CONSENT ITEM

DATE: September 10, 2019

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services

SUBJECT: **ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS**

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

SUBJECT: **ADOPT RESOLUTION #19/20-06 PROCLAIMING OCTOBER 21 - 25, 2019, AS “RED RIBBON WEEK” FOR THE FULLERTON SCHOOL DISTRICT**

Background: “Send a Message. Stay Drug Free” is the theme of this year’s Red Ribbon Week. The choice of a drug-free lifestyle, and respect for the memory of Drug Enforcement Agent, Enrique Camarena, has been at the heart of Red Ribbon Week since its inception in 1986. This year, Red Ribbon Week gives us the opportunity to join the nationwide effort and demonstrate our commitment toward a healthy lifestyle and Drug-Free America.

Students will receive red wristbands from the Orange County Sheriff’s Department. Each school site’s P.T.A. can select and purchase goods to reinforce the message, depending on the P.T.A.’s budgets and level of activities they want to provide. Schools usually calendar a week of Red Ribbon Week events and activities for this celebration. With the importance of this celebration in mind, the Board is asked to declare October 21-25, 2019, as Red Ribbon Week in the Fullerton School District.

Rationale: The “Send a Message. Stay Drug Free” campaign is designed to inspire parents and other family influencers to connect with their children in ways that persuade them not to use drugs.

Funding: Not applicable.

Recommendation: Adopt Resolution #19/20-06 proclaiming October 21-25, 2019, as “Red Ribbon Week” for the Fullerton School District.

SUBJECT: APPROVE AGREEMENT BETWEEN THE FULLERTON SCHOOL DISTRICT AND MARCIA BRENNER ASSOCIATES FOR THE 2019/2020 SCHOOL YEAR

Background: Marcia Brenner Associates (MBA) creates additional plug-ins that are available for PowerSchool users such as custom alerts, online report cards, medication tracking, hosting and support services. For over 30 years they have provided implementation, training, support, and custom programming services to K-12 districts throughout the world.

Rationale: The Alert Creator from MBA is an all-in-one time saving tool that allows system administrators to create custom student alerts entirely within PowerSchool. We would be able to create custom alerts for students with nut allergies, bee allergies, an epipen on file, an Individualized Educational Program, parents who have denied photo release, and so much more all based on our PowerSchool fields. These alerts will display on every student page in the PowerSchool Administrators Portal and the PowerTeacher Portal while taking attendance so they are aware. There are also district and school level reports and built-in advanced triggers for attendance, grades, and discipline.

Service: HRS services for Fullerton School District

Cost: \$3,000.00

Description of Services:

1) **Marzano High Reliability Schools™ Survey Implementation and Analysis: One HRS Level Survey**

The first step in becoming a Marzano High Reliability School™ is to collect and analyze survey data for each school in the HRS Network. This is to establish a baseline and initial evidence that a school is working on (and progressing through) a level of the HRS framework. To collect survey data, Marzano Resources will make available for one year an anonymous online survey for HRS Level 1 (via SurveyMonkey) to administrators, instructional staff, parents, and students. The survey should take 20-30 minutes to complete for each participant. Marzano Resources will provide an aggregate report of respondents' ratings of agreement with the survey items. Surveys for HRS Level 1 are to be completed within one year of the execution of this contract.

2) **HRS Network Access**

Using a secure portal on the Marzano Resources website, HRS participants have access to artifacts specific to the Level on which they are working.

3) **Recorded Video Presentation of HRS Introduction for Staff**

The Marzano High Reliability Schools™ model is introduced in a Marzano Resources video, which is available for download. The prerecorded presentation is intended to introduce staff to the HRS structure and explains the HRS Level Surveys.

Background: Research shows that teaching children reading proficiency before third grade is instrumental in ensuring their success as readers in the future. For this reason, Words Alive developed an integrated read aloud program for early literacy. This Early Literacy Intervention model ensures that children receive critical reading experiences crucial to pre-literacy development, preparing them for kindergarten and beyond. The Words Alive program focuses on empowering parents with the confidence, techniques, and materials that lead to deepened reading engagement with their children.

The program is a seven-session, one and a half hour per week course designed to engage approximately 25-30 parents at Beechwood, Fern Drive, Orangethorpe, and Sunset Lane schools.

Rationale: LCAP Goal 4 focuses on increased parent/community involvement. Both State and federal programs require districts to utilize funding to support parents in the involvement in their school community.

School Smarts

Description of Program Participation

September 11, 2019 – June 30, 2020

To achieve optimal results in the delivery of the School Smarts parent engagement program, collaboration is necessary among the school district, school site(s), California State PTA, and the unit, council and district PTAs.

Each of the groups listed above share the common purposes of increasing parent and family involvement; promoting inclusiveness; equipping parents to engage in their own children's education and at their school in meaningful ways; and developing and supporting parent leaders.

To advance these shared purposes, all of the parties above agree to work together in providing the School Smarts parent engagement program. The program involves a seven-session Parent Academy based on a curriculum developed by PTA leaders, parents and educators and rooted in the National Standards for Family-School Partnerships; it also features interactive arts lessons to help participants learn and to help foster a sense of community. The program may also include a campus-wide parent engagement event as well as post-Academy activities to promote ongoing parent involvement at the school.

The School District and its participating school site(s) agree to exert all reasonable efforts to provide the following:

- Assemble a site steering committee that includes but is not limited to the principal (or principal's representative), a teacher, parent group representative, ELAC representative (where applicable) and representatives from various parent communities at the school. This committee will coordinate planning for the campus-wide parent engagement event and the seven-session Parent Academy.
- Through the committee and/or other means, actively publicize the parent engagement event (if held) and the Parent Academy to encourage participation by a wide range of parents and family members at the school;
- At the engagement event and at each of the seven Parent Academy sessions, coordinate, provide for and ensure that each of the following is provided**:
 - Light meals/snacks and beverages are provided for attendees;
 - Child care/babysitting;
 - Interpreter(s) and interpretation equipment as needed by the participants
 - Space on campus for event, academies and childcare

- Custodial service as needed
 - (Optional) Additional on-site school staff assigned to support logistics & planning
- Encourage participation in all pre- and post-academy evaluations or surveys that are conducted as part of the School Smarts program;
- Encourage recognition for graduates in the school and/or district newsletter, website and at a school board meeting; and

** NOTE: Based on research, the above items are critical best practices to the success of the School Smarts program. California State PTA is available to provide guidance to PTAs, schools and districts about how they can best support the local costs and utilize resources in their community. **The expenses for these activities are the sole responsibility of the School District, school site and/or local PTAs, and not the California State PTA.**

Background: Improving student academic and behavior outcomes is about ensuring all students have access to the most effective and accurately implemented instructional and behavioral practices and interventions possible. Positive Behavioral Intervention and Supports (PBIS) provide an operational framework for achieving these outcomes. More importantly, PBIS is not a curriculum, intervention, or practice, but rather it is a decision-making framework that guides selection, integration, and implementation of the best evidence-based academic and behavioral practices for improving important academic and behavior outcomes for all students.

Rationale: Participating schools are delegated into different tier/cohort groups and will benefit from PBIS trainings. School teams are comprised of teachers, support staff, and site administrators who will participate in the trainings. The PBIS tiered behavior system compliments the Response to Intervention (RtI) pyramid and is part of the Multi-Tiered Systems of Support (MTSS) framework for FSD. The participating schools are as follows:

Tier 2 Installation (2019/2020) and Implementation (2020/2021)

Acacia Elementary
Laguna Road Elementary

Positive Behavior Interventions and Supports (PBIS) is a framework of evidence-based behavioral practices and systems integrated into a Multi-Tiered System of Support (MTSS). Over twenty years of research have shown that when implemented with fidelity, schools can expect the following outcomes:

- Learning environments that are less reactive, aversive, dangerous, and exclusionary
- Learning environments that are more engaging, preventative, responsive, and productive
- Positive impacts on classroom management and disciplinary issues
- Increases in restorative environments for all students
- Improved supports for students who need more specialized assistance (e.g., emotional and behavioral disorders, mental health)
- A maximization of academic engagement and achievement for all students

OCDE is recognized as a California regional center for technical assistance for Positive Behavior Interventions and Supports (PBIS). Thus, OCDE is committed to providing professional development that supports Orange County school districts and schools in implementing PBIS with fidelity within their Multi-Tiered System of Support in accordance to the *Implementation Blueprint* from the National Technical Assistance Center for PBIS and the California MTSS Framework. In order to best meet the needs of districts and schools, Readiness Commitments and Requirements will be applied. For more information, see the OCDE website on PBIS here:

FROM: Chad Hammitt, Ed.D., Assistant Superintendent, Personnel Services
PREPARED BY: Helene Morris, Director, Administrative Services
SUBJECT: APPROVE/RATIFY ST. JUDE HOSPITAL RESTRICTED PROJECT GRANT AGREEMENT NUMBER 202033 WITH THE FULLERTON SCHOOL DISTRICT EFFECTIVE JULY 1, 2019 THROUGH JUNE 30, 2020

Background: The Fullerton School District has implemented its Multi-Tiered Systems of Support (MTSS) for students, which includes Response to Intervention (RtI) for academic support, Positive Behavioral Intervention and Supports (PBIS) for behavioral support, and Mental Health for emotional and social support. District administration met with St. Jude Hospital to discuss how its Health System Community Partnership Fund could help fund a program, at the District's Title I schools, to support the behavioral, emotional, and social needs of those students. This partnership began during the 2016/2017 school year, and St. Jude Hospital has once again decided to continue this partnership and award additional grant monies in the amount of \$29,000 for the 2019/2020 school year. The Fullerton School District will also directly benefit from \$52,000 that is provided to California State University Fullerton (CSUF) to supervise four Master of Social Work (MSW) Interns who will serve four FSD Title I schools.

Rationale: Approval of the St. Jude Hospital Restricted Project Grant Agreement Number 202033 will provide continued employment of a 3.75 Social Services Assistant to connect a minimum of 100 referred students/families with outside counseling resources; allow for the continued use of the School Wide Information System (SWIS) as a decision making tool and to track office discipline referrals at Title I Schools; and place MSW interns at four Title I schools to assist with social skills groups and social/emotional/behavioral interventions.

Funding: Funding is to be deposited to Child Welfare and Attendance's budget (#391).

Recommendation: Approve/Ratify St. Jude Hospital Restricted Project Grant Agreement Number 202033 with the Fullerton School District effective July 1, 2019 through June 30, 2020.

"Colorado" and "Denver County, Colorado" are inserted into the respective placeholders in Section XIV(d) of the IAB Terms. If there is no Agency for this Insertion Order, "Advertiser" replaces "Agency" in all instances in the IAB Terms and Section III(c) of the IAB Terms is deleted. In the event of any conflict between the terms of this Agreement and the IAB Terms, the terms of this Agreement will control.

4. Fees and Payment. Advertiser will pay all fees as specified on each Order within 30 days of invoice. Upon termination for breach by Advertiser, Advertiser will not be entitled to the refund of any prepaid fees. Upon any termination, NCM is not required to preserve or maintain any Advertiser Content or Advertising. If Advertiser desires NCM to provide Advertiser with a copy of any Advertiser Content or Advertising, Advertiser must notify NCM in writing within 60 days of the last exhibition of the Advertising (such copy to be provided at Advertiser's sole expense).

12. Cancellation. Advertiser may not modify or cancel this Agreement except by written consent of NCM.

13. Insurance. Advertiser represents that it maintains a general liability insurance policy (with a financially sound and reputable insurance company) in such amounts as Advertiser deems reasonably adequate for its business and as required to perform its obligations hereunder. Upon request, Advertiser will furnish NCM with a certificate of insurance evidencing the foregoing coverage.

14. Confidentiality. Advertiser acknowledges that the Posting Information (as defined below) is confidential, and is disclosed to Advertiser solely on the condition Advertiser agrees, and it does hereby agree (for itself, its agents, employees and affiliates (collectively, the "Representatives")) that, it and its Representatives: (i) will not disclose any Posting Information to any third party; (ii) will not use the Posting Information in any business or capacity other than for its own internal business purposes under the Agreement; (iii) will implement such procedures to prevent unauthorized use or disclosure of the Posting Information as it uses to prevent disclosure, publication, dissemination or use of its own proprietary information of like nature but using at least reasonable care. "Posting Information" as used herein shall mean any post-buy analysis, posting information, post-campaign impression delivery reports, attendance reports, or other proof of performance. Advertiser will only disclose Posting Information to its Representatives that have a need to know and who are subject to a confidentiality obligation at least as restrictive as this Agreement. Advertiser will only disclose the Posting Information, in whole or in part, to a third party with the express, prior written consent of NCM and provided such third party is subject to a confidentiality obligation at least as restrictive as this Agreement. If Advertiser is an agency signing on behalf of another advertising party, Advertiser will ensure that such advertising party complies with the terms of this Agreement.

15. Additional Terms. Advertiser may not assign or otherwise transfer this Agreement or any of Advertiser's right hereunder without the prior permission of NCM. Any attempt to do so in violation of the foregoing sentence will be null and void. The relationship between the parties under this Agreement is one of independent contractors. The waiver by either party of a breach of any provision of this Agreement will not operate or be interpreted as a waiver of any other or subsequent breach. If any provision of this Agreement is deemed

Regional Insertion Order Agreement

unenforceable, such provision will be changed and interpreted to accomplish the objectives of such provision to the greatest extent possible under applicable law and the remaining provisions will continue in full force and effect. Any failure or delay in performance by a party will be excused (and will not constitute a breach of this Agreement) to the extent due to any cause not reasonably within such party's control, including, without limitation, third party acts, omissions or failures, casualty, labor disputes, governmental action or acts of God. This Agreement sets forth the entire understanding of the parties and supersedes any and all prior oral and written agreements or understandings between the parties regarding the subject matter of this Agreement. In the event that any terms that may appear on an Advertiser's or agency's form of purchase order, insertion order, or other order form vary from or conflict with the terms of this Agreement (including without limitation pre-printed terms), the terms of this Agreement will control. The Agreement may be executed in counterparts, each of which is deemed an original and all of which together constitute one document. Each party agrees that electronic signatures of the parties, whether digital or encrypted, have the same force and effect as manual signatures. TO: Board of Trustees
Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D.
Assistant Superintendent, Business Services
SUBJECT: 2018/2019 UNAUDITED ACTUALS REPORT

The Unaudited Actuals Report is one of three financial statements school districts are required to report to the State and provide to the public annually. Each report presents the actual results of financial operations for the year-to-date. The report presents information so that the District, County Office of Education, and State can review the District's fiscal viability for the current and two subsequent fiscal years. The three reports and the fiscal period reported are as follows:

<u>Report</u>	<u>Period Covered</u>	<u>Filing Date</u>
First Interim	July 1 – October 31	December 15
Second Interim	July 1 – January 31	March 15
Unaudited Actuals	July 1 – June 30	September 15

The Unaudited Actuals Report presents the final financial results for the fiscal year. The report presents detailed financial statements for each fund and account group of the District. Also included in the report is information concerning attendance, revenue limit, long-term debt, and other accounting and statistical information. The Unaudited Actuals Report provides the financial information that will be audited by our independent auditors, and that will be the basis of our annual Audit Report.

Report Format: The format for our annual financial reporting is dictated to us by the State. The State provides each district with a computer program to utilize their mandated format. The required format is very detailed; the actual report is over 100 pages long. For the purpose of this summary report, we have provided a comparative (prior year and current year) Statement of Revenue, Expenditures, and Changes in Fund Balance for each fund. This statement reports actual results of operations for the fiscal years ended June 30, 2018, and 2019.

District Funds: All District funds, except for ASBs, are reported on the Unaudited Actuals Report. The District operates the following funds:

General Fund: The main operating fund of the District. All activities that are not required to be recorded in another fund are reported here. The majority of the dollar transactions of the District are recorded in the General Fund.

Child Development Fund: Reports financial activity related to federal, State, local and parent-funded childcare programs run by the District.

Cafeteria Fund: Reports all financial activity from District Nutrition Services operations.

Deferred Maintenance Fund: Reports major District maintenance projects.

Building Fund: Reports receipts from sales of capital facilities bonds and expenditures for facilities projects. The District has completed its bond program, so this fund is being spent down in anticipation of closure.

Capital Facilities Fund: Reports revenues received from developer fees and capital expenditures made necessary by growth in student enrollment.

Special Reserve Fund for Capital Outlay Projects: Reports receipt of redevelopment fees. This fund exists to provide for the accumulation of general fund moneys for capital outlay purposes.

Capital Projects Fund-Blended Component Units: Reports revenues and expenditures from the District's two Community Facility Districts (CFDs): District No. 2000-1 (Van Daele, District 40) and District No. 2001-1 (Amerige Heights, District 48).

Bond Interest and Redemption Fund: Reports taxes collected and repayment of capital improvement bonds.

Self-Insurance Fund: Reports three sub-funds: Dental, Property and Liability, and Workers' Compensation. These funds account for the financial activities of these self-insurance risks assumed by the District.

The District is required to use Governmental Accounting Standards, which means that funds are kept on a modified accrual basis. In general, only current receivables and payables are accrued. Long-term assets and liabilities are accounted for separately in two account groups:

Long-Term Debt Group of Accounts: Records debt that entails a multi-year commitment.

Fixed Assets Group of Accounts: Records capitalized fixed assets (buildings, land, equipment) and associated depreciation.

Financial Summary: The total General Fund experienced a net decrease in the ending fund balance for the year. Part I - General Administrative Share of Plant Services Costs

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

A. Salaries and Benefits - Other General Administration and Centralized Data Processing

- 1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
(Functions 7200-7700, goals 0000 and 9000) 4,661,468.77
- 2. Contracted general administrative positions not paid through payroll
 - a. Enter the costs, if any, of general administrative positions performing services ON SITE but paid through a contract, rather than through payroll, in functions 7200-7700, goals 0000 and 9000, Object 5800. _____
 - b. If an amount is entered on Line A2a, provide the title, duties, and approximate FTE of each general administrative position paid through a contract. Retain supporting documentation in case of audit.

B. Salaries and Benefits - All Other Activities

- 1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)
(Functions 1000-6999, 7100-7180, & 8100-8400; Functions 7200-7700, all goals except 0000 & 9000) 125,465,765.69

C. Percentage of Plant Services Costs Attributable to General Administration

- (Line A1 plus Line A2a, divided by Line B1; zero if negative) (See Part III, Lines A5 and A6) 3.72%

Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

A. Normal Separation Costs (optional)

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. _____
Retain supporting documentation.

B. Abnormal or Mass Separation Costs (required)

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero. 0.00

Part IV - Carry-forward Adjustment

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

A. Indirect costs incurred in the current year (Part III, Line A8)	<u>6,641,926.25</u>
B. Carry-forward adjustment from prior year(s)	
1. Carry-forward adjustment from the second prior year	<u>(100,577.39)</u>
2. Carry-forward adjustment amount deferred from prior year(s), if any	<u>0.00</u>
C. Carry-forward adjustment for under- or over-recovery in the current year	
1. Under-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect cost rate (4.44%) times Part III, Line B18); zero if negative	<u>0.00</u>
2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of (approved indirect cost rate (4.44%) times Part III, Line B18) or (the highest rate used to recover costs from any program (4.44%) times Part III, Line B18); zero if positive	<u>(153,292.11)</u>
D. Preliminary carry-forward adjustment (Line C1 or C2)	<u>(153,292.11)</u>
E. Optional allocation of negative carry-forward adjustment over more than one year	
Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate.	
Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward adjustment is applied to the current year calculation:	<u>4.30%</u>
Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward adjustment (\$-76,646.06) is applied to the current year calculation and the remainder (\$-76,646.05) is deferred to one or more future years:	<u>4.35%</u>
Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward adjustment (\$-51,097.37) is applied to the current year calculation and the remainder (\$-102,194.74) is deferred to one or more future years:	<u>4.37%</u>
LEA request for Option 1, Option 2, or Option 3	<u>1</u>
F. Carry-forward adjustment used in Part III, Line A9 (Line D minus amount deferred if Option 2 or Option 3 is selected)	<u>(153,292.11)</u>

Approved indirect cost rate: 4.44%
Highest rate used in any program: 4.44%

SELPA: North Orange (MM)

This form is used to check maintenance of effort (MOE) for an LEA, whether the LEA is a member of a SELPA or is a single-LEA SELPA. If a member of a SELPA, submit this form together with the 2018-19 Expenditures by LEA (LE-CY) and the 2017-18 Expenditures by LEA (LE-PY) to the SELPA AU. If a single-LEA SELPA, submit the forms to the CDE.

Per the federal Subsequent Years Rule, in order to determine the required level of effort, the LEA must look back to the last fiscal year in which the LEA maintained effort using the same method by which it is currently establishing the compliance standard. To meet the requirement of the Subsequent Years Rule, the LMC-A worksheet has been revised to make changes to sections 3.A.1, 3.A.2, 3.B.1, and 3.B.2. The revised sections allow the LEA to compare the 2018-19 expenditures to the most recent fiscal year the LEA met MOE using that method, which is the comparison year. To ensure the LEA is comparing 2018-19 expenditures to the appropriate comparison year, the LEA is required to complete the Subsequent Years Tracking (SYT) worksheet with their LMC-A worksheet. The SYT worksheet tracks the result for each of the four methods back to FY 2011-12, which is the baseline year for LEA MOE calculations established by the Office of Special Education Programs. The SYT worksheet is available at: <http://www.cde.ca.gov/sp/se/as/documents/subseqyrtrckwrksht.xls>.

There are four methods that the LEA can use to demonstrate the compliance standard. They are (1) combined state and local expenditures; (2) combined state and local expenditures on a per capita basis; (3) local expenditures only; and (4) local expenditures only on a per capita basis.

The LEA is only required to pass one of the tests to meet the MOE requirement. However, the LEA is required to show results for all four methods. These results are necessary both for historical purposes and for the possibility that the LEA may want, or need, to switch methods in future years.

SECTION 1 Exempt Reduction Under 34 CFR Section 300.204

If your LEA determines that a reduction in expenditures occurred as a result of one or more of the following conditions, you may calculate a reduction to the required MOE standard. Reductions may apply to combined state and local MOE standard, local only MOE standard, or both. If the LEA meets one of the conditions below, the LEA must complete and include the IDEA MOE Exemption Worksheet available at: <http://www.cde.ca.gov/sp/se/as/documents/leamoeexempwrksht.xls>

1. Voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
2. A decrease in the enrollment of children with disabilities.
3. The termination of the obligation of the agency to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child:
 - a. Has left the jurisdiction of the agency;
 - b. Has reached the age at which the obligation of the agency to provide free appropriate public education (FAPE) to the child has terminated; or
 - c. No longer needs the program of special education.
4. The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
5. The assumption of cost by the high cost fund operated by the SEA under 34 CFR Sec. 300.704(c).

SECTION 2 Reduction to MOE Requirement Under IDEA, Section 613 (a)(2)(C) (34 CFR Sec. 300.205)

IMPORTANT NOTE: Only LEAs that have a "meets requirement" compliance determination and that are not found significantly disproportionate for the current year are eligible to use this option to reduce their MOE requirement.

Up to 50% of the increase in IDEA Part B Section 611 funding in current year compared with prior year may be used to reduce the required level of state and local expenditures. This option is available only if the LEA used or will use the freed up funds for activities authorized under the Elementary and Secondary Education Act (ESEA) of 1965. Also, the amount of Part B funds used for early intervening services (34 CFR 300.226(a)) will count toward the maximum amount by which the LEA may reduce its MOE requirement under this exception [P.L. 108-446].

SELPA: North Orange (MM)

This form is used to check maintenance of effort (MOE) for an LEA, whether the LEA is a member of a SELPA or is a single-LEA SELPA. If a member of a SELPA, submit this form together with the 2019-20 Budget by LEA (LB-B) and the 2018-19 Expenditures by LEA (LE-B) to the SELPA AU. If a single-LEA SELPA, submit the forms to the CDE.

Per the federal Subsequent Years Rule, in order to determine the required level of effort, the LEA must look back to the last fiscal year in which the LEA maintained effort using the same method by which it is currently establishing the eligibility standard. To meet the requirement of the Subsequent Years Rule, the LMC-B worksheet has been revised to make changes to sections 3.A.1, 3.A.2, 3.B.1, and 3.B.2. The revised sections allow the LEA to compare the 2019-20 budgeted expenditures to the most recent fiscal year the LEA met MOE using that method, which is the comparison year. To ensure the LEA is comparing 2019-20 budgeted expenditures to the appropriate comparison year, the LEA is required to complete the Subsequent Years Tracking (SYT) worksheet with their LMC-B worksheet. The SYT worksheet tracks the result for each of the four methods back to FY 2011-12, which is the baseline year for LEA MOE calculations established by the Office of Special Education Programs. The SYT worksheet is available at: <http://www.cde.ca.gov/sp/se/as/documents/subseqyrtrckwrksht.xls>.

There are four methods that the LEA can use to demonstrate the eligibility standard. They are (1) combined state and local expenditures; (2) combined state and local expenditures on a per capita basis; (3) local expenditures only; and (4) local expenditures only on a per capita basis.

The LEA is only required to pass one of the tests to meet the MOE requirement. However, the LEA is required to show results for all four methods. These results are necessary both for historical purposes and for the possibility that the LEA may want, or need, to switch methods in future years.

SECTION 1 Exempt Reduction Under 34 CFR Section 300.204

If your LEA determines that a reduction in expenditures occurred as a result of one or more of the following conditions, you may calculate a reduction to the required MOE standard. Reductions may apply to combined state and local MOE standard, local only MOE standard, or both. If the LEA meets one of the conditions below, the LEA must complete and include the IDEA MOE Exemption Worksheet available at: <http://www.cde.ca.gov/sp/se/as/documents/leamoeexempwrksht.xls>.

1. Voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
2. A decrease in the enrollment of children with disabilities.
3. The termination of the obligation of the agency to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child:
 - a. Has left the jurisdiction of the agency;
 - b. Has reached the age at which the obligation of the agency to provide free appropriate public education (FAPE) to the child has terminated; or
 - c. No longer needs the program of special education.
4. The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
5. The assumption of cost by the high cost fund operated by the SEA under 34 CFR Sec. 300.704(c).

SECTION 2 Reduction to MOE Requirement Under IDEA, Section 613 (a)(2)(C) (34 CFR Sec. 300.205)

IMPORTANT NOTE: Only LEAs that have a "meets requirement" compliance determination and that are not found significantly disproportionate for the current year are eligible to use this option to reduce their MOE requirement.

Up to 50% of the increase in IDEA Part B Section 611 funding in current year compared with prior year may be used to reduce the required level of state and local expenditures. This option is available only if the LEA used or will use the freed up funds for activities authorized under the Elementary and Secondary Education Act (ESEA) of 1965. Also, the amount of Part B funds used for early intervening services (34 CFR 300.226(a)) will count toward the maximum amount by which the LEA may reduce its MOE requirement under this exception [P.L. 108-446].

Note: If your LEA exercises the authority under 34 CFR 300.205(a) to reduce the MOE requirement, the LEA must list the activities (which are authorized under the ESEA) paid with the freed up funds:

SUBJECT: **APPROVE MEMORANDUM OF UNDERSTANDING FOR TEACHER STIPENDS BETWEEN THE FULLERTON SCHOOL DISTRICT AND FULLERTON ELEMENTARY TEACHERS ASSOCIATION (FETA)**

Background: The District has historically paid teachers for extra curricular assignments and/or activities that take place outside of a teacher's regular duties and work hours. However, this compensation has differed. In the spirit of Partnership between Administration and Labor (PAL), representatives of the District and the Fullerton Elementary Teachers Association (FETA) worked together to identify qualifying extracurricular activities and establish an equitable rate of pay.

Rationale: A defined compensation package for extra curricular duties allows for uniformity and equitability.

Funding: General and Categorical Fund accounts for appropriate sites/departments.

Recommendation: Approve Memorandum of Understanding for teacher stipends between the Fullerton School District and Fullerton Elementary Teachers Association (FETA).

2019-2020 FSD Teacher Coach Responsibilities & Stipend Agreement

Overview We are pleased to be able to once again offer Speech & Debate to our students. Teacher Coaches are an important part of this program. You will not only provide guided instructional coaching support to students, but you will also communicate regularly with the program director and walk-on coaches to ensure the successful coordination of all site-based program operations and activities.

Teacher Coaches must attend training and the required number of tournaments. In addition, Teacher Coaches are responsible for communicating in advance, all practice and tournament-related schedules and information with the principal, parents and students.

Hours and Commitment

The success of each program is based on the time that a teacher puts in to developing students and building a team culture. Below are the required hours, but each site is encouraged to provide additional practices for students as needed before tournaments. **A one-hour required training will be provided at the beginning of the year to review all of these requirements in detail.**

On Week/Off Week Scheduling:

Unless otherwise arranged with the Speech Director, schools will be on the following on/off schedule:

- On Weeks are the weeks in which the Walk-On Coach will be on campus afterschool to lead program.
- Off Weeks are the weeks in which the Walk-On Coach will not be on campus afterschool to lead program. However, coaching support will be provided during the school day by the speech program director and/or the Walk-On coach. Teacher Coaches

Sample On/Off Practice Schedules

ELEMENTARY- After School	Tuesday (1.5 hours)	Thursday (optional 1 hour)
Week 1 (on week)	Walk-On Coach Teacher Coach	Teacher Coach
Week 2 (*off week)	Teacher Coach	Teacher Coach

**During the off week, the Walk-On Coach and/or Program Director will be coaching small groups of kids during the school day*

MIDDLE SCHOOL- After School	Tuesday (2 hours)	Thursday (1 hour min)
Week 1 (on week)	Walk-On Coach Teacher Coach	Teacher Coach
Week 2 (*off week)	-Optional Practice-	-Optional Practice-

***During the off week, the Walk-On Coach and/or Program Director will be coaching small groups of kids during the school day*

Teacher coaches at sites that are not on the on/off schedule will still work the same number of hours; the difference being when the Walk-On Coach support is provided during what would be the “off week.” The speech program director will work with the principal to arrange this schedule.

Elementary Time Commitment (Total: 101.5 hours)

Weekly Practice Commitment (1 ½ hours/week every week x 38 weeks = 57 hours)

- During “on weeks” the Walk-On Coach will lead practice 1 ½ hours per week. The **Teacher Coach** will provide operational and coaching support during this time.
- During “off weeks” the Walk-On Coach will not be on campus afterschool, but instead the coach, or program director, will be working with Speech and Debate students during the school day. The **Teacher Coach** will lead practice for a minimum of 1 ½ hours per week.
- On the solo coaching day, Teacher Coaches will receive curriculum that will help them reinforce student goals set by the walk on coaches/speech director, and to continue to put into place speech strategies learned throughout the year.
- It is recommended that every week (during both the on and off weeks), the Teacher Coach leads a second practice on their own for at least 1 hour on a different day, so that students have a minimum of 2 ½ hours of practice each week.

Tournament Commitment (43.5 hours)

- Elementary Teachers must also attend **5 elementary tournaments per year, and 2 half days (7:15-1) at the junior high level.** This is true whether or not you have 6th graders in your program as the additional support is needed at middle school tournaments the first half of the day.
- FSD will have four in-house district tournaments and 1 regional championship tournament (see last page for schedule)
- The hours for 3 of the in-house tournaments are 7:15 AM through 1:00 PM. Two of the tournaments will occur in the fall and one will take place in either January or February.
- The District Championship will take place in March and the required tournament hours are 7:15 AM through 8:00 PM.
- The Southern California Elementary Tournament takes place in April and the required hours are 7:15 AM through 6:00 PM.
- Teacher Coaches must wait until all students are picked up before leaving. Walk on coaches are not to stay with students after a tournament; it is the teacher’s responsibility to assure that all their students are picked up.
- Please be advised that tournament times are subject to change based on the flow of the tournament. If teachers do their part, we can start on time and end on

time or earlier. If teachers are late to register it will make the tournament run late. We are trying to make this the best possible experience, but we need your help.

Middle School Time Commitment (Total: 101.5 hours)

Weekly Practice Commitment (3 hours/week every other week x 16 weeks = 48 hours)

- During “on weeks” the Walk-On Coach will lead practice for 2 hours per week. The **Teacher Coach** will provide operational and coaching support during this time. In addition, during the on week, the Teacher Coach will provide at least 1 additional hour of practice so that students have a minimum of 3 hours of practice each week.
- During “off weeks” there will be no program after school. Instead, the Walk-On Coach and/or program director will work with Speech & Debate students during the school day. Teacher Coaches have the option of holding additional practices on these weeks.
- On the solo coaching days, Teacher Coaches will receive curriculum that will help them reinforce student goals set by the walk on coaches/speech director, and to continue to put into place speech strategies learned throughout the year.

Tournament Commitment (52.5 hours)

- Middle School Teacher Coaches must attend 3.5 tournaments a year.
- Coaches will be assigned to their half days.
- There will be 3 secondary tournaments in Santa Ana.
- The hours of the 2 fall tournaments and 1 tournament in January will be, 7:15 AM - 8:30 PM.
- Each district will have their own district championship in March and that is typically also the national qualifier. The time requirement for that tournament is 7:15 AM through 8:30 PM.
- Every other year (starting in 2021) the three-day state tournament will be hosted in the south and all schools will attend.

Daily Practice/Classroom Responsibilities

- Facilitate daily warm-ups, classroom activities, and practice sessions (Walk-On Coaches will provide guidance for activities)
- Collect and track parent permission forms regarding registration, tournaments, scripts and any other documentation needed.
- Ensure students scripts are in time as event dictates.

- Ensure students all have a proper copy of their script.
- Teachers are asked to follow school site classroom guidelines in regards to classroom management, discipline and protocols.
- Ensure that walk on coaches are arriving on time and staying on site as their schedule time has stated.
- Contact speech director through email or cell phone call in the event a walk-on coach either shows up late, leaves early or does not show without pre-approval by speech director.
- In the event that our school site meets after school for speech practice teachers will communicate with speech director regarding the days and hours of after-school practices.

CONSENT ITEM

DATE: September 24, 2019
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

CONTRACT NUMBER:

LEA: FULLERTON SCHOOL DISTRICT

**NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:
BEHAVIORAL HEALTH WORKS, INC.**

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into this **25th day of September, 2019**, between the **FULLERTON SCHOOL DISTRICT** (hereinafter referred to as “District” or local educational agency “LEA”) and **BEHAVIORAL HEALTH WORKS, INC.** (hereinafter referred to as “CONTRACTOR”) for the purpose of providing special education and/or related services to District students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq., AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this Agreement, does not commit the District to pay for special education and/or related services provided to any District student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as “ISA”). Unless otherwise agreed in writing, the ISA shall acknowledge CONTRACTOR’s obligation to provide all services specified in the student’s Individualized Education Plan (hereinafter referred to as “IEP”). The ISA shall be executed within ninety (90) days of an LEA student’s enrollment. LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as “OAH”) order, a lawfully executed agreement between LEA and parent, authorized by LEA for a transfer student pursuant to California Education Code section 56325, or otherwise authorized by LEA without a signed IEP, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the LEA student’s parent.

2. CERTIFICATIONS AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as “CDE”) as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 et seq. and within the professional scope of practice of each provider’s license, certification and/or credential. In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of California and provides services to LEA students in such out-of-state program, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR's licenses and nonpublic school/agency certifications, or a validly issued waiver of any such certification, must be provided to LEA on or before the date this Master Contract is executed by CONTRACTOR. CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify LEA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or subject to a pending administrative or legal complaint or lawsuit, or otherwise nullified during the effective period of this Master Contract. This Master Contract shall be null and void if such certification or waiver is expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program, constitutes a breach of the Master Contract and may result in the termination of this Master Contract by the LEA and/or suspension or revocation of CDE certification.

Total student enrollment shall be limited to capacity as stated on CDE certification. Total class size shall be limited to capacity as stated in Section 24 of the Master Contract.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies, and regulations including but not limited to the provision of special education and/or related services, facilities for individuals with exceptional needs, pupil enrollment, attendance and transfer, corporal punishment, pupil discipline, and positive behavioral interventions.

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract, and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2019 to June 30, 2020 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be renegotiated prior to June 30, 2020. In the event a Master Contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5, California Code of Regulations, Section 3062(d).) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA. Requests for renegotiation of any rate, including but not limited to, related services for the subsequent contract year, are to be submitted in writing to Orange County Department of Education, Special Education Division, 200 Kalmus Drive, P.O. Box 9050, Costa Mesa, CA 92628-9050 prior to January 31, 2020.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement which is incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with all information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the LEA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to the LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by the LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) calendar day period, all payments shall cease until such time as the new Master Contract is signed. (California Education Code sections 56366(c)(1) and (2).) In the event that this Master Contract expires or terminates, CONTRACTOR and LEA shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the direction of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This Master Contract shall include an ISA developed for each LEA student for whom CONTRACTOR is to provide special education and/or related services. An ISA shall be substantially similar in form and content to the ISA set forth in Exhibit B, attached hereto and incorporated herein by reference. An ISA shall only be issued for LEA students enrolled with the approval of the LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students.

Any and all changes to a LEA student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the LEA student's IEP. At any time during the term of this Master Contract, a LEA student's parent, CONTRACTOR, or LEA may request a review of a LEA student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA (California Education Code sections 56366(a)(5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise. CONTRACTOR shall abide by the "stay-put" requirement of state and federal law when placement in an interim alternative educational setting is made by the LEA or OAH consistent with 20 U.S.C. section 1415(k)(1). CONTRACTOR shall adhere to all the LEA requirements concerning changes in placement.

Disagreements between the LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c)(2). Nothing herein shall limit LEA or CONTRACTOR from engaging in alternative dispute resolution. CONTRACTOR disagrees with the language of Education Code section 56366(c)(2), and nothing herein shall constitute a waiver by CONTRACTOR of its rights to challenge that provision.

The certificate of insurance shall include a thirty (30) day non-renewal, cancellation or modification notice provision. The Commercial General Liability, Automobile Liability and any Excess Following Form or Umbrella (excluding Professional/E&O) policies shall name the LEA, District's Board of Education, agents, employees and volunteers as additional insureds on all insurance policies and premiums shall be paid by CONTRACTOR and shall be deemed included in CONTRACTOR's obligations under this contract at no additional charge.

CONTRACTOR understands and agrees that, notwithstanding any insurance, CONTRACTOR's obligation to defend, indemnify and hold harmless LEA in accordance with this Master Contract is for the full and total amount of any damage, injuries, loss, expense, costs, or liabilities caused by or in any manner connected with or attributed to the acts or omissions of CONTRACTOR, its directors, officers, agents, employees, subcontractors, guests or visitors, or the operations conducted by CONTRACTOR, or the CONTRACTOR's use, misuse, or neglect of the LEA's premises.

If the LEA or CONTRACTOR determines that changes in insurance coverage obligations under this section is necessary, either party may reopen negotiations to modify the insurance obligations.

16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall defend, indemnify and hold harmless LEA and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by CONTRACTOR or its directors, officers, agents, employees, volunteers or guests arising from CONTRACTOR's duties and obligations described in this Agreement or imposed by law.

To the fullest extent allowed by law, LEA shall defend, indemnify and hold harmless CONTRACTOR and its directors, officers, agents, employees and guests against any claim or demand arising from any actual or alleged act, error, or omission by LEA or its directors, officers,

agents, employees, volunteers or guests arising from LEA's duties and obligations described in this Agreement or imposed by law.

17. INDEPENDENT CONTRACTOR

Nothing herein contained shall be construed to imply a joint venture, co-principal, partnership, principal-agent, employer-employee, or co-employer relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is held to be a partner, joint venturer, co-principal, employer or co-employer of CONTRACTOR based on any acts or omissions of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding. If CONTRACTOR is held to be a partner, joint venturer, co-principal, employer, or co-employer of the LEA based on any acts or omissions of LEA, LEA shall indemnify and hold harmless the CONTRACTOR from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR's written notification shall include the specific special education and/or related service to be subcontracted, including the corresponding hourly rate or fee. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts unless written approval for any change is first obtained by the LEA. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including but not limited to, transportation) for any LEA student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. LEA may request that the certificates and endorsements be completed on forms provided by the LEA. All certificates and endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA and the LEA/District Board of Education, agents, employees and volunteers as additional insured. If LEA does not approve the subcontractor's insurance, the LEA shall provide CONTRACTOR notice within fifteen (15) days.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance shall reference the LEA contract number, name of the school or agency submitting the certificate, indication if nonpublic school or nonpublic agency, and the location of the school or agency submitting the certificate. In addition, all sub-contractors must meet

the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to the LEA, upon request, a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. This can be provided via e-mail to the SELPA Director of the LEA. CONTRACTOR and any member of its Board of Directors (or Trustees) shall avoid any relationship with the LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and the LEA otherwise agree in writing, the LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid a conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the District agrees to fund. When no other appropriate assessor is available, the LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

Such device/equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the device/equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR may charge a LEA student's parent(s) for services and/or activities not necessary for the LEA student to receive a free appropriate public education after: (a) verification that any such charge or fee is not a "pupil fee" under Education Code section 49010 et. seq.; (b) written notification to the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities; and (c) receipt by the LEA of the written notification and a written acknowledgment signed by the LEA student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA guidelines as well as all California state laws, regulations and guidelines prohibiting pupil fees, deposits or other charges.

18. Non-Waiver. The failure of DISTRICT or HCI to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this AGREEMENT, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

SUBJECT: APPROVE AGREEMENT WITH STRADLING, YOCCA, CARLSON & RAUTH AS BOND COUNSEL, WITH DAVID CASNOCHA LEAD COUNSEL, FOR A POTENTIAL MARCH 2020 OR NOVEMBER 2020 GENERAL OBLIGATION BOND MEASURE EFFECTIVE SEPTEMBER 25, 2019

Background: Based upon a presentation to the Board of Trustees on May 21, 2019, the board supported the administration contracting with a polling company, True North Research, to conduct a feasibility study for a potential March 2020 or November 2020 general obligation bond. The polling took place in July 2019 and the in-depth analysis of the results took place in August 2019. On August 13, 2019, the Board of Trustees authorized the administration to proceed with the informational and outreach phase of the process that could lead to placing a general obligation bond on either the March 2020 or November 2020 ballot. During the informational and outreach phase, it is critical that experienced legal counsel be available to advise the district, especially concerning any issues related to the use of public resources for informational and outreach activities.

Rationale: The District is seeking to use the law firm of Stradling, Yocca, Carlson, and Rauth, including the expertise of their Lead Counsel, Mr. David Casnocha, to provide bond counsel to the District.

Funding: Payment of any bond counsel fees are contingent on the successful election and issuance of bonds. The costs are then included in the issuance cost of the bonds, and there is no cost to the district. If there is not a successful election and issuance of bonds, all fees and reimbursable expenses are waived, and there is no cost to the district.

Recommendation: Approve agreement with Stradling, Yocca, Carlson & Rauth as bond counsel, with David Casnocha Lead Counsel, for a potential March 2020 or November 2020 General Obligation bond measure effective September 25, 2019.

THIS BOND COUNSEL AGREEMENT, entered into as of the 25th day of September, 2019 by and between the FULLERTON SCHOOL DISTRICT (the “District”), a school district duly organized and existing under and pursuant to the laws of the State of California, and the law firm of STRADLING YOCCA CARLSON & RAUTH, a Professional Corporation (“Bond Counsel”).

WITNESSETH:

WHEREAS, the District desires to be provided with bond counsel services in connection with the District’s possible solicitation of voter approval in 2020 of one or several general obligation bonds, and for the eventual issuance of general obligation bonds (the “Bonds”) authorized thereby;

NOW, THEREFORE, the District and Bond Counsel do mutually agree as follows:

1. Bond Counsel shall provide the necessary legal services in connection with the authorization, sale and consummation of the financing proceedings. Such services shall include the following:

Pre-Election Services

- a. draft the resolution necessary to call the bond election;
- b. confer with and advise the District as to the ballot measure, tax rate statement and ballot statements;
- c. confer and consult with the officers and administrative staff of the District and Orange County to the legally required procedures applicable to such election proceedings and as to any other matters relating to the elections proceedings;
- d. attend all meetings of the District, as well as any administrative meetings at which the election proceedings are to be discussed, when requested to attend or when attendance is deemed necessary for the proper planning or conduct of the election proceedings.

Post-Election Services

- a. prepare all resolutions (of the District and Orange County), and other legal documents necessary for the proper conduct of the financing proceedings;
 - b. prepare, review and explain to the District relevant tax certificates, including all rebate requirements;
 - c. prepare the arbitrage certificate, the signature and incumbency certificate and all other certificates and closing documents required to accompany delivery of the Bonds;
 - d. provide the legal opinion that the interest borne by the Bonds is excludable from Federal income taxes and State of California personal income taxes and approving in all regards the legality of all proceedings for the authorization, sale and delivery of the Bonds relating to the financing;
 - e. prepare the Preliminary and Final Official Statement and advise the District as to their compliance with applicable securities laws;
 - f. deliver advice on ongoing disclosure requirements and prepare certificates and agreements required to comply with all applicable federal securities laws;
 - g. assist the District in preparing for rating agency and investor presentations, and attend all rating agency and investor presentations in connection with the Bonds;
 - h. engage in negotiations with the bond insurance companies over the terms of any bond insurance commitment;
 - i. provide all other necessary services generally expected of Bond Counsel not listed above;
 - j. prepare and provide a complete transcript of the conduct of the proceedings necessary to accompany delivery of the Bonds; and
 - k. prepare formation documents of a Citizens' Oversight Committee, attend meeting of such committee and advise the District and Committee on all Proposition 39 requirements;
 - l. answer follow-up questions relating to the Bond issuance after the closing for no fee.
2. Bond Counsel shall assign primary responsibility for providing these services to David G. Casnocha and Carlos Villafuerte.

Fees

3. Payment of any bond counsel fees to Bond Counsel is contingent on the successful election and issuance of bonds. The Bond Counsel fees for bonds issued under a new voter authorization shall be \$65,000 for the first series of Bonds and \$60,000 per each series of Bonds thereafter.

In addition to that fee, Bond Counsel shall be reimbursed for all out-of-pocket expenses. Out-of-pocket expenses include word processing, photocopying, travel, express mail charges and the like. If the ballot measure authorizing the bonds does not receive the requisite votes, Bond Counsel shall not charge any fee for out-of-pocket disbursements.

To the extent the District requests Bond Counsel to provide “pre-election” services not directly related to the legal requirements to place a measure on the ballot or for other legal services relating to bond matters, Bond Counsel shall charge \$250 per hour for the provision of such service, billed and payable monthly on terms agreeable to the District. These fees cannot be paid from the proceeds of any Bonds issued.

As disclosure counsel Bond Counsel will prepare both the Official Statement for the Bonds and provide other services described herein. For preparation of the Official Statement, Bond Counsel shall charge a fixed fee of \$20,000 per issuance of Bonds. This fee for the Official Statement is in addition to the fee for acting as Bond Counsel.

4. Such aforesaid fees are payable at the time of delivery of the financing documents and consummation of the financing and are expected to be paid from the proceeds of the financing.

5. Bond Counsel warrants that no person has been employed to solicit or secure this contract upon any agreement for a commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the District the right to terminate this contract, or in its discretion to deduct from the Bond Counsel’s fee. The foregoing rights are not intended to limit other remedies available to the District in the event of a breach contemplated by section 5, nor is it intended to limit the right to terminate this contract to a breach contemplated by this section.

6. Bond Counsel shall not assign or transfer any interest in this contract except that claims for moneys due or to become due under the contract may be assigned to a bank, trust company, or other financial institution.

7. This Agreement shall also govern the issuance of any refunding bonds issued to refund the Bonds.

8. Bond Counsel shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual preferences, age, national origin, marital status, or physical handicap. Bond Counsel shall take affirmative action to ensure that applicants are employed, and employees are treated during employment, without regard to race, color, religion, sex, gender, age, national origin, marital status, or physical handicap. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

9. The term of this Agreement shall commence as of the date hereof and extend until termination by Bond Counsel or the District. This Agreement may be terminated by either party with or without cause following 30 days written notice of such termination.

10. It is expressly understood and agreed by both parties that Bond Counsel is an independent contractor and not an officer, agent or employee of the District.

11. The persons indicated below are legally authorized to execute this Agreement on behalf of the respective parties, and to bind the respective parties to this Agreement.

12. This Agreement may be executed in counterparts such that the signatures may appear on separate signature pages. A copy, facsimile, or an original, with all signatures appended together, shall be deemed a fully executed agreement.

SUBJECT: **APPROVE CONTRACT BETWEEN FULLERTON SCHOOL DISTRICT AND FAST DEER BUS CHARTER, INC., TO PROVIDE TRANSPORTATION FOR FIELD TRIPS EFFECTIVE SEPTEMBER 25, 2019 THROUGH JUNE 30, 2020**

Background: Occasionally, schools request transportation for field trips to be accomplished at times that conflict with home-to-school route schedules. In the past, the District has contracted with Fast Deer Bus Charter, Inc., to provide transportation for field trips in situations as previously described. Fullerton School District seeks to enter into a contract, effective September 25, 2019, through June 30, 2020, with Fast Deer Bus Charter, Inc., to provide field trip transportation on an as-needed basis.

The Fullerton School District's Transportation Department books field trips with the least expensive carrier that can perform the requested work when the District's drivers cannot accomplish the required task.

Fast Deer Bus Charter, Inc., has met the insurance liability requirements of the District. Each bus provided by the contractor will pass a safety inspection by District mechanics prior to departure on a field trip in order to ensure the safety of the District's students.

Rationale: The District is committed to providing safe, efficient transportation services to its students. In times when the District's Transportation Department cannot provide such services, contracts such as this are required.

Funding: Funding is from the General Fund and School Site Funds not to exceed \$30,000.

Recommendation: Approve contract between Fullerton School District and Fast Deer Bus Charter, Inc., to provide transportation for field trips effective September 25, 2019, through June 30, 2020.

DATE: September 24, 2019
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
PREPARED BY: J.D. Mancha, Assistant Director, Transportation Services
SUBJECT: APPROVE CONTRACT BETWEEN FULLERTON SCHOOL DISTRICT AND TRANSPORTATION CHARTER SERVICES, INC., TO PROVIDE TRANSPORTATION FOR FIELD TRIPS EFFECTIVE SEPTEMBER 25, 2019 THROUGH JUNE 30, 2020

Background: Occasionally, schools request transportation for field trips to be accomplished at times that conflict with home-to-school route schedules. In the past, the District has contracted with Transportation Charter Services, Inc., to provide transportation for field trips in situations as previously described. Fullerton School District seeks to enter into a contract, effective September 25, 2019, through June 30, 2020, with Transportation Charter Services, Inc., to provide field trip transportation on an as-needed basis.

The Fullerton School District's Transportation Department books field trips with the least expensive carrier that can perform the requested work when the District's drivers cannot accomplish the required task.

Transportation Charter Services, Inc., has met the insurance liability requirements of the District. Each bus provided by the contractor will pass a safety inspection by District mechanics prior to departure on a field trip in order to ensure the safety of the District's students.

Rationale: The District is committed to providing safe, efficient transportation services to its students. In times when the District's Transportation Department cannot provide such services, contracts such as this are required.

Funding: Funding is from the General Fund and School Site Funds not to exceed \$30,000.

Recommendation: Approve contract between Fullerton School District and Transportation Charter Services, Inc., to provide transportation for field trips effective September 25, 2019, through June 30, 2020.

FROM: Chad Hammitt, Ed.D., Assistant Superintendent, Personnel Services

SUBJECT: **APPROVE/RATIFY MEMORANDUM OF UNDERSTANDING (MOU) ON INSTRUCTIONAL ASSISTANT SPECIAL EDUCATION BETWEEN CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION, CHAPTER 130 (CSEA) AND THE FULLERTON SCHOOL DISTRICT**

Background: Due to some confusion differentiating between the Instructional Assistant IIA and IIB job descriptions, CSEA and District representatives came together in the spirit of Partnership between Administration and Labor (PAL) to discuss the specifications and necessity of both. It was determined that the best course of action was to eliminate the Instructional Assistant IIA job description. Individuals who perform duties as delineated in an IEP of a student with prescribed medical needs will earn a stipend rather than being classified as an Instructional Assistant IIA. The Instructional Assistant IIB job description will be revised and retitled Instructional Assistant II. The Instructional Assistant II job description reflects the duties of the position and has a new salary range that incorporates the stipend into the pay rate.

Rationale: An MOU between the District and CSEA eliminates any confusion until job descriptions can be updated appropriately.

Funding: There is no direct cost associated with approving the MOU and revising applicable job descriptions. However, any future stipend will be charged to the appropriate site/department budget.

Recommendation: Approve/Ratify Memorandum of Understanding (MOU) on Instructional Assistant Special Education between California Schools Employees Association, Chapter 130 (CSEA) and the Fullerton School District.

FULLERTON SCHOOL DISTRICT
Regarding Instructional Assistant Special Education Classification**

August 27, 2019

This Memorandum of Understanding (hereinafter, "MOU") is entered into by and between the Fullerton School District (hereinafter, "District") and the California School Employees Association and its Fullerton Elementary Chapter 130 (hereinafter, "CSEA"). The District and CSEA agree to the following:

1. Currently the District and CSEA recognize that there are three job classifications impacted by the MOU: Instructional Assistant Special Education I, Instructional Assistant Special Education IIa, and Instructional Assistant Special Education IIb. These three job classifications shall be modified as follows:
 - a. The Instructional Assistant Special Education I job description and rate of pay will not be changed from the current Range 14.
 - b. The Instructional Assistant Special Education IIa classification and job description will be eliminated. In place of this classification, a "Medical Procedure Stipend" will be established providing an employee who is primarily responsible for performing the medical procedure with a 6% stipend added to the employee's base salary rate, and the back-up for the primary employee performing the medical procedure with a 2% stipend added to the employee's base salary rate. This stipend may be added to the base salary rate of any Instructional Assistant Special Education I or Instructional Assistant Special Education II according to the requirements listed below:
 - i. The student must have an Individual Health Plan (IHP) from a licensed medical provider that requires the medical procedure.
 - ii. The primary and back-up employee must be trained and have signed authorization from an FSD school nurse to perform the medical procedure independently prior to receiving the stipend. Anytime the IHP is changed or modified, the primary and back-up employee will need to be retrained and have a new-signed authorization from an FSD school nurse to perform the medical procedure independently in order to continue receiving the stipend.
 - iii. The primary and back-up employee will receive regular medical procedure monitoring from an FSD school nurse and must continue to perform the medical procedure correctly to continue receiving the stipend.
 - iv. Any changes to the Individualized Education Plan (IEP), IHP, the student's program placement, or who is performing the procedure will result in the stipend being removed.
 - v. In the event of Diastat administration is required, the Instructional Assistant Special Education I or II who voluntarily administered the

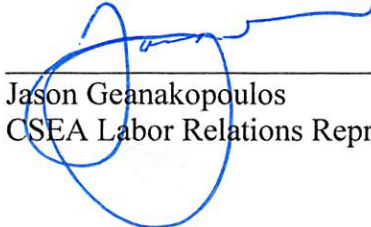

Diastat will receive a 2% stipend for the base wages earned in the pay period that the Diastat was administered.

- c. The Instructional Assistant Special Education IIb classification will be changed to the new title of Instructional Assistant Special Education II. A copy of the job description is attached to this MOU and will be submitted to the Personnel Commission. Any changes made to the job description for Instructional Assistant Special Education II through the Personnel Commission approval process will be negotiated between CSEA and the District. Incumbents working in the Instructional Assistant Special Education IIb classification on the Board approval date of this MOU will have their job classification changed to Instructional Assistant Special Education II.
 - i. Rate of pay:
 1. Incumbents in the Instructional Assistant Special Education II job classification working in the classification prior to the Board approval date of this MOU will be paid at their original pay rate of Range 14 plus a 6% stipend.
 2. Any employees hired into the job classification of Instructional Assistant Special Education II on or after the Board approval date will be paid at the new rate of pay for this classification of Range 16.
 - ii. Work site:
 1. The specific work site of each Instructional Assistant Special Education II will be based on student program placement as described in an IEP. The work site for this classification may change more frequently than other classifications due to student need and program requirements.
 2. An employee will be transferred, under the provisions of Article 14 – Transfers of the CSEA/FSD Collective Bargaining Agreement, from a work site or classroom where an Instructional Assistant Special Education II is no longer required to a classroom where the Instructional Assistant Special Education II is required.

This MOU is subject to the CSEA 610 policy and adoption by the Fullerton School District Board of Trustees.

Public Comments/Persons Addressing the Board – Policy

The Board meeting follows rules of decorum. Per Board Bylaw 9323, individual speakers shall be allowed three minutes to address the Board on each agenda or non-agenda item. The Board limits the total time for public input on each item to 20 minutes. The total time allowed for public comment shall be 30 minutes. Public comments about an item that is on the agenda will be heard at the time the agenda item is considered by the Board. Public comments about an item that is not on the posted agenda will be heard at the beginning of open session when called upon by the Board President. No action or discussion may take place on an item that is not on the posted agenda except as expressly authorized by law. Since the Board cannot take action on items that are not on the agenda, such items will be referred to the Superintendent for handling. SUBJECT: **APPROVE THE AGREEMENT FOR ARCHITECTURAL SERVICES WITH ARCHITECT 9, LLLP THROUGH THE 2019/2020 AND 2020/2021 FISCAL SCHOOL YEARS**

Background: The District plans to enter into various construction projects. The services of a licensed architect are necessary to plan projects, prepare schematics and renderings, project budgets, schedules, bid documents, specifications, architectural plans, and also including the interface with the Division of the State Architect and the Office of Public School Construction to provide supervision of contractors and other tasks related to the completion of construction projects. The staff has determined that it is in the best interest of the District to enter into an agreement with Architect 9, LLLP, through the 19/20 and 20/21 Fiscal Years.

Rationale: District staff recommends entering into an agreement with Architecture 9, LLLP, for these services. Architecture 9 is a full-service architectural firm specializing in public works.

Funding: Services will be utilized on an as-needed basis. The projected cost of project services will need to be approved in advance by the Assistant Superintendent of Business Services. The approval will take place prior to the commencement of work. Costs are set at professional hourly rates as detailed in Exhibit A. Costs will be paid from various District funds.

Recommendation: Approve the agreement for architectural services with Architect 9, LLLP through the 2019/2020 and 2020/2021 Fiscal School years.

4. Expenses. District shall not be liable to Contractor for any costs or expenses paid or incurred by Contractor in performing Services for District, except as follows: **N/A (or N/A)**.
5. Independent Contractor. Contractor, in the performance of the Services pursuant to this Agreement, shall be and act as an independent Contractor. Contractor understands and agrees that he/she and all of his/her employees shall not be considered officers, employees or agents of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District’s employees are normally entitled, including, but not limited to, State Unemployment Compensation or Workers’ Compensation. Contractor assumes the full responsibility for the acts and/or omissions of his/her employees or agents as they relate to the Services to be provided under this Agreement. Contractor shall assume full responsibility for payment of all federal, State and local taxes or contributions, including unemployment insurance, social security, and income taxes with respect to Contractor’s employees.

Contractor's Services will be performed, findings obtained, reports and recommendations prepared in accordance with generally and currently accepted principles and practices of Contractor's profession.

7. Originality of Services/Intellectual Property. Contractor agrees that all technologies, formulae, procedures, processes, methods, ideas, and dialogue, prepared for and submitted by Contractor to the District in connection with the Services set forth in this Agreement, shall be wholly original to Contractor and shall not be copied in whole or in part from any other source, except that submitted to Contractor by District as a basis for such Services. Contractor further agrees that all writings, materials, compositions, recordings, teleplays, and/or video productions prepared for, written for, or otherwise (hereinafter referred to as "Content") submitted by Contractor to the District and/or used in connection with the Services set forth in this Agreement, reflect the intellectual property of, and copyright interests held by District and shall not be copied or used in whole or in part by Contractor without District's express written permission. Contractor acknowledges and agrees that District shall have all right, title and interest in said Content, including the right to secure and maintain the copyright, trademark and/or patent of said Content in the name of the District.

8. Standard for Performance of Services. The parties acknowledge that the District, in selecting the Contractor to perform the Services hereunder, is relying upon the Contractor's reputation for excellence in the performance of the Services required hereunder. The Contractor shall perform the Services in the manner of one who is a recognized specialist in the types of services to be performed. Time is of the essence in this Agreement. All deadlines set forth in the Agreement are binding and may be modified only by subsequent written agreement of the parties.

9. Termination. District may, at any time, with or without reason, terminate this Agreement and compensate Contractor only for Services satisfactorily rendered to the date of termination. Written notice by District shall be sufficient to stop further performance of Services by Contractor. Notice shall be deemed given when received by the Contractor or no later than three (3) days after the day of mailing, whichever is sooner.

District may terminate this Agreement upon giving of written notice of intention to terminate for cause. Cause shall include: (a) material violation of this Agreement by the Contractor; or (b) any act by Contractor exposing the District to liability to others for personal injury or property damage; or (c) Contractor is adjudged a bankrupt, Contractor makes a general assignment for the benefit of creditors or a receiver is appointed on account of Contractor's insolvency. Written notice by District shall contain the reasons for such intention to terminate and unless within thirty (30) days after service of such notice the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, this Agreement shall upon the expiration of the thirty (30) days cease and terminate. In the event of such termination, the District may secure the required Services from another Contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charges to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to District.

Written notice by District shall be deemed given when received by the other party, or no later than three days after the day of mailing, whichever is sooner.

10. Hold Harmless. Contractor agrees to and does hereby indemnify, hold harmless and defend the District and its governing board, officers, employees and agents from every claim or demand made and every liability, loss, damage or expense, of any nature whatsoever, which may be incurred by reason of:

(a) Liability for damages for: (1) death or bodily injury to person; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising out of (1) or (2) above, sustained by the Contractor or any person, firm or corporation employed by the Contractor, either directly or by independent contract, upon or in connection with the Services called for in this Agreement, however caused, except for liability for damages referred to above which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(b) Any injury to or death of any person(s), including the District's officers, employees and agents, or damage to or loss of any property caused by any act, neglect, default, or omission of the Contractor, or any person, firm or corporation employed by the Contractor, either directly or by independent contract, arising out of, or in any way connected with, the Services covered by this Agreement, whether said injury or damage occurs either on or off District's property, except for liability for damages which result from the sole negligence or willful misconduct of the District or its officers, employees or agents.

(c) Any liability for damages which may arise from the furnishing or use of any copyrighted or uncopyrighted matter or patented or unpatented invention under this Agreement.

11. Insurance. Contractor shall insure Contractor's activities in connection with the Services under this Agreement and agrees to carry insurance to ensure Contractor's ability to adhere to the indemnification requirements under this Agreement.

11.1 Contractor shall, at Contractor's sole cost and expense, maintain in full force and effect the following insurance coverage from a California licensed insurer with an A, VIII, or better rating from A.M. Best or an approved self insurance program, sufficient to cover any claims, damages, liabilities, costs and expenses (including attorney fees) arising out of or in connection with Contractor's fulfillment of the obligations under this Agreement:

d. The policy shall be endorsed with the insurer's waiver of rights of subrogation against the District.

e. Employment Practices Liability (EPL) and Directors and Officers (D&O) coverage with the following limits: \$1,000,000 per occurrence

It should be expressly understood, however, that the coverage and limits referred to under a., b. and c. above shall not in any way limit the liability of the Contractor.

11.2 No later than five (5) days from execution of this Agreement by the District and Contractor, and prior to commencing the Services under this Agreement, Contractor shall provide District with certificates of insurance evidencing all coverages and endorsements required hereunder.

Contractor shall provide prior written notice to the District thirty (30) days in advance of any non-renewal, cancellation, or modification of the required insurance. The certificates of insurance providing the coverages referred to in clauses a and b above shall name District, its Governing Board, officers, and employees, as additional insureds with appropriate endorsements. In addition, the certificates of insurance shall include a provision stating "Such insurance as is afforded by this policy shall be primary, and any insurance carried by District shall be excess and noncontributory." Failure to maintain the above mentioned insurance coverages should be cause for termination of this Agreement.

12. Assignment. The obligations of the Contractor pursuant to this Agreement shall not be assigned by the Contractor.

13. Compliance With Applicable Laws. The Services completed herein must meet the approval of the District and shall be subject to the District's general right of inspection to secure the satisfactory completion thereof. The District may require the Contractor and Contractors' employees to submit to additional criminal background checks at the District's sole and absolute discretion.

13.2 Tuberculosis Testing. Contractor and Contractor's employees, if any, providing Services to students shall provide evidence of appropriate tuberculosis screening prior to the performance of the Services and provide annual certification thereafter. Contractor shall complete and submit to District any required documentation to verify compliance.

14. Permits/Licenses. Contractor and all Contractor's employees or agents shall secure and maintain in force such permits and licenses as are required by law in connection with the furnishing of Services pursuant to this Agreement.

15. Employment With Public Agency. Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which Services are actually being performed pursuant to this Agreement.

16. Entire Agreement/Amendment. This Agreement and any exhibits attached hereto constitute the entire Agreement among the parties to it and supersedes any prior or contemporaneous understanding or Agreement with respect to the Services contemplated, and may be amended only by a written amendment executed by both parties to the Agreement. This Agreement incorporates by this reference, any exhibits, which are attached hereto and incorporated herein.

17. Nondiscrimination. Contractor agrees that it will not engage in unlawful discrimination in employment of persons because of race, ethnicity, religion, nationality, disability, gender, sex, marital status, age, or other characteristics protected by federal or state laws of such persons.

18. Non Waiver. The failure of District or Contractor to seek redress for violation of, or to insist upon, the strict performance of any term or condition of this Agreement, shall not be deemed a waiver by that party of such term or condition, or prevent a subsequent similar act from again constituting a violation of such term or condition.

19. Notice. All notices or demands to be given under this Agreement by either party to the other shall be in writing and given either by: (a) personal service or (b) by U.S. Mail, mailed either by registered or certified mail, return receipt requested, with postage prepaid. SUBJECT: **APPROVE TWO-YEAR CONTRACT BETWEEN FULLERTON SCHOOL DISTRICT AND BLACKBOARD INC., FOR ADDITIONAL SERVICES ON BLACKBOARD MOBILE COMMUNICATIONS APP, EFFECTIVE NOVEMBER 1, 2019, THROUGH JUNE 30, 2021**

Background: The Board previously agreed to a contract on May 8, 2018 between Fullerton School District and Blackboard Inc. Background: The California Healthy Kids Survey is the largest statewide survey of resiliency, protective factors, and risk behaviors in the nation. With this survey, schools, districts, counties, and the State have set a standard tool that promotes the collection of uniform data within and across local education agencies that are also comparable to existing State and national survey datasets.

Rationale: The California Healthy Kids Survey is mandated by the State of California Department of Education to be administered every two years for students in grades 5, 7, 9, and 11 to comply with Title IV State requirements. Fullerton School District is administering only those sections of the survey that are required by the State of California Department of Education. The survey provides schools with the developmentally appropriate data they need to guide the implementation of health, prevention, and youth development programs. The survey data will help guide the development of prevention programs targeting specific risk behaviors, as well as fostering youth assets and resilience that protect against these behaviors. Students in grade 5 must have parental permission to take the exam; students in grade 7 must have a letter from a parent if they wish to be excluded from the exam.

Funding: The cost to the District to survey students in grades 5 and 7 will be paid from the Tobacco Use Prevention and Education (TUPE) budget 351, and Child Welfare and Attendance budget 510, not to exceed \$1,352.80.

THIS AGREEMENT is made as of the 18th day of September, 2019 by and between:

New York University, on behalf of its Steinhardt School of Culture, Education, and Human Development, located at 82 Washington Square East, 5th Floor, New York, NY 10003 (hereinafter, the “University”), and
Fullerton School District, located at 1401 West Valencia Drive, Fullerton, CA 92833 (hereinafter, the “Facility” and, together with the University, the “Parties”).

WHEREAS, the University’s Steinhardt School of Culture, Education, and Human Development has various educational programs for students in the fields of health and human development (each, a “Program”); and

WHEREAS, the Facility has the facilities to provide relevant clinical training to students in one or more Programs as set forth on Schedule 1 hereto, which Schedule 1 may be amended from time to time in writing signed by the Parties; and

WHEREAS, the Facility and the University desire to affiliate for the purpose of providing clinical training for students enrolled in a Program of the University.

NOW, THEREFORE, the Parties agree as follows:

A. The University agrees:

1. To assume full responsibility for the planning and implementation of the entirety of each Program, including the portion of such Program that involves clinical training. The Facility has the right to approve the portion of each Program to be conducted on its premises in advance of its implementation.

2. To be responsible for scheduling student placements at the Facility and informing the Facility of the number of students to be assigned placement. The number of students and placement schedule shall be subject to the approval of the Facility.

3. To provide a clinical education coordinator who will act as liaison between the University and the Facility and will correlate the academic and clinical levels of experience of the students.

4. To instruct all students placed at the Facility of their responsibility for complying with all pertinent rules and regulations of the Facility of which they are advised.

5. a. To instruct all students and faculty to maintain the confidential nature of all patient medical records and protected health information (“PHI”) to which they are exposed in accordance with the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and any other applicable privacy laws; and

b. to instruct all students to maintain the confidentiality of HIV-related patient information in accordance with Article 27-f of the New York State Public Health Law.

6. To keep all Program-related records and reports pertinent to the student's clinical experience while at the Facility (excluding patient identifiable protected health information).

7. To inform each student assigned to the Facility that such student is required, upon request, to meet all Facility requirements for approval to participate in this clinical experience. All costs related to requirements for clearance and approval to participate in this clinical experience are the responsibility of the student. These requirements include the ability: (i) to provide the Facility with evidence that he/she is in good general health, as determined by a physical examination, and that he/she is free from a health impairment which is of potential risk to a patient or which might interfere with the performance of his/her duties, including any habituation or addiction to depressants, stimulants, narcotics, alcohol or other drugs or substances which may alter his/her behavior; (ii) to provide the Facility with evidence of the following:

(a) an immunization for rubella, consistent with good medical practice, except that a woman of child-bearing age shall have a screening test to be followed by immunization as appropriate;

(b) a ppd (Mantoux) skin test for tuberculosis prior to participation in the Practicum. Positive findings shall require appropriate clinical follow-up but no repeat skin test;

(c) if born on or after January 1, 1957,

(1) diagnosis by a physician as having had measles disease (rubeola);

(2) demonstration of serologic evidence of measles antibodies; or

(3) two doses of live virus measles vaccine with the first dose administered on or after the age of 12 months and the second dose administered more than thirty (30) days after the first dose but after 15 months of age;

(d) a positive varicella (chicken pox) antibody titer or a history of varicella by parent, guardian, physician or school record;

(e) proof of vaccination against Hepatitis B, proof of immunity to Hepatitis B, or a letter from the student which states that the student has either commenced the Hepatitis B vaccination protocol or has declined to be vaccinated against Hepatitis B.

8. That students placed in the Facility shall be required to maintain health insurance coverage. Prior to placement in the Facility, students may be required to send proof of such coverage to the Facility upon the request of the Facility.

B. The Facility agrees:

1. To provide clinical experience to students meeting the standards agreed with the University in respect of the relevant Program, of recognized accrediting agencies, and of State agencies.

2. To provide supervision of the clinical training of each student by a qualified Facility staff member whose responsibilities will include orientation of the student to the Facility, planning of clinical experiences, and the evaluation of student performance.

3. To make available to the students the space, facilities, equipment, and supplies necessary as pertinent to the students' clinical experience, to the extent that this will not interfere with the care and treatment being rendered to patients.

4. To acknowledge that University students and faculty may have access to the Facility's protected health information during clinical experiences.

5. To permit students to use the Facility cafeteria during its normal operating hours, if feasible. Students may be required to pay for their own meals.

C. The University and the Facility agree:

1. That the University shall provide each student with general instruction in the infection control procedures used in health care facility settings, including a review of the Occupational Health and Safety Act ("OSHA") Bloodborne Pathogens Regulations. The Facility agrees that, as part of each student's orientation to the rules, regulations, policies and procedures of the Facility, it shall instruct each student on infection control procedures, including the OSHA Bloodborne Pathogens Regulations, as they have been implemented at the Facility. The Facility shall comply fully with the OSHA Bloodborne Pathogens Regulations with respect to any student

who sustains a percutaneous, mucosal, or broken skin exposure to blood or other potentially infectious bodily fluids. If the Facility requires that students undergo a respiratory fit test in advance of placement, the Facility will perform such fit tests with the student's prior consent.

2. In connection with its performance under this Agreement, Facility may create and maintain on behalf of University "educational records" of students, and University may disclose "personally identifiable information" from education records to Facility under the "school official" exception, as such terms are defined in the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g; 34 CFR Part 99 ("FERPA"). Facility agrees to use, maintain, and make available such education records in accordance with the requirements of FERPA and in accordance with University's FERPA Guidelines, which are available at www.nyu.edu/apr/ferpa.htm. In particular, Facility agrees to (i) not disclose personally identifiable information from education records to any other party without prior written consent of University; (ii) use such information other than for the purpose of performing its obligations under this Agreement; and (iii) fully cooperate with University in connection with any request by a student to review and/or amend his or her education records.

3. That at no time will they discriminate against any employee, applicant, patient, or student because of race, color, religion, sex, sexual orientation, gender identity or expression, national origin, age, disability, marital or parental status, veteran or disabled veteran status or citizenship status.

4. That no student placed in the Facility under this Agreement shall in any way be considered an employee or agent of the Facility or the University, nor shall any student be entitled to any fringe benefits, worker's compensation, disability benefits, or other rights or benefits normally afforded to employees or agents of the Facility or the University.

5. That the Facility reserves the right to screen students in advance of their placement at the Facility in connection with the Program.

6. That the Facility retains the right to remove any student from the Facility who: (i) endangers patient health, welfare or safety; (ii) disrupts the business or operations of the Facility; (iii) fails to comply with the direction of the Facility staff; (iv) fails to abide by the rules, regulations, policies and procedures of the Facility; or (v) is not suited to the clinical training in the Facility's reasonable opinion. The University retains the right to remove any student from the Facility who: (i) fails to maintain successful student status as outlined in the University's policies; (ii) violates the University's honor code; or (iii) any other reason deemed appropriate by University personnel. Each Party agrees to notify the other Party promptly and in any case within one (1) business day of such removal.

7. That, notwithstanding any other provision of this Agreement, the Facility retains ultimate responsibility for the care of its patients at all times.

8. Each Party shall maintain in respect of its employees, volunteers, and agents and, in the case of the University, its students, (i) professional liability insurance coverage in an amount not less than \$1,000,000 per occurrence and \$3,000,000 in the annual aggregate and (ii) commercial general liability insurance coverage in an amount not less than \$1,000,000 per occurrence and \$3,000,000 in the annual aggregate. When requested, (iii) follow form excess/umbrella liability insurance with limits not less than \$1,000,000 per occurrence/aggregate. Each Party's insurance coverage shall be maintained with a nationally recognized and reputable carrier or self-insurance reasonably satisfactory to the other Party. Each Party will provide to the other Party, upon such other Party's request and at least annually, a certificate of insurance evidencing the required insurance coverage. In addition, upon renewal or replacement of any required insurance coverage, each Party will provide replacement certificates to the other Party. The certificate of insurance shall include a statement that the notice of cancellation shall be given pursuant to the terms and conditions of the policy. If the School is an institution operated by a municipality or government agency or municipal or government employees, the School may fulfill the requirements of this Section 8 through insurance provided by or through such municipality or government agency covering the School's activities and personnel and otherwise meeting the requirements of this Section 8.

9. That each party (each an "Indemnifying Party") will defend and indemnify the other party, its affiliated entities and their respective trustees, directors, officers, employees, and representatives (each an "Indemnified Party") from and against all claims, demands, suits, proceedings, investigations, losses, liabilities, damages, settlements, judgments, interest, penalties, and expenses of any kind, including court costs and reasonable attorneys' fees, relating to both direct claims and third party claims resulting from or arising out of (i) the negligence or willful misconduct of the Indemnifying Party in connection with this Agreement or (ii) breach by the Indemnifying Party of any of the terms of this Agreement or any applicable law or regulation. The Indemnified Party will provide the Indemnifying Party with prompt written notice of any claim for which it seeks indemnification under this Agreement, provided that any failure or delay in providing such notice will not relieve the Indemnifying Party of any obligations under this provision except to the extent such failure or delay prejudices the defense of any such claim. The Indemnifying Party will have the right to control the defense of any such claim with counsel that is reasonably acceptable to the Indemnified Party. In defending such claim, the Indemnifying Party will keep the Indemnified Party informed of all material matters relating to the defense of such claim and will not agree to any compromise or settlement of such claim without the Indemnified Party's prior written consent, which shall not be unreasonably withheld. The Indemnified Party will provide reasonable cooperation to the Indemnifying Party in the defense of such claim. The Indemnified Party may participate in the defense or settlement of such claim at its own expense and with counsel of its own choice. This provision shall survive the termination or expiration of the Agreement.

10. That at an appropriate time in the application process, the University shall require each student who wishes to participate in the clinical experience to allow a third party vendor engaged by the University to, with the consent of such student, perform a background check and provide the results thereof directly to the Facility prior to such student beginning the clinical experience. The Facility reserves the right to deny participation in the clinical experience to any student applicant for any lawful reason and will follow all applicable laws when exercising this

right; and the student shall have no right of appeal to the Facility except as permitted by law. Any excluded individuals are expressly prohibited from participating in the clinical experience.

11. That this Agreement becomes effective as of the date first written above and will continue in full force and effect until termination. This Agreement may be terminated by mutual written agreement at any time or by either Party giving sixty (60) days' prior written notice to the other Party; provided that, any student placed at the Facility for clinical training up to and including the date of termination shall be permitted to complete his/her assignment.

12. That neither this Agreement nor any obligation or right thereunder may be assigned to any third party without the prior written consent of the other Party. Any purported assignment without such consent shall be null and void.

13. That all notices required hereunder shall be in writing and shall be delivered by messenger or by certified first-class mail, or transmitted by facsimile, and in accordance with the return receipt requested:

Neither party shall have the right or authority to create any obligation or responsibility, express or implied, on behalf of or in the name of the other party, or to bind the other party contractually in any manner whatsoever. RESOLUTION NO. _____

RESOLUTION OF THE BOARD OF TRUSTEES OF FULLERTON
SCHOOL DISTRICT ORDERING AN ELECTION, AND
ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER

WHEREAS, the Board of Trustees (the “Board”) of the Fullerton School District (the “District”) is devoted to improving the quality of education in our local public schools by upgrading technology to support instruction in core subjects like math, science, engineering, technology and the arts; and

WHEREAS, the Board has determined that schools within the District need to be upgraded, repaired, expanded, and better equipped, in a fiscally prudent manner, to enable the District to improve student learning opportunities, and improve student safety and campus security by installing fencing, security cameras, emergency communications systems, smoke detectors, fire alarms and sprinklers; and

WHEREAS, since some District schools were built more than 60 years ago, additional resources are necessary to make basic improvements, including upgrading deteriorating roofs, plumbing, and electrical systems as well as removing hazardous materials like asbestos and lead paint; and

WHEREAS, the Board believes that since academic standards are rising for what it takes to compete in the 21st Century, it is in the best interest of the District to address facility improvements now and provide classrooms, labs and technology needed to ensure local students have access to education, facilities and technology necessary to succeed; and

WHEREAS, all residents benefit from living in a community with good schools and whether or not residents have school-age children, protecting the quality of our schools, the quality of life in our community, and the value of our homes, is a wise investment; and

WHEREAS, the State of California (the “State”) has been unable to provide the District with enough money for the District to adequately construct and repair schools to provide an optimal learning environment for all students and which keep pace with other top-performing districts; and

WHEREAS, the District has completed a facilities assessment with extensive community engagement to identify the most pressing needs in each of the District’s schools to provide safe and modern classroom environments for all students; and

WHEREAS, the Board has received information regarding the possibility of a local bond measure and its bonding capacity; and

WHEREAS, a local measure will help provide funds that cannot be taken away by the State to upgrade aging schools, protect student safety and help the District qualify for State matching funds; and

WHEREAS, such measure will include mandatory taxpayer protections, including an independent citizens’ oversight committee and mandatory audits to ensure funds are spent as promised; and

WHEREAS, the District has reviewed and is in agreement with the criteria established by the Orange County Taxpayers Association for the fiscally responsible issuance of local school district bonds; and

WHEREAS, on November 7, 2000, the voters of California approved the Smaller Classes, Safer Schools and Financial Accountability Act (“Proposition 39”) which reduced the voter threshold for *ad valorem* tax levies used to pay for debt service on bonded indebtedness to 55% of the votes cast on a school district general obligation bond; and

WHEREAS, concurrent with the passage of Proposition 39, Chapter 1.5, Part 10, Division 1, Title 1 (commencing with Section 15264) of the Education Code (the “Act”) became operative and established requirements associated with the implementation of Proposition 39; and

WHEREAS, the Board desires to make certain findings herein to be applicable to this election order and to establish certain performance audits, standards of financial accountability and citizen oversight that are contained in Proposition 39 and the Act; and

WHEREAS, the Board and District has solicited stakeholder and community input on school priorities from parents, teachers, staff, the community and civic leaders; and

WHEREAS, the Board desires to authorize the submission of a proposition to the District’s voters at an election to authorize the issuance of bonds to pay for certain necessary improvements and enhancements to District educational facilities which will improve the health, safety and quality of education for students in the District; and

WHEREAS, the Board hereby determines that, in accordance with Opinion No. 04-110 of the Attorney General of the State of California, the restrictions in Proposition 39 which prohibit any bond money from being wasted or used for inappropriate administrative salaries or other operating expenses of the District shall be enforced strictly by the District’s Citizens’ Oversight Committee; and

WHEREAS, pursuant to Education Code Section 15270, based upon a projection of assessed property valuation, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued will not increase the current tax rates for school facilities and not exceed the Proposition 39 limits per year per \$100,000 of assessed valuation of taxable property; and

WHEREAS, Elections Code Section 9400 *et seq.* requires that a tax rate statement be contained in all official materials relating to the election, including any ballot pamphlet prepared, sponsored, or distributed by the District; and

WHEREAS, the Board desires to authorize the filing of a tax rate statement and a ballot argument in favor of the proposition to be submitted to the voters at the election; and

WHEREAS, pursuant to the Elections Code, it is appropriate for the Board to request consolidation of the election with any and all other elections to be held on Tuesday, March 3, 2020, and to request the Orange County Registrar of Voters to perform certain election services for the District.

NOW THEREFORE, THE BOARD OF TRUSTEES OF THE FULLERTON SCHOOL DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. ADMINISTRATIVE REPORT

DATE: October 15, 2019
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Julienne Lee, Assistant Superintendent, Educational Services
PREPARED BY: Sung Chi, Director, Educational Services
SUBJECT: CALIFORNIA DASHBOARD LOCAL INDICATORS BOARD REPORT

Background: Based on the Local Control Funding Formula (LCFF), California has a new accountability system that is based on multiple measures. These measures are used to determine local educational agency (LEA) and school progress toward meeting the needs of their students. Performance on these multiple measures will be reported through the new California School Dashboard. This new accountability system is an online tool that reports on multiple measures, including local and State indicators.

Rationale: Staff from Educational Services and Personnel departments will present a review of the local indicators used to measure five LCAP priorities: basic conditions at school, implementation of State academic standards, parent engagement, school climate, and access to a broad course of study.

Recommendation: Not applicable.

ADMINISTRATIVE REPORT

DATE: October 15, 2019

TO: Robert Pletka, Ed.D., District Superintendent

FROM: Chad Hammitt, Ed.D., Assistant Superintendent, Personnel Services

SUBJECT: FIRST READING OF REVISED PUPIL ATTENDANCE CALENDARS FOR THE 2020/2021 SCHOOL YEAR

Background: The District's Pupil Attendance Calendar is drafted upon review and comparison to calendars from the high school district and the County to identify attendance patterns and student instructional needs for Fullerton School District. A committee inclusive of parents, teachers, classified staff, and administrators developed the draft calendar to share with the District's bargaining associations.

The 2020/2021 Pupil Attendance Calendar was initially board-approved on March 12, 2019. It identified Friday, February 12, 2021 as Lincoln's Holiday and Monday, February 15, 2021 as President's Day, which created a 4-day weekend for that time period. The District historically recognized both holidays on Mondays. The change to this practice was made to be in alignment with Fullerton Joint Union High School District (FJUHSD).

FJUHSD has subsequently modified its attendance calendar for the 2020/2021 school year and has reverted back to recognizing both holidays on a Monday.

Rationale: Aligning the District's Pupil Attendance Calendar with the high school's calendar helps to reduce student absences. A finalized, posted calendar will also enable the District's many offices to begin preparation for the 2020/2021 academic year in a timely manner and will allow the District's community members and families to plan accordingly as well.

Funding: Not applicable.

Recommendation: Not applicable.

REGULAR MEETING OF THE BOARD OF TRUSTEES
NOTICE TO THE PUBLIC

REGULAR BOARD MEETINGS OF THE BOARD OF TRUSTEES are held in the District Administration Building Board Room, unless otherwise noted, at 5:00 p.m. with closed session, 6:00 p.m. open session. Board meetings are scheduled once during the months of January, February, March, April, May, July, August, October, and November, and December and twice during the months of June and September. The Regular Board agenda is posted a minimum of 72 hours prior to the meeting, and a Special Board meeting agenda is posted a minimum of 24 hours prior to the meeting.

AGENDA ITEMS – Per Board Bylaw 9322, a member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request must be in writing and submitted to the Superintendent's Office with supporting documents and information. The Board President and Superintendent shall decide whether a request is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, the Board President and/or Superintendent shall determine if the item is merely a request for information or whether the issue is covered by an existing policy or administrative regulation before placing the item on the agenda.

PUBLIC COMMENTS/PERSONS ADDRESSING THE BOARD – The Board meeting follows rules of decorum. Per Board Bylaw 9323, individual speakers shall be allowed three minutes to address the Board on each agenda or non-agenda item. The Board limits the total time for public input on each item to 20 minutes. The total time allowed for public comment shall be 30 minutes. Public comments about an item that is on the agenda will be heard at the time the agenda item is considered by the Board. Public comments about an item that is not on the posted agenda will be heard at the beginning of open session when called upon by the Board President. No action or discussion may take place on an item that is not on the posted agenda except as expressly authorized by law. Since the Board cannot take action on items that are not on the agenda, such items will be referred to the Superintendent for handling. Board Members may request that any item be placed on a future agenda for further discussion. The Board President and Superintendent will determine the best time to place an item on the agenda. Persons wishing to address the Board are invited to complete and submit a "request to speak" slip to the Executive Assistant. These slips are available at the reception counter.

CONSENT ITEMS – These items are considered routine and will be acted upon by one motion unless a member of the Board or staff requests that an item be discussed and/or removed from the consent calendar for separate action.

AMERICANS WITH DISABILITIES ACT – In compliance with the Americans with Disabilities Act, an individual requires disability-related accommodations or modifications, including auxiliary aids and services, in order to participate in the Board meeting should contact the Superintendent or designee at (714) 447-7410. Notification must be given within 72 hours prior to a Board meeting in order to enable the District to make reasonable arrangements to ensure accommodation and accessibility to the meeting.

2c. Approve Emergency Resolution #19/20-12 to approve entering into contracts for services related to Laguna Road School.

Dr. Pletka explained there was a fire in the Media Center at Laguna Road School and that we will need to bring in portables to provide appropriate learning spaces for our students. He mentioned that this would be a temporary solution. Dr. Rob Coghlan noted that for an emergency resolution to pass, we do need a unanimous vote from the board of trustees.

Trustee Vazquez inquired on how this work would be accomplished. Dr. Coghlan invited Scott Schlabz, Director of Facilities, Maintenance and Operations, to speak at the podium and explain this process. Scott Schlabz explained that we possibly won't need to go through the DSA process, and that he has been working with Laurie Bruneau and ASCIP to finalize a plan. He said that if we have to go through a DSA process, it would take longer than the renovations themselves. We could have the portables occupiable in about 3 weeks, if we get good cooperation from SCE to get power to the portables. Engineers and architects are drawing up the plan. There is an extensive list of items that were damaged (computers, books, carpet, etc) due to the smoke from the fire.

Trustee Berryman noted that we would want to do these repairs with the most minimal interruption to the school day.

Trustee Vazquez thanked Dr. Rob for keeping the board informed and updated on this emergency.

It was moved by Aaruni Thakur, seconded by Hilda Sugarman, and carried unanimously, 4-0 to Approve Emergency Resolution #19/20-12 to approve entering into contracts for services related to Laguna Road Elementary School.

Presentation

Sue Albano, Director of Education Services, presented the English Learner Roadmap. Mrs. Albano provided all Board members with a folder with information on the English Learner Roadmap. She shared that this plan was adopted by the state of California by the group Californians Together. FSD has the document in place and worked to align them with the state standards. It looks at research and best practices to be inclusive and celebrate diversity along with effective instruction.

Mrs. Albano provided the State Board Policy and a one page handout speaking to the Principles, vision, mission, resources, current implementation, four elements included, FSD current practices to help support principles and a draft of a three-year plan. Rosanna Fonseca, Coordinator in Education Services, shared the principles, current practices and action steps.

Trustee Vazquez asked a question regarding Tier 1 and how we have advertised it to parents. Ms. Sue Albano explained that we have targeted parents by inviting them to participate in DELAC and Champions for Children, and assure families of the benefits of participating in these programs. Trustee Sugarman stated that test results for English Learners were amazing.

Dr. Julianne Lee noted that one of our principal pointed out to her that one of the best pieces of professional development was evident when she visited the ELD program at Maple.

Trustee Thakur inquired if there are different campuses using different methods. Ms. Julianne Lee stated that our district stands by what is adopted by the state, but we are supportive of different methods so long as schools are meeting all the identified goals. This applies across any standard, not just for English Learners. She also noted that there is a Multilingual pathways committee, where plans are discussed on the opportunity for students to learn as multi language learners. This is a new cultural model of not just dual immersion, but multilanguage learning.

Dr. Pletka acknowledged that there are gaps and differing opinions on this topic, but that we would like to provide guidance for all of our teachers and students.

Board Member Request(s) for Information and/or Possible Future Agenda Items

Dr. Pletka noted that we would like to bring back the mental health component through the LCAP process and will give a preliminary taste of what we might see through this initiative. He has had extensive conversations with Robin Gilligan and Mark Jacobs and would like to further collaborate on this issue.

Trustee Sugarman asked that the communique include information on programs for Korean teaching and what is working. Also, if it is effective, she asked if it can be expanded for Spanish speaking. Trustee Thakur requested that the communique include information about Dual

Language Academy for Raymond as well.

CONSENT ITEM

DATE: March 10, 2020
TO: Robert Pletka, Ed.D., District Superintendent
FROM: Robert R. Coghlan, Ph.D., Assistant Superintendent, Business Services
SUBJECT: ACCEPT GIFTS AND AUTHORIZE DISTRICT STAFF TO EXPRESS THE BOARD OF TRUSTEES' APPRECIATION TO ALL DONORS

Background: According to Board Policy 3290(a), the Board of Trustees may accept any bequest, gift of money, or property on behalf of the District. Gifts must be deemed suitable for a purpose by the Board of Trustees and be used in an appropriate manner. However, it is the policy of the Board of Trustees to discourage all gifts, which may directly or indirectly impair the Board of Trustees' commitment to providing equal educational opportunities to the students of the District. As indicated in the above-mentioned Board Policy, the District Superintendent approves gifts designated for a specific school for acceptance at that school. Descriptions of gifts presented for acceptance are included on the attachment. Gifts for specific dollar amounts are noted, non-monetary gifts are identified, and the donor is responsible for reporting the value to the Internal Revenue Service.

Rationale: The Board of Trustees of the Fullerton School District gratefully accepts monetary and non-monetary gifts from public and private entities. These gifts help reduce the costs of school materials, curriculum, and extracurricular student activities.

Funding: The funding received from gifts will be deposited in appropriate District funds.

Recommendation: Accept gifts and authorize District staff to express the Board of Trustees' appreciation to all donors.

This Agreement is made and entered into this 2nd day of January 2020 by and between **CHAPMAN UNIVERSITY**, hereafter referred to as the "UNIVERSITY" and Fullerton School District, hereafter referred to as the "FACILITY."

WHEREAS:

The UNIVERSITY has a curriculum in Communication Sciences and Disorders that awards a degree and is accredited by the Western Association of Schools and Colleges.

Clinical experience is required as an integral component of the curriculum and professional preparation.

The UNIVERSITY desires the cooperation of the FACILITY and its staff in the development and implementation of the clinical experience and professional preparation of Communication Sciences and Disorders students.

The FACILITY will benefit from having professional services delivered to patients of the FACILITY by qualified students of the UNIVERSITY.

The parties have found it to be in the public interest for the FACILITY to join the UNIVERSITY in satisfying the curriculum requirements and professional preparation of the students.

NOW, THEREFORE, the UNIVERSITY and the FACILITY agree to the following terms and conditions for the establishment and operation of a clinical education program.

I. THE PARTIES MUTUALLY AGREE:

- A. This Agreement shall continue in force and effect from January 6, 2020 to and including January 6, 2023. This Agreement may be renewed by mutual written consent of both parties for up to four (4) additional years. This Agreement may be terminated by either party with or without cause upon ninety (90) days written notice, provided that (subject to the other terms of this Agreement) all students currently enrolled in the Program at the FACILITY at the time of notice of termination shall be given the opportunity to complete the Program at the FACILITY.
- B. The parties shall pursue the educational objectives for the clinical education experience, devise methods for their implementation and continually evaluate the effectiveness of the clinical experience in meeting the objectives.
- C. The period of time for each student's clinical experience shall be mutually agreed upon prior to beginning the clinical education program.
- D. The number of students able to participate in the FACILITY'S clinical education program will be mutually determined by agreement of the parties and may be altered by mutual agreement, with due consideration given to the clinical space available.
- E. UNIVERSITY will pay FACILITY a standard stipend of \$350.00 per student, per semester. Such stipend shall be due within thirty (30) days following UNIVERSITY'S receipt of an invoice from FACILITY; provided, however the UNIVERSITY shall have no

liability for any due amounts not invoiced within ninety (90) days following the earlier of the applicable student's completion of the Program or termination of this Agreement with respect to such student.

- F. The FACILITY may request UNIVERSITY to withdraw from the FACILITY'S clinical experience training program any student who the FACILITY determines is not performing satisfactorily, or who refuses to follow the FACILITY'S administrative and patient care policies, procedures, rules and regulations. Such request shall be in writing and must include a statement of the reason or reasons why the FACILITY desires to have the student withdrawn. UNIVERSITY may withdraw a student from the clinical program any time, upon written notice to the FACILITY.

- I. The FACILITY agrees to indemnify, hold harmless, and at the UNIVERSITY'S request, defend the UNIVERSITY, its trustees, officers, agents and employees from and against all loss or expenses (including costs and attorney fees) resulting from liability imposed by law upon the UNIVERSITY because of bodily injury to or death of any person or on account of damages to property, including loss of use thereof, arising out of or in connection with this Agreement, and due or claimed to be due to the negligence of the FACILITY, its agents, or employees.
- J. The parties agree that the students are fulfilling specific requirements for field experiences as part of a degree requirement and, therefore, regardless of the nature or extent of the acts performed by them the students are not to be considered employees or agents of either the UNIVERSITY or the FACILITY for any purpose, including Workers' Compensation or employee benefit programs, and the students shall not be entitled to any monetary remuneration for services performed by them in the course of their training.

 - G. To supply the Site Coordinator of Clinical Education with an appropriate evaluation instrument for each student's clinical education experience or to accept the instrument regularly used by the FACILITY.
 - H. To have each participating student provide, prior to commencement of the clinical experience, such confidential information as may be required by the FACILITY as

Within this document is the proposal regarding the creation of the Speech and debate summer program.

Overview

There is a desire to build a speech and debate summer program at FSD. This program will continue to promote speech and debate as well as build English acquisition, analytical writing, vocabulary and effective oral communication skills. This summer program will help FSD students get a head start in speech. Students will exit the summer program with a fully prepared and coached speech. This will help each program because they will have students who can demonstrate to new students what each speech event will look like. This makes it easier for teachers to demonstrate each event that is going to be offered in the following year. It also creates a path for FSD students to have a greater success at state and at national competitions. Students who compete at the highest level always attend a summer camp to give themselves an edge in competition.

Summary

The speech and debate summer program will be designed and developed by Sal Tinajero. Mr. Tinajero will provide the administrative and operational support for a 150 students.

Our proposal will include:

- **Individualized speech preparations or debate case preparation for each student**
- **Students will receive 10 hours of communication theory lectures**
- **Students will receive 10 hours of speech or case preparation**
- **Our staff will consist of 30 coaches**
- **Each staff member will report and help facilitate scripts and coach students. The staff members will work from June 29, 2020 through July 10, 2020**
- **Summer camp coaching will occur from 8:00 AM – 12:00 PM, Monday through Friday**
- **The coach to student ration will not exceed 6 students to 1 coach**

Director's Experience

Sal Tinajero has a wealth of experience and success in Forensics. He started the Fullerton Union High School Speech and Debate program in 2001. In his tenure the program grew from 20 students to a team of over 100 students per year. Under his leadership the team won three National Championships and one State Championship. He has coached five student state champions and two student national champions. In 2005, he was invited to the White House and awarded the National Hispanic Teacher of the Year. This year he was selected as the National Speech and Debate Association California Educator of the Year. He was one of the five finalist for the National Educator of the Year. In Santa Ana he has created 18 successful programs with over 880 students in two short years. Students are competing at high level and receiving national recognition.

Logistics

Timeline

We will facilitate and execute the administrative and operational aspects of the summer program according to the following timeline:

- Secure 30 forensics staff members
- Assure that speech students leave camp with a fully prepared and coached speech
- Assure that debaters create an affirmative and negative case
- Provide both communication theory lectures
- Provide debate methodology instruction

Process

We will require the following payment schedule:

- **July 2, 2020 for 40,000**
- **July 10, 2020 for 35,000**

Investment

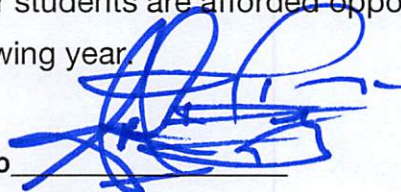

- We will do this in June/July of 2020. We will serve 150 students. If we grow above that number, we will consult with the district before an expansion is allowed.
- We will conduct the administrative and operational aspects of the summer program for 150 paid students for the project cost of 75,000.00. Once we hit the 150 student mark, Advantage Communications **will absorb 30 more students at no cost.** This will bring the total student number to 180.

Fullerton School District Responsibilities

- Provide 30 classrooms
- Provide 1 computer lab or digital support for writing workshop
- Access to the host school copy machine to print scripts
- Purchase 60 black interpretation binders and 420 pages
- Provide snacks for the students
- Provide 10 reams of white copy paper
- Pay for custodial, security, IT support and usage of school site including fees

Speech and Debate as a program will help develop and shape the future leaders of our country. As we begin to include students from all backgrounds, we will begin to equalize the way in which our students are afforded opportunities. I look forward to partnering with you in the following year.

Transport Support for Nutritional Services Proposal

Written by: Arthur Ortega

February 18, 2020

Revised

Transportation support for material products only between Fullerton School District (FSD) **and** **Agape Worldwide Logistics**

Introduction

Agape Worldwide has been an integral part of the Fullerton community for the last 5 years. We have been supporting many small businesses and large corporations within Fullerton and the surrounding areas for the last 13 years. Agape is partnered with Adcom Worldwide, which is part of Radiant logistics, a publically traded company. Agape worldwide is independently owned and operated. What this means is, we have the knowledge and resources to support our communities locally with the support and structure to provide reliable and dependable services at lower costs.

We chose to settle in Fullerton due to the long standing history of diversity and a sense of community it has. Hiring locally, we currently have family members within the District. This adds to our sense of responsibility and reliability we can bring to the Fullerton School District in supporting your operations. We understand the importance and reliability needed for on-time deliveries that are delivered safely by competent and vetted staff.

As we make the children of our community a priority, understanding the nutritional support is also a priority. Making sure that the children of Fullerton are fed and continue to stay healthy is vital in keeping them energized and motivated throughout the school year. Accordingly, I would like to propose our support to the districts nutritional services department to make sure the children of FSD get what they need to thrive, grow and develop without barriers.

Proposal

Goals of the proposal include:

- 1.1 Provide transport for transportation of food from warehouse in Fullerton to the distribution sites as needed.
- 1.2 The transporter is responsible to provide fuel for all trucks for transport of the food and beverages allocated.
- 1.3 Provide roadworthy vehicles in very good condition that are well maintained for transportation of nutritional items to designated locations.
- 1.4 Transporter is required to ensure his trucks are the types and sizes that can easily move within the district.
- 1.5 Commence loading of the trucks in warehouse immediately when they receive instructions from FSD personnel.
- 1.6 Properly secure cargo inside the truck
- 1.7 Driver to deliver products at the designated space within each school on time per schedule provided by FSD personal.
- 1.8 Trucks provided by contractor will be available for use for up to 8 hours of work time this will not include breaks and lunch of the driver.

Note. All vehicles used to execute this contract will be subject to inspection by the FSD personal as needed for approval of work within the District.

2.0 Personnel

- 2.1 The Transporter will employ adequate personnel to transport the goods. The responsibility for such personnel will be fully that of the contractor and not of the FSD.

Note. Personal provided by the transporter/contractor will be fully vetted and screened in accordance organizational policy. This includes drug testing and background checks to ensure the safety and security of employees and children within the FSD.

- 3.1 Provide invoices for all transport charges on a timely basis.
- 3.2 For payment, the transporter will submit to the Nutritional Department's office in original invoice or electronic invoice, whichever is preferred by the Department personnel

4.0 Insurance and Security

- 4.1 The Transporter will ensure that the trucks are fully insured to the value of the Vehicle and cargo against normal risks (fire, theft and third party liability) at his own expense and no liability will attach to the FSD in this respect. Transporter will provide proof (a certificate from the insurance company) of the insurance coverage to the FSD
- 4.2 Transporter will ensure that the driver of the trucks will also be insured in accordance with laws of California.

Note. Insurance requirements will be met in accordance with the Districts requirements at all times while servicing the District. Any changes of the insurance will be reported immediately to FSD personnel.

5.0 General

1.1 Contractor shall remain in compliance with all applicable federal, state and local laws, rules and regulations and ordinances including workers compensation.

B Responsibility of the Fullerton School District

2.0 Personnel

1.1. Drivers provided by Adcom/contractor will be allotted two fifteen minute breaks and a lunch in accordance with normal working practices of the nutritional departments' personnel.

3.0 Notification

3.1 FSD is not required but encouraged to provide at least 24 hour notice for services needed. Less than 24 hour notice may effect scheduling and may affect same day services for that day.

Background: The Second Interim Report is one of three financial reports that school districts are required to report to the State and provide to the public annually. The report presents the results of actual financial operations through January 31 and the projected budget for the fiscal year for all District funds. Subject: Second Interim Report

The District's Second Interim Financial Report consisting of current year financial statements and budgets for all funds, as well as the required State reports, is attached. This memo provides a narrative overview of the report.

Background

The District is required to formally report to our community, the Orange County Department of Education (OCDE), and the State of California our actual financial results of operations three times a year. In addition to providing July 1 through year-to-date results, the reports also provide projected results for future periods. The required reports are as follows:

<u>Report:</u>	<u>Reports Actual Financial Results through:</u>	<u>Due Date:</u>
First Interim	October 31	December 15
Second Interim	January 31	March 15
J-200 Unaudited Actuals	June 30	September 15

Financial Reports Included—Second Interim Report to Board

The following reports are provided in this document:

- Second Interim Budget Projections (showing the First Interim Budget and the Second Interim Budget)
- Second Interim State Report (SACS format)
- Multi-year Projections
- Cash Flow Projections
- State Criteria and Standards Review

Year-to-date financial statements reflect actual financial results from the District's accounting system, which is maintained through OCDE on the Bi-Tech accounting system. For the First and Second Interim Reports, results are on a cash basis (no accruals are booked). Accruals are recorded for the year-end financial statements.

Current year budgets and multi-year projections are based on information provided by OCDE, the California Department of Education, School Services of California, and other relevant professional sources. A summary of the various factors used is attached at the end of this memo. Additional discussion is provided below.

Current Year Budget

At Second Interim, the District updates its First Interim Budget (approved by the Board of Trustees on December 10, 2019) to reflect current financial projections. In addition to routine budget adjustments and reclassification, the following non-routine changes were made to the 2019-20 budget from First to Second Interim:

- In the Unrestricted General Fund, the effect of the negotiated settlement with the District's certificated bargaining unit (FETA), classified group (CSEA), and management group (FESMA)

were added. The District reached an agreement with the groups after the First Interim Report was prepared which provides a 1.5% ongoing salary increase retroactive to July 1, 2019 and a 1.5% one-time off schedule agreement. The agreement also increased the family health plan cap from \$17,400 to \$18,240.

- All adjustments were routine in nature.

Routine Second Interim Budget Adjustments: The District has reviewed all of its programs, cost centers, and accounts, and has adjusted its Second Interim Budget projection to reflect the following:

- No change for 2019-20 LCFF (Local Control Funding Formula) revenue.
- At Second Interim, the District reviews all revenue accounts that are based on Average Data Attendance (ADA). If start-of-school enrollment is materially higher from budget projections, revenues will be recalculated based upon updated ADA projections. Second-month enrollment totaled 12,807—188 less than second-month enrollment for the 2018-19 school year. In the case of declining enrollment, the State “holds harmless” a District for the first year, allowing the District to claim the (higher) prior year ADA for apportionment funding. Therefore, the District is still using the same (2018-19 Second Period) ADA in the Second Interim Budget. The effect of the declining enrollment is reflected in the 2020-21 projection (discussed further below).
- Categorical revenue accounts updated to most recent grant/entitlement letters and other information received from the State and federal governments. Corresponding expenditure accounts are also adjusted accordingly. Indirect costs are updated to reflect changes in total estimated expenditures.
- Other income accounts analyzed and adjusted to reflect year-to-date receipts and estimated year-end amounts.
- Revenues and expenditures of programs that encroach on the General Fund updated to current projections and contribution accounts adjusted accordingly.
- Salary and benefit accounts adjusted to reflect updated staffing levels and changes to benefit costs, including health insurance costs.
- All expenditure accounts analyzed and adjusted to reflect year-to-date expenditures and estimated expenditures to finish the year.

At the First Interim Budget, the District projected an Unrestricted General Fund net decrease for the 2019-20 fiscal year of (\$179,628). After all the above adjustments, the 2019-20 updated Second Interim Budget reflects a net decrease of (\$2,827,537). This is a decrease in ending balance by (\$2,647,909). The main reason for the increase in the net decrease was for the 1.5% off schedule plus 1.5% on schedule salary settlement with all bargaining groups.

The revised ending unrestricted fund balance (including assigned) is projected at \$29,920,203, or 19.83% of the General Fund expenditures. This amount is \$21,395,112 above the State-required 3% reserve.

Multi-Year Projections

The most important element of the Second Interim Report is the three-year projection for the General Fund. In this forecast, the District projects its financial prognosis for the current and subsequent two years. The purpose of the projection is to report to its stakeholders on the continued fiscal viability of the District. The projection provides the rationale for the District’s choice of certification options (Positive, Qualified, or Negative) on its Certification of Financial Condition.

Please refer to the attached summary for details of the significant variables and assumptions used in the preparation of the District’s three-year projection. The following discusses the most significant items in the three-year projection:

LCFF: The District is utilizing the Department of Finance's estimated COLAs and LCFF Funding Rate percentages. LCFF is now fully funded.

Fullerton School District is reporting a 53.95%, 54.36%, and 54.58% Unduplicated Percentage of enrollment for 2019-20 through 2021-22 based on a three-year average. The percentage is not projected to be materially different in the subsequent two years.

ADA: Based upon the 2019-20 drop in enrollment, the District is projecting a decrease in apportionment earning ADA of 231 in 2020-21. There is currently a projected decrease of 205 ADA for 2021-22.

Additional One-time Revenues: One-time revenues related to Special Education Early Intervention Preschool Grant are adjusted in the three-year projection. No additional one-time revenues are projected after the 2019-20 budget year.

Employee Compensation: Normal ongoing step and column increases are included in the three-year projection for all bargaining groups. In 2020-21, the budget projection includes \$1,030,503 for projected increases in STRS and PERS rates to be paid by the District (unrestricted). An additional \$82,931 is added for 2021-22.

Budget Additions/Decreases: The budget includes approximately \$700,000 for attrition of staff in 2020-21 and \$450,000 for 2021-22 projections. No other budget augmentations, other than routine inflationary increases have been made.

Other Non-Routine Additions to the 2020-21 Budget:

Other non-routine, discretionary additions to the budget have not been reflected in the 2020-21 projection. These will be reflected in the June budget as necessary.

Ending-Fund Balances

Taking into account all of these changes to the three-year projection, the District projects net decreases in the current and subsequent fiscal years in the Unrestricted General Fund. The projected Unrestricted General Fund ending-fund balance percentages are as follows:

Fiscal Year Ended	*Available Funds Percentage	Assigned Funds Percentage	Total Percentage
June 30, 2020	17.18%	2.65%	19.83%
June 30, 2021	16.34%	1.73%	18.07%
June 30, 2022	13.26%	1.70%	14.96%

*Available Funds include Unassigned Funds and 3% Minimum Reserve for Economic Uncertainties.

Required Disclosure under Education Code section 42127(a)(2)(b) regarding reasons for Ending-Fund Balances above the State-recommended minimum level

Education Code section 42127(a)(2)(b) requires a statement of reason that substantiates the need for assigned and unassigned ending-fund balances in excess of the minimum reserve standard for economic uncertainties for each fiscal year be identified in the budget.

The Board of Trustees of the Fullerton School District currently maintains a prudent reserve which provides for anticipated future expenditures for technology, instructional materials, and other necessary instructional expenditures. The District must also have funds available to mitigate the costs of declining enrollment to the District. Additionally, the reserve is maintained to provide for

unplanned or emergency expenditures that might occur in the future. The District must also plan for future facilities needs. Finally, the District must also plan for future downturns in the State economy which could negatively affect the District's budget.

Projected Unrestricted Ending Fund Balance:

	<u>3% Minimum Reserve</u>	<u>Nonspendable</u>	<u>Assigned</u>	<u>Unassigned</u>	<u>Total Fund Balance</u>
June 30, 2020	\$4,525,091	\$120,000	\$4,000,000	\$21,395,112	\$30,040,203
June 30, 2021	\$4,345,278	\$120,000	\$2,500,000	\$19,323,948	\$26,289,226
June 30, 2022	\$4,399,033	\$120,000	\$2,500,000	\$15,039,591	\$22,058,624

Certification

Based upon current projections and budget assumptions regarding State funding and the District's financial condition, the District is certifying with a Positive Certification. Per State guidelines, a Positive Certification indicates that, based upon current projections, the school district will meet its financial obligations for the current fiscal year and subsequent two fiscal years.

Conclusion

The Second Interim Report is an important document in the District's ongoing communications to its stakeholders. The report and certification provide accountability and evidence of stewardship to our community.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.
