S9A. Identification of Other Funds with Negative Ending Fund Balances

DATA ENTRY: Click the appropriate button in Item 1. If Yes, enter data in Item 2 and provide the reports referenced in Item 1.

1. Are any funds other than the general fund projected to have a negative fund balance at the end of the current fiscal year?

No

If Yes, prepare and submit to the reviewing agency a report of revenues, expenditures, and changes in fund balance (e.g., an interim fund report) and a multiyear projection report for each fund.

2. If Yes, identify each fund, by name and number, that is projected to have a negative ending fund balance for the current fiscal year. Provide reasons for the negative balance(s) and explain the plan for how and when the problem(s) will be corrected.

ADDITIONAL FISCAL INDICATORS

The following fiscal indicators are designed to provide additional data for reviewing agencies. A "Yes" answer to any single indicator does not necessarily suggest a cause for concern, but may alert the reviewing agency to the need for additional review.

DATA ENTRY: Click the appropriate Yes or No button for items A2 through A9; Item A1 is automatically completed based on data from Criterion 9.

A1. Do cash flow projections show that the district will end the current fiscal year with a negative cash balance in the general fund? (Data from Criterion 9B-1, Cash Balance, are used to determine Yes or No)

A2. Is the system of personnel position control independent from the payroll system?

A3. Is enrollment decreasing in both the prior and current fiscal years?

A4. Are new charter schools operating in district boundaries that impact the district's enrollment, either in the prior or current fiscal year?

A5. Has the district entered into a bargaining agreement where any of the current or subsequent fiscal years of the agreement would result in salary increases that are expected to exceed the projected state funded cost-of-living adjustment?

A6. Does the district provide uncapped (100% employer paid) health benefits for current or retired employees?

A7. Is the district's financial system independent of the county office system?

A8. Does the district have any reports that indicate fiscal distress pursuant to Education Code Section 42127.6(a)? (If Yes, provide copies to the county office of education.)

End of School District Second Interim Criteria and Standards Review

ACTION ITEM

DATE: March 10, 2020

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services

SUBJECT: CONDUCT A PUBLIC HEARING ON THE SUBJECT OF DEDICATING SUCH EASEMENTS TO BRANDYWINE-HOMES AND APPROVE RESOLUTION NO. 19/20-14 OF THE BOARD OF TRUSTEES OF THE FULLERTON SCHOOL DISTRICT AUTHORIZING THE DEDICATION OF A TEMPORARY CONSTRUCTION EASEMENT AND AN EASEMENT TO BRANDYWINE-HOMES

Background: Brandywine-Homes has requested that the District dedicate a temporary construction easement ("Construction Easement") to access for the purposes of temporarily excavating, displacing, stockpiling and surcharging soil and other construction activities ("Infrastructure Work") that are reasonably necessary in order to construct and install landscaping, an irrigation system, a walkway and ramp, new privacy walls, fencing and drainage improvements ("Park Facilities"). Brandywine-Homes also requested that the District dedicate an easement ("Easement") for purposes of use, operation, maintenance, repair, and replacement of the Park Facilities. Both the Construction Easement and Easement would be upon a portion of the District's Beechwood Elementary School property located at 780 Beechwood Avenue, Fullerton, CA 92835. Adoption of the Resolution before the Board will result in the dedication of the two above-referenced easements to Brandywine-Homes.

Rationale: The District and community will benefit from the dedication of the Construction Easement and Easement to Brandywine-Homes by allowing Brandywine-Homes to construct drainage improvements that will mitigate any drainage or flooding issues and to maintain the currently unimproved area. The easements referenced above were spurred by and pertain to Brandywine-Homes' proposed condominium project, which was approved by the City of Fullerton on February 4, 2020 and accordingly will be proceeding forward regardless of approval of Resolution No. 19/20-14.

Funding: No fiscal impact to District.

Recommendation: Conduct a public hearing on the subject of dedicating such easements to Brandywine-Homes and approve Resolution No. 19/20-14 of the Board of Trustees of the Fullerton School District authorizing the dedication of a temporary construction easement and an easement to Brandywine-Homes.

EASEMENT AGREEMENT
FOR CONSTRUCTION OF PARK FACILITIES

THIS EASEMENT AGREEMENT FOR CONSTRUCTION OF PARK FACILITIES (this “Easement Agreement”) is made by and between BRANDYWINE ACQUISITION GROUP, LLC, a California limited liability company (“*Developer*”), and FULLERTON SCHOOL DISTRICT OF ORANGE COUNTY (“*School District*”).

RECITALS

A. Developer is the fee title owner of certain real property located in the City of Fullerton, County of Orange, State of California, as more particularly described on Exhibit “A” attached hereto (the “Developer Property”).

B. School District is the owner of certain real property located adjacent to the Developer Property, as more particularly described on Exhibit “B” attached hereto (the “School Property”).

C. Developer intends to construct and install landscaping, an irrigation system (with underground water pipes), a walkway and ramp, tubular steel fencing, block wall, pedestrian access gate, a storm drain inlet and underground drainage pipe to serve the Developer Property and the School Property (collectively, the “Park Facilities”), which Park Facilities shall extend from the Developer Property into a portion of the School Property, the location of which is approximately described and illustrated on Exhibit “C” attached hereto (the “Park Easement Area”). Subject to the terms, conditions and covenants set forth herein, Developer and School District desire to create and establish, in favor of the Developer Property, a nonexclusive easement over the Park Easement Area for the purposes of permitting construction activities (collectively, the “Infrastructure Work”), for access and subsequent use of the Park Facilities by the owners and residents of homes to be constructed on the Developer Property, and for the future operation and maintenance of the Park Facilities by an incorporated homeowners’ association.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Developer and School District hereby agree as follows:

1. GRANT OF DEVELOPER EASEMENTS BY SCHOOL DISTRICT. Upon and subject to the conditions, restrictions and reservations set forth herein, School District hereby grants to Developer, and its respective successors and assigns, the following easements appurtenant to the Developer Property (collectively, the "Developer Easements"):

1.1 Construction Easement. A temporary nonexclusive easement and right-of-way (the "Construction Easement") on, over, under and across the Park Easement Area for the purpose of (a) temporarily excavating, displacing, stockpiling and surcharging soil and other construction activities as are reasonably necessary in order to complete the Infrastructure Work, (b) temporarily staging equipment, materials and supplies reasonably necessary to complete the Infrastructure Work, and (c) removing or restoring soil upon completion of the Infrastructure Work. The foregoing easement shall further include the right to bring upon the Park Easement Area such machinery, equipment, materials and supplies as may be reasonably required for completion of the Infrastructure Work.

1.2 Developer Easements. It is understood and agreed that the Developer Easements do not constitute a conveyance of a fee interest in School Property or of the minerals therein and thereunder but grants only the limited easements as provided in Paragraph 1.1 above. With respect to any pedestrian/access gate that is constructed by Developer in the Park Easement Area, School District may permanently lock the pedestrian/access gate if, in School District's sole discretion, it determines such action is necessary. The Developer Easements granted herein are on an "AS-IS" basis and School District makes no representation or warranty of any kind, express or implied, regarding the condition of the School Property or the Park Easement Area, the suitability of the Park Easement Area for Developer's intended use or as to any matter.

1.3 Termination. Upon Developer's default hereunder, School District may deliver to Developer a written notice of default, stating with specificity the nature of Developer's default. If Developer has not cured the default within thirty (30) days after receipt of the notice of default, or, in the event it is reasonably agreed between the parties that it is not feasible to cure the breach within thirty (30) days and efforts to provide such cure are not commenced within thirty (30) days of such notice and thereafter continuously and diligently pursued, School District may terminate the Developer Easements effective immediately upon receipt by Developer of School District's written notice of termination.

2. NO ACCESS EASEMENT OVER DEVELOPER PROPERTY. The parties acknowledge that the Park Facilities installed by Developer include a pedestrian gate that will provide access from the School Property to the Park Easement Area. The parties also acknowledge that Developer's development plan for the Developer Property presently includes the installation of controlled access facilities, including without limitation a vehicular access gate at the entrance to the Developer Property from East Bastanchury Road for the purpose of restricting access to the Developer Property by members of the general public. This Easement Agreement is not intended to provide, and shall not be interpreted as a grant of, any right of pedestrian access over the Developer Property from the School Property.

3. TERM OF EASEMENTS. The rights to exercise the Construction Easement granted herein shall commence upon the recordation of this Easement Agreement and shall terminate,

without need of further notice, upon the date which construction is completed with respect to all Infrastructure Work associated with the installation and construction of the Park Facilities. Developer shall provide School District with written notice of completion of the Infrastructure Work.

4. CONDITIONS AND COVENANTS WITH RESPECT TO EASEMENTS. The rights conferred by the Developer Easements and Drainage Easement (hereinafter referred to collectively as the "Easements") are subject to the performance and satisfaction of the following conditions and covenants:

5.2 Indemnity. Developer shall protect, defend, indemnify, and save harmless the School District and its trustees, officers, officials, employees, and agents, from any and all claims, demands, suits, penalties, losses, damages, judgments, or costs of any kind whatsoever (hereinafter "claims"), arising out of or in any way resulting from the Developer's officers, employees, agents, and/or subcontractors of all tiers, acts or omissions, performance or failure to perform this Easement Agreement, to the maximum extent permitted by law. The parties acknowledge that these provisions were mutually negotiated and agreed upon by them.

5.2.3 To the maximum extent permitted by law, Developer shall indemnify and defend School District from and be liable for all damages and injury which shall be caused to owners of property on or in the vicinity of the construction of the Infrastructure Work or which shall occur to any person or persons or property whatsoever arising out of this Easement Agreement, whether or not such injury or damage is caused by negligence of the Developer or caused by the inherent nature of the construction of the Infrastructure Work.

5.2.4 In the event the School District incurs any judgment, award, and/or costs arising therefrom, including attorneys' fees, to enforce the provisions of this Section, all such reasonable fees, expenses, and costs shall be recoverable from the Developer.

5.2.5 Notwithstanding the provisions contained in this Section above, Developer's obligation to indemnify School District shall not extend to any claim, demand or cause of action arising or in connection with the gross negligence, intentional acts, or breach of this Easement Agreement by School District or its agents or employees.

FOR MAINTENANCE AND USE OF PARK FACILITIES

THIS EASEMENT AGREEMENT FOR MAINTENANCE AND USE OF PARK FACILITIES (this “Easement Agreement”) is made by and between BRANDYWINE ACQUISITION GROUP, LLC, a California limited liability company (“*Declarant*”), and FULLERTON SCHOOL DISTRICT OF ORANGE COUNTY (“*School District*”).

RECITALS

A. Declarant is the fee title owner of certain real property located in the City of Fullerton, County of Orange, State of California, as more particularly described on Exhibit “A” attached hereto (the “Declarant Property”).

B. School District is the owner of certain real property located adjacent to the Declarant Property, as more particularly described on Exhibit “B” attached hereto (the “School Property”).

C. Declarant has constructed and installed landscaping, an irrigation system (with underground water pipes), a walkway and ramp, tubular steel fencing, block wall, pedestrian access gate, a storm drain inlet and underground drainage pipe to serve the Declarant Property and the School Property (collectively, the “Park Facilities”), which Park Facilities shall extend from the Declarant Property into a portion of the School Property, the location of which is approximately described and illustrated on Exhibit “C” attached hereto (the “Park Easement Area”). Subject to the terms, conditions and covenants set forth herein, Declarant and School District desire to create and establish, in favor of the Declarant Property, a nonexclusive easement over the Park Easement Area for access and subsequent use of the Park Facilities by the owners and residents of homes to be constructed on the Declarant Property, and for the future operation and maintenance of the Park Facilities by an incorporated homeowners’ association.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Declarant and School District hereby agree as follows:

1. GRANT OF EASEMENTS BY SCHOOL DISTRICT. Upon and subject to the conditions, restrictions and reservations set forth herein, School District hereby grants to Declarant, and its respective successors and assigns, a perpetual nonexclusive easement on, over, under and across the Park Easement Area for use, operation, maintenance, repair and replacement of the Park Facilities (the "Park Easement"). The Park Easement is intended to run to the benefit of the homeowners' association formed to operate and manage the residential development to be located on the Declarant Property and shall be assigned thereto upon turnover of the Improvements from Declarant to the Homeowners Association.

1.1 Limitations of Park Easement. It is understood and agreed that the Easements do not constitute a conveyance of a fee interest in School Property or of the minerals therein and thereunder but grants only the limited easements as provided in Paragraph 1.1 above. With respect to any pedestrian/access gate that is constructed by Declarant in the Park Easement Area, School District may permanently lock the pedestrian/access gate if, in School District's sole discretion, it determines such action is necessary. The Declarant Easements granted herein are on an "AS-IS" basis and School District makes no representation or warranty of any kind, express or implied, regarding the condition of the School Property or the Park Easement Area, the suitability of the Park Easement Area for Declarant's intended use or as to any matter.

1.2 Termination. Upon Declarant's default hereunder, School District may deliver to Declarant a written notice of default, stating with specificity the nature of Declarant's default. If Declarant has not cured the default within thirty (30) days after receipt of the notice of default, or, in the event it is reasonably agreed between the parties that it is not feasible to cure the breach within thirty (30) days and efforts to provide such cure are not commenced within thirty (30) days of such notice and thereafter continuously and diligently pursued, School District may terminate the Declarant Easements effective immediately upon receipt by Declarant of School District's written notice of termination.

2. GRANT OF DRAINAGE EASEMENT BY DECLARANT. Upon and subject to the conditions, restrictions and reservations set forth herein, Declarant hereby grants to School District, and its respective successors and assigns, a nonexclusive easement on, under and across the Declarant Property as reasonably necessary for discharge of storm water drainage that is collected from the Declarant installed inlet and storm drain pipe located within the Park Easement Area to the public storm drain system located within East Bastanchury Road (the "Drainage Easement").

3. NO ACCESS EASEMENT OVER DECLARANT PROPERTY. The parties acknowledge that the Park Facilities installed by Declarant include a pedestrian gate that will provide access from the School Property to the Park Easement Area. The parties also acknowledge that Declarant's development plan for the Declarant Property presently includes the installation of controlled access facilities, including without limitation a vehicular access gate at the entrance to the Declarant Property from East Bastanchury Road for the purpose of restricting access to the Declarant Property by members of the general public. This Easement Agreement is not intended to provide, and shall not be interpreted as a grant of, any right of pedestrian access over the Declarant Property from the School Property.

4. TERM OF EASEMENTS.

6. MECHANICS LIENS; INDEMNITY AND INSURANCE

6.1 Mechanics' Liens. Declarant shall keep the School Property free and clear of any mechanics' liens or materialmen's liens arising out of the Infrastructure Work. In the event any such liens are recorded against the School Property, School District shall notify Declarant thereof, whereupon Declarant shall immediately post such mechanics' lien release bonds as may be necessary to cause such liens to be released as an encumbrance against such property. If Declarant has a bona fide dispute with a contractor or subcontractor under any contract relating to the Infrastructure Work, Declarant shall have the right to pursue such dispute provided it has posted the mechanics' lien release bond as provided above.

6.2 Indemnity. Declarant or Homeowners Association shall protect, defend, indemnify, and save harmless the School District and its trustees, officers, officials, employees, and agents, from any and all claims, demands, suits, penalties, losses, damages, judgments, or costs of any kind whatsoever (hereinafter "claims"), arising out of or in any way resulting from the Declarant's officers, employees, agents, and/or subcontractors of all tiers, acts or omissions, performance or failure to perform this Easement Agreement, to the maximum extent permitted by law. The foregoing duty is specifically and expressly intended to constitute a waiver of Declarant's immunity under California's industrial insurance act as respects the School District only, with a full and complete indemnity and defense of claims made by Declarant's employees. The parties acknowledge that these provisions were mutually negotiated and agreed upon by them.

6.2.3 To the maximum extent permitted by law, Declarant shall indemnify and defend School District from and be liable for all damages and injury which shall be caused to owners of property on or in the vicinity of the construction of the Infrastructure Work or which shall occur to any person or persons or property whatsoever arising out of this Easement Agreement, whether or not such injury or damage is caused by negligence of the Declarant or caused by the inherent nature of the construction of the Infrastructure Work.

6.2.4 In the event the School District incurs any judgment, award, and/or costs arising therefrom, including attorneys' fees, to enforce the provisions of this Section, all such reasonable fees, expenses, and costs shall be recoverable from the Declarant.

6.2.5 Notwithstanding the provisions contained in this Section above, Declarant's obligation to indemnify School District shall not extend to any claim, demand or cause of action

The certificates and endorsements for each policy are to be signed by a person authorized by that insurer. 6.3.5 For All Coverages.

(a) Each insurance policy shall be written on an "occurrence" form.

(b) By requiring such minimum insurance, School District shall not be deemed to, or construed to, have assessed the risks that may be applicable to Declarant associated with this Easement Agreement. Declarant shall assess its own risks and, if it deems appropriate and/or prudent, maintain greater limits or broader coverage.

(c) Nothing contained within these insurance requirements shall be deemed to limit the scope, application and/or limits of coverage afforded, which coverage will apply to each insured to the full extent provided by the terms and conditions of the policy(ies). The Census Bureau is required to keep information confidential. All responses provided on the 2020 Census questionnaire or to a Census Bureau employee are confidential and protected under Title 13 of the U.S. Code. A timeline was shared of how the Census Bureau will be sending invitations and contacting the public.

Superintendent's Report

On behalf of the Superintendent, Dr. Rob Coghlan shared information regarding solar panel installation. Dr. Coghlan shared that on January 8, 2020, the District held the first of five community informational meetings regarding solar at Beechwood School. Three neighbors from Beechwood attended along with one neighbor from Sunset Lane Schools attended. At all of FSD sites, placement was limited due to DSA requirements, fire lanes, future construction, modernization, and non-interference with trees and buildings for maximum sun exposure. When placing the solar panels at Beechwood and Sunset Lane, the District consulted with the principal and staff at each school to determine the best placement for running instructional programs. At Beechwood School it was agreed by the principal and staff that the final placement of the panels was best for the physical education program and also maximized the grass area play space for students during recess and lunch. At Sunset Lane, two arrays were placed: One to replace the old lunch shelters and one on the grass area closer to the multi-purpose room for shade during recess and lunch. Future community informational meetings regarding solar will be held on: January 16, 2020 (Nicolas JHS), January 22, 2020 (Parks JHS), January 30, 2020 (Ladera Vista JHS of the Arts), and February 5, 2020 (Fisler School). Representatives from PFMG Solar will be present at all meetings.

Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, eFileCabinet (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the "I agree" button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign "Withdraw Consent" form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

AGREEMENT FOR LEGAL SERVICES

THIS AGREEMENT is effective January 21, 2020, between the FULLERTON SCHOOL DISTRICT (“Client”) and the law firm of LOZANO SMITH, LLP (“Attorney”) (each a “Party” and collectively the “Parties”). Attorney shall provide legal services as requested by Client on the following terms and conditions:

1. **ENGAGEMENT.** Client hires Attorney on an as-requested basis as its legal counsel with respect to matters the Client refers to Attorney. When Client refers a matter to Attorney, Attorney shall confirm availability and ability to perform legal services regarding the matter. After Attorney has completed services for the specific matter referred by Client, then no continuing attorney-client relationship exists until Client requests further services and Attorney accepts a new engagement. If Attorney undertakes to provide legal services to represent Client in such matters, Attorney shall keep Client informed of significant developments and respond to Client’s inquiries regarding those matters. Client understands that Attorney cannot guarantee any particular results, including the costs and expenses of representation. Client agrees to be forthcoming with Attorney, to cooperate with Attorney in protecting Client’s interests, to keep Attorney fully informed of developments material to Attorney’s representation of client, and to abide by this Agreement. Client is hereby advised of the right to seek independent legal advice regarding this Agreement.
2. **RATES TO BE CHARGED.** Client agrees to pay Attorney for services rendered based on the attached rate schedule. Agreements for legal fees on other-than-an-hourly basis may be made by mutual agreement for special projects (including as set forth in future addenda to this Agreement).
3. **REIMBURSEMENT.** Client agrees to reimburse Attorney for actual and necessary expenses and costs incurred in the course of providing legal services to Client, including but not limited to expert, consultant, mediation and arbitration fees. Attorney shall not be required to advance costs on behalf of Client over the amount of \$1,000 unless otherwise agreed to in writing by Attorney. Typical expenses advanced for Client, without prior authorization, include messenger fees, witness fees, expedited delivery charges, travel expenses, court reporter fees and transcript fees. Client authorizes Attorney to retain experts or consultants to perform services for Client in relation to litigation or Specialized Services.
4. **MONTHLY INVOICES.** Attorney shall send Client a statement for fees and costs incurred every calendar month (the “Statement”). Statements shall set forth the amount, rate and description of services provided. Client shall pay Attorney’s Statements within thirty (30) calendar days after receipt. An interest charge of one percent (1%) per month shall be assessed on balances that are more than thirty (30) calendar days past due, not to exceed 10% per annum.

5. COMMUNICATIONS BETWEEN ATTORNEY AND CLIENT. The Parties recognize that all legal advice provided by Attorney is protected by the Attorney-Client and Work Product Privileges. In addition to regular telephone, mail and other common business communication methods, Client hereby authorizes Attorney to use facsimile transmissions, cellular telephone calls and text, unencrypted email, and other electronic transmissions in communicating with Client. Unless otherwise instructed by Client, any such communications may include confidential information.

6. POTENTIAL AND ACTUAL CONFLICTS OF INTEREST. If Attorney becomes aware of any potential or actual conflict of interest between Client and one or more other clients represented by Attorney, Attorney will comply with applicable laws and rules of professional conduct.

7. INDEPENDENT CONTRACTOR. Attorney is an independent contractor and not an employee of Client.

8. TERMINATION.

a. Termination by Client. Client may discharge Attorney at any time, with or without cause, by written notice to Attorney.

b. Termination by Mutual Consent or by Attorney. Attorney may terminate its services at any time with Client's consent or for good cause. Good cause exists if (a) Client fails to pay Attorney's Statement within sixty (60) calendar days of its date, (b) Client fails to comply with other terms of this Agreement, including Client's duty to cooperate with Attorney in protecting Client's interests, (c) Client has failed to disclose material facts to Attorney or (d) any other circumstance exists that requires termination of this engagement under the ethical rules applicable to Attorney. Additionally, to the extent allowed by law, Attorney may decline to provide services on new matters or may terminate the Agreement without cause upon written notice to Client if Attorney is not then providing any legal services to Client. Even if this Agreement is not terminated, under paragraph 1 an attorney-client relationship exists only when Attorney is providing legal services to Client.

c. Following Termination. Upon termination by either Party: (i) Client shall promptly pay all unpaid fees and costs for services provided or costs incurred pursuant to this Agreement up to the date of termination; (ii) unless otherwise required by law or agreed to by the Parties, Attorney will provide no legal services following notice of termination; (iii) Client will cooperate with Attorney in facilitating the orderly transfer of any outstanding matters to new counsel, including promptly signing a substitution of counsel form at Attorney's request; and (iv) Client shall, upon request, be provided the Client's file maintained for the Client by Attorney and shall sign acknowledgment of receipt upon delivery of that file. For all Statements received by Client from Attorney prior to the date of termination, Client's failure to notify Attorney in writing of any disagreement with either the services performed or the charges for those services as shown in the Statement within thirty (30) calendar days of the date of termination shall be

deemed Client's acceptance of and agreement with the Statement. For any billing appearing for the first time on a Statement received by Client from Attorney after the date of termination, failure to notify Attorney in writing of any disagreement with either the services performed or the charges for those services within thirty (30) calendar days from receipt of the Statement shall be deemed to signify Client's acceptance of and agreement with the Statement.

9. MAINTENANCE OF INSURANCE. Attorney agrees that, during the term of this Agreement, Attorney shall maintain liability and errors and omissions insurance.

10. CONSULTANT SERVICES. Attorney works with professional consultants that provide services, including but not limited to investigations, public relations, educational consulting, leadership mentoring and development, financial, budgeting, management auditing, board/superintendent relations, administrator evaluation and best practices, and intergovernmental relations. Attorney does not share its legal fees with such consultants. Attorney may offer these services to Client upon request.

11. DISPUTE RESOLUTION.

a. Mediation. Except as otherwise set forth in this section, Client and Attorney agree to make a good faith effort to settle any dispute or claim that arises under this Agreement through discussions and negotiations and in compliance with applicable law. In the event of a claim or dispute, either Party may request, in writing to the other Party, to refer the dispute to mediation. This request shall be made within thirty (30) calendar days of the action giving rise to the dispute. Upon receipt of a request for mediation, both Parties shall make a good faith effort to select a mediator and complete the mediation process within sixty (60) calendar days. The mediator's fee shall be shared equally between Client and Attorney. Each Party shall bear its own attorney fees and costs. Whenever possible, any mediator selected shall have expertise in the area of the dispute and any selected mediator must be knowledgeable regarding the mediation process. No person shall serve as mediator in any dispute in which that person has any financial or personal interest in the outcome of the mediation. The mediator's recommendation for settlement, if any, is non-binding on the Parties. Mediation pursuant to this provision shall be private and confidential. Only the Parties and their representatives may attend any mediation session. Other persons may attend only with the written permission of both Parties. All persons who attend any mediation session shall be bound by the confidentiality requirements of California Evidence Code section 1115, et seq., and shall sign an agreement to that effect. Completion of mediation shall be a condition precedent to arbitration, unless the other Party refuses to cooperate in the setting of mediation.

b. Dispute Regarding Fees. Any dispute as to attorney fees and/or costs charged under this Agreement shall to the extent required by law be resolved under the California Mandatory Fee Arbitration Act (Bus. & Prof. Code §§ 6200, et seq.).

c. Binding Arbitration. Except as otherwise set forth in section (b) above, Client and Attorney agree to submit all disputes to final and binding arbitration, either following mediation which fails to resolve all disputes or in lieu of mediation as may be agreed by the Parties in writing. Either Party may make a written request to the other for arbitration. If made in lieu of mediation, the request must be made within sixty (60) calendar days of the action giving rise to the dispute. If the request for arbitration is made following an unsuccessful attempt to mediate the Parties' disputes, the request must be made within ten (10) calendar days of termination of the mediation. The Parties shall make a good faith attempt to select an arbitrator and complete the arbitration within ninety (90) calendar days. If there is no agreement on an arbitrator, the Parties shall use the Judicial Arbitration and Mediation Service (JAMS). The arbitrator's qualifications must meet the criteria set forth above for a mediator, except, in addition, the arbitrator shall be an attorney unless otherwise agreed by the Parties. The arbitrator's fee shall be shared equally by both Parties. Each Party shall bear its own attorney fees and other costs. The arbitrator shall render a written decision and provide it to both Parties. The arbitrator may award any remedy or relief otherwise available in court and the decision shall set forth the reasons for the award. The arbitrator shall not have any authority to amend or modify this agreement. Any arbitration conducted pursuant to this paragraph shall be governed by California Code of Civil Procedure sections 1281, et seq. By signing this Agreement, Client acknowledges that this agreement to arbitrate results in a waiver of Client's right to a court or jury trial for any fee dispute or malpractice claim. This also means that Client is giving up Client's right to discovery and appeal. If Client later refuses to submit to arbitration after agreeing to do so, Client maybe ordered to arbitrate pursuant to the provisions of California law. Client acknowledges that before signing this Agreement and agreeing to binding arbitration, Client is entitled, and has been given a reasonable opportunity, to seek the advice of independent counsel.

d. Effect of Termination. The terms of this section shall survive the termination of the Agreement.

12. **ENTIRE AGREEMENT.** This Agreement with its exhibit supersedes any and all other prior or contemporaneous oral or written agreements between the Parties. Each Party acknowledges that no representations, inducements, promises or agreements have been made by any person which are not incorporated herein, and that any other agreements shall be void. Furthermore, any modification of this Agreement shall only be effective if in writing signed by all Parties hereto.

13. **SEVERABILITY.** Should any provision of this Agreement be held by a court of competent jurisdiction to be invalid, void or unenforceable, but the remainder of the Agreement can be enforced without failure of material consideration to any Party, then this Agreement shall not be affected and it shall remain in full force and effect, unless amended or modified by mutual consent of the Parties; provided, however, that if the invalidity or unenforceability of any provision of this Agreement results in a material failure of consideration, then, to the extent allowed by law, the Party adversely affected thereby shall have the right in its sole discretion to terminate this Agreement upon providing written notice of such termination to the other Party.

14. NON-WAIVER. None of the provisions of this Agreement shall be considered waived by either Party unless such waiver is specified in writing.

15. NO THIRD PARTY RIGHTS. This Agreement shall not create any rights in, or inure to the benefit of, any third party.

16. ASSIGNMENT. The terms of this Agreement may not be assigned to any third party. Neither Party may assign any right of recovery under or related to the Agreement to any third party.

SUBJECT: **APPROVE MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN FULLERTON SCHOOL DISTRICT AND CALIFORNIA EMERGING TECHNOLOGY FUND (CETF) AND HUMAN I-T (HIT), FOR AFFORDABLE INTERNET PROGRAM TO EXPAND HOME BROADBAND ACCESS FROM FEBRUARY 15, 2020 THROUGH FEBRUARY 15, 2021**

Background: A few local internet service providers (ISPs) provide low cost monthly Internet access to families that qualify (based on income). California Emerging Technology Fund (CETF) is a non-profit that creates relationships between school districts and local information technology (IT) companies to assist local families with getting set up on the lowest cost Internet plans available.

Rationale: It is possible that a number of our parents/families are paying more for internet access than they need to be. This partnership will create a way for our families to contact an IT company (HIT) to assist them with finding and signing up for low-cost home Internet access.

Funding: There is no cost to this program for the District. HIT will provide IT support to parents, will answer all phone calls, etc. The District will expend time, resources advertising the program on our website, reaching out to families with this information through our Blackboard messaging system, and with our technicians and Technology Library Media Assistants telling students about the program.

Recommendation: Approve MOU between Fullerton School District, California Emerging Technology Fund, and Human I-T affordable home Internet access program from February 15, 2020 through February 15, 2021.

**Affordable Internet Program Memorandum of Understanding
among the California Emerging Technology, Fullerton School District and
human-I-T to Expand Home Broadband Access**

This is a Memorandum of Understanding (MOU) is an agreement between and among the California Emerging Technology Fund (CETF), Fullerton School District (FSD) and human-I-T (HIT) to support awareness of affordable home broadband options and assisting households interested in adopting broadband and obtaining a free or low-cost computing device. When referring to all entities they will be known as “partners”.

In furtherance of this effort, this MOU establishes the framework for a working relationship between the parties to this agreement and summarizes the services and resources that each commits to this Program. All partners recognize that this is an initiative to support the students and families of FSD with the intention of continuing if all parties deem the results of value.

I. Context

CETF is seeking to partner with Fullerton School District to close the Digital Divide in a way that builds upon a shared goal of making sure no one is left behind in the Digital Age. CETF wants to join forces with public agencies to promote broadband adoption among disadvantaged customers or clients who are eligible for the discounted broadband programs. CETF seeks to leverage the mission of public agencies, especially school districts, in assisting low-income residents to move out of poverty by accessing services, including those available through the Internet. School districts find that online communications and services can benefit their students, parents and the district.

Having a CBO partner who works directly with families enables more households to adopt. human I-T (HIT) connects low-income individuals and non-profits to technology, internet, and digital training. By reusing instead of recycling electronics, HIT transforms e-waste into opportunities to promote digital inclusion and digital access.

Target Population

Fullerton School District (FSD) plays a leadership role in the delivery of quality education and services to more than 12,835 elementary students in Orange County. FSD provides education related services to over 2,895 English Language Learners and close to 48% of FSD families are on the Free or Reduced Lunch Program. In addition, there are many more households that are paying market rate that could also be eligible for affordable rates. The school district will send information to families that can then choose to contact human I-T. The District is not providing student or family information to human I-T or CETF. If a family wants to subscribe to an affordable offer the family will provide their personal information to the Internet Service Provider (ISP) and human I-T. CETF and HIT will not share or use any data collected other than

for the purpose of Internet sign up and all data collected will be destroyed if the relationship between the three parties was ended.

II. Scope of Work

CETF, FSD and HIT will work collaboratively to expand home connectivity in the Fullerton School District as described below:

FSD

- Work with partners to develop a work plan for the program.
- Contact 6,000 households on the Free and Reduced Lunch Program with a goal of 2,000 households connected and Chromebooks distributed to eligible households up to 2,000.
- Families in zip codes 92831, 92832, 92833, 92835 are not eligible for the Frontier Chromebook offer. However, they are eligible for affordable Internet offers.
- FSD will not provide a list of eligible district participants to the partners.
- Provide families the documentation needed to qualify and explore ways to store the documentation online.
- Use a combination of communications channels to reach households including email and text.
- Champion this partnership among school district and school site leadership.
- Actively communicate training opportunities using parent/guardian communication channels.

human I-T

- Work with partners to develop a work plan for the program.
- Assist interested households in person and over the phone, text, and email with home broadband connectivity and share all low-cost options available.
- Assist individuals with completing the sign up process for broadband at home.
- Provide low cost hardware when applicable to families who connect to low cost Internet.
- Refer families to organizations for digital literacy training by referring families to EveryoneOn.org
- Host sign up events at schools.
- Track and share data monthly from households that subscribed to the ISP of their choice with CETF as documentation of the subscription. human I-T describes to clients that it will request a copy of the first bill showing the name, address, account number, and new service.

CETF

- Work with partners to develop a work plan for the program.
- Assist FSD and human-I-T to modify and co-brand collateral materials for distribution to eligible households.

- Provide school banners to FSD for displaying at participating schools.
- Provide guidance on overall strategy, work plan and implementation of the partnership.
- Monitor and track issues with enrollment and share information with providers and state/federal regulators.
- Communicate to Frontier Communications the number of devices encumbered.

All Partners

- Assign designated staff responsible for overall project implementation.
- Host monthly call to review progress.
- Support partnership model with other school districts.

III. Deliverables

FSD, HIT and CETF will provide the following:

- A work plan agreed upon by all partners by February 15, 2020.
- FSD chooses collateral provided by HIT and CETF. FSD can request co-branding and edits so that parents know the program is affiliated with FSD.

As an independent contractor, HIT will be responsible for all taxes and fees related to compensation and will not be entitled to employee benefits, workers compensation, unemployment insurance, or any other consideration provided by FSD.

VIII. Modification

IX. Termination

This MOU may be terminated by any party without cause upon 30 days written notice to CETF. CETF reserves the right to terminate the MOU at any time and to withhold, suspend or cancel any scheduling funding. In the event that CETF terminates the MOU as provided herein, human-I-T, as a CETF Grant recipient, shall return all unused Grant funds to CETF within the time period specified by CETF upon termination.

PREPARED BY: Sam Ricchio, Assistant Director, Innovation and Instructional Support

SUBJECT: APPROVE AGREEMENT BETWEEN THE FULLERTON SCHOOL DISTRICT AND SKY TECHNOLOGY SOLUTIONS FOR THE PURCHASE OF DISTRICT WIDE CABLING SERVICES BEGINNING JULY 1, 2020 THROUGH JUNE 30, 2024

Background: The District wants to purchase network cabling services for various sites throughout the district. Many of the Districts network cabinets were installed before modern networking equipment existed. Through a competitive bidding process the Fullerton School District has determined that Sky Technology Solutions is the most competitive bidder with regards to price, certifications and references.

Rationale: The modern network equipment that we purchase to stay current with networking technology does not fit correctly in some older cabinets. It is larger and prevents us from closing the doors to the cabinets. This allows more dust to enter and creates more noise. Replacing the cabinets requires us to rewire the whole cabinet. Also, periodically the Fullerton School District also requires Cat 6 network cable to be repaired or installed in classrooms and offices.

Funding: The total cost for this agreement is \$54,130.25 and 80% of the cost will be covered by eRate funding. The District will only be billed for the non-funded portion. The contract is completely dependent on eRate funding approval and the districts ability to pay at the time of purchase. If the District is denied eRate funding or the District lacks matching funds at the time of purchase, the contract is null and void and nothing will be owed by the Fullerton School District. The balance of the non-funded portion will be paid from the Innovation and Instructional Support budget 409.

Recommendation: Approve agreement between the Fullerton School District and Sky Technology Solutions for the purchase of district wide cabling services, beginning July 1, 2020 through June 30, 2024.

Dear: Mr. Cohen

This letter will confirm our decision to purchase Network Cabling Services as described in the bid December 16, 2019 to the Fullerton School District in the amount of \$54,130.25 from your company during the next E-rate funding year beginning 07/01/2020 as specified in the attached specifications and price quotation.

The procurement of these product(s)/service(s), will be dependent upon the following conditions:

1. Final budget approval of project.
2. The current fiscal condition and the ability of the Fullerton School District to have matching funding at the time E-rate funding is procured.
3. Agreement confirmation on the March 11th regular school board meeting.
4. Award of associated E-rate funding.
5. The Fullerton School District will only be billed for the non discounted portion of the equipment and installation.

To accept these terms and conditions, please sign below and return by fax to **714-447-2819**.

We will be unable to complete our E-Rate application process without full execution of this document by both parties.

We look forward to working with **SKY Technology Solutions** on this project.

Sincerely,

Fullerton School District

The District will pay Contractor directly for the additional feature set upgrades as set forth in Exhibit A. 5. Terms of Agreement. This Agreement shall be effective from the Effective Date set forth above and shall expire on the third anniversary of the Effective Date and shall not be renewed or extended unless the Parties enter into a written agreement to extend the terms. Either party may terminate this Agreement without cause with 30 days written notice to the other party, provided that District shall only be entitled to a refund for any pre-paid fees in the event that Contractor terminates this Agreement under this Section.

6. Indemnification.

6.1. Contractor's obligation to indemnify the District and its legislative board, officials, officers, agents, employees, and representatives (District Indemnitees) as set forth in the Funding Agreement shall apply to this Agreement and are fully incorporated herein by this reference.

6.2. In addition to Contractor's indemnity obligations to the District Indemnitees as set forth in the Funding Agreement, Contractor shall, at its own expense, defend and indemnify the District Indemnitees in any action, suit or claim by a third party alleging that the services provided by Contractor under this Agreement infringe any patent, trademark, trade secret, copyright or any other proprietary right of such third party (an "IP Claim") or any third-party claim arising from a breach by Contractor of applicable privacy laws and shall pay settlement amounts agreed by Contractor and/or any losses, damages, liabilities, expenses, or costs (including but not limited to reasonable attorneys' fees) awarded to such third party against District by a court of competent jurisdiction in such IP Claim. As conditions for such defense and satisfaction by Contractor, (a) District shall notify Contractor promptly in writing upon becoming aware of all pending IP Claims; (b) District shall give Contractor sole control of the defense and settlement of such IP Claims; (c) District shall cooperate fully with Contractor in the defense and/or settlement of such IP Claims; and (d) District shall not settle any IP Claims without Contractor's consent, or compromise the defense of any such IP Claims.

6.3. District Indemnification. To the greatest extent allowed by law, District shall defend, indemnify and hold Contractor, its, officers, agents, employees, and representatives (the "Contractor Indemnitees") free and harmless from any and all claims, demands, causes of action, costs, expenses, liabilities, losses, damages or injuries, in law or equity, regardless of whether the allegations are false, fraudulent, or groundless, to property or persons, including wrongful death (collectively "Contractor Loss"), to the extent arising out of or incident to the sole willful misconduct or active negligence of District and its legislative board, officials, officers, agents, employees, and representatives arising from this Agreement. District's Indemnification includes any Contractor Loss sustained by the Contractor Indemnitees, and each of them, as a result of any false representation made to any AMA or other third-party of Contractor's services which is not set out in any of Contractor's documentation.

6.4. Scope of Defense Obligation. The indemnifications granted hereunder, and under the Funding Agreement, include, but are not limited to, the payment of all damages and attorney's fees, fines, penalties and other related costs and expenses. The indemnitor's defense obligations (with counsel approved by the indemnitee), shall arise immediately upon tender of any of the indemnitees, and the defense shall be paid at the indemnitor's own cost, expense and risk, for any and all such aforesaid suits, actions or other legal proceedings of every kind that may be brought or instituted against any of the indemnitees, notwithstanding whether liability is, can be or has yet been established. Indemnitor shall pay and satisfy any judgment, award or decree that may be rendered against any of the indemnitee, in any such suit, action or other legal proceeding.

6.5. Refusal to Defend/Indemnify. Either party, upon receipt of tender from any indemnitee hereunder (the "Tendering Indemnitee"), may refuse to provide indemnity or defense hereunder (the "Refusing Party"), if the Refusing Party, in reliance upon an opinion of qualified counsel, has determined that a valid basis exists for determining that the claim, for which indemnity or defense is sought, is not required to be indemnified or defended pursuant to the terms of this Agreement. A refusal to indemnify or defend under such circumstances shall not be a material breach of this Agreement. However, if the Tendering Indemnitee shall be required by a final judgment to pay any amount in respect of any obligation or liability against which it has been determined by final judgment that the Refusing Party is required to indemnify or defend under this Agreement, the Refusing Party shall promptly reimburse the Tendering Indemnitee in an amount equal to the amount of such payment. Further, if such refusal, or any failure, to provide a defense against a claim is determined by a final judgment not to have been reasonably justified under the circumstances, then the Refusing Party: (i) shall be obligated to pay all of the damages and out-of-pocket expenses incurred by the Tendering Indemnitee in defending said claim, including, but not limited to, the value of the time, including travel time, that all of the employees, agents and representatives of the Tendering Indemnitee dedicated to, or expended in furtherance of, the defense of said claim; and (ii) without any further action from any party, the Refusing Party hereby intentionally relinquishes and waives any and all rights of every nature to dispute, defend against or contest, in any manner, (including but not limited to the waiver of every defense of every nature) the claim of the Tendering Indemnitee regarding the amount of, reasonableness of, necessity for or the Refusing Party's obligation to pay, the costs, fees and expenses, and other Damages incurred by the Tendering Indemnitee in defending the claim.

6.6. Survival. The Parties' respective obligations under this section shall survive the termination or expiration of this Agreement.

7. Insurance. Contractor agrees to abide by the insurance requirements of the Funding Agreement, which shall equally insure the District, and Contractor shall provide District with the original insurance certificates as required therein.

8. NO WARRANTIES. DISTRICT ACKNOWLEDGES AND AGREES THAT, TO THE EXTENT PERMITTED BY LAW, CONTRACTOR HAS NOT MADE AND MAKES NO (AND CONTRACTOR'S AFFILIATES HAVE NOT MADE AND MAKE NO) REPRESENTATIONS OR WARRANTIES WHATSOEVER, DIRECTLY OR INDIRECTLY, EXPRESS OR IMPLIED, AS TO THE SUITABILITY, DURABILITY, FITNESS FOR USE, MERCHANTABILITY, MERCHANTABILITY, CONDITION OR QUALITY, OF ANY OF THE SERVICES. DISTRICT RECEIVES ACCESS TO SERVICES FROM CONTRACTOR "AS IS." NEITHER CONTRACTOR NOR ITS AFFILIATES MAKE ANY WARRANTIES OR CONDITIONS, EITHER EXPRESSED OR IMPLIED, CONCERNING THE SERVICES PROVIDED, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE.

9. Limitation of Liability.

9.1. Subject to and except for Contractor's service level agreement commitments in this Agreement and the exceptions set forth in the subsection set forth immediately below, under no other circumstances shall Contractor (or its officers, employees, subsidiaries, affiliates, or agents), or third-party service providers be liable to the District or any other person for any damages, including without limitation, any indirect, incidental special or consequential damages, expenses, costs, profits, lost savings, or earnings, lost or corrupted data, or other liability arising out of, or related to, the services provided by Contractor and/or its third-party service provider, whether such liability is asserted on the basis of contract, tort, or otherwise, even if Contractor has been warned of the possibility of such damages. 9.2. The foregoing Limitation Of Liability shall not apply to a data breach and is not intended to affect or supersede, or otherwise abrogate Contractor's obligations pursuant to Section 5 (Indemnification) of the Funding Agreement or Sections 6 (Indemnification), 7 (Insurance), 10 (Mitigation), or 16 (Confidentiality) of this Agreement.

13. Applicable Law. This Agreement shall be construed, enforced and administered according to the laws of the State of California.

14. Conflict of Interest. Contractor warrants and covenants that it presently has no interest in, nor shall any interest be hereinafter acquired in, any matter which will render the services required under the provisions of this Agreement a violation of any applicable state, local, or federal law, including, but not limited to, Government Code section 1090. If any principal provider of services is a "consultant" for the purposes of the Fair Political Practices Act (Gov. Code § 81000 et seq.), each such person shall comply with Form 721 Statement of Economic Interests filing requirements in accordance with state or City local Conflict of Interest Code. In addition, if any other conflict of interest should nevertheless hereinafter arise, Contractor shall promptly notify District of the existence of such conflict of interest so that the District may determine whether to terminate this Agreement.

SUBJECT: **APPROVE ADOPTION OF DISCOVERY EDUCATION'S SCIENCE TECHBOOK FOR GRADES TRANSITIONAL KINDERGARTEN (TK) – 6th GRADE TO SUPPORT IMPLEMENTATION OF THE CALIFORNIA STATE STANDARDS (CA-NGSS)**

Background: In November 2018, the California State Board of Education approved the Science instructional materials that support the implementation of California State Standards (CA-NGSS). Beginning in August 2019, approximately 30 teachers began piloting the TK-6th Grade Science materials from two different vendors. Teachers met to discuss each program's features such as ELD supports, alignment to standards, assessment, and online access. A survey was conducted in December to determine which Science program teachers would prefer to fully implement in 2020/2021 and Discovery Education's *Science Techbook* was selected for Grades TK-6. Fullerton School District (FSD) will purchase an 8-year package that includes both digital and hard copy components for teachers and students.

Rationale: Our current Science textbooks are not aligned to the Next Generation Science Standards (NGSS) and FSD teachers have had to supplement with additional resources. Adopting a new Science textbook that is NGSS aligned will provide all teachers with access to all components and will provide consistency within FSD for lesson planning, lesson pacing, and student assessments.

Funding: The estimated cost is \$1,990,000 and is to be paid from both Restricted and Unrestricted General Funds.

Recommendation: Approve adoption of Discovery Education's *Science Techbook* for grades Transitional Kindergarten (TK) – 6th grade to support implementation of the California State Standards (CA-NGSS).

From Fisler, the former principal, an administrator, and staff member will be attending the ceremony to receive the Blue Ribbon award.

Board Policy

Employee Compensation

BP 4151, 4251, 4351

Personnel

Board Adopted:

In order to recruit and retain employees committed to the District's goals for student learning, the Board of Trustees recognizes the importance of offering a competitive compensation package which includes salaries and health and welfare benefits.

The Board shall adopt separate salary schedules for certificated, classified, and supervisory and administrative personnel. These schedules shall comply with law and collective bargaining agreements and shall be made available for review online.

Each certificated employee, except an employee in an administrative or supervisory position, shall be classified on the salary schedule on the basis of uniform allowance for education level and years of experience, unless the Board and employee organization negotiate and mutually agree to a salary schedule based on different criteria. Certificated employees shall not be placed in different classifications on the schedule, nor paid different salaries, solely on the basis of the grade levels at which they teach. (Education Code 45028)

Salary schedules for staff who are not a part of a bargaining unit shall be determined by the Board at the recommendation of the Superintendent or designee.

The Board shall determine the frequency and schedule of salary payments, including whether payments for employees who work less than 12 months per year will be made over the course of the school year or in equal installments over the calendar year. (Education Code 45038, 45039, 45048, 45165)

The Superintendent or designee shall post a notice explaining the Fair Labor Standards Act's wage and hour provisions in a conspicuous place at each work site. (29 CFR 516.4)

Overtime Compensation

District employees shall be paid an overtime rate of not less than one and one-half times their regular rate of pay for any hours worked in excess of eight hours in one day or 40 hours in one work week, or twice their regular rate of pay for any hours worked in excess of 12 hours in one day or eight hours on the seventh consecutive day of work. However, employees shall be exempt from overtime rules if they are employed as teachers or school administrators or if they qualify as being employed in an executive, administrative, or professional capacity and are paid a monthly salary that is at least twice the state minimum wage for full-time employment. (Labor Code 510, 515; 29 USC 213; 29 CFR 541.0-541.710, 553.27, 553.32)

When authorized in a collective bargaining agreement or other agreement between the district and employees, an employee may take compensatory time off in lieu of overtime compensation, provided the employee has not accrued compensatory time in excess of the limits specified in 29 USC 207. An employee who has requested the use of compensatory time shall be allowed to use such time within a reasonable period after making the request if the use of the compensatory time does not unduly disrupt district operations. (29 USC 207; 29 CFR 553.20-553.25)

For each nonexempt employee, the Superintendent or designee shall maintain records on the employee's wages, hours, and other information specified in 29 CFR 516.5-516.6.

BP 4218

Personnel

Board Adopted:

The Board of Trustees expects all employees to perform their jobs satisfactorily and exhibit professional and appropriate conduct. A classified employee may be disciplined for unprofessional conduct or unsatisfactory performance in accordance with law, any applicable collective bargaining agreement, and the rules of the personnel commission.

Disciplinary actions shall be based on the particular facts and circumstances involved and the severity of the employee's conduct or performance. Disciplinary actions may include, but are not limited to, verbal and written warnings, involuntary reassignment, demotion, suspension without pay, reduction of pay step in class, compulsory leave, and dismissal.

The Superintendent or designee shall ensure that disciplinary actions are taken in a consistent, nondiscriminatory manner and are appropriately documented.

When such serious disciplinary action is being contemplated against an employee, the district shall adhere to disciplinary procedures developed by the personnel commission. Due process shall be afforded to the employee, including proper notice, an opportunity for the employee to meet with a designated district official ("Skelly officer") or to respond in writing to the charges, and an opportunity to appeal the district's decision with the personnel commission in accordance with Education Code 45305-45307. If the matter is addressed in a hearing before the personnel commission, the decision of the personnel commission shall be final.

However, if the matter involves an allegation of egregious misconduct as defined in Education Code 44932 and involves a minor, the matter shall be referred to an administrative law judge to determine whether sufficient cause exists for disciplinary action against the employee. The ruling of the administrative law judge shall be binding on the district and the employee. (Education Code 45312).

Board Policy

Anti-Bullying

BP 5131.2

Students

Board Adopted: June 19, 2012

Revised: November 15, 2016, August 14, 2018

The Board of Trustees for the Fullerton School District recognizes the harmful effects of bullying on **student and employee well-being**, student learning and school attendance and desires to provide safe school environments that protect students **and employees** from physical and emotional harm. District employees shall establish student **and employee** safety as a high priority and shall not tolerate bullying of any student **or any staff member**.

No individual or group shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, ~~retaliate~~, cyberbully, cause bodily injury to, or commit hate violence against any other student or school personnel, **or retaliate against them for filing a complaint or participating in the complaint resolution process**.

In addition, Penal Code 653.2 makes it a crime to distribute another person's personally identifiable information electronically with the intent to cause harassment by a third party and to threaten a person's safety or that of his/her family (e.g., placing a person's address online so that he/she receives harassing messages).

Cyberbullying includes the electronic creation or transmission of harassing communications, direct threats, or other harmful texts, sounds, or images as defined in Education Code 48900. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage or victimize that person's reputation.

Strategies for addressing bullying in District schools shall be developed with involvement of key stakeholders, including students, parents/guardians, and staff, in accordance with law, Board policy, and administrative regulation and may be incorporated into the comprehensive safety plan, the local control and accountability plan, and other applicable District and school plans.

As appropriate, the Superintendent or designee may collaborate with law enforcement, courts, social services, mental health services, other agencies, and community organizations in the development and implementation of joint strategies to promote safety in schools and the community and to provide services for alleged victims and perpetrators of bullying.

Bullying Prevention

To the extent possible, District and school strategies shall focus on prevention of bullying by establishing clear rules for student conduct and implementing strategies to establish a positive, collaborative school climate. Students shall be informed, through student handbooks and other appropriate means, of District and school rules related to bullying, mechanisms available for reporting incidents or threats, and the consequences for engaging in bullying.

As appropriate, the District shall provide students with instruction, in the classroom or other educational settings, that promotes social-emotional learning, effective communication and conflict resolution skills, character/values education, respect for cultural and individual differences, self-esteem development, assertiveness skills, and appropriate online behavior.

Such instruction shall also educate students about the negative impact of bullying, discrimination, intimidation, and harassment based on actual or perceived immigration status, religious beliefs and customs, or any other individual bias or prejudice.

The Superintendent or designee shall provide training to teachers and other school staff to raise their awareness about the legal obligation of the District and its employees to prevent discrimination, harassment, intimidation, and bullying of District students. Such training shall be designed to provide staff with the skills to:

1. Discuss the diversity of the student body and school community, including their varying immigration experiences
2. Discuss bullying prevention strategies with students, and teach students to recognize the behavior and characteristics of bullying perpetrators and victims
3. Identify the signs of bullying or harassing behavior
4. Take immediate corrective action when bullying is observed
5. Report incidents to the appropriate authorities, including law enforcement in instances of criminal behavior

Based on an assessment of bullying incidents at school, the Superintendent or designee may increase supervision and security in areas where bullying most often occurs, such as classrooms, playgrounds, hallways, restrooms, and or cafeterias.

Intervention

Students **and staff members** are encouraged to notify school staff when they are being bullied or suspect that another student **or staff member** is being victimized. In addition, the Superintendent or designee shall develop means for students **and staff members** to report threats or incidents confidentially and anonymously.

School staff who witness bullying shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When appropriate, based on the severity or pervasiveness of the bullying, the Superintendent or designee shall notify the parents/guardians of victims and perpetrators and may contact law enforcement.

The Superintendent, principal, or principal's designee may refer a victim, witness, perpetrator, or other student **and staff member** affected by an act of bullying to a school counselor, school psychologist, social worker, child welfare attendance personnel, school nurse, or other school support service personnel for case management, counseling, and/or participation in a restorative justice program as appropriate. (Education Code 48900.9)

Reporting and Filing of Complaints

Any student, parent/guardian, or other individual who believes that a student **or staff member** has been subjected to bullying or who has witnessed bullying may report the incident to a teacher, the principal a compliance officer, or any other available school employee. Within one business day of

receiving such a report, a staff member shall notify the principal of the report, whether or not a uniform complaint is filed. In addition, any school employee who observes an incident of bullying involving a student **or staff member** shall, within one business day, report his/her observation to the principal or a District compliance officer, whether or not the alleged victim files a complaint.

Within two business days of receiving a report of bullying, the principal shall notify the District compliance officer identified in AR 1312.3 - Uniform Complaint Procedures.

When the circumstances involve cyberbullying, individuals with information about the activity shall be encouraged to save and print any electronic or digital messages that they feel constitute cyberbullying and to notify a teacher, the principal, or other employee so that the matter may be investigated. When a student uses a social networking site or service to bully or harass another student, the Superintendent or designee may file a request with the networking site or service to suspend the privileges of the student and to have the material removed.

When a report of bullying is submitted, the principal or District compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with AR 1312.3. The student **or staff member** who is the alleged victim of the bullying shall be given an opportunity to describe the incident, identify witnesses who may have relevant information, and provide other evidence of bullying.

Investigation and Resolution of Complaints

Any complaint of bullying shall be investigated and, if determined to be discriminatory, resolved in accordance with law and the District's uniform complaint procedures specified in AR 1312.3.

Background: One of our District schools, Laguna Road Elementary, suffered a fire in a storage room inside their Media Center on January 22, 2020.

The lack of access to the Media Center, will result in the students at Laguna Road to not be able to use those learning spaces during the day for educational purposes. The Media Center includes a library, STEAM room, green screen room, and four (4) staff offices.

The students at Laguna Road Elementary need access to the Media Center as part of their educational programs.

The services required by the District are necessary to permit conditions conducive to a safe and ideal learning environment at Laguna Road Elementary School to ensure the continuance of the instructional programs.

Rationale: Emergency Resolutions are approved by the Board of Trustees.

Funding: Cost to be reimbursed by ASCIP.

Recommendation: Approve Emergency Resolution #19/20-12 to approve entering into contracts for services related to Laguna Road Elementary School.

Board Adopted:

In order to help maintain public trust in the integrity of District operations, the Governing Board expects all employees to give the responsibility of their positions precedence over any other outside employment. A district employee may receive compensation for outside activities as long as these activities are not inconsistent, incompatible, in conflict with, or inimical to his/her district duties.

3. Involves using the district's name, prestige, time, facilities, equipment, or supplies for private gain
4. Involves service which will be wholly or in part subject to the approval or control of another district employee or Board member

An employee wishing to accept outside employment that may be inconsistent, incompatible, in conflict with, or inimical to the employee's duties shall file a written request with his/her immediate supervisor describing the nature of the employment and the time required. The supervisor shall evaluate each request based on the employee's specific duties within the district and determine whether to grant authorization for such employment.

The supervisor shall inform the employee whether the outside employment is prohibited. The employee may appeal a supervisor's denial of authorization to the Superintendent or designee. An employee who continues to pursue a prohibited activity may be subject to disciplinary action.

Board Adopted:

The Board of Trustees recognizes its responsibility to represent the public's interests in the collective bargaining process. In ratifying agreements on employee contracts, the Board shall balance the needs of staff and the priorities of the District in order to provide students with a high-quality instructional program based on a sound, realistic budget.

The Board and the Superintendent shall establish a bargaining team to assist in analyzing contract provisions and conducting contract negotiations. The Board shall provide its negotiator(s) with expected outcomes and clear parameters for acceptable contract provisions which promote the realization of District goals and priorities.

The Board and its bargaining team shall negotiate in good faith with exclusive employee representatives on wages, hours of employment, and other terms and conditions of employment identified in law as being within the scope of representation.

When the district intends to make any change to matters within the scope of representation, it shall give reasonable written notice of its intent to the exclusive representative for the purpose of providing the exclusive representative a reasonable amount of time to negotiate with the District regarding the proposed changes.

A reasonable number of representatives of the employee organization shall have the right to receive reasonable periods of released time without loss of District compensation when meeting and negotiating and/or for the processing of grievances.

The Board and its bargaining team shall establish standards of conduct pertaining to the negotiations process for members of the bargaining team. Certain meetings related to negotiations shall not be open to the public in accordance with Government Code 3549.1 and 54957.6, except as otherwise required by law. Matters discussed in these meetings shall be kept in strict confidence in accordance with law.

The Board and its negotiator(s) shall not knowingly provide the employee organization with inaccurate information regarding the financial resources of the District.

The Board shall monitor the progress of negotiations and carefully consider how proposed contract provisions would affect the District's short- and long-term fiscal, programmatic, instructional, and personnel goals.

The Board and/or Superintendent or designee shall keep the public informed about the progress of negotiations and the ways in which negotiations may affect district goals unless otherwise agreed upon by the District and exclusive representative.

Whenever the District has a qualified or negative certification on an interim fiscal report, it shall allow the county office of education at least 10 working days to review and comment on any proposed agreement with exclusive representatives of employees. The District shall provide the County Superintendent of Schools with all information relevant to gain an understanding of the financial impact of any final collective bargaining agreement.

Once the final terms of the agreement have been ratified by the membership of the employee organization, the contract shall be presented to the Board at a public meeting for acceptance.

Any agreement adopted by the Board may be for a term not to exceed three years.

In the event of an impasse in negotiations, the district shall participate in good faith in mediation and fact-finding procedures pursuant to Government Code 3548-3548.8.

Following adoption of the collective bargaining agreement, any subsequent amendments shall be executed in writing and ratified by the Board and the employees' exclusive representative.

Consultation

FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts, which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Chad Hammitt, Ed.D., Assistant Superintendent, Personnel Services

SUBJECT: APPROVE SUBSTITUTE TEACHER PAY RATE EFFECTIVE JANUARY 15, 2020

Background: The last Board-approved increase to the Substitute Teacher pay rate was April 14, 2015. A recent comparison with neighboring districts showed that the Fullerton School District no longer offers a competitive substitute teacher pay rate and this possibly contributes to the shortage of substitutes we currently face. The District is proposing a new 3-tiered pay schedule as follows:

Current Schedule
 ½ day pay = \$60
 full day pay = \$120

Proposed Tiered Schedule
Tier 1 (1-9 days)
 ½ day = \$60
 full day = \$120

Tier 2 (10-49 days)
 ½ day = \$62.50
 full day = \$125

Tier 3 (50+ days)
 ½ day = \$65
 full day = \$130

The proposed tiered schedule is based on a culmination of days throughout a single school year, which will be tracked by Personnel and Payroll staff. The culmination of days will reset at the beginning of each school year.

The proposed tiered schedule will not affect the existing long-term rate, which is \$145 for an assignment exceeding 15 days.

Rationale: Adjusting the District's Substitute Teacher pay rate keeps Fullerton School District competitive thereby maintaining a healthy sub pool to secure substitute teachers and minimize the number of unfilled vacancies.

Funding: Substitute pay to be charged to appropriate sites and/or departments contingent upon usage.

Recommendation: Approve Substitute Teacher pay rate effective January 15, 2020.

SUBJECT: APPROVE FIVE-YEAR CONTRACT WITH SPECTRUM TO PROVIDE A 10GBPS FIBER OPTIC CIRCUIT TO EACH SCHOOL TO THE FULLERTON SCHOOL DISTRICT OFFICE EFFECTIVE JULY 1, 2020 THROUGH JUNE 30, 2024

Background: Fullerton School District contracts with Spectrum for connectivity between the District Office and all school sites. The current contract for all sites 10 Gig fiber circuits to the district office will expire June 30, 2020. These data connections are currently providing much of the educational content to students during the day as well as providing connectivity to teaching and support staff. On September 25, 2019, with board approval, the Fullerton School District went out to competitively bid for fiber connectivity to it's school sites. On November 20, 2019, the Fullerton School District has determined Spectrum to be awarded.

Rationale: The Fullerton School District Office needs to maintain quality internet connectivity. This will support teaching and learning with high-speed access to utilize educational content and resources using mobile devices

Funding: The estimated monthly cost, less the e-Rate and California Teleconnect Fund (CTF) discounts, is \$5172.80. This contract is completely dependent on e-Rate funding approval by the Universal Services Administrative Co. Schools and Library Division.

Recommendation: Approve Five-Year Contract with Spectrum to provide a 10Gbps fiber optic circuit from each school to the Fullerton School District Office effective July 1, 2020 through June 30, 2024.

Special Terms

Spectrum will make commercially reasonable efforts to allow Customer to upgrade Service(s) at one or more of the above Service Locations, based on the pricing and bandwidth options provided in Table 1 below, without extending the Contract Term, upon 30 days written request to Spectrum. Customer understands that such upgrade(s) may require additional Monthly Recurring Charges and/or Non-Recurring Charges that will be determined, and presented to Customer, at the time of the upgrade request. Should Customer downgrade the Service(s) at any of the Service Locations in the Order below the originally contracted rate, Customer will be subject to Early Termination Fees (ETFs), as described in the Commercial Terms of Service.

E-RATE FUNDING CONTINGENCY

Customer may submit this Service Order and the Services Agreement to the Schools and Libraries Division of the Universal Service Administrative Company, (i.e., the entity appointed by the Federal Communications Commission to administer the Universal Service Program with respect to Schools and Libraries (“E-Rate”) funding) as part of any application seeking a federal subsidy or funding.

Customer is responsible for notifying Spectrum of its election of either the Service Provider Invoice (“SPI”) or Billed Entity Applicant Reimbursement (“BEAR”) discount method by May 15th prior to the applicable funding year. Customer must complete and return an “E-Rate Discount Election Form” to Spectrum prior to such date, or Customer will be deemed to have chosen the BEAR discount method for the funding year.

Upon Spectrum’s receipt of appropriate notice that Customer is an approved E-Rate program participant for a Service, Spectrum will invoice Customer for the Service in accordance with E-Rate guidelines and/or rules. If Spectrum invoices Customer for a Service pursuant to any E-Rate program rates, discounts or credits in advance of receiving such notice and Customer’s request for E-Rate program funding is denied, limited or reduced, Spectrum will invoice Customer and Customer will pay the difference between such invoiced amount(s) and the actual amount of the Service Charges, as described in this Service Order. Notwithstanding anything herein to the contrary, Customer’s obligations under this Service Order shall remain in full force and effect in the event Customer withdraws or is removed from the E-Rate program, receives E-Rate program funding that is less than Customer’s requested funding amount, or is denied E-Rate program funding for any Service described in this Service Order. For the avoidance of doubt, Customer is solely responsible for all Service Charges, as described in this Service Order, that were installed prior to the E-Rate program funding year start date.

Spectrum will make commercially reasonable efforts to allow Customer to upgrade Service(s) at one or more of the above Service Locations, based on the pricing and bandwidth options provided in Table 1 below, without extending the Contract Term, upon 30 days written request to Spectrum. Customer understands that such upgrade(s) may require additional Monthly Recurring Charges and/or Non-Recurring Charges that will be determined, and presented to Customer, at the time of the upgrade request. Should Customer downgrade the Service(s) at any of the Service Locations in the Order below the originally contracted rate, Customer will be subject to Early Termination Fees (ETFs), as described in the Commercial Terms of Service.

FROM: Jeremy Davis, Assistant Superintendent, Innovation and Instructional Support

SUBJECT: **APPROVE SERVICE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND LEVEL DATA, FOR MANAGED SERVICE AND STATE DATA VALIDATION SUITE PRORATED FOR THE 2019/2020 SCHOOL YEAR**

Background: The Level Data managed service will provide Fullerton School District (FSD) the ability to identify data errors in PowerSchool (SIS) in real time through field validation, address validation, and workflow navigator tools. The suite includes State Data Validation, which validates data in PowerSchool using state reporting rules specific to the State of California for the California Longitudinal Pupil Achievement Data System (CALPADS) reporting requirements.

Rationale: The managed service and State Data Validation are time saving tools that allow system administrators to maintain the highest level of accuracy in the data being reported to the state through CALPADS. Using these tools will ensure data accuracy from the beginning when a student record is created, greatly reducing or eliminating data errors at reporting time. Data accuracy directly affects funding eligibility for many programs.

Funding: Total cost for the Managed Service and State Data Validation Suite is not to exceed \$5,444.58 and will be paid from the Innovation and Instructional Support budget 409.

Recommendation: Approve service agreement between Fullerton School District and Level Data, for managed service and State Data Validation Suite for the 2019/2020 school year.

Attachment

January 7, 2020

To the Board of Trustees and Management of
Fullerton School District
1401 W Valencia Drive
Fullerton, CA 92833

We are pleased to confirm our understanding of the services we are to provide Fullerton School District for the fiscal years ended June 30, 2020 through 2021. We will audit the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements, of Fullerton School District as of and for the fiscal years ended June 30, 2020 through 2021. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement Fullerton School District's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to Fullerton School District's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by U.S. generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis.
- 2) Budgetary Comparison Schedules
- 3) Schedule of Proportionate Share of the Net Pension Liability
- 4) Schedule of Pension Contributions
- 5) Schedule of changes in the net OPEB liability and related ratios

We have also been engaged to report on supplementary information other than RSI that accompanies Fullerton School District' financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will provide an opinion on it in relation to the financial statements as a whole:

- 1) Schedule of expenditures of federal awards.
- 2) Schedule of average daily attendance
- 3) Schedule of instructional time
- 4) Schedule of financial trends and analysis
- 5) Reconciliation of annual financial and budget report with audited financial statements

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. The objective also includes reporting on—

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major programs in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the Board of Trustees of Fullerton School District. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the school district or to acts by management or employees acting on behalf of the school district. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or

noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We may request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures—Internal Control

Our audit will include obtaining an understanding of the school district and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the District's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the District's major programs. The purpose of these procedures will be to express an

opinion on the District's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of Fullerton School District in conformity with U.S. generally accepted accounting principles and the Uniform Guidance based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

Management is responsible for (1) designing, implementing, and maintaining effective internal controls, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that school district programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with U.S. generally accepted accounting principles; and for compliance with applicable laws and regulations (including federal statutes) and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance, (3) additional information that we may request for the purpose of the audit, and (4) unrestricted access to persons within the school district from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the school district involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the school district received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the school district complies with applicable laws, regulations, contracts, agreements, and grants. Management is also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements, or abuse that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review at the beginning of the audit.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal awards. You also agree to make the audited financial statements readily available to intended users of the schedule of expenditures of federal awards no later than the date the schedule of expenditures of federal awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

You agree to assume all management responsibilities relating to the financial statements, schedule of expenditures of federal awards and related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditors' reports or nine months after the end of the audit period.

The audit documentation for this engagement is the property of Nigro & Nigro and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to the State Controller's office or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Nigro & Nigro personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of seven years after the report release date or for any additional period requested by the State Controller's Office. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

The maximum annual fee for auditing services under the terms of this agreement shall be as follows:

2019-2020 Fiscal Year Audit:	\$47,000
2020-2021 Fiscal Year Audit:	\$47,500

with the exception that any auditing services provided for (1) significant changes in District audit requirements as stated in GASB standards, *Government Auditing Standards* or the Audit Guide issued by the Education Audit Appeals may be in addition to the above maximum fee. Our invoices for these fees will be rendered as work progresses and are payable within 30 days. In accordance with our firm policies, your account becomes delinquent when it is 90 days or more overdue. In accordance with Education Code Section 14505 as amended, ten percent (10%) of the audit fee shall be withheld pending certification of the audit report by the Office of the State Controller and fifty percent (50%) of the audit fee shall be withheld for any subsequent year of a multi-year contract if the prior year's audit report was not certified as conforming to the reporting provisions of the Audit Guide. This audit contract is null and void if the firm is declared ineligible to audit K-12 school districts pursuant to subdivision (c) of Education Code Section 41020.5. The amount withheld is not payable unless payment is ordered by the California Board of Accountancy or the audit report for that subsequent year is certified by the Controller as conforming to reporting provisions of subdivision (a) of Section 14503. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before incurring additional costs.

Additional extensions beyond 2021 may be secured on a year by year basis, subject to the agreement of the District and the auditor.

If a dispute arises among the parties hereto, the parties agree to first try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its Rules for Professional Accounting and Related Services Disputes before resorting to litigation. The costs of any mediation proceeding shall be shared equally by all parties.

Client and accountant both agree that any dispute over fees charged by the accountant to the client will be submitted for resolution by arbitration in accordance with the Rules for Professional Accounting and Related Services Disputes of the American Arbitration Association. Such arbitration shall be binding and final. IN AGREEING TO ARBITRATION, WE BOTH ACKNOWLEDGE THAT, IN THE EVENT OF A DISPUTE OVER FEES CHARGED BY THE ACCOUNTANT, EACH OF US IS GIVING UP THE RIGHT TO HAVE THE DISPUTE DECIDED IN A COURT OF LAW BEFORE A JUDGE OR JURY AND INSTEAD WE ARE ACCEPTING THE USE OF ARBITRATION FOR RESOLUTION.

SUBJECT: **APPROVE CONTRACT BETWEEN FULLERTON SCHOOL DISTRICT AND JFK TRANSPORTATION CO., INC., TO PROVIDE TRANSPORTATION FOR FIELD TRIPS, EFFECTIVE JANUARY 15, 2020 THROUGH JUNE 30, 2020**

Background: Occasionally, schools request transportation for field trips to be accomplished at times that conflict with home-to-school route schedules. In the past, the District has contracted with outside contractors such as JFK Transportation Co., Inc., to provide transportation for field trips in situations as previously described. Fullerton School District seeks to enter into a contract, effective January 15, 2020, through June 30, 2020, with JFK Transportation Co., Inc., to provide field trip transportation on an as-needed basis.

The Fullerton School District's Transportation Department books field trips with the least expensive carrier that can perform the requested work when the District's drivers cannot accomplish the required task.

JFK Transportation Co., Inc., has met the insurance liability requirements of the District. Each bus provided by the contractor will pass a safety inspection by District mechanics prior to departure on a field trip in order to ensure the safety of the District's students.

Rationale: The District is committed to providing safe, efficient transportation services to its students. In times when the District's Transportation Department cannot provide such services, contracts such as this are required.

Funding: Funding is from the General Fund and School Site Funds not to exceed \$25,000.

Recommendation: Approve contract between Fullerton School District and JFK Transportation Co., Inc., to provide transportation for field trips, effective January 15, 2020, through June 30, 2020.

SUBJECT: **APPROVE/RATIFY AGREEMENT FOR EMERGENCY CROSS LOT DRAINAGE BETWEEN FULLERTON SCHOOL DISTRICT AND MELIA HOMES – VIA AMOR PROJECT**

Background: Melia Homes is a private developer that is proposing to build a residential development adjacent to Richman Elementary School. The city of Fullerton requires a hydrology report and grading plan along with a 100-year storm event study. The design and capacity of the study exceeds the 100-year storm event; meaning cross-lot drainage is not likely and is planned for emergency overflow purposes only. The existing property barrier is currently a 6-foot chain link fence. Melia Homes is proposing an 8-foot block wall with omitted blocks at the bottom of the wall. The planned block wall will have omitted blocks at 10-foot on center at the bottom of the wall and is intended for emergency overflow only. Any emergency overflow will drain to the Richman Elementary field as is the current drainage flow today.

Rationale: District staff recommends entering into an agreement with Melia Homes for the emergency overflow drain.

Funding: The agreement will have no cost to the Fullerton School District.

Recommendation: Approve/Ratify agreement emergency cross lot drainage between Fullerton School District and Melia Homes – Via Amor Project.

CONSENT ITEM

DATE: January 14, 2020
TO: Board of Trustees
FROM: Robert Pletka, Ed.D., District Superintendent
SUBJECT: APPROVE RESOLUTION #19/20-11 RECOGNIZING JANUARY 20, 2020 AS DR. MARTIN LUTHER KING, JR. DAY

Background: Dr. Martin Luther King, Jr. played an important role in the history of the civil rights and peace movement in the United States. He dedicated his life to the fight for full citizenship rights for the poor, disadvantaged, and racially oppressed in the United States and throughout his too-brief life, this youngest recipient of the Nobel Peace Prize sought to redress the inequities in a society which had kept many of its citizens from entering the mainstream of American life. Dr. King's firm commitment to nonviolent civil disobedience marshalled unprecedented numbers of Americans to band together to peacefully demonstrate and focus this nation's attention on economic and social discrimination.

Dr. King is a remarkable example of dignity and integrity as a fighter for freedom and justice. He serves as a role model for all students through his determination to improve society as a whole and conditions for the poor, disadvantaged, and racially oppressed in particular.

Rationale: Contributions to the betterment of society made by Dr. King serve as reminders that one person dedicated to the goal of equity and justice for all people can indeed make a difference.

Funding: N/A.

Recommendation: Approve Resolution #19/20-11 recognizing January 20, 2020 as Dr. Martin Luther King, Jr. Day.

DISCUSSION/ACTION ITEM

DATE: January 14, 2020

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Chad Hammitt, Ed.D., Assistant Superintendent, Personnel Services

SUBJECT: **APPROVE/RATIFY MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN THE FULLERTON SCHOOL DISTRICT AND FULLERTON ELEMENTARY TEACHERS ASSOCIATION ON SICK LEAVE FOR THE 2019/2020 SCHOOL YEAR**

Background: Previous District practice did not allow certificated employees to use Sick Leave accrued for anything other than personal sickness. Education Code does allow the use of Sick Leave earned to be used to care for immediate family members up to what is earned in one school year (10-days). Classified employees are also already allowed to utilize earned Sick Leave for care of immediate family members.

Rationale: This MOU will ensure consistency and uniformity in application of accrued Sick Leave.

Funding: Any costs would come from the respective sites' General Fund budget.

Recommendation: Approve/Ratify Memorandum of Understanding (MOU) between the Fullerton School District and Fullerton Elementary Teachers Association on Sick Leave for the 2019/2020 school year.

Beginning in the 2019-2020 school year, the Fullerton School District (FSD) and the Fullerton Elementary Teachers Association (FETA) agree to change Article 13 of Collective Bargaining Agreement between FSD and FETA as follows:

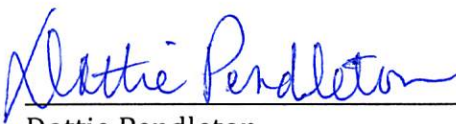

A. Sick Leave with Pay

Fullerton School District

Board Policy

Employee Compensation

BP 4151, 4251, 4351

Personnel

Board Adopted:

In order to recruit and retain employees committed to the District's goals for student learning, the Board of Trustees recognizes the importance of offering a competitive compensation package which includes salaries and health and welfare benefits.

The Board shall adopt separate salary schedules for certificated, classified, and supervisory and administrative personnel. These schedules shall comply with law and collective bargaining agreements and shall be made available for review online.

Each certificated employee, except an employee in an administrative or supervisory position, shall be classified on the salary schedule on the basis of uniform allowance for education level and years of experience, unless the Board and employee organization negotiate and mutually agree to a salary schedule based on different criteria. Certificated employees shall not be placed in different classifications on the schedule, nor paid different salaries, solely on the basis of the grade levels at which they teach. (Education Code 45028)

Salary schedules for staff who are not a part of a bargaining unit shall be determined by the Board at the recommendation of the Superintendent or designee.

The Board shall determine the frequency and schedule of salary payments, including whether payments for employees who work less than 12 months per year will be made over the course of the school year or in equal installments over the calendar year. (Education Code 45038, 45039, 45048, 45165)

The Superintendent or designee shall post a notice explaining the Fair Labor Standards Act's wage and hour provisions in a conspicuous place at each work site. (29 CFR 516.4)

Overtime Compensation

District employees shall be paid an overtime rate of not less than one and one-half times their regular rate of pay for any hours worked in excess of eight hours in one day or 40 hours in one work week, or twice their regular rate of pay for any hours worked in excess of 12 hours in one day or eight hours on the seventh consecutive day of work. However, employees shall be exempt from overtime rules if they are employed as teachers or school administrators or if they qualify as being employed in an executive, administrative, or professional capacity and are paid a monthly salary that is at least twice the state minimum wage for full-time employment. (Labor Code 510, 515; 29 USC 213; 29 CFR 541.0-541.710, 553.27, 553.32)

When authorized in a collective bargaining agreement or other agreement between the district and employees, an employee may take compensatory time off in lieu of overtime compensation, provided the employee has not accrued compensatory time in excess of the limits specified in 29 USC 207. An employee who has requested the use of compensatory time shall be allowed to use such time within a reasonable period after making the request if the use of the compensatory time does not unduly disrupt district operations. (29 USC 207; 29 CFR 553.20-553.25)

For each nonexempt employee, the Superintendent or designee shall maintain records on the employee's wages, hours, and other information specified in 29 CFR 516.5-516.6.

Board Policy

Dismissal/Suspension/Disciplinary Action

BP 4218

Personnel

Board Adopted:

The Board of Trustees expects all employees to perform their jobs satisfactorily and exhibit professional and appropriate conduct. A classified employee may be disciplined for unprofessional conduct or unsatisfactory performance in accordance with law, any applicable collective bargaining agreement, and the rules of the personnel commission.

Disciplinary actions shall be based on the particular facts and circumstances involved and the severity of the employee's conduct or performance. Disciplinary actions may include, but are not limited to, verbal and written warnings, involuntary reassignment, demotion, suspension without pay, reduction of pay step in class, compulsory leave, and dismissal.

The Superintendent or designee shall ensure that disciplinary actions are taken in a consistent, nondiscriminatory manner and are appropriately documented.

A probationary classified employee may be dismissed without cause at any time prior to the expiration of the probationary period.

A permanent classified employee shall be subject to suspension, demotion, or dismissal only for one or more of the causes designated by rule of the personnel commission. (Education Code 45302, 45304)

When such serious disciplinary action is being contemplated against an employee, the district shall adhere to disciplinary procedures developed by the personnel commission. Due process shall be afforded to the employee, including proper notice, an opportunity for the employee to meet with a designated district official ("Skelly officer") or to respond in writing to the charges, and an opportunity to appeal the district's decision with the personnel commission in accordance with Education Code 45305-45307. If the matter is addressed in a hearing before the personnel commission, the decision of the personnel commission shall be final.

However, if the matter involves an allegation of egregious misconduct as defined in Education Code 44932 and involves a minor, the matter shall be referred to an administrative law judge to determine whether sufficient cause exists for disciplinary action against the employee. The ruling of the administrative law judge shall be binding on the district and the employee. (Education Code 45312).

Board Policy

Anti-Bullying

BP 5131.2

Students

Board Adopted: June 19, 2012

Revised: November 15, 2016, August 14, 2018

The Board of Trustees for the Fullerton School District recognizes the harmful effects of bullying on **student well-being**, student learning and school attendance and desires to provide safe school environments that protect students from physical and emotional harm. District employees shall establish student safety as a high priority and shall not tolerate bullying of any student.

No individual or group shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, ~~retaliate~~, cyberbully, cause bodily injury to, or commit hate violence against any other student or school personnel, **or retaliate against them for filing a complaint or participating in the complaint resolution process.**

In addition, Penal Code 653.2 makes it a crime to distribute another person's personally identifiable information electronically with the intent to cause harassment by a third party and to threaten a person's safety or that of his/her family (e.g., placing a person's address online so that he/she receives harassing messages).

Cyberbullying includes the electronic creation or transmission of harassing communications, direct threats, or other harmful texts, sounds, or images as defined in Education Code 48900. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage or victimize that person's reputation.

Strategies for addressing bullying in District schools shall be developed with involvement of key stakeholders, including students, parents/guardians, and staff, in accordance with law, Board policy, and administrative regulation and may be incorporated into the comprehensive safety plan, the local control and accountability plan, and other applicable District and school plans.

SUBJECT: ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts, which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

EXHIBIT A
REGULATORY COMPLIANCE STATEMENTS

FERPA Compliance Statement: The Family Educational Rights and Privacy Act (20 U.S.C. § 1232g; 34 CFR Part 99) (FERPA) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. Under FERPA, the student information they document using the Service does not constitute an official education record, but instead constitutes Directory Information as that term is defined in FERPA. Subject to certain exceptions, a school or district cannot disclose personally identifiable information recorded in a student's educational record to a third-party provider such as Learning Genie without the written consent of the student's parents or legal guardians. The exceptions to this prohibition include Directory Information such as that recorded using the Learning Genie Service. As a School Official or Institution providing Directory Information or any other information to Learning Genie, you hereby represent and warrant that your institution has:

- (a) Complied with the Directory Information exception, which includes informing parents what information the Institution deems to be Directory Information, and giving parents a reasonable opportunity to opt-out of the disclosure of such information; or
- (b) Complied with the FERPA School Official Exception by informing parents in their annual notification of FERPA rights that the Institution defines "School Official" to include service providers, and defines "Legitimate Educational Interest" to include services such as the type provided by Learning Genie; or
- (c) Obtained all necessary parental written consent to share the Directory Information and Educational Records with Learning Genie, in each case, solely to enable Learning Genie to provide the Service.

Further in compliance with FERPA, Learning Genie will: (i) grant Administrators direct control of the use and maintenance of the information provided to Learning Genie in accordance with their policies; (b) comply with Administrators' data retention, archival, and destruction requirements throughout the term of this Agreement and afterwards; and (c) provide access to information to parents when to do so for the purposes of correcting any inaccuracies therein.

AB 1584 Compliance Statement: Pursuant to California AB 1584, as codified in Section 49073.1 of the California Education Code, Learning Genie represents and warrants as follows:

- (a) Ownership of Pupil Records: Any and all Pupil Records provided to Learning Genie, or to which Learning Genie has been granted access, are and shall remain the sole property of the School District or educational agency (collectively, "School District") that provided or granted access to such records.
- (b) Pupil-Generated Content: The Learning Genie System does not collect or store any Pupil-Generated content. In the event the System is updated to incorporate such a feature, Learning Genie shall amend this Statement to describe the means by which pupils may retain possession and control of pupil-generated content.
- (c) Third Party Access and Use: Learning Genie prohibits all third parties from accessing or utilizing any Pupil Record for any purpose other than those required by or permitted by the contract for Learning Genie's services.
- (d) Parent and Pupil Review Procedures: The System enables any Authorized User to permit parents, legal guardians, and eligible pupils to review personally identifiable information contained in

Pupil Records, and to correct erroneous information, in accordance with procedures established by the School District.

- (d) Security and Confidentiality of Pupil Records: Learning Genie has designated a Security Compliance Officer (SCO), who is responsible for: (i) ensuring that Learning Genie servers are protected against unauthorized access to the greatest degree possible; (ii) limiting employee access to Pupil Records to whatever extent is required for them to perform their job functions; and (iii) training employees in data security procedures to further ensure compliance with company data security policies.
- (e) Unauthorized Disclosure: In the event any Pupil Records are inadvertently disclosed via outside data breach or for any other reason, the SCO shall notify the School District that owns such records immediately upon the discovery of such inadvertent disclosure. The School District may in turn utilize the System to notify affected parents, legal guardians, or eligible pupils via posts within the System, emails, or in such other manner as the School District deems appropriate.
- (f) Post-Contract Data Deletion: Learning Genie hereby certifies that, upon the termination of a service contract with a School District, it shall isolate and permanently delete any and all Pupil Records belonging to such School District that may remain on the System, unless the School District or applicable regulations require the retention of such data, in which case the records shall be deleted upon the expiration of the retention period. Prior to deleting any Data Records, Learning Genie shall first ensure that the School District has downloaded backups of the same. Notwithstanding the foregoing, Learning Genie reserves the right to retain "de-identified" elements of Pupil Records that do not include personally identifiable information for the purpose of research and for enhancing the Service to the extent permitted by applicable law.
- (g) FERPA Compliance: Learning Genie offers School Districts utilizing the System the means to comply with their obligations under the Federal Educational Rights and Privacy Act (20 USC §1232(g)), by enabling Authorized Users to inspect and review Pupil Records and to correct any inaccuracies therein as described in Section 4 of this Agreement.
- (h) Prohibition Against Targeted Advertising: Learning Genie strictly prohibits the use of any personally identifiable information included in a Pupil Record to direct targeted advertising for any product or service. In furtherance of this prohibition, Learning Genie does not sell, trade, or rent any element of personally identifiable information to any third party.

SB 1177 Compliance Statement: Pursuant to California SB 1177, as codified in Section 22584 of the California Business and Professions Code, Learning Genie represents and warrants as follows:

- (a) Security Procedures: Learning Genie has designated a Security Compliance Officer (SCO), whose responsibilities are set forth in Section 5(d) of this Agreement;
- (b) Authorized Deletion: Learning Genie will permanently delete any student information upon the request of an authorized school district or educator representative.

Further in compliance with SB1177, Learning Genie does not:

- (i) Use any element of personally identifiable information (PII) of any student for the purpose of directing targeted advertising on its website or application;
- (ii) Use any information (including persistent unique identifiers), created on or gathered by the Service, to amass a profile about a K-12 student except in furtherance of K-12 school purposes;

- (iii) Sell, trade, or rent any information relating to K-12 students to any third party for any purpose whatsoever; or
- (iv) Disclose any information created or gathered by the System unless such disclosure is authorized by the Code.

Background: For the past three years YouthTruth has provided services to the Fullerton School District to harness student perceptions in order to help educators accelerate improvements in their K-12 schools and classrooms. Board approval was initially granted on June 21, 2016 for YouthTruth to provide customized survey services to FSD from July 1, 2016 through June 30, 2019.

Rationale: YouthTruth continues to offer reliable and validated survey instruments, a comprehensive online reporting platform, and professional advisory services that help the Fullerton School District integrate what students really think into instructional and leadership decisions. YouthTruth supports Fullerton School District's strategic district priorities by: (1) Providing comprehensive campus-wide student feedback on topics that are linked to academic outcomes and school climate, (2) Delivering robust interactive reporting that is designed for each audience (school and district-level) that can serve as a tool for each principal to accelerate improvements, (3) Providing family and staff surveys to engage parents, family members, and staff members in providing rich student data about their sense of school culture, mission and goal alignment, engagement and empowerment, relationships, resources, communication, and feedback. YouthTruth surveys for students, parents and staff will be used throughout the school year, providing relevant information needed to improve programs and services, ultimately leading to increased student achievement.

Funding: A multi-year discount of \$28,080 will be implemented for a three-year agreement. Total Cost is not to exceed \$145,000 and is to be paid from the Unrestricted General Fund.

— STUDENT SURVEY —

A NATIONAL NONPROFIT

November 27th, 2019

Fullerton School District
1401 W. Valencia Drive
Fullerton, CA 92833

Dear Superintendent Pletka and the Fullerton School District Board and leadership team,

I am pleased to share the following proposal to continue our partnership with Fullerton School District (FSD) to gather valid, reliable, and comparable feedback through YouthTruth's research-based perception surveys.

In particular, YouthTruth can continue to be a valuable partner to:

1. Streamline, add efficiency, and keep costs low by consolidating survey efforts under one partner organization and reporting platform;
2. Support LCAP and CA Dashboard planning and reporting;
3. Support family and staff engagement through YouthTruth's *Family Survey* and *Staff Survey*, as well as continue to gather highly-customized feedback from all district staff to inform Central Office and departmental effectiveness through the *Central Office Effectiveness Survey*.
4. Build capacity among school leaders (and potentially student leaders as well!) in interpreting and acting on student and stakeholder feedback for equity, SEL, and school improvement; and,
5. Provide actionable student feedback on the non-academic indicators that matter most to measuring climate, culture, safety, and effective instructional strategies through the *Student Survey*.

We are committed to making student and stakeholder feedback efficient, cost-effective, and actionable. As a mission-driven nonprofit, we seek to be your *partner* not just another *vendor*. **As part of our commitment to services (while still sustaining and scaling our operations), this proposal includes an \$9,360 annual discount, or \$28,080 over the course of our next three-year agreement.** We're invested in this work and hope that you'll continue to invest in it too.

I welcome the opportunity to discuss the proposal and tailor the scope even more to your unique needs and budget.

Best,
Sonya

Survey Results Analysis and Reporting

YouthTruth will provide school-level reporting, as well as district-level findings. Principals receive school-level reports that show average ratings in their school, as well as differences across subgroups, while district leaders receive district-level reports to easily compare results across schools and subgroups.

The YouthTruth online, interactive reports are typically delivered within seven business days. With YouthTruth reports, education leaders can:

- Disaggregate results by demographic subgroups:
 - **Secondary student** survey results can be disaggregated by grade-level, gender, race/ethnicity, ELL, special education, FRPL, sexual orientation (optional). **Elementary student** reports include subgroups of grade-level and gender.
 - Disaggregate **staff** survey results by gender, race/ethnicity, role, years in role, tenure at school, and for instructional staff, years of teaching experience and teacher training.
 - Disaggregate **family** survey results by gender, race/ethnicity, child's grade level, relationship to child, level of education, FRPL, primary home language, number of children attending the school.
- Compare results to other schools nationally and to other schools with like characteristics, such as suburban, rural, urban, large-school, small-school, high-poverty, etc.
- Review qualitative comments indexed by theme.
- Share customized report summary with other stakeholders (with sensitive information redacted).
- Receive access follow-up resources for action planning.

Introduction to Reports

To view sample student survey reports, please visit youthtruth.surveystats.org/public/OSE-HS.

YouthTruth reports are best experienced online to understand their full interactive functionality. For an example of the types of data files and reports that YouthTruth provides, please use the above link to access an online interactive report. For a brief introduction to our reports, please find three screenshots below of some of the chart types in a YouthTruth report.

1. The following image is from the **Key Ratings** page of a high school student survey report, which illustrates findings at-a-glance. In a school-level report, Key Ratings represents feedback across all students at the school. In a district-level report, it represents results for the median-rated school in the district. Key Measures aggregate results from all of the questions in a topic. In this way, the users can see at a glance how students feel about each key theme.

In the example that follows, the school has surveyed three times, as illustrated by the three points in the Trend Data. The Average Rating provides the average response across a topic, from 1 (Strongly Disagree) to 5 (Strongly Agree). The Percentile Rank provides a national comparison as

well as a local/similar comparison. The white flag provides the national comparison, letting the user know that a 4.07 for student Engagement is above 96% of other participating high schools across the country. The school is in the 96% percentile for Student Engagement, and also leads all the other schools in Cooke County School District. The grey line for Cooke County's district results illustrates the range of responses, with the dash representing the median high school in Cooke County.

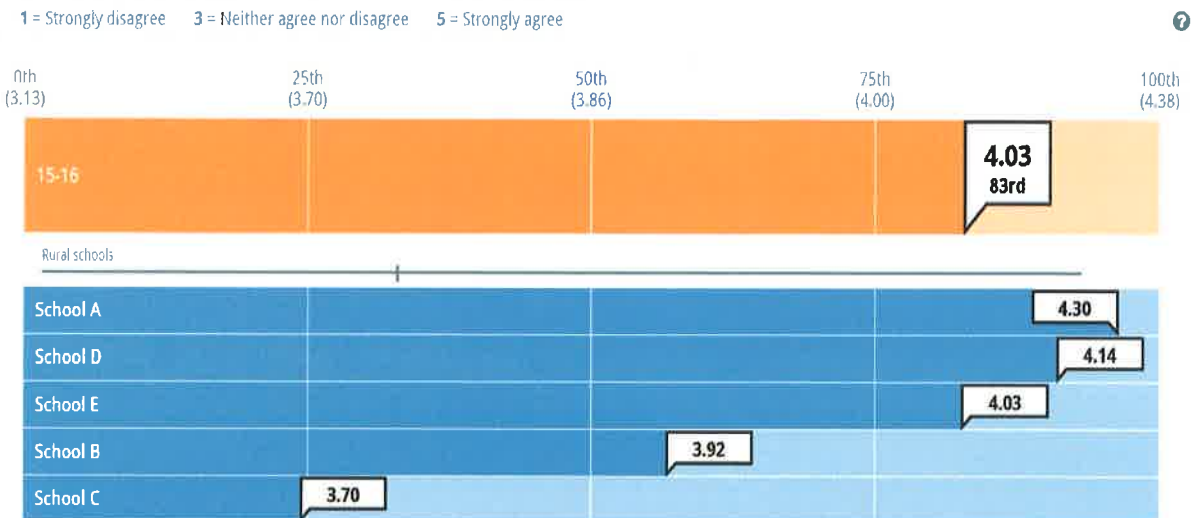

- The reports also provide aggregated and disaggregated **results for each question** in the survey. For example, all secondary students provide their feedback to the statement: "Most adults in this school treat students with respect" (5 = strongly agree; 1 = strongly disagree). The following sample chart provides context for how a school leaders would view results. Each blue bar presents the average for each demographic subgroup. For example, in this sample data, Hispanic/Latino students have the most positive perceptions of respect (average response = 4.38). White students have lower perceptions (average = 3.93).

"Most adults in this school treat students with respect."

3. The next chart provides the district-wide results for the survey question, “I can usually be myself around other students at this school.” Students across Cooke County School District averaged 4.03, which is in the 83rd percentile compared to other student perceptions across the country. The ranking is also more favorable than the typical rural high school. However, schools within the district received a range of responses, with school averages ranging from 4.30, at the highest to 3.70 at the lowest.

“I can usually be myself around other students at this school.”

Project Management for Higher Response Rates

As a mission-driven organization, we believe that stakeholder feedback is most helpful when all students in a school are heard, and not just small samples. As such, we dedicate resources to ensuring representative response rates.

Here are the average response rates for student surveys in the following school levels:

- The average response rate for **elementary schools** in the YouthTruth comparative dataset is 86%.
- The average response rate for **middle schools** in the YouthTruth comparative dataset is 90%.
- The average response rate for **high schools** in the YouthTruth comparative dataset is 75%.

Experience Managing Large Projects

As a national nonprofit, YouthTruth has significant experience over the past decade supporting large districts and managing large-scale projects. YouthTruth’s experience includes engagements with diverse districts across the country, such as Miami-Dade Public Schools, Atlanta Public Schools, Oakland Unified School District, Aldine Independent School District, and New York City Public Schools.

In 2017, YouthTruth was commissioned by the Michigan Department of Education to administer student, family, and staff surveys across nearly 200 traditional public, charter, and private schools in the Detroit area.

In the 2013-14 school year, YouthTruth co-designed and led the implementation of the Student Engagement Survey for Minnesota’s state teacher evaluation system. YouthTruth provided customized training, advisory services, and logistical support to the Minnesota state DOE, the local superintendents and principals, and individual teachers. YouthTruth’s Minnesota instrument continues to be used for Minnesota teacher evaluation.

Part 2. How do YouthTruth and California Healthy Kids (CHKS) Differ?

YouthTruth’s timely reports allow educators to make adjustments in real time.

- YouthTruth delivers reports to district and school leaders within ~7 business days vs. waiting months for CHKS data to be returned.
- When comparing YouthTruth and CHKS, Bear Valley district leader, Paul Zamoyta, said: *“You can take it [YouthTruth], get the results so quick, and it’s so user-friendly, versus every two years having someone spend three months going over the data and then pulling out probably not as much stuff as you can pull out immediately from here.”* You can read more [here](#).

YouthTruth’s personalized reports are easy to understand, providing actionable insights for school and district leaders.

- YouthTruth reports are intuitive. They use visual cues like color and size to provide at-a-glance understanding. CHKS reports are largely made of up of numeric tables.
- YouthTruth reports include organized qualitative comments from students, family members, and staff members. This detail adds context to the quantitative data. CHKS does not provide comments.
- YouthTruth staff work with school and district leaders every step of the way. Our advisory services include individual school calls with principals, group webinars, and in-person professional development workshops.

YouthTruth offers age-appropriate surveys that focus on academic instruction, school culture and climate, and college and career readiness.

- CHKS focuses on health habits, perceptions of and access to drugs, and includes some questions about school culture and climate. For example, the CHKS elementary survey asks all 5th graders if they’ve ever smoked (pot, grass, weed, or cigarettes), drank alcohol, sniffed aerosol, or chewed (snuff, tobacco, or dip).
- While the YouthTruth survey can be customized to add in questions about drugs and alcohol, YouthTruth’s topics are based on the research on what matters most for student achievement: student engagement, academic rigor, teacher and peer relationships, and school culture. High school surveys also focus on drop-out risk and college and career readiness. Schools with specific instructional models can add modules on Project Based Learning, STEM, and more.

YouthTruth surveys are comprehensive, but streamlined to include only the most important items and take less time away from instruction.

Number of questions per survey		
	CHKS	YouthTruth
Elementary	68	25
Middle	110	36
High	120	50

As a mission-driven nonprofit, YouthTruth’s vision is to allow educators to make decisions based on feedback from all of their students.

- Most districts administer CHKS in grades 5, 7, 9, and 11 every other year. Our partners use their YouthTruth data to hear from every student and track progress toward goals over time.

Part 3. Three-Phase Work Plan At-A-Glance

YouthTruth typically uses the following work plan to manage each round of surveying. **We welcome a conversation about how we might tailor this to best support Fullerton School District.**

Part 4. Using YouthTruth Data to Accelerate Change

YouthTruth's Professional Development Workshop and general Advisory Services are designed for participants to more deeply understand and take meaningful action on the data gathered.

Facilitated by YouthTruth data and education experts, the advisory services will lead district and school leaders in discussion and hands-on exercises to:

- Understand key findings and trends across the district and within each school
- Identify strategies for using this data with the staff and school community
- Share best practices across schools
- Begin action planning from results

Participants will come away from their advisory support with actionable steps for using their stakeholder feedback. School leaders often remark about how helpful it is to carve out dedicated time, have “third-party” facilitators, and a valuable structure for busy principals to reflect and discuss their school climate.

Part 5. Index of Fullerton Schools

All Fullerton School District is eligible for YouthTruth’s grade- and reading-level appropriate surveys.

As part of the Bay Area Student Voice Initiative, the Community Foundation of Sonoma County and Hewlett Foundation will sponsor the participation of all five comprehensive High Schools during the 2019-20 and 2020-21 academic years. These schools are noted with an asterisk (*) in the index of schools below.

Part 6. Discounts, Pricing, and Budget Scenario

Multi-Year Agreement Discount - \$200 off per school per year

We believe that student and stakeholder perception data is most meaningful when collected over time. As such, we provide a significant discount for districts who engage in a multi-year agreement. The “multi-year discount” is applied with the understanding that the district intends to participate during the years specified. If, for any reason, the district elects to discontinue participation prior to the end of the contract term, the multi-year discount is reversed and the balance is invoiced.

Multi-Year Agreement Discount – 10% off standard Student, Family, and Staff Surveys

Multi-Level School Discount – 50% off the second survey for K8 campuses

Workshop Discount - \$2,000 off

CEP presumptively assumes that this consent has been collected, if necessary, by the time of survey administration. YouthTruth has provided a sample parental consent letter (available to download at youthtruthsurvey.org/parentalconsent) that clients are welcome to edit for their own purposes.

Confidentiality

CEP will not reveal any survey data about, nor attribute any data to, the client's district/network or school(s) in any publication other than the YouthTruth reports provided to the client without the client's expressed permission. CEP will not report findings for subgroups comprised of less than five students in any Youth-Truth reports, and will use all commercially reasonable efforts to protect the confidentiality of all individual student responses in YouthTruth reports and in any future research. CEP has a process in place to flag and communicate concerning comments to the client, and may disclose otherwise confidential responses where the responses contain allegations of abuse or explicit threats of harm to the student or others. CEP may cite your district/network and school(s) as YouthTruth Survey participants in its marketing materials, on its web site, and elsewhere.

CONSENT ITEM

DATE: December 10, 2019

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Jeremy Davis, Assistant Superintendent, Innovation & Instructional Support

PREPARED: Jeremy Davis, Assistant Superintendent, Innovation & Instructional Support

SUBJECT: APPROVE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND SAN JOAQUIN COUNTY OFFICE OF EDUCATION CENTER FOR EDUCATIONAL DEVELOPMENT AND RESEARCH TO PROVIDE ANNUAL PROGRAMMING AND MAINTENANCE OF SEIS/SIS INTEGRATION COMPONENTS AND SERVICES STARTING DECEMBER 2019.

Background: SEIS is the Special Education Information System. Fullerton School District (FSD) uses Powerschool as our Student Information System (SIS). Currently these two programs do not integrate which has caused a significant amount of work for both the Special Education/Student Services department and IIS. If information is incorrectly entered into the SEIS or SIS system, all errors have to be found manually, researched, and corrected. The state has recently made a change where all SEIS data will be incorporated into our CALPADS reporting and then verified by the local SELPA. This new data collection has been problematic for most districts in the state.

Rationale: The integration programming and maintenance will provide a system that allows Powerschool to sync all demographic data to SEIS and overwrite any errors. Powerschool will remain the authoritative data source for all demographic data for all students in FSD. This sync will allow us to lessen the burden of data management, error discovery and error resolution that has recently increased dramatically for multiple departments.

Funding: One-time cost not to exceed \$4,000 to be paid from the Unrestricted General Fund. Annual costs (including year one) of \$1.50 per special needs student in the SEIS database to be paid from the Unrestricted General Fund. The initial annual maintenance fee will be \$2,283 based on 1,522 students.

Recommendation: Approve Contract between Fullerton School District and San Joaquin County Office of Education Center for Educational Development to provide annual programming and maintenance of SEIS/SIS Integration components and services starting December 2019.

**SAN JOAQUIN COUNTY OFFICE OF EDUCATION
Center for Educational Development and Research
MEMORANDUM OF CONTRACT**

November 2019

**PROGRAMMING AND MAINTENANCE OF SEIS/SIS INTEGRATION
COMPONENTS AND SERVICES**

This memorandum of contract constitutes an understanding between the San Joaquin County Office of Education (CEDR Department), a county office of education of the state of California, (SJCOE/CEDR) and the Fullerton School District, (Client), a California school district, concerning design, programming and maintenance of integration components between Special Education Information System (SEIS) and the Client's Student Information System (SIS). Note that any deletions, additions or modifications to this memorandum of contract must be in writing signed by both parties.

1.0 OVERVIEW OF THE PROJECT

The Client has requested the setup/configuration and support of integration components and services to allow bidirectional data transfer between SEIS and the Client's SIS. SJCOE/CEDR will setup and provide integration services developed using ASP.Net 4.0 to integrate SEIS with Client's SIS. Custom procedures, server jobs, and custom reports will be developed in both systems to facilitate full interoperability and data integrity.

2.0 PROJECT DELIVERABLES

2.1. Programming

SJCOE/CEDR will work closely with the Client in the development stages to set, ascertain and meet milestones as the project is completed. SJCOE/CEDR will program the front-end of the system using Microsoft's Windows Communication Foundation, ASP.Net, and .Net Framework 4.0 to develop the services. For the back-end database SJCOE/CEDR will create SQL Server stored procedures, tables, and SQL Server Integrated Services (SSIS) packages to work with the data merge and updates. The front-end and back-end will be constructed to provide data integrity, efficiency, and scalability.

2.2. Sending Data to SEIS

The SJCOE/CEDR will provide any needed SQL Server scripts or installation packages required to send data prepared by the Client, to SEIS (data must be provided in the structure defined by SJCOE/CEDR). The service will need to be installed on a Windows Server at the Client's location. The service will encrypt and send SEIS the demographic data specified by SJCOE/CEDR. The service will be configured to run on a nightly basis.

As the data is sent via the service, SEIS will update student records based on matching birth date and SIS ID (Student Information System Identifier). All transactions will be logged and to streamline errors all records not added will appear in an exception report with a description of error (i.e. not matching SIS ID, more than one matching SIS ID, etc.) Client agrees to send only special education students from SIS to SEIS.

The exception report will be available for district level users on their SEIS home page. Student records on the exception report will have links to quickly search, add, transfer, or delete the student record.

2.3. SEIS Sending Data to SIS

The SJCOE/CEDR will provide a nightly extract to the Client to facilitate updating data in the Client SIS. The Client will be responsible to process these updates in the SIS once this file is received.

2.4. Security

All data will be transmitted via Web Services will be encrypted via SSL (Secure Socket Layer)/HTTPS and digitally signed via a SOAP signature and message. Also each web server and firewall will be configured to restrict access between the SEIS and Client servers only.

Note: Should Web Services be used, the Client will need to have an SSL (Secure Socket Layer) certificate on the Client's hosted server.

2.5. User Acceptance Period

A "User Acceptance Period" will be established for two months following production implementation for the purposes of refinements and additions to the Web Services based on production feedback. Within these two months, feedback will be provided to CEDRs by the client and responded to by CEDRs within the User Acceptance Period.

3.0 SYSTEM MAINTENANCE

The SEIS data, integrated services, and recurring jobs will be served and hosted on SJCOE/CEDR's secure web and database servers. Maintenance tasks to be undertaken by SJCOE/CEDR during the one year contract period will include, but not be limited to, the following:

- upgrade and redesign of additions and refinements to the Web Services during the User Acceptance Period as described in section 2.5;
- periodic revisions and additions during the course of the contract period months; and
- on-going debugging and maintenance of the Web Services and interface screens.

4.0 CLIENT RESPONSIBILITIES

The Client will be expected to perform timely reviews of the deliverables as they are developed.

The Client will be responsible for developing required the stored procedure(s)/queries, jobs/processes, and/or SIS packages needed in the SIS database or application for pulling proper data fields and data types required by the integrated service and any jobs related therein. If the Client is pulling data from SEIS, the Client will be responsible for developing the inserts/updates, jobs/processes, SSIS packages, and/or exception rules for handling the data sent from SEIS.

The Client will be responsible for uptime and maintenance of the Client's Windows Server and hosting any applications/service used in the integrated services.

Minimum Hardware Requirements: Pentium 3 Xeon 1.4Ghz, 2GB RAM and 18 GB Hard Drive Space.

Minimum Software Requirements: Windows 2003, Internet Information Services (IIS) 6.0 and .Net Framework 4.0.

5.0 TERMS OF THE CONTRACT

The Client agrees to pay the SJCOE/CEDR setup/configuration cost for the development of all the SEIS/SIS integration components/services in the amount of \$4,000. A single invoice will be presented to Fullerton School District by CEDRs, commencing with the signing of this Contract in the amount of \$4,000 (four thousand dollars).

The Client agrees to pay the SJCOE/CEDR annual maintenance fees of \$1.50 (one dollar and fifty cents), per student based on the current district special education student count as of the December 1 CASEMIS report. The Client's first annual maintenance fee will be \$2,283 (two thousand, two hundred and eighty-three dollars) based on the student count as of the December 1, 2018 CASEMIS report of 1,522 students. SJCOE/CEDR will invoice the district for this first annual maintenance fee upon completion of the User Acceptance Period defined in section 2.5.

Note: Subsequent annual fees will be assessed and billed to the district every 12 months during the Term of this contract following the System Launch Date calculated using the most current December 1 CASEMIS report at time of invoice.

Note: Anything above the standard Integration Services will have a minimum fee of \$1,000 (one thousand dollars).

6.0 TERM AND TERMINATION

The User Acceptance Period will begin upon delivery and implementation of production ready software.

Either SJCOE/CEDR or Customer may terminate this Contract upon at least thirty (30) days prior written notice to the other party, with such termination to be effective at the end of the current period for which Customer has paid annual fees when the notice of termination is provided. Within thirty (30) days of the effective date of termination of this Contract, SJCOE/CEDR shall return Customer Data to Customer in an ASCII delimited file format or such other mutually agreeable format.

The provisions under which this Contract may be terminated shall be in addition to any and all other legal remedies which either party may have for the enforcement of any and all terms hereof, and do not in any way limit any other legal remedy such party may have.

7.0 WARRENTY DISCLAIMER

SJCOE/CEDR ASSUMES NO RESPONSIBILITY IN CONNECTION WITH THE USE OF ANY OF THE SERVICES OR DATA MADE AVAILABLE BY SJCOE/CEDR. CLIENT AGREES THAT SJCOE/CEDR SHALL NOT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, OR CONSEQUENTIAL DAMAGES OR FOR THE LOSS OF PROFIT, REVENUE OR DATA ARISING OUT OF THE SUBJECT MATTER OF THIS CONTRACT, EVEN IF CLIENT HAS BEEN ADVISED OF THE POSSIBILITY OF POTENTIAL LOSS OR DAMAGE.

8.0 APPLICABLE LAWS

This Contract is subject to all applicable laws of the State of California, rules and regulations of the State Board of Education, and all applicable federal laws, all of which are made part of this Contract and incorporated herein as if fully set forth. It is also subject to any amendments in such laws during the term of this Contract. Should it be determined by a Court of competent jurisdiction that this contract or any portion of it is illegal or invalid, the contract shall be deemed terminated and both parties relieved of their obligations hereunder except the obligation of Client to pay for work already completed.

9.0 INDEPENDENT CONTRACTOR STATUS

This Contract is between two independent contracts and is not intended to and shall not be construed to create a relationship of agent, servant, employee, partnership, joint venture or association.

SUBJECT: APPROVE THE AGREEMENT FOR A DSA PROJECT INSPECTOR TO KNOWLAND CONSTRUCTION SERVICES AS PART OF THE BOARD APPROVED AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND PFMG SOLAR, LLC/CONSTELLATION

Background: On September 25, 2018, the Board of Trustees approved to adopt Resolution #18/19-14 granting a power purchase agreement between Fullerton School District and PFMG Solar, LLC/Constellation. The agreement will assist in the promotion of energy efficiency to achieve energy cost reductions in thermal, electrical and other energy consumed by the District. The installation of solar arrays as lunch shelters, carpports and shade structures at various sites will require inspections for compliance as set forth by The Division of the State Architect, (DSA).

Rationale: School construction projects are governed by the DSA. DSA reviews and approves construction plans for projects that meet specific criteria. The Solar Energy Project will reduce the price paid for electricity for the Fullerton School District. DSA has determined that due to the size of the scope of work required for the project, a second inspection firm is needed.

District staff recommends entering into an agreement with Knowland Construction Services for DSA inspection services. Knowland Construction Services is a full-service firm specializing in assisting school districts during the work process, installation of the various energy savings arrays, shelters, carpports, and shade structures.

Funding: The contract amount not to exceed \$110,000 is to be paid from the General Fund and will be reimbursed to Fullerton School District through PFMG Solar, LLC/Constellation for all cost associated with this agreement.

Recommendation: Approve the agreement for a DSA Project Inspector to Knowland Construction Services as part of the Board Approved Agreement between Fullerton School District and PFMG Solar, LLC/Constellation.

SUBJECT: APPROVE AGREEMENT BETWEEN FULLERTON SCHOOL DISTRICT AND FACILITRON, INC., FOR FACILITIES MANAGEMENT PORTAL (WORK ORDERS), EFFECTIVE JANUARY 1, 2020 THROUGH JUNE 30, 2023

Background: The Fullerton School District has been utilizing the same program for work order management since 1998. This program no longer meets the needs of the District and the ever-increasing number of work requests submitted to be done throughout the District. Facilitron, Inc., will set up a website for the purpose of presenting, scheduling, renting, and administering of facilities and managing work orders.

The initial term of this agreement is from January 1, 2020 to June 30, 2023. Thereafter, the agreement shall continue on a month-to-month basis unless terminated by either party. The District may cancel this agreement at any time.

Rationale: Facilitron was Board approved on May 8, 2018, to manage our facility use requests. This new Facilities Management Portal will work in conjunction with our existing Facilitron program and will utilize a common calendar to better coordinate facility use and work order repairs. In addition, with Facilitron in place, the District will be in a position to more accurately track costs.

Funding: There are no up-front costs for this service. Per the attached agreement, commissions of 14% of the total client fee for facility use requests will be deducted from the client's payment.

Recommendation: Approve agreement between Fullerton School District and Facilitron, Inc., for facilities management portal (work orders), effective January 1, 2020 through June 30, 2023.

NOW, THEREFORE, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the Parties agree as follows:

A G R E E M E N T

2. Grant of Rights.

(a) Grant of Rights to Company. The Client hereby grants Company the non-exclusive right to present and rent Client Facilities to End-Users in accordance with the provisions of this Agreement during the Term.

(b) Appointment of the Company as Limited Payment Collection Agent for the Client. The Client hereby appoints Company as the Client’s limited payment collection agent solely for the purpose of accepting rental and service payments from End Users. The Client agrees that payment made by an End User through Company, shall be considered the same as a payment made directly to the Client, and the Client will make the facilities and services available to the End User in the agreed-upon manner as if the Client has received the fees. The Client agrees that Company may, in accordance with the cancellation policy selected by the Client (i) permit the End User to cancel the booking and (ii) refund (via Company) to the End User that portion of the fees specified in the applicable cancellation policy. The Client understands that Company accepts payments from End Users as the Client’s limited payment collection agent and that Company’s obligation to pay the Client is subject to and conditioned upon successful receipt of the associated payments from End Users. (c) Pricing and Payment Terms. The Client shall determine the pricing for its facilities, application, equipment usage, custodial and other associated services provided by the Client (the “Client Fee”). **The Client agrees to pay the Company a commission of 14% of the total Client Fee amount per Transaction which shall be deducted from the client’s payment.** Notwithstanding the foregoing, in no event shall the aggregate fees to be charged to End Users exceed those limits set forth in California law or Client’s board policies. (d) Audit. Upon at least ten (10) calendar days prior written demand to Company, the Client shall have the right, at its own cost and expense, to audit Company’s books, records, and accounts for the sole purpose of verifying payments reported under Section 2(c). Company shall provide all such relevant books, records, and accounts to Client upon such demand. If Client (through its certified public accountant or other appropriate auditor) concludes that additional amounts were owed during the audited period, the Company shall pay such additional amounts within thirty (30) calendar days of the date the Client delivers to Company such accounting firm’s written report so concluding. The fees charged by such accounting firm shall be paid by the Client; provided, however, if the audit discloses that the payments payable by Company for such period are more than thirty percent (30%) of the amounts actually paid for such period, then the Company shall pay the reasonable fees and expenses charged by such accounting firm in addition to any additional amounts owed.

Company shall post throughout the Term of this Agreement, on at least the main page of the Online Facilities Rental Storefront, a copy or link to the Privacy Policy. The Privacy Policy must be prominently published on the web page and provide adequate notice, disclosure and choice to users regarding Company's collection, use and disclosure of user information. 6.11.5 Bilingual or bilingual/biliterate compensation will solely be tied to the position and not the employee. If the employee is transferred from one position to another, the bilingual or bilingual/biliterate compensation will stop immediately unless the employee's new position has already been established by the Assistant Superintendent Personnel Services or their designee as a position eligible to be assigned additional bilingual or bilingual/biliterate compensation.

6.11.6 Employees in job classifications requiring bilingual and/or bilingual/biliterate job duties for the entire class as part of the regularly assigned duties shall not receive the stipends in 6.11.1 or 6.11.2 as the language skills were considered in placing the classification on the salary schedule.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since budget adoption, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

Discussion Items:

First Reading Continuance of Potential Bond Resolution and Full Proposition presented to the Voters by the Fullerton School District.

Tim Carty, financial advisor from Pipper Jaffrey discussed the legal requirements for pricing a general obligation bond for the Fullerton School District. Mr. Carty recommended the Board select either \$29.00 or \$30.00 per \$100,000 of assessed property value. His recommendation was based on polling results from last summer and the District's current facility needs.

Chris Thompson, Community Member, asked clarification questions regarding repayment.

On November 12, 2019, the Board of Trustees will be discussing and tentatively approving a Resolution which would place a general obligation bond measure on the March 3, 2020, ballot.

Board of Trustee Term Limits

Trustee Sugarman expressed her thoughts about addressing this topic at a future time. She stated the importance of a general obligation bond measure on the March 3, 2020, voters ballot and not having multiple measures on the ballot. The Board agreed to table this discussion for a future date.

SUBJECT: **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

³ The California Commission on Teacher Credentialing (CCTC) considers it a misassignment when a teacher lacks the proper subject-matter authorization, a proper teaching credential, or the appropriate authorization or credential to teach English Learners if one or more English Learners are assigned to the class. The Williams Settlement Legislation requires that county superintendents report to the CCTC the number of English Learner related misassignments involving classes in which 20% or more of the students are English Learners.

⁴ A teacher vacancy occurs if 20 working days after school begins for the semester, a single designated teacher has still not been assigned to teach the class for the entire year or semester [Education Code 35186(h)(3) and California Code of Regulations Title 5 4600(b)].

Background: Friday Night Live Partnership Mission Statement: To build partnerships for positive and healthy youth development, which engages youth as active leaders and resources in their communities.

The Orange County Friday Night Live Partnership Services (OCFNLPS) takes the form of a partnership service program on school campuses and in community-based organizations. The voluntary program provides support and opportunities for young people to develop meaningful skills while addressing alcohol, tobacco, and other drug and violence issues at their schools and in their communities.

Each partnership service program consists of a group of young people, along with an adult advisor, who work together to make positive changes in their schools and communities. OCFNLPS staff provide technical assistance, leadership training, and support for chapter development. Students meet during the lunch break.

Laguna Road School and Nicolas Jr. High School have offered a Friday Night Live Partnership Services program since the program was developed several years ago. The Orange County Department of Education, as part of an agreement with the County of Orange, wishes to contract with Fullerton School District, Laguna Road School and Nicolas Jr. High School. Orange County Department of Education is offering a total of \$2,000 in stipends. The two staff members at Laguna Road School and Nicolas Jr. High School who serve as advisors to the program will receive the stipends upon presentation of satisfactory documentation. <u>Laguna Road School:</u>		<u>Nicolas Jr. High School</u>	
Megan Merda	\$334	Lauren Comini	\$500
Casey Smith	\$333	Shawn Moen	\$500

Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required Services from another Contractor. If the cost to the District exceeds the cost of providing the service pursuant to this

Agreement, the excess cost shall be charges to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District. Written notice by District shall be deemed given when received by the other party, or no later than three days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its governing board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for: (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising out of (1) or (2) above, sustained by the Contractor or any person, firm or corporation employed by the Contractor, either directly or by independent contract, upon or in connection with the Services called for in this Agreement, however caused, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(b) Any injury to or death of any person(s), including the District’s officers, employees and agents, or damage to or loss of any property caused by any act, neglect, default, or omission of the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the Services covered by this Agreement, whether said injury or damage occurs either on or off District’s property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

11. Insurance. Contractor shall insure Contractor’s activities in connection with the Services under this Agreement and agrees to carry insurance to ensure Contractor’s ability to adhere to the indemnification requirements under this Agreement.

11.1 Contractor shall, at Contractor’s sole cost and expense, maintain in full force and effect the following insurance coverage from a California licensed insurer with an A, VIII, or better rating from A.M. Contractor shall provide prior written notice to the District thirty (30) days in advance of any non-renewal, cancellation, or modification of the required insurance. The certificates of insurance providing the coverages referred to in clauses a and b above shall name District, its Governing Board, officers, and employees, as additional insureds with appropriate endorsements. In addition, the certificates of insurance shall include a provision stating "Such insurance as is afforded by this policy shall be primary, and any insurance carried by District shall be excess and noncontributory." 12. Assignment. The obligations of the Contractor pursuant to this Agreement shall not be assigned by the Contractor.

13. Compliance With Applicable Laws. The Services completed herein must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. CONTRACT NUMBER:

LEA: FULLERTON SCHOOL DISTRICT

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:
BRETT DINOVI & ASSOCIATES, LLC

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into this **13TH DAY OF NOVEMBER**, between the **FULLERTON SCHOOL DISTRICT** (hereinafter referred to as “District” or local educational agency “LEA”) and **BRETT DINOVI & ASSOCIATES, LLC** (hereinafter referred to as “CONTRACTOR”) for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq., AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Agreement, does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as “ISA”). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR’s obligation to provide all services specified in the student’s Individualized Education Plan (hereinafter referred to as “IEP”). The ISA shall be executed within ninety (90) days of an LEA student’s enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as “OAH”) order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student’s parent.

2. CERTIFICATIONS AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as “CDE”) as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider’s license, certification and/or credential. In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. This Master Contract shall be null and void if such certification or waiver is expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program, constitutes a breach of the Master Contract and may result in the termination of this Master Contract by the LEA and/or suspension or revocation of CDE certification.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total class size shall be limited to capacity as stated in Section 24 of the Master Contract.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, corporal punishment, pupil discipline, and positive behavioral interventions.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from November 13th, 2019 to June 30, 2020 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2020. In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5, California Code of Regulations, Section 3062(d).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2020.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) calendar day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall be substantially similar in form and content to the ISA set forth in Exhibit B, attached hereto and incorporated herein by reference. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise. CONTRACTOR shall abide by the "stay-put" requirement of state and federal law when placement in an interim alternative educational setting is made by the LEA or OAH consistent with 20 U.S.C. section 1415(k)(1). CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR disagrees with the language of Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its rights to challenge that provision.

CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR based on any acts or omissions of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding. 18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR's written notification shall include the specific special education and/or related service to be subcontracted, including the corresponding hourly rate or fee. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts unless written approval for any change is first obtained by the LEA. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including but not limited to, transportation) for any LEA student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. LEA may request that the certificates and endorsements be completed on forms provided by the LEA. All certificates and endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA and the LEA/District Board of Education, agents, employees and volunteers as additional insured. All Certificates of Insurance shall reference the LEA contract number, name of the school or agency submitting the certificate, indication if nonpublic school or nonpublic agency, and the location of the school or agency submitting the certificate. In addition, all sub-contractors must meet

the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract.

Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

Such device/equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the device/equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) verification that any such charge or fee is not a "pupil fee" under Education Code section 49010 et. seq.; (b) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (c) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA guidelines as well as all California state laws, regulations and guidelines prohibiting pupil fees, deposits or other charges.

Invoices and related documents may be submitted electronically if requested by LEA and CONTRACTOR has the systems in place to generate the requested documents. The LEA may designate forms for use by CONTRACTOR when submitting invoices. At a minimum, each invoice must contain the following information: month of service; specific days and times of services coordinated by the LEA approved calendar unless otherwise specified in the ISA or agreed to by the LEA; name of staff who provided the service; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of the nonpublic school/nonpublic agency administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this Master Contract; verification that progress reports have been provided consistent with the ISA (monthly or quarterly unless specified otherwise on the ISA); and the name or initials of each student for when the service was provided.

In the event services were not provided, rationale for why the services were not provided shall be included.

Such an invoice is subject to all conditions of this Master Contract. At the discretion of the LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by the LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by the LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

59. RIGHT TO WITHHOLD PAYMENT

The LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Master Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA with five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by the LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the

individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the LEA student.

If the LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for the LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for the LEA's withholding payment, submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, the LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to the LEA specifying the reason it believes payment should not be withheld. The LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason the LEA believes payment should not be made. If the LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the Orange County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). CONTRACTOR disagrees with the language of California Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its right to challenge that provision.

60. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify the LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to the LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students. CONTRACTOR shall provide prior written notice of the rights and protections required by Title 34 of the Code of Federal Regulations section 300.154(d) whenever it seeks to use the LEA students' public benefits to pay for special education and related services. Such notice shall be provided before seeking payment from Medi-Cal for the first time and annually thereafter.

61. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

CONTRACTOR shall provide to the LEA documentation of substitute coverage. Substitute teachers shall remain with their assigned

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by LEA) substitute. The LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of “make-up” services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student’s IEP or ISA.

The LEA shall not pay for services provided on days that a student’s attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law. *Per Diem* rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served. The LEA shall not be responsible for payment of DIS or related services for days on which a student’s attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR’s service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by the LEA) substitute, unless the LEA provides appropriate coverage in lieu of CONTRACTOR’s service providers. The LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of “make-up” services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not “bank” or “carry over” make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and the LEA. In the event services were not provided, reasons for why the services were not provided shall be included. In the event of a service provider absence for Behavior Intervention Implementation services provided at the school site, services shall not be deemed eligible for make up.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth consecutive service day of the student’s absence. The LEA shall not be responsible for the payment of services when a student is absent.

62. LEA AND/OR NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by the LEA in accordance with Education Code section 41422:

- b. In the event of a NPS School Closure for the reasons set forth in Education Code section 41422, if the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to CONTRACTOR’S school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive

payment consistent with the student's approved ISA, as though the student were continuing his/her regular attendance, until an alternative placement can be found.

- c. In the event of the LEA and NPS School Closures, on days the LEA is funded, CONTRACTOR shall receive payment consistent with the student's approved ISA, until an alternative placement can be found. If the LEA is able to obtain an alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance with CONTRACTOR due to CONTRACTOR'S school closure.

When the emergency school closure has ended, CONTRACTOR shall notify the LEA of any lost instructional minutes. CONTRACTOR and LEA shall work collaboratively to determine the need for make up days or service changes, and shall work together to amend the student's IEP and ISA as appropriate.

63. INSPECTION AND AUDIT

All records shall be provided to the LEA within five (5) working days of a written request from the LEA. CONTRACTOR shall, at no cost to the LEA, provide reasonable assistance for such examination or audit. The LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to the LEA upon request by the LEA.

If an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes the LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, the LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and the LEA otherwise agree in writing, CONTRACTOR shall pay to the LEA the full amount owed as

result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to the LEA within thirty (30) days of receipt of the LEA's written notice demanding payment.

Fullerton School District

Re: Proposal *OC Healthy Schools Initiative*

Introduction:

Thank you for the opportunity to submit a proposal on behalf of the Orange County Department of Education (OCDE) Health Sciences Team, which is committed to providing quality health and nutrition education, physical education/physical activity, and wellness programming to Orange County districts and schools. OCDE has provided nutrition, physical activity, and wellness services to Fullerton School District (FSD) schools for over 12 years and is currently providing services across the district. As OCDE renews funding agreements with local partners and secures new funding from community partners, we continue to seek a partnership with FSD so that we may continue supporting safe and healthy school environments that nurture the health and academic achievement of all students.

This proposal will outline funding and services to be provided during the 2019-2020 school year. OCDE has secured St. Jude Medical Center Healthy Communities Initiative funding to continue its commitment to provide Title I FSD schools support in the implementation of the FSD Wellness Policy. Additionally, OCDE has established an agreement with Orange County United Way (OCUW) to support the implementation of a Healthy Schools Initiative that includes a monetary award for Pacific Drive Elementary School.

SUBJECT: **APPROVE/RATIFY MEMORANDUM OF UNDERSTANDING BETWEEN FULLERTON SCHOOL DISTRICT AND ORANGE COUNTY SUPERINTENDENT OF SCHOOLS, ORANGE COUNTY DEPARTMENT OF EDUCATION FOR SPECIAL EDUCATION PROGRAMS AND PROCEDURES FOR THE 2019/2020 SCHOOL YEAR**

Background: The Orange County Department of Education (OCDE) within this Memorandum of Understanding (MOU) outlines the parameters within which the school districts in the County may utilize the County special education programs and services to individuals with exceptional needs requiring intensive educational services, such as profoundly delayed students, behaviorally challenged students and hard of hearing students. The County provides programs to school districts when the District does not have an appropriate placement for the child. This MOU is effective for the period beginning July 1, 2019 and ending June 30, 2020. Program placements are jointly approved by the school district and the Orange County Department of Education. An explanation of the funding for placement and services is within the context of this MOU as well as scope of the program. Transportation of students is addressed in the context of the MOU. In addition, the Excess Cost actual credit/refund is included in the document.

Rationale: School districts on occasion do not have programs to serve students who require intensive educational services. Programs for the profoundly delayed or profoundly behaviorally challenged students may be recommended for placement in a County program. A number of years ago, a regional program for the hearing impaired was terminated as a regional program based upon the District not desiring to be the regional program. As a result, OCDE took over the oral program for hearing impaired students at the elementary and junior high school level.

Funding: Funding for this program is provided through an Excess Cost determined by OCDE billed to districts monthly using the Special Education Restricted General Fund.

Recommendation: Approve/Ratify Memorandum of Understanding between Fullerton School District and Orange County Superintendent of Schools, Orange County Department of Education for Special Education programs and procedures for the 2019/2020 school year.

Memorandum of Understanding Between

The Orange County Superintendent of Schools

And

“Fullerton School District”

2019-2020

The Orange County Superintendent of Schools, which operates the Division of Special Education Services within the Orange County Department of Education, hereinafter referred to as “OCDE” and the “Fullerton School District,” herein referred to as “District,” and collectively referred to herein as the “Parties,” mutually agree as follows (Agreement):

1. Basis of Agreement

Pursuant to the authority established in Education Code Sections 56195, 56195.1, 56195.3 and 56195.5, OCDE may provide for the education of individual pupils in special education programs who reside in other districts or counties. The OCDE Division of Special Education Services operates the OCDE Special Schools Program to provide special education programs and services to individuals with exceptional needs ages 3 through 22 requiring intensive educational services, including a regional deaf and hard of hearing program. The OCDE Special Schools Program operates on multiple public school sites throughout Orange County designated as preschool, elementary, secondary and adult transition programs.

2. Term of Agreement

This Agreement is effective for the period beginning July 1, 2019, and ending June 30, 2020.

3. Acknowledgment of Special Education Funding Formula

It is acknowledged that, in accordance with Part 30 of the Education Code, Chapter 7.2, Section 56836 et seq., the California State funding formula for special education programs, services and administration generates an entitlement based on the average daily attendance of pupils in the local education agencies that comprise a Special Education Local Plan Area (SELPA). It is further acknowledged that the SELPA base year calculations for special education funding under Assembly Bill 602 (AB 602) include a dollar amount that is transferred back to the SELPA of residence for pupils served in special education programs prior to implementation of AB 602. The Parties acknowledge that both the distribution of these special education funds and the District's fiscal responsibility for students served outside the SELPA of residence are determined by the Local Plan of the SELPA of residence.

4. Scope of Program and Referral Process to OCDE

OCDE shall conduct special education programs and services for those eligible pupils of the District referred by their Individualized Education Program (IEP) Teams when it is jointly determined by the District and OCDE that the pupil's educational needs as specified in the pupil's IEP can be appropriately met by the programs and services operated by OCDE. Prior to offering placement in any OCDE Special Schools Program, the District shall contact the appropriate OCDE Special Schools Principal to discuss a possible referral and the appropriateness of the OCDE Special Schools Program placement. If the referral seems appropriate, the District shall obtain from the parent authorization to release information to OCDE and submit an OCDE referral packet to the appropriate OCDE Special Schools Principal

based on the student's grade and unique needs as well as schedule a visitation with the parent. OCDE referral packets are available on-line.

Upon review of the referral packet and site visit by parent, the OCDE Special Schools Principal and District representative will coordinate an IEP team meeting for purposes of discussing possible placement in an OCDE Special Schools Program. The OCDE Special Schools Principal or designee, must participate in the District's IEP team meeting in which placement in an OCDE Special Schools Program is being recommended.

OCDE recognizes there may be situations in which the District desires to refer a student to an OCDE Special Schools Program outside of the IEP process, such as a mediation or other alternative dispute resolution process. Prior to offering the OCDE Special Schools Program outside of the IEP process, District shall contact the appropriate OCDE Special Schools Principal to discuss the referral, submit an OCDE referral packet and obtain prior written approval from OCDE before offering placement in an OCDE Special Schools Program.

OCDE shall maintain and provide special education programs for District pupils during the 2019-2020 school year within the administrative parameters established by the Special Education Fiscal Advisory Committee. Class size ranges and student-adult ratios shall be maintained in a manner which allows OCDE to meet the programmatic, health and safety needs of the pupils. Pupils enrolled in an OCDE Special Schools Program shall matriculate within the OCDE Special Schools Program based on their grade (preschool, elementary, secondary and adult transition programs) as determined by the IEP team.

5. Responsibility of School District of Residence

The District and OCDE acknowledge that the District, as the pupil's district of residence, maintains primary responsibility as the local education agency (LEA) to ensure the pupil receives a free appropriate public education. In the event a pupil referred by the District to an OCDE Special Schools Program moves out of the District, the District shall immediately provide OCDE written notice of the pupil's change in residence, including the new school district of residence. Similarly, OCDE shall immediately notify District in the event a parent reports a change in residence, including the new school district of residence, if known.

6. Annual and Triennial Reviews

The District shall be notified of annual reviews scheduled for its pupils participating in an OCDE Special Schools Program and may provide a representative who will participate in the development of the annual IEP. For initial placement, triennial review, matriculation, recommendation for home instruction, or a change in eligibility or services specified on the current IEP, a District representative who is authorized to approve or disapprove the allocation of specified District resources necessary for the implementation of the pupil's IEP shall attend the IEP team meeting. For pupils enrolled in an OCDE Special Schools Program who are participating in a general education program on the school site in the school district where the OCDE Special Schools Program is located ("Host District") OCDE will work with the Host District to provide a general education teacher at IEP team meetings. In the event the Host District is unable to provide a general education teacher for the IEP team meeting, the District agrees to provide a general education teacher unless otherwise waived in writing by the pupil's parent in accordance with the Individuals with Disabilities Education Act (IDEA) and State law.

For all other pupils enrolled in an OCDE Special Schools Program, the District agrees to provide a general education teacher at IEP team meetings unless otherwise waived in writing by pupil's parent in accordance with the IDEA and State law. Subject to approval by the pupil's parents, the general education teacher and/or other IEP team participants may use alternative means of meeting participation, such as video conferences and conference calls.

Progress reports relating to goals and objectives in a pupil's IEP shall be sent by OCDE to parents per the pupil's IEP schedule for progress reporting and to the Director of Special Education of the District upon request. When requested by District or parent, an updated report shall be provided if there is no current progress report whenever a pupil is scheduled for an IEP review or when pupil's enrollment in OCDE is terminated.

7. Integration/Mainstreaming Opportunities

The Host District where OCDE Special Schools Programs operate often provide opportunities for pupils enrolled in an OCDE Special Schools Program to integrate with non-disabled typical peers during the school day. These opportunities are typically in non-core curriculum areas such as physical education, art, music, assemblies, recess and lunch. Some pupils enrolled in an OCDE Special Schools Program will participate in core curriculum activities for a portion of the school day in a program operated by the Host District, however, such pupils are supervised by OCDE staff at all times during such activities. In the event a pupil enrolled in an OCDE Special Schools Program is participating in core curriculum activities in a program operated by the Host District for more than 50% of the school day, the Host District will be reimbursed for any costs incurred resulting from such pupil's participation, upon OCDE's receipt of appropriate documentation of such costs.

8. Assessments/Independent Educational Evaluations

OCDE and District shall coordinate and collaborate in conducting assessments for pupils participating in an OCDE Special Schools Program. In the event OCDE staff is not available to conduct a requested assessment, OCDE shall notify the District and/or District's SELPA to assist in conducting such assessment(s). In the event a referral is made by a pupil's IEP team or a pupil's parent/guardian for an educationally related mental health services (ERMHS) assessment, OCDE shall immediately notify the District, and the District shall determine how to proceed with the requested ERMHS assessment.

In the event a request is made for an independent educational evaluation (IEE), OCDE shall immediately forward such request to the District and the District, in collaboration with OCDE, shall determine how to respond to the request for an IEE. If the District receives a request for assessment or IEE for a student referred to or enrolled in an OCDE Special Schools Program, the District shall immediately notify OCDE of the request and collaborate with OCDE as to how to respond. OCDE and/or the District may also schedule an IEP team meeting to further discuss the requested IEE or assessment.

9. Pupil Count

A count shall be taken of the number of pupils enrolled in OCDE's Special Schools Program as of the first day of each calendar month, July 1, 2019 through June 1, 2020. A pupil shall be counted as "enrolled" in an OCDE Special Schools Program on the first day of attendance in the program or fourteen (14) days after the IEP team has met and an approved IEP has been executed for the pupil's educational placement in an OCDE Special Schools Program,

whichever occurs sooner. Pupils continuing in an OCDE Special Schools Program from the previous school year shall be counted as “enrolled” on the first school day in September unless written notification of withdrawal is received from either the parent or district of residence. If a continuing pupil has not attended school by the eleventh (11th) day of the first school month, OCDE shall notify the district of residence and a determination shall be made regarding continuing enrollment. In the event either OCDE or District are informed that a pupil has been withdrawn by the parent from an OCDE Special Schools Program, each agency shall immediately notify the other of such withdrawal. Any pupil withdrawn by the parent from an OCDE Special Schools Program is no longer counted as “enrolled” or considered a continuing pupil for the following school year.

10. Definitions

a. “Special Education Fiscal Advisory Committee” shall be a committee comprised of the Orange County Special Education Local Plan Area Directors, Chief Business Officials representing each SELPA and OCDE representatives including the Chief of Special Education Services Division, Director of Special Schools and Programs, Business Administrator, and the Assistant Superintendent of Business Services, or designee.

11. Funding

In consideration of the enrollment of pupils in special education programs conducted by OCDE, the SELPA and/or the school district transferring pupils to the regional programs operated by OCDE agree to pay the average cost per pupil based on expenditure categories and

ratios reviewed by the Special Education Fiscal Advisory Committee and shall provide for program funding as follows:

a. The District shall be responsible for the Average Cost per Pupil in an OCDE Special Schools Program, including the Regional Deaf/Hard of Hearing Program, multiplied by the average number of pupils enrolled, minus Special Education Program income received by OCDE for the purpose of educating said pupils including, but not limited to Revenue Limit, AB 602 funds, and Federal I.D.E.A. Local Assistance Grant funds. The District shall be responsible for the Average Cost Per Pupil in the Regional Oral Deaf Program multiplied by the average number of pupils enrolled, minus Special Education Program income received by OCDE for the purpose of educating said pupils including, but not limited to Revenue Limit, AB 602 funds, and Federal I.D.E.A. In addition to the above, as part of its Regional D/HH Program and Regional Oral Deaf Program, OCDE provides Audiological services and Sign Language Interpreters. Any other related services or supplementary aids necessary for the pupil to benefit from the special education program, including but not limited to ERMHS, and low incident services and equipment, shall be provided by the District or as otherwise agreed to by OCDE and the District. Translator services at IEP team meetings and/or translation of documents shall be provided by the District or as otherwise agreed to by OCDE and the District. In addition, OCDE shall separately bill the District for the services provided by an SCA as required by the pupil's IEP.

13. Home Instruction

When a pupil is absent from school for more than ten (10) consecutive school days as a result of a medical condition and is expected to have an extended health related absence, the pupil's IEP team shall review the IEP and determine appropriate educational services. A District representative who is authorized by the District's Director of Special Education to approve or disapprove the allocation of specified District resources necessary for the implementation of the pupil's IEP shall participate in the IEP team meeting when considering a placement for home or hospital instruction. When recommending placement for home or hospital instruction, the IEP team shall consider documentation from the pupil's treating physician indicating the pupil's condition, verifying that the condition prevents the pupil from attending school and providing a projected date for the pupil's return to school. Any in-home instruction, including other related services, shall be provided by the District or as otherwise agreed to by OCDE and the District. In the event the pupil is hospitalized in a facility located outside of the District, it is the District's responsibility to inform the parent that instruction will be provided in accordance with Education Code section 48207 and 48208. In either circumstance, it may be necessary to exit the pupil from OCDE in order for the District to provide the necessary in-home instruction or for the pupil to receive hospital instruction. In the event OCDE and the District agree that OCDE will provide in-home or hospital instruction to the pupil, OCDE shall separately bill the District for such services.

14. Transportation

a. Transportation by the Orange County Department of Education

The District shall provide transportation for its pupils participating in an OCDE Special Schools Program unless otherwise agreed between the District and OCDE. In the event OCDE agrees to transport a pupil, the District shall be responsible for the difference between the Direct and Direct Support Cost of home-to-school transportation as shown on the annual State Transportation Report plus one percent (1%) indirect support costs and the State transportation allocation received by the OCDE on a per pupil basis pursuant to Appendix B, incorporated herein. The District shall pay for the full cost of one-on-one transportation assistants as specified in the pupil's IEP. In the event OCDE is transporting five or more District pupils from one Special Schools Program site, the District shall provide OCDE written notice on or before December 1 of each year of any proposed changes in the number of students requiring OCDE transportation for the following school year. Absent appropriate notice from the District of any proposed change in transportation for the following school year, the District may be solely responsible for funding the costs related to such change in transportation. Similarly, OCDE shall provide the District written notice on or before December 1 of each year of any proposed changes in OCDE's transportation services, not including cost projections, for the following school year.

b. Transportation by District

Districts transporting pupils to an OCDE Special Schools Program shall ensure that buses arrive at the school site with sufficient time to unload students prior to the beginning of the instructional day and to load them at the end of the instructional day. Delays requiring either overtime supervision or causing portions of the instructional program to be missed and

subsequently made up may result in charges to the District for additional costs incurred by OCDE related to such delays.

15. Due Process and Complaints

OCDE and District agree to collaborate and fully cooperate in any due process proceeding involving a pupil currently attending or formerly enrolled in an OCDE Special Schools Program, including resolution sessions, mediations and hearings, as well as coordinating witness availability and producing documents regarding the pupil.

In the event OCDE is named as the sole LEA in a due process complaint, OCDE and District agree that District, as the pupil's school district of residence, is a necessary party to the due process proceedings.

OCDE and District shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office for Civil Rights, or any other State and/or federal governmental body or agency.

16. Estimated Billing

The estimated billing for 2019-2020 will be based on actual information for 2018-2019 plus COLA as set forth in the most current State Budget plus any budgeting projections for step and column, and salary and benefit increases.

17. Final Accounting

An accounting accompanied by completed Appendices A and B with appropriate supporting documentation shall be sent to each District by September 15 of the following year.

In addition, OCDE shall provide a quarterly expenditure report to the District's Director of Special Education. Corrections to prior year OCDE Special Schools Program costs resulting from adjustments to income or expenditure calculations shall be credited or billed to the District affected by the correction or adjustments.

18. Projected Enrollment/Facilities and Staffing Needs

In order to assist OCDE in planning for both facilities and staffing needs for its programs, each District shall submit to OCDE, in writing, on or before December 1 of each year, the projected number of pupils expected to be transferred to OCDE programs for special education and support services in the following school year. Absent a projection, the number of District pupils reported in the current year December 1 Federal Pupil Count shall be used for facilities, staffing and budget planning by OCDE for the following school year. In the event the District intends to withdraw five (5) or more pupils from a specific OCDE Special Schools Program site or enroll five (5) or more pupils in a specific OCDE Special Schools Program site for the following school year, the District shall notify OCDE in writing of such intention on or before December 1 of each year. OCDE shall forward such written notice to the Special Education Fiscal Advisory Committee for its review and consideration. Absent appropriate notice from the District of any proposed change in enrollment in an OCDE Special Schools Program site for the following school year, the District may be solely responsible for funding the costs related to such change in enrollment.

If the District is a Host District for any OCDE Special Schools Program, the District shall submit to OCDE, in writing, on or before December 1 of each year, notice of any proposed facilities projects, including but not limited to modernization or new construction projects at the

school site where the OCDE Special Schools Program is located, as well as any potential impact such projects may have on the operation of an OCDE Special Schools Program, including opportunities for integration with typical peers at the Host District school site. In the event any such project would require relocation of an OCDE Special Schools Program, the District shall provide OCDE with at least one (1) year prior written notice to allow OCDE sufficient time to plan accordingly. OCDE shall forward such written notice to the Special Education Fiscal Advisory Committee for its review and consideration.

In the event OCDE intends to close an OCDE Special Schools Program in which District pupils are enrolled, OCDE shall notify the District in writing of such intention on or before December 1 of each year.

19. Program Cost for 2019-2020

On or before fifteen (15) days after the release of the May revise each year, the Orange County Superintendent of Schools shall compute the projected Special Education Program Income and Special Education Program Expenditures for the following year with an Average Cost per Pupil for pupils enrolled in OCDE Special Schools Programs based on the Projected Enrollment data, and provide it to District Student Services and Business Directors.

LEA: FULLERTON SCHOOL DISTRICT

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:
SUMMIT VIEW SCHOOL DBA STEM3 ACADEMY OC

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into this **13th day of November, 2019**, between the **FULLERTON SCHOOL DISTRICT** (hereinafter referred to as “District” or local educational agency “LEA”) and **SUMMIT VIEW SCHOOL DBA STEM3 ACADEMY OC** (hereinafter referred to as “CONTRACTOR”) for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq., AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Agreement, does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as “ISA”). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR’s obligation to provide all services specified in the student’s Individualized Education Plan (hereinafter referred to as “IEP”). The ISA shall be executed within ninety (90) days of an LEA student’s enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as “OAH”) order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student’s parent.

2. CERTIFICATIONS AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as “CDE”) as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider’s license, certification and/or credential. In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. This Master Contract shall be null and void if such certification or waiver is expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program, constitutes a breach of the Master Contract and may result in the termination of this Master Contract by the LEA and/or suspension or revocation of CDE certification.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total class size shall be limited to capacity as stated in Section 24 of the Master Contract.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, corporal punishment, pupil discipline, and positive behavioral interventions.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from November 13, 2019 to June 30, 2020 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2020. In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5, California Code of Regulations, Section 3062(d).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2020.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) calendar day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall be substantially similar in form and content to the ISA set forth in Exhibit B, attached hereto and incorporated herein by reference. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise. CONTRACTOR shall abide by the "stay-put" requirement of state and federal law when placement in an interim alternative educational setting is made by the LEA or OAH consistent with 20 U.S.C. section 1415(k)(1). CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR disagrees with the language of Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its rights to challenge that provision.

If the LEA or CONTRACTOR determines that changes in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations.

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify and hold harmless LEA and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by CONTRACTOR or its directors, officers, agents, employees, volunteers or guests arising from CONTRACTOR's duties and obligations described in this Agreement or imposed by law.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, co-principal, partnership, principal-agent, employer-employee, or co-employer relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR based on any acts or omissions of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding. If CONTRACTOR is held to be a partner, joint venturer, co-principal, employer, or co-employer of the LEA based on any acts or omissions of LEA, LEA shall indemnify and hold harmless the CONTRACTOR from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR's written notification shall include the specific special education and/or related service to be subcontracted, including the corresponding hourly rate or fee. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts unless written approval for any change is first obtained by the LEA. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including but not limited to, transportation) for any LEA student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. LEA may request that the certificates and endorsements be completed on forms provided by the LEA. All certificates and endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA and the LEA/District Board of Education, agents, employees and volunteers as additional insured. If LEA does not approve the subcontractor's insurance, the LEA shall provide CONTRACTOR notice within fifteen (15) days.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance shall reference the LEA contract number, name of the school or agency submitting the certificate, indication if nonpublic school or nonpublic agency, and the location of the school or agency submitting the certificate. In addition, all sub-contractors must meet

the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to the LEA, upon request, a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

Such device/equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the device/equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the LEA student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the LEA student's enrollment under the terms of this Master Contract). CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) verification that any such charge or fee is not a "pupil fee" under Education Code section 49010 et. seq.; (b) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (c) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA guidelines as well as all California state laws, regulations and guidelines prohibiting pupil fees, deposits or other charges.

Voluntary services and/or activities not necessary for the LEA student to receive a free appropriate public education shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA, CONTRACTOR and parent agree otherwise in writing.

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 et seq. and shall ensure that facilities are adequate to provide LEA students with an environment, which meets all pertinent health and safety regulations.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level as required by Education Code section 46000 et seq. unless otherwise specified in the LEA student's IEP and ISA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to LEA students attending LEA schools in like grade levels unless otherwise specified in the LEA student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students unless CONTRACTOR and the LEA agree otherwise, in writing. In the event of an LEA student experiencing excessive absenteeism or not regularly attending school, CONTRACTOR may provide written notice to each LEA with a student enrolled in that specific classroom of CONTRACTOR that the class size in that classroom will increase above 12 students but shall not exceed 14 students, for a period not to exceed 60 calendar days.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a nonpublic agency.

The CONTRACTOR and LEA shall also take any action necessary to ensure that the parent or guardian understands the proceedings at a meeting, including arranging for an interpreter.

Changes in any LEA student's educational program, including instruction, services, or instructional setting, provided under this Master Contract may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of considering a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or unless an interim alternative educational placement is deemed lawful and appropriate by the LEA or OAH.

Such an invoice is subject to all conditions of this Master Contract. At the discretion of the LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this Master Contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by the LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six months after the close of the fiscal year unless approved by the LEA to resolve billing issues including rebilling issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than 12 months from the close of the fiscal year. If the billing or rebilling error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

59. RIGHT TO WITHHOLD PAYMENT

The LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Master Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to LEA students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received, prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change or residence to another district, but fails to notify LEA with five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student. It is understood that no payments shall be made for any invoices that are not received by six months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by the LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the

individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date of the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the LEA student.

If the LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for the LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for the LEA's withholding payment, submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, the LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to the LEA specifying the reason it believes payment should not be withheld. The LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason the LEA believes payment should not be made. If the LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning the Master Contract may be appealed to the Orange County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). CONTRACTOR disagrees with the language of California Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its right to challenge that provision.

60. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify the LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to the LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students. CONTRACTOR shall provide prior written notice of the rights and protections required by Title 34 of the Code of Federal Regulations section 300.154(d) whenever it seeks to use the LEA students' public benefits to pay for special education and related services. Such notice shall be provided before seeking payment from Medi-Cal for the first time and annually thereafter.

61. PAYMENT FOR ABSENCES

NONPUBLIC SCHOOL STAFF ABSENCE

CONTRACTOR shall provide to the LEA documentation of substitute coverage. Substitute teachers shall remain with their assigned

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by LEA) substitute. The LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of “make-up” services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in LEA student’s IEP or ISA.

The LEA shall not be responsible for payment of DIS or related services for days on which a student’s attendance does not qualify for Average Daily Attendance (ADA) reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR’s service provider is absent, CONTRACTOR shall provide a qualified (as defined in section seven (7) of this Agreement and as determined by the LEA) substitute, unless the LEA provides appropriate coverage in lieu of CONTRACTOR’s service providers. The LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of “make-up” services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not “bank” or “carry over” make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and the LEA. In the event services were not provided, reasons for why the services were not provided shall be included. In the event of a service provider absence for Behavior Intervention Implementation services provided at the school site, services shall not be deemed eligible for make up.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a LEA student no later than the fifth consecutive service day of the student’s absence. The LEA shall not be responsible for the payment of services when a student is absent.

62. LEA AND/OR NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by the LEA in accordance with Education Code section 41422:

- a. If CONTRACTOR remains open during an emergency and serves students appropriately as delineated in the ISA, CONTRACTOR shall receive payment, regardless of whether the LEA is open or closed.
- b. In the event of a NPS School Closure for the reasons set forth in Education Code section 41422, if the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to CONTRACTOR’S school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive

payment consistent with the student's approved ISA, as though the student were continuing his/her regular attendance, until an alternative placement can be found.

- c. In the event of the LEA and NPS School Closures, on days the LEA is funded, CONTRACTOR shall receive payment consistent with the student's approved ISA, until an alternative placement can be found. If the LEA is able to obtain an alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance with CONTRACTOR due to CONTRACTOR'S school closure.

When the emergency school closure has ended, CONTRACTOR shall notify the LEA of any lost instructional minutes. CONTRACTOR and LEA shall work collaboratively to determine the need for make up days or service changes, and shall work together to amend the student's IEP and ISA as appropriate.

Such access shall include unannounced inspections by the LEA. CONTRACTOR shall make available to the LEA all budgetary information including operating budgets submitted by CONTRACTOR to the LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of the LEA or CONTRACTOR's offices at all reasonable times and without charge. All records shall be provided to the LEA within five (5) working days of a written request from the LEA. CONTRACTOR shall, at no cost to the LEA, provide reasonable assistance for such examination or audit. The LEA's rights under this section shall also include access to CONTRACTOR's offices for purposes of interviewing CONTRACTOR's employees. If any document or evidence is stored in an electronic form, a hard copy shall be made available to the LEA, unless the LEA agrees to the use of the electronic format.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to the LEA upon request by the LEA.

If an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes the LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, the LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and the LEA otherwise agree in writing, CONTRACTOR shall pay to the LEA the full amount owed as

result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by the LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to the LEA within thirty (30) days of receipt of the LEA's written notice demanding payment.

64. RATE SCHEDULE

The rate schedule attached hereto as Exhibit A and incorporated herein by reference, limits the number of LEA students that may be enrolled and the maximum dollar amount of the contract. It may also limit the maximum number of students that can be provided specific services.
