

ADMINISTRATION

Representative and Deliberative Groups

The Board authorizes the Superintendent to establish such permanent or temporary councils, cabinets, and/or committees as the Superintendent deems necessary for proper administration of Board policies and for the improvement of the total educational program.

Any council, task force, cabinet, or committee created by the Superintendent shall be for the purpose of obtaining the advice and counsel of administrative and supervisory personnel and to aid in District communication. Such groups may take recommendations for submission to the Board through the Superintendent in an advisory capacity but shall exercise no inherent authority. Authority for establishing policy remains with the Board and authority for implementing policy remains with the Superintendent.

The membership, composition, and responsibility of an administrative council, task force, cabinet, or committee shall be defined by the Superintendent and may be changed at the Superintendent's discretion.

Expenses incurred by such groups for consulting services, materials, and any investigative travel shall be paid from the general operating funds of the District, but only when within budgetary allotments and approved by the Superintendent in advance.
