

BYLAWS OF THE BOARD

Public Statements

The Governing Board recognizes the rights of Board members to freely express their views and encourages open discussion of issues during the Board meeting. The Board believes that effective Board members have a responsibility to express themselves, whether in agreement or disagreement with the Board majority, in ways that promote the Board's ability to govern the District.

When speaking to community groups, the media, or other members of the public, individual Board members should recognize that their statements may be perceived as reflecting the views and positions of the Board. Board members have a responsibility to identify personal viewpoints as such as not as the viewpoint of the Board.

All public statements authorized to be made on behalf of the Board shall be made by the Board president, or, if appropriate, by the Superintendent or other designated representative.
