL RENEWALS

Background: The District receives approximately \$500,000 a year under the Federal Communications Commission (FCC) E-Rate program. For the 2017/2018 school year CSM Consulting, Inc., was contracted to provide the E-Rate consulting services for the District working in conjunction with Innovation & Instructional Support. On July 26, 2016, the Board approved this contract which was for a term of one year. The contract stated that if either party wished out of the contract at the end of the fiscal year, the contract can be terminated without penalty. If neither party wished out of the agreement then the contract would automatically renew. While stated in the approved contract, this was not specifically stated within the Board Item.

Rationale: Utilizing a profession E-Rate consultant will ensure the District is claiming the maximum amount possible for reimbursement. The E-Rate reimbursement process is extremely complex. Utilizing a consultant ensures that the District is kept up-to-date on all rules and filing methods. Finally, using a consultant allows staff to work on high-priority District technology projects that are necessary for student achievement.

Funding: Cost not to exceed \$23,500 and is to be paid from the Innovation and Instructional Support, budget 409.

Recommendation: Approve contract for E-Rate compliance services with CSM Consulting, Inc., effective July 1, 2020 through June 30, 2021 with automatic annual renewals.

CONSENT ITEM

DATE: June 9, 2020
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Chad Hammitt, Ed.D., Assistant Superintendent, Personnel Services
PREPARED BY: Laurie Bruneau, Director of Risk Management
SUBJECT: APPROVE CONTRACT WITH ALL CITY MANAGEMENT SERVICES FOR THE COST OF A CROSSING GUARD FOR THE INTERSECTION OF HETEBRINK STREET AND HUTAIN STREET, EFFECTIVE JULY 1, 2020 THROUGH JUNE 30, 2021

Background: The City of Fullerton's traffic engineers perform traffic studies, when requested by the District, for those intersections near schools that may warrant crossing guards.

A study performed in the spring of 2011 for the intersection of Hetebrink Street and Hutain Street showed that the intersection did not meet the City's established criteria for a crossing guard. However, District staff recommended that in the interest of student safety, the District bear the cost of a crossing guard at the intersection until such time as the City performed another traffic study. An additional study might warrant the placement of a crossing guard by the City (in which case the District would split the cost with the City).

The original contract was for a one-year period. Staff recommends extension of the contract for one additional year.

Rationale: The agreement between the City of Fullerton and the Fullerton School District requires that the cost of a warranted crossing guard be borne by the City of Fullerton. In this case, as the intersection of Hetebrink and Hutain does not as yet meet the criterion for warrants, the District must bear the cost.

Funding: The current cost is not to exceed \$16,920 per year from General Fund (01).

Recommendation: Approve contract with All City Management Services for the cost of a crossing guard for the intersection of Hetebrink Street and Hutain Street, effective July 1, 2020 through June 30, 2021.

 - d) Notwithstanding anything to the contrary contained herein, Contractor's indemnification obligation to District for Claims under this Agreement will be limited to the maximum combined aggregate of Contractor's general liability and umbrella insurance policies in the amount of \$9,000,000 (Nine Million Dollars).

12. Either party shall have the right to terminate this Agreement by giving sixty (60) days written notice to the other party.
13. The Contractor shall not have the right to assign this Agreement to any other person or entity except with the prior written consent of the District.
14. The District agrees to pay the Contractor for the Services rendered pursuant to this Agreement the sum of Twenty-three Dollars and Fifty Cents (**\$23.50**) per hour, per Crossing Guard during the term. In order to maximize opportunities for students, parents, and teachers, the Board may establish alternative schools or programs of choice in accordance with law. (Educ. Code § 58500 et seq.) The Board authorizes the Superintendent or designee to establish administrative regulations to implement this policy.

Alternative schools and programs of choice may offer a different structure, learning philosophy, or academic emphasis to accommodate different student needs, interests, and learning styles. Alternative schools and programs of choice may be established in each attendance area or on a districtwide basis, with enrollment open to all students districtwide, or any combination thereof. (Educ. Code § 58505)

Alternative Schools of Choice

The Board of Trustees may establish and maintain one or more alternative schools of choice within the District. Alternative schools may include, but are not limited to, magnet schools, online learning, independent study schools, thematic schools organized around a curricular theme such as the humanities or the arts, and multi-age classrooms.

An alternative school of choice is a school (or separate class group within a school) which is operated in a non-traditional manner and is designed to:

- a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy.
- b) Recognize that the best learning takes place when the student learns because of his desire to learn.
- c) Maintain a learning situation maximizing student self-motivation and encouraging students in their own time to follow their own interests. These interests may be conceived by students independently or may result in whole or in part from a presentation by teachers of choices of learning projects.
- d) Maximize the opportunity for teachers, parents and students to cooperatively develop the learning process and its subject matter.
- e) Maximize the opportunity for students, teachers, and parents to continuously react to the changing world, including to the community in which the school is located. (Educ. Code § 58500)

Parent Notification

The District shall annually notify parents/guardians of the existence of alternative schools of choice in accordance with law. (Educ. Code § 58501) The parent/guardian of any pupil may request, for consideration by the Board, the establishment of an alternative school program or programs in the District. (Educ. Code § 58502)

Legal Requirements

An alternative school of choice must meet the requirements of law, including the following:

- Student and teacher participation in the alternative school or program must be voluntary. (Educ. Code § 58503)
- Previous classroom performance shall not be a criterion limiting any student from the opportunity of attending an alternative school. (Educ. Code § 58504)
- Alternative schools shall be operated in a manner to maximize the opportunity for improvement of the general school curriculum by innovative methods and ideas developed within the alternative school operation. (Educ. Code § 58507)
- Alternative schools of choice shall be maintained and funded by the District at the same level of support as other educational programs for pupils of the same grade level operated by the District. (Educ. Code § 58507)
- Alternative schools and programs of choice shall meet the same standards for curriculum, instruction, and student performance as traditional schools.
- The District must annually evaluate alternative schools in accordance with law and standards established by the California Department of Education. (Educ. Code § 58510)

Waiver of Education Code Requirements

For the operation of alternative schools, the State Superintendent of Public Instruction may, upon application by the District, waive any provisions of the California Education Code other than those relating to earthquake safety and the provisions relating to alternative schools under Education Code section 58500 et seq. (Educ. Code § 58509) The Board of Trustees may approve applications to the State Superintendent of Public Instruction to request waiver(s) of Education Code provision(s) as it deems necessary for the successful operation of its alternative schools or programs.

Annual Evaluation and Report

The District shall annually evaluate any alternative school(s) of choice it has established as outlined by law. (Educ. Code § 58510) The evaluation shall include testing of basic skills for student participants, and must identify the variables which may have affected student academic achievement. The evaluation process shall also include teacher, parent, and student input from the alternative school. The evaluation report for each alternative school shall be sent to the Superintendent of Public Instruction on or before August 1 following the close of the school year, and after presentation to the District Board of Trustees.

The annual evaluation report shall be prepared and submitted in accordance with guidelines developed by the California Department of Education, Educational Options Office.

The annual evaluation report should, among other things, (a) show how well the alternative school or program of choice is helping students achieve grade-level proficiency; (b) track changes in the school or

program over time; (c) identify any assistance needed in meeting its objectives; and (d) provide community-wide information about its accomplishments

Independent Study

Any alternative school or program of choice based on an independent study model (fully or partially) must meet all legal requirements relating to Independent Study, unless a waiver is obtained from the Superintendent of Public Instruction. (Educ. Code § 51745 et seq., 5 CCR § 11700 et seq.)

By law, participation in an independent study program must be voluntary and requires compliance with an independent study contract signed by parent/guardian. If a student fails to turn in work as prescribed, the District will evaluate whether independent study continues to be appropriate for that student, and may exit the student from the program if the terms of the contract are not fulfilled.

No student with an individualized education program may participate in any independent study program unless his or her individualized education program specifically provides for that participation because the student is able to receive a free appropriate public education in the program. (Educ. Code § 51745(c))

Establishment of New School (CDS Code)

If a new alternative school (rather than a program within a school) is established, the District may apply for a new County-District-School (CDS) Code in accordance with the standards and procedures established by the California Department of Education. In order to qualify as a "school," the following generally applies:

1. The Board has taken action to establish the school
2. The Board has named the school or established a process by which the school will be named.
3. The school has an appropriately credentialed administrator (usually a principal) who is responsible for all aspects of school administration (e.g., hiring staff, fiscal responsibility) and who is treated the same as other principals in the District.
4. The school has an approved budget as a separate school, and the budget structure is consistent with the budget structure of other schools operated by the District.
5. The school has appropriately credentialed teachers and clerical support staff.
6. A facility, consisting of one or more buildings, or an identified set of rooms, has been acquired, with a street address. The school facility is "Field Act safe" or necessary exceptions have been obtained.
7. Students are enrolled in the school, unless the school is in the last stages of formation.
8. School records are kept separately from those of other schools.
9. The school implements a curriculum that fully meets state requirements as specified in the Education Code relating to required courses of study.
10. The school administers California statewide assessment tests to its students at the required grade levels.

FROM: Chad Hammitt, Ed.D., Assistant Superintendent, Personnel Services
SUBJECT: **APPROVE MEMORANDUM OF UNDERSTANDING BETWEEN THE FULLERTON SCHOOL DISTRICT AND CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION (CSEA), CHAPTER 130 PURSUANT TO COVID-19 AND WORK SCHEDULES**

Background: The worldwide coronavirus pandemic has led to the temporary closure of Fullerton School District schools and many other businesses, which has impacted many of our classified employees family members and their ability to work and receive pay. The District and CSEA recognize the importance of maintaining safe facilities and operations, for the benefit of the students and communities served by the District and its teachers and staff. We recognize the importance of prudent measures to prevent District employees, students, their families, or other people using District facilities from being exposed to or infected with coronavirus. Care should be taken to identify potential exposure and prevent the spread of the disease. We agree that continuity of District operations should be maintained, and provisions should be made for District employees who are impacted by the pandemic.

Rationale: This MOU between the District and CSEA addresses the current need of the District while maintaining the respect and recognition of the rights of CSEA employees.

Funding: Not applicable.

Recommendation: Approve Memorandum of Understanding between the Fullerton School District and California School Employees Association (CSEA) Chapter 130 pursuant to COVID-19 and work schedules.

MEMORANDUM OF UNDERSTANDING (MOU)
Between the California School Employees Association and its Fullerton
Elementary Chapter 130
and
Fullerton School District
May 8, 2020
CORONAVIRUS (COVID-19) PANDEMIC RESPONSE

This Memorandum of Understanding is agreed to between the Fullerton School District (District) and the California School Employees Association and its Fullerton Elementary Chapter 130 (CSEA) concerning the District's response to the coronavirus (COVID-19) pandemic.

The District and CSEA recognize the importance of maintaining safe facilities and operations, for the benefit of the students and communities served by the District and its teachers and staff. We recognize the importance of prudent measures to prevent District employees, students, their families, or other people using District facilities from being exposed to or infected with coronavirus. Care should be taken to identify potential exposure and prevent the spread of the disease. We agree that continuity of District operations should be maintained, and provisions should be made for District employees who are impacted by the pandemic.

To these ends, the District and CSEA agree as follows:

- 1) The District will inform CSEA as soon as practicable should it learn of a confirmed or likely coronavirus infection of District employees or students.
- 2) The District will train its employees, as appropriate by classification, in public health measures, hygiene, and sanitation to help prevent the spread of the virus and will take reasonable measures to ensure that its facilities have the necessary supplies for preventive sanitation measures (such as soap and water, disposable towels or tissues, and hand sanitizer). The District and CSEA recognize that there have been severe shortages throughout California of supplies for hygiene and sanitation recommended by Public Health, but the District will make all reasonable efforts to make the appropriate supplies available. CSEA will cooperate with the District in any necessary public health actions, such as contact tracing of infected individuals. Employees are reminded of their duty to do assigned work absent reasonable fears for their health or safety (that is, to grieve assignments rather than refuse them absent evidence that the assigned task puts their own health or another's health at risk).
- 3) In line with the statewide mandates to stop the spread of the coronavirus, it is important the parties recognize the need to minimize potentially infectious interactions within District operations.
 - a. In the event a CSEA bargaining-unit employee is unable to report to work or work from home due to being exposed to coronavirus or having taken ill with

coronavirus, having been directed to self-quarantine for reasonable cause, or being required to care for a child due to school or daycare closures; the employee may use available leaves without fear of reprisal including first using leaves provided under the Families First Coronavirus Response Act of which they are eligible. Employees who have exhausted accrued sick leave may use extended sick leave. Such leaves will be construed as liberally as possible.

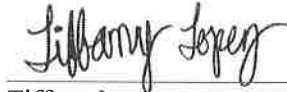

- b. CSEA bargaining unit members who are unable to report to work at a District work site due to being 65 years of age or older, being at high-risk due to underlying health conditions as defined by the CDC, being directed to stay home by a medical provider due to the unit member being responsible for the care of a child/dependent/parent who is at high-risk per medical provider's written opinion, or any other COVID-19 related medical reason accompanied by a medical provider's note; shall be permitted to work from home. The District and the unit member's supervisor shall make a reasonable attempt to assign the unit member work that will be completed at home. The unit member will work with his/her supervisor to arrange a means to collect work materials, equipment, and/or other items that are required to complete work from home assignments. Any requirement to come to work for a brief time period shall be conducted according to the District's social distancing protocols and the use of PPE as required.
 - c. Unit members shall agree to inform the District, when with reasonable evidence, they believe they have been exposed to an individual who has tested positive for coronavirus and shall self-quarantine for 14 calendar days to self-monitor for any potential symptoms such as fever, cough, and/or difficulty breathing.
 - d. CSEA will notify its members of the District's commitments but shall not encourage its members to take leave unless there is actually a medical reason to do so.
 - e. Any remote work arrangement is subject to the approval of the District. The District will make reasonable efforts to accommodate any employees working from home remotely with proper equipment.
- 4) In the event any District facility must be closed, or any District operations are curtailed due to the coronavirus pandemic, CSEA bargaining-unit employees will not suffer any loss of pay or benefits relative to their regular schedules for the period of closure or curtailment. Thus, for example the District will continue to pay bargaining-unit employees even if they are unable to work due to coronavirus-related reduction in use of District facilities. Employees who are not ill will not be required to use paid sick leave or any other form of paid time off during such an eventuality.
 - 5) The District retains the right to contact employees during the closure period to direct only essential employees to return to work as needed in order to provide essential services or information to the District. In the event that the District continues to provide meals for students during any closure, the District shall ensure that an administrator and adequate number of staff are onsite and available to ensure security.
 - 6) Unit members required to physically report to a job site or assigned work location to complete essential duties, in the event of a school closure, shall be provided with

personal protective equipment (PPE) as available, recognizing the current national shortages, to minimize the risk of exposure to COVID-19 and shall be paid at their regular rate of pay, unless mandated under local, state, or federal order or law that these employees receive additional pay. The parties agree to include in salary negotiations for the 2020-2021 school year the discussion of compensation for staff who provided essential services on school campuses/District facilities and had contact with the community/public during the temporary school closure and Governor's Safer at Home Order.

- 7) Should the District close any schools to address COVID-19, the District shall comply with requirements of California Executive Department Executive Orders N-26-20, N-33-20, and any other Executive Orders affecting K-12 public schools. Further, the District will comply with all additional federal, state, and local orders. CSEA will support efforts to maintain funding pursuant to Education Code §§ 41422 and 46392 in the event of a closure of any District facilities due to pandemic.
- 8) In the event the District seeks to add additional school days to the 2019-20 school year or the 2020-21 school year, the District will seek to staff such additional days within the current work year of CSEA unit members. If the additional school days exceed the work year of CSEA unit members, these days will be considered additional workdays and shall first be offered to unit members by order of seniority. Such work shall be compensated at least the same as during the regular school year. The District and CSEA shall meet and confer prior to offering additional workdays to employees on a voluntary basis.
- 9) The parties agree that any probationary or permanent employee who was to be evaluated in March 2020 or anytime during the temporary school closure period, will have their evaluation period suspended and will be evaluated within sixty (60) days of the schools being reopened and the Governor's stay home order being lifted. Probationary classified employees' six (6) month probationary period shall not be affected by temporary school closures due to COVID-19.
- 10) The District shall accept and consider requests by employees who are parents to deal with a childcare provider or school emergency caused by coronavirus-related closure in conformity with Labor Code section 230.8.
- 11) The parties agree to reopen this MOU to negotiate evolving situations or other conditions not addressed in this MOU related to effects on unit members because of COVID-19.
- 12) This MOU shall expire and be of no further force or effect on the earlier of either a public health declaration that the COVID-19 pandemic has passed or June 30, 2020, whichever comes first and shall not establish any precedent or past practice.

SUBJECT: **APPROVE MASTER LEASE PURCHASE AGREEMENTS # 450-0020571-000 and # 450-0020571-001 BETWEEN WELLS FARGO VENDOR FINANCIAL SERVICES, LLS AND FULLERTON SCHOOL DISTRICT TO REFRESH THE DISTRICT'S STUDENT IPAD VIP PROGRAM, DISTRICT OFFICE AND VARIOUS SITES TO PURCHASE IPADS AND/OR APPLE COMPUTERS BEGINNING JULY 1, 2019 THROUGH JUNE 30, 2025**

Background: Fullerton School District (FSD) currently has a Visual Innovation Program (VIP) that provides iPads to all 5th to 8th grade students. These devices are refreshed and replaced every 4 years in order to ensure students can interact with current apps, curriculum, and assessments. School sites have expressed interest in paying for devices and for teacher and lab computers across the life of the devices. FSD is also entering into a 5 year lease for Apple Computers for students as well as staff computers.

Rationale: The District is utilizing a lease to own program with Apple, Inc. in order to spread out the costs to the District across the life of the devices. The interest rate is 0.99% with a one dollar buyout at the end of the four-year lease for iPads, and five-year lease for laptops and desktops. This program will allow sites to refresh teacher computers and computer labs for elective classes across the life of the devices as well.

Funding: Cost is not to exceed \$377,000 per year for the first four years and \$135,500 for the fifth year. Cost will be paid from multiple budgets. The Innovation and Instructional Support budget #409 will pay the bulk of the payments with the remainder coming from various school sites.

Recommendation: Approve Master Lease Purchase Agreements #450-0020571-000 and #450-0020571-001 between Wells Fargo Vendor Financial Services, LLS and Fullerton School District to refresh the District's Student iPad VIP Program, District Office and various school sites to purchase iPads and/or Apple Computers beginning July 1, 2020 through June 30, 2025.

Master Lease Purchase Agreement No. 450-0020571

This Master Lease Purchase Agreement # **450-0020571** dated as of _____, 20_____ (this "Master Lease") is entered into by and between WELLS FARGO VENDOR FINANCIAL SERVICES, LLC ("Lessor"), and FULLERTON SCHOOL DISTRICT ("Lessee").

1. MASTER LEASE; SCHEDULES. Subject to the terms of this Master Lease, Lessee agrees to lease, purchase and acquire from Lessor certain equipment and/or software (the "Equipment") as may be described in any lease schedule in the form of Exhibit A (each, a "Schedule") which may be executed by the parties from time to time. Nothing in this Master Lease shall be construed to impose any obligation upon, or otherwise commit, Lessor to enter into any proposed Schedule, it being understood that whether Lessor enters into any proposed Schedule shall be a decision solely within Lessor's discretion. Lessee understands that Lessor requires certain documentation and information necessary to enter into any Schedule, and Lessee agrees to provide Lessor with any documentation or information Lessor may request in connection with Lessor's review of any proposed Schedule. Such documentation may include but shall not be limited to: (a) a description of the proposed Equipment, including the cost and its contemplated use and location, (b) information related to the vendor(s) manufacturing, licensing (subject to the terms of the Vendor's applicable end user license agreement(s)), delivering, installing or maintaining the proposed Equipment for Lessee (the "Vendor"), (c) documentation or information concerning the financial condition of Lessee, and (d) other information related to the Schedule and Lessee. The terms and conditions of this Master Lease (including all exhibits and any amendments hereto), are incorporated by reference into each Schedule and each Schedule, once executed by Lessor and Lessee, shall constitute a separate and independent lease and installment purchase of the Equipment identified therein, hereinafter referred to as a "Lease."

2. INVOICE PAYMENT OR REIMBURSEMENT. With respect to any Lease, and subject to the provisions of Section 3 if applicable, Lessor shall have no obligation whatsoever to make any payment to a Vendor or reimburse Lessee for any payment made to a Vendor for the Equipment that is the subject of such Lease until three (3) business days after Lessor's receipt of the following in form and substance satisfactory to Lessor in its sole discretion: (a) a Schedule executed by a duly authorized representative of Lessee, attached as Exhibit A; (b) a fully executed partial or final acceptance certificate as applicable, in the form of Exhibit B ("Acceptance Certificate"); (c) a resolution or evidence of other official action taken by Lessee's governing body authorizing Lessee to enter into the Master Lease, the acquisition of the Equipment subject thereto, and confirming that Lessee's actions were in accordance with all applicable state, local and federal laws, including laws regarding open meetings and public bidding; (d) evidence of insurance with respect to the Equipment in accordance with the provisions of Section 15 of this Master Lease; (e) a Vendor invoice for the Equipment and, if such invoice has been paid by Lessee, evidence of payment thereof; (f) a completed and executed Form 8038-G or 8038-GC; (g) an Incumbency Certificate substantially in the form attached as Exhibit C; (h) Lease Payment Instructions substantially in the form attached as Exhibit D; (i) Insurance Coverage Requirements in the form attached as Exhibit E; (j) an opinion of Lessee's counsel substantially in the form attached as Exhibit F; and (k) such other documents, items, or information reasonably required by Lessor.

3. ESCROW AGREEMENTNot applicable.

4. DELIVERY AND ACCEPTANCE OF EQUIPMENT. Lessee shall order the Equipment, cause the Equipment to be delivered and installed at the location specified in each Lease, and pay any and all delivery and installation costs and applicable sales and other taxes in connection therewith. When the Equipment identified in any Lease has been delivered and installed, Lessee shall promptly inspect the Equipment and evidence its acceptance by executing and delivering to Lessor the Acceptance Certificate. If Lessee signed a purchase contract for the Equipment, by signing a Schedule Lessee assigns its rights, but none of its obligations under the purchase contract, to Lessor.

5. LEASE PAYMENTS. Lessee agrees to pay "Lease Payments" to Lessor in accordance with the payment schedule set forth in each Lease, exclusively from legally available funds, consisting of principal and interest components in the amounts and on such dates as provided in each Lease. Lessee shall pay Lessor a charge on any Lease Payment not paid on the date such payment is due at the rate of 12% per annum or the highest lawful rate, whichever is less, from such due date until paid. The "Commencement Date" for each Lease is the date when interest commences to accrue under such Lease, which date shall be the earlier of (a) the date Lessee partially or fully accepts the Equipment pursuant to Section 4, or (b) the date of Lessor's deposit into an Escrow Account of sufficient monies to purchase the Equipment. Lessor will advise Lessee as to the address to which Lease Payments shall be sent. The Lease Payment is due whether or not Lessee receives an invoice. Restrictive endorsements on checks sent by Lessee will not reduce Lessee's obligations to Lessor. Unless a proper exemption certificate is provided, applicable sales and use taxes may be paid by Lessee from funds advanced to Lessee by Lessor for such purpose in connection with the execution and delivery of the related Lease or may be paid by Lessee pursuant to Section 4 hererof. ***Lessor and Lessee understand and intend that the obligation of Lessee to pay Lease Payments under each Lease shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness or debt by Lessee, nor shall anything contained in this Master Lease or in any Lease constitute a pledge of the general tax revenues, funds or monies of Lessee.***

6. NON-APPROPRIATION OF FUNDS. Lessee is obligated to pay Lease Payments under each Lease for each fiscal period as may lawfully be made from funds budgeted and appropriated for that purpose for such fiscal period. Lessee currently intends to remit and reasonably believes that funds in an amount sufficient to remit all Lease Payments and other payments under each Lease can and will lawfully be appropriated and made available to permit Lessee's continued utilization of the Equipment under such Lease and the performance of its essential function during the scheduled "Lease Term" as reflected in each Lease. Lessee currently intends to do all things lawfully within its power to obtain and maintain funds from which the Lease Payments under each Lease may be made, including making provision for such payments to the extent necessary in each budget or appropriation request adopted in accordance with applicable provisions of law. Notwithstanding the foregoing, Lessor acknowledges that the decision whether or not to budget and appropriate funds or to extend the term of a Lease for any period beyond the original or any additional fiscal period is within the discretion of the governing body of Lessee. In the event that Lessee's governing body fails or is unwilling to budget, appropriate or otherwise make

available funds for the payment of Lease Payments and other payments, if any, under a Lease following the then current fiscal period (an "Event of Non-appropriation"), Lessee shall have the right to terminate such Lease on the last day of the fiscal period for which sufficient appropriations were made without penalty or expense, except as to the portion of any Lease Payment for which funds shall have been appropriated and budgeted, in which event Lessee shall return the Equipment subject to such Lease in accordance with Section 19 of this Master Lease. Lessee agrees to deliver written notice to Lessor of such Event of Non-appropriation with respect to a Lease and termination at least thirty (30) days prior to the end of the then current fiscal period, but failure to give such notice shall not extend the term of the affected Lease beyond such then current fiscal period.

7. UNCONDITIONAL OBLIGATION. UPON THE COMMENCEMENT DATE OF A LEASE PURSUANT TO SECTION 5 OF THIS MASTER LEASE, AND EXCEPT AS PROVIDED IN SECTION 6, "NON-APPROPRIATION OF FUNDS," THE OBLIGATIONS OF LESSEE TO MAKE LEASE PAYMENTS AND TO PERFORM AND OBSERVE THE OTHER COVENANTS AND AGREEMENTS CONTAINED IN EACH LEASE SHALL BE ABSOLUTE AND UNCONDITIONAL IN ALL EVENTS WITHOUT ABATEMENT, DIMINUTION, DEDUCTION, SET-OFF OR DEFENSE, FOR ANY REASON INCLUDING, WITHOUT LIMITATION, ANY FAILURE OF THE EQUIPMENT TO BE DELIVERED OR INSTALLED, ANY DISPUTES WITH THE VENDOR OF ANY EQUIPMENT, DEFECTS, MALFUNCTIONS OR BREAKDOWNS IN THE EQUIPMENT, ANY ACCIDENT, CONDEMNATION, DAMAGE, DESTRUCTION, OR UNFORESEEN CIRCUMSTANCE, OR ANY TEMPORARY OR PERMANENT LOSS OF ITS USE.

8. DISCLAIMER OF WARRANTIES. THE SOLE WARRANTY FOR THE EQUIPMENT IS THE APPLICABLE PRODUCT WARRANTY (DEFINED BELOW). LESSOR MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WHATSOEVER, INCLUDING WITHOUT LIMITATION, AS TO THE EQUIPMENT'S MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SUITABILITY, DESIGN, CONDITION, DURABILITY, OPERATION, QUALITY OF MATERIALS OR WORKMANSHIP, NON-INFRINGEMENT, OR COMPLIANCE WITH SPECIFICATIONS OR APPLICABLE LAW. OR THAT THE OPERATION OR USE OF THE EQUIPMENT WILL BE UNINTERRUPTED, SECURE OR FREE OF ERRORS, DEFECTS, VIRUSES, MALFUNCTIONS, AND LESSEE, AS OF THE DATE OF LESSEE'S ACCEPTANCE AS SET FORTH IN SECTION 4, ACCEPTS SUCH EQUIPMENT AS IS AND WITH ALL FAULTS. LESSEE ACKNOWLEDGES THAT LESSEE HAS SELECTED THE EQUIPMENT BASED UPON LESSEE'S OWN JUDGMENT. Lessee acknowledges that the Equipment was manufactured and/or assembled, or in the case of software was developed and licensed, by the applicable Vendor and that any warranty rights with respect to such Equipment shall be provided by the applicable Vendor (the "Product Warranty"). Lessee agrees to settle any dispute it may have regarding performance of the Equipment directly with the applicable Vendor and not to make any claim against the Lease Payments due Lessor or any Assignee (as hereinafter defined). Lessee agrees to continue to pay Lessor all Lease Payments and other payments without abatement or set off for any dispute with the Vendor regarding the Equipment. Nothing in this Master Lease or in any Lease shall relieve Vendor of its obligations under the Product Warranty offered by Vendor for the Equipment. Lessee acknowledges and agrees that the Product Warranty is a separate agreement between Lessee and the applicable Vendor and that such Product Warranty is not a part of this Master Lease or any Lease.

9. TITLE AND SECURITY INTEREST. Unless otherwise required by the laws of the state where Lessee is located, during each Lease Term, title to the Equipment shall be vested in Lessee, subject to the rights of Lessor under the Master Lease or any such Lease. In the event Lessor terminates pursuant to Section 17 of this Master Lease or an Event of Non-Appropriation occurs under the Master Lease or a Lease, title to the related Equipment shall immediately vest in Lessor free and clear of any rights, title or interests of Lessee. Lessee, at its expense, shall protect and defend Lessee's title to the Equipment and Lessor's rights and interests therein and keep the Equipment free and clear from any and all claims, liens, encumbrances and legal processes of Lessee's creditors and other persons.

To secure the payment of all of Lessee's obligations under each Lease, Lessee hereby grants to Lessor a first priority purchase money security interest in the Equipment subject to each such Lease, anything attached or added to the Equipment by Lessee at any time, Lessee's rights under each agreement for the licensing of software to the extent that a security interest therein may be granted without violating the terms of such agreement, and on all proceeds, including proceeds from any insurance claims for loss or damage, from such Equipment. Lessee authorizes Lessor to file a financing statement perfecting Lessor's security interest under the laws of Lessee's state. Lessee agrees to promptly execute such additional documents, in a form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain its security interest in the Equipment. The Equipment is and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated.

10. USE, MAINTENANCE AND REPAIR. Upon installation, no item of Equipment will be moved from the location specified for it in the related Lease (the "Equipment Location") without Lessor's prior written consent, which consent will not be unreasonably withheld, except that any Equipment that is intended by design to be a mobile piece of technology (i.e. laptop computers) may be moved within the continental U.S. without consent. Lessor shall have the right at all reasonable times during regular business hours, subject to compliance with Lessee's customary security procedures, to enter into and upon the property of Lessee for the purpose of inspecting the Equipment. In order to facilitate the use of the Equipment by students and/or Lessee's employees ("Authorized Users") while on premises other than those belonging to Lessee, Lessee acknowledges and agrees that: (a) Lessee shall use due care to ensure that the Equipment is not (i) used in violation of any applicable law, in a manner contrary to that contemplated by the related Lease, or for private business purposes, or (ii) used by anyone other than Authorized Users; and (b) Lessee (and not Authorized Users) shall be solely responsible for (i) maintaining insurance in accordance with the terms of the related Lease, (ii) payment of any applicable sales, property and other taxes on the Equipment, and (iii) return of the Equipment under a Lease to Lessor upon the occurrence of an Event of Default or Event of Non-appropriation thereunder. Lessee agrees that it will use the Equipment under each Lease in the manner for which it was intended, as required by all applicable manuals and instructions and as required to keep the Equipment eligible for any manufacturer's certification and/or standard, full service maintenance contract. Lessee agrees that it will, at Lessee's own cost and expense, maintain, preserve and keep the Equipment under each Lease in good repair, condition and working order, ordinary wear and tear excepted. All replacement parts and repairs shall be governed by the terms of the related Lease. Lessee will not make any permanent alterations to the Equipment that will result in a decrease in the market value of the Equipment.

11. LIENS; TAXES. LESSEE WILL NOT SELL, TRANSFER, ASSIGN, PLEDGE, SUB-LEASE OR PART WITH POSSESSION OF THE EQUIPMENT, OR FILE OR PERMIT A LIEN TO BE FILED AGAINST THE EQUIPMENT, EXCEPT AS OTHERWISE EXPRESSLY PROVIDED UNDER THIS MASTER LEASE AND THE RELATED LEASE. The parties to this Master Lease intend that the Equipment

will be used for governmental or proprietary purposes of Lessee and that the Equipment will be exempt from all property taxes. Lessee shall timely pay all assessments, license and filing fees, taxes (including sales, use, excise, personal property, ad valorem, stamp, documentary and other taxes) and all other governmental charges, fees, fines or penalties whatsoever, whether payable by Lessor or Lessee, now or hereafter imposed by any governmental body or agency on or relating to the Equipment or the Lease Payments or the use, registration, rental, shipment, transportation, delivery, ownership or operation of the Equipment and on or relating to this Master Lease or any Lease; *provided, however*, that the foregoing shall not include any federal, state or local income or franchise taxes of Lessor.

12. LIMITATION OF LIABILITY. NOTWITHSTANDING ANYTHING TO THE CONTRARY, LESSOR SHALL NOT BE LIABLE FOR ANY DIRECT DAMAGES OF LESSEE RESULTING FROM, ARISING OUT OF OR IN CONNECTION WITH THIS MASTER LEASE, WHETHER ARISING IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, REGARDLESS OF THE THEORY OF LIABILITY. FURTHER, NOTWITHSTANDING ANYTHING TO THE CONTRARY, with respect to each Lease, Lessee agrees that (a) Lessor shall have no liability, cost or expense with respect to transportation, installation, selection, purchase, lease, ownership, possession, modification, maintenance, condition, operation, use, return or disposition of the Equipment; and (b) Lessor shall have no responsibility in connection with the selection of the Equipment, the ordering of the Equipment, its suitability for the use intended by Lessee, Lessee's compliance or non-compliance with competitive pricing and/or bidding requirements, the acceptance by the Vendor of the order submitted, if applicable, or any delay or failure by the Vendor or its sales representative to, deliver, install, or maintain the Equipment for Lessee's use. IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES IN CONNECTION WITH OR ARISING OUT OF ANY LEASE OR THE EXISTENCE, FURNISHING, FUNCTIONING OR LESSEE'S USE OF ANY ITEM OF EQUIPMENT PROVIDED FOR IN ANY LEASE, WHETHER IN CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, REGARDLESS OF THE THEORY OF LIABILITY AND REGARDLESS OF WHETHER LESSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE PARTIES AGREE THAT THE PROVISIONS IN THIS MASTER LEASE FAIRLY ALLOCATE THE RISKS BETWEEN THE PARTIES WITHOUT WHICH THEY WOULD NOT HAVE ENTERED INTO THIS MASTER LEASE.

13. IDENTIFICATION. Lessor shall be entitled to insert missing or correct information on the related Lease, including, without limitation, Lessee's official name, serial numbers and any other information describing the Equipment under such Lease; provided that Lessor forwards copies of such changes to Lessee.

14. LOSS OR DAMAGE. Lessee shall be responsible for any loss, theft of and/or damage to the Equipment or any portion thereof from any cause whatsoever, regardless of the extent or lack of insurance coverage, from the time the Equipment is delivered to and accepted by Lessee pursuant to the related Lease until the end of the Lease Term thereunder or until the Equipment is returned to Lessor pursuant to Section 19 of this Master Lease. If any item of the Equipment is lost, stolen or damaged, Lessee shall immediately provide written notice of such loss or damage to Lessor and shall, within fifteen (15) business days after such loss or damage, at Lessee's option,: (a) repair the damaged Equipment so that it is in good condition and working order, eligible for any manufacturer's certification; (b) replace the damaged Equipment at Lessee's sole cost and expense with equipment having substantially similar manufacturer's specifications and of equal or greater value to the damaged Equipment immediately prior to such Equipment being damaged, such replacement equipment to be subject to Lessor's written approval, whereupon such replacement equipment shall be substituted in the applicable Lease and the other related documents by appropriate endorsement or amendment; or (c) pursuant to Section 18, purchase Lessor's interest in the damaged Equipment on a pro rata basis (notwithstanding the limitation in Section 18 only to prepaying in whole) and continue the related Lease for the non-damaged Equipment for the balance of the applicable Lease Term. In such event, Lessor will provide Lessee with a revised amortization of Lease Payments for the non-damaged Equipment. Lessor will forward to Lessee any insurance proceeds which Lessor receives for damaged Equipment for Lessee's use in the repair or replacement of the damaged Equipment, unless there has been an Event of Default or an Event of Non-appropriation by Lessee, in which event Lessor will apply any insurance proceeds received to reduce Lessee's obligations under Section 17 of this Master Lease.

15. INSURANCE. In the event that Lessee is not self-insured (as hereafter provided), Lessee shall, at its expense, keep the Equipment fully insured against loss, fire, theft, damage or destruction from any cause whatsoever in an amount not less than the greater of (a) the total Lease Payments for the Lease Term under the related Lease or (b) the full replacement cost of the Equipment without consideration for depreciation. Upon Lessor's written request, Lessee shall also provide such additional insurance against injury, loss or damage to persons or property arising out of the use or operation of the Equipment as is customarily maintained by owners of property similar to the Equipment. Lessee may self-insure against such risks. The policy shall state that Lessor shall be notified of any proposed cancellation at least thirty (30) days prior to the date set for cancellation. All such insurance shall be in form, issued by such insurance companies and be in such amounts as shall be satisfactory to Lessor, and shall provide that losses, if any, shall be payable to Lessor as "loss payee," and all such liability insurance shall include Lessor as an "additional insured." Upon Lessor's written request, Lessee shall provide Lessor with a certificate or other evidence of insurance acceptable to Lessor evidencing the insurance coverage required under the related Lease. In the event Lessee fails to provide such evidence within ten (10) business days of Lessor's request, or upon Lessor's receipt of a notice of policy cancellation, Lessor may (but shall not be obligated to) obtain insurance covering Lessor's interest in the Equipment at Lessee's sole expense. Lessee will pay all insurance premiums and related charges.

16. DEFAULT. Except in the event of nonappropriation as set forth in Section 6, Lessee will be in default under a Lease upon the occurrence of any of the following (each, an "Event of Default"): (a) Lessee fails to pay any Lease Payment or other payment due in full under such Lease within thirty (30) days after its due date; (b) Lessee fails to perform or observe any other promise or obligation in this Master Lease and/or any Lease, and does not correct the default within thirty (30) days after written notice of default by Lessor; (c) any representation, warranty or statement made by Lessee in this Master Lease or any Lease shall prove to have been false or misleading in any material respect when made; (d) Lessee fails to obtain and maintain insurance as required by Section 15; (e) the Equipment or any portion thereof is used in a manner not authorized by, or used in violation of the terms of the related Lease; (f) the Equipment or any part thereof is lost, destroyed, or damaged beyond repair and remains uncured in accordance with Section 14; (g) a petition is filed by or against Lessee under any bankruptcy or insolvency laws; or (h) an Event of Default occurs under any other Lease or prior financing with Lessor.

17. REMEDIES. Upon the occurrence of an Event of Default under the Master Lease or a Lease, Lessor may, in its sole discretion, do any or all of the following (without penalty, liability or obligation on Lessor's part and without limiting any other rights or remedies available to Lessor): (a) provide written notice to Lessee of the Event of Default; (b) as liquidated damages for loss of a bargain, and not as a penalty, declare due and payable any and all amounts which may then be due and payable under the Master Lease or a Lease, plus all Lease Payments remaining through the end of the then current fiscal period; (c) without terminating the Lease Term under such Lease, (i) require Lessee at Lessee's expense to promptly return any or all of the Equipment to the possession of Lessor in accordance with the requirements in Section 19, and (ii) at Lessee's expense, sell or lease such Equipment or, for the account of Lessee, sublease such Equipment, continuing to hold Lessee liable for the difference between the Lease Payment payable by Lessee pursuant to the terms of such Lease to the end of the current fiscal period and the net proceeds of any such sale, lease or sublease; and (d) require Lessee to remove all proprietary data from the Equipment, holding Lessor harmless if Lessee fails to do so. To the extent Lessee does not return the Equipment in a timely manner pursuant to Section 17(c)(i), upon prior notice, and in accordance with the district's security policies and applicable law and process, Lessor may enter the premises where the Equipment is located and retake possession of such Equipment. The exercise of any of such remedies shall not relieve Lessee of any other liabilities under any other Lease. Without limiting the foregoing, Lessor may take whatever action, either at law or in equity, may appear necessary or desirable to enforce its rights under any Lease, or as a secured party in any or all of the Equipment. No remedy of Lessor is intended to be exclusive and every such remedy, now or hereafter existing, at law or in equity, shall be cumulative and shall be in addition to every other remedy given under a Lease. In the event that Lessor sells or otherwise liquidates the Equipment following an Event of Default or an Event of Non-appropriation as herein provided and realizes net proceeds (after payment of costs) in excess of total Lease Payments under the related Lease that would have been paid during the related scheduled Lease Term plus any other amounts then due under the related Lease, Lessor shall immediately pay the amount of any such excess to Lessee.

18. PURCHASE OPTION. At the option of Lessee, and provided that no Event of Default or Event of Non-appropriation has occurred and/or is continuing under the Master Lease or any Lease, Lessor's interest in all, but not less than all, of the Equipment subject to a Lease will be transferred, conveyed and assigned to Lessee, free and clear of any right or interest of Lessor, and such Lease shall terminate upon payment in full of all Lease Payments under such Lease and all other amounts then due thereunder. If Lessor permits an early termination, the purchase price Lessor may quote to Lessee may include a prepayment fee, as set forth in Exhibit A.

19. RETURN OF EQUIPMENT. In the case of an Event of Default under a Lease or an Event of Non-appropriation by Lessee with respect to a Lease in accordance with Section 6, Lessee will, at Lessee's sole cost and expense, immediately return the Equipment (including all copies of any software free of any proprietary data), manuals, and accessories to any location and aboard any carrier Lessor may designate in the continental United States. The Equipment must be properly packed for shipment in accordance with the manufacturer's recommendations or specifications, freight prepaid and insured, and maintained in accordance with the terms of the related Lease. All Equipment must be free of markings. Lessee will pay Lessor for any missing or defective parts or accessories. Lessee will continue to pay Lease Payments until the Equipment is delivered to Lessor's carrier. Notwithstanding anything in this Section 19 to the contrary, any amounts to be paid by Lessee as provided in this Section 19 shall be payable solely from funds legally available for the purpose.

20. LESSEE'S REPRESENTATIONS AND WARRANTIES. Lessee hereby represents, covenants and warrants for the benefit of Lessor that as of the date hereof and as of Commencement Date for each Lease, and throughout each Lease Term: (a) Lessee is a state or political subdivision thereof within the meaning of Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"); (b) Lessee is duly organized and existing under the Constitution and laws of the state in which Lessee is located; (c) Lessee is authorized to enter into and carry out its obligations under this Master Lease and each Lease and every other document required to be delivered in connection with this Master Lease and a Lease; (d) this Master Lease and each Lease have been duly authorized, executed and delivered by Lessee in accordance with all applicable laws, codes, ordinances, regulations, and policies; (e) any person signing the Master Lease and each Lease has the authority to do so, is acting with the full express authorization of Lessee's governing body, and holds the office indicated below his or her signature, which is genuine; (f) the Equipment is essential to the immediate performance of a governmental or proprietary function by Lessee within the scope of Lessee's authority and shall be used during the Lease Term only by Lessee and only to perform such function; (g) Lessee intends to use the Equipment for the entire Lease Term and shall take such action, in accordance with Section 6, to include in its annual budget request, for submission to Lessee's governing body, any funds required to fulfill Lessee's obligations for each succeeding fiscal period during the applicable Lease Term; (h) Lessee has complied fully with all applicable laws, codes, ordinances, regulations, and policies, governing open meetings, competitive pricing and/or public bidding and appropriations required in connection with each Lease, the selection and acquisition of the Equipment and the selection of Vendor; (i) all payments due and to become due during Lessee's current fiscal period under a Lease are within the fiscal budget of such fiscal period, and are or will be included within an unrestricted and unencumbered appropriation currently available for the lease/purchase of the Equipment under the related Lease; (j) Lessee shall not do or cause to be done any act which shall cause, or by omission of any act allow, the interest portion of any Lease Payment to become includible in Lessor's gross income for Federal income taxation purposes under the Code; (k) Lessee shall comply with the information reporting requirements of Section 149(e) of the Code with respect to each Lease (such compliance shall include, but not be limited to, the execution of Form 8038-G or 8038-GC information reporting returns as appropriate); (l) all financial information provided by Lessee is true and accurate and fairly represents Lessee's financial condition; (m) Lessee has not for at least its most recent ten (10) fiscal periods failed to appropriate or otherwise make available funds sufficient to pay rental or other payments coming due under any lease purchase, installment sale or other similar agreement; (n) there is no litigation, pending or threatened that would materially adversely affect the transactions contemplated by this Master Lease, any Lease, or the financial condition of Lessee; and (o) any and all Equipment that Lessee leases, purchases and/or acquires pursuant to this Master Lease and any Lease hereunder is for Lessee's internal purposes only and Lessee is not and will not lease, purchase or acquire the Equipment for resale.

21. ASSIGNMENT. Lessor may, upon prior written notice to Lessee but without Lessee's consent, sell, assign, or transfer from time to time Lessor's rights, title, and interest under this Master Lease and/or any Lease or Leases or interest therein, including the right to receive Lease Payments under the Master Lease and Lessor's security interest in the Equipment under a Lease to one or more assignees or subassignees (each, an "Assignee"). Lessee agrees that, upon such assignment, the Assignee will have the same rights and benefits of Lessor under the terms of the related Lease. Lessee agrees that the rights of Assignee will not be subject to any claims, defenses, or set-offs that Lessee may have against any Vendor. Upon notice to Lessee of such assignment, Lessee agrees to respond to any requests

about the related Lease and, if directed by Lessor, to pay Assignee all Lease Payments and other amounts due under such Lease. Lessee hereby appoints Lessor as its agent to maintain a record of all assignments of each Lease in a form sufficient to comply with the registration requirements of Section 149(a) of the Code and the regulations prescribed thereunder from time to time, and Lessor agrees to maintain such registration record.

22. ADDITIONAL PAYMENTS. Lessor may, but is not obligated to, take on Lessee's behalf any action which Lessee fails to take as required by any Lease, and Lessee shall pay any expenses incurred by Lessor in taking such action, which will be in addition to the Lease Payments as set forth in the related Lease.

23. RELEASE AND INDEMNIFICATION. To the extent permitted by applicable state law and subject to Section 6, Lessee shall indemnify, release, protect, hold harmless, save and defend Lessor from and against any and all liability, obligation, loss, claim, tax and damage whatsoever, regardless of the cause thereof, and all costs and expenses in connection therewith (including, without limitation, attorneys' fees) arising out of or resulting from (a) the ordering, acquisition, use, installation, deployment, testing, operation, condition, purchase, delivery, rejection, storage or return of any item of Equipment; (b) any damage to property or personal injury or death of any person in connection with the operation, use, installation, deployment, testing, condition, possession, storage or return of any item of Equipment, or in connection with or resulting from Lessee's acts, omissions, negligence, misconduct or breach of any provision of this Master Lease or any Lease(s) hereunder; and/or (c) the breach of any covenant or any material representation of Lessee contained in this Master Lease or any Lease. The indemnification obligations set forth herein shall continue in full force and effect notwithstanding the payment in full of all obligations under any Lease or the termination of the Lease Term under any Lease for any reason.

24. MISCELLANEOUS. Each Lease, together with this Master Lease, contains the entire agreement of the parties regarding the subject matter hereof which is limited to lease financing. TIME IS OF THE ESSENCE IN EACH LEASE. If a court of competent jurisdiction finds any provision of any Lease to be unenforceable, the remaining terms of such Lease shall remain in full force and effect. Each Lease may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. The captions or heading in this Master Lease and in each Lease are for convenience only and in no way define, limit or describe the scope or intent of any provisions. This Master Lease and each Lease will be governed by the laws of the state where Lessee is located without regard to the conflict of law principles thereof. Re: Schedule No. 000 and 001 dated _____, 20____ to Master Lease Purchase Agreement #450-0020571 dated as of _____, between Wells Fargo Vendor Financial Services, LLC, as Lessor, and FULLERTON SCHOOL DISTRICT, as Lessee.

Ladies and Gentlemen:

As legal counsel to FULLERTON SCHOOL DISTRICT (the "Lessee"), I have examined (a) an executed counterpart of a certain Master Lease Purchase Agreement # 450-0020571 dated as of _____, and Exhibits thereto (collectively, the "Agreement") by and between Wells Fargo Vendor Financial Services, LLC (the "Lessor") and the Lessee, and an executed counterpart of Schedule No. 000 and 001 dated _____, 20____ (the "Schedule") to the Agreement, by and between the Lessor and the Lessee, which, among other things, provides for the lease with option to purchase to the Lessee of certain property listed in the Schedule (the "Equipment"), (b) a certified copy of the resolution (the "Authorizing Resolution") of the governing body of the Lessee which, among other things, authorizes the Lessee to enter into the Agreement and the Schedule and (c) such other opinions, documents and matters of law as I have deemed necessary in connection with the following opinion. The Schedule and the terms and provisions of the Agreement incorporated therein by reference together with the Lease Payment Schedule attached to the Schedule are herein referred to collectively as the "Lease".

Based on the foregoing, I am of the following opinion:

- (1) Lessee is duly organized and legally existing as a State entity, city, county, school district, special district or other state or local government unit under the laws of the State of CA, with full power and authority to enter into, and perform its obligations under, the Lease;
- (2) The Lease has been duly authorized, executed, and delivered by Lessee. Assuming due authorization, execution and delivery thereof by Lessor, the Lease is a legal, valid and binding obligation of Lessee, enforceable against Lessee in accordance with its terms, except to the extent limited by State and federal laws affecting creditors' remedies and by bankruptcy, reorganization, moratorium or other laws of general application relating to or affecting the enforcement of creditors' rights;
- (3) The person or persons signing the Lease have the authority to do so and have acted within the full authorization of the Lessee's governing body.
- (4) Lessee has complied with any applicable property acquisition laws and public bidding requirements in connection with the Lease and the transactions contemplated thereby, and the Authorizing Resolution was duly adopted at a meeting that was held in compliance with all applicable laws relating to the holding of open and public meetings.
- (5) There is no proceeding pending or, to the best of my knowledge (after diligent inquiry), threatened in any court or before any governmental authority or arbitration board or tribunal that, if adversely determined, would adversely affect the transactions contemplated by the Lease or the security interest of Lessor or its assigns, as the case may be, in the Equipment thereunder.
- (6) Lessee has sufficient monies available to make all payments required to be paid under the Lease during the current fiscal year and such monies have been properly budgeted and appropriated for this purpose in accordance with all applicable laws.

All capitalized terms herein shall have the same meanings as in the Lease unless otherwise provided herein. Lessor, its successors and assigns, and any counsel rendering an opinion on the tax-exempt status of the interest components of the Lease Payments, are entitled to rely on this opinion.

"Prepayment Amount" means the sum of: (a) all Lease Payments and all other sums due but unpaid under this Lease as of the time of the Effective Prepayment Date, plus (b) the present value of all Payments to become due during the remainder of the Term, calculated using the promotional interest rate set forth herein, plus (c) the corresponding "Prepayment Fee". The Prepayment Fee shall equal one percent of the amount described in clause (b) of this paragraph as of the Effective Prepayment Date (unless we choose, at our discretion, to charge a lesser amount). "Effective Prepayment Date" means the scheduled payment due date on which the Prepayment Amount is received by us, or if not received on a scheduled payment due date, the next scheduled payment due date following receipt of the Prepayment Amount. **IMPORTANT: Read before signing.** The terms of the Master Lease should be read carefully because only those terms in writing are enforceable. The terms of the Master Lease or Lease may only be changed by another written agreement between Lessor and Lessee. Lessee agrees to comply with the terms and conditions of the Master Lease and this Lease.

DISCUSSION/ACTION ITEM

DATE: June 9, 2020

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Jeremy Davis, Assistant Superintendent, Innovation and Instructional Support

SUBJECT: ONLINE AGENDA SOFTWARE FOR BOARD AGENDAS AND MEETINGS

Background: The District currently utilizes basic PDF software for creating board agendas. This process takes significant staff time and causes problems with agenda item versions being transferred between staff members, management, and others as many different staff members have input on many board agenda items. Our Superintendent's Executive Assistant winds up doing a significant amount of work that can easily be done by software.

Rationale: The District can shift to an online program built for board agendas that allows each department to create agenda items, import attachments, and have multiple staff members working on documents in a centralized program that builds board agendas across a multiple week period and relieves work load from secretaries and staff. Workflows for multiple staff members and management members would create significant efficiencies for all District departments. Board minutes should be taken in a software program and votes should be recorded in a method that allows for uploading to minutes in a web format that becomes more searchable for the general public. These programs can make it easier to run a board meeting with the public viewing information as well as making the agendas more user-friendly. Some of these programs include a web portal for searchable board policies. Staff recommends voting to approve the purchase of the BoardDocs online agenda software solution.

Funding: Cost would be between \$7,000 - \$50,000, depending on the option chosen.

Recommendation: Online Agenda software for Board Agendas and meetings.

BoardDocs®

A DILIGENT BRAND

BoardDocs Pro and Pro Plus

Executive Overview

BoardDocs® Pro is a state-of-the-art, cloud-based Board Management Service developed specifically for public governing bodies. BoardDocs provides a means of immediately publishing and revising agenda items, supporting documents, and policies and procedures via the Internet. Staff Members can quickly and easily create, approve and track agenda items and other correspondence. BoardDocs services offer governing bodies a simple way to eliminate paper-based and less advanced electronic processes while maintaining a searchable, legal repository for all documents.

BoardDocs improves governance by making documents readily available to governing bodies, designated staff and the public in a professional, easy-to-access format. Staff maintains total control over who sees what information - and when.

Benefits Summary

In addition to dramatic improvements in governance processes and board effectiveness, our subscribers consistently report substantial annual cost savings, time-of-staff savings of up to 75%, increased transparency with stakeholders and multiple environmental benefits.

BoardDocs Pro: Features and Benefits

Meeting Control Panel

BoardDocs Pro provides comprehensive tools for meeting management. The core of our meeting management is the Meeting Control Panel (MCP). Using the MCP, designated meeting moderators have the ability to move agenda items in and out of consent, re-order the agenda, record motions, record voting, enable online voting and take notes for inclusion in the minutes.

“Follow Me” Technology

With BoardDocs Pro “Follow Me” technology, it’s easy to be sure that everyone is on the same page. As the meeting moderator moves through the meeting, the governing body members can follow along. They simply click on the blinking agenda item at any time and are immediately taken to the current agenda item.

Voting

BoardDocs Pro is easily customizable and can collect actions in two ways. Organizations can designate a moderator to record the action details during or after the meeting, or the built-in online voting system can be used.

BoardDocs Pro also supports consent agenda items. Using the consent feature, the board can vote on several agenda items at once and BoardDocs Pro populates the resulting vote in each agenda item. Items can be removed from or added to the consent agenda in real time, during the meeting, with a simple click by the meeting moderator.

ScoreBoard

No matter how action information is recorded, BoardDocs Pro can share the results with the public in real time. ScoreBoard is an automated screen that follows the progress of the meeting and keeps the public up-to-date with the actions of the board. It is typically displayed on large screens in the board room during the meeting.

Minutes

BoardDocs Pro uses the action information stored in each agenda item to generate draft minutes of the meetings. Once the minutes are generated, the document publisher can format and edit using the BoardDocs Pro integrated editor.

Annotations

BoardDocs Pro provides support for governing body members to enter private notes on any native BoardDocs Pro document. The notes are stored separately from the organization's data in a private notebook on BoardDocs' servers. While most solutions store annotations together with the organization's data, BoardDocs Pro's private annotation solution is unique. By maintaining the information in a separate database, the organization is not required to provide the annotations in response to a FOIA request.

Meeting Video

Meeting video allows stakeholders to go well beyond documents and actually view what happened during each agenda item in a meeting. This feature simplifies the task of associating and managing meeting video by providing easy-to-use tools that automate the process involved with delivering video over the Web. Users can easily associate their video with each meeting and tag individual agenda items to any part of the video, all while displaying them through the organization's existing BoardDocs interface.

Integrated Solution

BoardDocs is the only solution to provide online meetings, library, goal tracking, events, video and policy solutions in one product.

Search and MetaSearch

BoardDocs provides the ability to perform searches against the full text of any document in the system – including attachments. The document publisher determines what documents or parts of documents users can access. Through MetaSearch, BoardDocs also provides the capability to perform searches of public agenda items and policies from similar organizations using BoardDocs services. By using this exclusive feature, staff and governing bodies can research policies and procurement on a national basis, incorporate findings into their own efforts, develop best practices, and ultimately save a great deal of time and money.

Technical Support

BoardDocs provides live, 7 x 24, US-based, no-charge technical support for all document publishers and authenticated users for the life of the agreement.

BoardDocs Plus

Need a Solution for Multiple Governing Bodies?

BoardDocs Plus is a new service enhancement that enables organizations with multiple public governing bodies to provide a separate, distinct and comprehensive suite of BoardDocs services to each group via one subscription.

BoardDocs Pro can support unlimited types of meetings for different committees; however, by adding Plus, each governing body can have separate confidential meetings, separate document managers and separate administrative access. With BoardDocs Plus, BoardDocs services can provide agenda item-level security so only authenticated users in each group can access meetings, agenda items or even parts of an agenda item.

SUBJECT: VIRTUAL BOARD MEETINGS DURING COVID-19 (SHORT-TERM)

Background: Currently all board meetings are run through a Zoom Webinar where the public has the option to call in and listen to meetings. The public can also send public comments to an email address to be read out loud during meetings. The meeting minutes are posted to our district website for public consumption usually within two business days.

Rationale: Board members have requested research into the possibility of having members of the public participate by viewing the Zoom video or having access to a recording of the Zoom video after the meeting.

Funding: Various depending on options chosen.

Recommendation: Virtual board meetings during COVID-19 (short-term)

Board Meeting Options (Regarding Covid Stay at Home Modified Meetings)

1. No changes. Use Zoom Webinar with the public being able to call in to listen, post minutes to our website after the meeting, record audio to use as a reference to ensure minutes are correct but do not post the audio recording to the website.
2. Use Zoom Webinar with the public being able to call in to listen, post minutes to our website after the meeting, record audio to use as a reference to ensure minutes are correct and post the audio recording to the website. (No additional cost, minimal staff time)
3. Use Zoom Webinar with the public being able to call in to listen, post minutes to our website after the meeting, record audio to use as a reference to ensure minutes are correct and post the audio recording to the website. Also record the Zoom video and post the video to Youtube and rely on the Youtube Closed Captioning system. We would want to add disclaimers to the video that the closed captioning are not reflecting the official record as Youtube is not 100% accurate. (No additional cost, two hours additional staff time per meeting)
4. The same as number three, but pay for a closed captioning service to ensure accuracy, and post the video with accurate closed captioning on Youtube within three days of the meeting. (Additional \$20,000 per year ongoing for closed captioning services, potential additional five hours per meeting of staff time to edit video to add closed captioning)

SUBJECT: **BOARD MEETING DISTRIBUTION OPTION BEYOND COVID-19 (LONG-TERM)**

Background: Fullerton School District board meetings (when held in the Board Room and not under stay at home orders) are audio recorded for accuracy of minutes. The general public has the opportunity to come to the board room to participate and view the board proceedings. Minutes are then posted to the district website in the days following the board meeting.

Rationale: Board members have requested research into the possibility of having meetings video-taped for later posting or even live-streamed onto the Internet for public consumption.

Funding: Various depending on options chosen.

Recommendation: Board meeting distribution option beyond COVID-19 (long-term).

FULLERTON SCHOOL DISTRICT

RESOLUTION #19/20-22

Supporting the Schools and Local Communities Funding Act of 2020

Whereas, for four decades, school districts in California have experienced underinvestment and devastating cuts causing California's school funding to fall behind and resulting in fewer services and resources for students and teachers;

Whereas, the lack of adequate local funding is the result of an inequitable tax system in which corporations and wealthy investors do not pay their fair share in property taxes;

Whereas, loopholes in California's property tax system allows a fraction of major commercial and industrial properties to avoid regular reassessment and use shady schemes to hide change in ownership;

Whereas, these loopholes and tax schemes result in millions of dollars going to corporations and wealthy investors rather than to schools and local communities for essential services;

Whereas, experts estimate that the *California Schools and Local Communities Funding Act* reclaims \$12 billion in property tax revenue every year to ensure that our schools and communities have the resources to educate all of our kids and the services to support all of our families;

Whereas the *California Schools and Local Communities Funding Act* does not affect property taxes for homeowners or renters because the initiative exempts all residential property;

Whereas, academic researchers at the University of Southern California (USC) have identified that the vast majority of the reclaimed revenue will come from just a fraction of large properties;

Whereas, California schools are falling behind, ranking lowest in the nation with the largest number of students per teacher and the fewest counselors per student;

Whereas, per-pupil funding has declined from the top 10 in the nation to 41st;

Whereas, the top-ranked state spends \$10,259 more per-pupil to educate their children than California spends;

Whereas, the measure invests up to \$4 billion annually for K-14 schools to ensure that our kids receive the world-class education they deserve;

Whereas, California should be a leader in innovation by educating the next generation of students to compete in the global economy;

Whereas, the *California Schools and Local Communities Funding Act* guarantees funding to all school districts, over and above Proposition 98 funding, and following the local control funding formula to all students in need in all districts;

Whereas, the measure also provides billions in funding yearly for cities, counties, and special districts in locally controlled revenues for affordable housing, parks, libraries, emergency responders, health and human services, libraries, public infrastructure, and much more;

Whereas, the measure incentivizes the development of residential units and provides more funding for communities to invest in affordable housing;

Whereas, the measure provides new tax incentives to spur new investment in small businesses by eliminating the business personal property tax on equipment for California's small businesses;

Whereas, the measure also exempts all small business owners whose property is worth \$3 million or less;

Whereas, the measure levels the playing field for businesses that already pay their fair share in our communities;

Therefore, be it Resolved, that the **Fullerton School District** endorses the *California Schools and Local Communities Funding Act of 2020*

Dear RUSD Family,

Riverside Unified School District (RUSD) recognizes that our community is hurting from the senseless murders and racism that is permeating the nation. While our community as a whole was already in crisis dealing with the effects of the current COVID-19 pandemic, our Black and Latino communities have been disproportionately impacted.

The recent unconscionable and tragic murders of African-American men, George Floyd, pinned down on his neck by police officers and Ahmaud Arbery, an unarmed man jogging near his home in Georgia, are examples of the racism and injustice that still exist in our country. In RUSD, we realize that when something like this happens, wherever it happens, it impacts our community and our relationships. In the words of Ida B. Wells-Barnett, "The way to right wrongs is to turn the light of truth upon them."

RUSD is a district that is committed to equity, diversity and inclusion. We believe equity is accomplished when access is based on need, and every student is provided with what they individually require to learn and succeed to fulfill their academic and social advancement. We stand firm on ensuring equitable and inclusive policies and practices. We are committed to holding each other responsible for respectful conduct and treatment of one another.

All RUSD families deserve to raise their children in a community and world that is free of racism, discrimination and violence. We will be an even stronger community by working together, with purpose, empathy and respect united in our vision for our students.

Superintendent Sample Letter (Date to be added)

Dear Fullerton School District Community,

I am among the millions of Americans who find the unjust murders of George Floyd, Ahmaud Arbery, and others abhorrent. These deaths are a stark reminder that racism continues to propagate through our institutions and in our communities. While racial and violence led to these senseless and tragic deaths of these people, the indifference of institutions and the silence of good people to speak out against the destructive impact of racism continues to perpetuate the pattern of injustice that robs people of color from basic human rights.

Fullerton School District is fortunate to have a long-standing, strong relationship with our Fullerton Police Department (FPD). Based on our experience, we have been fortunate that in our most difficult times, FPD have protected our district during earthquakes and fires. They have helped us during COVID-19 with food box distributions and mentored our students in our various programs. My father is a retired police officer who volunteered countless hours as a mentor for youth in the inner city through the D.A.R.E Program. I am very proud of the work he did with youth of color often times taking inner city children fishing and leading other activities with children. When I see the work that FPD does mentoring our students, I remember how proud I was of my father for his work and feel gratitude for the officers in our Fullerton community who continue this important work with our students. We will do everything to make sure the district maintains a strong relationship with FPD while also promoting community officers who continue this tradition of mentoring. We commend them, and all our first responders in Fullerton and throughout the nation, who each day protect our children, families and community.

Unfortunately, George Floyd's 6-year-old daughter, Gianna, did not receive the same protection. The justice system failed to protect George Floyd, his daughter Gianna, his family and his community. We are reminded that different people, different communities and even different individuals within communities receive contrasting justice or injustice because of racism and bigotry. Our voices need to be heard so that the silence of institutions is not mistaken for tacit approval.

While the justice systems have perpetuated inequities for many people of color, our Nation's educational system has had its own history of stark inequality that has perpetuated racism, poverty and injustice. In the Fullerton School District, we are committed to continuing the examination of our own practices. We want to affirm that the children, staff and parents from our Black community and other communities of color, are safe at school and free from racism and discrimination. We will raise our voices and act when we see racial injustice. We will take action to expand our Rising Stars program in which we provide mentorship and support for our at-risk-students and at risk students of color. We will continue to work together with our Partnership between Administration and Labor (PAL)'s, Parent Teacher Association (PTA), District English Language Advisory Committee (DELAC), and our other parent and community

advisory/input groups to listen, plan, and act; taking action steps based on the voices within our Fullerton School community. Our community is better when we are united and we stand together with a common vision. As we move forward towards greater equality, we as an FSD community will do this together by supporting and caring for each other and ensuring the needs of all our children are met. It is crucial that we achieve racial equality and how we achieve this goal is also important. Our children will be watching us to learn how we collaborate and whether or not we collaborate together with care, kindness and respect. We are committed to working with our community and each other with respect and kindness in order to teach our children that a context of care and love will guide us “until the bright day of justice emerges” (Dr. Martin Luther King).

We invite you, our community, to work together with us towards Dr. Martin Luther King’s dream: “Children will one day live in a nation where they will not be judged by the color of their skin, but by the content of their character.”

Sincerely,

Bob Pletka, Ed.D.

Information from the Board of Trustees

Trustee Berryman- She had an opportunity to swear in Tommy Riminiskey as the new Personnel Commissioner at FSD. She read the following statement: "I have been struggling for days leading up to this particular meeting. The stress of what is happening in the world today has taken a toll on me as it has on so many other people. Our country was just beginning to open up and was hit with yet another blow. This one, ignited millions of people to stand up and make their voices heard. The acts of injustice against Black Americans – including George Floyd, Ahmaud Arbery, and countless others – have created anger, anguish, and deep frustration with the system currently in place. There is a call to action for each and every one of us to do better, to speak up and to be part of the solution. You do not fight racism with racism, the way you fight racism is with solidarity. I am hopeful in our future as I look at the diverse group of people coming together in solidarity to peacefully protest calling attention to racial injustice. I stand by our community of students and families that have been undervalued and treated with such injustice and will advocate for laws and demand justice. It is time to speak in solidarity against racism."

Trustee Thakur- He thanked Jeremy Davis, Assistant Superintendent of Innovation and Instructional Support, for updating the meeting structures. He thanked Dr. Pletka for taking requests and drafting sample letters(s) to the community regarding National events affecting the community. Trustee Thakur thanked everyone who emailed public comments. He is looking forward to discussing the community letter regarding National events affecting the community and the letter of appreciation to Local Control and Accountability Plan (LCAP) committee. He stated that in regards to the Resolution regarding Black Lives Matter, this is the time to take action. Trustee Thakur stated he grew up in Fullerton and has experienced incidents that has affected some outcomes in his life. He would like support for action. He briefly referenced the Mendez vs. Westminster case.

Trustee Meyer – She expressed her appreciation for the entire staff for all they are doing during these difficult times. In particular she thanked teachers and principals for their dedication making end of the year celebrations, such as promotion and retirement caravan celebrations, so special. She read the following statement: "The past events of 2020 have been devastating for me and to all of us. The death of George Floyd tragic and wrong by one officer and three colleagues have betrayed public trust. The entire year personally has been difficult. The

job losses, the homelessness, small businesses failing, classroom instruction, distance learning, unjust deaths, mass protests, riots, violence, Covid deaths, and isolation have been very difficult. I stand against racism and it is time for FSD to re-examine, review, and reform racism. It should never be tolerated. Working together is going to be necessary for stopping any racism. Working together give a cohesive Board. Today more than ever the FSD Board has the important job of education, students, and that is the primary focus. Do better and do the right thing. We have invested so much in PAL. I was part of the first PAL process and have worked hard to maintain the PAL process throughout the District.”

Trustee Sugarman– She stated that her family has been exposed to prejudice including her children. She stated 2020 has been an extremely difficult year including the COVID-19 pandemic. She stated the incident that occurred with George Floyd was terrible and unforgivable. She believes in our Country and believes in the strength of working in unity in our democratic society. Trustee Sugarman shared the importance of mentoring. She acknowledged the retirements of Orba Smith (FSD Teacher) and Sharon Kennedy (Fullerton Observer) and wished them well in their retirement. She thanked Nutrition Services staff for all they have done in serving our children with grab and go meals. The District has served over 475,000 meals since the beginning of the pandemic. She thanked teachers for their love and respect assisting their students through Distance Learning; she thanked the people who shared their thoughts through public comments.

President Vazquez –She mentioned collaboration and the importance of people working together as the nation faces devastating times facing black brothers and sisters. President Vazquez held a moment of silence in memory of Breonna Taylor who was killed at her home. She read an excerpt from Clint Smith.

Information from DELAC, PTA, FETA, CSEA, FESMA- DELAC-

DELAC- Egleth Nuncci- As DELAC, we guard the civil rights of all students, and we support the efforts of the school district to not tolerate any type of discrimination. Thank you to the District for allowing ICNA Relief, to distribute food at Pacific Drive with the collaboration of the Center for Healthy Neighborhoods to our families and community. On June 4, they were able to feed over 1800 families with the support of volunteers and District staff. I would like to personally thank Dr. Pletka for his unconditional support throughout the whole event. Dr. Pletka was personally handing out food to our families. As we move forward, our parent community is anxiously awaiting specific clarification of how our programs will shift, change, and continue in the fall with the various returning scenarios. As you have continued to communicate with the families every Friday, we hope to hear more about this matter throughout the summer. Thank you to Julienne Lee, Sue Albano, and Rossana Fonseca for their continued support of our English Learners and the DELAC committee.

PTA Council – No Report.

FETA –Mark Jacobs- The past week has been overwhelming and heart wrenching. The senseless deaths of George Floyd, Ahmaud Arbery, and many others are revolting. As a parent and teacher who has tried to teach justice and faith in our systems, I lament when I see the ugliness that still exists in our country. It’s been devastating, maddening, and demoralizing. In fact, this entire year has been an emotional rollercoaster with Covid-19, school shutdowns, transitioning to remote learning, job losses, budget cuts, concerns about returning in the Fall, and now the unjust deaths at the hands of our law enforcement, mass protests, curfews, and destructive riots. I watch the news and can’t reconcile all the hurt that is being propagated.

We cry out for the suffering we and our nation are experiencing:

- Pain, suffering, and death because of the COVID-19 pandemic
- Unemployment and homelessness
- Hopelessness, isolation, and depression
- Cultural and political divisions within our nation
- Racial injustice and lack of equality in society, politics, and the marketplace
- Police violence
- Violence and looting that accompanies peaceful protests

On behalf of FETA, please know that we stand to defend those against racism, discrimination, and injustice. The frustration in our country is real, and we demand change. Saying Black Lives Matter isn’t enough: we need to actively show it. With anger and frustration, the “how” is not always clear. The malicious behaviors we have seen by police and rioters are not who we are as Americans. We are better than this. Let’s make change by participating in peaceful protests, participating in our communities, talking to one another in search for understanding, having empathy, listening, taking responsibility for our actions, admitting when we are wrong, asking for forgiveness, offering solutions, running

for office, and voting at the ballot box. Only by working together and being open to hearing difficult truths will we be able to identify and reconcile our differences, repair hurt, and ensure justice for all. As Americans, we know that liberty and justice is for ALL.

FETA will not tolerate racism or discrimination of any type. FETA has a history of working together with our teachers, the Fullerton School District, our parents and community members.

Working collaboratively takes time and is sometimes frustrating. FETA will work with FSD and the community in helping identify, eliminate, and reconcile racism and injustice. In doing this, we can ask questions such as these:

- What does racism look like on an individual level at your school/district?
- What does racism look like on an institutional level at your school/district?
- What is the history of racism in the US....California.....our community?
- How are we working and teaching for Black lives?
- How are we making our classrooms a more racially just space?
- How can we commit to anti-racism in our everyday lives — not just when there is unrest across the country?
- How can we ensure we all have a voice?

Our country, our communities have endured depressions, attacks, wars, pandemics, injustices, and inequities, and everytime we come together as one, with solutions in hand, our country, our communities become better. America has, is, and will constantly renew and improve itself. Remembering this is reassuring, however this is not a time for us to look away, but to confront racism for the sake of a fair, just, and equitable future for all students .

CSEA – Marleen Acosta- It is amazing how a virus in China would end up affecting us directly here at home. We had our world and way of life turned upside down. The students went to distance learning and many of the staff began distance working-from home. I would like to personally express my gratitude to all employees of the Fullerton School District who continued to work to keep FSD running, supporting our staff, students, and communities. I am proud of the classified employees who were the most extraordinary workers, helping provide food each day to ensure our students did not go hungry.

This year, we were not able to celebrate many milestones with each other. Birthdays, anniversaries, baby showers, weddings and graduations were cancelled. Other casualties included our association End of the Year banquets and conferences. I would like to congratulate all of the classified employees who earned recognition for years of service this year. It is a true accomplishment to make it to the very first five year mark, and every increment after that. To our retirees, I wish you well as you step out into the freedom of retirement.

This year may have ended differently than any other year, but the lessons we learned will become tools in our toolbox. We were able to weather the storm because we worked together and had the technology to allow us to connect with each other. Together we will face what lies ahead, adapting as we must. Take time to recharge this summer, you have earned it. Thank you.

The Wilson W. Phelps Foundation is proud to be able to grant funding requests to 5 Elementary Schools this year for the total amount of \$93,769. This year, we are thrilled to be able to support Fern, Maple, Orangethorpe and Sunset Lane as well as Nicolas Jr High in their outstanding efforts to educate Fullerton children.

We want to thank all the schools that took the time to write requests; it is incredibly exciting to see what innovative, creative, and hardworking people make up this district.

My grandfather; Wilson Phelps set up this foundation to impact the community where he raised his family. Now 3 generations of our family have grown up in Fullerton and been impacted by the Fullerton schools including my mom, Louise Phelps Shamblen teaching at Hermosa Dr. So, I am incredibly proud to be able to say that with this funding the Phelps Foundation has now been able to grant \$2,4780,238.00 to FESD classrooms. Agenda item #2f addressed at this time.

2f. Resolution #19/20-21 Proclaiming that Black Lives Matter.

The Board held discussion regarding Resolution #19/20-21 Proclaiming that Black Lives Matter. President Vazquez stated Black lives matter and that she would like FSD to join other District's around the nation to that state Black lives matter. President Vazquez made a motion, seconded by Aaruni Thakur to adopt Resolution #19/20-21 and opened the Resolution for discussion and make revisions. Trustee Berryman made the following statement: "I spoke earlier of solidarity. I am extremely disappointed with the process of which both of the resolutions came to us tonight. I will speak on this one now. Solidarity means to come together, to be cohesive, to display camaraderie and unity. In a time like today, I am saddened that I do not feel that is happening with this governing board. As a board, we have always tried to work as a team to fulfill our responsibilities. We governed as a board and not as individual trustees. While understanding our role, we work together to make decisions best meet the needs of our students and our district. We have had a long standing relationship with our teachers and I have always respected their positions and their input to do what is best for our kids. We have a PAL collaboration and have worked very hard to include them on the vision of our district. For years, I have asked that resolutions not be brought to the board unless we have had time to discuss them as an issue, collaborate on the vision and come together as a body before proposing an actual resolution. This is not something new. I am extremely disappointed that before us today, we have 2 resolutions that were shared with hundreds of people before coming to this board for ANY input. This is wrong and I am extremely frustrated with how this happened. At a time where we could have come together in solidarity to learn from one another, listen to each other and to feel good about moving forward with a plan to help our students, instead feel emotionally spent and extremely manipulated. This is not how we should be operating as a Board. Trust is the result of understanding and respect, not always agreement." Trustee Berryman stated this is a time we learn from each other and stated she would of liked to have more time to review the Resolution sample and include the teachers/staff in conversation. She would like to acknowledge more time to acknowledge Black Lives instead of just 1-2 weeks. Trustee Berryman shared she is part of the Fullerton Collaborative Board and they are having conversations that affect the community.

Trustee Meyer shared her sentiments regarding the need for change, diversity, and equity and it has to be done correctly. She commented the importance of bringing stakeholders (staff and administrators) together to receive their feedback regarding an important topic that relates to changes that may affect curriculum. Trustee Meyer stated actions speak more than words. Trustee Sugarman stated her concerns that Resolutions that the Board adopt needs to be reviewed taking into consideration all stakeholders and listening to the voices of everyone. She stated of previous injustices she and her family have experienced. Trustee Sugarman made reference to several public comments that were received for the Board Meeting. Trustee stated it is important to create a proclamation/document on behalf of all stakeholders that represents the voices of people from all color and creating this document together. Trustee Sugarman suggesting tabling the Resolution to create a stronger Resolution with a complete plan.

Trustee Sugarman made a motion to create a committee (focus group) to address issues that affect people of color including black lives. President Vazquez spoke about placing items on the agenda and Brown Act. President Vazquez stated that black brothers and sisters be kept in the for front. President Vazquez referenced two student testimonials.

President Vazquez made a revised motion to include suggested revisions that include: creating a committee with stakeholders to discuss and revising dates on the Resolution. Trustee Thakur seconded the revised motion.

Trustee Berryman stated she is supportive of racial equality and would like for the Resolution to be more inclusive of all races and add more to the Resolution that includes the sentiments of everyone. Trustee Thakur stated Black Lives matter. Trustee Berryman suggested addressing the letter to the community affecting the community is a top priority followed by a discussion/approval of a Resolution. Trustee Berryman stated this Resolution is important but would like to see the Resolution be as strong and better written. Trustee Sugarman referenced a quote from Martin Luther King, Jr. Trustee Thakur commented he would like to revise the first paragraph of the Resolution to state... "we encourage district-wide participation in the national Black Lives Matter At School Week during Black History month and another week to be determined by the Superintendent."

Trustee Meyer made an alternate motion to table the Resolution for Black Lives Matter and write a letter addressing racial equality; trustee Sugarman seconded the motion. No roll call was taken on this motion.

The Board recessed at 11:05 p.m. and resumed Open Session at 11:11 p.m. Dr. Chad Hammitt reported that legal counsel advised that the Board considers the most recent motion first and if it fails it goes back to the original motion.

President Vazquez made an alternate revised motion to table the Black Lives Matter Resolution to the June 23, 2020, Board Meeting. Trustee Thakur made an alternate motion to "continue" the discussion of the Black Lives Matter Resolution to the June 23rd Board Meeting with Board revisions sent to the Superintendent's Office and President Vazquez seconded the motion. Roll Call was taken and approved 4-1 to continue the discussion/action to June 23rd. Roll call was taken and approved 4-1 (Trustee Berryman yes, Trustee Sugarman yes, Trustee Thakur yes, President Vazquez yes, and Trustee Meyer opposed.)

Trustee Berryman made a motion, seconded by Trustee Meyer, to address #2a, #2b, and #2h at the June 9th Board Meeting and move items #2c, #2d, #2e, #2g, and #2i to the June 23rd Board meeting. Roll Call was taken and motion approved 5-0.

2h. Letter to the community regarding National events affecting the community.

Dr. Pletka thanked the staff and community members who emailed or spoke to him about their opinions and feelings concerning the national events affecting our community and our nation. Dr. Pletka stated dialogue is important and listening to the voices of others is critical. He stated that it is important for the Board to discuss and approve a letter that address the concerns of many people. Dr. Pletka stated the voice of the Board is important and urged the Board for their support and add any language the Board feels is important to the letter.

It was then moved by Trustee Berryman, seconded by Trustee Sugarman, to send the letter on behalf of the Board of Trustees. Trustee Sugarman stated it is important to hear the voice of black people in our community

and all people of color. Trustee Meyer stated she would like to add a piece to the letter that Black lives matter; Trustee Thakur stated the importance of standing in solidarity with black brothers and sisters and believe that Black lives matter. The Board discussed and agreed to add the following statement (taken from the Black Lives Resolution) at the end of the letter: The Fullerton School District Board of Trustees declares that the lives of our black students matter, the lives of our black families matter, the lives of our black teachers and staff members matter, and that all black lives matter.

CONSENT ITEM

DATE: June 23, 2020
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts, which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

SUBJECT: **APPROVE MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN FULLERTON SCHOOL DISTRICT AND BIG BROTHERS BIG SISTERS FOR RAYMOND AND ORANGETHORPE SCHOOLS EFFECTIVE SEPTEMBER 1, 2020 THROUGH MAY 28, 2021**

Background: This will be Raymond School's third year and Orangethorpe School's fourth year participating in this program. Both sites are requesting continued participation for the 2020/2021 school year. To offset these outside variables, Big Brothers Big Sisters offers successful, screened, and matched high school students to mentor and inspire our at-risk youth. The 20 students selected will be between the ages of 6-11 and will be carefully matched. These mentor/mentee relationships will allow Raymond and Orangethorpe students to develop a professionally supported, one-to-one relationship that can change their lives for the better.

Rationale: This MOU will allow 20 at-risk students at Raymond and Orangethorpe Schools to participate in a one-to-one mentoring program with a carefully matched, screened, and monitored high school student via the Big Brothers Big Sisters program.

Funding: Services are provided to the District at no cost.

Recommendation: Approve Memorandum of Understanding (MOU) between Fullerton School District and Big Brothers Big Sisters for Raymond and Orangethorpe Schools effective September 1, 2020 through May 28, 2021.

Subject: ASCIP Premium Estimation
To: Laurie Bruneau <laurie_bruneau@myfsd.org>
Cc: Deborah Nobles <Nobles@ascip.org>

Hi Laurie,

Per our discussion earlier, the estimated premium for the property and liability program for 2020-21 is approximately \$900,000. This is based on the following factors:

1) The estimate is based on the exposure data from 2019/2020, which includes ADA, number of vehicles, and property total insurable values. Therefore, the estimate will fluctuate based on any changes to the exposure data for 2020/2021.

2) The estimate includes the premium for SELF.

a. SELF is a separate JPA that determines its own rates independent from ASCIP.

b. SELF is the district's excess layer of liability coverage from \$5mm - \$55mm.

On a side note, SELF has announced a new program in response to AB 218. An announcement was sent to all SELF members, and the announcement is attached to this email for your information. SELF is reaching out to members directly, and ASCIP's understanding is that SELF will be issuing invoices for the additional funding directly to members; ASCIP will not be involved. ASCIP recommends contacting SELF directly should you have questions about budgeting for future invoices.

We hope this helps. Please do not hesitate to contact us should you have any questions or wish to discuss further.

Regards,

Reshan

SUBJECT: APPROVE AGREEMENT WITH LEVEL DATA TO PROVIDE A TWO-WAY SYSTEM FROM THE NUTRITION SERVICES (ETRITION) SOFTWARE TO THE STUDENT INFORMATION SYSTEM (POWERSCHOOL) AND STATE DATA VALIDATION SUITE, EFFECTIVE JULY 1, 2020 THROUGH JUNE 30, 2021

Background: The District receives thousands of lunch applications every year. The lunch status (free, reduced, or paid) is manually entered into software that uploads for State funding. There is risk with this, as there can be more errors which result in less funding and incorrectly reporting student information.

On January 14, 2020, the Board also approved an add-on for State Data Validation Suite which provides data errors in real time through various validations (demographics). It is imperative that this information is correct as it is reported to California Longitudinal Pupil Achievement Data System (CALPADS).

Rationale: District staff recommends entering into an agreement with Level Data to provide software for the two systems to communicate with each other and state data validation. Using these tools will ensure data accuracy from the beginning when a student record is created, greatly reducing or eliminating data errors at reporting time.

Funding: The amount not to exceed \$35,964.06, of which, \$13,539.00 will be paid from the Innovation and Instructional Support budget (409) and \$22,425.06 will be paid from the General Fund.

Recommendation: Approve agreement with Level Data to provide a two-way system from the Nutrition Services (eTriton) software to the student information system (PowerSchool) and state data validation suite, effective July 1, 2020 through June 30, 2021.

The Receiving Party agrees to cooperate with the Disclosing Party in seeking such order or other remedy. The Receiving Party further agrees that if the Disclosing Party is not successful in precluding the requesting legal body from requiring the disclosure of the Confidential Information, it will furnish only that portion of the Confidential Information which is legally required (based on the advice of counsel) and will exercise all reasonable efforts to obtain reliable assurances that confidential treatment will be afforded the Confidential Information. Further, any information obtained by monitoring, reviewing, or recording is subject to review by law enforcement organizations in connection with investigation or prosecution of possible criminal or unlawful activity on the Service as well as to disclosures required by or under applicable law or related government agency actions. FROM: Jeremy Davis, Assistant Superintendent, Innovation and Instructional Support
SUBJECT: **APPROVE CONTRACT BETWEEN THE FULLERTON SCHOOL DISTRICT AND CERTICA SOLUTIONS, INC. FOR THE 2020-2021 SCHOOL YEAR**

Background: The District is in the process of being awarded a grant from the Michael and Susan Dell Foundation in the amount of \$240,000.00. This grant is being awarded for the purchase of a data dashboard solution and an Ed-Fi integration. Ed-Fi is a data interoperability platform that will allow our most important student data systems to communicate with each other through a standardized database that will make data visualizations much easier for all administrators. Certica Solutions is the vendor chosen to provide the dashboard analytics and the Ed-Fi implementation.

Rationale: Data visualizations and data dashboards can be utilized for just-in-time student supports and interventions. They can also be used to compare educational outcomes for students who are engaged in programs like Thrively vs students who are not as engaged. The District wants to be able to visualize many data points for students in order to intervene in chronic absenteeism, low assessment scores, and other factors where intervention could lead to great whole-child results as well as increased assessment results.

Funding: Total cost is not to exceed \$61,200 and will be paid from the Innovation and Instructional Support budget 409.

Recommendation: Approve contract between the Fullerton School District and Certica Solutions, Inc. for the 2020-2021 school year.

¹ When the QTY represents student count, it has been determined using the official enrollment most recently published by the state education agency in the Customer’s state. However, because Fullerton School District anticipates a significant decline in enrollment counts for the 2020-21 school year due to the COVID-19 health crisis, Certica has agreed to use the enrollment number of 12,400 students, which is Fullerton’s best estimate for its enrollment count for the coming school year. In November 2020, Certica will request a copy of the October 2020 Census Day enrollment count that the district has submitted to CALPADS for Fall 1 reporting. If Fullerton School District’s Census Day enrollment is higher than 12,400 students, Certica will invoice Fullerton School District for the difference between the Census Day enrollment count and the 12,400 students, multiplied times \$3.00/student. If the Census Day enrollment is lower than 12,400 students, Certica will apply a credit to the Fullerton School District Videri license renewal for the next annual licensing period, in the amount of the difference in enrollment count multiplied times \$3.00/student. Certica cannot issue a cash refund for any overpayment.

² Provisioning for this license includes one on-site Train-the-Trainer session for up to 15 participants and unlimited remote webinar Train-the-Trainer sessions. Provisioning also includes data integration for Ed-Fi-enabled source systems and data loading for CAASPP, ELPAC, i-Ready, AP, PSAT, SAT, Fountas & Pinnell and DIBELS assessment scores from district flat files. Provisioning also includes loading data files mapped by the district to Videri’s Ed-Fi-compliant data loaders for source systems not currently Ed-Fi compliant and standardized assessments not listed above; Certica will also provide this as an additional quoted service, if desired.

³ Quote allows for four additional training sessions (two running concurrently each day, over two days) with a maximum of 15 trainees per session.

The Parties agree that as between them, all rights, including all intellectual property rights in and to Student Data contemplated per the Service Agreement shall remain the exclusive property of the LEA. For the purposes of FERPA, the Provider shall be considered a School Official, under the control and direction of the LEAs as it pertains to the use of Student Data notwithstanding the above. Provider shall not copy, reproduce or transmit any data obtained under the Service Agreement and/or any portion thereof, except as necessary to fulfill the Service Agreement.

5. Disposition of Data. Upon written request and in accordance with the applicable terms in subsection a or b, below, Provider shall dispose or delete all Student Data obtained under the Service Agreement when it is no longer needed for the purpose for which it was obtained. Disposition shall include (1) the shredding of any hard copies of any Student Data; (2) Erasing; or (3) Otherwise modifying the personal information in those records to make it unreadable or indecipherable by human or digital means. De-Identifiable Information (DII): De-Identification refers to the process by which the Vendor removes or obscures any Personally Identifiable Information (“PII”) from student records in a way that removes or minimizes the risk of disclosure of the identity of the individual and information about them.

Educational Records: Educational Records are official records, files and data directly related to a student and maintained by the school or local education agency, including but not limited to, records encompassing all the material kept in the student’s cumulative folder, such as general identifying data, records of attendance and of academic work completed, records of achievement, and results of evaluative tests, health data, disciplinary status, test protocols and individualized education programs. For purposes of this DPA, Educational Records are referred to as Student Data.

NIST: Draft National Institute of Standards and Technology (“NIST”) Special Publication Digital Authentication Guideline.

Operator: The term “Operator” means the operator of an Internet Website, online service, online application, or mobile application with actual knowledge that the site, service, or application is used primarily for K–12 school purposes and was designed and marketed for K–12 school purposes. For the purpose of the Service Agreement, the term “Operator” is replaced by the term “Provider.” This term shall encompass the term “Third Party,” as it is found in applicable state statutes.

Personally Identifiable Information (PII): The terms “Personally Identifiable Information” or “PII” shall include, but are not limited to, student data, metadata, and user or pupil-generated content obtained by reason of the use of Provider’s software, website, service, or app, including mobile apps, whether gathered by Provider or provided by LEA or its users, students, or students’ parents/guardians. PII includes Indirect Identifiers, which is any information that, either alone or in aggregate, would allow a reasonable person to be able to identify a student to a reasonable certainty. For purposes of this DPA, Personally Identifiable Information shall include the categories of information listed in the definition of Student Data.

Provider: For purposes of the Service Agreement, the term “Provider” means provider of digital educational software or services, including cloud-based services, for the digital storage, management, and retrieval of pupil records. Within the DPA the term “Provider” includes the term “Third Party” and the term “Operator” as used in applicable state statutes.

Pupil Generated Content: The term “pupil-generated content” means materials or content created by a pupil during and for the purpose of education including, but not limited to, essays, research reports, portfolios, creative writing, music or other audio files, photographs, videos, and account information that enables ongoing ownership of pupil content.

Pupil Records: Means both of the following: (1) Any information that directly relates to a pupil that is maintained by LEA and (2) any information acquired directly from the pupil through the use of instructional software or applications assigned to the pupil by a teacher or other LEA employee. For the purposes of this Agreement, Pupil Records shall be the same as Educational Records, Student Personal Information and Covered Information, all of which are deemed Student Data for the purposes of this Agreement.

Service Agreement: Refers to the Contract or Purchase Order to which this DPA supplements and modifies.

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Jeremy Davis, Assistant Superintendent, Innovation and Instructional Support

SUBJECT: **APPROVE CONTRACT BETWEEN THE FULLERTON SCHOOL DISTRICT AND BRIGHTBYTES INC. FOR THE 2020-2021 SCHOOL YEAR**

Background: We have been awarded a grant from the Michael and Susan Dell foundation to create data dashboards for our district. We have wanted Data Dashboards that would bring together data from our Student Information Systems, our Assessment systems, and other data points that we could correlate to provide whole-child interventions as well as to show the usefulness of various programs in the District.

Rationale: Brightbytes has two data systems that we want to utilize to create data dashboards and data comparisons. One system is a highly respected student/parent/staff survey that covers issues around the Classroom, Safety, Access, and the school and home environment. This data set would allow us to see data down to the student level and then compare that data to assessment scores, absenteeism, and other factors to proactively intervene with students. The second component would allow us to see usage data of apps and websites across our student iPads to be able to compare true app usage to assessment results and to give us data on actual usage of paid programs to ensure they are worth the cost of the program.

Funding: Total cost is not to exceed \$29,000 and will be paid from the Innovation and Instructional Support budget 409.

Recommendation: Approve contract between the Fullerton School District and Brightbytes Inc. for the 2020-2021 school year.

In connection with that agreement, PFMG-Solar, LLC desires easements from Fullerton School District on their 21 owned properties in order to install, construct, own, remove, operate and maintain the systems in furtherance of their obligations under the Solar Energy Power Purchase agreement.

The solar easements would be granted on each of the properties listed in "Exhibit A". A description and map of each of the twenty-one (21) easements is included in the attachment. Adoption of the Resolution #19/20-23 before the Board will result in the dedication of the above referenced solar easements to PFMG-Solar, LLC.

Rationale: The District and community will benefit from the dedication of the solar easements to PFMG-Solar, LLC by allowing them to install, construct, own, remove, operate and maintain the solar energy systems in furtherance of their obligations under the Solar Energy Power Purchase agreement adopted by the Fullerton School District board of trustees on September 25, 2018.

Funding: No fiscal impact to District.

Recommendation: Approve Resolution #19/20-23 of the Board of Trustees of the Fullerton School District authorizing the dedication of 21 solar easements to PFMG-Solar, LLC.

WHEREAS, capitalized terms used but not defined herein (including in the recitals) shall have the respective meanings ascribed to them in the PPA.

NOW THEREFORE, for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the Parties agree as follows:

ARTICLE 1 GRANT OF EASEMENT

Section 1.1 Exclusive Easement Areas. Host hereby grants to Provider, in accordance with the terms and conditions set forth herein, exclusive easements (each an "Exclusive Easement") on, under, over and across the Properties legally described and depicted in Exhibit B (the "Exclusive Easement Areas") for Provider's installation, construction, ownership, removal, operation, maintenance, improvement and replacement of the Systems on the Properties, provided however, that Host shall have the right to enter the Exclusive Easement Areas as described in Section 1.3 below.

Section 1.2 Non-Exclusive Easement Areas. Host hereby grants to Provider non-exclusive easements (each a "Non-Exclusive Easement" and together with the Exclusive Easement, the "Easements") on, under, over and across the general-use areas of the Properties for the purposes described in Exhibit C (the "Non-Exclusive Easement Areas" and together with the Exclusive Easement Areas, the "Easement Areas"), including, but not limited to, for the purpose of access, ingress and egress to facilitate the installation, construction, ownership, removal, operation, maintenance, improvement and replacement of the Systems. Host agrees to maintain all existing improvements owned by Host within the Non-Exclusive Easement Areas, including roads, driveways and walkways located in and around the Properties necessary for proper ingress and egress to and from the Easement Areas. Provider shall observe all speed limits and other rules and regulations established by Host with respect to such roads and driveways existing on the Properties.

Section 1.3 Host Right of Entry. Subject to the terms and conditions of the PPA, Host shall have the right to enter the Exclusive Easement Areas at any time provided that Host does not unreasonably interfere with the installation, construction, ownership, removal, replacement, operation or maintenance of the Systems. Further, subject to the foregoing, where a portion of the Systems consists of carports, Host and its licensees and invitees may use such areas for parking and other activities customarily associated with such type of parking area.

Section 1.4 Properties. Prior to Provider's installation of the Systems, Provider shall have inspected each Property and satisfied itself that each Property is in a condition ready for Provider's installation of the Systems. At any time prior to the installation of the Systems, if the Provider determines, in its sole discretion, that any of the Properties are not in a condition ready for the Provider's installation of the Systems, the Provider shall have the right to terminate this

Easement Agreement as to each nonconforming Property, provided that such termination is consistent with the PPA.

Section 1.5 Quiet Enjoyment. Host covenants and agrees that Provider, provided it remains in compliance with its obligations hereunder, shall lawfully and quietly have, hold, occupy and enjoy the Easement Areas and the appurtenant rights thereto in accordance with the terms hereof through the term of this Easement Agreement free from any claim of any entity or person of superior title thereto, whether by Host or any of its agents, employees, invitees or independent contractors or by any entity, person or persons having or claiming an interest in the Easement Areas.

ARTICLE 2 TERM

The term (the “Term”) of this Easement Agreement, as consistent with the PPA, shall commence on the Effective Date, as set forth above, and shall terminate on the earliest to occur of (i) the twenty-fifth (25th) anniversary of the Commercial Operation Date of the last System of the System Portfolio if Host or Provider or does not exercise its option to extend the term of the PPA, or (ii) the thirtieth (30th) or thirty-fifth (35th) anniversaries of the Commercial Operation Date of the last System of the System Portfolio depending on how many additional five (5) year renewal term(s) are exercised and/or mutually agreed upon by the parties pursuant to the PPA, (ii) the Host’s exercise of the purchase option contained in Section 14.1 of the PPA, (iii) the Early Termination Date (as defined in Sections 1.1 and 9.2 of the PPA), if Host terminates the PPA as a result of a default by Provider pursuant to Section 9.2 thereof and elects to cause Provider to remove the Systems in accordance with Section 9.3(a) of the PPA, or (iv) the termination of the PPA with respect to all or a portion of the Systems in accordance with the terms thereof.

ARTICLE 3 CONSTRUCTION OF SYSTEM

Section 3.1 Construction and Installation. Host hereby consents to the construction and installation of the Systems by Provider on the Easement Areas in accordance with the terms and conditions of the PPA, and Provider agrees to abide by said terms and conditions. Host shall cooperate with Provider and make reasonable attempts to provide information on underground utilities in preparation for installing the Systems. Host is not liable for any damage to underground utilities should Provider damage them while installing the Systems. Host is not liable for unforeseen site conditions.

Section 3.2 Maintenance and Repair of Systems. Provider shall, at Provider’s sole cost, maintain, clean, repair, replace and dispose of part or all of the Systems on the Easement Areas in accordance with the terms and conditions of the PPA.,. Provider shall provide Host with approved plans and specifications for installation prior to commencement of work to install the Systems on the Properties.

Section 3.3 Maintain Exclusive Easement Areas. Subject to Provider's obligations to maintain and repair the Systems under Section 3.2 hereof, Host shall maintain the Exclusive Easement Areas in neat, clean and good order and condition. Host shall trim or cause to be trimmed any shrubbery, trees or other growth on the Properties or under its control that would interfere with any System insulation; and if Host does not perform such obligation upon ten (10) days written notice to Host, Provider shall have the right to perform such services at Host's expense and/or pursue damages for any such shading that results in decreased System performance or production, as may be consistent with the PPA. Subject to the PPA, Host shall not make any alterations or repairs to the Systems without Provider's prior written consent. Host shall be responsible for all damage to the System caused by Host or its contractors.

Section 3.4 Entry Requirements. Provider shall comply with the following requirements prior to entry onto the Easement Areas in connection with the construction, ownership, removal, installation, operation and maintenance of the Systems. Provider shall:

(a) except in cases of emergency, provide 48 hours' prior written notice to the appropriate school site administrator and to the school district liaison, whose names and contact information shall be provided to Provider, before any entry onto any Property by Provider's employees, agents or contractors;

(b) perform all construction, installation, operation and maintenance work in connection with the Systems in a safe manner;

(c) not permit any hazardous condition to remain on the Easement Areas;

(d) not bring or permit to be brought any Hazardous Material (as defined below) in violation of applicable federal, state or local law, onto the Easement Areas;

(e) repair any damage or disturbance to the Easement Areas caused by Provider;

(f) keep the Easement Areas free and clear of all mechanics' and materialmen's liens arising out of Provider's activities (provided that if any such lien is filed, Provider shall have the right to contest the same so long as Provider provides a bond for the amount of such lien);

(g) procure and maintain, or use contractors who maintain, during all periods of entry pursuant to this section, general liability and property damage insurance with a combined single limit per occurrence of \$1,000,000, and naming Host as additional insured; and

(h) obtain and maintain, and cause each contractor and subcontractor performing construction, installation, operation or maintenance work in the Easement Areas to obtain and maintain Worker's Compensation insurance as required by law. Provider shall deliver to Host a certificate evidencing such insurance.

Section 3.5 Storage. Host shall use commercially reasonable efforts to locate a site in close proximity to the Easement Areas for the storage and assemblage of materials to construct, erect and install the Systems.

Section 3.6 Construction Parking. Host does not guarantee space for parking of construction crew vehicles and temporary construction trailers, but will cooperate with Provider in locating parking close to each Property.

Section 3.7 Removal of Materials. Upon completion of construction of the Systems, Provider shall remove all remaining materials from the sites and shall restore the sites as nearly as is reasonably possible to the condition in which it existed immediately prior to the commencement of such activity. Any light poles or related structures removed by Provider from the Properties in connection with the construction of the Systems shall be returned to Host upon completion of construction of the Systems.

ARTICLE 4 REPRESENTATIONS AND WARRANTIES, COVENANTS OF HOST

Section 4.1 Authorization; Enforceability. The execution and delivery by Host of, and the performance of its obligations under, this Easement Agreement have been duly authorized by all necessary action, do not and will not require any further consent or approval of any other person, and do not contravene any provision of, or constitute a default under, any indenture, mortgage or other material agreement binding on Host or any valid order of any court, or regulatory agency or other body having authority to which Host is subject. This Easement Agreement constitutes a legal and valid obligation of Host, enforceable against Host in accordance with its terms, except as may be limited by bankruptcy, reorganization, insolvency, bank moratorium or laws relating to or affecting creditors' rights generally and general principles of equity whether such enforceability is considered in a proceeding in equity or at law.

Section 4.2 Host's Interest in Property. Host represents, warrants and covenants that Host has lawful title to the Properties and that throughout the Term of this Easement Agreement, provided that no default by Provider has occurred and continues beyond the expiration of applicable notice and cure periods, Provider shall enjoy quiet and peaceful use and enjoyment of the Easement Areas pursuant to the Easements granted herein, free from any claim of any entity or person of superior title thereto without hindrance to or interference with or molestation of Provider's quiet enjoyment thereof, and neither Host nor any person claiming by, through or under Host shall disturb Provider's quiet and peaceful use and enjoyment of the Easement Areas pursuant to the Easements granted herein. Host further represents and warrants that Host is formerly known as or is successor-in-interest to Fullerton School District of Orange County, Fullerton School District of Orange County, California, Orangethorpe School District of Los Angeles, and Orangethorpe School District of Orange County.

(a) Host shall not sell, lease, assign, mortgage, pledge or otherwise alienate or encumber the Properties unless Host has given Provider at least fifteen (15) days' prior written notice thereof, which notice shall identify the transferee, the Property or Properties to be so transferred and the proposed date of transfer. In furtherance of the foregoing, Host agrees that it

shall cause any purchaser, lessee, assignee, mortgagee, pledgee or other party to whom a lien or other security interest in the Property or Properties has been or may be granted (individually, each a “third party”) to execute and deliver to Provider a non-disturbance agreement (“SNDA”), in recordable form approved by Provider (such approval not to be unreasonably withheld by Provider), and as described below.

(b) Such SNDA shall (i) acknowledge and consent to the Provider’s rights in the applicable Property, (ii) acknowledge that the third party has no interest in the Systems or Easements and shall not gain any interest in the Systems or Easements by virtue of the Parties’ performance or breach of this Easement Agreement, (iii) if applicable, subordinate such third party’s interest in the applicable Property to the Easements and this Easement Agreement, (iv) acknowledge that Provider’s rights in the applicable Property granted hereunder shall run with such Property throughout the Term of this Easement Agreement, notwithstanding any sale, lease, transfer, assignment, mortgage, pledge or other alienation or encumbrance by such third party of such Property and (v) provide that so long as Provider is not in default under this Easement Agreement beyond the expiration of any applicable grace or cure period provided for hereunder, Provider’s right of peaceable and quiet use and enjoyment of such Property pursuant to the Easements herein granted by Host shall not be disturbed by such third party.

(c) The execution, delivery and performance of this Easement Agreement by Host will not result in a breach of, default under or violation of any applicable law, ordinance, rule or other governmental restriction, or the provisions of any lease, contract, agreement, easement, covenant, condition, restriction other encumbrance by which it or the Properties are bound, as the case may be (including, without limitation, all recorded and unrecorded easements, rights of way, reservations, covenants, conditions, and restrictions affecting the Properties). There are no easements, rights of way, reservations, covenants, conditions, and restrictions or other encumbrances affecting the Properties as of the Effective Date which would adversely affect or materially impair Provider’s rights to construct, own, operate and maintain the System on the Easement Areas and to perform its obligations under this Easement Agreement and the PPA.

Section 4.3 No Interference With and Protection of Systems.

(a) Host represents and warrants to Provider that there are no circumstances known to Host or commitments to third parties that may damage, impair or otherwise adversely affect the Systems or their construction, installation, or function (including activities that may adversely affect Insolation, as defined below). Host will not initiate, conduct or, to the extent reasonably possible, permit activities on, in or about the Properties that have a reasonable likelihood of causing damage, impairment or otherwise adversely affecting the Systems Host shall not interfere with or handle any Provider equipment (including wireless/cellular internet connectivity equipment) or the Systems without written authorization from Provider; provided, however, that Host shall at all times have access to and the right to observe the construction and installation work or Systems removal. Host shall continue its standard security measures for the Properties, which may not be sufficient for protection of damage or losses to the Systems caused by criminal acts of third parties. Host shall not be liable for such damage or losses. Provider shall at Provider’s cost obtain insurance coverage to the extent Provider desires protection against such criminal acts.

(b) Provider shall, in its sole discretion and at its sole cost and expense, have the right to install security cameras on the Properties for monitoring and protection of the Systems and communication lines for such security cameras. If Provider elects to install such security cameras, then Provider shall be responsible for the costs of any maintenance of such security cameras and related equipment, and at the expiration or earlier termination of the Term, upon Host's request, Provider shall remove the security cameras. If Host requests that the security cameras remain on the Properties, right, title and interest to such security cameras shall be transferred to Host at no extra cost. In the event that Host has an existing security system and requests that Provider install additional security cameras on the Properties, then Provider, in its sole discretion, may comply with such request and install additional security cameras at Provider's sole cost and expense. If Provider installs such security cameras at Host's request, then all right, title and interest to such security cameras shall be transferred to Host at no additional cost, and Host shall be responsible for any costs of maintenance of such security cameras and related equipment. To the extent permitted by law, Host shall, at no additional cost to Provider, provide Provider with access to and viewing privileges for any monitoring system and shall share any security information it obtains with respect to the Systems with Provider.

Section 4.4 Maintenance of Properties. Host shall keep areas of the Properties that are under its control neat, clean and in good order and condition. Host shall give Provider prompt notice of any damage to or defective condition in any part or appurtenance of the Properties that is reasonably likely to affect the Systems (including electrical, telephone, internet and water facilities and systems located within or serving the Properties).

Section 4.5 Insolation. Host acknowledges and agrees that access to sunlight ("Insolation") is essential to the value to Provider of this Easement Agreement and is a material inducement to Provider in entering into this Easement Agreement. Accordingly, Host shall take commercially reasonable actions as necessary to prevent any interference with Insolation on and at the Exclusive Easement Areas, specifically in the air space above the Systems. Without limiting the foregoing, Host shall not construct or permit to be constructed any structure on the Properties that could adversely affect Insolation levels or permit the growth of foliage that could adversely affect Insolation levels. Although not obligated to monitor such activity, if Host becomes aware of any potential development or other activity on adjacent or nearby properties that could diminish the Insolation to the Exclusive Easement Areas, Host shall advise Provider of such information and reasonably cooperate with Provider in measures to preserve existing levels of Insolation at the Exclusive Easement Areas. Host reserves the right to use the remainder of the Properties for any legal purpose that does not block or restrict sunlight to the Systems or otherwise interfere with Provider's rights under this Easement Agreement.

Section 4.6 Liens and Encumbrances. Host covenants that it will not cause, create, incur, assume, permit or suffer to exist any liens (including mechanics', labor or materialmen's liens), security interests or other encumbrances on the Properties that will interfere with the Easements and/or Provider's use and operation of the Systems. If any liens, security interests or other encumbrances are created after the Effective Date of this Easement Agreement, Host shall immediately notify Provider in writing and shall promptly cause such liens to be bonded, discharged and released of record without cost to Provider, and shall indemnify Provider against all costs and expenses (including reasonable attorney's fees and court costs at trial and on appeal).

incurred in bonding, discharging and releasing such liens. Host further covenants that with respect to any liens, security interests or other encumbrances to Host's title that may adversely impact the Easements and/or the Systems and that are in effect as of the Effective Date hereof, Host shall cause the party to whom a lien or other security interest in the Property or Properties has been or may be granted to enter into an SNDA as described in Section 4.2(b) above.

ARTICLE 5 REPRESENTATIONS AND WARRANTIES, COVENANTS OF PROVIDER

Section 5.1 Authorization; Enforceability. The execution and delivery by Provider of, and the performance of its obligations under, this Easement Agreement have been duly authorized by all necessary action, do not and will not require any further consent or approval of any other person, and do not contravene any provision of, or constitute a default under, any indenture, mortgage or other material agreement binding on Provider or any valid order of any court, or regulatory agency or other body having authority to which Provider is subject. This Easement Agreement constitutes a legal and valid obligation of Provider, enforceable against Provider in accordance with its terms, except as may be limited by bankruptcy, reorganization, insolvency, bank moratorium or laws relating to or affecting creditors' rights generally and general principles of equity whether such enforceability is considered in a proceeding in equity or at law.

Section 5.2 Compliance with Laws. Provider shall comply with all laws, ordinances, orders, rules and regulations (state, federal or local), including without limitation all environmental and occupational, health and safety requirements relating to Provider's use or occupancy of the Properties and the operation and maintenance of the Systems.

Section 5.3 Maintenance and Repair. Provider shall maintain and repair the Systems in accordance with the requirements of Article 6 of the PPA.

Section 5.4 Insurance. Provider shall maintain insurance for claims arising out of the ownership, use, or maintenance of the Easement Areas in the same amounts required in Section 8.2 of the PPA during the term of this Easement Agreement.

ARTICLE 6 HAZARDOUS MATERIAL; EMERGENCY

Section 6.1 Compliance. During the term of this Easement Agreement, the Parties shall comply with all federal, state and local laws, statutes, ordinances and regulations relating to the receipt, handling, use, storage, transportation, generation, discharge, release and disposal of Hazardous Material (as defined below).

Section 6.2 Notice. Neither Party shall introduce or use any Hazardous Material on, in or under the Properties in violation of any applicable law or regulation. Notwithstanding the foregoing, Provider may keep on or about the Properties quantities of any Hazardous Material used in the ordinary, customary and lawful construction, operation and maintenance of the Systems. If either Party becomes aware of any spillage, discharge, release or disposal of Hazardous Material

onto or within the Properties which by law must be reported to any federal, state or local agency, such Party shall promptly provide telephonic notice to the other Party of the type and location of such materials, and shall promptly confirm telephonic notice in writing.

Section 6.3 Provider Hazardous Material Indemnity. Provider shall be responsible for and shall indemnify, protect, defend and hold harmless Host and Host's employees, officers, agents, contractors and invitees (collectively, the "Host's Parties") from any and all liability, damages, injuries, causes of action, claims, judgments, costs, penalties, fines, losses, and expenses which arise at any time and which result directly from Provider's or Provider's Parties' receipt, handling, use, storage, transportation, generation, discharge, release and disposal of Hazardous Material in violation of any applicable law or regulation, in, on, under or about the Properties (excluding all Hazardous Material existing in, on, under or about the Properties prior to Provider's or Provider's Parties' entry under this Easement Agreement, which shall be the sole responsibility of Host).

Section 6.4 Host Hazardous Material Indemnity. Host shall be responsible for and shall indemnify, protect, defend and hold harmless Provider and Provider's employees, officers, agents, contractors and invitees (collectively, the "Provider's Parties") from any and all liability, damages, injuries, causes of action, claims, judgments, costs, penalties, fines, losses and expenses which arise at any time and which result directly from Host's or Host's Parties' receipt, handling, use, storage, transportation, generation, discharge, release and disposal of Hazardous Material in violation of any applicable law or regulation, in, on, under or about the Properties (including all Hazardous Material existing in, on, under or about the Properties prior to Provider's or Provider's Parties' entry onto the Properties under this Easement Agreement).

Section 6.5 Survive Expiration. Provider's and Host's obligations under this Article 6 shall survive the expiration or earlier termination of this Easement Agreement for a period of one (1) year.

Section 6.6 Definition of Hazardous Material. As used herein, the term "Hazardous Material" means any hazardous or toxic substance, material or waste which is or becomes regulated by any local governmental authority, the State of California or the United States Government. The term "Hazardous Material" includes, without limitation, any material or substance which is (i) petroleum, (ii) asbestos, (iii) designated as a "hazardous substance" pursuant to Section 311 of the Federal Water Pollution Control Act (33 U.S.C. Section 1317), (iv) defined as a "hazardous waste" pursuant to Section 1004 of the Federal Resource Conservation and Recovery Act, 42 U.S.C. Section 6901, et. seq. (42 U.S.C. Section 6903), or (v) defined as a "hazardous substance" pursuant to Section 101 of the Comprehensive Environmental Response Compensation and Liability Act, 42 U.S.C. Section 9601 et. seq. (42 U.S.C. Section 9601).

ARTICLE 7 UTILITIES

The Parties understand and acknowledge that pursuant to the terms of the PPA, Host shall, at no additional cost to Provider, provide Provider with access to certain utilities on the Easement Areas related to the start-up, maintenance, repair, replacement and operation of the Systems. In

connection therewith, Provider's use of the Easement Areas shall include the non-exclusive appurtenant right to the use of water lines, sewer lines, storm water lines, power lines, fuel lines, telephone and communication lines, pipelines, conveyors and drainage ditches or canal systems on, connected to or maintained in connection with the Properties. Host shall have the obligation to maintain and repair all utilities up to the delivery points identified in the PPA, and Provider shall have the obligation to maintain and repair all utilities, including all pipes, conduits, ducts, electric or other utilities, sinks or other apparatus through which any utility services are provided, from said delivery points to and then within the Easement Areas, but only to the extent the same are used by Provider. Host is not required to purchase or install additional utilities pursuant to this Easement Agreement.

ARTICLE 8 EVENT OF DEFAULT; REMEDIES

Section 8.1 Event of Default. An "Event of Default" means, to the extent consistent with the PPA, the occurrence of any of the following: (A) if any representation or warranty of a Party proves at any time to have been incorrect in any material respect when made and is material to the transactions contemplated hereby, and (B) if either Party fails to comply in any material respect with any term, provision or covenant of this Easement Agreement within thirty (30) days after written notice from the non-defaulting party; provided that if such Event of Default cannot be cured within thirty (30) days, then the period to cure such Event of Default shall, subject to the non-defaulting Party's prior written consent, be extended by up to sixty (60) days so long as the defaulting Party diligently pursues reasonable remedial action and such Event of Default is reasonably capable of being remedied within such additional sixty (60)-day cure period.

Section 8.2 Remedies. Upon the occurrence of an Event of Default, after the expiration of any applicable cure periods, the non-defaulting Party shall be entitled to all rights and remedies available under the PPA and Applicable Law, provided that under no circumstance shall Host have any right to terminate this Easement Agreement for such Event of Default, except as provided in the PPA.

ARTICLE 9 PERSONAL PROPERTY

Section 9.1 Ownership. Host and Provider agree that the Systems and all equipment, machinery and appurtenances placed and installed in the Easement Areas by Provider that comprise the Systems shall remain the personal property of Provider, severable from the Properties, and shall not be or become fixtures, notwithstanding the manner in which the Systems are or may be affixed to the real property of Host. Host shall not take any position on any tax return or on any other filings indicating or suggesting that Host is anything other than a purchaser of electricity from the Systems. The Systems and their components may not be sold, leased, assigned, mortgaged, pledged or otherwise alienated or encumbered by Host, with Host's fee or other interest to the Properties. Host shall indemnify Provider against all losses, claims, costs and expenses (including attorneys' fees) incurred by Provider in discharging and releasing any such lien, encumbrance, pledge, levy or attachment arising by, under or through Host.

Section 9.2 Removal. Provider shall, consistent with the PPA, within one hundred eighty (180) days following the end of the Term or earlier termination as provided herein, and at Provider's sole cost and expense, remove the Systems from the Properties on a mutually convenient date; provided that Host does not exercise its purchase option contained in Section 14.1 of the PPA. Provider and its agents, consultants, and representatives shall have access at all mutually agreed-upon times to the Properties and the Systems for purposes of such removal. Provider is responsible to repair any and all damage caused by the removal of the Systems. The Easement Areas shall be returned as nearly as reasonably possible to its original condition as it existed on the date hereof, except for ordinary wear and tear; provided, however, Provider shall have no obligation to remove any burial cable or conduit or to restore any parking blocks, planter boxes, fences, light poles, landscaping, trees or plants that were demolished and/or removed in connection with the site preparation for the construction and installation of the System and the appurtenances thereto as permitted under the PPA or to restore the District Office Parking Lot. If the Systems are located on a shade structure installed by Provider and if Host elects to have the shade structure removed as well as the Systems, Provider shall do so at its sole cost and expense in the same manner as described above with regard to repair of any damage; provided that Provider is provided written notice of their removal no less than thirty (30) days prior to the expiration of the Term. Except in the case of an emergency, Provider shall give forty-eight (48) hours' prior written notice to the appropriate Project site administrator and liaison, whose name and contact information shall be provided to Provider, before any entry onto any Properties by Provider's employees, agents or contractors.

ARTICLE 10 ASSIGNMENT; MORTGAGE

Section 10.1 General. Subject to the transfer of ownership provisions in Section 4.2 above in the case of a transfer of ownership in any Property by Host, either Party may assign this Easement Agreement pursuant to Sections 10.2 and 10.3 below, provided that any such assignee (i) assumes in writing the obligations of the assignor hereunder and under the PPA, and (ii) agrees to be bound by the terms of this Easement Agreement and the PPA. Any assignment made by either Party in violation of the provisions in this Article 10 shall be null and void and constitute an Event of Default.

Section 10.2 Assignment by Provider. This Easement Agreement and the rights of Provider pursuant to it may not be assigned by Provider without the prior written consent of Host, which shall not be unreasonably withheld; provided, however, that Provider may, without Host's prior written consent, assign this Easement Agreement and the PPA to its Affiliates, to any person or entity providing funding for the System(s), or to any person or entity succeeding to all or substantially all of the assets of Provider or as set forth in Section 10.4, and in such case the Host and Provider shall execute an assignment and assumption agreement in substantially the form attached hereto as Exhibit D.

Section 10.3 Assignment by Host. Subject to Section 4.2, upon written consent of Provider, not to be unreasonably withheld, this Easement Agreement may be assigned by Host to any Affiliate.

Section 10.4 Right to Mortgage. Provider may, at any time and from time to time, without obtaining Host's consent, hypothecate, mortgage, grant or pledge its right, title or interest hereunder or under the PPA to any Mortgagee as security for the repayment of any indebtedness and/or the performance of any obligation (a "Mortgage"). As used herein, the term "Mortgagee" collectively includes any financial institution or other person or entity that from time to time provides secured financing to Provider or Provider's Affiliates (as further described in Article 18 of the PPA), and any agent, security agent, collateral agent, indenture trustee, loan trustee, loan participant or participating or syndicated lenders involved in whole or in part in such financing, and their respective representatives, successors and assigns. Host agrees to use its commercially reasonable efforts to cooperate with Provider in Provider's or Provider's Affiliates' efforts to obtain financing from a Mortgagee. If Provider assigns its right, title and interest in this Easement Agreement to such Mortgagee, then Host agrees to make all payments due to Provider under this Easement Agreement to an account designated in writing by such Mortgagee.

Section 10.5 Notice To Host. If Provider grants a Mortgage, it shall give notice of the same (including the name and address of the Mortgagee) to Host; provided, however that the failure to give such notice shall not constitute a default or Event of Default under this Easement Agreement or under the PPA but rather shall only have the effect of relieving Host from any obligation to such Mortgagee until such notice is given. Host hereby consents to the recordation of the interest of the Mortgagee in the Official Records of Orange County, California.

Section 10.6 Mortgagee Protections. Notwithstanding any other provision of this Easement Agreement or the PPA:

(a) A Mortgagee shall have the absolute right to do one, some or all of the following: (i) assign its Mortgage; (ii) enforce its Mortgage; (iii) acquire Provider's interests granted under the PPA and Seller's interests granted hereunder to the Easements (whether by foreclosure, assignment in lieu of foreclosure or other means), provided that any existing monetary defaults are cured prior to acquisition of Provider's interests; (iv) operate the Systems on the Easement Areas and perform Host's obligations under circumstances outlined in the PPA; (v) assign or transfer Provider's rights and obligations hereunder and under the PPA to a third party, including a foreclosure transferee upon cure of payment and curable non-payment defaults of Provider hereunder, as long as such third party assumes all obligations of Provider hereunder and under the PPA; (vi) exercise any rights of Provider hereunder and under the PPA or (vii) cause a receiver to be appointed to do any of the foregoing things. Host's consent shall not be required for any of the foregoing; and, upon acquisition of this Easement Agreement and the PPA by a Mortgagee or any other third party who acquires the same from or on behalf of the Mortgagee and upon Mortgagee's or said third party's remedy of any Provider default, Host shall recognize the Mortgagee or such other party (as the case may be) as Provider's proper successor, and this Easement Agreement and the PPA shall remain in full force and effect. Notwithstanding the foregoing, Host acknowledges that no Mortgagee shall assume or have any obligation or liability under or pursuant to this Easement Agreement, and the exercise by such Mortgagee of its rights and remedies under this Easement Agreement shall not constitute an assumption of Provider's obligations under this Easement Agreement (except to the extent any such obligations shall be expressly assumed by an instrument in writing executed by such Mortgagee).

(b) In those instances where delivery of notice is required, as a precondition to exercising any rights or remedies as a result of any real or alleged default or Event of Default by Provider hereunder or under the PPA, Host shall deliver a duplicate copy of each and every notice of default to each Mortgagee concurrently with delivery of such notice of default to Provider, specifying in detail the default or Event of Default and the required remedy, provided that Host has been given the address(es) of each Mortgagee.

(c) Each Mortgagee shall have the same period of time after receipt of a notice of default to remedy a default or Event of Default hereunder and under the PPA, or cause the same to be remedied, as is given to Provider after Provider's receipt of a notice of default hereunder and under the PPA, plus, in each instance an additional thirty (30) day period; provided, however, that (a) such thirty (30)-day period shall be extended for the time reasonably required by the Mortgagee to complete such cure so long as Mortgagee has commenced such cure and works diligently towards completing it and (b) Mortgagee shall not be required to cure those Events of Default hereunder and under the PPA which are not reasonably susceptible of being cured or performed by Provider. Each Mortgagee shall have the absolute right to substitute itself for Provider and perform the duties of Provider hereunder and under the PPA for purposes of curing any default or Event of Default hereunder or under the PPA. Host expressly consents to such substitution, agrees to accept such performance, and authorizes each Mortgagee (and its respective employees, agents, representatives or contractors) to enter upon the Easement Areas to complete such performance with all of the rights and privileges of Provider hereunder and under the PPA. Host shall not terminate this Easement Agreement or the PPA prior to expiration of the cure periods available to each Mortgagee as set forth above.

(d) A Mortgagee or any party who acquires Provider's interests hereunder and under the PPA pursuant to foreclosure or an assignment in lieu of foreclosure shall not have any obligation under this Easement Agreement or under the PPA prior to the time that such Mortgagee or other party obtains Provider's interests granted under this Easement Agreement and under the PPA, so long as all Provider defaults have been cured prior to the Mortgagee or other party obtaining Provider's interests under the Easement Agreement; and such Mortgagee or other party shall be liable to perform obligations under this Easement Agreement and under the PPA only for and during the period of time that such Mortgagee or other party directly holds such interests, so long as all Provider defaults have been cured prior to the Mortgagee or other party obtaining Provider's interests under the Easement Agreement.

(e) (i) Host shall not agree to any modification or amendment to this Easement Agreement or the PPA by any such Mortgagee except upon Provider's written consent and (ii) Host shall not accept a surrender or termination of this Easement Agreement or the PPA by any such Mortgagee except upon Provider's written consent.

(f) At Provider's request, Host shall amend this Easement Agreement and the PPA, at no cost, to include any provision that may reasonably be requested by an existing or proposed Mortgagee, and shall execute such additional documents as may reasonably be required to evidence such Mortgagee's rights hereunder and under the PPA. Further, Host shall satisfy the requirements of Section 12.6(b) and provide any existing or proposed Mortgagee with an estoppel certificate which shall certify that Host (i) recognizes such entity as a Mortgagee under

this Easement Agreement and under the PPA and (ii) will accord to such entity all the rights and privileges of a Mortgagee hereunder and under the PPA.

(g) A Mortgagee shall be entitled to a replacement easement agreement with Host on the same terms and conditions as this Easement Agreement following any rejection or termination of this Easement Agreement in any Provider bankruptcy proceeding; provided, however, that if this Easement Agreement and the PPA are in full force and effect immediately prior to such Provider bankruptcy proceeding, Host shall have no such obligation unless the Mortgagee concurrently executes a replacement power purchase agreement with Host on the same terms and conditions as the PPA.

ARTICLE 11 INDEMNITY; LIMITATION ON LIABILITY

Section 11.1 Indemnity. Each Party (the “Indemnifying Party”) agrees to indemnify, defend and hold harmless the other Party and such other Party’s mortgagees, affiliates, governing board members, directors, officers, employees and agents (the “Indemnified Party”) from and against any and all claims, whether or not involving a third party claim, including demands, actions, damages, loss, costs, expenses and attorneys’ fees (collectively “Indemnity Claims”) coextensively with the indemnity obligations of each Party under the PPA

Section 11.2 Limitation on Liability. THE DEFAULTING PARTY’S LIABILITY SHALL BE LIMITED AS EXPRESSED IN THE PPA.

ARTICLE 12 MISCELLANEOUS PROVISIONS

Section 12.1 Applicable Law. This Easement Agreement shall be interpreted and governed by the laws of the State of California, without regard to conflict of laws provisions. Any dispute shall be resolved in accordance with the PPA.

Section 12.2 Interpretation Rules. All provisions of this Easement Agreement are subordinate to any conflicting or inconsistent covenant, term or condition of the PPA, and any provision(s) of this Easement Agreement that conflicts or is inconsistent with any covenant, term or condition of the PPA is unintended by the Parties; wherefore, in the event any provision(s) of this Easement Agreement conflicts or is inconsistent with any covenant, term or condition of the PPA, the relevant covenant, term or condition of the PPA shall supersede the relevant provision of this Easement Agreement and control the relations of the Parties. Titles and headings are included in this Easement Agreement for convenience only, and shall not be used for the purpose of construing and interpreting this Easement Agreement. Words in the singular also include the plural and vice versa where the context requires.

Section 12.3 Severability. In the event that any provisions of this Easement Agreement are held to be unenforceable or invalid by any court or regulatory agency of competent jurisdiction, Host and Provider shall negotiate an equitable adjustment in the provisions of this Easement

Agreement with a view toward effecting the purposes of this Easement Agreement, and the validity and enforceability of the remaining provisions shall not be affected by it.

Section 12.4 Counterparts. This Easement Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

Section 12.5 Entire PPA, Amendments and Waivers. This Easement Agreement and the PPA constitute the entire agreement between the Parties with regard to the Properties and supersede the terms of any previous agreements or understandings, oral or written. Any waiver or amendment of this Easement Agreement must be in writing. Either Party's waiver of any breach or failure to enforce any of the terms of this Easement Agreement shall not affect or waive that Party's right to enforce any other term of this Easement Agreement.

Section 12.6 Further Assurances.

(a) Additional Documents. Upon the receipt of a written request from the other Party, each Party shall execute such additional documents, instruments and assurances and take such additional actions as are reasonably necessary and desirable to carry out the terms and intent hereof. Neither Party shall unreasonably withhold, condition or delay its compliance with any reasonable request made pursuant to this Section 12.6.

(b) Certificates. From time to time, upon written request by Provider or any financing party to which Provider has granted a collateral interest in this Easement Agreement and the PPA (a "Financing Party"), Host shall, within thirty (30) days, provide (i) a lien waiver or other documentation satisfactory to the Financing Party confirming that no lien, security interest or other encumbrance exists which would adversely affect the Easements or the Systems, or (ii) an estoppel certificate attesting that (A) the Easement Agreement is in full force and effect; (B) the Easement Agreement has not been amended or modified (or if it has been amended or modified, the nature of such amendment or modification); (C) to the knowledge of Host, Provider is in compliance with the terms of the Easement Agreement and the PPA or detailing any known issues of noncompliance; and (D) such other confirmations or requests customary for such financing transactions and reasonably requested by the Financing Party.

Section 12.7 Casualty. In the event the Properties shall be so damaged or destroyed as to make the use of the Properties pursuant to this Easement Agreement impractical (as determined by a qualified engineering consultant retained by Host and reasonably acceptable to Provider), then the Parties shall have such remedies, including, without limitation, termination under certain circumstances, as expressed in the PPA.

Section 12.8 Exhibits.

Exhibit A. Legal Description of Each Property

Exhibit B. Legal Description and Depiction of Exclusive Easement Areas

Exhibit C. Non-Exclusive Easement Areas

Exhibit D. Form of Assignment and Assumption PPA

Section 12.9 Right to Update Certain Exhibits for Mutually Agreed Changes. The Parties acknowledge and agree that the configuration and location of the Systems as of the Effective Date of this Easement Agreement are preliminary and may be updated by the mutual agreement of the Parties after the Effective Date in order to reflect the updated design and engineering of the Systems and to address any existing lien or other security interest in the Property that may affect the location of the Systems, all pursuant to the PPA. Subject to the terms of the PPA, the Parties may amend Exhibits A, B and C, or execute additional Easement Agreements, in order to account for any such mutually agreed changes to the configurations and locations of the Systems. Any such mutually agreed amendments to Exhibits A, B and C of this Easement Agreement shall replace the relevant Exhibits then in effect and shall automatically become the newly effective Exhibits for purposes of this Easement Agreement without any further approvals of the Host.

ARTICLE 13 NOTICES

Any notice, demand, request, consent, approval confirmation or statements which is required or permitted under this Easement Agreement shall be in writing and shall be given or delivered by personal service, Federal Express or comparable overnight delivery service, addressed to the Party receiving notice as specified below. Board Policy

Alternative Schools/Program of Choice

BP 6181

Instruction

Board Adopted:

The Board of Trustees recognizes the need for innovation in providing educational options to students and families in response to a changing world. The Board further recognizes that the effective use of instructional strategies such as independent study, focused or thematic education, and flexible scheduling may increase attendance and improve performance while fostering student engagement.

In order to maximize opportunities for students, parents, and teachers, the Board may establish alternative schools or programs of choice in accordance with law. (Educ. Code § 58500 et seq.) The Board authorizes the Superintendent or designee to establish administrative regulations to implement this policy.

Alternative schools and programs of choice may offer a different structure, learning philosophy, or academic emphasis to accommodate different student needs, interests, and learning styles. Alternative schools and programs of choice may be established in each attendance area or on a districtwide basis, with enrollment open to all students districtwide, or any combination thereof. (Educ. Code § 58505)

Alternative Schools of Choice

The Board of Trustees may establish and maintain one or more alternative schools of choice within the District. Alternative schools may include, but are not limited to, magnet schools, online learning, independent study schools, thematic schools organized around a curricular theme such as the humanities or the arts, and multi-age classrooms.

An alternative school of choice is a school (or separate class group within a school) which is operated in a non-traditional manner and is designed to:

- a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy.
- b) Recognize that the best learning takes place when the student learns because of his desire to learn.
- c) Maintain a learning situation maximizing student self-motivation and encouraging students in their own time to follow their own interests. These interests may be conceived by students independently or may result in whole or in part from a presentation by teachers of choices of learning projects.
- d) Maximize the opportunity for teachers, parents and students to cooperatively develop the learning process and its subject matter.
- e) Maximize the opportunity for students, teachers, and parents to continuously react to the changing world, including to the community in which the school is located. (Educ. Code § 58500)

Parent Notification

The District shall annually notify parents/guardians of the existence of alternative schools of choice in accordance with law. (Educ. Code § 58501) The parent/guardian of any pupil may request, for consideration by the Board, the establishment of an alternative school program or programs in the District. (Educ. Code § 58502)

Legal Requirements

An alternative school of choice must meet the requirements of law, including the following:

- Student and teacher participation in the alternative school or program must be voluntary. (Educ. Code § 58503)
- Previous classroom performance shall not be a criterion limiting any student from the opportunity of attending an alternative school. (Educ. Code § 58504)
- Alternative schools shall be operated in a manner to maximize the opportunity for improvement of the general school curriculum by innovative methods and ideas developed within the alternative school operation. (Educ. Code § 58507)
- Alternative schools of choice shall be maintained and funded by the District at the same level of support as other educational programs for pupils of the same grade level operated by the District. (Educ. Code § 58507)
- Alternative schools and programs of choice shall meet the same standards for curriculum, instruction, and student performance as traditional schools.
- The District must annually evaluate alternative schools in accordance with law and standards established by the California Department of Education. (Educ. Code § 58510)

Waiver of Education Code Requirements

For the operation of alternative schools, the State Superintendent of Public Instruction may, upon application by the District, waive any provisions of the California Education Code other than those relating to earthquake safety and the provisions relating to alternative schools under Education Code section 58500 et seq. (Educ. Code § 58509) The Board of Trustees may approve applications to the State Superintendent of Public Instruction to request waiver(s) of Education Code provision(s) as it deems necessary for the successful operation of its alternative schools or programs.

Annual Evaluation and Report

The District shall annually evaluate any alternative school(s) of choice it has established as outlined by law. (Educ. Code § 58510) The evaluation shall include testing of basic skills for student participants, and must identify the variables which may have affected student academic achievement. The evaluation process shall also include teacher, parent, and student input from the alternative school. The evaluation report for each alternative school shall be sent to the Superintendent of Public Instruction on or before August 1 following the close of the school year, and after presentation to the District Board of Trustees.

The annual evaluation report shall be prepared and submitted in accordance with guidelines developed by the California Department of Education, Educational Options Office.

The annual evaluation report should, among other things, (a) show how well the alternative school or program of choice is helping students achieve grade-level proficiency; (b) track changes in the school or

program over time; (c) identify any assistance needed in meeting its objectives; and (d) provide community-wide information about its accomplishments

Independent Study

Any alternative school or program of choice based on an independent study model (fully or partially) must meet all legal requirements relating to Independent Study, unless a waiver is obtained from the Superintendent of Public Instruction. (Educ. Code § 51745 et seq., 5 CCR § 11700 et seq.)

By law, participation in an independent study program must be voluntary and requires compliance with an independent study contract signed by parent/guardian. If a student fails to turn in work as prescribed, the District will evaluate whether independent study continues to be appropriate for that student, and may exit the student from the program if the terms of the contract are not fulfilled.

No student with an individualized education program may participate in any independent study program unless his or her individualized education program specifically provides for that participation because the student is able to receive a free appropriate public education in the program. (Educ. Code § 51745(c))

Establishment of New School (CDS Code)

If a new alternative school (rather than a program within a school) is established, the District may apply for a new County-District-School (CDS) Code in accordance with the standards and procedures established by the California Department of Education. In order to qualify as a "school," the following generally applies:

1. The Board has taken action to establish the school
2. The Board has named the school or established a process by which the school will be named.
3. The school has an appropriately credentialed administrator (usually a principal) who is responsible for all aspects of school administration (e.g., hiring staff, fiscal responsibility) and who is treated the same as other principals in the District.
4. The school has an approved budget as a separate school, and the budget structure is consistent with the budget structure of other schools operated by the District.
5. The school has appropriately credentialed teachers and clerical support staff.
6. A facility, consisting of one or more buildings, or an identified set of rooms, has been acquired, with a street address. The school facility is "Field Act safe" or necessary exceptions have been obtained.
7. Students are enrolled in the school, unless the school is in the last stages of formation.
8. School records are kept separately from those of other schools.
9. The school implements a curriculum that fully meets state requirements as specified in the Education Code relating to required courses of study.
10. The school administers California statewide assessment tests to its students at the required grade levels.

TO: Robert Pletka, Ed.D., District Superintendent

SUBJECT: **ADOPT FULLERTON SCHOOL DISTRICT COVID-19 OPERATIONS WRITTEN REPORT**

Background: Executive Order N-56-20, issued by Governor Newsom on April 22, 2020, empowers schools to focus on responding to COVID-19 and to provide transparency to their communities. The order requires all school districts to develop a written report to the community that explains how each district responded to school closures beginning in March 2020. The Order extends from July 1, 2020 to December 15, 2020, the deadline the Governing Board to adopt the Local Control and Accountability Plan (LCAP) and the Budget Overview for Parents. The Order also requires the Governing Board to adopt, during the same meeting at which the Governing Board adopts the annual budget, due July 1, 2020, a written report to the community that explains the changes to program offerings the Fullerton School District (FSD) has made in response to school closures to address the COVID-19 emergency and the major impacts of such closures on students and families. The FSD COVID-10 Operations Written Report details how FSD is meeting the needs of unduplicated pupils during the period of school closures and the steps taken to support the following: delivery of high-quality distance learning opportunities; providing school meals; and assisting families for supervision of students during ordinary school hours. The FSD LCAP Committee met via Zoom to provide input and feedback to the written report.

Rationale: Fullerton District School is required to submit the written report in conjunction with submission of the adopted annual budget to the county office of education and post a copy of the written report on the homepage the District website.

Funding: Not Applicable.

Recommendation: Adopt Fullerton School District COVID-19 Operations Written Report.

Fullerton School District	Robert Pletka, Ed.D.	robert_pletka@myfsd.org 714-447-7400	June 23, 2020

Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of the changes your LEA has put in place. LEAs are strongly encouraged to provide descriptions that do not exceed 300 words.

Provide an overview explaining the changes to program offerings that the LEA has made in response to school closures to address the COVID-19 emergency and the major impacts of the closures on students and families.

The Fullerton School District (FSD) supported students and families through a Distance Learning Model which included resources and materials, both in terms of curricular content and technical support resources. Students and families are able to access resources via district websites, school websites, and individual teacher websites. Additionally, weekly learning packets were also provided by school sites to all Pre/TK-8th grade students prior to the school year ending on May 29, 2020.

Students are offered physical reading materials, supplemental learning tools, and arts materials. A series of professional learning webinars is available to all staff, both live webinars and archived afterward, to support their efforts on providing high-quality learning opportunities for students. Digital learning curriculum, as well as the tools needed to teach virtually, is addressed in these webinars. In addition to grade level lessons provided by classroom teachers, the district created FSD Extended Play. This program provides students additional learning opportunities in ELA and math.

After School programs continued to offer distance learning experiences which included weekly academic support and a variety of facilitated enrichment opportunities such as the arts, virtual tours through museums, parks, and monuments, with correlating discussions and activities. Music, physical activities, health and wellness, and science experiments were integrated weekly.

FSD collaborated with the City of Fullerton to launch an educational television cable channel, FSD TV. FSD TV incorporates both original standards-based content and content from our educational partners to support students and their families. Shows are broadcast from 8:30 AM-1:00 PM every weekday with repeated content from 1:00-3:30 PM most weekdays.

Families without internet access are provided free hotspots from the district. Sites allowed all iPad devices to be taken home for distance learning. Teachers are trained on distance learning technologies through webinars as well as over 300 one-on-one coaching sessions. Families can utilize specially designated phone numbers for technical support in English or Spanish, which are monitored throughout the day. IIS technical support personnel followed up on requests for technical support within the day or less. Additional devices were purchased for those students who did not have access at home. Technical support personnel, assigned to front of school stations, consult with families on problems with devices or provide non-functional or problematic devices for working devices, providing onsite support so that families can continue to access distance learning materials.

Provide a description of how the LEA is meeting the needs of its English learners, foster youth and low-income students.

The Educational Services Department team met with principals to collaborate on each school site's distance learning plan and how to address the need for access and equity for English Learners (EL). The district's distance learning website has curriculum links for teachers to access a list of resources that address English Language Development (ELD) needs. Teachers use the district adopted English language arts curriculum's digital platforms to provide differentiated lessons with scaffolding at each student's language proficiency level for Integrated ELD. Students also have access through the digital platform to designated ELD and an adaptive foundational skills site that provides them instruction on these skills. School sites sent home ELD workbooks that EL students are utilizing for extra practice.

The Educational Services team hosted a webinar for teachers, on supporting EL students in Designated and Integrated ELD through Distance Learning. English learners will have the opportunity to participate in the EL Jump Start program

Distance Learning Edition during the summer which is targeted to meet the unique needs of our EL students to have extended opportunities to learn and practice English.

Several action steps have been taken to meet the needs of low-income students and foster youth. District personnel identified all low-income and foster youth students, and the family of each of these students received a personalized call from a district-employed Social Services Assistant (SSA). SSAs check-in with families regarding: general well-being; home internet; food, clothing, and shelter needs; social emotional support; distance learning support; and language/translation support. SSAs connect families to district and community resources and documented action steps and referrals. Ongoing follow-up calls are made to ensure each family's continued access to support services. District partnerships were used to curate resources and help provide ongoing access to meet the basic needs of families. District departments collaborate to pool resources to connect families with food and community resources. A district webpage provides information and notices are handed out during the lunch distribution hours. Resources include shopping and delivery services, counseling referrals, technology support for home devices and low-cost or free internet options. Food pantry locations at school sites and other community locations are also provided. Educational Services also provided art kits and literature and informational books to families so that students can continue to develop their art skills and read books at their grade level.

Information is also made available to families about the Pandemic-Electronic Benefit Transfer (P-EPT), a food benefit for children on the free-reduced meal program impacted by school closures; eligible families can receive up to \$365 per eligible child on their P-EBT card to use on groceries. Additionally, partnerships with the Fullerton Library and local churches have resulted in free reading books distributed to Title I families. The district has also set-up a donation area in front of the district office that is staffed Mondays through Fridays.

Provide a description of the steps that have been taken by the LEA to continue delivering high-quality distance learning opportunities.

The district supported schools in initially developing their distance learning plans. Guidance continues to be provided to ensure that all sites continue to deliver high-quality instruction, designed learning experiences and activities, distance learning schedules, consistent communication to both students and parents, and to identify online engagement systems that provide standards-based learning opportunities. Teachers provide online learning opportunities for students throughout the district. Students are also able to access learning packets from their school sites for those parents who request non-digital materials. Teachers stay connected with students through distance learning platforms such as Google Classroom, Google Hangouts, Zoom, and Seesaw. Additionally, the district continues to provide additional learning opportunities via online lessons through an Extended Play program where students have the opportunity to continue to practice grade level standards in ELA and mathematics. Ongoing professional development opportunities continue to be available that include how to utilize instructional programs and digital platforms that provide meaningful opportunities for students to learn new content.

To address potential learning loss due to the school closures, FSD is also offering students a variety of summer programs that provide ELA and math online instruction along with optional arts/music lessons, GATE activities, as well as weekly family problem solving activities. Student Support Services will also extend summer school opportunities for identified students with disabilities.

FSD purchased 600 hotspots for distribution to families that demonstrate a need for internet access at home. Innovation and Instruction Support (IIS) continues to work with district teachers to create original content and programming for the FSD TV cable channel. Technology support will continue through email, phone, and on-site tech for all students and parents. iPads went home to grades 4-8 at all schools and parents also have the opportunity to request devices for students in primary grades at their school sites. Students who are enrolled in summer programs will be able to continue to utilize technology devices to continue distance learning opportunities. IIS will continue support of devices and technology issues for all summer extended programs.

Provide a description of the steps that have been taken by the LEA to provide school meals while maintaining social distancing practices.

Nutrition Services Department is providing 13,000 meals between Monday - Friday at 17 school sites. Meals are provided to community children 18 years old and under. Nine school sites served breakfast and lunch and eight sites served breakfast, lunch and dinner. Meals are grab-and-go and served curbside.

Steps are taken to maintain social distancing between staff and families. All staff are provided with Personnel Protective Equipment (PPE) such as masks and gloves. Staff maintain social distancing by working at separate stations. Each staff

member has their own six-foot table and canopy. Staff and families maintain social distancing by distributing food from trays. Families that drive-up take their meals from a tray through their passenger window. Families that walk-up take their meals from a tray that is placed on a designated table.

Nutrition Services will continue to provide lunches during the summer break for any child under 18. These meals will be available at eight Title I school sites for all eligible children.

Provide a description of the steps that have been taken by the LEA to arrange for supervision of students during ordinary school hours.

District personnel contacted childcare providers within the City and compiled a resource database of operational childcare providers during COVID-19 school closures. The database includes the provider's name, contact information, and information regarding services. District personnel use the database to connect families to childcare needs. This also includes referrals to the Orange County Child Care Association, which acts as a liaison to multiple childcare providers. Childcare information for essential workers is also posted to the district webpage. District personnel maintain contact with the California Department of Education in regards to directives and guidelines. Virtual meetings take place with community partners and district personnel to keep up to date on needs, resources, and strategies to support learning at home.

FSD continues to collaborate with community partners who include Children's Home Society, Early Childhood Orange County, First 5 Orange County, Orange County Department of Education, and Orange County Association for the Education of Young Children, to develop resources and referrals including child care sites for essential workers.

SUBJECT: ADOPT THE PROPOSED 2020/2021 BUDGET—ALL FUNDS

Background: Education Code section 52062 requires that the Board of Trustees hold a public hearing for the proposed budget at the same meeting as the public hearing for the Local Control Accountability Plan (LCAP). The public hearing must take place in advance of and at a meeting separate from the Board meeting to adopt the LCAP and the budget. The proposed 2020/2021 budget for all District funds is presented for the Board's review.

The Board members are acting as three different entities when discussing the 2020/2021 budget: (1) as the legislative body of the Fullerton School District identified as District 22; (2) as the legislative body of Community Facilities District No. 2000-01 (Van Daele) identified as District 40; and (3) as the legislative body of Community Facilities District No. 2001-1 (Amerige Heights) identified as District 48.

Rationale: Education Code sections 42127 and 52062 require every school district to hold a public hearing for the LCAP and the budget prior to adoption. Due to COVID-19 there is an exception this year, the LCAP will be going in December. In line with requirements, the District is taking COVID-19 Operations Written Report.

Funding: The District is projecting the following General Fund Unrestricted Fund Balance reserves as follows:

Fiscal Year Ended	*Available Funds Percentage	Assigned Funds Percentage	Total Percentage
June 30, 2021	9.72%	0.95%	10.77%
June 30, 2022	5.16%	0.00%	5.16%
June 30, 2023	3.00%	0.00%	3.00%

*Available Funds include Unassigned Funds and 3% Minimum Reserve for Economic Uncertainties.

SUBJECT: PROPOSED BUDGET FOR 2020-21 AND MULTI-YEAR FINANCIAL PROJECTIONS

The estimated ending balances for the 2019-20 fiscal year and our initial budget for the 2020-21 fiscal year are presented here for your review and approval. The District is required by Education Code 42127 to adopt a budget for all District funds for the subsequent fiscal year by June 30 of each year. At the same time, the District presents its estimated actual financial results for the current fiscal year. This memo provides a summary of the assumptions used in the preparation of the budget, as well as an analysis of current multi-year financial projections for the District.

2019-20 Estimated Unaudited Actuals

The estimated unaudited actuals consist of the District's current budget adjusted to reflect projected and known changes through the end of the fiscal year. These adjustments include:

- Updating the final estimated Local Control Funding Formula (LCFF) projection to our California Department of Finance projection.
There are no material changes to the LCFF estimate since the Second Interim reporting.
- Updating categorical revenue accounts to reflect actual grant and entitlement amounts as apportioned by the state and federal governments.
Various minor changes to categorical programs have been incorporated into the budget for the Estimated Actuals.
- Analysis and revision of General Fund expense accounts:
Business Services staff have reviewed line item expenditure budgets, budget vs. actual, for all General Fund programs and accounts. Based upon this analysis, there are three material increases between the budget as presented at Second Interim and the Estimated Actuals.
 - Estimated Actuals adjusted for eRate to revenue and offsetting expenditures.
 - Estimated Actuals to increase for COVID expenses.
 - Estimated Actuals adjusted to decrease site and department discretionary funds for estimated spend in 2019-20 to spend in 2020-21.
- All other 2019-20 budget amounts are not expected to be materially different from the Second Interim budget and thus are carried forward to the year-end projection.

Based upon a review of current actual financial data (as of month-end May, 2020) and the adjustments noted above, the District estimates final unaudited results in the Unrestricted General Fund reflect an increase of \$1,578,552 from the previously reported budgeted net income from Second Interim.

Based upon the assumptions listed above, the Estimated Actuals show a total net decrease to the fund balance of (\$6,376,296). This consists of a net decrease in the Unrestricted Fund of (\$1,248,985) combined with a net decrease in the Restricted Fund of (\$5,127,311). This deficit spending primarily reflects a spending down of prior-year fund balance carryovers of \$1,254,869.

The estimated total ending General Fund balance at June 30, 2020, is \$31,618,755. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$27,703,755, which is 18.41% of total General Fund expenditures. (The state requirement is 3.0%.)

These projections constitute our best estimate at this time of how the District will finish the 2019-20 fiscal year. Final results will not be known until we close our books and prepare our year-end financial statements (J-200 Unaudited Actuals) in August. Results will be presented to the Board in early September.

2020-21 Budget

State Budget Outlook

On January 10, 2020, Governor Newsom introduced his proposed 2020-21 state budget, beginning the legislative process for the upcoming fiscal year. On May 14, 2020, he released his May Revision to his January budget. The May Revision outlines the Governor's expectations for the budget, which the Legislature then has until June 15 to revise and pass.

According to Governor Newsom, "This is no normal year. And this is no ordinary May Revision." With a budget deficit of \$54 billion, very different from his January proposal with a proposed \$5.6 billion surplus, the Governor meticulously outlines a variety of budget balancing strategies, including a variety of cancelled expansions, tax suspension, deferrals, use of reserve funds and reductions. Since mid-March, more than 4 million Californians have become unemployed. The state's revenue sources dropped and projections of the state's main revenue sources – personal income tax, sales and use tax and corporation tax – will be reduced in the budget year by 25.5%, 27.2% and 22.7% respectively. These revenues comprise more than 90% of the general fund reserve.

The Governor in his May Revision takes action to bring expenditures in line with available funding, using reserves to soften the blow. He is implementing a 10% cut to state programs including K-12 and higher education, child care and other state programs. Recognizing a statutory COLA that flows into LCFF, he has applied the 10% reduction, which will net a 7.92% decline in the LCFF base grant amount. The May Revision proposes \$4.4 billion in funding to LEAs to mitigate inequitable learning exacerbated by the COVID-19 pandemic. The funding will be allocated to districts with high concentration of English learners, low income and foster youth, and special education students. This funding as well as all items in the May Revision can change until it is signed by the Governor.

The provisions of Executive Order N-26-20 and Senate Bill 117, Chapter 3, Statutes of 2020 will become inoperative on July 1, 2020. This provided flexibility from in-person instruction for required minutes, days and related attendance reporting for apportionment. This will focus LEAs on the task of reopening schools.

At the time of this writing, the Legislature and the Governor are still in session, and the final budget has not yet been determined. The District budget presented here has been adjusted for the Governor's May Revision proposal for LCFF revenues, as well as the application of the COLA to state categorical programs. The total budget will be reviewed and adjusted once the state passes its final budget, and then continually throughout the year as new information is received.

FSD 2020-21 Budget

When building its budget, the District utilizes the most up-to-date information and forecasts that it has received from the California Department of Education (CDE) and the Orange County Department of Education (OCDE). The District is required to present its proposed budget for the ensuing fiscal year twice before the June 30 statutory deadline for passage by the Board of Trustees. Given that the Legislature is not required to pass the state budget until June 15, the District will usually not be able to incorporate the effects of the state's June budget in its own June budget. Further revisions to update the District's budget will then be made after the Governor signs the state budget.

Revenue accounts are estimated based upon the CDE's and OCDE's projections, as well as the District's 2019-20 reported P-2 ADA. The District has estimated state LCFF revenue using the annual percentages as projected by the Department of Finance for the May Revise. A COLA of 2.31% has been applied with a decline of 10% reduction. The District has not added any new state-funded programs to its budget. The Governor did not propose one-time discretionary funding. Deferral of the June 2020 apportionment (\$6,807,726) to July 2020 as well as deferral of 2020-21 apportionments for April, May and June 2021-22 (\$8,338,620) have been included in cash flow projections.

Expenditures are forecast taking into account all known and projected increases and decreases in expenditures, including changes due to our negotiated salary agreements, step and column, changes in staffing and benefits, changes in contracts and leases, and projected inflationary increases.

The District's budget is required by law to be reviewed and approved by OCDE. Our OCDE consultant reviews all of our detailed assumptions for both our 2020-21 budget and our three-year projection. A budget built on assumptions that cannot be verified and justified by OCDE will not be approved.

2020-21 July 1 Budget - Fiscal Solvency Statement

In preparing the 2020-21 July 1 Budget, the Board understands its fiduciary responsibility to maintain fiscal solvency for the current year and the subsequent two fiscal years. If necessary, it is recognized that based on the Governor's May Revision to the proposal for the 2020-21 State Budget, that reduction will be made. No reductions are planned for 2020-21, but the Board recognized that \$8,000,000 in ongoing budget reduction in 2021-22 and an additional \$9,506,281 of reductions in 2022-23 will be required in order to maintain fiscal solvency.

The following provides more details on the budget.

Revenues

The 2020-21 General Fund Unrestricted budget projects total revenues of \$109.4 million, for a net decrease (from 2019-20 estimated revenues) of (\$13.1 million). The majority of the net change is due to a decrease of (\$11.2 million) for LCFF Funding due to 7.92% deficit factor. The other adjustments are due to estimated state revenue lower in 2020-21, as 2019-20 received \$1.7 million in Special Education PreK Grant. Restricted revenue projects an increase in Federal Revenue due to ESSER/CARES funding of \$2.2 million; on behalf payments (\$12.1 million) for STRS/PERS have been budgeted in 2020-21 (these are not in the budget for 2019-20).

LCFF income is projected to decrease due to an increase in the COLA of 2.31% less 10% reduction – net decline of 7.92% to LCFF base grant revenue, which will impact LCFF supplemental funding. FSD is in declining enrollment so this also takes into consideration an average daily attendance (ADA) decrease of 224.63. The unduplicated count percent is projected to increase slightly to 53.81% (increase of 0.62%). This results in a per-ADA decrease to LCFF funding of 7.88%.

The District P-2 ADA declined in fiscal 2019-20 by 224.63. The state allows a one-year "hold harmless"; this drop is reflected in the 2020-21 LCFF revenue. Although there is possible mention of additional "hold harmless" this has not been budgeted as it was not in the Governor's May Revise. This will be adjusted as needed.

Other revenues are based on historical trends and estimated actuals.

Expenditures

For 2020-21, total General Fund expenditures are projected at \$158.4 million. The budget reflects routine annual increases required by step and column movement, rate increases for health insurance and for STRS and PERS retirement plans, and other cost of living increases. The Governor's May Revise included relief in the amount of \$1.2 million for STRS and \$0.31 million for PERS. The rate increases have been pushed out a couple years in the projection. The offsetting expenditure to the on behalf STRS/PERS is also in the object code 3000's. See the attached list for more details.

Change in Fund Balance

Based upon these assumptions, the estimated total ending General Fund balance for the 2020-21 fiscal year shows a net decrease of (\$14,603,529) which is entirely from the reduction in the Unrestricted General Fund.

The estimated total ending General Fund balance for the 2020-21 fiscal year is \$17,015,226. The Unrestricted Ending Fund balance (Unassigned and Reserve for Economic Uncertainties) is estimated at \$15,395,226 which is 9.72% of total General Fund expenditures.

Three-Year Projection

The District is required to submit a three-year financial projection for the General Fund at the time of budget submission. However, unlike at First and Second Interim, the District is not required to certify the District's financial status at this time. Detailed assumptions for the preparation of the three-year projection are attached.

The most significant factors in the projection are the state-funded LCFF and the District's projected ADA.

LCFF: The District is utilizing the Department of Finance's estimated COLAs and LCFF Funding Rate percentages as of the Governor's May Revise budget proposal. The District is not projecting that its current 53.73% (3-year rolling average) Unduplicated Percentage of enrollment will fluctuate by more than 0.25% for the subsequent two years of the projection.

ADA: The District is projecting a decrease in enrollment of 205 in 2020-21, 125 in 2021-22 and no change in the 2022-23 fiscal year.

Taking into account all of these changes to the three-year projection, the District projects net decreases in the current and subsequent fiscal years in the Unrestricted General Fund. The projected Unrestricted General Fund ending-fund balance percentages are as follows:

Fiscal Year Ended	*Available Funds Percentage	Assigned Funds Percentage	Total Percentage
June 30, 2021	9.72%	0.95%	10.77%
June 30, 2022	5.16%	0.00%	5.16%
June 30, 2023	3.0%	0.00%	3.00%

*Available Funds include Unassigned Funds and 3% Minimum Reserve for Economic Uncertainties.

Required Disclosure under Education Code section 42127(a)(2)(b) regarding reasons for Ending Fund Balances above the state-recommended minimum level

Education Code section 42127(a)(2)(b) requires a statement of reason that substantiates the need for assigned and unassigned ending fund balances in excess of the minimum reserve standard for economic uncertainties for each fiscal year be identified in the budget.

The District must also have funds available to mitigate the costs of declining enrollment to the District. Additionally, the reserve is maintained to provide for unplanned or emergency expenditures that might occur in the future. The District must also plan for future facilities needs. Finally, the District must also plan for future downturns in the state economy which could negatively affect the District’s budget.

In preparing the 2020-21 July 1 Budget, the Board understands its fiduciary responsibility to maintain fiscal solvency for the current year and the subsequent two fiscal years. If necessary, it is recognized that based on the Governor’s May Revision to the proposal for the 2020-21 State Budget, that reduction will be made. No reductions are planned for 2020-21, but the Board recognized that \$8,000,000 in ongoing budget reduction in 2021-22 and an additional \$17,506,281 of reductions in 2022-23 will be required in order to maintain fiscal solvency.

Projected Unrestricted Ending Fund Balance:

	<u>3% Minimum Reserve</u>	<u>Nonspendable</u>	<u>Assigned</u>	<u>Unassigned</u>	<u>Total Fund Balance</u>
June 30, 2021	\$4,752,612	\$120,000	\$1,500,000	\$10,642,614	\$17,015,226
June 30, 2022	\$4,436,550	\$120,000	\$0	\$3,196,562	\$7,753,112
June 30, 2023	\$4,246,930	\$120,000	\$0	\$0	\$4,366,930

Conclusion

The 2020-21 Adopted Budget is an important document in the District’s ongoing communication to its stakeholders. The report provides accountability and evidence of stewardship to our community. Fullerton School District understands all the caveats in the May Revise and will take any future changes to the Board for approval on budget changes. In this ever changing situation, we continue to strive for long-term financial stability in line with Board Goal #2.

OTHER FUNDS

Child Development Fund: The Child Development Fund records the financial activities from the following District programs: state-funded preschool, state-funded before- and after-school programs, parent-paid before- and after-school care, and tuition-based preschool. Financial results project a small decrease of fund balance and a small spend-down of reserves for the budget year.

Cafeteria Fund: The Cafeteria Fund continues to operate in a strong financial position, ending fund balance. Participation in the National and State School Lunch and Breakfast programs continues to rise. Financial results are projected to decrease fund balance and a small spend-down of reserves for the budget year.

Deferred Maintenance Fund: The Deferred Maintenance Fund is projected to spend down reserves in both the current and budget years. The state suspended funding of the Deferred Maintenance program during the economic downturn and, with the advent of LCFF, has closed the program. The District plans to spend down the remaining reserves in this fund to complete required deferred maintenance projects.

Bond Building Fund: This fund accounts for amounts remaining from the District's former general obligation bonds proceeds. Certain capital expenditures which cannot be funded from the Deferred Maintenance, Developer Fee, or Special Reserve for Capital Outlay Funds are paid for from this fund. The District is in the process of closing out this fund also.

Capital Facilities Fund: The Capital Facilities Fund accounts for the collection and expenditure of developer fees. Approximately \$215,000 in fees will be collected in 2019-20. Revenues for the budget year are projected and budgeted as cash is received. Expenditures from this fund are for capital projects related to growth in student enrollment.

Special Reserve Fund—Capital Outlay Projects: This fund records financial activity primarily related to revenues received from the City of Fullerton as pass-through payments from their Redevelopment Agency. Various capital projects for schools in the designated Redevelopment Areas are financed through this fund.

Capital Projects Fund—Blended Components: This fund records the financial activity related to the District's two Community Facility Districts (CFDs). Revenues are taxes collected from homeowners, and expenditures are primarily payments to bondholders as well as administrative expenses related to the CFDs' operations. Various capital projects for schools in the CFD areas are financed through this fund.

Self-Insurance Fund: The Self-Insurance Fund consists of three sub-funds: Property and Liability, Workers' Compensation, and the Dental Self-Insurance Reserve.

The District is responsible for a \$5,000 deductible per claim for property damage, \$50,000 deductible per claim for liability, and \$1,000,000 per claim for Workers' Compensation. Excess insurance is purchased for amounts over the deductibles. Liabilities are projected and booked, and claims and claims expenses are paid through these two sub-funds. Excess insurance is also purchased from the funds. Currently the District charges a 1.2% payroll tax on all payrolls to fund the Workers' Compensation Fund. This rate provided sufficient funding to cover costs of excess insurance, claims and claims expenses, and the reserve for Incurred But Not Recorded (IBNR) claims for 2019-20.

The District funds the Property and Liability Fund by charging an allocated amount to the General Fund. The amount charged in 2019-20 provided sufficient funding.

The Dental Self-Insurance Reserve maintains a balance to pay any claims incurred by the District from a former JPA self-insurance plan in which it participated. There is no activity projected in this reserve.

B10. Other Adjustments:						
In preparing the 2020-21 July 1 Budget, the Board understands its fiduciary responsibility to maintain fiscal solvency for the current year and the subsequent two fiscal years. If necessary, it is recognized that based on the Governor's May Revision to the proposal for the 2020-21 State Budget, budget reductions will be made. No reductions are planned for 2020-21, but the Board recognizes that \$8,000,000 in ongoing budget reductions in 2021-22 and an additional \$17,506,281 of reductions in 2022-23 will be required in order to maintain fiscal solvency.

4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)¹ and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA¹ and its economic recovery target payment, plus or minus one percent.

¹ Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

4A. District's LCFF Revenue Standard

Indicate which standard applies:

LCFF Revenue

Basic Aid

Necessary Small School

The District must select which LCFF revenue standard applies.

LCFF Revenue Standard selected: LCFF Revenue

In preparing the 2020-21 July 1 Budget, the Board understands its fiduciary responsibility to maintain fiscal solvency for the current year and the subsequent two fiscal years. If necessary, it is recognized that based on the Governor's May Revision to the proposal for the 2020-21 State Budget, budget reductions will be made. No reductions are planned for 2020-21, but the Board recognizes that \$8,000,000 in ongoing budget reductions in 2021-22 and an additional \$17,506,281 of reductions in 2022-23 will be required in order to maintain fiscal solvency.

FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
PREPARED BY: Melissa Greenwood, Director, Business Services
SUBJECT: **ADOPT RESOLUTION #19/20-24 REGARDING THE EDUCATION PROTECTION ACCOUNT**

Background: Proposition 30 added Article XIII, Section 36, to the California Constitution. The tax revenues generated from Proposition 30 are deposited into a State account called the Education Protection Account (EPA). Funds will be distributed by the State to local districts on a quarterly basis in 2020/2021.

Rationale: Article XIII, section 36, stipulates how the monies are to be spent. The Article also requires each school district to disclose how it will spend its share of the EPA in open session of a public meeting of the governing board.

Funding: The estimated District's share of the Education Protection Account for 2020/2021 is \$9,458,814. This amount offsets revenues previously received through the District's revenue limit. This is not new revenue to the District. The District will spend this funding on instruction (teacher salaries).

Recommendation: Adopt Resolution #19/20-24 regarding the Education Protection Account.

FULLERTON SCHOOL DISTRICT

RESOLUTION #19/20-22

Supporting the Schools and Local Communities Funding Act of 2020

Whereas, for four decades, school districts in California have experienced underinvestment and devastating cuts causing California's school funding to fall behind and resulting in fewer services and resources for students and teachers;

Whereas, the lack of adequate local funding is the result of an inequitable tax system in which corporations and wealthy investors do not pay their fair share in property taxes;

Whereas, loopholes in California's property tax system allows a fraction of major commercial and industrial properties to avoid regular reassessment and use shady schemes to hide change in ownership;

Whereas, these loopholes and tax schemes result in millions of dollars going to corporations and wealthy investors rather than to schools and local communities for essential services;

Whereas, experts estimate that the *California Schools and Local Communities Funding Act* reclaims \$12 billion in property tax revenue every year to ensure that our schools and communities have the resources to educate all of our kids and the services to support all of our families;

Whereas the *California Schools and Local Communities Funding Act* does not affect property taxes for homeowners or renters because the initiative exempts all residential property;

Whereas, academic researchers at the University of Southern California (USC) have identified that the vast majority of the reclaimed revenue will come from just a fraction of large properties;

Whereas, California schools are falling behind, ranking lowest in the nation with the largest number of students per teacher and the fewest counselors per student;

Whereas, per-pupil funding has declined from the top 10 in the nation to 41st;

Whereas, the top-ranked state spends \$10,259 more per-pupil to educate their children than California spends;

Whereas, the measure invests up to \$4 billion annually for K-14 schools to ensure that our kids receive the world-class education they deserve;

Whereas, California should be a leader in innovation by educating the next generation of students to compete in the global economy;

Whereas, the *California Schools and Local Communities Funding Act* guarantees funding to all school districts, over and above Proposition 98 funding, and following the local control funding formula to all students in need in all districts;

Whereas, the measure also provides billions in funding yearly for cities, counties, and special districts in locally controlled revenues for affordable housing, parks, libraries, emergency responders, health and human services, libraries, public infrastructure, and much more;

Whereas, the measure incentivizes the development of residential units and provides more funding for communities to invest in affordable housing;

Whereas, the measure provides new tax incentives to spur new investment in small businesses by eliminating the business personal property tax on equipment for California's small businesses;

Whereas, the measure also exempts all small business owners whose property is worth \$3 million or less;

Whereas, the measure levels the playing field for businesses that already pay their fair share in our communities;

Therefore, be it Resolved, that the **Fullerton School District** endorses the *California Schools and Local Communities Funding Act of 2020*

SUBJECT: VIRTUAL BOARD MEETINGS DURING COVID-19 (SHORT-TERM)

Background: Currently all board meetings are run through a Zoom Webinar where the public has the option to call in and listen to meetings. The public can also send public comments to an email address to be read out loud during meetings. The meeting minutes are posted to our district website for public consumption usually within two business days.

Rationale: Board members have requested research into the possibility of having members of the public participate by viewing the Zoom video or having access to a recording of the Zoom video after the meeting.

Funding: Various depending on options chosen.

Recommendation: Virtual board meetings during COVID-19 (short-term)

Board Meeting Options (Regarding Covid Stay at Home Modified Meetings)

1. No changes. Use Zoom Webinar with the public being able to call in to listen, post minutes to our website after the meeting, record audio to use as a reference to ensure minutes are correct but do not post the audio recording to the website.
2. Use Zoom Webinar with the public being able to call in to listen, post minutes to our website after the meeting, record audio to use as a reference to ensure minutes are correct and post the audio recording to the website. (No additional cost, minimal staff time)
3. Use Zoom Webinar with the public being able to call in to listen, post minutes to our website after the meeting, record audio to use as a reference to ensure minutes are correct and post the audio recording to the website. Also record the Zoom video and post the video to Youtube and rely on the Youtube Closed Captioning system. We would want to add disclaimers to the video that the closed captioning are not reflecting the official record as Youtube is not 100% accurate. (No additional cost, two hours additional staff time per meeting)
4. The same as number three, but pay for a closed captioning service to ensure accuracy, and post the video with accurate closed captioning on Youtube within three days of the meeting. (Additional \$20,000 per year ongoing for closed captioning services, potential additional five hours per meeting of staff time to edit video to add closed captioning)
5. Live broadcasting of the Zoom meeting to Youtube can be added to any of these options, without closed captioning. We could turn off public comments during the meeting if desired.

SUBJECT: BOARD MEETING DISTRIBUTION OPTION BEYOND COVID-19 (LONG-TERM)

The general public has the opportunity to come to the Board Room to participate and view the board proceedings. Minutes are then posted to the district website in the days following the board meeting.

Rationale: Board members have requested research into the possibility of having meetings videotaped for later posting or even live-streamed onto the Internet for public consumption.

(One time additional cost of \$15,000 to purchase a high-quality camera and run all audio feeds through the camera. Potential cost in upgrading audio/visual components of the board room to match technology of the new camera for audio feed. Two additional hours of staff time per meeting).
4. Add one camera to the back of the room, record the entire proceedings from that camera, pay to have someone professionally closed-caption the video, post video to Youtube, post minutes and video to the website in the days after the meeting. (One time additional cost of \$15,000 to purchase a high-quality camera and run all audio feeds through the camera. Potential cost in upgrading audio/visual components of the board room to match technology of the new camera for audio feed. \$20,000 ongoing cost for closed captioning services. One-time Two additional hours of staff time per meeting).
6. Add multiple cameras, produce the live video, pay for closed captioning live (some delay), record the proceedings, pay for professional closed captioning, post minutes and video after. (One-time additional cost of ~\$90,000 to purchase three cameras, closed caption appliances, run all audio feeds through the cameras, replace outdated audio equipment for audio feeds and production equipment. \$20,000 ongoing annual cost for closed captioning services, \$30,000 ongoing for video production during the meeting as well as post-production).
7. Same as number 6, but add a way for the public to eComment during the meeting by purchasing the Granicus live meeting system. Additional ~\$50,000 per year for video and board documentation modules.
8. Work with the City of Fullerton to utilize their chambers and their systems to live-stream and live-caption all board meetings. The city currently utilizes Granicus which would cost \$50,000 for our district, and are able to broadcast using their own equipment. All other costs and personnel time unknown.

DISCUSSION/ACTION ITEM

DATE: June 23, 2020
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Jeremy Davis, Assistant Superintendent, Innovation and Instructional Support
SUBJECT: ONLINE AGENDA SOFTWARE FOR BOARD AGENDAS AND MEETINGS

Background: The District currently utilizes basic PDF software for creating board agendas. This process takes significant staff time and causes problems with agenda item versions being transferred between staff members, management, and others as many different staff members have input on many board agenda items. Our Superintendent’s Executive Assistant winds up doing a significant amount of work that can easily be done by software.

Rationale: The District can shift to an online program built for board agendas that allows each department to create agenda items, import attachments, and have multiple staff members working on documents in a centralized program that builds board agendas across a multiple week period and relieves work load from secretaries and staff. Workflows for multiple staff members and management members would create significant efficiencies for all District departments. Board minutes should be taken in a software program and votes should be recorded in a method that allows for uploading to minutes in a web format that becomes more searchable for the general public. These programs can make it easier to run a board meeting with the public viewing information as well as making the agendas more user-friendly. Some of these programs include a web portal for searchable board policies. Staff recommends voting to approve the purchase of the BoardDocs online agenda software solution. Below are the 2 options for review and the Board will vote for either option A or option B.

Option A: Approve Service Agreement #Q-499608 between the Fullerton School District and Diligent Corporation for the 2020-2021 school year.

Option B: Approve Service Agreement between the Fullerton School District and California School Boards Association’s (CSBA) GAMUT for the 2020-2021 school year.

Funding: Cost would be between \$7,000 - \$50,000, depending on the option chosen.

Recommendation: Online Agenda software for Board Agendas and meetings.

RESOLUTION NO. _____

RESOLUTION OF THE BOARD OF TRUSTEES OF FULLERTON
SCHOOL DISTRICT ORDERING AN ELECTION, AND
ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER

WHEREAS, the Board of Trustees (the “Board”) of the Fullerton School District (the “District”) has determined that schools within the District need to be upgraded, repaired, expanded, and better equipped, in a fiscally prudent manner, to enable the District to improve student learning opportunities, and improve student safety and campus security by installing fencing, security cameras, emergency communications systems, smoke detectors, fire alarms and sprinklers; and

WHEREAS, since some District schools were built more than 60 years ago, additional resources are necessary to make basic improvements, including upgrading deteriorating roofs, plumbing, and electrical systems as well as removing hazardous materials like asbestos and lead paint; and

WHEREAS, the Board is devoted to improving the quality of education in our local public schools by upgrading technology to support instruction in core subjects like math, science, engineering, technology and the arts; and

WHEREAS, the Board believes that since academic standards are rising for what it takes to compete in the 21st Century, it is in the best interest of the District to address facility improvements now and provide classrooms, labs and technology needed to ensure local students have access to education, facilities and technology necessary to succeed; and

WHEREAS, all residents benefit from living in a community with good schools and whether or not residents have school-age children, protecting the quality of our schools, the quality of life in our community, and the value of our homes, is a wise investment; and

WHEREAS, the State of California (the “State”) has been unable to provide the District with enough money for the District to adequately construct and repair schools to provide an optimal learning environment for all students and which keep pace with other top-performing districts; and

WHEREAS, the District has completed a facilities assessment with extensive community engagement to identify the most pressing needs in each of the District’s schools to provide safe and modern classroom environments for all students; and

WHEREAS, the Board has received information regarding the possibility of a local bond measure and its bonding capacity; and

WHEREAS, a local measure will help provide funds that cannot be taken away by the State to upgrade aging schools, protect student safety and help the District qualify for State matching funds; and

WHEREAS, such measure will include mandatory taxpayer protections, including an independent citizens’ oversight committee and mandatory audits to ensure funds are spent as promised; and

WHEREAS, the District has reviewed and is in agreement with the criteria established by the Orange County Taxpayers Association for the fiscally responsible issuance of local school district bonds; and

WHEREAS, on November 7, 2000, the voters of California approved the Smaller Classes, Safer Schools and Financial Accountability Act (“Proposition 39”) which reduced the voter threshold for *ad valorem* tax levies used to pay for debt service on bonded indebtedness to 55% of the votes cast on a school district general obligation bond; and

WHEREAS, concurrent with the passage of Proposition 39, Chapter 1.5, Part 10, Division 1, Title 1 (commencing with Section 15264) of the Education Code (the “Act”) became operative and established requirements associated with the implementation of Proposition 39; and

WHEREAS, the Board desires to make certain findings herein to be applicable to this election order and to establish certain performance audits, standards of financial accountability and citizen oversight that are contained in Proposition 39 and the Act; and

WHEREAS, the Board and District has solicited stakeholder and community input on school priorities from parents, teachers, staff, the community and civic leaders; and

WHEREAS, the Board desires to authorize the submission of a proposition to the District’s voters at an election to authorize the issuance of bonds to pay for certain necessary improvements and enhancements to District educational facilities which will improve the health, safety and quality of education for students in the District; and

WHEREAS, the Board hereby determines that, in accordance with Opinion No. 04-110 of the Attorney General of the State of California, the restrictions in Proposition 39 which prohibit any bond money from being wasted or used for inappropriate administrative salaries or other operating expenses of the District shall be enforced strictly by the District’s Citizens’ Oversight Committee; and

WHEREAS, pursuant to Education Code Section 15270, based upon a projection of assessed property valuation, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued will not increase the current tax rates for school facilities and not exceed the Proposition 39 limits per year per \$100,000 of assessed valuation of taxable property; and

WHEREAS, Elections Code Section 9400 *et seq.* requires that a tax rate statement be contained in all official materials relating to the election, including any ballot pamphlet prepared, sponsored, or distributed by the District; and

WHEREAS, the Board desires to authorize the filing of a tax rate statement and a ballot argument in favor of the proposition to be submitted to the voters at the election; and

PROJECT LIST

The Board of Trustees of the Fullerton School District is committed to **improving the quality of education** in local schools by providing safe, secure, upgraded classrooms, labs and technology needed to support high quality instruction **in math, science, engineering and technology**. To that end, the Board evaluated the District’s urgent and critical facility needs, including **safety** issues, class size reduction, **basic repairs**, computer and information technology in developing the types of projects to be funded by this measure as described below. The District also revised a 2015 Master Facilities Plan, which is incorporated herein in its entirety. The District conducted a facilities evaluation and received public input in developing this Project List. Teachers, staff, community members and the Board have prioritized the key health and safety needs so that the most critical facility needs are addressed.

In approving this Project List, the Board of Trustees determines that the District **must**:

- (i) **Remove hazardous materials like asbestos and lead paint, as necessary, from older schools; and**
- (ii) **Provide classrooms, facilities and technology needed to support high quality instruction in math, science, engineering and technology; and**
- (iii) **Repair or replace deteriorating roofs, plumbing, heating, ventilation, and electrical systems where needed; and**
- (iv) **Keep computer systems and instructional technology up-to-date; and**

**STUDENT SAFETY AND ACHIEVEMENT: LOCAL SCHOOL FUNDING TO SUPPORT
HIGH QUALITY INSTRUCTION IN MATH, SCIENCE, ENGINEERING AND
TECHNOLOGY**

Projects That Improve Student Safety and Success

Goals and Purposes: A few of our schools have modern classrooms, labs, and educational facilities, but most do not. This measure will ensure that all students have equal access to the classrooms, labs and facilities they need to succeed.

Whether or not one has school-age children, protecting the quality of our schools, the quality of life in our community, and the value of our homes is a wise investment.

Schools will benefit from a variety of safety and achievement projects, such as:

- **Improve student safety and campus security systems**, including security fencing, security cameras, emergency communications systems, smoke detectors, fire alarms and sprinklers.
- **Keep computer systems and instructional technology up-to-date.**
- Provide the classrooms and facilities needed to support high quality instruction in music, visual and performing arts.
- Transform outdated libraries into modern learning centers.
- **Provide the classrooms, facilities and technology need to support high quality instruction in math, science, engineering, and technology.**
- Improve pick-up and drop-off zones and parking lots to improve student safety and traffic flow.

- **Remove hazardous materials like asbestos and lead paint, as necessary, from older school sites.**

IMPROVE THE QUALITY OF EDUCATION IN LOCAL PUBLIC SCHOOLS

School Repair and Upgrade Projects Funded By Money That Cannot Be Taken By the State Or Used for Other Purposes

Goals and Purposes: If we want our kids to succeed in high school, college and in-demand careers, they must be skilled in the use of today's technologies and have a solid background in science, math, engineering and technology. This measure will make this possible.

Some of our schools were built over 60 years ago and they need to be repaired and upgraded. It's time to make essential repairs and improvements, including deteriorating roofs, plumbing, and electrical systems, so our schools can serve the community well for decades to come.

- **Repair or replace deteriorating roofs, plumbing, sewer lines and electrical systems.**
- Improve access to school facilities for students with disabilities.
- **Provide classrooms, labs and technology to support high quality instructions in math, science, engineering and technology.**
- Improve heating, ventilation, and air conditioning systems, insulation, doors and windows to increase energy efficiency and reduce utility bills.
- Replace aging portable classrooms that are expensive to repair and maintain with modern, permanent classrooms.
- Ensure that all students have equal access to outdoor learning, athletics, and physical education facilities.
- **Remove hazardous materials like asbestos and lead paint from older schools.**
- Upgrade older schools so they meet the same academic and safety standards as newer schools.

In addition to the projects listed above, the repair and renovation of each of the existing school facilities may include, but not be limited to, some or all of the following: add or renovate student and staff restrooms; repair and replace electrical, plumbing, heating, ventilation and air conditioning systems; upgrade of facilities for energy efficiencies; repair and replace worn-out and deteriorated roofs, windows, walls, floors, doors and drinking fountains; construct or renovate facilities for more efficient administration and multi-purpose learning spaces; install wiring and electrical systems to safely accommodate computers, technology and other electrical devices; upgrade or construct support facilities including administrative, physical education, gyms, music, art, performing and fine arts classrooms or facilities, science, computer labs/classrooms, libraries and buildings, covered eating areas, and welcome centers; repair and replace fire alarms, emergency communications, fencing and security systems; improve facilities to satisfy ADA requirements; resurface or replace asphalt, broken concrete and improve hard courts, turf and irrigation/drainage systems and campus landscaping; install signage and marquees; expand parking and drop-off areas; improve all site utilities; acquire land; construct new school buildings, including 2-story classrooms; upgrade or replace interior and exterior painting, floor covering (including carpets), and school facades; demolition; upgrade kitchens, food service, and school cafeterias; build or install or upgrade a data center and generator at central district office; construct various forms of storage and support spaces and classrooms; improve outdoor learning environments and quads; repair, upgrade and install

The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of portable classrooms and existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation or drainage systems, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property. The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses and a customary contingency for unforeseen design and construction costs. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to bond projects. Bond proceeds shall only be expended for the types of projects and purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

Resolution #19/20-21 Supporting Our Black Community and
Standing Against Racial Injustice

June 25, 2020

This is a Resolution of the Board of Trustees of the Fullerton School District to improve the understanding of biases and anti-Black racism and to proclaim the lives of Black students matter. The Board looks to implement greater sensitivity and personal understanding of racial inequalities. We embed direct actions and programs within our school community by encouraging district wide participation during the first week of February declaring that the lives of Black students matter in conjunction with Black History month.

Whereas, Instances of racism and anti-Blackness continue to exist in the Nation and within communities,

Whereas, this nation and Fullerton School District must acknowledge and address these and related issues facing marginalized people of color, including BIPOC (Black, Indigenous and People of Color),

Whereas, the Board of Trustees of the Fullerton School District believes in equality and social justice for all people,

Whereas, the elimination of institutional and structural racism must include classroom, after school and disciplinary programs,

Whereas, schools should be places where equity is practiced, for the building of understanding, and for the active and civic engagement of all in creating pathways to freedom and justice for all people.

Whereas, the killing of unarmed Black men and women, including queer and trans persons of color, has left young people searching for answers to incredibly complicated and infuriating questions; and

Whereas, while we state “Black Lives Matter” it does not negate our commitment to ALL of our students, but rather elevates Black students struggle to trust that our society values them, we must affirm that their lives matter; and

NOW, THEREFORE, BE IT RESOLVED, the Fullerton School District Board of Trustees stand together strongly among our Black students, staff, families, and community and vows to reflect upon its policies, values, goals, and missions to ensure its commitment to all.

THEREFORE, LET IT BE RESOLVED, that the Fullerton School District Supports the FSD Listening and Responding Tour with ALL of our community partners including but not limited to CSEA, FETA, FESMA, PTA, DELAC, and Champions for Learning.

THEREFORE, LET IT BE RESOLVED, By listening and responding to these voices, we will be equipped to understand the ways in which our students, parents and staff of diverse backgrounds have experienced the impact of the National events as they relate to our local people and their own local experiences. With this understanding, we can elevate our responsiveness to our Fullerton school community, advance our educational system for students, and better engage parents and staff with deliberate and effective actions embedded in our curriculum.

BE IT FURTHER RESOLVED, the Fullerton School District Board of Trustees support the collaboration of educators across grade levels and content areas to use resources that are inclusive of all our diverse learners to enrich instruction throughout the entire year, supporting curriculum to accurately portray the cultural and racial diversity of our society.

THEREFORE, LET IT BE RESOLVED, That the Board of Trustees want to receive a formal, coordinated plan, representing actionable proposals from the voices of our entire community.

Respectfully,

Board of Trustees, Fullerton School District

SUBJECT: APPROVE AGREEMENT WITH SWING EDUCATION EFFECTIVE AUGUST 14, 2019

Background: Over the course of the past several years, the Fullerton School District, in addition to many other districts in the state, has faced a significant decline in the number of teacher substitutes in our substitute pool. The reduction of qualified subs has made it difficult to fill classified and certificated staff absences throughout the District. In spite of increasing the District's recruitment efforts, the District's pool has dropped from approximately 320 certificated substitutes to 195 certificated substitutes. Swing Education is akin to a temporary employment agency for substitute teachers and extensively screens its candidates. They recruit for eligible, qualified candidates outside of the district's normal recruitment pools and have a higher success rate at attracting candidates looking for temporary day-to-day substitute teacher work. Partnering with Swing Education will provide the District access to their candidates on high demand days for substitute teachers, such as professional development days, and will reduce the number of vacancies that go unfilled.

Rationale: Partnering with Swing Education will help reduce the number of unfilled vacancies for the 2019/2020 school year.

Funding: Cost not to exceed \$15,000 and is to be charged to various school site budgets as appropriate.

Recommendation: Approve agreement with Swing Education effective August 14, 2019.

**CALIFORNIA -
Swing Education Services Agreement**

This **Swing Education Services Agreement** (this "Agreement") is entered into on _____ (the "Effective Date") by and between Swing Education, Inc. ("Swing Education," "we" or "us") and the School(s) listed on the signature page attached hereto ("School" or "you").

Please read this Agreement carefully before using any of the Services provided by Swing Education, including those made available to you at or through www.swingeducation.com (the "Website"), offered by Swing Education. This Agreement governs your use of the Swing Education Website and all related mobile and web services, including those from third parties that are incorporated or used in conjunction with the Swing Education website and service (collectively, the "Services").

1. Services. Swing Education agrees to provide you with:

- (a) **Access to the Services**, which allows authorized School users to post requests for substitute teachers and related professionals ("SwingSubs") on the Swing Education Website Platform ("Platform"), track and manage those requests, and view information about the SwingSubs.

- (b) **Access to Our Verification Services - California**
 - i. **Teaching Credentials.** Swing Education verifies whether a SwingSub teaching professional holds a substitute teaching permit or standard professional teaching credential, by having the SwingSub upload or submit such document to the Platform. Swing Education marks such SwingSubs as credentialed (or similar language) on the Platform. Swing Education also tracks the expiration date (if one exists) of such document. If such document expires while the SwingSub is a registered member of the Service, Swing Education will shortly thereafter label the SwingSub teaching professional as non-credentialed (or similar language). Note that School is responsible for ensuring accuracy of SwingSub requests where a permit or credential is or is not required.

 - ii. **CA DOJ Live Scan Fingerprint Background Check.** Swing Education verifies that a SwingSub working in California is eligible to work as a teacher before the SwingSub is allowed to fill requests on the Website. Swing Education does this by reviewing the results of the individual's completed Live Scan check issued by the State of California Department of Justice (DOJ) using California Education Code guidelines. Subsequent changes to the SwingSub's status are sent from DOJ to Swing Education. Swing Education prevents a SwingSub from filling requests on the Website if such changes render the SwingSub ineligible to teach, shortly after receiving notice of such changes.

 - iii. **TB Test.** Swing Education determines whether a SwingSub has obtained required TB tests before allowing a SwingSub to fill requests on the Website (according to this form, <https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/TBCB-CA-School-Staff-Volunteer-TB-Risk-Assessment.pdf>).

- (c) **Verification Process.** Swing Education reserves the right to change any of the verification processes described above if it doing such process becomes impossible or impractical to carry out as described.

- (d) **Limitations.** Swing Education provides the Services as a venue for connecting Schools and SwingSubs. Swing Education does not provide any education training, equipment, curriculum for teaching classes or students at any School, nor any other education services to either Schools or SwingSubs. Swing Education does not participate in, and the Services expressly do not include, the relationship or interaction between Schools and SwingSubs, except to provide a Website for Schools to post requests and for SwingSubs to review and accept those requests.
- (e) **Relationship with SwingSubs.** The SwingSubs are not employees, agents, or associates of Swing Education in any way and we do not exercise any control over their actions or schedules.

2. Acceptance of Appendix Terms and Website Terms of Service. By signing this Agreement, you agree to the terms in any Appendix, including Appendix A: Standard Terms. You also agree to the Website Master Terms of Service and Privacy Policy (the "Website Terms") available at www.swingeducation.com/s/Master-Terms-of-Service.pdf.

3. Payments. Payment for the services of a SwingSub will be made to Swing Education according to the following:

- (a) **Daily Pay Rates.** The School designates a Daily Pay Rate or Rates for the SwingSubs via the Website and/or by separate communication with Swing Education in its discretion (the "Daily Pay Rates"). Swing Education does not set the Daily Pay Rate or Rates.
- (b) **Amount Due Per Request.** The amount due ("Amount Due") for a request is the Daily Pay Rate plus the Service Fee (see below (d)), multiplied by the number of days requested. A SwingSub request over 4 hours is assigned the appropriate Daily Pay Rate and anything 4 hours or less is assigned half the appropriate Daily Pay Rate.
- (c) **Cancellations.** Requests that are accepted by a SwingSub, then canceled outside of 24 hrs of the start of a fill, are not subject to any fees. If the fill is canceled less than 24 hrs from the start of a fill (or any day within that fill), then the request will be subject to the Amount Due for one day (i.e., the day that starts within 24 hrs of the cancellation).
- (d) **Service Fees and Invoicing**
Swing Education charges a Service Fee or Fees set as a percentage of the Daily Pay Rate or Rates, according to one of the below options.

Option A - Payment Plan. Under Option A, upon execution of this contract, Swing Education will Invoice the School a Top-Up Amount of \$9,000, or in the alternative, the Top-Up Amount defined in the Pilot Program below, which the School will pay within 30 days. The Top-Up Amount will be held by Swing Education as an Account Balance and drawn down as Requests are rendered. Once the School's Account Balance drops below the Minimum Balance of \$3,000, Swing Education will invoice the Top-Up Amount again. Under Option A, Swing will charge a 25% Service Fee based on the Daily Pay Rates, for each Request. If the Top-Up Amount is not paid within 30 days, Swing Education reserves the right to immediately discontinue all services, or, in the alternative, to automatically switch the School to Option B. Swing Education will maintain ongoing records of the above transactions, which will be reported to the school at least quarterly. Swing Education reserves the right to change the Top-Amount based on upon running School usage, i.e., to approximately the dollar amount represented by the previous three months of active School usage (i.e., not including extended holidays).

Option B - Pay As You Go. Under Option B, upon execution of this contract, Swing Education will invoice the School for each Request on a regular basis, but no more than 30 days after each

Request. School shall pay all amounts due under each invoice within 30 days of the invoice date.

Under Option B, upon execution of this contract, Swing Education will not charge an initial Top-Up Amount. However, if both parties in the future consent to Option A, Swing Education will then invoice the School a Top-Up Amount as described under Option A above. Swing Education will charge a 35% Service Fee based on the Daily Pay Rates, for each successful fill. If an invoice is not paid within 30 days, Swing Education reserves the right to immediately discontinue all services.

School intends to utilize, (select one): X Option A 0 Option B

- (e) **Invoice Items.** School must identify any invoice item dispute to Swing Education within 60 days of the invoice in order to receive credit for such invoice item.
- (f) **Late Payments.** Late payments shall accrue interest at a rate equal to the lesser of one and one half percent (1.5%) per month or the maximum rate permitted by applicable law, from due date until paid, plus Swing Education's reasonable cost of collection. Under Option A, late payments are defined as amounts due 30 days after the Payment Plan Account Balance drops below the Minimum Balance. Under Option B, late payments are defined as any amounts due 30 days after invoice. Swing Education reserves the right to suspend or terminate School's use of the services until any outstanding balance is paid.

4. Recruitment. If you want to hire or contract directly with a SwingSub, you agree to pay Swing Education a \$2,500 finder's fee to cover costs associated with finding, screening and onboarding the SwingSub, and anticipated loss of revenue.

5. Term and Termination. Term. This Agreement shall be in effect for one year from the Effective Date, thereafter this Agreement shall automatically renew at the anniversary date of the Effective Date unless provided 30 days prior written notice of the intent to terminate this Agreement by either party.

- (a) **Termination for Cause.** Either party may seek Termination for Cause of this Agreement at any time during its term for a breach of obligations under this Agreement. Upon timely written notice of such breach, the breaching party has 30 days to cure such breach to reasonable satisfaction of both Parties. Failure to cure the breach after 30 days will allow the aggrieved Party to terminate the Agreement immediately upon receipt of such written notice by the aggrieved Party.
- (b) **Termination.** This Agreement may terminate by election of either party in accordance with the above, or shall terminate naturally if School fails to seek Engagement of any SwingSub for a period of more than 9 months.
- (c) **Effect of Termination.** Termination does not extinguish obligations to pay or rights to seek payment for Invoices outstanding under this Agreement. Upon termination, Swing Education shall have 30 days to reconcile all payments due, and return any remaining Account Balance. All or any portion of the Account Balance may be used by Swing Education to (i) cure School's default in payment of invoices and (ii) pay services completed at the School in advance of the Amount Due being collected from the School.

6. Disclaimer of Warranties. The Services are provided "as is" without any warranty and Swing Education expressly disclaims any and all warranties, express, implied or statutory, including warranties of title, noninfringement, merchantability, and fitness for a particular purpose.

EXCEPT AS EXPRESSLY SET FORTH HEREIN, SWING EDUCATION EXPRESSLY DISCLAIMS, AND YOU EXPRESSLY RELEASE SWING EDUCATION FROM, ANY AND ALL LIABILITY WHATSOEVER FOR ANY DAMAGES, SUITS, CLAIMS AND/OR CONTROVERSIES THAT HAVE ARISEN OR MAY ARISE FROM AND/OR IN ANY WAY RELATE TO ANY ACTS OR OMISSIONS OF USERS ON OR OFF THE SWING EDUCATION SERVICES, INCLUDING WITHOUT LIMITATION THE PROVISION OF ANY SERVICES BY ANY SWINGSUB. FURTHERMORE, BEYOND THE VERIFICATION SERVICES WE PROVIDE, SWING EDUCATION MAKES NO WARRANTY, REPRESENTATION OR CONDITION AS TO THE EFFECTIVENESS, COMPETENCE, SKILL, BACKGROUND, RECORD, OR BEHAVIOR OF THE SWINGSUBS. YOU HEREBY EXPRESSLY RELEASE SWING EDUCATION FROM, ANY AND ALL LIABILITY WHATSOEVER FOR ANY DAMAGES, SUITS, CLAIMS, AND/OR CONTROVERSIES THAT HAVE ARISEN OR MAY ARISE FROM AND/OR IN ANY WAY RELATE TO ANY ACTS OR OMISSIONS OF THE SWINGSUBS WHILE THEY ARE ENGAGED BY YOU, ON YOUR PREMISES, AND/OR PERFORMING THE DUTIES FOR WHICH YOU ENGAGE WITH THEM.

7. Limitation of Liability and Insurance. Swing Education takes its verification responsibilities seriously, including all the verification listed in Section 1. However, our verification responsibilities are limited to the Services specifically outlined in this Agreement, and we cannot ensure the accuracy of the results we receive from the DOJ, FBI or other agency.

Swing Education shall obtain, in order to cover the SwingSubs, general commercial liability insurance (or substantial equivalent) of at least \$1,000,000, and business accident insurance (or substantial equivalent) of at least \$125,000. Swing Education shall also obtain insurance of at least \$1,000,000 per occurrence and \$3,000,000 in aggregate for SwingSub acts of abuse or molestation of students.

EACH PARTY SHALL DEFEND INDEMNIFY AND HOLD HARMLESS THE OTHER PARTY, INCLUDING AFFILIATES AND EACH OF THEIR RESPECTIVE OFFICERS, DIRECTORS, SHAREHOLDERS, EMPLOYEES, REPRESENTATIVES, AGENTS, SUCCESSORS AND ASSIGNS FROM AND AGAINST ALL CLAIMS OF THIRD PARTIES, AND ALL ASSOCIATED LOSSES, TO THE EXTENT ARISING OUT OF (A) THAT PARTY'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT IN PERFORMING ANY OF ITS OBLIGATIONS UNDER THIS AGREEMENT, OR (B) A MATERIAL BREACH BY THAT PARTY OF ANY OF ITS REPRESENTATIONS, WARRANTIES, COVENANTS OR AGREEMENTS UNDER THIS AGREEMENT.

EXCEPT AS REQUIRED BY LAW, NEITHER PARTY WILL BE LIABLE TO THE OTHER FOR MORE THAN THE AMOUNT RECEIVED BY SWING EDUCATION FROM YOU IN THE TWELVE MONTH PERIOD PRECEDING THE DATE A CLAIM IS FIRST ASSERTED.

Appendix A: Standard Terms

1. FERPA Compliance. The Family Educational Rights and Privacy Act ("FERPA") requires that U.S. Schools that receive certain federal funds obtain prior written consent from a parent or guardian of a minor student ("Parent") before disclosing any educational records regarding such student ("Educational Records") to third parties. While Swing Education does not anticipate any disclosure of records, if you are a School and FERPA applies to you, you hereby agree to the following:

- (a) You shall designate your selected SwingSub as an "other school official" under FERPA, who has a "legitimate educational interest" in using and accessing such Educational Records, and you hereby represent and warrant that (a) You have obtained all consents necessary in connection with disclosing any Educational Records directly or indirectly to Swing Education, Users, or otherwise in connection with the Services, and (b) Your disclosures described in (a) are not and will not be a violation of FERPA; and
- (b) You shall not disclose to Swing Education any information protected by FERPA, and that you shall indemnify and hold harmless Swing Education for any disclosures, inadvertent or otherwise, from you, your authorized users, administrators, teachers, staff, students, or other persons who have access to such information.

2. Dispute Resolution. *Please read this section carefully. It is part of your contract with Swing Education and affects your rights. It contains procedures for MANDATORY BINDING ARBITRATION AND A CLASS ACTION WAIVER.*

- (a) **Applicability of Arbitration Agreement.** All claims and disputes (excluding claims for injunctive or other equitable relief as set forth below) in connection with this Agreement or the use of any product or service provided by Swing Education, including the Services, that cannot be resolved informally or in small claims court shall be resolved by binding arbitration on an individual basis under the terms of this Arbitration Agreement. Unless otherwise agreed, all arbitration proceedings shall be held in English. This Arbitration Agreement applies to you and Swing Education, and to any subsidiaries, affiliates, agents, employees, predecessors in interest, successors, and assigns, as well as all authorized or unauthorized users or beneficiaries of services or goods provided under this Agreement.
- (b) **Notice Requirement and Informal Dispute Resolution.** Before either party may seek arbitration, the party must first send to the other party a written notice of dispute ("Notice") describing the nature and basis of the claim or dispute, and the requested relief. A Notice to Swing Education must be sent to: Michael Teng, CEO, Swing Education, Inc., 700 S. Claremont Street, San Mateo, CA 94402 and mike@swingeducation.com. After the Notice is received, you and Swing Education may attempt to resolve the claim or dispute informally. If you and Swing Education do not resolve the claim or dispute within thirty (30) days after the Notice is received, either party may begin an arbitration proceeding. The amount of any settlement offer made by any party may not be disclosed to the arbitrator until after the arbitrator has determined the amount of the award, if any, to which either party is entitled.
- (c) **Arbitration Rules.** Arbitration shall be initiated through the American Arbitration Association ("AAA"), an established alternative dispute resolution provider ("ADR Provider") that offers arbitration as set forth in this section. If AAA is not available to arbitrate, the parties shall agree to select an alternative ADR Provider. The rules of the ADR Provider ("Arbitration Rules") shall govern all aspects of the arbitration, including but not limited to the

method of initiating and/or demanding arbitration, except to the extent such rules are in conflict with this Agreement. The arbitration shall be conducted by a single, neutral arbitrator. Any claims or disputes where the total amount of the award sought is less than Ten Thousand U.S. Dollars (US \$10,000.00) may be resolved through binding non-appearance-based arbitration, at the option of the party seeking relief. For claims or disputes where the total amount of the award sought is Ten Thousand U.S. Dollars (US \$10,000.00) or more, the right to a hearing will be determined by the Arbitration Rules. Any hearing will be held in a location within 100 miles of your residence, unless you reside outside of the United States, and unless the parties agree otherwise. If you reside outside of the U.S., the arbitrator shall give the parties reasonable notice of the date, time and place of any oral hearing. Any judgment on the award rendered by the arbitrator may be entered in any court of competent jurisdiction. Each party shall bear its own costs (including attorney's fees) and disbursements arising out of the arbitration and shall pay an equal share of the fees and costs of the ADR Provider.

- (d) **Additional Rules for Non-Appearance Based Arbitration.** If non-appearance based arbitration is elected, the arbitration shall be conducted by telephone, online and/or based solely on written submissions; the specific manner shall be chosen by the party initiating the arbitration. The arbitration shall not involve any personal appearance by the parties or witnesses unless otherwise agreed by the parties.
- (e) **Time Limits.** If you or Swing Education pursue arbitration, the arbitration action must be initiated and/or demanded within the statute of limitations (i.e., the legal deadline for filing a claim) and within any deadline imposed under the Arbitration Rules for the pertinent claim.
- (f) **Authority of Arbitrator.** If arbitration is initiated, the arbitrator will decide the rights and liabilities, if any, of you and Swing Education, and the dispute will not be consolidated with any other matters or joined with any other cases or parties. The arbitrator shall have the authority to grant motions dispositive of all or part of any claim. The arbitrator shall have the authority to award monetary damages, and to grant any non-monetary remedy or relief available to an individual under applicable law, the Arbitration Rules, and this Agreement. The arbitrator shall issue a written award and statement of decision describing the essential findings and conclusions on which the award is based, including the calculation of any damages awarded. The arbitrator has the same authority to award relief on an individual basis that a judge in a court of law would have. The award of the arbitrator is final and binding upon you and Swing Education.
- (g) **Waiver of Jury Trial.** THE PARTIES HEREBY WAIVE THEIR CONSTITUTIONAL AND STATUTORY RIGHTS TO GO TO COURT AND HAVE A TRIAL IN FRONT OF A JUDGE OR A JURY, instead electing that all claims and disputes shall be resolved by arbitration under this Arbitration Agreement. Arbitration procedures are typically more limited, more efficient and less costly than rules applicable in a court and are subject to very limited review by a court. In the event any litigation should arise between you and Swing Education in any state or federal court in a suit to vacate or enforce an arbitration award or otherwise, YOU AND SWING EDUCATION WAIVE ALL RIGHTS TO A JURY TRIAL, instead electing that the dispute be resolved by a judge.
- (h) **Confidentiality.** All aspects of the arbitration proceeding, including but not limited to the award of the arbitrator and compliance therewith, shall be strictly confidential. The parties agree to maintain confidentiality unless otherwise required by law. This paragraph shall not prevent a party from submitting to a court of law any information necessary to enforce this

Agreement, to enforce an arbitration award, or to seek injunctive or equitable relief.

- (i) **Severability.** If any part or parts of this Arbitration Agreement are found under the law to be invalid or unenforceable by a court of competent jurisdiction, then such specific part or parts shall be of no force and effect and shall be severed and the remainder of the Agreement shall continue in full force and effect.
- (j) **Right to Waive.** Any or all of the rights and limitations set forth in this Arbitration Agreement may be waived by the party against whom the claim is asserted. Such waiver shall not waive or affect any other portion of this Arbitration Agreement.
- (k) **Survival.** This Arbitration Agreement will survive the termination of your relationship with Swing Education.
- (l) **Small Claims Court.** Notwithstanding the foregoing, either you or Swing Education may bring an individual action in small claims court.
- (m) **Emergency Equitable Relief.** Notwithstanding the foregoing, either party may seek emergency equitable relief before a state or federal court in order to maintain the status quo pending arbitration. A request for interim measures shall not be deemed a waiver of any other rights or obligations under this Arbitration Agreement.
- (n) **Claims Not Subject to Arbitration.** Notwithstanding the foregoing, claims of defamation, violation of the Computer Fraud and Abuse Act, and infringement or misappropriation of the other party's patent, copyright, trademark or trade secrets shall not be subject to this Arbitration Agreement.
- (o) **Courts.** In any circumstances where the foregoing Arbitration Agreement permits the parties to litigate in court, the parties hereby agree to submit to the personal jurisdiction of the courts located within San Mateo County, California, for such purpose.

3. General Provisions

- (a) **Attorneys' Fees.** The prevailing party in any suit, action or proceeding, including arbitration, arising out of or relating to this Agreement shall be entitled to receive in addition to all other damages, the costs incurred by such party, including reasonable attorneys' fees and expenses and court costs.
- (b) **Notices.** All notices, and other communications hereunder (each, a "Notice") shall be in writing and addressed to the parties at the designated email for Notice of a party. A Notice is effective only upon receipt by the receiving party, either at the below or or as designated on the Signature Page.
 - i. Swing Education Address: Michael Teng, CEO, Swing Education, Inc., 700 S. Claremont Street, San Mateo, CA 94402, mike@swingeducation.com
 - ii. School Address: See Signature Page
- (c) **Severability.** If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

- (d) **Entire Agreement.** This Agreement constitutes the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to such subject matter.
- (e) **Waiver.** No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. No waiver by any party shall be construed as a waiver of any failure, breach or default not expressly identified by such written waiver. No failure to exercise, or delay in exercising, or any single or partial exercise of any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof.
- (f) **Assignment.** Neither party may assign any of its rights or delegate any of its obligations hereunder without the prior written consent of the other party. Any purported assignment or delegation in violation of this Section shall be null and void. No assignment or delegation shall relieve the assigning or delegating party of any of its obligations hereunder.
- (g) **Successors and Assigns.** This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.
- (h) **Governing Law.** This Agreement and all matters arising out of or relating to this Agreement shall be governed by and construed in accordance with the laws of the State of California without giving effect to any choice or conflict of law provision or rule (whether of the State of California or any other jurisdiction).
- (i) **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.
- (j) **Non-Discrimination.** Swing Education represents that it will exercise equal opportunity in the registration and assignment of all SwingSubs and acknowledges that it shall not subject any person to unlawful discrimination based on race, color, gender, age, religion, national origin, U.S. military veteran status, marital status, sexual orientation, disability, source of income, or political affiliation in programs, activities, services, benefits, or employment in connection with this Agreement. Swing Education agrees not to discriminate on any of these bases in its practices and policies.
- (k) **Confidentiality.** Both parties may receive information that is proprietary to or confidential to the other party, or to its affiliated companies and their clients. Both parties agree to hold such information in strict confidence and not to disclose such information to third parties or to use such information for any purpose whatsoever other than performing under this agreement or as required by law. No knowledge, possession or use of School's confidential information will be imputed to Swing Education as a result of a SwingSub's access to such information.
